CHARLEVOIX PUBLIC SCHOOLS

MINUTES OF SCHOOL BOARD MEETING

August 21, 1961

Present: Lieberman, Dinwiddie, Martincheck, Martin, C. Smith, Al Smith, Blanchard, and Bennett, Supt.

Absent: None.

The meeting was called to order at 8:15 p.m. Minutes of the meeting of August 7, and those of a special meeting held August 15, were read and approved.

It was moved by Dinwiddie, supported by Martin, that bills in the amount of $1,092.75. payable from General Fund, be approved and ordered paid. Motion carried: 5-0.

Al Smith entered the meeting.

It was moved by Martin, supported by Al Smith, that bills in the amount of $20,613.98, payable from Building & Site Fund, be approved and ordered paid. Carried: 6-0.

The offer of the Koenig Construction Co. to load trucks for the fill of the basement of the old high school was tentatively accepted.

Mr. Cornwell, architect, and Mr. Ance attorney, appeared to discuss payment on the building contract to Wallace N. Bjorklund. The point was made that any further payment be made to him that all bills, whether they had been presented within the 60 day limitation or not, but were solid bills for work actually done, should be met. Furthermore, before any money is to be paid a complete release be obtained from said Wallace N. Bjorklund.

Mr. Blanchard entered the meeting.

There was considerable discussion of how to protect the football field and surrounding areas from cars at football games. The suggestions were: plank, blocks, drainage pipe from Brutus, snow fence from the County, etc. Mr. Martinchek was asked to get the price of drainage pipe.

Arrangements were made to get silicone waterproofing for the bus garage shop from the Lake Construction Co.

Bids from the Livingston Insurance Agency, Bill Carey Agency, the Max Novak Agency, and the Michigan Mutual Liability Co. for workmen's compensation insurance, were discussed but no decision made until further information on the school's past experience rating can be studied.

Possible maintenance people were discussed but no selection made at this time.

It was moved by Martin, supported by Al Smith, that loans be negotiated through the two local banks to repay loans due them on September 1, 1961, said loans to be for $20,000.00 each at 4% interest, due and payable on March 1, 1961. Motion carried and resolution adopted: 7-0.

Mr. Lieberman was excused, with Mr. Dinwiddie taking the chair.

After considerable discussion it was moved by Blanchard, supported by Martin, that the salaries of the non-teaching personnel be set at the same figures fixed for 1960-61. Motion carried: 6-0.

Moved by C. Smith, supported by Martincheck, that a contract be offered Mrs. Joan Herron to teach in the elementary grades for the year 1961-62, at the proper salary according to salary schedule. Carried: 6-0.

The library problem was presented and various details and possibilities discussed. The closing of the public library and the contniuance of two libraries, high school and elementary; and the continuance of all three, were talked about but no conclusions reached.

The necessity of a flagpole at the new high school was discussed, with approximate prices for various poles quoted.

Possible economies toward a reduction of a deficit were planned but without final approval, as follows: Closing of the public library; restriction of transportation: and reducing of teaching supplies.

The meeting adjourned at 11:25 p.m.

BURR BLANCHARD, SECRETARY

MINUTES OF SCHOOL BOARD MEETING

August 28, 1961

Present: Martin, Lieberman, Al Smith, Blanchard, Bennett, Supt. Absent: Martinchek, Dinwiddie, C. Smith.

The meeting was called to order at 8:50 p.m., following the polls.

Moved by Al Smith, supported by Martin, that the results of the election with regard to the increase of millage by 1 mill for operation for the year 1961-62, be accepted and said 1 mill be levied in addition to the 7 mills allocated. Motion carried :4-0. Results of the Election for said proposition were as follows: Yes — 309; No — 103; Void — 2; Spoiled — 2; for a total of 416.

It was moved by Martin, supported by Blanchard, that Willis Keiser be hired for maintenance work in the Elementary school, to assist Mr. Bartlett, salary to be fixed at a later date.

Moved by Blanchard, supported by Martin, that Ilo Helms be hired for maintenance work at the new high school, and his salary was fixed at this time. Carried: 4-0.

Mr. Bennett reported on the floor tile problems in the new high school, advising that this work is covered by a one year's guarantee and will be taken care of.

Mr. Bennett reported on estimated prices on flagpoles. It was brought out at this time that Camp Charlevoix boys are donating $250 toward this pole.

Report was made that the old high school basement had been filled and leveled.

Mr. Bennett reported that the Library costs for the year 1960-61 had been $6,637.00.

The meeting adjourned at 9:35 p.m.

The Administration, during the 1960-61 year, made a serious and planned effort toward meeting the recommendations of the Community Study made by parents and others, under the directions of the School of Education at Michigan State University. The two programs were:

1st: The new High School building.

2nd: Program changes that would help insure a quality education for all.

This last Program is a continuing one and will be the one emphasized most seriously in the 1961-62 school year.

Respectfully,

ROY G. BENNETT
Superintendent of Schools

Fumbles and Penalties Costly For Rayders

The Charlevoix Rayders dropped their second loop game of the current grid season Friday night when they ended up on the short end of a 13 to 0 score in their meeting with the Mancelona Ironmen.

The victors' scoring runs came in the second period when Steve Ottgen went over from the 13 and in the third quarter when Ken Johnson broke away for a 35 yard run and the tally. Both touchdowns followed Rayder fumbles.

Charlevoix threatened several times but failed to cross into Mancelona territory as the result of an intercepted pass, fumbles and costly penalties on crucial plays.

The Rayders kicked off to the visiting Ironmen who were forced to punt after failing to pick up a first down. After returning the ball to the Mancelona 47 a 15 yard penalty was called against the Rayders, moving the ball back to the Rayder 38. The Rayders then advanced to Mancelona 41 when they fumbled with Mancelona recovering the ball. Mancelona fumbled on the next play with the Rayders recovering on the 45.

With Henry Wagner and Gary Spencer carrying the ball the Rayders picked up two first downs and invaded Mancelona territory to the Mancelona 13 when a major penalty set them back to the 28. Two plays later the ball carrier was jarred loose from the ball on the 20 yard line.

The Ironmen were on their own 38 when the quarter ended.

Mancelona picked up two first downs to the Charlevoix 17 and then advanced to the 13 yard line from where Ottgen scored. Ken Johnson ran tbe conversion point over to put the victors ahead 7 to 0.

Three exchanges of punts marked the action throughout the remainder of the half with the play confined to the area between the 30 yard lines.

Charlevoixx took over on their own 20 when the Mancelona kick off to open the second half rolled into the end zone. The Rayder offense started to move with Charlevoix advancing to their own 48 in four plays. On the next play the ball crarier was again jarred loose with Mancelona recovering on the Rayder 49 to aet up the Ironmen's next scoring try.

On the third play from scrimmage following the fumble recovery, Johnson romper 35 yards to score. Kent Stradinger was stopped short of the goal line as he attempted to run the point after touchdown and the score remained 13 to 0.

Charlevoix took over on the 35 following the kick-off and with Stan Martin passing to Brendan LaBlance and Wagner and Dan Pearl and Martin bucking the line advanced to the Mancelona 27 yard line where the Rayders missed a first down by inches and Mancelona took over on downs.

Two Mancelona penalties followed by a Mancelona fumble recovered by Charlevoix gave the Rayders the ball deep in Ironmen territory. A line play moved the ball from the Mancelona 16 to the 12 where Mancelona intercepted a Rayder pass in the end zone to move the ball to the 20 as the third period ended.

Mancelona picked up yardage to the Rayder 37 but lost the ball to Charlevoix on downs to end the fourth quarter. The Rayder offense moved the ball to midfield but bogged down and they were forced to punt. Mancelona took over on the 20 when the ball rolled into the end zone.

On the next series of down, the Ironmen moved 60 yards to their own 20 where they lost the ball on downs.

Taking to the air and moving well on the ground the Rayders were on the Mancelona 15 when the final gun went off.

Every pleyer on the field in the Charlevoix-Mancelona game, the majority of them unidentifed, was in on this play which found the Reyders' defensive team helting en edvance by the visiting Ironmen.

However, the Ironmen menaged two trips into Charlevoix territory after recovering Rayder fumbles for a 13 to 0 win over the home team.

Boyne, Mancelona, Pellston Top Three in NMCC Loop

Boyne City, Mancelona and Pellston remained the only undefeated teams in the Northern Michigan Class C league following Friday's game.

Boyne City dumped East Jordan from the ranks of the undefeated by a score of 27 to 7, Mancelona edged Charlevoix 13 to 0 and Pellston downed Grayling 19 to 0 to retain their first place standings. Meanwhile, Gaylord was moving into the win column for the first time with a 12 to 0 victory over Gaylord.

Boyne City 27 East Jordan 7

The Boyne City Ramblers put on a display of power Friday night to down East Jordan by a decisive acore and to serve notice that they plan to repeat as loop champions.

The Ramblers were in control most of the way, scoring all four touchdowna on long runs. The first came early in the game when Quarterback Larry Gunderson intercepted a Red Devil pass and romped 25 yards to score. Halfback Doug Grubbe passed to End Ron Ward for the point after touchdown.

Later in the period Grubbe made his way around end to score on a 30 yard trek with Bill Heierman booting the conversion point.

Tracy Newville increased the Ramblers lead to 20 to 0 midway in the second period when he broke away for a 55 yard jaunt and a touchdown.

Grubbe scampered for 35 yards and Heierman booted the conversion as the Rambler scoring attack ended in the third period.

East Jordan's single tally came late in the game when Quarterback Bud Gee pitched a 10 yard pass to End Bill Cox. Gee added the extra point on a boot.

Pellston 19 Grayling 0

It was Halfback Ray Mehalec who set the pace for the Hornets in their meeting with Grayling. His first scoring run came late in the opening period when he went 40 yards on a reverse. Halfback Merle Cameron added the conversoin point with a kick to put the Hornets ahead 7 to 0 as the period ended.

In the second quarter Mehalec broke away for 14 yards and his second TD of the game.

The Hornets final touchdown came late in the game when the Vikings, with their backs to the wall, got off a bad pass from center and the receiver fumbled the ball behind the goal line. Pellston's Jim Cassidy fell on the ball for six points.

Grayling advanced to the Hornets' 20 yard line several times but lacked the punch to offer a real threat to the hard-laying Pellston outfit.

Harbor Springs 12 Gaylord 0

Harbor Springs' offense got down to business early in the Rams game at Gaylord, taking the opening kick off and marching to a touchdown on an 11 yard run by Halfback Steve Grahamm. However, the march was halted briefly, enroute, when a touchdown run by Fullback Harvey Kasuske was called back and the ball moved to the 29 on a major penalty. The Rams, however, did not let this deter them long.

Both teams threatened in the second and third periods but it wasn't until midway in the final period that Kasuske crossed the goal line again, this time on a 29 yard drive through the line.

Gaylord also had a TD run called back but were unable to repeat for a touchdown on the second try.

This Week With Class "C"

The Charlevoix Rayders will journey to Gaylord to take on the Blue Devils Friday night while elsewhere in the loop Harbor Springs will be hosting Mancelona and Boyne City will entertain Grayling.

The fourth game of the week, the meeting between East Jordan and Pellston, was set ahead to Wednesday night because of the annual Teachers' Institute.

When the Rayders cross over to Gaylord this week they will be trying to get into the win column for the first time this season after suffering two losses in league play, the first to Pellston (7-0) and Mancelona (13-0). The Blue Devils will have the same idea in mind having lost to East Jordan (25-6) and Harbor Springs (12-0).

A close look at the Rayders' record thus far reveals that the team has made consistent gains on offense but lack the speed and the punch to cross into pay dirt. By the same token, they have held opponents to three touchdowns. In last week's game Mancelona's two trips into the end zone resulted from Rayder fumbles. If the Rayders can develop sticky fingers, cut down on costly penalties which seem to come at crucial times and develop a much needed fighting spirit they could become a strong team though probably not a great one.

Gaylord, on the other hand, has a hard runner in Dick Farrand, a good passer and signal caller in Tom Tapio and a scrappy line that has been skirted for six TDs.

This week Coach Don Carey will be seeking a replacement for regular halfback Gary Spencer who suffered a knee injury in last week's game and who is expected to be lost for the season. He said Monday that Danny Pearl would probably fill the position.

With a little more fight and a lot more punch the Rayders could take this week's game and move out of last place which they share with Gaylord and Grayling.

The Mancelona-Harbor Springs game should be an interesting one but the Ironmen, with two wins to their credit, will be favored over the Rams who have lost to Boyne City and won over Gaylord.

The Ironmen made a good showing against Charlevoix last week in a game in which Ken Johnson and Kent Stradinger did the major part of the ball carrying. On numerous occasions the line opened the way for these two runners who managed to acore twice against Charlevoix after recovering two Rayder fumbles.

The Rams have to their credit three excellent backs including Quarterback Garry Stutsman who did an excellent job last week on roll outs against Gaylord and Steve Graham and Harvey Kasuske who were the chief ground gainers. In addition they have a pretty fair line.

This, too, could be a good game but the Ironmen who will be defending their share of the title will be hard to beat.

The Boyne City Ramblers, well on their way to another loop title, are not expected to run into any trouble when they go against the Grayling Vikings this week. The strong, hard running Rambler outfit has downed Harbor Springs and East Jordan, two strong contenders for the title this far while the Vikings have lost to Mancelona and Pellston.

Barring a bad case of overconfidence, this should be win No. 3 in League play for the Boyne City eleven.

State Ambassadors Evaluate Program To Get Industries

Michigan's Industrial Ambassadors gathered in Charlevoix Tuesday, as guests of Consumers Power Co., at a luncheon at the Weathervane Inn and a tour of the Big Rock Point nuclear plant now under construction. Main purpose, however, of this state-wide meeting of Ambassadors was to evaluate a program to help the state get new industries and provide more jobs.

Featured speaker on the program were T. Chalmers Curtis, chairman of the board, First National Bank, Petoskey, and a member of the Ambassadors' executive committee, offered common sense reasoning on the subject "Why Industry Should Locate in Northern Michigan."

The "Bread and Butter Business of Finding Prospects" was explained by Don Weeks, director, Michigan Economic Development Department. He advised all persons to co-operate with their local organizations. What can you do? Contact your suppliers; write letters to firms that may be considering an expansion program or even relocating; talk to visitors. He cited instances in which this last suggestion had lead directly to acquicing new industry in smaller communities.

"Looking Ahead with the Ambassadors' Program" was discussed by Rohlee B. Martin, president of Dundee Cement Co., and chairman of the Ambassadors' executive committee.

The meeting concluded with a conducted tour of the Big Rock Nuclear Power Plant under tre direction of Robert E. Kittner, director of nuclear activities, Consumers Power Co.

A. H. Aymonds, Jr., chairman of the board, Consumers Power Co. was chairman of the program and James Campbell, president of Consumers joined Mr. Aymonds in welcoming the guests.

Invocation was given by Rev. Harold E. Kohn, pastor, First Congregational church and Mayor E. D. Hawley welcomed the visitors to Charlevoix.

The luncheon was attended by more than 80 industrialists and other business people interested in promoting industries and jobs in Michigan.

Municipal Golf Grosses $10,075 For 1961 Season

The story of the growth of golf at the municipal golf course during the past nine summers is revealed in a report made recently to the city council by Mr. and Mrs. Keith Carey who have operated the course since 1954.

In 1953, for instance, there were 2,213 daily tickets sold during the months the clubhouse was open. During the years this has grown as follows: 1954, 3,310; 1955, 3,185; 1956, 3,424; 1957, 3,224; 1958, 3,400; 1959, 3,812; 1960, 4,385 and 1961, 3,993.

Mr. Carey accounted for the drop of day tickets from 4,385 in 1960 to 3,993 this year by explaining that there were more season tickets purchased by golfers who used the course regularly and that there were many more days of bad weather up until 10 a.m. This included days when it rained, was overcast, cloudy or foggy during the early hours of the day.

The revenue from the sale of day tickets has jumped from $956 in 1958 when 478 tickets were sold to $1,334.50 in 1961 when 535 tickets were sold.

Part of this was due to the increase in the price of day tickets which, up until 1958, cost $1.25. Effective that year the cost was increased to $2.00 for all-day play and this year to $2.50. During the same four-year period, the revenue for single tickets increased from 2,920 tickets for $3,652 in 1958 to $5,196 this year. Some of this increase was due to the fact that the change was increased from $1.25 during the first three years to $1.50 this year for single tickets.

The sale of season tickets jumped from $558.50 in 1953 to $3,470 this summer.

The gross income at the course has grown from $4,812.55 in 1953 to $10,075.50 in 1961.

Part of this was due to the fact that the cost of season tickets has been increased from $12 for single and $18 for a double in 1953 and '54 to $18 and $30 for the same tickets from 1955 to 1980 and $20 and $35 this season. For the first time a non-resident season ticket was issued with the single non-resident costing $25 and the double non-resident, $45.00.

Until 1958 all 'day tickets' were $1.25 and student tickets $ .50; in 1958-60 fees were $1.25 for nine holes; $2.00 for all day and students .50c; in 1961 the rates were $1.50 for nine holes and $2.50 for all day. Student tickets were discontinued this year.

Little Rayders Dump East Jordan Reserves 27 to 14

Charlevoix's Little Rayders rolled up a 27 to 14 score over the East Jordan Reserves Tuesday night for a two-win one loss record to date.

In the meeting Tuesday night at Kipke field, the visitors scored early in the game on a 30 yard pass play from Quarterback Jim Goeble to left halfback Don Peters with Frank Fisher booting the conversion point.

Knox is now on tour of the 11th Congressional District to get first hand information on the thinking of the people in the district he represents in the Federal Government.

The schedule of his tour in the immediate area is as follows: Monday, Oct. 18, Bellaire, Antrim county court house, 2 to 4 p.m.; Tuesday, Oct. 17, Kalkaska, county court house, 10 a.m. to 12 noon; Wednesday, Oct. 18, Petoskey, Emmet county court house, 2 to 4 p.m.; Thursday, Oct. 19, Charlevoix county court house.

Stop offs will be made in other towns in the district but no scheduled meetings have been planned.

Auto Crash Kills Coastguardsman Tim Gunter, 19

Nineteen year old Tim Weston Gunter, Storekeeper third class, stationed aboard the U.S. Coast Guard Cutter Sundew, was killed in a one-car accident near the Harbor Springs airport early Friday morning.

Two other members of the ship's crew, Dennis W. Deron, 19, Seaman Apprentice, of Allen Park, and Robert E. Mucker, 19, Seaman, of Kawkawlin, passengers in the car, were injured and taken to Little Traverse Hospital for treatment.

The body of the young Coastguardsman was returned to Batesburg, S.C. for funeral services and burial. He was the son of Mr. and Mrs. Daniel C. Gunter of Batesburg.

Homecoming Queen Maurine Sanford is pictured here surrounded by the members of her court.

They are (l to r) Rose Stewart, Lorraine Heise, Kathy Gallagher and Nynke Bierma; exchange student from Holland.

Queen Maurine will rule over the homecoming festivities which will begin with a snake dance, bonfire pep rally and coronation ceremony at Kipke field at 7 p.m. A homecoming parade at 4 p.m., will be followed by the homecoming football game between Charlevoix and Harbor Springs and a homecoming dance at the gymnasium.

Queen Maurine Sanford to Reign at Annual Homecoming

This is homecoming week at the Charlevoix high school.

In observance of the annual event Maurine Sanford, Charlevoix high school senior, will be crowned homecoming queen during the traditional pep rally at Kipke field which officially marks the opening of the two day festivities.

The coronation ceremony at which Jerome D. Lescee, Consumers Power Co. construction superintendent at the Big Rock Point Nuclear Power plant, will officiate will be staged at 7 p. m. at Kipke field.

Also participating in the ceremony will be the members of Queen Maurine's court, Rose Stewart, Lorraine Heise, 1961 Venetian Queen and president of the Pep Club, Kathy Gallagher, president of the Senior class and Nynke Bierma, exchange student from Holland.

A snake dance and bonfire beginning at 7 p. m. will be followed by the formal program and coronation ceremony. Representatives of the faculty, coaching staff, the football team and the community will peak at the rally. Music will be by the high school band directed by C. A. Odmark.

The homecoming parade is scheduled for 4 p. m. Friday. Led by the high school band, the parade will start at the high school and march through the business district. Prizes will be offered for the best decorated floats in the parade. Judges will be Mrs. Don Carey, Robert G. Lieberman and Fran Martin.

The Homecoming game at 8 p.m. will find the Charlevoix Rayders playing Harbor Springs. The halftime program will follow a homecoming theme. Queen Maurloe and her court will be introduced and the queen will knight the co-captains of the team.

To Observe 50th Anniversary Of Girl Scouting

Charlevoix's Girl Scouts will join with others from throughout the world in the observance of the organization's fiftieth anniversary this year, Mrs. James Gallagher, preident of the Charlevoix Girl Scout Council has announced.

To commemorate this event, the local council will sponsor a sale of calendars which will have a dual purpose Mrs. Gallagher said. They are picturesque and will not only serve as calendars during 1962 but as souvenirs for local Scouts.

The small profit realized from the sale will be used to send two deserving Senior Scouts to the Senior Round-up to be held at Button Bay, Vt., next July. This will be a gathering of more than 8,000 Senior Scouts from throughout the world and will be a long remembered experience by those attending.

There will be no house to house sale of the calendars but persons wishing to purchase them may call the following Council members and leaders who will have them on hand: Mrs. Leonard Burns, Mrs. O. V. Cunningham, Mrs. Lester Smith, Mrs. Richard Edwards, Mrs. Robert Pearl, Mrs. Lloyd Arnold and Mrs. Gallagher.

Chamber Members To Elect Three New Directors

Members of the Charlevoix Chamber of Commerce will elect three new directors prior to the annual meting scheduled for early next month.

Ballots bearing the names of seven nominees, Norman D. Ance, Richard Edwards, Carl Bogart, Mrs. Paul J. J. Olsen, John Rathburn, Robert Hamilton and Dewitt Peters will be mailed to the chamber membership Oct. 16. The membership will then vote for three directors and return the ballots before 5 p.m. Oct. 28, according to Paul Kohler, secretary-manager of the organization.

The directors to be elected will succeed Lee Moerland, Fay Davis and Harold Totten whose terms expire.

Members of the nominating committee are Frank J. Novotny, Miss Katherine Fitch and John Norton.

Leslie Crain's Lose Possessions In Boyne City Fire

The condition of Leslie Crain, 35, of Boyne City, brother of Mrs. Miles Russell, and his 16 months old daughter, Leslie, who are patients at Little Traverse hospital in Petoskey was slightly improved Wednesday according to Mrs. Russell.

They were admitted to the hospital early last Sunday morning suffering from smoke inhalation resulting from a fire which destroyed their home in Boyne City. Two other Crain children and a friend escaped with out any ill effects by crawling out an upstair window ot the roof of an addition to the house from where they were rescued by firemen.

Mr. Crain is in satisfactory condition. His daughter, Leslie, remains in serious condition.

Mrs. Crain was not at home at the time of the fire.

The family lost most of its possessions in the fire, according to Mrs. Russell, who said they had received many contributions of furnishings and clothing. However, they are still in need of cupboards, chests of drawers and rugs as well as clothing. Most needed are boys' clothing size 6, women's clothing size 14 and men's clothing sizes 32-34 pants and 15 shirts.

Contributions may be left at the Russell home at 210 E. Hurlbut or the Ford Garage in Boyne City.

Charlevoix C. C. To Stage Annual Dinner Monday

The annual Charlevoix Chamber of Commerce dinner will be held Monday, Oct. 23, at the Weathervane Inn, Miss Kay Fitch, chairman of the committee has announced. Speaker for the occasion will be Robert P. Briggs, president of the state Chamber of Commerce and executive vice president of Consumers Power Co.

Purpose of the dinner meeting is to bring members of the Chamber, their guests, and persons interested in the progress of Charlevoix together in order that they may become more familiar with the work being done by the Chamber.

"Many persons support the organization financially without having first hand knowledge of the Chamber's activities," is the comment of Bill Carey, president. "Promoting the tourist business, industry and betterment of the community should be everyone's job, and not left to a select few," Mr. Carey comments.

Tickets for the dinner may be obtained from any of the directors, officers, or from the secretary, Paul Kohler, at the office of the Chamber of Commerce.

Stephen Nesbitt to Deliver Address at School Dedication

Stephen S. Nesbitt of Fremont, who recently was elected president of Michigan's Constitutional Convention, will deliver the dedicatory address at the dedication of Charlevoix's first new high school in 80 years, Supt. R. G. Bennett has announced.

The dedication of the new $995,000 structure will be observed at a special program scheduled for 2 p.m. Sunday, Oct. 29.

Mr. Nesbitt is well known as an educator having served as superintendent of the Fremont schools for many years and as a member of the State Board of Education. He has also served on the board of directors at Alma College and as vice president in charge of public relations for the Gerber Company of Fremont.

Further plans for the dedication ceremony are presently being completed by a committee composed of faculty and board of education members and will be announced at a later date.

Supervisors Meet To Adopt Budget, Fix Tax Levy

The annual fall meeting of the Charlevoix county board of supervisors convened at the county building here Monday with Ivan Phillips presiding as chairman.

During this session the board will approve appropriations, adopt the budge for 1962 and fix the tax levy.

On Wednesday noon the entire board visited Grandvue Medical Facility for the Aged near East Jordan where they enjoyed a dinner as guests of the hospital staff and the Charlevoix county welfare commission.

Council Approves Transfer of Proprerty To Expand Airport

A resolution regarding the exchange of property with the Crescent Stone Co., a subsidiary of the Medusa Cement Co. of Cleveland, Ohio, was approved by the City Council at its regular meeting Monday night.

The action by the city has cleared the way to expand the airport as the result of a general agreement with Crescent Stone Co. whereby additional land on the west and north side of the Coeling and Thorp properties will be available.

The agreement provides that Crescent Stone convey to the city the railroad right of way which now crosses the airport. The right of way would be relocated to border the south and west sides of the airport as expanded. The city dump, now over-filled and over-running other property, has passed its usefulness and will be conveyed to Crescent.

The agreement is further contingent upon the success of proceeding to vacate a section of the dump road from the west end of the Daugherty property to the west end of Crescent property. It is proposed this road be relocated over a right of way granted to the city along the south and west side of Crescent property, extending from US-31 to the west section of the dump road and continuing west to Bell's Bay and the Lake Shore drive.

The construction of the new route is to be arranged by Crescent at an estimated cost of $13,500. Provision will be made to keep the present dump open until the new road is constructed.

In consideration of land and easement for airport expansion the city will pay Crescent $5,000 at time of completion as additional consideration.

The proposal is also contingent upon Charlevoix township amending its zoning ordinance to permit Crescent Stone Co. to use the property for quarrying and industrial purposes.

The council also gave its approval to the transfer of $40,000 from the electric fund to the airport expansion fund. It is necessary for the city to have a given amount in a special fund in order to qualify for state and federal assistance in the program.

The improvement of the city-owned park along Park ave. overlooking Lake Michigan was discussed and plans made to make the park more attractive to picnickers and others by placing tables and stoves in the park and arranging for parking in an area overlooking the site.

Kenneth Staley, who is city Civil Defense chairman, reported to the council on the result of his survey of existing buildings as fall-out shelters. Anyone knowing of buildings that might serve as shelters are asked to contact Mr. Staley or the office of Civil Defene located in the county building.

Bills totaling $25,992.82 were approved and ordered paid. The total includes $3,174.54 for Security payments; $2,895.75, diesel fuel oil; $1,274, Northern Tree Co.; $1,386.72, McPherson Co. for bituminous aggregate; $2,135.75, materials for electrical line and $6,526.05, payroll.

Airport Expansion Wins MDA Approval

Temporary plans for expansion of the Charlevoix airport have been recommened by Wm. E. Hamlin, planning engineer of the Michigan Department of Aeronautics, according to city attorney, Norman D. Ance.

Mr. Hamlin met with the city council recently to review the plans for the proposed expansion. With the recommenation, Charlevoix is resonably sure of being included in the 1963 state and federal program for airport construction. Under the present aid program 75 per cent of approved construction costs are paid from the state and federal fund.

Negotiations with owners of property adjacent to the airport are progressing rapidly along with the necessary airway easements. Completion of these negotiations apparently will qualify Charlevoix for support from the state and federal aid programs.

Captains Named For Community Chest Drive

The 1961 Community Chest drive went into its second week Monday with contributions during the early days of the fund campaign totaling only $697.50, according to Mrs. Jeannine Essenberg, fund chairman.

In reporting the results of the drive to date Mrs. Essenberg said that "We must think twice and give as much as we can if the goal of $10,742 is to be met this year. Remember that the 1981 goal is higher than any in the past and that more agencies than ever are benefiting from the drive and then give accordingly".

The drive in the residential section is scheduled to get underway this week with the following captians and volunteers ringing doorbells and asking for your contribution to the campaign.

Mrs. Don Anders, residential chairman, has announced the following workers who are contributing their time to the cause: Area 1, Mrs. Clifton Gregory, captain, Mrs. Harrison Elzinga, Mrs. Ted Browe, Mrs. Alonzo Murray, and Mrs. Kenneth L. Empey; Area 2, Mrs. S. E. Coleman, captian, Mrs. Alfred Brow, Mrs. Robert McCall, Mrs. Harvey O'Brien, Mrs. Murray, Mrs. Peter H. Timmer and Mrs. Jake White Jr.; Area 3, Mrs. T. R. The Unemployment Racket

Elections, government spending, the destinies of political parties, as well as the future of liberty and self-government, are critically involved in reports released periodically by the U. S. Bureau of Labor Statistics dealing with unemployment. These reports are accepted as gospel by nearly everyone. And yet, according to a recent article in Reader's Digest by James Daniel, they are far from a true measure of unemployment.

Definitions and methods used by the Bureau to obtain its figures have steadily been altered to magnify the unemployment problem. To an increasing extent, persons are being classified as unemployed, even though they are unemployed from personal choice or, at least, are not out of jobs on account of "economic factors beyond the individual's control."

Some indication of the extent to which unemployment statistics in this country have become distorted, may be gained from the following comment of Dr. Seymour Wolfbein, Deputy Assistant Secretary of Labor: "If we applied the same measuring rod as Europe, our unemployed would be three million." (Instead of over 5 million) by contrast, if Britain used our system, according to a recent study reported by the First National City Bank of New York, the unemployment figure would double.

Former Budget Director, Maurice Stans, in urging a "study in depth" to discover how many of the reported unsmployed actually are in the market for jobs, warned that, "Modern governments are so heavily dependent upon statistics in making decisions that more and more national policies of immense importance for every American are determined by them. Billions of our dollars now ride on the accuracy of our monthly unemployment report."

The worse the unemployment figures can be made to appear, the easier it is to push Uncle Sam into new federal spending programs and new controls over the economy.

OCTOBER IN MICHIGAN

By Harold E. Kohm

Man, the Predator

In lower Michigan shot-gun pellets rain on the fields. From now until the season closes the booming guns will take their toll, a daily slaughter of birds and men. Hundreds of thousands of gaily-colored winged wonders will crumple in the air and thud sickeningly to the ground before the massacre is at an end, and many a man will collapse in writhing agony with bird shot in his belly before the carnage is over.

Some of this sudden death to pheasants is perhaps unavoidable, natural, and even with its wholesome aspects. People must eat, and if one enjoys the taste of ring-necks—as I most certainly do—a pheasant or two per season harvested from an abundant crop is not much to ask of nature. And a pheasant's life may be no more sacred than that of a domestic fowl. Tramping through the fields is good exercise for the men with the guns—exercise many would not bother with otherwise.

My own uneasiness during hunting season does not arise from chagrin that people shoot birds and beasts of the field and forest, but that they shoot wastefully, wantonly, lustfully with a sadistic joy in killing. Someone must kill something if humans are to eat. Even vegetables must die before being consumed. But to kill with joy, to kill cruelly—and beyond our need—that is subhuman. Or to make wild creatures sore and lame and to leave them struggling half-alive, crippled things, the rest of their brief days, that is a mean and vile kind of entertainment. I feel uneasy and guilty at being a part of the race that is capable of this hateful violence and slaughter.

An the "accidental" deaths of human beings from gunshot wounds might better be called negligent homicide or suicide—always. They are all tragic and all unnecessary.

Altoghter two often the motivation of hunting is not a craving for the taste of wild game. It is a lust for trophies, something to hold up before ones fellows, to point to proudly and to exclaim "See what I shot"—meaning see what a man I am, what prowess, what an aim, what power in my trigger finger! The gun is but a mechanical extension of the man. What the gun does the man feels he has done, and of course he has. But the man has destroyed, shattering flesh and bone that a moment before tingled with a life that no man could invent or duplicate or restore, and if a man can do that without some twinge of regret, some resolution to keep such killing at a minimum he is not quite civilized.

The hunter's lust for power is shown by the lengths some men will go to pretend they have killed game, if they are unsuccessful on a hunt. Some buy deer from poachers and return to the city with fanciful tales of how they stealthily crept up on one in a hemlock swamp, or shot one at three hundred yards just as he was vanishing over a hill. There are stories aplenty of anglers buying fish at a store rather than go home emptyhanded. But some hunters will do as badly. I have learned of six luckless pheasant hunters stopping at a pheasant preserve, buying one bird apiece and putting them into bags. They backed off thirty yards and shot them, then they could go home and boast to their families, "See the pheasant I shot. Isn't he some bird?"

And, if no other satisfaction for their destructive instincts seems possible many a hunter will shoot the handiest target he can find. Some years ago the Bonneville Power Administration in the state of Washington thanked hunters for graciously shattering only 390 insulator units on power lines in 1951 compared with the 663 they smashed in 1950! This admirable restraint reduced damage from $15,000 to $7,000.

Man, the predator, is not so different from the predaceous cougar, bobcat or bear. Todays hunters use semi-automatic shotgun and rifle as the neolithic man used knives, spears and bows, as improved and detactable fangs, claws and talons. Man has improved his predatory power to excel those of any other animal. He is now by far the most dangerous of all beasts that pester the lives of wild creatures.

Betty Ann Kerr Becomes Bride Of Mr. Johnecheck in Church Rites

The Community Church of God was the scene Saturday of the evening wedding of Betty Ann Kerr and Floyd A. Johnecheck.

Parents of the couple are Mr. and Mrs. Crayton Kerr of this city and Mr. and Mrs. August Johnecheck of RR 2 Boyne City.

The Rev. George L. Majors officiated at the double ring service in the presence of mora than 200 guests. Baskets of pink and white gladioli, palms and lighted tapers decorated the altar for the ceremony. Pews were marked with bows of white aatin and pink net and pink roses. Lighted tapers surrounded by roses were placed in the windows. Mrs. John L Boss, at the organ, played a program of traditional music and the wedding marches and accompanied the soloist, Kenneth Boss, who sang "The Lord's Prayer" and "Because".

Given in marriage by her father, the bride selected a floor length gown of white Alencon lace for her wedding. Fashioned along princess lines, the gown had a Sabrina neckline sprinkled with sequins and seedpearls, long tapered sleeves and a frothy bouffant skirt of silk organza with lace appliques and a large bow at the waist giving a bustle effect. Her fingertip veil of French illusion was secured with a crushed rose crown of shirred ribbon and lace accented with sequins. She carried a white Bible topped with an arrangement of red sweetheart roses, white carnations, ivy and streamers.

Mrs. William Kerr was her sister-in-law's matron of honor. She wore a gown of violine rose satin du charme styled with a fitted bodice, beli skirt and reversible cummerbund. Her headdress was of matching satin bows and a veil of silk illusion. She carried a cascade bouquet of pink and white carnations tied with blue-bird blue ribbon.

Hilda Johnecheck of Los Angles, Calif., sister of the bridegroom, wore a gown and headdress identical to the honor attendant's in blue-bird blue and carried a bouquet of pink and white carnations tied with violine rose ribbon.

Janie McDonald as flower girl wore a floor length gown of white silk organza trimmed with lace and a large back bow and a white lace hat trimmed with pink flowers and bows. She carried a basket of pink and white pompoms. Gordon Russell was ringbearer.

Harold Johnecheck of Boyne City assisted his brother as best man. Groomsman was Carl Hawkins of Boyne City, brother-in-law of the bridegroom. Seating the guests were William F. Kerr, brother of the bride and Larry Bergmann of East Jordan, brother-in-law of the bridegroom.

Mrs. Kerr selected a beige embroidered cotton dress and brown alligator accessories. Mrs. Johnecheck, mother of the bridegoom, wore a two piece navy dress with matching accessories. Their corsages were of pink sweetheart roses.

A reception followed in Fellowship hall which was decorated with pink and white streamers with an arrangement of pink roses on the fire place. The refreshment table was centered with a tiered wedding cake and decorated with arrangements of pink roses and lighted tapers. Assisting were Donna Berg, Lorah Foley, Wanda Warner, Eva Perron and Mrs. Cass Russell.

Following a northern Michigan wedding trip the couple will be at home at RR 2 Boyne City after Oet. 14. For traveling the bride wore a sheath jacket dress of red cotton and acetate, a red and black feathered hat and black patent acessories. Her corsage was of red roses and white carnations.

The bride is a graduate of the Charlevoix high school and is employed at the District Department of Health No. 3 in Charlevoix. The bridegroom who attended the Boyne City high school is employed at Bare Construction in Petoskey.

Wedding guests were from Los Angeles, Calif., Detroit, Flint Gladwin, Grand Junction, Elk Rapids, Boyne City and East Jordan.

Betrothed

The engagement of Mary Ellen Borgen to Joseph A. Leu has been announced by the bride-elect's parents, Mr. and Mrs. Richard N. Borgen of Fife Lake.

The prospective bridegroom is the son of Mr. and Mrs. Joseph O. Leu of East Jordan.

Wedding plans have not been completed.

Both are graduates of the East Jordan high school. The bride-elect is a graduate of Northwestern Academy of Beauty and is presently employed at Dodgson's Weathervane Beauty Salon. Mr. Leu is a junior student at Michigan College of Mining and Technology at Houghton.

Little Flower Guild To Sponsor Annual Hallowe'en Party

The annual Hallowe'en masquerade party sponsored by the Little Flower Guild of St. Mary's church will be held at the Argonne Saturday Oct. 28 this year.

There will be music for both round and square dancing climaxed by a bountiful buffet lunch.

Mrs. Don Johnson, Mrs. Danford Gallagher and Mrs. Leo Norton of the Guild executive board are also heading the committee for the event which is held annually to raise funds for St. Mary's school.

Mrs. Johnson and Mrs. Frank Bourgoin will be in charge of the buffet; Mrs. Gallagher, the decorations; Mrs. Edith Stenman, tickets and Mrs. Charles Meier, soliciting food.

Prizes will again be offered for the best costumes in several catagories.

Nancy McDermott Honoree at Shower

Nancy McDermott, bride-elect of John Currier of Cleveland, was guest of honor at a bridal shower given Thursday evening at the Community Church of God fellowship hall by Mrs. Charles Hanshaw, Mrs. Forrest Burke, Sharon Louiselle and Roberta Zietler.

The gifts which the bride-elect opened late in the evening were placed on a table decorated in a pink, white and blue motif with white wedding bells. The guests enjoyed games with Lorian Sanford and Mrs. Robert McDermott winning the prizes. Refreshments were served by the hostesses.

Miss Krulik Feted At Bridal Shower

Audrey Krulik whose marriage to Allen Shepard of East Jordsn will be an event of Oct. 4, was honored at a bridal shower given Monday by Roberta Zietler, Mrs. Forrest Burke and Mrs. Wilbur Wells at the latter's home.

Twenty guests gathered for games with prizes going to Pamela Korth and Mrs. James Annis. The bride-elect opened her many lovely gifts after refreshments had been served by the hostesses.

Set October 30 To Begin Classes In Radio Activity

Registrations are now being accepted for the radio activity monitoring classes scheduled to begin Monday, Oct. 30, according to Lt. Col. Joseph Seidel, Charlevoix county Deputy Civilian Defense director in charge of training.

Persons interested in enrolling in the course are asked to call Col. Seidel at LI 7-9589 and the Office of Civilian Defense in the county building LI 7-2638 leaving their names and telephone numbers and the night they would prefer the class to be held.

The 2½ hour classes will run for four weeks, Gen. George E. Ely, county Civilian Defense director, said in explaining the importance of enrolling for the class. Qualified teams will then be set up in the various communities and outlying areas to serve in a monitoring basis.

Ruby is the costliest of all precious stones.

Ex-Barnardite Returns for Visit

Mr. and Mrs. Harry Elzinga of Charlevoix and Roy Beattie of Manitoba, Can. were Tuesday supper guests at the Jasper Warner home where the latter remained three days. Mr. Beattie was born and raised on the farm now owned by Mr. and Mrs. Warner. In 1911 he and his father, Arthur Beattie, went to Canada and homesteaded. The following summer his father returned here leaving Roy there alone to look after the homestead. The nearest building, a store, was 75 miles distant. The only other time Mr. Beattie has been here was in 1947 at the time of his mother's death.

Financial Expert Tells Best Way To Buy Car And Home Insurance

"You can be ruined by improper insurance on your car or home," says Donald I. Rogers, business and financial expert, and author of best-selling books on personal finance. "That's why I firmly recommend buying insurance only through an independent insurance agent."

Mr. Rogers points out that an independent agent is a professional insurance man as well as a local businessman who knows local conditions. "An independent agent is available both day and night," says Mr. Rogers. "When a loss occurs, he takes care of all details and sees to it that payment is made fairly and promptly. You can tell him by the Big 'I' Seal."

You can buy insurance with confidence from the man who shows this seal. To display it, we have had to meet professional standards designed to protect you.

From where I sit ... *by* Joe Marsh

Opportunity Comes Knocking

Right in the middle of harvest, Smiley Roberts' hired man hurt his shoulder. So it was a stroke of real luck when a stranger knocked on Smiley's door asking for work.

"You can start right now!" says Smiley. "O.K.," says the stranger, "but what about wages?" With that Smiley pauses and says, "Well, I guess I can pay you whatever you figgar you're worth."

The stranger thinks it over for a minute, shakes his head, and starts to walk away. "Sorry, mister," he says. "It's just not worth it to work for that kind of money!"

From where I sit, a man who undervalues himself is bound to lose out in a lot of ways. But even worse is the man who undervalues *other people.* Chances are he's the kind of man who thinks only his own ideas are worth something—the kind of man who respects no opinion but his own. If he prefers tea, he's likely to object to *your* choice of coffee—or *my* choice of a glass of beer. Intolerance like this is no way to "reap" the rewards of good friendship.

General George B. Ely Gives Advise on Fall-Out

(This is the second in a series of reports issued from our Civilian Defense Headquarters.)

IF ENEMY BOMBERS APPROACHED OUR COUNTRY, WHAT WOULD YOU DO . . . .?

Preparation to survive an H-bomb is more sensible than guessing whether or not it will ever be used against us.

We deal with an indefinite future in which attack is not expected but must never be written off. We cannot afford to speculate in survival!

In a recent statement, Secretary of Defense Robert S. McNamsra declared:

"The Civil Defense effort must remain under civilian direction and control, involving as it does the survival of every citizen. It requires the closest and most sympathetic cooperation between the federal civilian authorities and state and locsl governments. "In the event of thermonuclear war, Civil Defense must be integrated in all aspects of military defense against thermonuclear attacks."

On August 2nd, OCDM Director Frank Burton Ellis urged Congress to speed the appropriation measures needed to close the critical gap in the nations non-military defense program.

"National survival," he said, "is what civil defense seeks to assure and it deserves the non-partisan support of everyone. There is no more important task facing the nation today than the problem of civil defense."

FOR IMMEDIATE RELEASE FROM THE MICHIGAN OFFICE OF CIVIL DEFENSE:

Fallout shelters will be an eligible item for insured loans under the FHA's new rebabilitation program.

"The rehabilitation loans included in the 1961 Housing Act provide for FHA insurance on loans up to $10,000 with maximum terms of 20 years and maximum interest rate of 6% for rehabilitation of individual homes.

"Inside urban renewal areas the minimum amount of the loans has been set at $1,000 and in other areas the minimum is $2,500. The loans are to be used to improve the basic livability of dwelling units.

"The shelters could be part of the overall rehabilitation of a home or could qualify as a bssic improvement. They could serve in a dual role as laundry rooms, dark rooms, studies, etc., but will have to conform to standards of the Office of Civil Defense and the FHA, who would make the inspections of construction."

An H-bomb explosion can blanket an area many miles downwind with dangerous radio-active fallout. Following enemy attack, essential services such as gas, electricty, and water, as well as normal channels of food distribution, would be disrupted. If this should bappen, a family would probably have to depend wholly upon its own food and resources for survival. An emergency food storage could be the family's only available supply of food.

Start your home food storage and family shelter programs today. Your Community Civil Defense will supply you with other information about family preparedness.

(Note: Next week, a report of survival kits available for schools, homes, factories and offices will be discussed.)

Introducing the style of the year is getting to be a habit with Pontiac!

One right after another, the Wide-Tracks have introduced the style that's been the year's most looked at and longed for. And along comes the '62 with the kind of freshness and fineness that only Pontiac comes up with. New length. New twin-scoop grille. A crisp, low silhouette. Cleanly curving taillights. You don't have to look twice to tell a '62 Pontiac! And you only have to drive it once to know that nothing else will do for you. Why not take the wheel and go Wide-Tracking soon!

The '62 Wide-Tracks are here!

Red Rayders Defeat Gaylord 6-0

Rayders First Victory, Move Into Win Column

The Charlevoix Rayders, showing a new spirit, racked up their first victory of the current season Friday night by edging Gaylord 6 to 0 in a hard fought battle which saw the Blue Devils well on their way to a touchdown as time ran out.

The Rayders' single touchdown came with less than a minute remaining in the first half when Stan Martin went over on a quarterback sneak from 2 yards out to score after the ball had been put in scoring position on a short pass by Martin to Curtis who was brought down on the two. The play moved the ball 16 yards.

Like so many games this season, this one was marked by costly fumbles and penalties. However both teams turned in tighter defensive and more daring offensive play than in recent games.

Gaylord was forced to punt early in the game after taking the Rayder kick off on their own nine and failing to advance the ball for a first down.

On the first play from scrimmage, the Rayders fumbled and Gaylord recovered on their own 47 to begin a drive that carried them to their own five after picking up three first downs on 10 plays on the ground. A major penalty on Gaylord was refused by Charlevoix who took the ball on downs on their own 12 yard line.

With Henry Wagner, Gary Balch and Martin carrying the ball and Martin passing to Curtis the Rayders moved to the Gaylord 22 as the quarter ended.

On the first play of the second quarter a 15 yard penalty was called on the Rayders, setting them back to the 42 yard line where their attack bogged down after four pass attempts and Gaylord took possesion of the ball.

Gaylord failed to move the ball and punted to Charlevoix who took over on their own 23.

The Rayders moved the ball to the Gaylord 36 after picking up three first downs but again the offense slowed down and Gaylord took over on downs. After three tries Gaylord was forced to punt from their own 32 and Charlevoix took possession on their own 18 yard line.

With Wagner, Balch and Martin again toting the ball the Rayders moved to the Gaylord 18 on seven plays only to fumble. However, they recovered their own fumble and on third down Martin passed to Curtis who advanced to the two yard line. Martin went in to score on the next play to give Charlevoix its first touchdown of the season. The attempted run for the conversion point was short and the score remained at 6 to 0.

Charlevoix kicked off to Gaylord who moved the ball to the Rayder 19 on a pass play from Tom Tapio to Dick Faran. However, major penalties by both teams nullified the next play as the half ended.

Gaylord kicked off to Charlevoix to open the second half only to intercept a Rayder pass on the Charlevoix 47 early in the period.

On the third play from scrimmage Martin intercepted a Blue Devil pass on the Rayder 24 and the seesaw battle which saw both teams punting on fourth down after failing to pick up needed yardage started.

In the next series of plays Charlevoix took a Gaylord punt on their own 35 and marched to the 12 on nine plays as the quarter ended.

On the first play of the final period the Rayders fumbled and Gaylord recovered on their own 13. The Blue Devils then launched a drive to the 34 where they fumbled and Charlevoix recovered.

On the second play from scrimmage Charlevoix again, fumbled and Gaylord recovered on their own 39 to begin the drive that carried them to the two where time ran out.

Charlevoix J-V's and Boyne City Reserves scramble for a Rambler fumble during the game which the local elaven won 13 to 0. Next Tuesday the reserves will pley at Mancelona.

This Week With Class "C"

The Charlevoix Rayders will host the Harbor Springs Rams in a home coming game at Kipke field Friday night as the current grid season goes into its fifth week.

In other games Boyne City will invade Pellston, Mancelona will entertain Gaylord and East Jordan will journey to Grayling.

Playing a hard game the Rayders racked up their first win in four starts and will be out to make it two straight when they take on the Rams this week. Harbor Springs is sharing second place in loop standings with East Jordan, Mancelona and Pellston with a record of two wins in three starts.

Score-wise the Rams will have a slight edge over the Rayders going into Friday's game but the fact that this is homecoming and that the team is anxious to continue its winning ways will have a lot to do with the final score.

The meeting between Pellston and Boyne City will be another one of those games that will have bearing in the battle for the league title.

The Ramblers are now alone in first place having romped over Grayling by a score of 60 to 6 last week. Earlier they defeated East Jordan (27-7) and Harbor Springs by the same score.

Last week the Hornets, playing without big Ray Mehalec, lost to East Jordan 27 to 6 but earlier won over Grayling (19-0) and Charlevoix (7-0).

The Hornets have the biggest line through Boyne City has a pretty solid one which is more experienced than the Hornets. However, the Ramblers have a backfield that is always a threat if they can get away and thus far the line has done a good job of holding so that Doug Grubbe, the fastest back in the loop, Bob Snyder or Tracy Newville could break away

The Mancelona-Gaylord game will be another interesting one for it marks the renewal of an old rivalry. Futhermore, the Blue Devils came so close to tieing the game with Charlevoix that they will be out to avenge the loss by attemping to take Mancelona.

This game should be a close one but Kenny Johnson and company will have the edge despite the efforts of Dick Farrand, Larry Simpson and the other Blue Devils.

East Jordan will take on Grayling this week and should, without too much effort, come through with a win over the hapless Vikings.

Boyne City Ramblers Hold Northern Michigan Class C Lead

The Charlevoix Rayders racked up their first victory of the current season Friday with a 6 to 0 win over Gaylord.

Meanwhile Harbor Springs dumped Mancelona 25 to 21 to rocket Boyne City into first place in loop standings after the Ramblers had run roughshod over Grayling by a score of 60 to 6. In a game played earlier in the week Pellston was bumped from first place by East Jordan by a score of 27 to 6.

Harbor Springs 25 Mancelona 21

In a game which saw the offensive teams of both squads put on a fine exhibition of scoring with each team picking up three touchdowns in the first half and the defensive teams take over the show in the second half, the Rams scored the winning touchdown in the last minute of the game.

After a razzle-dazzle first half, both teams settled down to a fine display of defensive play in the second half with the score 21 to 19 in Mancelona's favor Ram quarterback Garry Stutsman bucked the line for 10 yards and the winning touchdown. The kick for the conversion was wide and the score remained at 25 to 21 with 20 seconds remaining.

Still in the first period Johnson went around end to score and then went in a second time to score the extra point for a 14 to 6 lead.

Early in the second quarter Stutsman got off a 15 yard pass to End Paul Ranney in the end zone and Stutsman booted the conversion to put the Rams back in the game.

Johnson then went in from the seven and retraced his steps for the conversion point to give the Ironmen 21 points. Harvey Kasuske scored again for the Rams, going in from seven yards out, as the half ended.

The third period was scoreless as was most of the final period before Stutsman broke awey, for the winning touchdown.

Boyne City 60 Grayling 6

Halfback Doug Grubbe romped 70 yards on the second play of the ball game to put the Ramblers ahead and set the stage for eight more trips across the Grayling goal line before the Vikings managed one trek over theirs.

The scoring for the remainder of the game went like this: Bill Heierman kicked the conversion point; Bob Snyder romped 80 yards with Heierman making the score 14 to 0; Grubbe then went 70 yards and added the conversion point by passing to End Ron Ward to make the score 21 to 0.

The Ramblers opened the second period with another tally this one by Tracy Newville who traveled 35 yards after intercepting a Viking pass. Larry Thompson took a 30 yard pass from Quarterback Larry Gunderson with Heierman booting the conversion point for a 34 to 0 lead at halftime.

Snyder scored from 24 yards out; Grubbe scampered 90 yards and later in the period scored from midfield kicking the conversion to end the Ramblers scoring attack by the first stringers.

In the final period with the second stringers carrying the ball Bob West scored on a 31 yard run with Don Owen adding the conversion point.

A 35 yard pass play from Tim Neal to Tom LaMont gave the Vikings their lone tally and kept them from suffering a shut out.

East Jordan 27 Pellston 6

With big Ray Mehalec seeing only limited action because of a knee injury, the Pellston Hornets were toppled from the ranks of the undefeated by a determined East Jordan eleven by a score of 27 to 6.

The Jordanites went ahead on a touchdown scored by Tom Graham from 8 yards out with Bud Gee booting the conversion point.

In the second period Gee scored from the one yard out on a quarterback sneak and then booted the conversion to make the score 14 to 0.

The third period was scoreless but early in the final period, Jim McWatters scored from 12 yards out to give the Jordanites 20 points.

Pellston's single touchdown came midway in the final quarter when a 55 yard pass play from Cameron to End Rick Anderson moved the three yard line. Cameron then bucked the line for the touchdown. The conversion kick was blocked.

The Red Devils final TD came on the next play when Don Roberts took the kick off and galloped 90 yards to score. Gee booted the conversion point to conclude East Jordan's offensive attack.

Miss King and James J. Miller Speak Marriage Vows at Dearborn

Beverly Anne King became the bride of James Joseph Miller at a late afternoon wedding Saturday at St. James United Church o Christ in Dearborn.

Parents of the couple are Mr. and Mrs. Clifford King of Dearborn and Mr. and Mrs. Raplh Miller of Taylor.

The Rev. D. T. Engelodorfer officiated at the double ring service before a setting of autumn flowers in the presents of 175 guests. Harry McConnell, at the organ, played a program of traditional music and the wedding marches.

Given in marriage by her father, the bride selected a floor length gown of white Chantilly lace of pioe desol fashioned with a fitted bodice, scalloped neckline and long sleeves. Her fingertip veil fell from a lace band and she carried a bridal bouquet of white roses and ivy.

Alice King of Dearborn, as her sister's maid of honor, wore a ballerina length gown of aqua pois desoi and carried a bouquet of pink carnations, roses and pompoms.

Mary Stamm of Dearborn as bridesmaid and Carol Annis of Charlevoix cousin of the bride as junior bridesmaids wore similar gowns in aqua and pink, respectively. Miss Stamm carried a bouquet of pink blossoms and Miss Annis a bouquet of aqua pompoms.

Harold McKee of Garden City assisted his nephew as best man. Thomas Glover of Taylor and Thomas Miller, brother of the bridegroom, seated the guests.

Mrs. King selected a turquoise sheath dress, matching accessories and a pink rose corsage for her daughter's wedding. Mrs. Miller, mother of the bridegroom, wore a brown and white sheath, beige accessories and a rose corsage.

A reception and buffet dinner followed in the Fellowship hall of the church.

Following a wedding trip to an undisclosed destination the couple will be at home at 21140 Annapolis, Dearborn township.

The bride is a 1955 graduate of Fordson high school and is presently employed at American Motors in Detroit. The bridegroom is a graduate of Taylor Center high school and a veteran of three years in the U.S. Navy. He is presently employed at Whitehead and Kales Steel Construction of River Rouge.

Attending the wedding from Charlevoix were Mr. and Mrs. Harrison Elzinga and daughter, Carol, Mrs. Kenneth Krulik and Mrs. James Annis and daughter, Carol.

Mr. - Mrs. A. Yettaw Wed Fifty Years

Mr. and Mrs. Almond Yettaw, former local residents now living in Grand Haven, celebrated their golden wedding anniversary Saturday.

They repeated their marriage vows at a High Mass of Thanksgiving at St. Mary's church, Spring Lake, and later in the day greeted relatives and friends at an open house at their home.

The couple was married Oct. 9, 1911 at St. Luke's church at Atwood. The church has since been moved to Bellaire.

They have six children including two daughters, Mrs. Claude Bosch and Mrs. Howard Retzlaff and four sons, Leo, Glen, Lawrence and Delbert. They also have 21 grandchildren.

The family lived here and in Ellsworth before moving to their present home.

Clarence Drain Funeral Services Held Wednesday

Ellsworth—Clarence Drain of Ellsworth died Sunday morning at the Meadow Brook hospital at Bellaire after a three months illness

Mr. Drain was born March 3, 1902 in Bellaire. Mrs. Drain preceded him in death last Februray. In recent years, Mr. Drain, a former mail truck driver, was a furniture upholsterer.

The funeral, in charge of Hastings funeral home, was held Wednesday at the Pilgrim Holiness Church at 2 p.m. with Rev. W. L. Silvers officiating. Burial was in the Southern cemetery at Central Lake.

Surviving are two sisters; Mrs. Harry White of Bellaire and Mrs. Cecil Mason of Williamsburg and a stepson Jack McPherson of Ellsworth.

Kiwanians Hear Lewis Straley

Lewis Straley of the West Michigan Tourist Association showed a film entitled "Fishing in Michigan during the four seasons" following the dinner meeting of the Charlevoix Kiwanis club held Monday evening at the high school cafeteria.

At the business session plans were completed for the annual White Elephant sale scheduled to open at 9:30 a.m. today (Thursday) and continue through Saturday.

It was also reported that Kiwanis club signs of redwood had been placed near the approaches to the city giving the hour, day and meeting place of the club.

Guests were Edward Boss of Pompano Beach, Fla., Don McGowan of Jackson and A. A. Schaerer of the Detroit club.

Rev. D. Van Gessel Speaks at Ebenezer School PTA Meet

The regular meeting of the Ebenezer Christian school was held Monday evening Oct. 9 in the Atwood Christian Reformed church basement. Mr. and Mrs. Wesley Veenstra and Mr. and Mrs. Henry Burns were in charge of the program which consisted of special musical numbers and an address by Rev. Douglas Van Gessel who spoke on "The So-Called Goodness of Evil."

Following the business meeting refreshments were served by Mrs. Jacob Veenstra, Mrs. Wesley Veenstra, Mrs. S. Vander Helde and Mrs. Versal Klooster.

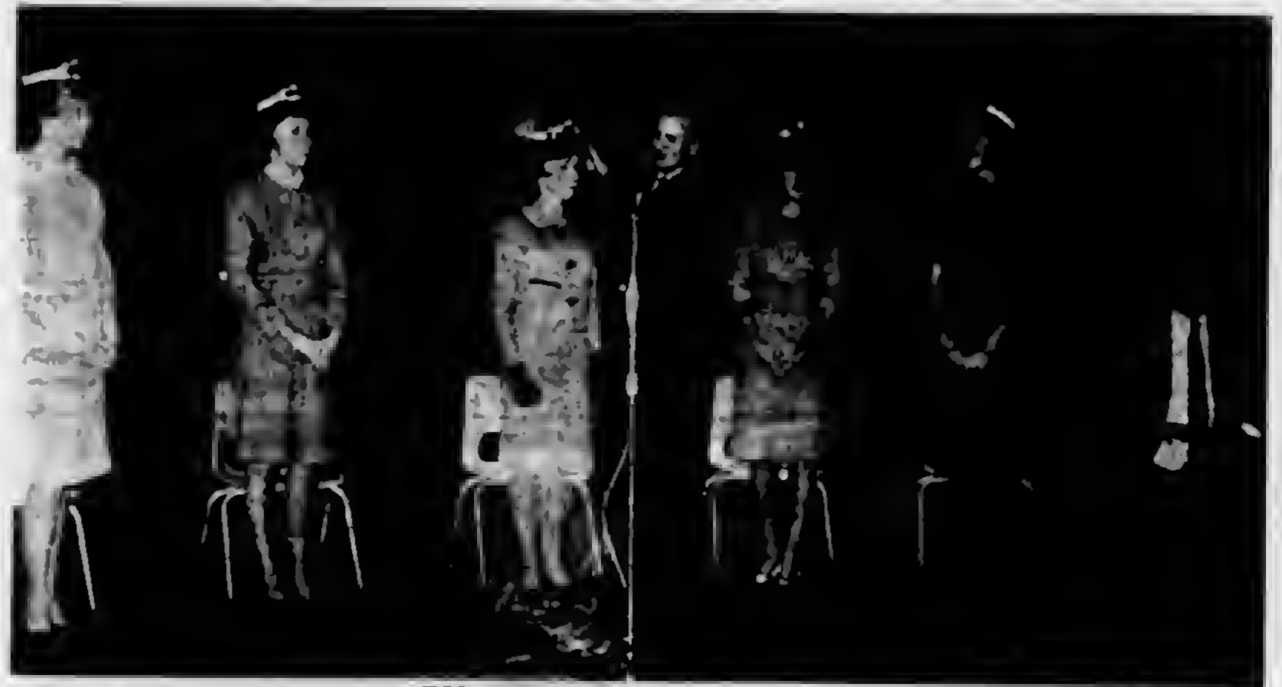
Queen Maurine Crowned at Homecoming



Courier Photo

★ ★ ★

Charlevoix high school Homecoming Queen, Maurine Sanford pictured receiving her crown from Jerome D. Lescoe, construction superintendent for Consumers Power Co. at the Big Rock Point nuclear plant, during the coronation ceremony at Kipke field Thursday night.

Pictured with her are members of her court (l to r) Kathy Gallagber, Lorraine Heise, Rose Stewart and Nynke Sierma. Far right is Terry Rice, master of ceremonies.

The coronation ceremony followed a snake dance and bonfire. During the ceremony Denny Wojan representing the Charlevoix Rayders football team, Jack Stewart, the student body, Jack Rader, the public, Queen Maurine and Mr. Lescoe spoke briefly. Music was by the Charlevoix high school band directed by C. A. Odmark. A series of cheers were led by the cheerleaders.

One of the first acts of Quaen Maurine following her coronation was 'knighting' Stan Martin and Henry Wagner co-captains of Friday's game which ended in a 13-13 tie.

Despite high winds and threatening weather, a record crowd turned out to view the homecoming parade led by the high school band and featuring floats and the queen and her court riding in convertibles.

Prizes were awarded to the junior class for its float "Gopher Victory", a massive gopher; the senior class for its huge bee following the theme "Sting Harbor" and the seventh grade for its large bowl of 'Rayders' following the theme "Beat 'em up". Judges were Mrs. Don Carey, Robert G. Lieberman and Dan Geneit.

Before the game Friday night the winning floats were paraded around the field and at halftime the band presented a program honoring Queen Maurine and her court who were presented.

The homecoming dance at the elementary school gym following the game was well attended.

Arrangements for the homecoming festivities were in charge of the Pep club headed by Lorraine Heise.

Chest Drive Falls Short of Proposed Goal

Have you made YOUR contribution to the Community Chest fund drive?

If not, prepare right now to do so for your contribution is needed more than ever as workers continue to make calls in an effort to meet this year's goal of $10,742.

When you are planning your contribution please remember that you are giving not to one but to 12 agencies and plan your donation with that in mind Mrs. Jeannine Essenberg, drive chairman, asked.

If you were not at home when a volunteer called or if you live in an isolated area please leave your contribution at the Charlevoix County State Bank, with Lawrence Feindt, Community Chest treasure or mail it to Mrs. Essenberg.

Funeral Services Held Sunday for John W. Ryder, 34

John W. Ryder Jr., 34, was killed Thursday evening when his car went out of control on US 23 12 miles north of Alpena, crashed 800 ft. through the woods and struck a tree. He was alone and was apparently driving at a high rate of speed at the time of the accident. He was enroute to Alpena for the weekend, according to his family.

Funeral services were held Sunday at the Winchester Funeral Home here with the Rev. Arthur A. Austin officiating. Burial was in Brookside cemetery.

Born in Saginaw Jan. 23, 1927, John Wesley Ryder came here with his parents, Mr. and Mrs. Ryder Sr., at the age of four years. He attended the Charlevoix schools and later sailed for eight years with the Huron Portland Cement Co. fleet out of Alpena. In recent years he has been employed in construction work and was working on a construction job at Republic near Marquette where his father was also employed at the time of his death.

Besides his parents he is survived by a brother, James Graham of Grand Rapids; a step-brother, Pratrick 'Bud' Ryder, at home and two step-sisters, Mrs. Arthur (Partricia) Walker of Rice Lake, Wis., and Mrs. David (Marguerite) Ayrton of Fort Knox, Ky.

Rod and Gun Club To Sponsor Annual Turkey Shoot Sun.

The annual turkey shoot, sponsored by the Charlevoix Rod and Gun club, will be held Sunday, Oct. 22 on the club grounds, Orvie Richardson chairman of the event has announced.

The competition is scheduled to start at 10 a.m. and continue until 4 p.m. A variety of events will be offered contestants, including stationary targets at 100 and 200 yards, running deer targets, scope and iron sight matches.

Guns and ammunition for the various events will be available at the grounds.

C of C Reports 137 Members for Past Fiscal year

The Charlevoix Chamber of Commerce had 137 voting members who paid dues of $25 or more during the past year, according to Paul Kohler, secretary-manager.

A categorical list of the voting membership has been compiled and appears on page 10 of this issue of the Courier.

Mr. Kohler points out that this list is being published so that the citizens of Charlevoix may be apprized of the names of persons supporting the Chamber, and more importantly, reach those who have not been approached for Chamber membership.

It has been pointed out that many of those who pay the highest membership dues to the Chamber never receive a direct benefit. Their benefits, however, are indirect. If the community progresses, all who live in the community are certain to benefit.

A check of the paid membership indicates there are many persons who are not in a recognized business, yet support the Chamber because they realize the value of such an organization to the community.

Plans Progress For Dedication Of New School

Plans are progressing for the dedication of the new Charlevoix high school it was announced this week.

The dedication program will be held in the new gymnasium Sunday, Oct. 29 at 2:15 p.m. and will be followed by a tour of the new structure.

Stephen S. Nesbit of Fremont who recently was elected president of the Constitutional convention will deliver the dedicatory address.

The program will open with the presentation of the new flag by the 310th Ordnance Co. (Field Supply) in charge of Capt. John Barkdoll. H. E. Bingham, high school principal will welcome those attending and introduce special guests including former teachers and school board members and others. The Rev. Harold E. Kohn will be master of ceremonies and introduce the architect, Gordon Cornwell of Traverse City who will present the completed building to Robert G. Lieberman, president of the board of education. Tony Duerr will speak briefly in behalf of the student body. Supt. R. G. Bennett will introduce Mr. Nesbit.

The Rev. E. Francis Denay will give the invocation and the Rev. George L. Majors the benediction. Music will be by the Charlevoix high school band directed by C. A. Odmark.

Radio Activity Monitoring Class Set For Tuesday

The initial meeting of the class in radio activity monitoring will be held at the elementary school cafeteria at 8 p.m. Tuesday, Lt. Col. Joseph Seidel, Charlevoix county deputy Civil Defense director in charge of training, has announced.

A slide film on Civil Defense, the need for a program, fallout and fallout shelters and other pertinent information will be discussed at this meeting at which the regular meeting night will be selected.

Wallace Roeske of Boyne City, will teach the course. At the first meeting he will outline the course for those planning to enroll.

Anyone wishing to enroll may attend this first meeting or call the office of Civil Defense in the county building, leaving their name and preference of meeting night.

School Committee To Meet Tuesday At New School

Final reports of the Charlevoix-Ellsworth-Central Lake School Study committee will be made at a meeting of the group Tuesday evening at the new Charlevoix Junior-Senior high school, Mrs. Betty Huntley, secretary has announced.

Prior to the commnttee meeting an open house will be held at the school from 7 to 8:30 p.m. The meeting of the committee is called for 8:30 p.m. This meeting will be open to the public.

The study committee composed of representatives of the three school districts has been investigating the feasibilty of consolidating the high schools of Ellsworth, and Central Lake with the Charlevoix high school.

Purpose of the study committee, which has been in progress for some time, is to determine whether or not a consolidation of the three high schools will be practicable from a standpoint of curriculum offered, transporation and financing.

4-H Club Advisors Hear Reverend Kohn

The Rev. Harold E. Kohn was guest speaker at a meeting of state 4-H club advisors and the 4-H administrative council Friday evening at Camp Kett, Cadillac. The program was sponsored by Michigan State University. Rev. Kohn also was speaker on the program Thursday at the kick-off luncheon of the women's organizations of the First Congregational church, Muskegon.

Open House at New School Attracts 500 Residents

More than 500 residents of the Charlevoix school district took advantage of the open house at the new Charlevoix high school sponsored by the P.T.A. to tour the new structure which was opened last month.

Visitors were presented with maps of the new building as they entered the building and toured it at their leisure, anding up in the cafeteria where they were served coffee and donuts by the hospitality committee of the P.T.A

Memberships were accepted during the tour. The P.T.A. membership drive is continuing during the month of October. Mrs. Aaron Brock, membership chairman, is urging everyone to join the group whose chief interest is the welfare of the school child.

Mrs. J. L. Feindt is P.T.A. chairman.

Supervisors Approve $295,350.75 Budget, Seven Mills Tax Levy

The Charlevoix county board of supervisors recessed the regular October meeting of the board until later this month when they will meet with the Michigan State Tax Commission regarding appeals made to the commission by the city of Charlevoix and Eveline township.

Following this meeting the board will be able to apportion the tax roll.

Before recessing late Monday the board adopted the budget for 1961 and set the tax levy for the year.

The budget for 1962 was $295,350.75 or $24,225.60 more than the 1961 budget of $271,125.15. The adopted budget, however, is $29,904.79 less than the tentative budget of $325,255.54 set in April.

The board approved a tax levy of seven mills on the county's state equalized valuation of $40,962,100 which will bring in an anticipated income of $286,734.70, leaving $8,810.05 to come from fees, rentals and other sources. The budget does not include the $27,000 deficit with which the county expects to conclude the fiscal year.

Among the appropriations made by the board was $75,000 to the Department of Social Welfare. The appropriation, while the largest, is the same as it has been for the past two years.

In preparing the budget the board made every effort to pare it as much as possible, Ivan Phillips, chairman of the board said. As a result there were few new appropriations and others were increased only where necessary.

Among the appropriations was an amount not to exceed $1,000 for a new car for the sheriff's department and $1,500 for an addressograph.

One appropriation which was doubled, $13,000 for child care was increased out of necessity for the cost of this service has increased over a period of time without the appropriation being increased accordingly.

Other appropriations and expenses included in the budget follow: county agriculture agent, $5,275, an increase of $75; county superintendent of schools, $6,500; District Health Department, $10,545.25, a decrease from $11,045.25; deficit on operation of the Ironton ferry, $4,700, an increase from $3,283 for 1961; Soldiers and Sailors relief, $100, a decrease of $100; Veterans' affairs, $800; Veterans' burials, $4,000, an increase of $200; Whiting Park, $3,320, an increase of $20; Child Guidance Clinic, $982; advertising, $1,143, an increase of $143; apiary inspection, $150; fish and game $525; printing, $1,700, an increase of $200; Civil Defense, $2,500, a decrease of $162.50; 4-H club Labor Day show, $360; Retarded Children's Center, $1,000.

Operational expenses for the various departments were increased slightly in most cases. The funds allocated to the operation of the circuit court was increased to $8,745 from $8,139; county clerk's department to $11,895 from $11,525; county treasurer's department, $9,875 from $9,490; county general expense, $4,000 from $3,500; courthouse and ground, $12,000 from $11,100; justice court, $5,000 from $1,200; probate court and juvenile welfare, $12,205, a decrease from $12,830; prosecuting attorney, $7,185 from $5,847.50; register of deeds and abstractor, $9,585.50, a decrease from $10,085.50; sheriff's department, $26,885 and $600 for a marine enforcement deputy from $26,113. (last year the $600 appropriation for marine enforcement was made at the spring meeting); State institutions, $28,000 from $25,000; Assessment Equalization Department, $10,400 from $7,000. The latter appropriation was increased because the office was not placed in operation until May.

Other items included in the budget are for bonds and insurance and various costs of board of supervisors, tax allocation board, coroners, elections and similar expenses.

A special appropriation not to exceed $500 was made to investigate the feasibility of building an underground shelter on property owned by the county adjacent to the county building and the jail with the idea of using it in the future as a foundation for and enlargement of the jail. An architect is to be engaged to make the survey following a recommendation by the Civil Defense committee.

The special airport committee appointed earlier this year headed by Clarence Rabach recommended that the county participate in the construction of city-owned and operated airport even to referring the issue to a vote of the people. The recommendation was made following a survey of the situation in the county by William E. Hamlen of the Michigan Repartment of Aeronautics.

Robert P. Briggs To Speak at C C Annual Dinner

The objectives of the Chamber of Commerce and what lies ahead for Charlevoix will be the meat of an address by Robert P. Briggs, president of the state Chamber of Commerce, at the annual Charlevoix Chamber of Commerce banquet Monday night at the Weathervane Inn. An anticipated record attendance of members and citizens interested in promoting Charlevoix is expected by Paul Kohler, secretary-manager of the local chamber.

Mr. Briggs who has spoken here on previous occasions is better known locally as executive vice-president of Consumers Power Co.

The dinner meeting will afford local citizens an opportunity to become more familiar with the aims and purposes of the Chamber of Commerce on the local level as well as on the state level.

The annual banquet virtually culminates the work accomplished by the Chamber during the past year. Next year's activities will be planned and carried out by the new board of directors and the officers elected at the regular monthly meeting of the directors the second Monday in November.

Elementary Echoes

by Mrs. Esther Bleha
First Grade Teacher

The Charlevoix Elementary school has welcomed two new teachers this years Mrs. Joan Herron (3-4th grade) and Mrs Beth Smith (2nd grade). In addition, Mrs. Dorothy McRay, our kindergarten teacher has a new afternoon assistant, Mrs. Jeannine Essenberg.

Larger classes throughout the school have already absorbed the former seventh grade classroom. On the first floor we have an enlarged Kindergarten room, three first and three second grade rooms and on the second floor two third, one combination third and fourth, two fourth, two fifth and two sixth grade classrooms. The fifth and sixth grade classes especially are crowded, each room having approximately 40 students. Mrs. Frieda Novotny has her own music and art room for the first time. This an attractive new room in the former industrial arts area.

We are now enjoying lunch hour in our new cafeteria, the former band room. Gone is the bang and clatter of metal trays as we are served on very attractive, divided, yellow plastic trays. Members of the P.T.A. come regularly to assist with the serving at the noon hour until other arrangements can be made. This service is very much appreciated by everyone. Those volunteering their services to date are Mrs. Darrell Dinwiddie, Mrs. Clarence Smith, Mrs. George Lusk, Mrs. George Majors, Mrs. Raymond McBratnie, Mrs. Melvin Plum, Mrs. Doris Pierce, Mrs. Hal Hill, Mrs. Earl Crandall and Mrs. Lila Arvilla.

Cirriculum-wise reading writing and 'rithmetic have come in for the most important emphasis; in addition we have had interesting lessons in natural science throughout the school. Supplemented by excellent films, materal which the children have brought, and outside speakers many interesting units have been presented. If you were a visitor you might have learned about bees, snakes, woodland animals or Monarch butterflies. The new microscope has helped classes to see many things including scales on a butterfly's wings and the alikeness of cattail and goldenrod seeds.

One program, typical of early elementary classrooms, is "sharing time". Many parents wonder why this is important. Young children find life very exciting and interesting and wish to share their experiences with others. This is good for it helps develop rapport between teacher, child and classmates; the teacher to learn about the child's social interests; the shy child to speak before a group, overly aggressive children to learn to accept others; children to learn to listen to others speak and the speaker to develop oral languages skills.

We are proud of our Elementary School and it is fun to be a student or teacher here.

Spaghetti supper Oct. 26 at Methodist Church sponsored by Youth Fellowship. Tickets $1, children 50c. Serving at 5:30.

OCTOBER
IN MICHIGAN
By Harold E. Kohn

Some Impressions of October

October 11th . . . Early Darkness

The approach of winter is signaled now by the chill in the air, the growing scarcity of insects, the fast-falling vividly colored leaves, the migration of multitudes of birds, the brown and witherd ferns, and countless other prophesies of the season of snow and cold. But Nature serves notice most emphatically that winter is on its way by earlier sunsets.

I had not been aware of how rapidly autumn was moving toward winter until I saw how dark it was at 6:40 this evening. Only a few days ago we could walk around our trail after 6:00 P.M., and see our way clearly. But not now.

Still there will be late-evening walks in the rustling leaves and later over the crunching snows, because I feel I have failed to live if I don't range about a bit several times each week in the blue-blackness of the night.

What was it, I wonder, in my early childhood that developed in me an affection for darkness? Never, so far as I know, was I fearful of the night. Quite to the contrary eventide has always been a favorite time of day. Maybe it is because I was mever threatened with darkness, never shut in a dark closet for punishment. Instead, the coming of evening had pleasant associations—Dad's return from work, the family evening meal with joyous chatter and a chance to be together, a glow of friendly lights along the village street. The dark heavens were not thought to be ominous, but revelations of the greatness of God who scattered worlds larger than our own across unimaginable spaces and kept them all in His care. Millions who are taught this belief do not have the feeling for it, and in spite of what they think in their heads, there is fear in their hearts for the dark. I guess where I was fortunate was perhaps in being early exposed to feelings about the night that supported belief in its beneficience.

October 15th . . . Swans

Lake and sky were merged into oneness today oonded by an autumnal mist. Far out on the silvery water ghosts of rowboats floated, where phantom fishermen angled for perch. Suddenly a spot of whiteness broke through the tawny veil of haze, and then another, and a third. Three swans, their great wings beating heavily, dropped like pure distillates of the moisture laden air, and blended their milk-white bodies with the vaporous scene.

They floated idly for a moment, and then, their wings triggered by some unknown, sudden fancy, they were off again.

SOME THINGS TO NOTICE THIS WEEK:

- The nut trees, which, in cities, are regarded as nuisances when their fruits fall, are now coming into their own across the countryside. Stately oaks drop their acorns, a food which rates near the top of the wildlife menu. Squirrels, chipmunks, whit-footed mice, and other rodents eat them and store them against winter food shortages. Deer are especially fond of acorns of the white oak tree, as are bears, raccoons and even foxes. Ruffed grouse and blue jays love them. So does the nuthatch.
- Fox squirrels, gray squirrels and red squirrels relish black walnuts and wax fat and sassy on their richness. In calories per pound black walnuts exceed beefsteak by more than three times. In protein content black walnuts excel beefsteak too. These nuts possess 27.6 per cent protein as compared to beefsteak's 19.8. (Note to housewives: Unlike most other nuts, black walnuts retain their flavor when cooked.)
- As you move from your front door see how many steps you take before you come across a plant you cannot identify. Then set out to find what kind of a plant it is, through the help of some knowledgeable neighbor or some reference book. One of America's outstanding botanists has noted that university botany researchers and professors can readily identify rare plants from far off Asia an Africa but often cannot identify the familiar plants of their own door-ways and near-by rubbish heaps.

Among the most unusual notices to change a Courier reader's address was the one lat week from Mrs. Harry Powers. The illustration on the upper left corner of the card depicts a farmer looking at a big ear of corn. The inscription reads, "Lend an Ear". The copy goes as follows:

A WORLD OF LEGS

Remember the days when you accompanied your parents downtown? They probably stopped in a bank, talked about a strange thing called money and showed you a book where you had some of your own.

Today, more and more parents are opening a savings account in their youngsters' names and insisting they save regularly. Teaches respect for money, citizenship and turns them into more mature adults.

Stop in anytime and notice the small fry. You'll see what we mean.

Mr. and Mrs. Grant Ferguson To Celebrate 50th Anniversary

Mr. and Mrs. Grant Ferguson, pioneer residents of Hayes township, will celebrate their golden wedding anniversary Sunday, Oct. 29.

An open house reception for relatives and friends will be held at the 4-H Center in Petoskey from 2 to 5 p.m. to mark the occasion.

Hosting the event will be their sons and daughters.

Mr. and Mrs. Ferguson were married in Charlevoix Oct 31, 1911, and have resided in Hayes township all their married life. Mr. Ferguson, who still does some farming, has served as a member of the Murray School board for 38 years. He also is a former township road commissioner. Mr. Ferguson was born in Hayes township July 31, 1885, and except for 20 years spent in the upper peninsula when he was young has always resided in this area. Mrs. Ferguson, the former Leah Plante, was born at Garden, Michigan, Aug. 17, 1889, and came here as a young woman.

The couple has three daughters, Mrs. E. J. (Dorothy) Green of Rogue River, Ore., Mrs. Lawrence (Marie) Burkle of Petoskey and Mrs. Floyd (Viora) Baker of Charlevoix and three sons, Leonard and LeRoy of Petoskey and Grant Jr. of Charlevoix. They also have 16 grandchildren.

Lutheran Women To Sponsor Film On Phillipines

The Rev. Frederick Jagow, Lutheran missionary now on furlough from his missionary services in the Philippine Islands, will present a slide lecture of his work among the natives of the islands at Bethany Lutheran church at 8 p.m. tonight (Thursday).

The program is sponsored by the Lutheran Women's Missionary League of the church for the benefit of all those who are interested in the challenging work of foreign missions.

A native of North Dakota, Rev. Jagow received his theological training at Concordia Theological Seminary, graduating in 1956 and going to the Philippines in October of the same year. While in the islands he and his wife were stationed at Iligan City where they filled the vacancy of another missionary and later were moved to Medina, Misamis Orential, where their work began in July 1959 with a Bible Class. The first worship service was held in Feb. 1961. They will return to Medina in June 1962 following a year's furlough, granted after five years abroad.

Rev. Jagow is currently engaged in a series of lectures in western Michigan.

He is married and the father of three children.

Stoel-Foster Vows Exchanged At Barnard Methodist Church

The Barnard Methodist church was the scene recently of the wedding of Carolyn M. Stoel and Paul F. Foster.

The bride is the daughter of Mrs. Arthur A. Stoel and the late Mr. Stoel. Mr. and Mrs. Ernest Foster are the parents of the bridegroom.

Baskets of seasonal flowers in autumn shades formed a setting for the double ring service at which the Rev. Harold Cox of East Jordan officiated on Saturday, Oct. 7, in the presence of more than 150 guests. Mrs. David Matchett, at the organ, played the traditional wedding marches and accompanied Mrs. Clayton Smith, aunt of the bride, who aang "Beeause".

Given in marriage by her uncle, Carlton H. Smith, the bride chose a street length off-white brocaded sheath gown, matching hat and veil and other accessories and carried a Colonial bouquet of white mums encircled with autumn colored mums.

Betty J. Stoel, as her sister's only attendant, wore a burnt orange wool sheath dress and cocoa brown accessiries and carried a colonial bouquet of mums in autumn shades.

Leonard Hughs of Traverse City assisted the bridegroom as best man. Don Smith and Paxton Warner, cousins of the bride, seated the guests.

Mrs. Stoel selected a green brocade dress styled with a green satin cummerbund and black accessories and a corsage of yellow roses and white mums for her daughter's wedding. Mrs. Foster, mother of the bridegroom, wore a delft blue dress and matching feather hat and accessories. Her corsage was of pink roses and white mums.

A reception followed in the church dining room which was decorated with autumn leaves and gold cattails. Assisting were Mrs. Carlton H. Smith, aunt of the bride, Judy Warner, cousin of the bride, Mrs. Roger Parsons of Rogers City, sister of the bridegroom, Mrs. Maurice Tiedt of St. Johns and Mrs. Charles Lehman of Detroit.

Following a week's wedding trip to Canada, the bride has returned to her teaching duties at the Ellsworth Elementary School and the bridegroom to active duty with a Reserve Unit already stationed at Fort Rucker, Ala.

Both are graduates of the Charlevoix high school. The bride is a graduate of Central Michigan University where she was affiliated with Alpha Sigma Alpha sorority. The bridegroom was a student at Arkansas State Teachers College at Conway, Ark., when his Reserve Unit was activated and ordered to report to Fort Rucker, Ala.

Among those from away who attended the wedding were guests from Traverse City, St. Johns, Alden, Central Lake, East Jordan, Ellsworth, Kalamazoo, Lansing, North Muskegon, Rogers City, Detroit and Kingsley.

Little Rayders And Mancelona Tie Game 6-6

Charlevoix's Little Rayders played the Mancelona Reserves to a 8-6 tie on the latter's field Tuesday night.

Mancelona scored in the third period when their halfback went around end to score from 10 yards out for a 6 to 0 lead after the Rayders had muffed a scoring opportunity early in the game when they recovered a Mancelona fumble on the two yard line.

Charlevoix's tieing touchdown came with 45 seconds remaining when Dave Smith went over from the one yard line on a quarterback keep. His attempted run was halted and the score remained a tie. The ball was put in scoring position on a 25 yard reverse by Steve Bergmann.

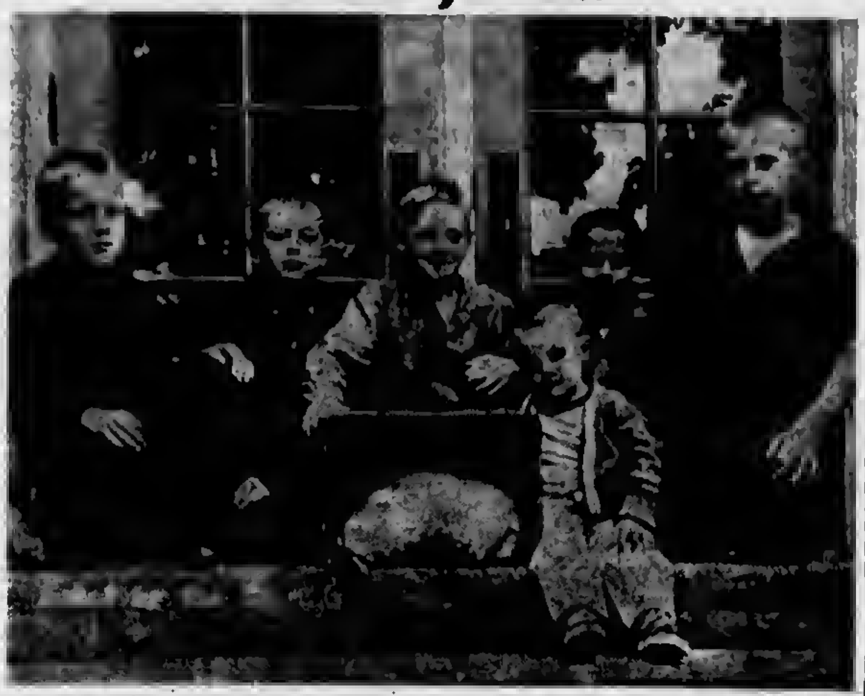
A Meal for Six



Courier Photo

A meal for six! Those big, luscious puffballs have been the center of interest for mushroom hunters in recent days. The one pictured here in the box measured 22 inches in its prime, Mrs. Frank Pop reported. The big puffball was found by Mr. Pop and his son, Larry, on the Elzinga farm.

Some of Larry's friends who may have a yen for puffballs are (l to r) Paul Kroll, Timmy Selph, Larry Pop, Richard Bogart and Bruce Meggison. In the foreground is Jimmy Elzinga, son of Mr. and Mrs. James Elzinga who owns the land where the puffball was found. Clyde Warner, proprietor of the Norwood grocery has also been displaying a record size puffball.

Chas. A. Robinson Attends Annual Educators Parley

Charles A. Robinson, Charlevoix county superintendent of schools, and Mrs. Robinson have returned from Pittsburg, Pa., where they attended the 16th annual National Conference of County and Rural Area Superintendents of Schools.

The theme of this year's meeting was "Facing up to Change".

Among the noted speakers who addressed the educators were Lawrence G. Derthiek, Assistant Executive Secretary for Educational Services, National Education Association, Washington, D. C., C. C. Trillingham, Superintendent of Los Angeles County Schools, Benjamin C. Willis, General Superintendent of Schools, Chicago, Ill., and Dwayne Orton, editor of Think magazine and educational and consultant, Internotional Business Machines Corp., New York, N. Y.

Mr. Robinson said that there were many sectional group discussions which provided for participation of everyone attending the conference. At these meetings opportunities was given to explore specific topics relating to corriculum developments and the necessary organizational framework needed if the intermediate unit is to face up to the changes and its challenges.

The 1962 conferences will be held in Kansas City, Kans., and Detroit.

Mr. Robinson extended an invitation to the group to meet in Micrigan in 1962 when he represented the state as president of the Michigan Association of County School Administrators.

New Comfort in Walking Wins Feminine Vote

"WALKING SEASON" BRINGS BIG RESPONSE TO SHOE MANUFACTURER'S "SPECIAL"

With the advent of the "walking season", reports have it that the ladies, of all ages, are mighty enthusiastic these days about a shoe that is offering something new in walking comfort . . and theme song of the gals seems to be "wherever you walk, walk in Glov-Etts".

The recommendation applies to such foot ventures as walking in the woods, on highways and byways, on the beach, in the garden, simply for fresh air, and even around the house.

Reason for this walking development for 1961 is that the manufacturers of Glov-Ett shoes for women (already famous for the "bubble-soft walk") is making available a shoe that's especially designed for confortable walking. Cushion crepe sole that cushions the step . . . special built-in extra support for the foot . . . caressingly soft glove leather. That sort of thing. Obviously, in view of its popularity, it's a smart looking shoe, too.

Anyway, the femme's are loving it, so it must be good.

Maybe if you're of the female persuasion, you will want to try on a pair and see what your feet think about this walking season innovation . . . especially if you're going to do some walking and don't enjoy tired and aching feet.

If so, you can find these "bubble-soft walking" Glove-Etts at the store named below.

Cadillac

The word for it is..."Masterful!"

"Superb" . . . "luxurious" . . . "beautiful" . . . "brilliant"—there are many words that might be used to describe the new 1962 Cadillac car.

But if we were to select from the Cadillac vocabulary the one word that most completely captures the essence of this latest "car of cars"—we would choose "masterful".

For here is a motor car that has already established its mastery in everything that makes an automobile good and fine and desirable.

In appearance, it is clearly a Cadillac masterpiece—graceful, clean-lined and elegant.

In performance, it is a revelation. Its power plant is a reservoir of silken power—and the car rides and handles with an instinctive ease and sureness.

In safety, it is in a class of its own—with a host of exclusive features, including remarkable new side cornering lights.

In craftsmanship, it is simply without rival. Every 1962 Cadillac will undergo more than 1400 inspections to assure its quality and goodness.

On and on the list could go. But however lengthy, that list could never replace the experience of inspecting the car and driving it.

Your dealer will happily let you do both.

Once you have, you'll understand why the word has gone out so quickly that this is the finest motor car ever to bear the Cadillac name.

Radio Active Fallout And Your Future . . .

By Fran Martin as
Reported by Gen. George B. Ely

From the Office of Civilian Defense—Charlevoix.

Water is Prime Need in Shelters . . . You and your family could get along without food for several days if necessary. But you could not subsist for any length of time without water. This lends primary importance to preparations for storing water in your home shelter.

A bombing or other man-caused disaster may disrupt normal water supply systems. Leaking sewage, disease germs, poisonous chemicals, or radioactive materials could make it unusable.

Store enough drinking water to last your family at least 14 days. A minimum of one-half gallon per day or 7 gallons per person should be stored. Bottled beverages, fruit juices and liquids from water-packed fruits and vegetables are good substitutes.

Store water carefully. Glass containers with tight covers or stoppers are good if they are thoroughly clean. Water need not be boiled before storing.

Pack the containers tightly with newspapers or other packing material to prevent breakage.

Tiny plants called algae may grow in water stored over a long period of time. Keep drinking water in a dark place to help slow down this plant growth. Containers should be emptied, cleaned and refilled with fresh water at least every 3 months.

Unless your refrigerator has been damaged, its contents should be free of radioactive particles; melted ice cubes or any unspoiled liquids in the refrigerator would be usable.

The storage tank of your hot water heater is a source of drinking water if it is clean and accessible. As part of your regular preparedness routine, flush the tank free of rust and sediment at least once every month. Learn how to obtain water direct from the tank.

Don't wait! Water should be stored now! When attack warning is received, it is too late to start filling containers.

SURVIVAL RATIONS . . . . . Several national food companies have made survival ration crackers available to the public. The product was developed at the request of the Bureau of Nutrition of the New York State Health Department. Each single cracker contains approximately 30 calories and a daily diet of 66 single crackers plus approximately two quarts of water will provide 2000 calories, enough to sustain a

Eighteen wax wrapped packets of thirteen double crackers each, are packed in a hermetically sealed tin. Each tin contains 7 pounds of crackers—one week's supply for one person.

In cool, dry storage, the sealed tin will keep the crackers in good condition for approximately five years.

Also available for civilian use is the MUSKIT, a survival kit made up of two units, one polyethylene lined metal water container and one containing food and other survival items. The MUSKIT is sufficient to completely sustain one individual for 14 days in the event of nuclear attack. It provides food, light, cleaning, cooking and toilet facilities. The shelf life is considered in excess of 5 years. A modified kit has been formulated to protect a large number of persons for a 4 day period.

Further information on survival kits is available at the Office of Civilian Defense. The manufacturers of these products offer special discounts to organizations or companies wishing to purchase these kits in large quantities.

Survival kits can and should become a standard item in every home, school, factory and office.

SUNDEW REPORT

The Sundew spent a few days at Soo Base during the first week of September, assuming the duties of the Cutter Tamarack while the ship was making a logistics trip through Lake Superior.

Upon our return from the Soo we went on 'Charlie' status for a week.

Sept. 19 found us enroute to Mackinac Island where we relocated four Round Island dredging bouys. The next day we went to Lansing Shoals light station where we transferred fuel and delivered personnel and machinery necessary to replace sea doors on the light.

The following day we transferred fuel to the Mackinaw Island Lifeboat Station and spent the night there.

On Sept. 22 we checked and retanked Port Inland LBB No. 2 and then returned to Charlevoix where we spent the weekend.

On Monday we refueled the Beaver Island Mooring Station and on Tuesday were underway to Les Cheneaux Island to check buoys in the area. That night we moored at Mackinaw City and the following day checked buoys at False Detour, Adams Point and Cordwood Point, returning to Charlevoix the following day for the weekend.

Sundew Scuttlebutt

Frank Northrup RM2 was released to inactive duty and plans to attend Penn State University this fall . . . Robert Kampe RM2 who comes from Whitaker, Pa., replaced him . . . Ralph Bredahl SA and Dennis Solosky SA also reported aboard for duty during the month. Ralph comes from Phoenix, Ariz., and 'Ski' from Detroit . . . Charles Hart returned from Fort Niagara, N. Y., and Grand Haven where he spent the last two months as a range instructor for small arms training practice . . . Emory Sloan and Ksye McCune have announced their engagement. Miss McCune is from Cleveland. Our best wishes to them both . . Frank Kasper SN was transferred to the Coast Guard Institute in Groton, Conn . . . Baby girls were born to Billy and Jean Six and to George and Nelda Hoganson recently. Congratulations to both families.

One Hundred First Birthday Observed By Mrs. Clara Mascho

Mrs. Clara Mascho, Charlevoix county's oldest resident, observed her one hundred first birthday anniversary Oct. 11 at the home of her daughter, Mrs. Effie Francis, with whom she makes her home.

A native of Ohio, Mrs. Mascho has lived in the county since the late 1890's when she came here with her husband, the late Philo Mascho. They came here from Mecosta county where her parents had settled on a homestead when she was a small child. Mr. Mascho was foreman for the Essex Lumber Co. of Ellsworth before settling on the family farm in Marion township. Mr. Mascho died in 1935.

Mrs Mascho's activities are limited now but until recent years she sewed, knitted and crocheted. However, she is keenly interested in current news.

She has two other daughters, Mrs. Alfred Smith of Jackson and Mrs. Glenn Jardine of Harbor Springs and two sons, Roy of Chicago and Charles of Charlevoix. She also had 10 grand children and 24 greatgrandchildren.

CHARLEVOIX

telephone lines

By LES JOHNSON, *Manager*

LIKE THE housewife who shops for all sorts of things to keep her home running smoothly, your phone company buys many "housekeeping" items of its own. Last year, for example, Michigan Bell and Western Electric Company, the Bell System's manufacturing and supply division, bought about $62 million worth of supplies—ranging from trucks to work gloves—from about 1,400 Michigan suppliers. Add to that the wages and salaries of our employees, our construction expenditures and state and local taxes, and the total benefit to Michigan's economy was one-quarter *billion* dollars.

YOU'RE GOING to be hearing more and more about Bell Telephone scientists' work with a revolutionary device called the Optical Maser. It transmits the narrowest light beam ever achieved, along which can be sent enormous numbers of messages—many, many times more than by wire, cable, or radio. Light may become a whole new medium for telephone talk, TV images and data communication. It's constant research like this that makes possible the latest telephone service improvements for our customers at the earliest possible time and at the lowest possible cost.

GOOD IDEAS are valuable and at Michigan Bell our Employee Suggestion Plan is providing lots of good ideas on how we can serve you better, faster and even more economically. Last year, for instance, Michigan Bell employees came up with over 2,500 suggestions on how to do things better. For each one accepted the employee gets a cash award. So good ideas pay off in three ways: to the employee, to Michigan Bell which gains better methods of operation, and to you who enjoy the benefit of even more efficient service.

Rayders and Rams Play 13-13 Split

* * *

To Meet Second Place East Jordan Friday

Courier Photo by Rick Smith

"Stop that hall carrier" was the call on this play as the Cherlevoix forwerd wall contained the Harbor Springs Rams as they tried to move the hall out of their own territory. Rayders in on tha action who can be identified includa John Pearl (83) Frank Curtis (82), Charles Mitchell (79), Deve Reder (center) and Dan Pearl (32). The Rayders, underdogs going into their game with Harbor Springs, held the visiting Rams to e 13-13 tla.

The Charlevoix Rayders played the Harbor Springs Rams to a 13 to 13 tie Friday night after trailing the visitors 13 to .0 at one time in the game.

This week the Rayders will travel to East Jordan to take on the second place Red Devils.

In Friday's game, which was a homecoming game for the Rayders, the local eleven found themselves trailing 13 to 0 early in the second quarter before Quarterback Stan Martin broke away for a 42 yard run to score. Henry Wagner ran the conversion point on to cut the Rams' lead to 13 to 6 as the half ended.

The third period was scoreless but midway in the last period Martin pitched 26 yards to End Frank Curtis who fell into the end zone to knot the score. The attempted run for the extra point was stopped short of the goal and the game ended in a tie.

Charlevoix won the toss in the game and chose to receive. The Rayders took the kickoff on their own 31, failed to make a first down and punted to the Rams who returned the ball to the Charlevoix 36. However, the Rams were held to four yards and were forced to punt.

Play was resumed on the Rayder 20 after the ball had gone into the end zone. Witb Wagner, Garry Balch and Martin carrying the Rayders picked up two first downs and moved to the Harbor 30 where their attack bogged down and Harbor took over. The Rams then started to move, picked up a first down to their 48 before they fumbled and Charlevoix recovered on the Ram 45. However, Wagner was forced to punt with the Rams taking the kick on their own 27. They picked up a first down to their 47 as the quarter ended.

With Harvey Kasuske carrying the ball tbe Rams moved to the Rayder 30 in three plays before Halfback Steve Graham broke away to score. Garry Stutsman's kick was blocked and the score remained at 6-0.

Harbor kicked off and Charlevoix took over on their own 30, moved the ball to the 41 but were penalized to their own 23. A quick kick by Wagner put the ball on the Harbor 10. With Jim Burdick, Stutsman and Kasuske carrying the Rams picked up two lfrst downs to the Rayder 17 where Kasuske romped around right end to score. This time Stutsman's boot was good as the Rams took a 13 to 0 lead.

Harbor kicked off to Charlevoix with Martin returning the ball to the Rayder 43. Wagner carried to the Harbor 42 for a first down. On the next play Martin went off tackle as his line opened the way and romped down the sidcline for a touchdown to put Charlevoixx back in the game. Wagner ran the extra point over as they cut the Rams lead to six points.

The Rayders kicked off to the Rams who moved the ball to their own 44 despite 20 yards in penalties. They then fumbled with the, Rayders recovering. Charlevoix took over on downs on their own 29 and then fumbled on third down with Harbor recovering as the half ended.

An exchange of punts opened the second half and left the Rayders with the ball on their own 25 midway in the third period. After picking up a first down to the 37 they were forced to punt and Harbor took possession of the ball on their own 35. They picked up a first down and were on the Rayder 48 as the period ended.

On the first play of the final period the Rams punted and the Rayders took possession on their own 36. A pass to Curtis from Martin gave them a first down on their own 49. With Wagner, Balch and Martin gave them a first dawn on their own 49. With Balch and Martin carrying the ball, the Rayders picked up two first downs and moved the ball to the 28. On the third play of the series Martin pitched to End Curtis who fell into the end zone for the touchdown to tie the score. The run for the conversion point was stopped and the score remained 13-all with 8:15 left in the final period.

Play started on the 20 when the kickoff went into the end zone. Harbor Springs picked up two first downs to their own 47 when they fumbled and Charlevoix recovered. The Rayders moved the ball but were set back to their own 48 on a major penalty and after two more plays were forced to punt. The Rams moved the ball to the Rayder 28 as time ran out.

This Week With Class "C"

Action in the Northern Michigan Class C league this week will find Charlevoix playing at East Jordan, Mancelona hosting Boyne City, Pellston traveling to Gaylord and Harbor Springs hosting Grayling.

The Rayders will have their work cut out for them when they invade East Jordan. The Jordanites are presently tied with Mancelona for second place with a record of three wins in four games. To date they have defeated Gaylord (25-6), Pellston (27-6) and Grayling (50-0) while losing to the league leading Boyne City Ramblers (27-7). By way of comparison Charlevoix's one victory has been over Gaylord (6-0), they have tied Harbor Springs (13-13) and lost to Pellston (7-0) and Mancelona (13-0).

The Red Devils seem to be a versatile outfit that ean run, kick and pass. Their line is a veteran one while their backfield is equally as experienced. They seem to have a good offensive attack and the forward wall seems to bave held in most instances.

On paper the Jordanites are favored in this meeting with the Rayders but the latter is a scrappy outfit that is gaining confidence with eacb game and they may give their hosts a close game.

The Boyne City-Mancelona game will pit the co-champions of 1960 against each other and the outcome should be an interesting one.

The Ramblers will go into the game with a four win record while the Ironmen will be carrying a three-one record with their one loss to Harbor Springs, a team the Ramblers defeated by 27 to 7 margin.

The Ironmen will find themselves attempting to stop the league's top scorer, Doug Grubbe, who bas scored 12 touchdowns, most of them on long runs, passed for three conversion points and run one over himself. If they do succeed in stopping Grubbe there is the remainder of Boyne backfield to consider.

Of course, the Ironmen have Ken Johnson who has acored nine touchdowns plus Kent Stradinger and Larry McCarty who are better than average offensive players. But the Ramblers line is big and strong and their backs speedy and versatile compared to a less expeienced Mancelona line and a scrappy backfield whose speed does not compare with that of the Ramblers.

Though they were co-champions last season, it is doubtful if the Ironmen can repeat.

Gaylord will be trying for a victory when they host the Pellston Hornest whose sting is dulled with the injury of two regulars, Fullback Bill Swartout and End Ken Fosmore, who were hurt in last week's game and with tbe possibility that Ray Mehalec will see only limited action after hurting his knee again last week.

This is another ont that could be closed but despite their injuries the Hornets should have a The Harbor Springs Rams slight edge in the meeting. should have no trouble with the Grayling Vikings who have ahown little opposition to recent opponents.

Boyne Holds NMCC Lead, Mancy and E. Jordan Tie for 2nd

the Northern Michigan Class C the Northing Michigan Class C league with four straight wins in loop play following a 37 to 0 win over Pellston Friday afternoon.

Mancelona edged Gaylord 19 to 6 and East Jordan warped Grayling 50 to 0 to retain their second place standings while Charlevoix tied the Harbor Springs Rams 13 to 13 Friday night.

Boyna City 37 Pellston 0

Boyne's speedy Doug Grubbe rolled up an impressive 324 yards as the Ramblers dumped the Pellston Hornets Friday afternoon.

Grubbe accounted for four of the Ramblers' six TD's scoring his first on the second play from scrimmage on a 78 yard run. He then passed to end Ron Ward to make the score 7 to 0 when the game was only minutes old.

Left End Tracy Newville broke away for a 77 yard run later in the period before Grubbe acampered 89 yards early in the second quarter and 50 yards as the half ended for two more tallies to make the half time score 25 to 0.

His final jaunt, a 70 yard trek, came in the third period. The Ramblers' final touchdown eame on a nine-yard pass play from Larry Gunderson to Ward.

Mancelona 19 Gaylord 6

At Mancelona it was their speedster Ken Jobnson who had a field day as he scored all three touchdown on a 7 yard plunge in the first quarter; a 50 yard punt return in the second and a two yard run in the third period. Quarterback Pat Dutcher scored one conversion point on an end sweep.

Gaylord's single touchdown was scored by Halfback Dick Farrand on a three yard plunge in the final quarter.

East Jordan 50 Grayling 0

East Jordan fullback Tom Graham scored on a 52 yard run on the third play of the game and then took the second half kickoff and romped 90 yards to account for two of the Red Devils' eight touchdowns over the hapless Grayling Vikings.

Quarterback Bud Gee ran the conversion point over following the first touchdown and then got off 35 yard passes to Ends Bill Cox and Don Wilson for two more TD's in the second period.

Jim McWatters scored on a three yard plunge in the first period; Bill Dietrich also scored from three yards out late in the game; Second string quarterback Bruce Shepard got off a 20 yard pass play to Ray Fisher and then went in from one yard out on a quarterback sneak in the final quarter to conclude the Jordanites' scoring attack against the Vikings who never threatened.

Con Con Chairman To Speak at New High School Dedication

Charlevoix's first new school in more than 30 years, the new Charlevoix junior-senior high school located at Garfield ave. and May st. will be dedicated Sunday at a ceremony scheduled for 2:15 p.m.

Stephen S. Nisbet of Fremont, widely known educator who is currently serving as president of Michigan's Constitutional Convention, will deliver the dedicatory address at a formal program to be held in the new gymnasium.

Also appearing on the program will be Gordon Cornwell of Traverse Ctiy, architect for the new $995,000 structure, who will present the building to Robert G. Lieberman, president of the board of education who will accept it in behalf of the Charlvoix school district. Charles A. Duerr III will speak in behalf of the students of the new school, H. E. Bingham, high school principal, will welcome the visitors and introduce the guests including representatives of contracting firms, former teachers and board of education members and others.

Supt. Roy G. Bennett will introduce Mr. Nesbit.

The Rev. E. Francis Denay of St. Mary's church will give the invocation and the Rev. George L. Majors of the Community Church of God the benedication. The Rev. Harold E. Kohn of the First Congregational church will be master of ceremonies.

During the program the Charlevoix Community Choir under the direction of C. A. Odmark will sing the moving "Battle Hymn of the Republic". The Charlevoix high school band, also directed by Mr. Odmark, will play a musical prelude and the National Anthem.

The program will open with the presentation of the flag by the 310th Ordnance Co. (Field Supply) headed by Capt. John Barkdoll.

A tour of the new building will follow. Visitors will then return to the cafeteria where refreshments will be served by the Charlevoix P.T.A. headed by Mrs. J. L. Feindt.

Residents of the area have been invited to attend the dedication ceremony and tour the school. All visitors will enter the building via the May st. entrance and go directly to the gymnasium where they will be seated in the permanent seats on the west side of the building. The program will be presented from the playing floor.

The comprehensive study of the community's educational needs was made under the direction of advisory personnel from Michigan State University assisted by Central Michigan University, the State Department of Public Instruction, the Charlevoix county superintendent of schools and the faculty of the Charlevoix high school under the sponsorship of the Charlevoix Parent-Teachers Association. More than 150 persons interested in education participated locally.

Following a report on the recommendations the voters of the Charlevoix school district gave their approval to the $995,000 bond issue to finance the construction of the first new school to be built in the communty since the present elementary school and gymuasium was constructed in 1927.

Construction personnel included Wallace N. Bjorkiund of Douglas, general contractor, Wsres & Sons of Traverse City, mechanical contractor, Davis Electric Ind. of Traverse City, electrical contractor, Post Fixtures Co. of Grand Rapids, kitchen equipment, Oglesby Equipment Co. of Detroit, fixed equipment.

Furniture and other equipment was supplied by Classrooms Ins., Brunswick, Michigan School Service Inc., McFadden Corporation, Howard & Smith Inc. and Welch Scientific Co.

Plans for the dedication ceremony have been made by the Charlevoix board of education, the faculty of the Charlevoix public schools headed by Mr. Bennett and the Charlevoix P.T.A.

Members of the present board of education are: Mr. Lieberman, president; E. Darrell Dinwiddie, vice president, Burr Blanchard, secretary, Dr. Robert G. Martin, treasurer, Albert H. Smith, Clarence H. Smith and Joseph Martincheck, trustees.

Judge Brown Arraigns Two At Circuit Court

Two youths were arraigned and seven other cases heard by Judge Charles L. Brown on the opening day of the October term of circuit court here.

Ronald D. Barkley, 20 of Boyne City pleaded guilty to a charge of breaking and entering in the nighttime and his case referred to the probation department for investigation. He is charged with entering a building on the Kenneth VanHoesen property near Horton Bay and taking tools and other articles the nights of Sept. 17 and 25. He was released earlier on bond.

Ronald L. Edwards, 16, of Detroit, who had been waived into the higher court from probate court, pleaded guilty to breaking and entering the Boyne City Hardware and Dillworth's garage the night of Aug. 20. His case was referred to the probation department for investigation. He was returned to the county jail.

Both will be sentenced at later dates.

Gerald H. Hansen, 20, of Detroit, Donald Craig, 18 of East Jordan and Hazel M. Boyer, 17, of East Jordan, were each placed on two years probation, ordered to make restitution in the amount of $38 each and pay fines of $10 each. Hansen and Craig were ordered to pay costs of $125 each and Miss Boyer $50. They were charged with receiving stolen property from young Edwards.

Thomas Paxton, 19, of Petoskey, withdrew a plea of not guilty and entered a plea of guilty to unlawfully driving away an automobile. He was ordered to pay costs of $40 and a fine of $15 and placed on one year probation.

William Fraser, 22, on appeal from justice court pleaded guilty to furnishing intoxicating liquor to a minor and was ordered to pay $50 costs and $10 fine. A bond of $500 was cancelled.

Kenneth Harrison, 24, of Houghton Lake, on appeal from justice court pleaded guilty to pay costs of $40 and a fine of furnishing alcoholic beverages to minors and was ordered to pay $50 costs and $10 fine.

Clark Rouse, 22, of Boyne City, on appeal from justice court pleaded not guilty to furnishing alcoholic beverages to minors and his case continued to a later date.

Ministerial Ass'n To Sponsor Comm. Hymn Sing Sunday

A community hymm-sing will be held at the First Methodist church at 9 p.m. Sunday under the sponsorship of the Charlevoix Ministerial Association for the benefit of the Greensky Mission church, the Rev. George L. Majors, president of the association has announced.

The scripture reading will be read in the Indian language and a brief history of the mission church presented.

The offering will be used to help underwrite the cost of a new kitchen being built at the mission church.

Eleanor Ratigan's First Novel, 'Deep Water' Is Published

Courier Photo

Courier Exclusive

A juvenile novel, "Deep Water" written by Charlevoix's own Eleanor Ratigan, is being featured in the fall catalog of Lothrop, Lee & Shepard Co., Inc., of New York. one of the nation's oldest and most popular publishing houses of books for boys and girls.

The novel, inspired by her daughters, Patsy and Anne, both of whom were state swimming champions during the family's wintertime residences in Florida, was scheduled to go on sale across the nation in all leading book stores this week.

Although literally hundreds of Mrs. Ratigan's stories have appeared in national magazines and have been reprinted abroad or dramatized over the major networks, this is her first book.

Advance publicity on "Deep Water" has focused attention on the author who has been asked to make speaking appearances in Flint during Book Week observance Nov. 15 and 16 and in Detroit in December.

Mrs. Ratigan will appear in Flint as the guest of the city librarians. On Dec. 9 she has accepted an invitation to participate in the eighth annual Detroit Children's Book Fair. While there she will make two appearances as a guest of the Detroit Free Press, Detroit Federation of Women's Clubs, the Detroit Historical Museum and the Detroit Council of Parents and Teachers.

Although a busy writer and home maker, Mrs. Ratigan has always been most liberal with her literary and reportorial talents in promoting civic affairs, a fact not generally known because of her reluctance to receive name credit for public relations work unselfishly contributed in behalf of the community.

Mrs. Ratigan's frst novel has already been hailed by a metropolitan chief librarian as "very lively and such a different interest background than anything we have in stories".

The name "Ratigan" is no newcomer to literary circles for her husband, William Ratigan, has long established himself as an authority on Great Lakes history and lore. Among his publications are "Soo Canal!", "Captain McCargo", "Young Mr. Big" "Straits of Mackinac", "The Long Crossing", "Highways over Broad Waters", "Hiawatha and America's Mightiest Mile" and "Great Lakes Shipwreeks and Survivals" all with a Great Lakes background. The latter was inspired by the sinking of the steamer Cari D. Bradley during a storm on Lake Michigan Nov. 18, 1958.

Chest Fund Falls Below 1961 Goal

Contributions to the 1961 Community Chest fund drive are lagging according to Mrs. Jeannine Essenberg who reported Wednesday that only $1,757.50 had been received at the end of two weeks.

If the fund campaign is to be brought to a successful conclusion, the residents of the Charlevoix area who benefit in so many ways from the services these agencies offer must dig down deep and contribute as generously as possible, Mrs. Essenberg said.

Agencies included in the 1961 campaign are Red Cross, United Fund, Charlevoix Hospital, Boy Scouts, City Recreation, Community Nurse, Salvation Army, Mt. McSauba Ski run, Charlevoix Association to Aid Retarded Children, Charlevoix Service Organization, Girl Scouts and Emergency Fund. The cost of the fund campaign including postage, supplies and other charges are also included in the budget.

Frank M. Oleksy, chairman of the Industrial, Business and Professional division of the current drive, has announced the following list of volunteers who are assisting: George LaBlance, Jack Rayder, Frank Bourgoin, T. R. Weidman, John Uhrick, Leon Pease, Fred Willis, Kenneth Celiner, Peter H. Timmer and Charles Bleha.

Mich. State Tax Commission to Study Appeals

Michigan State Tax Commission representatives will be at the county building here Monday to meet with the Charlevoix county board of supervisors regarding an appeal from the equalization determined by the board at its April session.

The appeals were filed by Ivan Philips, John A. Uhrick and Harry Gebeau, supervisors of the city's first second and third wards, respectively, and William M. Sanderson, supervisor of Eveline township who stated in their petitions to the tax commission that the equalization as approved by the board is "unfair, inequitable and discriminatory".

The board of supervisors recessed Oct. 16 following a seven-day session to await the meeting with the tax commission before apportioning the tax roll for the year.

Each supervisor has been advised to have the assessment roll of his tax unit with him when he attends the meeting scheduled for 3 p.m. Monday. County Clerk F. R. Bulow said earlier this week that all supervisors had been instructed via registered mail to be present for this important meeting.

First in Series Of Civil Defense Classes to be Tues.

Clsses in radio-activity monitoring during which the use of the instrument and its monitoring will be taught will be held at the Charlevoix high school science department beginning at 8 p.m. Tuesday, Gen George B. Ely, Charlevoix Civil Defense director has announced.

An orientaton class held Tuesday was attended by 32 persons and more are expected when the training class gets underway the General said.

The classes will be 2½ hours duration and will run for four weeks. Wallace Roeske, Boyne City high school science teacher, assisted by Henry Lentz and Robert Richards of the local school science department, will teach the classes.

Consumers Power Co. Proposes Purchase Of Municipal Plant

Courier Exclusive

It has been a public secret for at least two weeks that city aldermen are weighing an informal proposal to negotiate with Consumers Power Co. on the sale of the city-owned electric generating plant and transmission lines. A suggested price might be $750,000, according to Mayor E. D. Hawley.

City officials and aldermen met informally last week with representatives of Consumers to discuss various aspects of the informal proposal and to determine if the city is sufficiently interested to enter into further negotiations. The Utility committee of the Council has been studying the feasibility of the proposal since it was first suggested but has not, as yet, submitted its recommendation.

A report last year by the engineering firm of Cummings & Bernard, following a survey of the local industrial facility, pointed out that the city could probably buy electric power cheaper than it was being produced at the local plant. The report further indicated the city could reduce rates to be comparable with Consumers rates in most classes of service and resell at a profit through its present transmisson system.

The suggested lower rates were put into effect as of Sept. 1 this year. It is understood the City has been negotiating with Consumers to purchase electricity with the idea of eventually discontinuing operation of the generating plant. Purchasing bulk power on a demand contract agreement with Consumers would cost the city from 11 to 13 mills per kilowatt hour, according to James Taylor, city superntendent.

Mayor Hawley has requested each alderman to submit a written report indicating his opinion of the feasibilty of selling the utility business.

It appears that there are differences of opinion among the aldermen at present. Sell and get out of the electric business or buy wholesale power and resell, seems to be the question.

Council, Monday night however, approved requesting Cummings & Bernard for a revised valuation of the local generating and transmission facilities. Further consideration of the proposal is not likely until this report has been received.

Council Lets Bid To Max Novak Ins. Agency

Bids for comprehensive general liability and automobile policy quotations, the latter to include a fire truck equipment floater, were opened at the regular meeting of the city council Monday night.

Two bids were received with the Max Novak Insurance Agency bid of $1, 546.47 being accepted. The second bid in the amount of $1,944.11 was submitted by the Carey Insurance Agency.

Jack Russell appeared before the council in an effort to reclaim an uninhabited lot located in the Upright and Hurlbut addition which had reverted to the Conservation Department because of delinquent taxes. He asked to withdraw the land from the tax sale and to pay the delinquent taxes. A resolution to the Conservation Department advising them of his intentions was approved.

The sum of $20,000 was borrowed from the electrical operating fund for the general fund.

Bills totaling $24,206.29 were approved and ordered paid. The figure includes a payment of $14,208 for the new city street department garage to John G. Apfel of Bellaire, general contractor for the project and $6,145.25 payroll.

Kiwanians to Hold Golden Autumn Auction Sale

The Charlevoix Kiwanis club will conduct a golden autumn auction sale at the former Colonial Club property Saturday, Glenn B. Snider, vice president of the service club has announced.

In addition to used furniture, appliances and a large selection of household needs, there will be merchandise contributed by local merchants and fresh produce donated by farmers.

In announcing the terms of the sale, club officials said everything must go and that all items would be sold at YOUR price in an effort to dispose of them.

Charlevoix Elementary school students from the first through the sixth grades will be guests of the Kiwanis club at a Hallowe'en party at the Palece Theater Tuesday. Each child will receive a treat.

C. of C. Speaker Cites Issues Facing Michigan's Industries

The improvement of the competitive position of the state of Michigan and the need to revitalize the spirit of enterprise that made Michigan a leading industrial power are among the issues that face every Chamber of Commerce in the state Robert O. Briggs, president of the Michigan State Chamber of Commerce and executive vice president of Consumers Power Co., told members of the Charlevoix Chamber of Commerce and their guests who gathered at the Weathervane Inn Monday evening for the annual dinner meeting.

As residents of the state of Michigan we must all work toward creating business conditions that will encourage rather than discourage economic growth and business expansion with insurance of job opportunities. But most of all, we must stimulate aggressive promotion to sell Michigan to ourselves as residents of the state and to the rest of the nation, Mr. Briggs continued.

In enlarging on these ideas he said that a way must be found to create 100,000 new jobs each year in order to give employment to the young people who are completing their education and going out to seek employment. "These young people like Michigan and want to continue to live here. Michigan has the highest hourly wage rate in the nation and these young people want to avail themselves of this. Therefore it is up to us to create jobs for them and to keep them in the state whose educational famillties have prepared them for business and industry" he added.

Mr. Briggs encouraged those present to take a greater interest in the business world and in legislation regarding it. He outlined the present tax structure in regard to business and industry and explained how it penalized these fields. He advised those present to encourage their legislators to work toward a more equitable personal property tax and other taxes that affect business and industry.

He said that Michigan led the nation in institutions of higher education qualified to do research regarding problems faced by business and industry and that these institutions should be allowed to devote their efforts to finding ways of bettering the economy of the state. "When the mills moved out of the New England states, the research centers at M.I.T. and Harvard University investigated and as a result these states are now the 'home' of the electronic industry, an infant among industries at the time New England was faced with their drastic unemployment problem", Mr. Briggs said in explaining how these research centers operate.

He concluded by saying that if the state of Michigan is to be a leader among the industrial states it must be made attractive to industry, new jobs must be created and new industries must be offered good reasons for settling in Michigan. "This can be done in only one way and that is through your Chamber of Commerce, first on a community basis and then on a county and state basis" he emphasized.

Paul Kohler, secretary-manager, briefly outlined the accomplishments of the local Chamber during the past year and distributed copies of the annual report to the 140 members and guests present. William Carey, president of the local chamber, welcomed the guests and introduced Mr. Briggs. The Rev. Alexander Wood gave the invocation.

THE BROKEN BODY OF A FOX SPARROW

Yesterday noon when Marian and I visited Hidden Brook we found the broken body of a fox sparrow lying just outside one of our front windows, He had flown into the glass, doubtlessly thinking it was an opening through which he could pass. This was not the first time we had found a dead bird that had met with such an accident at a Hideaway House window, and I regret that it won't be the last time. Birds and other animals just don't seem to have the capacity to learn the meaning of glass. Unless they are domesticated, glass is outside the range of their experience. Their first experience with it is not to be their last.

How many birds meet with such accidents each year is probably beyond our wildest guess. An acquaintance here in Charlevoix told me that one evening in the fall he picked up three ruffed grouse that had crashed into his picture window. The next evening he picked up three more! And that was well within the town limits!

This morning's newspaper reports that yesterday in New York City about 300 migratory birds were dashed to death against the fog-veiled Empire State Building. Among the ill-fated travellers were many thrushes, some rose-breasted grosbeaks and a few warblers. A high gale of wind caught them on their southward journey and blew them into the high building, the newspaper item stated.

So civilization takes its toll!

HIGH WINDS

We have been buffeted by high winds all day. This ordinarily quiet little lakeside world where we live has known hardly a moment of silence. Micshievous gusts throw spasmodic bursts of rain and small cubes of hail at our window, wickedly threatening to break every pane, but boasting of more harm than they can deliver. The boyish winds slide down our fireplace chimney and jump upon the damper. They rattle at our door and then run away, to return again when we have settled down and forgotten them for a moment. We hear them tittering and chuckling, and hooting at the coarse jokes they play on us.

Tiring of us briefly they turn to molesting the gulls of our harbor, tipping them at crazy angles in their flight, tossing the flustered birds back and forth from one daft gust to another. They amuse themselves with Lake Charlevoix waves, whipping them into a froth aand flinging them forcefully at the shore.

Darkness frightens these scamps hardly at all, and when, as midnight nears, I leave my desk I hear a parting rattle on my study window, and a faint, low, mocking whistle.

Rayders Bow to East Jordan 21-7

Red Devils Win Game In Final Quarter

The Charlevoix Rayders bowed to the second place East Jordan Red Devils Friday night but held the strong Jordanites outfit to a 21 to 7 win.

In the game the Rayders limited their hosts to one touchdown in the second period and then came back strong early in the second half to knot the score which remained at 7-all until midway in the final period. An intercepted pass late in the game gave the Red Devils their final touchdown.

Charlevoix kicked off to the Jordanites to open the game. They took the ball on their own six in a series of 25 ground plays and a 15-yd. assist on a pass interference penalty on Charlevoix moved the ball to their own three yard line as the period ended.

On the third play of the second period Tom Graham went over from the two and Bud Gee kicked the point after touchdown to give the Red Devils a 7 to 0 lead.

Charlevoix took the kickoff on their own 33 and moved it to the 38 where a recovered fumble gave East Jordan possession of the ball.

A series of four downs moved the ball to the Rayder 28 where the Jordanites drive bogged down and the Rayders took over.

A clipping penalty on Charlevoix moved the ball to the 15 but a pass from Stan Martin to Dan Pearl gave Charlevoix their first down of the game on the East Jordan 34. However, the Rayder offensive failed to get past the East Jordan 41 and the Red Devils were again in possession.

The Jordanites picked up a first down to the Rayder 46, moved six yards into Charlevoix territory and were set back to the 49 yard line where they fumbled and Charlevoix recovered.

After two line plays that gave them two yards, Martin passed to Henry Wagner for a first down on the East Jordan 43. However, on the next play the Jordanites recovered a Rayder fumble and were in possession of the ball on the Rayder 35 as the first half ended.

East Jordan kicked off to Charlevoix to open the second half with the Rayders returning the kickoff to the East Jordan 35. With Wagner, Gary Balch and Martin carrying the ball the Rayders picked up two downs to the East Jordan 44 where Martin pitched out to Wagner who passed to Curtis who then went the distance to score. Denny Wojan knotted the score 7-all with his kick to put the Rayders back in the ball game.

Charlevoix kicked off to the Jordanites who returned the ball to their own 43 where play started. In 11 plays and three first downs the Red Devils moved to the Rayder 6 but a major penalty set them back to the 25. On a second try the Red Devils advanced to the Rayder 16 where Charlevoix took over on downs and moved out to the 19 as the quarter ended.

On the first play of the last quarter Charlevoix fumbled and recovered but lost 13 yards on the play and were forced to kick out of danger. East Jordan took possession on the Rayder 38 and on a series of seven plays advanced to the seven where Ray Fisher took the ball over for the touchdown. Gee's kick was good and the Red Devils led 14 to 7.

In an effort to get in the game Charlevoix took to the air but on a second pass try East Jordan intercepted Wagner's pass on the Rayder 32 to set up their final TD. Four plays moved the ball to the 10 where Don Roberts went in to score. Again Gee's conversion was good and the score stood at 21 to 7.

Charlevoix took the kickoff on their own 33 and moved to the East Jordan 19 in nine plays as time ran out.

However, neither player was successful in his efforts to gain possession as the ball was batted down.

The Red Devils won the game 21 to 7 efter the Rayders had held the Jordanites to one touchdown until the final period.

This Week With Class "C"

The Charlevoix Rayders will have two home games as the 1961 football season draws to a close.

This week the Rayders will take on Grayling at Kipke field at 8 p.m. Friday and the following week, Nov. 5, will host the league-leading Boyne City Ramblers.

In other action this week Boyne City will host Gaylord, Pellston will entertain Mancelona in the only afternoon game scheduled for 2 p.m. and Harbor Springs in third place onehalf game behind East Jordan, will invade Red Devil territory.

The Grayling Vikings, though they have tried hard, have failed thus far to come up with a conference win this season. Charlevoix, on the other hand, has done a little better and has a win over Gaylord and a tie with Harbor Springs to show for their efforts. They should get back in the win column this week when they host the Vikings.

Boyne City, with two games remaining, is practically assured of at least a share of the title. This week's game with the Gaylord Blue Devils who succeeded in racking up their first win of the season, a 7 to 6 decision over Pellston, is expected to move the Ramblers one game closer to the 1961 title.

Pellston, hurting without the services of big, hard-running Ray Mehalec who is benched with a knee injury, can hardly be expected to halt the Mancelona Ironmen who are currently in fourth place with losses to Harbor Springs and Boyne City. Though they cannot hope for a piece of the title they shared with Boyne City last season, they will be out to defend their present standing and possibly move a rung higher in loop standings as the season nears its close.

The Harbor Springs-East Jordan bout will be the game of the week with the Rams, a half game behind the Red Devils in loop standings as the result of their tie with Charlevoix, out to topple the Jordanites. Both teams have been downed by Boyne City by identical scores of 27 to 7. In addition, the Rams were tied by the Rayders, a team the Red Devils dumped 21 to 7 last week. Other victories have been by comparable scores thus the two teams are well matched. Both teams boast veteran quarterbacks and excellent running backs with plenty of apeed while East Jordan's defensive team has held opponents to seven touchdowns and four conversions compared to 12 TD's and five converalons.

However, the teams are well balanced and this should be one of the better games of the season with the Red Devils having an edge only because they have had fewer points scored against them.

Boyne Closes In On NMCC Title; East Jordan to Defend 2nd Place

The Boyne City Ramblers continued their victory march Friday by winning over the Mancelona Ironmen 20 to 7 for a perfect record of five wins, Gaylord racked up its first win of the season by edging Pellston 7 to 6, Harbor Springs rolled over Grayling 53 to 18 and Charlevoix bowed to East Jordan 21 to 7.

Boyne City Mancelona 7

Doug Grubbe continued his winning ways as he scored all three Rambler touchdowns at Mancelona. However, his runs were held to 19 yards and less instead of the long jaunts he has been taking to keep Boyne City in the running for the title.

His first touchdown came midway in the first quarter when he went over from the 10 yard line and then passed to End Ron Ward for the conversion point.

The remainder of the first half was scoreless but early in the second half Grubbe again romped into paydirt, this time from 19 yards out. The kick for the conversion was blocked and the score remained 13 to 0.

The Ramblers' final touchdown was scored by Grubbe from the six inch line midway in the final period. Grubbe passed to Ward for the extra point.

Late in the game Mancelona scored a single touchdown when Pat Dutcher went over from the one foot line on a quarterback sneak. Dutcher then passed to Bill Lawrence for the conversion point. A pass from Lawrence to Dutcher that covered 30 yards set up the scoring play after the Ramblers bad held the Ironmen's Kenny Johnson to limited ground gains throughout the game.

Geylord 7 Pellston 6

Steve Crook's point after touchdown boot with 31 seconds remaining in the first period gave the Gaylord Blue Devils' their first win of the current season, a 7 to 6 victory over the Pellston Hornets who were playing without big Ray Mehalec who is benched with an injury.

Crook's boot followed Dick Farrand's touchdown jaunt from the 14 after taking a 40 yard pass from quarterback Tom Taplo.

With 5:11 remaining in the second quarter Pellston's Mike Thompson got off a 14 yard pitch to Merel Cameron to give the Hornets a touchdown. They attempted to run the conversion point but were stopped cold short of the goal line.

Both teams threatened after recovering fumbles deep in their opponents' territory but were unable to capitalize on the breaks.

Harbor Springs 53 Grayling 18

Playing at home the Harbor Springs Rams had a field day as they scored eight TD's including three each by Harvey Kasuske and Steve Graham, one by Garry Stutsman who booted four conversion points and passed to Graham for one touchdown and one by Jim Burdick.

Burdick's touchdown was the first one scored when he went over from the five after Stutsman had passed to End Paul Ranney for 45 yards to set up the scoring play.

Grayling's Tom LaMont then scored on a 43 yard jaunt to put the Vikings back in the game.

Kasuske countered with an 85 yard romp with Stutsman booting the conversion to put the Rams ahead. Steve Graham then took a 20 yard pass from Stutsman to score his first of three touchdowns. Stutsman converted with a kick. Gary Pettijohn gave the Vikings a second tally on a 25 yard run but the Rams came back to add seven more points on a 55 yd. run by Graham and a conversion by Stutsman. Later in the second quarter Graham re-traced his steps, this time from midfield and before time ran out in the first half Stutsman went in from the 10 to make the score 39 to 12 at the halfway mark.

Everybody got into the act in the last half as Kasuske scored on a 45 yard run and then converted. Grayling's Mike Young gave them another six points when he went over from the two yard line. On the kick-off following this touchdown Kasuske ran the ball back 85 yards to score. Stutsman converted as the game ended 53 to 16.

Parent - Teachers to Sponsor Open House in Grade School

The Charlevoix P.T.A. will sponsor an open house at the Charlevoix elementary school Wednesday Mrs. J. Lawrence Feindt, P.T.A. president, has announced.

A visit to the classrooms and a tour of the recently remodeled school will be held in place of a formal business meeting.

With the icreased enrollment in the elementary school classrooms have been re-arranged to utilize space made available with the transfer of the seventh grade to the new junior-senior high school.

Teachers will be in their classrooms from 7 until 8:30 p.m. Wednesday so parents may consult with them briefly. Work done by the students during the first six weeks of the school will also be displayed in the classrooms.

The open house is not limited to parents of elementary school students Mrs. Feindt emphaszed in announcing plans for the event.

All visitors are invited to the cafeteria where refreshments will be served by the P.T.A'

Meanwhile, residents of the area as well as the school district are urged by the P.T.A. to attend the dedication of the new junior-senior high school at 2:15 p.m. Sunday.

County Officials To Discuss Plans For Control Center

R. S. Graganoff of Ypsilanti whose company drew up the plans for the Charlevoix county building is scheduled to be here at 8:30 a.m. Friday to meet with county officals and George B. Ely, Charlevoix county Civil Defense director to discuss plans for a proposed control center and fallout shelter.

He will then look over the site for the proposed center, a lot adjacent to the present county building and jail.

The board of supervisors, at its recent meeting, appropriated a sum not to exceed $500 to engage an architect to draw up plans for such a center which eventually be used as a foundation for jail expansion.

The Civil Defense office would help finance, on a matching fund basis, the construction and equipping of such a center as well as share in the costs of architect's and engineering fees.

Philip J. Hebert Ex-Resident Dies In California

Phillip J. Hebert, 61, a native of this community who has lived in the west in recent years, died in Los Angeles, Calif., Wednesday.

Funeral services were held at St. Mary's church here Saturday with the Rev. E. Francis Denay officiating. Burial was in St. Mary's cemetery. The Winchester Funeral Home was in charge of arrangements.

Born in Charlevoix Dec. 24, 1899, Mr Hebert was reared here and attended St. Mary's and the Charlevoix public schools. He left here as a young man and lived in Detroit and later in Atlanta, Ga., before going to Los Angeles where he has resided in recent years.

He is survived by a son, Phillip Jr. and a daughter, Miss Yvonne Hebert, both of Detroit; three brothers, Lee of Decatur, Ga., Arthur of Detroit and Charles of Dearborn and six sisters, Mrs. William West of Scottsdale, Ariz., Mrs. Harry Gregory and Mrs. Fred Klaus of Flint, Mrs. Eli D'Aigle of Lansing, Miss Elaine Hebert of Detroit and Miss Rita Hebert of Grand Haven.

Charlevoix's Little Rayders, playing a return game with the Boyne City Reserves, racked up their third win of the season Tuesday night by dumping their hosts 26 to 13.

They also went to Paw Paw to call on Mrs. Elizabeth DeYoung.

Madelyn Wojan Becomes Bride Of Melvin P. Renaud Saturday

St. Mary's church was the scene Saturday of the wedding of Madelyn M. Wojan and Melvin P. Renaud.

The bride is the daughter of Anthony Wojan Sr. and the late Mrs. Wojan. Parents of the bridegroom are Mr. and Mrs. Herbert Renaud of Lincoln Park.

The Rev. E. Francis Denay officiated at the double ring service during the Nuptial Mass celebrated before an altar decorated with arrangements of white mums. Mrs. Walter Wojan of St. James, sister-in-law of the bride, at the organ, accompanied the soloist, Mrs. Willard Pischner who sang "Ave Maria" and "On This Day, Oh Beautiful Mother".

Given in marriage by her father, the bride selected a ballerina length gown of white satin for her wedding. The sweetheart neckline was accented with simulated pearls and irridescents. The fitted bodice melted into a sweeping skirt enhanced in the back by three satin rosettes. Her fingertip veil fell from a tiara of pearls and sequins. She carried a bouquet of white Amazon lilies.

Mrs. Daniel Wojan of Ludington, sister-in-law of the bride, as matron of honor and Mrs. Chris Chojnacki of Detroit, cousin of the bride, as bridesmaid, wore identical gowns of light and dark turquoise crystalette fashioned with scoop necklines, short sleeves and bouffant ballerina length skirts and matching headdresses. They carried cascade bouquets of turquoise and white mums.

Daniel Wojan of Ludington, brother of the bride, served as best man and Albert Wojan, another brother, was groomsman.

Robert and Richard Wojan of Trout Lake, nephewa of the bride, served as altar boys for the service.

Mrs. Renaud, mother of the bridegroom, wore a green print sheath dress and matching jacket and accessories. Her corsage was of white roses.

Immediately following the ceremony a wedding breakfast was held at St. Mary's school hall. An evening reception was held at the Charlevoix Rod and Gun Club with music for dancing by the "Polka-Dots" of Gaylord.

After a wedding trip to northern Michigan and Canada, the couple will make their home here for the present. For travelling the bride selected a red sheath and matching coat and accessories.

The bride attended the Charlevoix high school. The bridegroom is a 1959 graduate of Lincoln Park high school and a veteran of three years in the U.S. Navy. He is presently stationed at the U.S. Naval Air Station at Grosse Ile, Michigan.

Wedding guests were present from Detroit, Ludington, St. James, Cross Village, Frankfort, Grand Rapids, Ann Arbor, Trout Lake, Lincoln Park, Roseville, Garden City and Cleveland, Ohio.

RECORD OF THE COUNCIL

October 9, 1961

The Common Council of the City of Charlevoix met on the above date with Mayor Hawley presiding. Alderman present: Fochtman, Grubaugh, Hansen, Neff, Staley and Donaldson.

The minutes of the September 25, 1961 meeting were approved as presented to the Council in writing.

RESOLUTION

Alderman Hansen offered the following Resolution and moved its adoption, seconded by Alderman Donaldson:

WHEREAS, the Common Council of the City of Charlevoix deems it expedient and a necessary public improvement to improve and expand the City of Charlevoix's Airport; and

WHEREAS, the City of Charlevoix is presently using certain land and right-of-ways crossing it's present Airport owned by Cresent Stone Company (formerly owned by Medusa Portland Cement Company) in connection with the operation of the City's Airport and it is necessary for, and the City desires to, acquire such land and right-of-ways, the fee title to which is owned by Crescent Stone Company, together with additional land, and air easements over other additional land, all presently owned by Crescent Stone Company to enable the improvement and expansion of said Airport; and

WHEREAS, the City of Charlevoix owns certain other land in Charlevoix Township known and used as the "City Dump" which is now over filled, and over running other property, no longer useful as a "Dump" and must be replaced by the City with other facilities; and

WHEREAS, the Crescent Stone Company has made available to the City the additional land and easements required for expansion of said Airport in exchange for other lands and covenants: and

WHEREAS, the officials of the City of Charlevoix and the Crescent Stone Company have negotiated an agreement dated October 6, 1961, submitted to the Common Council in writing on this date embodying the terms of the exchange of lands, easements, and rights for the purpose of allowing the expansion of the City Airport and also the development of Crescent Stone Company's property wherein Crescent Stone Company in general shall convey to the City of Charlevoix the part of its right-of-way easement land that crosses the Airport and two additional parcels of land adjacent to the Airport and an air easement over two additional parcels of land adjoining the Airport and agrees to grant to the Board of County Road Commissioners of Charlevoix County, Michigan, an easement for, and to construct at an estimated expense of $13,500.00, an alternate road to replace part of the "Dump Road" to extend from Highway US-31 along the South and West lines of the Crescent Stone Property to connect with the extension of the "Dump Road" (being the County Road going to Bell's Bay at the Northwest corner of Section 33, Town 34 North, Range 8 west) all in the Township of Charlevoix, Charlevoix county, Michigan, and the City agrees to convey the said "Dump" property to Crescent, grant Crescent certain right-of-ways and easements, and to contract on behalf of Crescent for the construction of the alternate road, if required, and to aid in the proceedings to vacate and discontinue that part of the "Dump Road", and which Agreement is conditional upon vacating that portion of the "Dump Road" that passes through the Crescent Stone Company's property, the proper re-zoning of the Crescent Stone Company property by the Township of Charlevoix to allow, with reasonable safeguards, the use of said property for purposes of quarrying and for purposes of construction, use and operation of a plant for the manufacture, production and storage of Cement products and also to allow Crescent Stone Company's right-of-way to be used for railroad transportation purposes, and whichAgreement also provides that the City of Charlevoix shall pay to the Crescent Stone Company the sum of $5,000.00 as consideration, in addition to the land traded, for the said additional land and easements to be acquired by the City, and that the Common Council, being fully advised about the terms of said Contract, deems it to be for the best interest of the City of Charlevoix to enter into said Agreement:

THEREFORE BE IT RESOLVED, by the Common Council of the City of Charlevoix that the City of Charlevoix enter into the aforesaid Agreement with Crescent Stone Company, an Ohio Corporation qualifed to do business in the State of Michigan, and that the Mayor and the Clerk be, and they are hereby, authorized and directed to execute and deliver said Agreement on behalf of the City of Charlevoix:

BE IT FURTHER RESOLVED, that in the performance of said Agreement the City of Charlevoix sell, exchange, transfer and convey by a proper Deed to the Crescent Stone Company the said "City Dump property" more particulary described as follows:

> "That parcel of land situate and being in the Township of Charlevoix, County of Charlevoix, and state of Michigan, described as follows, to-wit: 'Part of the Northwest (NW ¼) Quarter of the Northeast (NE ¼) Quarter of Section 33, Township 34 North of Range 8 West. Commencing 18 rods South of the Northeast conner of said Northwest (NW ¼) Quarter of the Northeast (NE ¼) Quarter of Section 33, running thence South on the eights line 32 rods; thence West 25 rods; thence North 32 rods; thence East 25 rods to place of beginning. Containing five acres. ALSO a strip of land 2 rods wide off the East side of said Northwest (NW ¼) Quarter of the Northeast (NE ¼) Quarter of said Section 33, Township 34 North, Range 8 West, from the above described parcel, herein described, North 18 rods to the highway."

In the completion of the performance of said Contract and that the Mayor and Clerk be, and they are hereby, authorized and directed to execute and deliver said conveyance to Crescent Stone Company;

BE IT FURTHER RESOLVED, that the City join in the Petition to abandon the section of the "Dump Road" passing through the Crescent Stone Company's property and that the Mayor be, and he is hereby, authorized and directed to execute the same on behalf of the City.

Ordinary oils can create their own metallic ash. Above you see what happens when a conventional multi-grade oil is dropped on this electrically heated piston device. These dark spots contain additive ash. When this ash builds up in your engine, it's bad news.

No ash with Shell X-100 Premium Motor Oil. When the same test is tried with new Shell X-100 Premium all the oil vaporizes. The piston device is clean. There is no ash. You can expect a cleaner engine, less chance for knock and rough running.

Hot piston test shows that new Shell motor oil eliminates a trouble other oils can create. Read how this revolutionary oil can prolong engine life 5 ways.

Here is an astonishing fact you should know before you get your next oil change: *Premium motor oils—with one exception—will produce a deposit called additive ash. This ash can contribute to rough running and knock.*

Shell X-100 Premium is the one premium motor oil that *cannot* produce an additive ash deposit in your engine. Read how this remarkable oil formula helps your engine last longer.

This is Shell X-100 Premium Motor Oil—in the white can with the red letters.

TODAY, every Shell dealer has new Shell X-100 Premium Motor Oil ready for your next change-over.

New X-100® Premium is unlike any other motor oil. It eliminates a deposit that all other premium motor oils help create themselves. This deposit is *additive ash*. It is caused by the metallic additives used to prevent scuffing, sludge deposits, oxidation, and so forth.

With each stroke of the piston, these additives can deposit metallic salts in the combustion chamber. Here they burn and form additive ash.

This crusty ash can build up in your combustion chamber, can cause your engine to knock and run roughly.

New X-100 Premium doesn't contain a single metallic additive. No metallic additives—no additive ash.

Additive ash is just one internal trouble that can cause engine problems. You should know about four others, too.

Helps prevent sludge from anti-freeze leaks

Remember this when you fill up with anti-freeze this fall: Anti-freeze can leak out of your cooling system into your crankcase.

Many oils can react chemically with permanent anti-freeze to form a horrible sludge—so sticky that it can bring an otherwise healthy engine to a standstill. Then you may be in for a repair bill.

New Shell X-100 Premium resists reaction with any sort of anti-freeze. It shrugs it off.

Disarms crankcase dirt

All engines accumulate crankcase dirt. The problem is to stop the many different kinds of dirt particles from ganging up and forming sticky sludge, which can clog your engine.

Most premium oils use a detergent additive to do the job. But the majority of these additives are metallic and cause that old devil—ash.

Shell's solution is to replace the detergent with a *dispersant*—a remarkable new ingredient called Alkadine.*

Alkadine works to *disperse* dirt particles—in effect, holds them apart—so that they don't form sticky sludge.

Alkadine additive is potent stuff. After 1,200,000 miles of city driving, engines lubricated with Shell X-100 Premium were torn down and inspected. The amount of sludge was astonishingly low. In some cases there was so little it could hardly be measured.

Ignores temperature changes

Many motor oils tend to become too thick when cold and too thin when hot. This is hard on your engine.

New Shell X-100 Premium is an all-year oil. Here's how it works. Alkadine has a molecular structure that resembles a basket of eels.

When the oil is cold, Alkadine's eel-like molecules curl up as if for comfort. In effect, they take up less space in the oil—and the oil flows freely through the tightest bearing.

When the oil is *hot*, the molecules uncurl, take up more room—and the oil resists thinning. New X-100 Premium lubricates just as effectively in June as it does in January.

Fights engine acid a new way

Automobile engines manufacture acid. It can cause more wear than friction.

Most motor oils combat this engine acid with alkaline additives. But the neutralizing effect of the oil gets weaker as engine acid eats up the alkalinity—until eventually such an additive stops working altogether.

Shell X-100 Premium doesn't depend on alkalinity. It actually plates all engine surfaces with a thin chemical film. The metal "*adsorbs*" some of the oil's protective qualities. Chemists call this phenomenon "chemisorption."

The process of "chemisorption" offers unique *long-lasting* protection against acid attack.

How much does it cost?

If you now use a *premium* motor oil, you'll get Shell X-100 Premium for about the same price.

If you're now making do with ordinary motor oil, you'll pay about $3.60 a year more—less than a penny a day extra—assuming you drive at about the national average of 10,000 miles a year and get regular oil changes.

Quite a bargain for the one motor oil that fights additive ash and four other troubles to help prolong the life of your engine.

Glenn Snider, elementary principle, and Harry Bingbam, high school principle, met with the Board to report on the membership for the current year. They expressed the need for more teachers for the increased enrollment, and chairs needed in both schools.

Mr. Lieberman announced that the P. T. A. Open House for October 11 has been scheduled, at which time all school board members are being asked to be present. The date of the dedication of the new high school building was set for Sunday, October 29.

Maintenance problems, including the need for additional help-kindergarten assistants for the increased membership-transportation problems which require the changing of bus routes-and the addition of one bus, were all discussed and tentative plans made for their adjustment.

Mr. Odmark, President of the Teacher's Club, came into the meeting and invited the Board members and their wives as guests of the Club's Fall dinner.

It was moved by Al Smith, supported by Martin, that a loan for $10,000.00 be negotiated at 4% interest, date of note Octobed 16, 1961, due and payable on June 30, 1962, for the purpose of obtaining funds to operate the school district. Motion carried: 7-0.

Mr. Bennett was instructed to contact local plumbers to get prices for the installation of the Terit dust collector in the shop of the new high school, and compare with the bid of Wares & Son already on file.

Motion was made by Martin, supported by C. Smith, that William Ratigan's salary for the current year be increased by the amount provided for in the salary schedule for exceptional service, due to his attainment of a Specialist rating, this raise to be $100.00 effective immediately. Motion carried: 7-0.

After discussion, Mr. Bennett was instructed to prepare plans for bicycle racks for students in both the high school and elementary school.

After considerable discussion of the monthly mileage alloted Mrs. Jeanne Miles, school nurse, it was moved by Blanchard and supported by Dinwiddie that Mrs. Miles be given an additional $5.00 per montb car allowance. Motion carried: 7-0.

It was moved by Al Smith, supported by Martincbeck, that Change Order No. 7 to the contract of Davis Electric, Inc., calling for additional fire alarm horns in the new school for an additional $158.60, be approved as recommended by the Office of the State Fire Ma[illegible]. Carried: 7-0.

Moved by Blanchard, supported by Martin, that Change Order No. 8 to the contract of Davis Electric, Inc., for additional wiring in connection with kitchen equipment in "C" building for an additional $617.00, be approved. Carried: 7-0.

After discussion of the Dedication Services for the new school, the meeting adjourned at 11:25, to meet again on October 9.

From where I sit ... *by* Joe Marsh

Friendly "Enemies"

Just about my closest friend in town is old Colonel Harmon, our banker. Yet, when I was a lot younger and had just started the *Clarion*, I actually thought he was my *enemy!*

Whenever I wrote an editorial, there was sure to be an angry letter from the Colonel taking the opposite side. Seemed pretty clear he'd just as soon I was out of business.

But in the Depression, when it looked like the *Clarion* would have to shut down, it was Colonel Harmon who offered the loan that kept me going. Startled, I asked him why. "Well," he growled, "just because I don't agree with a man, doesn't mean I don't value his opinion. Besides—if you'd closed up, who'd I have to argue with?"

From where I sit, one of the wonderful things about America is the way people respect each other's opinions. For example, the Colonel doesn't happen to share my preference for a glass of beer, but he understands I have a right to feel the way I do. It's tolerance like this that keeps our friendship "in business."

Audry Krulik, daughter of Mr. and Mrs. Arthur Krulik, became the bride of Allan C. Shepard, son of Mr. and Mrs. Ralph Shepard Sr. of East Jordan, at an impressive ceremony solemnized at the Community Church of God Saturday evening, Oct. 14.

The Rev. George L. Majors officiated at the double ring service in the presence of more than 200 guests. Arrangements of whlte gladioli, yellow mums and autumn leaves formed a setting for the ceremony. Pews were marked with white satin bowa and autumn leaves. Mrs. John L. Boss was the organist and Kenneth Boss the soloist.

Escorted to the alter by her father, the bride chose a floor length gown of white Chantilly lace and net over slipper satln for her wedding. Fashioned with a fitted lace bodice, the gown had a square neckline, long sleeves and a full skirt of tiered net over taffeta. A crown of pearls and sequins secured her fingertip veil. She carried a eascade bouquet of red roses and white pompoms.

Mrs. Forrest Gerald Burke was her eousin's maid of honor. She wore a street length gown of blue nylon over taffeta and carried a bouquet of white pompoms and pink roses.

Mrs. Ralph Shepard Jr. of Mt. Pleasant, sister-in-law of the bridegroom, and Loretta Drost, as bridesmaids, wore gowns similar to the honor attendant's in lilac net over taffeta and carried bouquets of matching orehid pompoms.

Lynn Bradley was flower girl and Marty Carey of East Jordan, cousin of the bridegroom, was ringbearer.

Ralph Shepard Jr. of Mt. Pleasant assisted his brother as best man. Lanny Shepard of East Jordan, brother of the bridegroom, and Rodney Ostrum, cousin of the bride, were groomsmen. Seating the guests were James Sneathen, eousin of the bride, and Keith Ogden of East Jordan.

Mrs. Krulik chose a blue wool knit suit and black and white aceessories for her daughter's wedding. Mrs. Shepard, mother of the bridegroom, wore a blue silk crepe sheath and black and white accessories. Their corsages were of white pompoms.

A reception followed at Fellowship hall. A tiered wedding eake topped with a miniature bridal eouple centered the refreshment table. Gwen Lewis of Chicago, cousin of the bride, cut the cake and Helen Shepard of East Jordan was in charge of the guest book. Others assisting were Mrs. Niley Louiselle, Mrs. Carl Mitchell and Mrs. Eldred Ostrum, aunts of the bride, and Mrs. Albert Webster and Mrs. Wilbur Wells Jr., cousin of the bride.

After a brief wedding trlp the couple is at home at 1508 McCormick in Bay City. For traveling the bride wore a three piece blue wool suit, white accessories and a corsage of red roses.

The bride is a 1961 graduate of the Charlevoix high school. The bridegroom, a graduate of the East Jordan high school, is a student at the Northeastern School of Commerce in Bay City.

Wedding guests were present from Flint, Chicago, Bay City, Mt. Pleasant, Petoskey, Boyne City, East Jordan, Atlanta, Bay Shore, Rochester, Adrian and Ludingtin.

Slick-Golden Marriage Vows Spoken in Albion Church Rites

Mr. and Mrs. William Paul Golden have returned from a wedding trip to Chicago to make their home in Jackson.

The bride is the former Susan Taylor Slick, daughter of Mr. and Mrs. John S. Slick of Albion. Mr. Golden is the aon of Mrs. Ada Y. Golden of Charlevoix and Edward K. Golden of Petoskey.

St. John's church in Albion was the scene of their wedding on October 14. Autumn bouquets of gold and white fuji mums and pompoms decorated the altar for the Nuptial Mass celebrated by the Rev. Francis Zipple and sung by St. John's choir accompanied by Mrs. Irene Sinal.

The bride, given in marriage by her uncle, Elmer R. Taylor of Detroit, ehose a gown of white peau de soi for ber wedding. The fitted bodice was fashioned with a portrait neckline outlined with re-embroidered Alencon lace and long tapered sleeves. The full belled skirt which ended in a chapel train had a front panel appliqued with re-embroidered lace. A Swedish crofn of pearls and rhinestones secured her fingertip veil of English ailk illusion. She carried a cascade bouquet of white fuji mums and pompoms.

Attending the bride as maid of honor was Mary Michael Magee of Grosse Point with Sharon Lee Yettaw and Kay Yettaw of Detroit and Lansing, respectively, cousins of the bridegroom, serving as bridesmaids. They wore identical sapphire blue satin sheaths made with seoop necklines and elbow length sleeves and short overskirts aecented with bows at the waist. Tbeir halo hats and aceessories were also of sapphire blue and they earried eascade bouquets of gold and white mums and pompoms.

Janet Slick, as her sister's junior bridesmaid, wore a dress of sapphire blue crystal eharm styled with a scoop neekline, elbow length sleeves and a full skirt. Her accessories and bouquet matched those worn by the other attendants.

Donald E. Heilig of Lansing assisted the bridegroom as best man. Henry Porter and Robert C. Miles of Detroit and John C. Slick of Albion, brother of the bride, seated the guests.

Mrs. Slick wore a cream lace knit sheath accented with green and honey aeeessories and a fur cape for her daughter's wedding. bridegroom, chose a fur trimmed bridegroom, ehose a fiur trimmed gray dressmaker suit and hot pink accessories. Their corsages complemented their costumes.

A reception followed at the Albion Armory where a buffet luncheon was served from a table centered with a ailver bowl of white mums flanked by ailver candles. A tiered wedding cake, a gift to the couple, centered the bride's table. Mrs. Peter Kent cut and served the cake. Also assisting were Judy Morgan, Carmela Calderone, Joan C. Hull and Mrs. Bert Fetters, all of Albion.

For their wedding trip to Chicago, the bride wore a briliant blue wool sheath, matching accessories and a corsage of shaggy carnations.

The bride is a 1958 graduate of Ontonagon high school and attended Northern Michigan College where she was a member of Delta Sigma Nu sorority. For the past two years she has been employed at Vaughn's in Albion. Mr. Golden is a graduate of the Charlevoix high school and Ferris Institute where he was affiliated with Sigma Alpha Delta fraternity. He is presently on the editorial staff of the Jackson Citizen Patroit.

Showers given for the bride included a kitchen shower hosted by Mrs. Robert Curtiss of Albion, a miscellaneous shower at the Detroit Yacht club given by Misa Magee, a surprise linen shower by Miss Hull and one by Mrs. Richard Murray of Albion.

The rehearsal dinner for the bridal party was given Friday evening at Gilbert's Steak House in Jackson by the bridegroom's parents.

New Charlevoix High School Dedicated at Sunday Ceremony

"There is no event as significant or important to the people of a community than the dedication of a new school for there is no investment that will pay greater dividends than the investment in a school and in the youth of the community" Dr. Stephen Nisbet, widely known educator and president of Michigan's Constitutional Convention, told more than 800 residents of the Charlevoix school district and northern Michigan who gathered Sunday afternoon for the ceremony marking the dedication of Charlevoix's new junior-senior high school.

Dr. Nisbet, who took time from his busy schedule to drive north for the dedication ceremony, went on to say that "you, as residents of your school district, look to this school as a place for the children of the district to receive an education hut it is really a tribute to you as people with forethought, people who are willing to make sacrifices in order to provide a school in which to better the minds of your children whose lives you guard and treasure. It marks you as people of a progressive and successful community for no city with a poor school system is either progressive or successful".

There was a time when an education was not necessary hut in the atomic age of today it is imperative, he continued and added that "this school is evidence that you realize this and the fact that the youth of this community are no longer just citizens of Charlevoix of the state of Michigan hut of the world."

Many people say 'What can I do about the United Nations or the situation in Berlin?' and realize that, as an individual, there is little that can be done. However, if everyone will make his life in his own community count for something worthwile then the sum total will count for something . . . in the community, the state and around the world for no matter how small one may feel, he is important to the sum total, Dr. Nesbit said.

"That is why the job you do as an individual will determine the progress of your community and your state; that is why you must work hard toward setting high standards in everything" he went on.

"In providing this school you are setting an example in the field of education. But the school itself is not enough for you must protect your investment by providing a good curriculum, good teachers and the funds to keep it operating at its fullest capacity.

"To accomplish this you must work as a community, you must develop a community responsibility.

"It is fine to pat yourself on the back today hut tomorrow you must start working together . . . working to leave "footsteps" for your children to follow hy being people with integrity and stability with the ability to work together. Then, and only then, will you be a credit to yourself, your community and the great state of Michigan" Dr. Neshit said in conclusion.

Gordon Cornwell of Traverse City, architect for the school, paid tribute to the workmanship in the school, the foresight of the people of the community for building such a fine school and to those with whom he had worked while the building was under construction. He then presented the new building to Robert G. Lieberman, president of the board of education who had high praise for all those whose combined efforts had made the new school possible.

To Provide Free Hearing Tests In Area November 13

Arrangements have heen completed to provide free hearing tests for adult residents of the area according to Dr. A. F. Litzenburger, director of District Health Department No. 3. The tests will be offered to all residents over 18 years of age through the cooperation of the health department and the Michigan Association for Better Hearing.

In terms of incidence, hearing problems constitute our second greatest health concern according to Dr. Litzenburger who added that early detection of slight hearing loss is the most important factor in preventing serious, handicapping deafness.

The Michigan Association for Better Hearing, a Michigan United Fund agency, will provide a mobile testing unit and a professional hearing therapist for the testing program. It is emphasized that this is to be a "screening" program aimed at finding those people with some degree of hearing loss. If a loss is found, proper recommendations will make, Dr. Litzenburger said.

The testing program will begin in the area Nov. 13 when the mobile unit comes to Charlevoix for a two-day stay.

Residents of the area are urged to avail themselves of this service for modern testing equipment makes it possible to detect a hearing loss in its early stages and allows preventive measures to be taken. Because hearing loss frequently has a gradual onset, many people are unaware of any impairment or fail to do anything about it until it reaches a handicapping degree.

Hearing is priceless . . . protect it! Dr. Litzenburger said in conclusion.

Kiwanis Name Glenn B. Snider Club President

Glenn B. Snider has been elected president of the Charlevoix Kiwanis Club for the organization's 1962 year.

Other new officers elected at the same time were: first vice president, Elmer Englehart; second vice president, Howard parsel; directors, Glenn Kenney, Robert Richards, Arthur Osborn, Kit Carson, Alfred Scheid, John Schmidt and Leonard Burns.

The new officers will be installed at the first meeting of 1982.

He returned here to open a practice, leaving here about 1926 to open a winter practice in the Miami area of Florida. He moved to Florida in the late 1930's and practiced in Miami Beach until his retirement because of ill health. Until recent years he maintained his former Park ave. home here.

Surviving are his wife, the former Ruth Hooper; a daughter, Mrs. Joan Radney of Miami; a son, William of San Francisco; seven grandchildren and a sister, Mrs. William Coleman of Hastings.

Tax Appeal Is Upheld

* * *

The appeals of the city of Charlevoix and Eveline township to the Michigan State Tax commission were upheld at a hearing held Monday afternoon.

Charlevoix's valuation was cut $2,196,042 from $9,380,233 to $7,184,191 or 17.5 per cent of the county's total valuation.

In dollars and cents, the decrease will mean approximately $8.20 per $1,000 valuation on tax bills scheduled to be mailed to city taxpayers early next month. In other words, if your property is valued at $3,000 on your tax statement your tax bill will be approximately $24.60 less than it would have been before the city's appeal was upheld.

Eveline township's valuation was cut from $5,537,230 to $5,075,827 or a total of $461,403 or 12.39 per cent of the county's total valuation.

Other taxing units to receive relief following a survey conducted by the State Tax Commission were the cities of East Jordan and Boyne City, Boyne Valley and Marion township.

Most other taxing units were increased with Bay, Charlevoix, Evangeline, Hayes, Hudson and South Arm township receiving the biggest hikes.

The valuation of the county was raised to $40,962,100 from $39,240,054 or $1,722,046. The reapportionment resulted from the survey conducted by the State Tax Commission following the appeals by Eveline township and the city of Charlevoix.

Bay township received the major increase within the county with the valuation being hiked $586,853 to $1,717,615; Hudson was next with an increase of $583,572 to $1,017,355 followed hy South Arm which showed an increase of $557,676 to $1,293,972; Hayes, $361,707 to $2,807,370; Evangeline, $333,570 to $1,185,320; Charlevoix, $305,582 to $1,828,808; Peaine, $195,647 to $510,765; Norwood, $111,749 to $769,833; Melrose, $105,175 to $2,986,444; St. James, $69,001 to $532,470, Chandler, $29,553 to $201,452 and Wilson, $1,995 to $873,328.

Boyne Valley's valuation was decreased $169,881 to $1,915,920 and Marion township's cut $156,698.

East Jordan's valuation was decreased $170,643 to $4,066,201 or 9.92 per cent of the county's total while Boyne City's was cut $81,391 to $5,057,978 or 12.34 per cent of the county's total

Following the hearing at which Robert A. Eckhardt, chairman of the tax commission, presided the board of supervisors voted 16 to 9 to accept the tax commission's revised valuations. However, a final hearing was scheduled for 7 p.m. Tuesday.

Sheldon Markle of the state office of the tax commission was also present for the hearing Monday Fred White, district supervisor, and Drew Young, field worker who had conducted the standardized survey in the county also attended.

In explaining how the survey was made, Mr. Eckhardt said that approximately 10 per cent of the county's 12,327 real and 823 personal tax parcels, or 1201 real and 240 personal tax parcels were sampled for a total of 1441 appraisals in all classifications.

In appealing to the tax commission following the April meeting of the board of supervisors, Eveline township and the city of Charlevoix claimed the 1961 state equalized valuation set at the meeting was unfair and discriminatory.

Chest Drive Collects 21% of Proposed Goal

With the first month of the 1951 Community Chest gone, the drive has netted only $2,360.17 or 21 per cent of the campaign goal of $10,742 Mrs. Jeannine Essenberg, fund campaign chairman, said Wednesday.

Unless you give, 12 agencies important to your community will suffer for their very operation is dependent on your generousity, she added.

Have you given your fair share to this year's drive? The answer in most cases is a big "NO" for if you have the drive would not be lagging, she continued.

What is your fair share? The answer to that is an easy one for you to figure for it is one full day's pay. If you make $100 a week before deductions for a five-day week then your 'fair share' is $20. You can figure your own 'fair share' on that basis and then ask yourself this question "Am I giving my fair share?"

Consider what your contribution helps pay for in this community . . . Boy Scouts, Girl Scouts, the services of the community nurse, skating in the winter and lifeguards on the beaches in the summer, a school for the retarded children of the community, Couriers sent to your serviceman without charge, emergency treatment including the costs of eye examination and similar services for indigent children, a place for youngsters to ski, plus all the services available through the Red Cross, Charlevoix hospital, Michigan United Fund, Salvation Army to name a few. Where else can you receive such interest on your investment?

Workers are asked to complete their calls and turn in their contributions or report them not later than Monday.

Study to Determine Characteristics of Good Teachers

The Charlevoix school system is one of 40 specially selected Michigan school systems participating in a study project, inquiring into the characteristics of a good teacher.

The study is being directed by the Teacher Education Project at Central Michigan University, a Project supported jointly hy the University and the Ford Foundation to discover hetter ways of educating teachers. Dr. Rolland A. Alterman is director of the study.

Taped interviews were conducted on Wednesday (November 1) with superintendent Roy G. Bennett, high school principal H. E. Bingham and elementary principal Glenn B. Snider.

The Charlevoix system is one of 22 Michigan school systems now in partnership with Central Michigan University in its Teacher Education Project. Partnership schools are selected because of their excellence to share responsibility in the educating of teachers. In return they are eligible to receive consultative and other services from the University.

Rev. Harold E. Kohn Re-appointed to County Welfare Bd.

The re-appointment of the Rev. Harold E. Kohn to the Charlevoix county Social Welfare Board for a three year term effective Nov. 1, 1961 and ending Oct. 31, 1964, has been announced.

The appointment was made by the Michigan State Department of Social Welfare. The Rev. Mr. Kohn was first named to the board earlier this year to fill the unexpired term of the late Frank Bird who had served on the board for 5½ years.

Charlevoix C of C Elects Directors

Three new directors were elected to the board of the Charlevoix Chamber of Commerce in the annual election conducted by mail, according to Paul Kohler, secretary-manager of the Chamber.

They are Richard Edwards, John Rathburn and Robert Hamilton who were elected for terms of three years.

They succeed Lee Moerland, Harold Totten and Fay Davis whose terms expired.

In announcing the results of the election, Mr. Kohler said that 137 ballots were mailed to Chamber members. Of this number 86 were returned and three of these were void.

Radio Activity Monitoring Class Draws Sixty-Nine

Sixty-nine residents turned out Tuesday night for the first of a series of classes in radio activity monitoring being offered by the Charlevoix County Civil Defense department headed by Gen. George B. Ely.

The classes will be held in the science room of the new high school at 8 p.m. for the next four weeks. Wallace Roeske Boyne City high school science teacher, assisted by Henry Lentz and Robert Richards of the local faculty, are offering the course.

Lt. Col. Joseph Siedel, deputy county director in charge of training organized the classes.

Coastguardsmen Release Motorship Aground at B. R. Pt.

Coastguardsmen from the Charlevoix Lifeboat Station were called out Sunday night to pull the 60 ft. motorship now known as the Grand Traverse Patrol Boat No. 2 off the rocks near Big Rock Point.

The craft, enroute to Charlevoix from Beaver Island where the owner, Forrest Montgomery of Traverse City, and a party of eight had spent the weekend, went aground in a heavy fog at 8:25 p.m. Sunday. The 40 ft. patrol boat was dispatched to the stricken vessel's assistance and after two hours succeeded in releasing the grounded craft from the rocks. The former North Shore, once owned by the Beaver Island Transit Co. then proceeded to Charlevoix under its own power.

Because of the heavy fog, the Coast Guard patrol boat had trouble locating the former North Shore. Assistance was given by Charlevoix County Sheriff Glenn E. Rose from his patrol car on shore.

Miss Richards and Gary Smith Marry in First Baptist Church

Seasonal flowers and leaves, greens and candelabra decorated the altar of the First Baptist church for the recent wedding of Elizabeth Dorothy Richards and Gary L. Smith.

The Rev. L. L. Lewis officiated at the double ring service in the presence of more than 100 guests. Mrs. Walker Miles, at the piano, played the traditional wedding marches and accompanied the soloist, Mrs. Doyle Warner, who sang "I Love You Truly" and "Always".

Parents of the couple are Ralph Richards of Calumet and the late Mrs. Richards and Mrs. Mary B. Smith of this city.

Given in marriage by her father, the bride selected a floor length gown of white satin fashioned with a fitted bodice, sweetheart neckline, long sleeves and a full skirt which ended in a chapel length train. Her fingertip veil fell from a seedpearl crown and she carried a cascade bouquet of miniature red roses and white mums.

Mrs. Clifford Brusso of Calumet, sister of the bride, was matron of honor and Carol Smith, sister of the bridegroom, bridesmaid. They wore identical gowns of brown brocaded satin and matching accessories and carried cascade bouquets of yellow and gold fall flowers.

Carmelita Brusso of Calumet, niece of the bride, was flower girl and Douglas Warner, cousin of the bridegroom, was ringbearer.

Douglas Reynolds assisted the bridegroom as best man. Ronald Coleman of Elk Rapids, cousin of the bridegroom, and Mr. Brusso, seated the guests.

Mrs. Smith mother of the bridegroom, selected a brown wool, suit, gold accessories and a corsage of bronze mums for the wedding.

A reception followed in the church parlors which were decorated in fall flowers and leaves.

The bride is a graduate of Calumet high school and northern Michigan College where she was affiliated with Beta Omega Tau sorority. She is presently teaching in the Charlevoix Elementary school. The bridegroom, a graduate of the Charlevoix high school and a veteran of four years in the U. S. Marine Corps, is a sophomore student at North Central Michigan College.

Cold Feet A Thing Of The Past

There will be no more cold feet for the school girls in Charlevoix this winter if Campbells have their way.

Mr. Campbell announces that the Boot Shop now has the Dobie Gillis Crazy Creepers, the worlds first line of fully insulated sneakers. Right now the school girls that tried them out are so crazy about the warmness, they refuse to take them off, even in the coldest days where the ordinary sneakers are really cold.

With the first snow fall, about half the kids in town will have the sniffles. With the fully-insulated sneakers, mothers will be happy to know that their girls can wear them right thru the winter in safety and comfort.

A new insulating material is the key to the new line of sneakers. They are water, snow and sleet repellent and a shock resistant arch support insures the best of sneaker fit.

Mrs. Farmer Observes 82nd Anniversary

Mrs. R .R. Farmer, well known local resident, observed her eighty-second birthday anniversary recently.

She was presented with a birthday cake, as well as many gifts and cards by friends and relatives. She is a patient at the Hyek convalescent home.

Carol Gunn Becomes Bride Of Mr. Rowlette at Wheaton, Ill.

Wurdack Chapel, Wheaton College, Wheaton, Ill., was the scene recently of the wedding of Carol Margaret Gunn and Edwin Rimer Rowlette.

Parents of the couple are Rev. and Mrs. Carl M. Gunn of this city and Mr. and Mr. Edwin W. Rowlette of Omaha, Neb.

Dr. Evan D. Walsh, chaplain of the college, officiated at the double ring service before an altar decorated in brown tone bouquets of seasonal flowers in the presence of more than 100 guests. Robert Neslund was the organist, Dr. James Kraakevik the violinist and Miss Genevieve Weide the vocal soloist.

The bride, given in marriage by her father, chose a gown of white slipper satin fashioned with princess lines for her wedding. Her veil was edged with lace which once belonged to her great grandmother and which was worn by her mother. She carried a bouquet of snowdrift and brown dot mums.

Margaret Ane Hillis of Wheaton and Los Angeles, as maid of honor, wore a gown of fall pink Chinese taffeta and a bronze mum tiara which matched her hand bouquet of the same flowers.

Paul Hess of LaMont, Ill., assisted the bridegroom as best man. Ushers were William H. Gunn of Charlevoix and Upland, Ind., brother of the bride, Clyde Tyson of DeKalb, Ill., and Cyrus Campen of Wheaton.

For her daughter's wedding Mrs. Gunn selected an apricot shantung dress and brown accessories complimented with a brown orchid corsage. Mrs. Rowlette, mother of the bridegroom, wore a plum crepe dress, white accessories and a corsage of plum and white orchids.

A reception followed in the room adjoining the chapel. Harriet Leubke and Gretchen Klatz, assisted by Darlene and Norma Klaar, poured.

Following a week's wedding trip to northern Michigan the couple will make their home at 430 N. President st., Wheaton, Ill. For traveling the bride wore a green wool jacket dress with leopard lapels and black accessories.

The bride is a graduate of Wheaton College. The bridegroom attended the University of Nebraska and Wheaton College and is an electronics engineer with Hallicrafters in Chicago.

V.F.W. Auxiliary To Hold District Rally November 7

Plans to attend the V.F.W District 13 Rally to be held at Posen Nov. 7 were made at the regular meeting of the V.F.W. Auxiliary at the post home Thursday evening.

The group also voted to contribute $15 to the Community Chest fund drive now underway.

Gen George B. Ely, Charlevoix county director of Civil Defense spoke to the 14 assembled members on the subject of Civil Defense and its importance. He also emphasized the need for planning and furnishing fallout shelters.

A social hour followed the business session.

Weathervane Inn to Remain Open All Year

The Weathervane Inn, located on the north bank of the Pine River will be open daily for both the luncheon and the dinner hours the management of the popular restaurant has announced.

Luncheon, including the special businessman's luncheon, will be served daily beginning at 11:30 a. m. The dinner hour opens at 5 p.m.

Earlier it had been announced that the Inn would be closed on Sunday but this plan was changed during the week.

Previous to 1663 all mail had to be called for at the postoffice.

Legion Auxiliary Prepares Gifts for Veterans Hospital

Plans to package and ship 17 gifts to the VA hospital Christmas gift shop in Battle Creek were made at the regular meeting of the American Legion Auxiliary held recently at the home of Mrs. John Johnson.

Plans also were made for a rummage sale to be held at the Legion Hall Nov. 17 and 18 and Thanksgiving gifts for patients at Grandvue hospital near East Jordan will be packaged at the organization's next meeting.

Arrangements were made for a potluck supper for Auxiliary and Legion members and their respective families to be held at the post home at 6:30 p.m. on Veterans' Day. Nov. 11.

Mrs. Johnson presented a report on the Lower 11th district Auxiliary Round-up held recently which she, Mrs. Martin Pedersen and Mrs. Luther Hannah attended. Mrs. Johnson was named public relations chairman and Mrs. George Hallam Pan American chairman for the district.

At the social hour which followed Mrs. Johnson and Mrs. Leo Allard served refreshments.

At some time during the past year one out of every four persons in the nation had to get along without any water.

Mrs. Wm. Ratigan Guest Speaker at Shakespeare Club

Mrs. William Ratigan, whose book, "Deep Water" published last week by a New York publisher, spoke on the subject of "Bibliotherapy, the science of guiding a child's reading' at the regular meeting of the Shakespeare Study club held recently at the home of Mrs. Roy L. Raymer at Norwood. Twenty-three members were present for the meeting.

Mrs. Ratigan will speak on the same subject in Flint Nov. 15 and 16 when she will address the fifth and sixth grade students and the Friends of the Library and at the Children's Book Fair in Detroit Nov. 27 to Dec. 10 under the sponsorship of Wayne State University.

Plan Dinner Dance To Benefit Child Guidance Clinic

Plans for a dinner dance at the Indian River Inn Nov. 11 benefiting the Child Guidance Clinic in Petoskey have been announced by the board of directors, sponsors of the event which is limited to 70 couples.

Tickets for the dinner dance are being sold locally by Mrs. Max Hosmer whose phone number is LI 7-9358.

Funds derived from the event will be used toward the purchase price of a house to be used as an office.

Professional personnel for the clinic which serves five northern Michigan counties is provided by the Michigan Department of Mental Health. However, office facilities and operational costs must be underwritten by the area served by the clinc.

Service at the clinic is available to any child 17 years and younger.

In Michigan, a pheasant hunter has less than a one-to-ten chance of shooting a cock bird older than half a year; roosters three years old or more are extreme rarities. Even on refuges where hunting is not a factor, annual pheasant losses of at least 70 percent are the rule. This, coupled with the pheasant's high productivity results in a big turn-over in each year's ringneck population.

English Teachers Attend Conference In Traverse City

Three members of the Charlevoix high school English department were in Traverse City Saturday to attend a conference for English teachers sponsored by the Michigan Council of Teachers of English and the Departments of English of Northwestern Michigan College and of the Traverse City high school.

They were Mrs. Harold E. Kohn, Mrs. Robert G. Martin and Mrs. Louis Courtade.

Dr. John Hepler, head of the English Department at Central Michigan University, was the principal speaker.

"What Happens to a Theme?" was the basis for a panel discussion headed by Mrs. Lila Wilkinson. Other features of the meeting was a demonstration on "Great Books Discussion Club" offered by a group from St. Francis high school in Traverse City.

Little Rayders Bow to Petoskey

The Charlevoix J-V squad finished their 1961 schedule Tuesday night with a four win—two loss record after dropping their second game of the season to the Petoskey Reserves by a score of 21 to 6.

Playing without the services of regular back Gary Stutzman who was injured on the first play of the game, the Rayders held the visitors to a 7 to 6 halftime advantage before bowing to the visitors who scored two touchdowns in the final period.

Charlevoix's single tally came in the second period on a 75 yard pass play from Dave Smith to Steve Bergmann.

During the season the Rayders racked up two wins over Boyne City Reserves and one each over East Jordan and Mancelons.

New High School Dedicated Sunday

(Continued from page 1)

Charles A. Duerr III, Charlevoix high school senior, speaking in behalf of the students, thanked the residents of the school district for providing such a beautiful school for the students and said that it made the students realize that the people had great pride in their community and their children. He went on to say that the students were fortunate to have not only a new school but a well planned cirriculum and dedicated teachers. In conclusion he advised the younger students to "naver take this building for granted for it means too much to many people and treat this building with care and respect."

H. E. Bingham, a member of the faculty for 33 years and principle for 27 years, welcome the guests, paid tribute to the people of the community who have become friends of the school and to former students for their "concentrated and consecrated work through the years" and introduced honored guests including Dr. Glenn Loomis of Traverse City, former teacher here and former superintendent of the Traverse City schools, now retired, Dr. Carl Spitler, former superintendent of the Petoskey schools, now retired and other guests including educators and former teachers.

Supt. of Schools Roy G. Bennett paid tribute to all those who had participated in various ways in making the new school a reality and introduced D. Nesbit.

Both the Rev. E. Francis Denay who gave the invocation and the Rev. George L. Majors the benediction invoked God's blessing on all those who would teach and learn in the new school and prayed they would know the blessing of peace while preparing for living.

The Rev. Harold E. Kohn as master of ceremonies said that the school was not the effort of one person but the combined efforts of a community just as a symphony orchestra is the combination of all instruments. He asked that the community continue to combine their efforts in the years ahead.

The flag was presented by representatives of the 310th Ordnance Co. headed by Capt. John Barkdoll.

The Charlevoix Community choir of more than 40 voices sang the moving "Battle Hymn of the Republic" under the direction of C. A. Odmark. Mrs. Leonard W. Burns was the accompanist.

A musical prelude was played by the Charlevoix high school band directed by Mr. Odmark.

A tour of the new building followed by refreshments served in the cafeteria by the P.T.A. headed by Mrs. J. L. Feindt.

Correction

In a recent issue of the Charlevoix Courier, it was stated that the Charlevoix County Assessment Equalization Department opened in May. The department, which had been given an appropriation of $10,400 last October, actually opened in January 1961 and will use only an estimated $6,000 of the appropriation during its first year of operation. As a result, an appropriation of $7,000 for the operation of the office was included in the 1961 budget.

Chevrolet Marks 50th Anniversary

A golden Chevrolet now displayed at the Charlevoix Oil Co., local Chevrolet dealer, commemorates the 50th anniversary of the Chevrolet Motor Car Co. Those old enough to remember the automobile industry in its infancy may recall that many looked upon the new car as just another product of a manufacturer trying to get in on the ground floor. Some prognosticators voiced their skepticism.

The company was started on shoe-string financing and an old garage building in Detroit was the factory. During the first five years there were less than 25,000 cars produced and sold. The company progressed and in 1918 became part of General Motors and in the year 1930, Chevrolet topped all passenger car sales. The company has claimed that record for every year since with the exception of the years 1935, 1957 and 1959.

Chevrolet Motor Company was incorporated Nov. 3, 1911 by William C. Durant, a Flint business man who first organized General Motors Co. He lost control of his youthful consolidation in 1910 and immediately started looking for a new vehicle with which to regain power in the automotive industry. The new automobile was designed by Louis Chevrolet, one of three French brothers who had gained worldwide fame as race drivers. The new car, named "Chevrolet," was put into production in 1912.

Charlevoix Oil Co., organized by Angus Fochtman and the late Albert Cook, joined the Chevrolet distributing force in 1933. Since then the local firm has had the exclusive franchise for all Chevrolet passenger cars and trucks. Mr. Fochtman has retired from active business and the firm is being managed by two of his sons, William (Bill) and Richard (Dick).

Rayders Down Grayling 53 to 20

* * *

Charlevoix to Host Title Clinching Boyne

The Charlevoix Rayders rolled over the Grayling Vikings by a score of 53 to 20 at Kipke field Friday night.

This week the Rayders will host the league leading Boyne City Ramblers in the final game of the 1961 season.

Friday's victory was the second of the season for the local squad who also have a tie with Harbor Springs to their credit plus three losses, leaving them in fifth place as the season goes into the home stretch.

The Charlevoix Rayders, playing without 8 players including seven regulars who were benched for disciplinary reasons were in control of the game most of the way with the exception of the third period.

The Rayders took the kickoff from Grayling and in nine plays moved the ball from their own 42 to the Grayling three with Stan Martin, Rick Kallmeyer and Frank Curtis carrying. With 6:39 remaining in the period, Martin went over from the three to score. Denny Wojan made it 7 to 0 with a conversion kick.

Charlevoix kicked off to the Vikings who fumbled on the play with Kallmeyer recovering on the Grayling 19. Kallmeyer then carried to the 7 from where Curtis went in to score. The conversion boot was blocked and the score remained 13 to 0.

Again the Rayders kicked off to the Vikings who picked up four yards putting the ball on treir own 32. On the next play Martin intercepted a Viking pass on the Grayling 42. The Rayders then moved the ball to the 16 where Wojan took a pitchout and went in to score. The kick was low and the score remained at 20 to 0 with 1:32 remaining in the first period.

Charlevoix kicked off to Grayling who took the ball on their own 25 and picked up a first down to the 36 as the period ended.

On the second play of the second period Dave Rader recovered a Viking fumble on the Grayling 28. Three plays moved the ball to the 11 from where Martin went over with 9:52 remaining, Wojan's conversion was good and the score remeined at 26 to 0.

On the second play from scrimmage after taking the Rayder kickoff on their own 16 Grayling's Tim Neal pitched a 20 yd pass to Tom LaMotte who traveled 60 yards to score with 8:37 remaining in the half.

Grayling kicked off to Charlevoix who were set back to their own 12 following a major penalty. On the second play from scrimmage Grayling recovered a Rayder fumble on the 13 and two plays later LaMotte went in to score. Gary Pettijohn plunged for the extra point.

Charlevoix took the Viking kickoff on their own 44, and picked up a first down to the Grayling 35 where a major penalty set them back to midfield. For the first time Charlevoix was forced to punt and Grayling took over on their own 25. On the next play the Rayders regained possession after recovering a Viking fumble on the 23.

With time running out Martin pitched to Curtis who scored on the 18 yard pass play with 1:17 remaining. Wojan kicked the conversion point as the score stood at 33 to 13.

On the first play from scrimmage following the kickoff, Charlevoix recovered a Viking fumble on the Grayling 39 and in five quick plays moved to the three when time ran out.

Charlevoix kicked off to open the second half, recovered a Viking fumble and scored on a 31 yard run only to have the TD called back because of a backfield in motion penalty. A pass from Martin to Wajan maved the ball to the Grayling 12 for a first down before the Vikings recovered a Rayder fumble.

The Grayling offense seemed fired up and started to roll, picking up four first downs to the Charlevoix 17. On the next play an illegal receiver took a Viking pass thus setting Grayling back to their own 30 yard line where Charlevoix took over on downs on the next play.

With Curtis carrying, the Rayders moved the ball to the Gaylord 40 where Kallmeyer went through the line to score his first touchdown as the quarter ended. It is interesting to note that the German exchange student had never seen a football game until coming here this fall. Martin ran the ball over for the extra point after taking a bad pass from center.

Charlevoix kicked off to Grayling to open the final period. The Vikings moved to the Rayder 35 where Martin intercepted a pass on the 39 yard line. The Rayders failed to pick up a down and Grayling took over after blocking a Rayder punt. A pass from Tim Neal to Tom Wright moved the ball to the Charlevoix 12 for a first down. Three plays later Chuck Kroll went over from the three and then ran the ball over for the conversion with 6:16 remaining.

Grayling kicked off to Charlevoix who moved the ball with Martin and Darrell Somerville carrying from midfield to the 27 where Grayling, took possession on downs.

Grayling advanced to the 44, recovered a fumble on their own 38 and ended up on their own 26 where the Rayders took possession. Doc Berg picked up a first down to the five and on the next play went in to score. Wojan booted the conversion with 48 seconds remaining.

Grayling took the kick off on their own 40 and were pushed back to the 28 before losing the ball on downs. Kallmeyer carried to the 17 for a first down. On the next play Berg pitched to Martin who went over to score as time ran out to make the score 53 to 20 after Wojan's attempt to run the ball over was halted.

This Week With Class "C"

The Northern Michigan Class C Conference will wrap up its 1961 grid schedule Friday night with Boyne City invading Charlevoix, Mancelona hosting East Jordan, Pellston traveling to Harbor Springs and Grayling entertaining Gaylord.

The league leading Boyne City Ramblers with a record of six straight wins clinched a share of the 1961 title Friday night and are expected to wrap it up in a neat package when they come here Friday night to take on the fifth place Charlevoix Rayders who have a record of two wins, one tie and three losses to their credit.

Charlevoix has been hurting all season from the lack of good tackling and speed in the backfield and though they will be trying to halt the Ramblers it is doubtful if they will be any match for the speedy backfield and hard hitting line that has kept Boyne City at the top of the heap all season.

A battle for second place will be in the making when East Jordan travels to Mancelona this week for the third place Ironmen will be out to topple the Jordanites and move into a second place tie with them. The Jordanites' single loss has been to Boyne City by a 27 to 7 score while the Ironmen have lost to the Ramblers (20-7) and Harbor Springs (25-19). East Jordan defeated the Rams by a score of 32 to 14.

This should be a very exciting and close game for the Mancelona outfit has developed into a smoothly operating team paced by halfback Kenny Johnson who rolled up an impressive 249 yds. in rushing in 12 tries against Pellston last week. East Jordan, on the other hand, has a versatile backfield that boasts plenty of depth.

On paper the Jordanites have an edge but Coach Matt Jacobson has a faculty for bringing the best in his players to the front when the chips are down and this could give the Ironmen a second place tie with the Jordanites.

It is interesting to note that the game will bring together teams coached by the dean of conference coaches, Mr. Jacobson, and his former student, Wes Fleet.

Without Ray Mehalec the Pellston Hornets seem to have lost their punch. Though the Hornets' game this week will mark the renewal of an old rivalry it is doubtful if they can do much against the Harbor Springs Rams who have had everything pretty much their way in recent games. The Rams, in fourth place with a three win-one tie-two loss record, will be defending this position against the sixth place Hornets and unless the latter can come through with something to halt Harvey Kasusge, Steve Graham, Jim Burdick and Garry Stutsman, all fine ball carriers and runners, the Rams should come through with a win.

Gaylord's single win has been over Pellston but they should end the season with another when they take on the last place Garyling Vikings this week. The Vikings have shown little on either offense or defense as they have remained in the league cellar all season.

ZONING ORDINANCE

NORWOOD TOWNSHIP
Charlevoix County, Michigan

An Ordinance to establish zoning districts and regulations governing the unincorporated portions of Norwood Township, Charlevoix County, Michigan, including the administration thereof, in accordance with the provisions of Act 184 of the Public Acts of 1943, as amended.

TOWNSHIP BOARD OF NORWOOD TOWNSHIP, MICHIGAN, ORDAINS:

ARTICLE I PREAMBLE

Section 1.01 TITLE

This ordinance shall be known as the "Norwood Township Zoning Ordinance."

Section 1.02 PURPOSE

The purpose of the Ordinance is TO:

Improve the public health, safety, morals and general welfare;

Promote the use of lands and natural resources of the township in accordance with their character and adaptability and in turn, limit their improper use;

Provide for the orderly development of the township;

Reduce hazards to life and property;

Lessen congestion on the public roads and streets;

Provide, in the interests of health and safety, the minimum standards under which certain buildings and structures may hereafter be erected and used;

Facilitate the development of an adequate system of transportation, education, recreation, sewage disposal, safe and adequate water supply and other public requirements.

Conserve life, property and natural resources and the expenditure of funds for public improvements and service to conform with the most advantageous uses of land, resources and properties.

Section 1.03 CONTINUED USE OF NONCONFORMING USES AND BUILDINGS

The lawful use of any land, building or structure existing on the date of enactment of this ordinance, although such use does not conform with the provisions of this ordinance, may be continued at the discretion of the owner.

ARTICLE II DISTRICTS

Section 2.01 KINDS OF DISTRICTS

For the purpose of this Ordinance, all of the unincorporated area of Norwood Township is hereby divided into the following Zoning Districts, the location of which Districts is shown on the accompany ZONING MAP OF NORWOOD TOWNSHIP.

(a) Residential Districts, R-1
(b) Agricultural Districts, A-1

Section 2.02 ZONING MAP OF NORWOOD TOWNSHIP

The Zoning Map OF NORWOOD TOWNSHIP and all information and proper notations shown thereon are hereby made a part of this Ordinance. Unless otherwise provided, the boundary lines of all zoning districts shall be interpreted as following along section lines or the division of sections such as quarter and eighth lines; or the centerlines of highways, streets and waterways; or the shoreline of water bodies; or the boundaries of incorporated areas, recorded plats or subdivisions; or property lines of legal record on the date of enactment of this ordinance, or any extension of said lines.

ARTICLE II RESIDENTIAL DISTRICTS, R-1

The following provisions shall apply to all Residential Districts, R-1:

Section 3.01 USES

No land shall hereafter be used for taverns or bars, or used car lots or junk yards, and no building or structure erected, altered or used for other than one or more of the following uses, except as otherwise provided in this Ordinance.

A. Primary (or Principal) Uses

1. Detached one-family or two-family dwellings.
dressmaking and millinery, and the sale of products produced on the premises by such handicrafts; and the office of a physician, surgeon, chiropractor, osteopath, dentist, teacher, architect, engineer, lawyer, magistrate, artist and other professional occupations, PROVIDED, however, that such occupations shall be situated entirely within the dwelling, and that there be no externally visible display of stock, goods, or facilities relating to the occupation on the premises, and that not more than one non-illuminated nameplate not exceeding one (1) square foot in area containing the name of the person and occupation be displayed. Barber shops, beauty parlors, tea rooms, tourist homes, animal shelters and hospitals, boarding houses and similar enterprises shall not be deemed a home occupation.

3. Farms on land areas of ten (10) acres or more.

4. Accessory buildings, structures and uses customarily incidental to any of the above uses when not constituting a nuisance.

Garages or buildings shall be for use of the occupant only. Attached garages shall be deemed a part of the dwelling or other main building and as such shall conform to all setback and yard requirements governing such buildings.

B. Uses by Special Permit (See Section 6.03)

1. Churches; schools; libraries; parks; playbrounds; clinics; sanitariums; convalescent homes; community-center buildings; publicly-owned buildings; public utility buildings; truck gardens; nurseries; land areas of two (2) or more acres for raising and housing a limited number of livestock, but not including hogs, dog kennels, horses and similar animals.

2. Stores and shops for the conduct of generally recognized retail businesses when conducted within buildings having a roof and four sidewalls.

3. Personal service, shops, such as barber shops, beauty parlors, shoe and tire repair shops; laundry and dry cleaning pickup shops.

4. Professional offices; showrooms; motels; cabin parks.

5. Banks; restaurants; hotels; dressmaking; tailor; millinery and photographic shops; sales rooms; undertaking establishments; dance and recreation halls; publicly-owned buildings; public utility buildings.

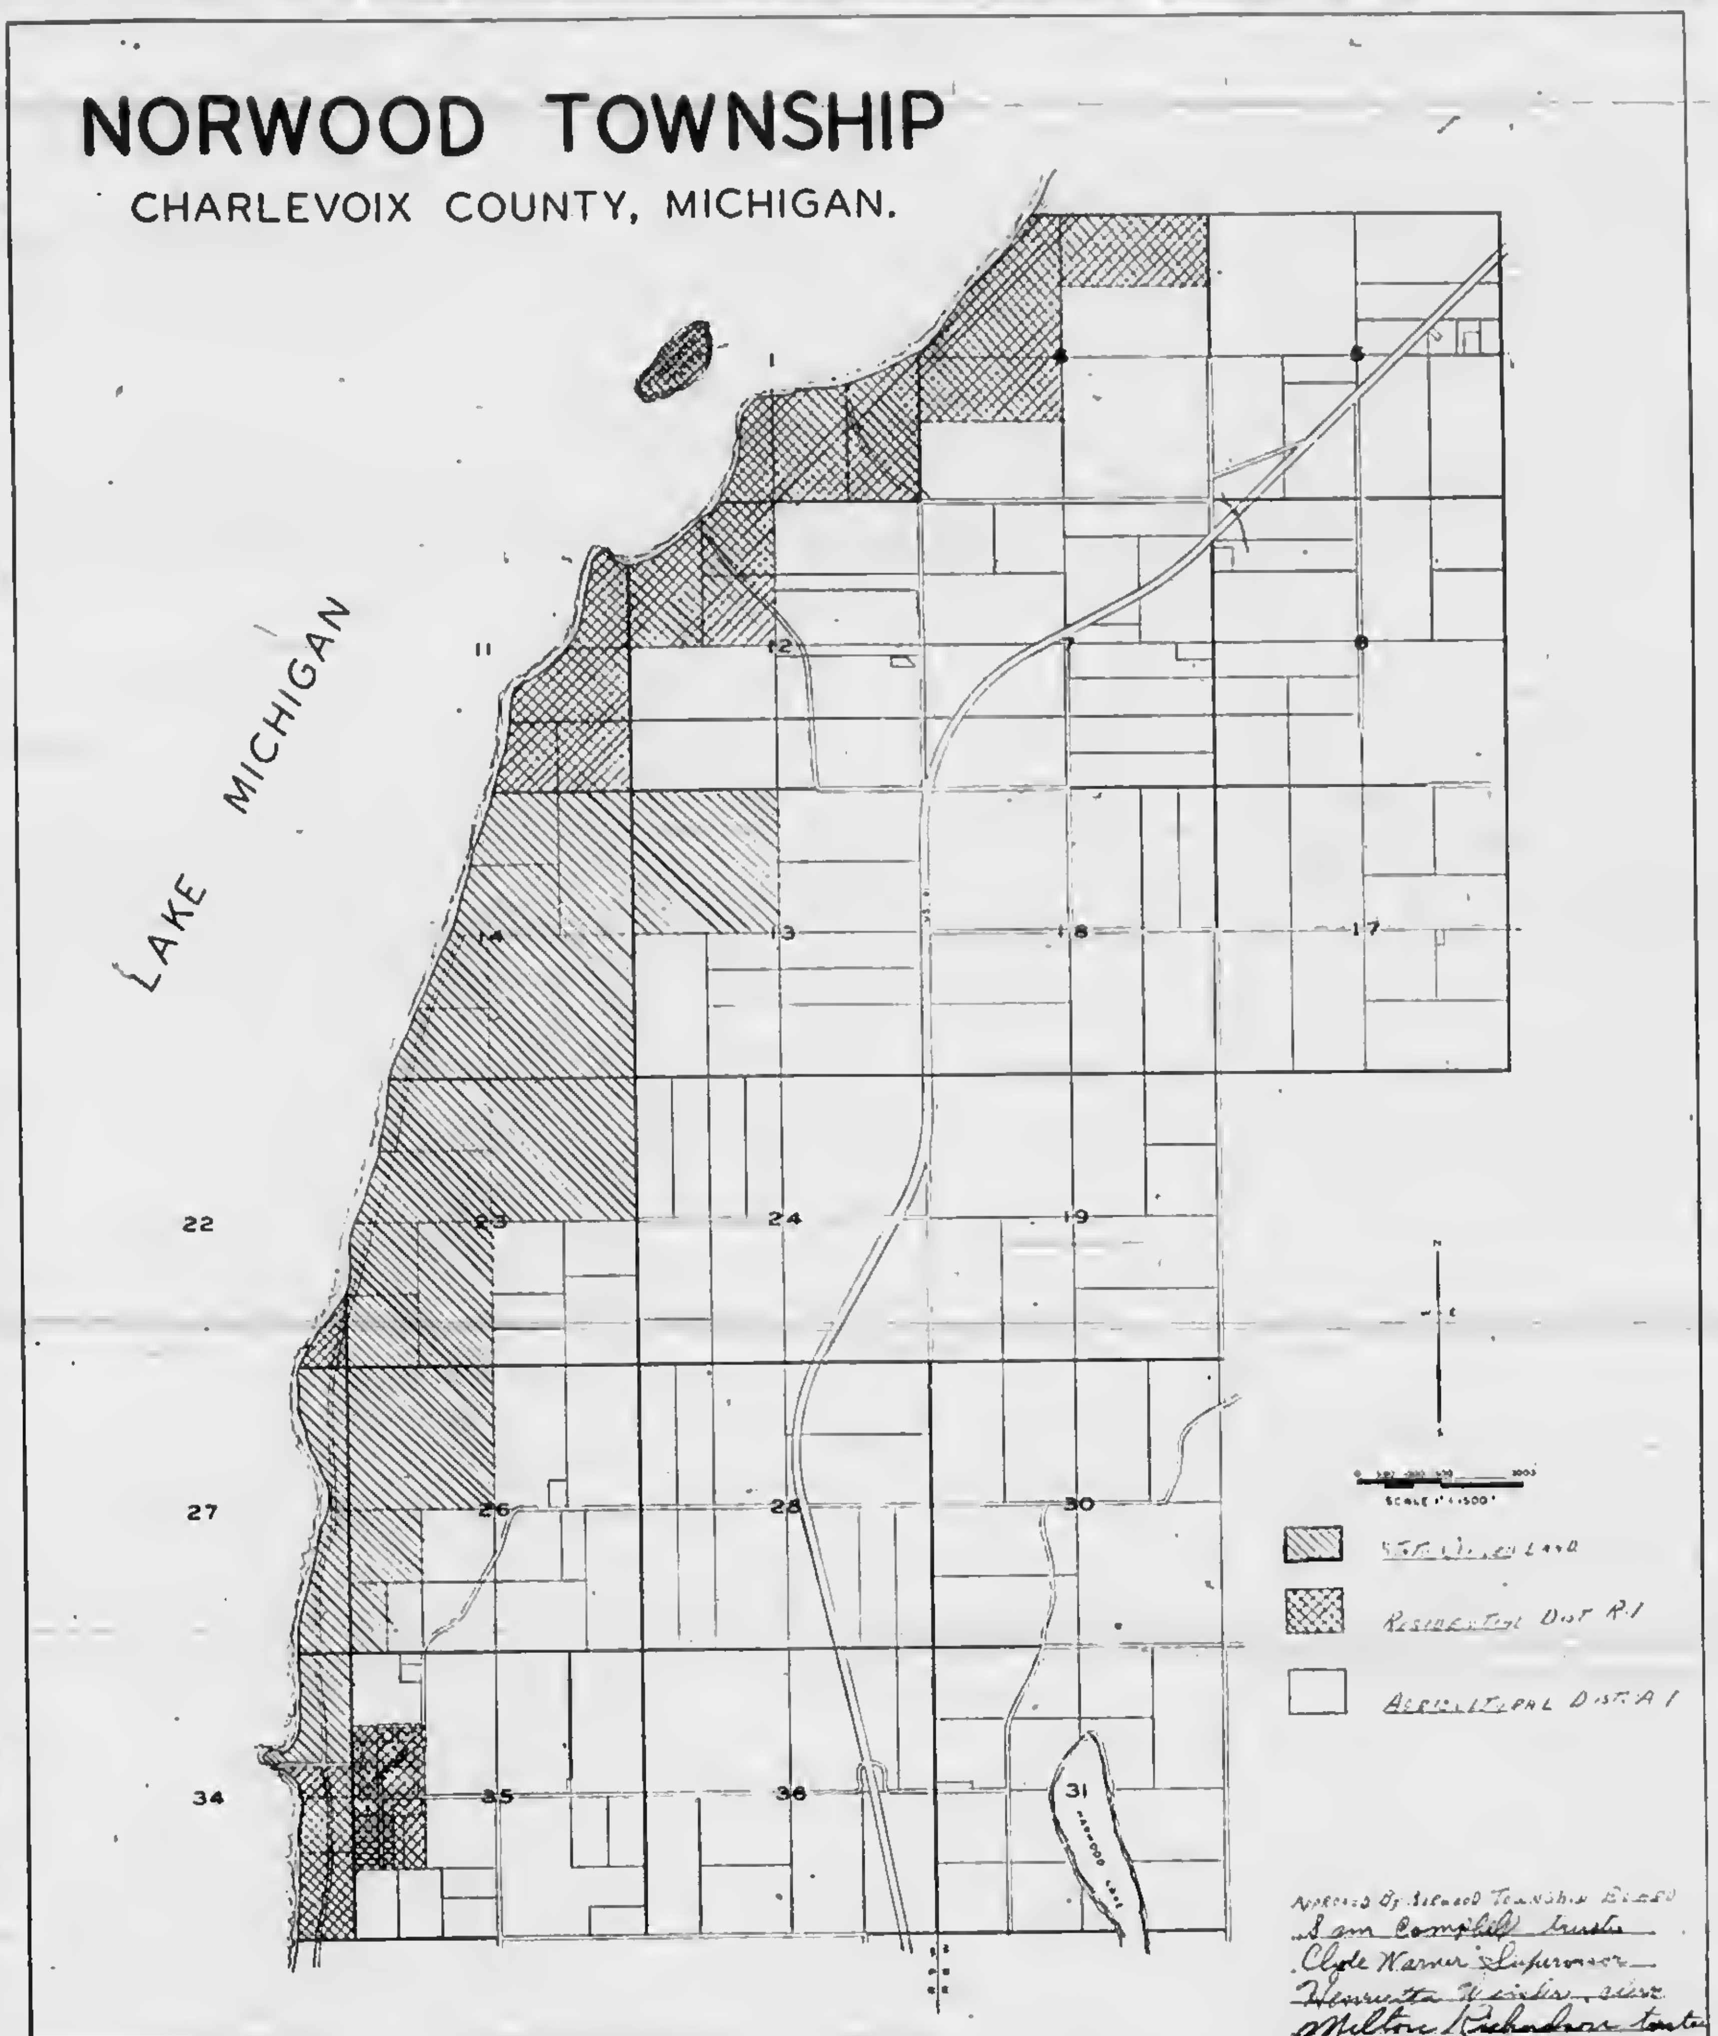
6. Establishments located within buildings for the repair, alteration, finishing assembling, fabrication or storage of goods primarily for the local or retail sale on the premises, PROVIDED, there is not therewith the operation of any activity or the storage or display of goods in such manner as to be obnoxious by reason of odors, fumes, dust, smoke, noise, sight or vibration.

7. Telephone exchanges and substations without service or storage yards, community clubs, fraternal lodges and similar civic and social organizations when not operated for profit.

8. Theaters and other places of amusements and recreation.

9. Any other uses similar in character to the above uses when not obnoxious or offensive to the locality by reason of emmission of odors, fumes, dust, smoke, waste vibration, sight or noise.

10. Gasoline and oil service stations; garages; motels [illegible] cleaning establishments



11. Warehouses and Storage Buildings.

12. Outdoor advertising signs, PROVIDED, however, that in the event such sign exceeds fifty (50) square feet in area, the location thereof shall be approved by the Board of Appeals as in conformity with Section 1.02.

Section 3.02 SIZE OF PREMISES

1. Every parcel of land upon which a one-family dwelling is hereafter erected shall contain not less than ten thousand (10,000) square feet, and not less than twenty thousand (20.000) square feet for a two-family dwelling. Such parcel shall not be less than one hundred feet in width throughout its depth when only a one-family dwelling is erected, and not less than two hundred (200) feet for a two-family dwelling.

2. The minimum size of parcel required for other permitted or approved uses including accessory uses thereto shall be determined by the Zoning Board as may be reasonable for such use and be in conformity with Section 1.02, upon written application to the Board. The Board may hold a public hearing upon the application before action thereon.

Section 3.03 FLOOR AREA

1. Every one-family dwelling hereafter erected (or altered) shall contain not less than five hundred (500) square feet of floor area at the first floor level exclusive of any area in an attached garage, open porch or other open attached structure.

2. Every two family dwelling hereafter erected (or altered) shall contain not less than sixteen-hundred (1600) feet of floor area exclusive of any area in an attached garage, open porch or other open attached structure.

3. The minimum floor area for other permitted or approved building shall be determined by the Zoning Board as may be reasonable for the use of such buildings and be in conformity with Section 1:02, upon written application to the Board. The Board may hold a public hearing upon the application before action thereon.

Section 3.04 SETBACK AND YARDS

1. Setback. The front line of every building hereafter erected (or altered) shall be located not less than twenty-five (25) feet from the highway-right-of-way line or front lot line as the case may be. Where more than fifty (50) percent of existing buildings on either side for a distance of three hundred (300) feet of the proposed building are set back less than twenty-five (25) feet, then the proposed building may be set back not less than the average setback of such existing buildings.

2. Side Yards. Every building hereafter erected (or altered) shall have a side yard on each side not less than ten (10) feet in width. In the event a building is erected on a lot in a plat officially recorded prior to the date of passage of the Ordinance and of lesser width than fifty (50) feet, the side yards of any building erected thereon may be reduced to three (3) feet but not less than three (3) without approval of the Board of Appeals as within the purpose of Section 1.02. The exterior side yard of a building erected on a corner lot shall not be less in width than the setback required of buildings fronting on the intersecting highway.

3. Rear Yards. Every dwelling hereafter erected (or altered) shall have a rear yard no less than ten (10) feet in depth. The rear yard requirements of all other permitted or approved buildings hereafter erected (or altered) shall be determined by the Zoning Board as may be reasonable for the use of such building and be in conformity with Section 1.02 upon written application to the Board. The Board may hold a public hearing upon the application before acting thereon.

Section 3.05 HEIGHT OF BUILDINGS

No building shall hereafter be erected (or altered) exceeding a height of thirty (30) feet unless approved by the Board of Appeals as within the fire fighting facilities of the township, upon written application of the owner of the premises.

ARTICLE IV AGRICULTURAL DISTRICTS, A-1

The following provisions shall apply to all Agricultural Districts A-1:

Section 4.01 USES

tion. If it shall appear that the proposed extension will not be in accord with any provision of Section 1.02, then such application shall be denied.

(b) Discontinuance of Nonconforming Use. If the nonconforming use of any parcel of land, building or structure is discontinued or abandoned through vacancy, lack of operations or otherwise for a continuous period of twelve (12) months, then any further use thereof shall conform to the provisions of this Ordinance.

(c) Changes of nonconforming uses. The nonconforming use of any parcel of land, building or structure shall not be changed to any other nonconforming use, nor shall any use be reverted to the former nonconforming use after such use has been changed to a conforming use.

(d) Repair and Improvement of Nonconforming Buildings and Structures. Nothing in this Ordinance shall prevent such repairs or improvements of a nonconforming building or structure existing on the date of enactment of this Ordinance as may be necessary to secure continued advantageous use thereof during its natural life, PROVIDED, such repair or improvement includes no enlargement or change of Approval as hereinafter provided.

(e) Restoration and Use of Damaged Nonconforming Buildings and Structures: Nothing in this Ordinance shall prevent the reconstruction, repair or restoration and resumption of use of any nonconforming building or structure damaged by fire, collapse, explosion, act of God, or acts of the public enemy following the effective date of the Ordinance, PROVIDED, That such reconstruction, repair or restoration is completed within twelve (12) months following the damage.

(f) Completion of Nonconforming Buildings and Structures. Nothing in this ordinance shall require any change in the construction or intended use of a building or structure the construction of which shall have been diligently prosecuted within thirty (30) days after the passage of this Ordinance, and the construction of which shall have been completed within twelve (12) months after said date.

Section 5.04 GENERAL LOT AND YARD LIMITATIONS

(a) Non-Duplication. In determining lot and yard requirements, no area shall be counted as accessory to more than one dwelling or main building or use, and no area necessary for compliance with the open-space requirements for one building or use shall be counted in the calculation or requirements for any other building or use.

(b) Front and Side Yard Uses. Every part of every front and side yard shall be open and unobstructed from the ground up to the sky, except for unenclosed porches; chimneys, pilasters, sills, belt courses, cornices, eaves and gutters. PROVIDED, that no such structure shall project more than twenty-four (24) inches into any yard.

(c) Dwellings Per lot. No more than one (1) dwelling shall be erected on any lot or parcel of land, PROVIDED, that there the principal use of the land is for general agricultural purposes, one (1) additional dwelling may be erected for hired persons employed on the farm or for the use of persons directly related to the owner of the farm.

(d) Accessory buildings. All accessory buildings not attached to the main building shall be not less than ten (10) feet from the principal building and not less than ten (10) feet from any side lot line.

Section 5.05 HOUSE TRAILERS

1. See Michigan Laws, Act 172, P.A. 1958 regulations houses trailers.

Section 5.06 MOTELS AND OVERNIGHT CABINS

Health, Fire and Traffic Protective Measures.

(a) Every motel and overnight cabin hereafter erected (or altered) shall be provided with an adequate supply of safe and sanitary water, with adequate and safe sewage, garbage and rubbish disposal facilities; approved by the Dist. Department of Health No. 3. Every motel and cabin shall be provided with adequate and safe lighting facilities, and if cooking or space-heating facilities are provided, the same shall conform to standards of material, construction and installation generally recognized as safe. Such facilities may be provided separately with each cabin or motel unit or in common with two (2) or more cabins or units.

(b) Every cabin shall be separated from every other cabin not less than eight (8) feet, and all walls common to and separating motel units from each other be adjacent rooms shall be fire-resistant. No cabin, motel or other building shall be located less than ten (10) feet from the rear or side lines of the premises, and no less than twenty-five (25) feet from any abutting highway.

(c) Every overnight cabin and sleeping room of motels shall provide no less than two hundred (200) square feet of floor area exclusive of that used for space-heating, cooking or sanitary facilities.

Section 5.07 WATER SUPPLY AND SEWAGE DISPOSAL FACILITIES

Every building hereafter erected, altered or moved upon any premises and used in whole or in part for dwelling, recreational, business, commerical or industrial purposes, including churches, schools and other buildings in which persons customarily congregate, shall be provided with a safe and sanitary water supply system, and with means for collecting and disposal of all human excreta and of all water-carried domestic, commercial, industrial, and other wastes that may adversly affect health conditions. The written approval of such facilities by the District Dept. of Health, No. 3 Charlevoix, shall be filed with application for a Certificate of Approval as hereinafter provided. All plumbing work shall conform to the standards of material and installation of the Michigan State Plumbing Code.

Section 5.08 VEHICULAR PARKING SPACE AND ACCESS THERETO

(a) For each dwelling, business, commerical, industrial or similar building hereafter erected or altered, and located on a public highway in the township, and including buildings or structures used principally as a place of public assembly, there shall be provided and maintained suitable space off the public right-of-way that is in general adequate for the parking or loading and unloading of vehicles, and such space shall be provied with safe exit to and safe entrances from the public thoroughfare. Such exits and entrances may be combined or provided separately. Approval of the location of such exit and entrances shall be obtained in writing from the County Road Commission which approval shall include the design and construction thereof in the interest of safety, adequate drainage and other public requirements.

Section 5.09 GRADING

No premises shall be filled or graded so as to discharge surface runoff on abutting premises in such a manner as to cause ponding on surface accumulation of such runoff thereon.

Section 5.10 PUBLIC UTILITY BUILDINGS AND STRUCTURES

The erection, alteration, maintenance and operation of public utility and structures, and of power, communication, supply, disposal, distribution and similar public utility facilities, including accessories essential therewith as authorized and regulated by law shall be permitted in every zoning district, it being the intent thereof to exempt such buildings, structures and systems from the application of this Ordinance when not in conflict with the provisions of Section 1.02. When in conflict the Board of Appeals shall have power to determine reasonable conditions under which such facilities shall be erected.

Sections 5.11 FARM BUILDINGS AND STRUCTURES

All buildings and structures customarily erected and used on farms in the township, except dwellings, shall be exempt from the provisions of this Ordinance, PROVIDED, however, That no such buildings or structures other than a temporary garage during the wintertime shall hereafter be erected less than twenty-five (25) feet from the highway right-of-way line, or less than ten (10) feet from any side line of the premises.

ARTICLE VI ADMINISTRATION AND ENFORCEMENT

Section 6.01 ZONING ADMINISTRATOR

The provisions of this Ordinance shall be administered and enforced by a Township Zoning Administrator, appointed by the Township Board for such term and subject to such conditions and at such rate of compensation as said Board shall determine as reasonable. For the purpose of this Ordinance, he shall have the power of a police officer

Section 6.02 CERTIFICATION AND APPROVAL AND COMPLIANCE

1. No building or structure subject to the provisions of this Ordinance shall hereafter be erected, altered, reconstructed, used or moved on any premises until application for a Certificate of Approval has been filed with the Township Zoning Administrator on duplicate forms provided by the Township and the Zoning Administrator has issued such a certificate. No such Certificate shall be required for any lawful use of any building or structure in effect at the time of passage of this Ordinance.

2. The application shall be signed by the owner of the premises or his agent and shall certify that all provisions of this Ordinance and other applicable laws and requirements are to be complied with. The application shall be filed not less than ten (10) days prior to the intended initiation of any work on the premises, and shall be accompanied by:

(a) A blueprint or pen and ink sketch to scale in duplicate showing the location and dimensions of the premises including the boundary lines of all parcels of land under separate owership contained therein; the size dimension, location on the premises, and height of all buildings or structures to be erected or altered; the width and alignment of all abutting streets, highways, alleys, easements and public open spaces; the front yard dimension of the nearest building on both sides of the proposed building or structure; the location and dimensions of sewage disposal facilities both on adjoining lands or lots and to be erected on the premises under consideration; and the location of all wells on adjoining lands or lots to be erected on the premises;

(b) Such approvals of other agencies as may be required by this Ordinance.

(c) Such plans and specifications as may be required by the Township Building Code; and

(d) Such other information as may be required to determine compliance with the Ordinance.

3. Whenever the building, structure or uses as set forth in the application are in conformity with the provisions of this Ordinance, and the Township Building Code, the Zoning Administrator shall issue the owner a Certificate of Approval within ten (10) days of the filing thereof. Where action of the Board of Appeals is required in any case, the Zoning Administrator shall issue such Certificate within ten (10) days of such action. In any case where a Certificate is refused, the cause shall be stated in writing to the applicant. No permit shall be transferable.

4. Any Certificate of Approval under which no work is done within twelve (12) months from the date of issuance shall expire by Limitation; but shall be renewable upon re-application and on payment of one-half (½) of the original fee, subject, however, to the provisions of all Ordinances in effect at the time of renewal:

5. The Zoning Administrator shall have the power to revoke or cancel any Certificate of Approval in case of failure or neglect to comply with the provisions of this Ordinance, or in the case of false statement or misrepresentation made in the application. The owner shall be notified of such revocation in writing.

6. Within ten (10) days after receiving written notification of compliance with the provisions of this Ordinance. the Zoning Administrator shall inspect the premises and issue the owner a Certificate of Compliance if the building. structure and use are in conformity with the Ordinance.

7. For each Certificate of Approval, the following fees shall be paid to the Township treasurer who shall place the same in a separate fund to be known as the Norwood Township Zoning Ordinance Fund, which fund shall be used solely for the administration of the Ordinance as directed by the Township Board. No Certificate shall be valid until the required fees have been paid. No separate fee shall be required for accessory building or structures when application therefor is made at the same time as the principal building or structure. No fee shall be required for a Certificate of Compliance.

For dwellings and other structures except industrial: five ($5) dollars for the first ten-thousand ($10,000) dollars of cost or part therof. Ten (10) dollars for any dwelling costing more than ten thousand ($10,000) dollars.

For all additions to original industrial buildings and structures considered new buildings; one ($1) dollar per thousand or part thereof, but not more than one hundred ($100) dollars.

For all remodeling, alterations, etc, costing less than five hundred ($500) dollars, no fee will be charged, but a building permit shall be obtained for inspection purposes.

8. It shall be the duty of all architects, contractors and other persons having charge of erection, reconstruction or movement of a building or structure, subject to the provisions of the Ordinance, before undertaking any such work to determine that proper certificate has been granted therefor; and all such persons performing any work in violation of the provisions of this Ordinance shall be deemed guilty of violation in the same manner and to the same extent as the owner of premises.

Section 6.03 USES BY SPECIAL PERMIT

A. General Requirements

Uses by Special Permit, where provided, shall be subject to the requirements of this section in addition to the requirements and standards of the Zoning District wherein located to prevent conflict with or impairment of the principal uses thereof. Such uses shall be deemed to possess characteristics of such unique form to the district that each shall be considered as an individual case.

B. Specific Requirements

Fortuna - Goss Vows Spoken in St. Alphonsus Church

St. Alphonsus church in Grand Rapids was the scene Saturday of the wedding of Joan Marie Fortuna of Grand Rapids and William Charles Goss of Saranac.

Parents of the couple are Mr. and Mrs. John E. Fortuna Sr. of Sand Lake and Mr. and Mrs. William E. Goss of this city.

The Rev. Thomas O'Conner C.S.S.R. officiated at the service before an altar decorated with arrangements of white gladioli and pompoms.

Given in marriage by her father, the bride selected a floor length gown of white taffeta for her wedding. Fashioned with a fitted bodice, scoop neckline appliqued with Alencon lace and long tapered sleeves, the gown featured a full skirt with a redinyole effect front outlined in lace, a bow back and chapel length train. A princess crown of seedpearls secured her bouffant veil of bridal illusion. She carried a cascade bouquet of gardenias.

Mrs. Richard Glemboski of Grand Rapids, sister of the bride, as matron or honor and Mary Ann Fortuna of Comstock Park cousin of the bride, as bridesmaid wore identical street length sheaths of iridescent Kelly green taffeta fashioned with matching overskirts and head bows. They carried cascade bouquets of bronze pompoms and wheat.

Ervin S. Smith of Saranac assisted the bridegroom as best man. Leon Miller, also of Saranac, was groomsman. Frank Griffin Jr. of Lowell and Robert Grummet of Pierson cousins of the bride, seated the guests.

Mr. and Mrs. William Millering of Grand Rapids, uncle and aunt of the bride and Mr. and Mrs. Benjamin Tower of Saranac, cousins of the bridegroom, were master and mistresses of ceremonies.

A breakfast and reception followed at the Polish Falcons' hall in Grand Rapids. After a northern Michigan wedding trip the couple will make their home in Saranac.

In Grand Rapids for the wedding were Mr. Goss Sr., Mr. and Mrs. Robert Goss and family, Mr. and Mrs. Gerald Goss and family and Mr. and Mrs. Shelby Goss and family.

Nancy Lee McDermott and John Henry Currier Jr. Marry

Mr. and Mrs. John Henry Currier Jr. have returned from a wedding trip to Cleveland, Ohio, to make their home at 218½ Mason st. While in Cleveland the couple was honored at a reception for relatives and friends hosted by the bridegroom's parents, Mr. and Mrs. John H. Currier Sr.

The bride is the former Nancy Lee McDermott, daughter of Mr. and Mrs. Robert McDermott.

The couple was married Oct. 21 at a double ring ceremony performed by the Rev. George L. Majors at the Community Church of God in the presence of more than 100 guests. Seasonal flowers and lighted tapers formed a setting for the service. Miniature wedding bells and white satin bows marked the pews. Mrs. William Kerr was the organist. Mr. and Mrs. Glenn Bearss aang.

The bride, escorted to the altar by her father, selected a ballerina length gown of white lace, satin and net for her wedding. Fashioned with a fitted lace bodice, scoop neckline and three-quarter sleeves, the bouffant skirt was of tiered net over aatin. A seed-pearl crown secured her fingertip veil. She carried a bridai bouquet of red and white roses.

Mrs. William Slade of Flint, sister of the bride, was matron of honor, wore a rose flowered dress and flower hat and carried a gouquet of white mums. Mary Lou Currier of Cleveland, sister of the bridegroom, wore a pink and lilac flowered dress with a hat of the same colored flowers and carried white mums.

Kathy McDermott of East Jordan, niece of the bride as flower girl, wore a pink dress, matching flowered hat and carried pink fall flowers. Butch McDermott of East Jordan, nephew of the bride, was ring bearer.

Gary Armstrong assisted the bridegroom as best man. Joseph McDermott and Robert McDermott Jr., brother of the bride, seated the guests.

Melvin Holborn, cousin of the bride, and Robbie McDermott, brother of the bride, lighted the candies.

Mrs. McDermott selected a gown of white lace and black velvet and matching accessories for her daughter's wedding. Mrs. currier, mother of the bridegroom, wore a brown flowered dress and matching accessories. Their corsages were of sweetheart roses. A reception followed at Fellowhip hall. Assisting were Elsie DeJonge, Mrs. Don Falting, Mrs. Currier, Mrs. Gary Armstrong and Mrs. Gerald Burke.

For traveling on their wedding trip the bride wore a green sheath and black coat and accessories.

The bride attended the Charlevoix high school. The bridegroom is a graduate of Brush high school in Cleveland is presently serving aboard the U. S. Coast Guard cutter Sundew stationed in Charlevoix.

Donald D. Kinsey, coordinator of Education and Research, Michigan Farm Bureau spoke on "Censorship and Thought Control" at the fall District 10 West meeting of the Farm Bureau Women held at Topinabee in Cheboygan county Wednesday.

Mrs. Marge Karker, coordinator of Farm Bureau Women's activities in Michigan, addressed the afternoon session, calling attention to the state meeting to be held in Lansing Nov. 8.

At the close of the meeting Mrs. Vernon Vance of East Jordan, who had presided at the conference, presented the gavel to her successor, Mrs. Thomas Wieland of Charlevoix. Mrs. Wieland then presented Mrs. William Nulph of Boyne City, vice chairman and Mrs. Godfrey McDonald of Advance, secretary-treasurer.

At the business session, Mrs. Fred Kretchman of Cheboygan was named district delegate and Mrs. William Parsons of Charlevoix, her alternate, to the American Farm Bureau convention to be held in Chicago early next month.

Mrs. Cecil Randell of Bay View, Washington is spending a few days with her brother and sister-in-law, Mr. and Mrs. Joseph Williams.

Charlevoix the Beautiful will be more beautiful next summer, thanks to the efforts of Girl Scout Troop 2 whose leader is Mrs. Jack Rader.

The troop planted bulbs in boulevard islands and other plots as a community improvement project necessary to earn a First Class Badge. The project to which the Scouts gave an 'assist' is one sponsored around the calendar by the Garden Club.

Pictured working on the project at an island at Mercer Blvd. and Chicago ave. are (l to r) Susie Staley, Callie Gallagher, Mrs. Rader, Diane McKenzie, Paulette Hansen, Linda Supernaw, Susan Bacot and Pat Munchbach.

Mobile Unit to Begin Hearing Tests Monday

The mobile testing unit of the Michigan Association for Better Hearing will be in Charlevoix Monday for two days under the sponsorship of the District Health Department No. 3 and the Association for Better Hearing.

The unit will be located at the junction of State st. and Mason st. for the convenience of those residents over 18 years who want to take advantage of the free hearing tests.

The major purpose of the testing program is to locate individuals with hearing loss so that appropriate recommendations can be made. Early hearing loss frequently goes unnoticed or is ignored but prompt medical and test attention can often prevent serious deafness Dr. A. F. Litzenburger, director of District 3 said in urging everyone to take advantage of this opportunity. For this reason all residents are urged to take the short test.

The mobile unit will be in Charlevoix Monday and Tuesday of next week and will be open for testing from 10 a.m. to 6 p.m. during its stay here.

On Wednesday it will be at Boyne City, en Thursday at Boyne Falls and on Friday and Saturday in Petoskey for two days. With the exception of Friday when it will be open from 1 to 9 p.m., it will be open from 10 a.m. to 6 p.m.

Beginning Nov. 20 through the remainder of the month it will be in Emmet county.

Masonic Rites Held Wednesday For W. B. Marshall

William B. Marshall, 84, former local resident, died Monday at the home of his daughter, Mrs. Walter Roblyer in Paris, Tenn., where he had lived in recent years.

Masonic graveside services were held Wednesday at Brookside cemetery.

Born in 1877, Mr. Marshall was reared here and made his home here until moving to Lansing about 1920. He lived there until his retirement when he went to Paris, Tenn. He was a life member of Charlevoix lodge No. 282, F & A.M. His wife, the former Effie Weatherwax preceded him in death.

Surviving is his daughter, Mrs. (Bernice) Roblyer of Paris, Tenn.

Airport and Waterfront Major Issues

Proposed waterfront improvement and the airport were major topics discussed at the regular meeting of the city council Monday night.

A representative of the Scott Engineering Co. of Alpena which has assisted in the past with the waterfront improvement program financed on a matching fund basis with the Michigan Waterway Commission was present to discuss the plans for Priority No. 3, the 1962 section of the program. He will report later with recommendations for the project.

Revised plans for the airport expansion program which included minor changes in the runway direction recommended by the Michigan Department of Aeronautics were discussed before the council gave its approval to a resolution to the agreement entered into with the Crescent Stone Co. which owns property adjacent to the airport. The council had earlier approved several exchanges of property with the company and authorized the city to enter into an agreement with the company, a subsidiary of the Medusa Cement Co. with headquarters in Cleveland.

Frank M. Oleksy appeared to ask if the city would continue to furnish electricty and water to the Retarded Children's Center at its new location on West Hurlbut ave. The council approved a resolution continuing the service.

Delegates from the Shapespeare and Dickens Study clubs appeared before the council to discuss the public library situation and ask what support could be expected from the city. The situation was discussed but no commitments made.

Bills totaling $24,554.87 were approved and ordered paid. The amount included a payment of $9,058.50 for fuel oil; payments of $1,865.72 and $1,546.47 for fire, fleet and comprehensive liability insurances; and a payroll of $7,031.36.

Junior Bowlers to Organize League

Leagues for junior and senior bowlers will be organized Saturday morning at the Paul Bunyan Lanes, the management has announced.

Junior league teams which include 7th, 8th and 9th graders will meet at 10 a.m. Senior leaguers will meet at 11 a.m. Teams for each league will be organized at these meetings. Those interested in bowling should report at the meeting scheduled for their age group.

Teams playing in these leagues are automitically affiliated with the American Bowling Congress and qualifying teams are eligible to enter state and national competition.

Clinic Plans Told At Directors Meeting

Ralph Walton of the State Department of Mental Health spoke before the board of directors of the Petoskey Child Guidance Clinic recently regarding the new all-purpose clinic plans being studied by the legislature and mental health groups in several child guidance clinics.

The proposed plan would institute the treatment of adults in existing area clinics using consultant, in-patient, out-patient and after-care for the treatable and trainable thus putting into action the theory that mental treatment is a community rather than a state problem. The board gave its unanimous approval to the proposal and to expanding present facilities into an all-purpose clinic as soon as necessary legislation and funds permit.

Robert Gillispie, director of the clinic, suggested that groups within the area served by the Petoskey clinic be asked to assist with a fund to be used for a Christmas tree and small gifts for children served at the clinic.

Mrs. Guy Lawrie of Petoskey reported on a benefit dance to be held at the Indian River Inn Saturday with Gig Stewart's orchestra playing for dancing.

The meeting was held at the former clinic offices. Plans for the clinic's new quarters at 603 E. Lake st. were discussed. Dr. Thomas Kirk presided at the meeting.

Morweld Awarded U. S. Navy Contract

Morweld Steel Products Corp. of Ellsworth has been awarded a $560,000 contract for the manufacture of an underwater sound signal by the U. S. Navy.

The devise is to be used in conjunction with submarine detection equipment according to Maurice M. Taylor, president of the company. It is expected to have production started on the new contract early next year.

The firm located in Ellsworth in 1951 and its principal product was flanges, legs and leg brackets for all types of oil tanks. Production eventually was extended to other lines and in recent years the firm has been filling various government orders.

Dist. Democrats Hear Gov. Swainson

More than 400 Democrats from the Eleventh Congressional District gathered at the Armory in Cheboygan Sunday for the first annual district Democratic dinner.

Guests at the dinner meeting were Sen. Philip A. Hart, Sen. Patrick McNamara, Gov. John Swainson, Supreme Court Justice Otis M. Smith and members of the State Administrative Board.

Gov. Swainson gave the main address with the others speaking briefly.

Attending from Charlevoix were Julius Elzinga, county chairman, and Mrs. Elzinga, J. M. Foster, M. J. Foster, Mr. and Mrs. George LaBlance Stephen LaBlance, Mrs. Russell Dundas, Mr. and Mrs. Arthur Osborn, Mr. and Mrs. Ralph S. Hamilton, Frank M. Oleksy, Andrew Essenberg Jr. and Mr. and Mrs. Joseph Etienne.

$7,344 Needed For Community Chest Budget

Are you dragging your feet in the current Community Chest fund campaign?

Soneone, in fact, quite a few people are for after five weeks only $3,398.21 in contributions have been reported.

This totals 31.5 per cent of the 1961 goal of $10,742, according to Mrs. Jeannine Essenberg, fund chairman.

Unless the goal is met, 12 agencies, all important to the community, will suffer, Mrs. Essenberg said in urging that everyone contribute his fair share or one day's salary to the current drive.

If you have not contributed to date or were missed in the first calls, contact your area chairman or leave your contribution at the Charlevoix County State Bank or at the office of Lawrence Feindt, Community Chest treasurer.

Give, and give generously, give your 'fair share', that the many services offered by the 12 agencies included in the drive may continue to serve the community.

State Rates High In Total Taxes Paid Fed. Gov't.

A report by the Internal Revenue Department discloses the amounts the government collected from Michigan for the fiscal year ending June 30, 1961. The total take amounted to $6,916,466,000 represented by Corporation Income and Profits taxes of $2,112,806,000, Individual Income and Employment Taxes of $3.116,177,000, Estate Taxes of $46,083,000, Gift Taxes of $12,269,000 and Excise Taxes of $1,829.309,000.

Michigan ranks fourth in total amount of revenue paid and is second to New York in Corporation Income and Profit Taxes; sixth in Individual Income and Employment taxes; and second to New York in Excise taxes.

Con Con Delegates Urge Citizens to Express Opinions

Some of the decisions facing the delegates to the Constitutional Convention have been forwarded to the Courier by Edward K. Shanahan, delegate from the Charlevoix Representative district. He has expressed a desire to hear from residents of the district regarding their opinions. Following are some of the questions.

Should the governor have a four-year term instead of the present two-year term?

Should the various members of the State Administrative Board, Secretary of State, State Treasurer, Attorney General and Auditor General be appointed or elected?

Should there be a limit on the number of terms a governor can serve?

Should the Justice of the Peace system in Michigan be abolished?

Should State Supreme Court Justices be elected, as at present, or appointed?

Should Supreme Court Justices be elected on a non-partisan ballot, as is now the case, or should they be elected as party candidates?

It will be up to the delegates to examine all viewpoints in detail and then draft a constitution and present it to the voters for approval or disopproval.

Hymn Sing Nets $95 for Greensky Church Kitchen

The hymn sing sponsored by the Charlevoix Ministerial association Sunday at the First Methodist church netted $95, according to Rev. Raymond McBratnie.

The money is to be used for a new kitchen at the Greensky church. Members of the church have expressed their appreciation to the Ministerial association and to the many local people for the generous contribution.

Would Discontinue C & O Passenger Service North

The Chesapeake and Ohio Railway announced today that it will apply to the Michigan Public Service Commission on November 20, for permission to discontinue its two passenger trains (Nos. 27 and 28) operating between Traverse City and Petoskey, Michigan, a distance of 78 miles.

For the year ending May 31, 1961, C & O's direct out-of-pocket loss for this passenger service was in excess of $80,000. Half of this deficit was created when the Post Office Department stopped using these trains for carrying U.S. Mail.

On more than two-thirds of the trips in the one-year period the five-man crew outnumbered the passengers, and on one out of every eight trips not a single passenger was carried.

Passenger revenues for the year were $4,777, compared with $46,483 for crew wages alone.

Plan Square Dance Party at Resort

The first of the season's dances for western square dancers at the Resort school has been scheduled for Saturday evening.

This will be the second season that western square dancers have held parties periodically at the school. They have been particularly popular with those who can't regularly attend western square dance classes but still like to keep in the swing.

Dancing is from 8:30 to 12 midnight.

Rod & Gun Club Holds Annual Pancake Supper

Plenty of hearty eaters were on hand at the Charlevoix Rod and Gun club last Thursday night for the annual pancake supper. It has become a tradition that Clare Staley make the pancakes according to his special recipe and bake them fast enough to keep plenty of whopping hot cakes on hand. He succeeded again.

A short business meeting was held following the supper and the remainder of the evening was spent playing cards.

A special meeting will be held at the club at 7:30 Friday evening for members and non-members who are interested in participating in pistol and rifle competion during the winter months. Pistol teams in other cities have expressed a desire to schedule matches with local teams.

OCD Does Not 'Endorse' Specific Fallout Shelters

No fallout shelters are "approved" or "endorsed" in Michigan, according to State Acting Civil Defense Director R. S. D'Amelio.

The office of civil defense, Department of Defense, reviews designs and specifications submitted by manufacturers and distributors. If OCD requirements are met, a letter is issued to the firm permitting the use of the following statement.

"This shelter meets the criteria established by the Office of Civil Defense for fallout shelters and furnishes an adequate degree of protection against fallout radiation."

Persons planning to buy a fallout shelter have a perfect right, for their own protection, to demand the salesman to show a letter signed by the acting director of Civil Denfese, Region 4, Office of Civil Defense, Department of Defense.

Roscoe Scott to Address Ass'n Wed.

Roscoe Scott of the Michigan Association for Retarded Children will address members and friends of the Charlevoix Association to Aid Retarded Children at a meeting scheduled for 8 p.m. Wednesday at the new center at West Hurlbut ave.

Supervisors Vote To Adjust Tax Rolls

The Charlevoix county board of supervisors voted to adjust tax rolls to 100 per cent of state equalized valuation beginning in 1962 before officaly adjourning the annual fall meeting Tuesday night. The resolution was approver by and 11 to 10 vote with four abstaining.

In explaining what this action means, Russell E. Curtis, Charlevoix county Assessment-Equalization Department director, said that 100 per cent of state equalized valuation is comparable to 50 per cent of true cash value. Adopting the 100 per cent of state equalized valuation will place but one value on the property instead of the two on which taxes are now levied. The second is the county assessed valuation which varies from approximately 31.84 per cent in Hudson township to 67.53 in the city of Charlevoix of state equalized value.

The decision to adopt the one set of figures which are expected to be within one per cent of the state equalized valuation figures came as the result of the recent survey by the State Tax Commission. This survey, conducted over the past 18 months, did much to equalize the personal and real valuations throughout the county. In the city of Charlevoix it cut the valuation by approximately $2 million thus giving relife to the residents of the community.

It was the feeling of the equalization committee of the board that the supervisors should take advantage of the results of the survey to use the State Tax Commission figures which were arrived at through a classification system thus giving the county one equitable valuation on which all taxes would be levied. This will be in contrast to finding the state mill rate as levied on the state equalized valuation of the unit in one column of the annual tax bill plus a second set of figures showing the county mill valuation.

An example of this contrasts the city of Charlevoix which assesses at a high ratio resulting in $11.50 on each $1,000 valuation as compared with Hudson township which assesses at a low ratio where property owners must pay $24.39 on each $1,000 valuation for county allocated and Grandvue Medical Facility debt retirement. The new ruling will do away with this great difference and taxpayers throughout the county will be paying approximately the same amount on each $1,000 valuation.

In other action, Deputy Sheriff Philo Sumner appeared to ask what the board would advise in regarding to obtaining additional help at the sheriff's department following the board's decision to dispense with the services of the special deputy engaged in May to handle the dog situation in the county and to serve as a relief man for department personnel. He was told that this was not a problem for the board and that it should be worked out between the sheriff's committee and the department.

Jack Davis, county juvenile agent and probation officer, appeared regarding the hourly rate paid him by the county, stating that the state pays $2.25 and the county $2.00. However, until last month he said he received the $2.25 from the county. He was told that his was an oversight by the auditing committee which had dropped the rate to $2.00 when the error was discovered. The committee then met briefly and brought in a resolution asking that the hourly rate be raised to the state level of $2.25 retroactive to Oct. 1.

Ed Rebman, Charlevoix county agricultural agent appeared briefly to speak of the Area Re-Development Act and the proposed survey in the county in order that the county qualify for federal aid. Charlevoix county was one of eight counties in the state placed on the list elegible for federal aid.

The board adopted a resolution voicing its opposition to the proposal to make the Sleeping Bear Dunes a national park. Copies of the resolution are to be mailed to various individuals and organizations.

The township and city clerks' reports and the apportionment committee's report were read and approved.

Mrs. C. W. Sucher, 51 Summer Resident Dies in Detroit

Mrs. C. William Sucher, 51, a summer resident here for more than 15 years, died Saturday at her Detroit home.

Funeral services were held Sunday at the Brown Memorial Chapel of Temple Beth El with burial in Clover Hill Park.

A native of Chicago, the former Edith Stark had lived in Detroit for 45 years. She was a member of Temple Beth El, Women's American Ort, Hadasseh and the Allied Jewish Campaign.

Surviving are her husband, C. William Sucher, former president of the Speedway Petroleum Co.; a son, Richard; three daughters, Mrs. William Zupner, Candance and Cathy and a brother Ben Stark.

The family has been coming to Charlevoix for some time and for the past 10 years have been at their summer home on Park ave. overlooking Lake Michigan.

Committal Held Saturday for Dr. W. W. Mitchell

Committal services for Dr. William W. Mitchell, 70, who died Oct. 28 at his home in Miami Beach, Fla., were held Saturday at Brookside cemetery with the Rev. Raymond J. McBratnie officiating.

Here for the service were his son-in-law and daughter, Mr. and Mrs. Zane Radney of Miami Shores, his brother-in-law and sister, Mr. and Mrs. Earl Coleman and son, James, of Hastings and Mrs Barbara Swinton Mordy of Ann Arbor.

A native of Charlevoix, Dr. Mitchell was a graduate of the University of Michigan School of Dentistry and practiced here until going to Florida in the 1930's. He practiced there until his recent retirement because of ill health.

He is survived by his wife, the former Ruth Hooper; a son, William of San Francisco, Calif.; one daughter, Mrs. Radney; seven grandchildren and a sister, Mrs. Coleman.

Face Up to Delinquency

Juvenile delinquency is not only a national problem. It has become a local problem not fully comprehended by many. The rate of delinquency, however, has shown a marked increase this year over last year according to reports from the probate court and law enforcement officers.

From what kinds of homes do these juvenile delinquents come? Records here indicate they come from all types of homes. Many of the juvenile offenses are seemingly petty, but in the eyes of the law and society they are serious and they become increasingly serious if not corrected in the juvenile. Most offenses appear to be committed for adventure or thrill and not for need. A majority of the offenders have a comfortable home with sufficient food and clothing.

Who then is responsible? We would first point a finger at parents. A child is their responsibility (and pardon the comparison) the same as an unruly dog, cow or other animal is the responsibility of the owner. The church and the school also have a responsibility but they should not be considered as correctional institutions. They can only augment and carry on good home training.

Early this year more than 30 youngsters were involved in a wide range of offenses including shooting windows out with BB guns, breaking and entering buildings along with thefts and liquor violations. The offenders came from all strata of local society. Few, if any, of the offenses were committed because of actual need. Now there is another outbreak of juvenile delinquency in the making. Considerable "loot" has been recovered and a number of youth are already involved and each apprehension often leads to other youth who become involved.

It certainly is not the responsibility of law enforcement officers and the courts to ride hard on juvenile offenders. Their job is only to apprehend offenders and, if possible, put them on the right track.

It is up to parents to teach their youngsters, at an early age, right from wrong, respect for the rights of others, respect for law and order, and respect for themselves. Parents can do more to eliminate juvenile delinquency than police officers and the courts if they will set a good example for their children and teach them their responsibility in life.

It . . . is certainly the time to put all governmental spending under the public glare and start pruning those programs which are not of immediate importance to the overall problem of national defense.

"A sound defense is necessary, and we will gladly pay the cost. But let's not spend money as though it were going out of style.—KLAMATH FALLS, ORE., HERALD.

NO HUNTING! GAME REFUGE

NOVEMBER IN MICHIGAN

BY HAROLD E. KOHN

Stripped "to the bone, now," are most of our hardwoods. The maple, elm, birch and poplar are bare. So are the ash and the apple tree. These most plentiful hardwood and deciduous trees of Hidden Brook and Wide Sky Harbor can no longer hold the secrets they have so carefully kept all summer and into early autumn. The long-concealed nests of thrushes and robins, of scarlet tanagers and purple finches, indigo buntings and their many neighbors are plainly revealed. The frost and the wind have wrenched confession from the complaining trees. But no harm is done. The faithful friends of nesting birds were stanchly loyal while their confidence was needed. Now that the birds have departed for other climes, they cannot be hurt if their precious hiding place is blurted to the world.

Kiwanians Hear Lecture on Cancer

A lecture on cancer of the gastro-intestinal tract illustrated by slides was presented by three members of the Burns Clinic at the regular meeting of the Kiwanis club Monday night.

Dr. Guy R. Lawrie, Dr. J. H. Webster and Dr. John R. Spengler spoke on the subject and presented slides. They later answered questions regarding cancer and its treatment.

Don Anders, whi with Fred Willis, was in charge of the program for the month, presented the speakers.

Charles J. Herron was inducted as a member by R. G. Bennett, past lieutenant governor.

Robert S. Wilson and Rev. Alexander Wood attended as guests.

A letter from the management of the Palace theatre stating that the group of school children who attended the movie last week as guests of the Kiwanis club was one of the finest to ever visit the theatre was read.

Dick VanRaaphorst Former Rayder On Ohio State Team

Football fans who watched the Ohio State-Wisconsin game Saturday witnessed a former member of the Charlevoix Rayders in action.

He was Dick Van Raaphorst, No. 86 on the Ohio State team, a 1960 graduate of the Charlevoix high school who is now a sophomore at OSU where he has the responsibility of the team's kicking chores. In Saturday's game he kicked off and in addition booted the Buckeyes' conversion points.

In the Northwestern game the week before he kicked a field goal early in the game which gave OSU a three-point lead that stood until the last three minutes of the game when they scored a touchdown. He then hooted the point after touchdown for four of the team'a total of 10 points in the game.

It will be remembered that he played end on the Rayders 1959 and 1960 championship teams. In 1960 the Rayders won Class C All State recognition and Dick was given all-state honors.

His parents Mr. and Mrs. William Van Raaphorst, now live in Ligonier, Pa., Mr. VanRaaphorst is presently with the D.M.E. Corp. in Youngwood, Pa.

While here Dick played three years of Varsity ball under Coach Don Carey and became the most outstanding kicker in league history.

To Collect Sales Tax on Mail Order Purchases

Persons buying by mail from businesses out of town are subject to the four percent use tax or sales tax and the Michigan State Revenue department has taken steps to collect from the buyer if it has not been collected by the seller.

The state revenue department with adjoining states to exchange information concerning purchases made in one state by residents of another state, according to Clarence W. Lock, state revenue commissioner. "Now if the out-of-state seller claims exemptions in his state because of a sale to a Michigan resident, this information will be forwarded to us," Mr. Lock states. "We in turn will collect the tax from the Michigan resident."

C of C Workshop Held at Cadillac

Americans, as a nation, are economically illiterate and one of the great needs of American public is to have a better understanding of the basic free enterprise system, Dwight Havens of Washington D. C., nationally authority on Chamber of Commerce programming, told more than 124 representatives from more than 30 northern Michigan communities who attended the workshop sponsored by the United States Chamber of Commerce at Cadillac Wednesday.

Mr. Havens went on to say that all business communities should play a greater role in the political field at all levels of government.

Mr. Havens was among those who addressed the assembled Chambers of Commerce representatives who attended the first workshop of its kind held in this area.

Richard Bailey, district manager of the United States Chamber of Commerce, Richard A. Anderson, division manager of the national organization, and Harry R. Hall, executive director of the Michigan Chamber of Commerce also spoke on subjects relating to leadership, community problems and solutions at the workshop.

Attending from Charlevoix were Paul Kohler, secretary-manager of the Charlevoix Chamber of Commerce, William Carey, president, John Rathhurn and Dewitt Peters, the latter two new directors.

Mr. and Mrs. Wayne Sundberg To Live in California

St. Bartholomew's church at Long Beach, Calif., was the scene Saturday, October 28 of the wedding of Elizabeth Ann Konle and Wayne C. Sundberg.

Parents of the coupie are Mr. and Mrs. Arthur Konle of Petoskey and Mr. and Mrs. Clifton Sundberg of Charlevoix.

The Rev. Fr. Fitzgerald officiated at the double ring service before an altar decorated with arrangements of yellow and white mums in the presence of more than 30 guests. Harold Keating was the organist.

The bride, given in marriage by Allan Mitchell, U.S. Navy, selected a waltz length gown of white pure chiffon and lace for her wedding. The fitted bodice was of imported lace with a jewel neckline and three-quarter length sleeves. The skirt fell in natural fullness. A white satin band secured her fingertip veil and she carried a white Missal topped with a white orchid.

Kathleen Plamondon of Lake Leelanau, as maid of honor, wore a waltz length gown of pure silk chiffon in a soft orange shade fashioned with a matching cummerbund of pure silk satin. Her headdress was a matching satin band and she carried a bouquet of small white mums.

John Reynolds of Anahein, Calif., assisted the bridegroom as best man. Jack Yoes of Portland, Ore., seated the guests.

Following awedding trip to Lake Gregory, Calif., the coupie will live at Apt. B 151 Granada, Long Beach, 3, Calif. For traveling the bride wore a royal blue wool knit sheath and matching accessories.

The bride is a 1956 graduate of St. Francis Xavier high school in Petoskey and a 1959 graduate of the St. Lawrence School of Nursing in Lansing. The bridegroom, a 1956 graduate of the Charlevoix high school, attended Central Michigan University and is a veteran of three years in the U.S. Navy. He is presently serving aboard the USS Harry E. Hubbard.

Among the guests were Mr. and Mrs. Inard Sundberg of Sacramento, Calif., uncle and aunt of the bridegroom.

MINUTES OF SCHOOL BOARD MEETING

October 9, 1961

Present: Lieberman, Dinwiddie, Al Smith, Martinchek, Blanchard, Martin, C. Smith and Bennett, Supt. Absent: None.

The meeting was called to order at 8:10 p.m.

Minutes of the meeting of September 25 were read and approved.

It was moved by Al Smith, supported by Martinchek, that bills in the amount of $4,236.19, payable from General Fund, be approved and ordered paid, Motion carried: 5-0.

Moved by Dinwiddie, supported by Blanchard, that bills in the amount of $509.69, payable from Building & Site Fund, be approved and ordered paid. Carried: 5-0.

Dr. Martin entered the meeting.

After discussion it was tentatively agreed that Mr. Bennett would announce an increase of 5c a meal for the high school, and that trays be ordered for the elementary lunchroom.

Plans for the dedication of the new high school were discussed and details planned. Dr. Stephen S. Nisbet was accepted for the address.

Announcement was made of the Ellsworth-Central Lake-Charlevoix committees' report to be made in Charlevoix October 24.

Clarence Smith entered the meeting.

Plans were made for setting the flagpole, and for purchasing additional chairs and a scrubbing machine. Also, for taking bids for painting the school bus garage.

A request that bids be received for gas at the elementary school was approved.

Mr. Bennett was asked to check with the Health Department regarding physical examinations for those P.T.A. members who are helping with the hot lunch program.

Responsibility for payment of the light and water bill covering the last period of construction on the new high school was discussed and referred to the contractor.

Mr. Martinchek reported on the availability of 6 inch iron pipe for use in the parking lot.

After discussion of maintenance problems, the meeting adjourned at 10:45 p.m.

BURR BLANCHARD, SECRETARY

RECORD OF THE COUNCIL

October 23, 1961

The Common Council of the City of Charlevoix met on the above date with Mayor Hawley presiding. Aldermen present: Donaldson, Fochtman, Grubaugh, Hansen, Neff and Staley.

The minutes of the October 9, 1961 meeting were approved as presented to the Council in writing.

Bids for Fleet Insurance to cover all City owned Motor Vehicles, Comprehensive Commercial Liability and a Fire Truck Floater, were received from the following:

Max Novak Insurance Agency	$1546.47
Carey Insurance Agency	$1944.11

All bids were referred to the Finance Committee, and to report to the Council.

Alderman Donaldson offered the following Resolution and moved its adoption, seconded by Alderman Neff:

RESOLUTION

WHEREAS, the following described lands:

Lot 108, Upright and Hurlbut addition to the City of Charlevoix

WERE DEEDED TO the State of Michigan on the 2nd day of May, 1961 through nonredemption from the County Treasurer May 3rd 1960 tax sale.

WHEREAS, said lands are now under the jurisdiction of the Department of Conservation and may be withheld from the first sale at which they are scheduled to be offered for the purpose of redemption on behalf of the former owner as provided for in Section 131c of Act 206, Public Acts of 1893, as amended.

NOW THEREFORE BE IT RESOLVED by the City of Charlevoix that application is hereby made to the Department of Conservation to withhold said lands from sale, and,

BE IT FURTHER RESOLVED that said City of Charlevoix does hereby authorize the County Treasurer to collect all delinquent taxes on said lands if application is made by the owner thereof during the period for which said lands are withheld from sale by this application.

Resolution adopted by the following yea and nay vote: Yeas: Aldermen Hansen, Fochtman, Grubaugh, Donaldson, Neff, and Staley. Nays: None. Absent: None.

Moved by Alderman Hansen and supported by Alderman Donaldson that $20,000.00 be transferred from the Electric Operating Fund to the General Fund.

Motion adopted by the following yea and nay vote. Yeas: Aldermen Donaldson, Fochtman, Grubaugh, Hansen, Neff and Staley. Nays; None Absent: None.

The Finance Committee having examined bills totaling $24,206.29 find them correct and recommend they be allowed.

Moved by Alderman Hansen and supported by Alderman Fochtman that the bills be allowed and orders drawn for their amounts.

Motion adopted by the following yea and nay vote. Yeas: Aldermen Donaldson, Fochtman, Grubaugh, Hansen, Neff and Staley.

Moved by Alderman Hansen and supported by Alderman Neff that the bid of the Max Novak Insurance Agency in amount of $1546.47, being the lowest bid received for the complete fleet insurance, be accepted.

Motion adopted by the following yea and nay vote: Yeas: Aldermen Donaldson, Fochtman, Grubaugh, Hansen, Neff and Staley.

On Motion the Council adjourned.

HUGH MAYNE, CITY CLERK

Michigan Mirror

By ELMER E. WHITE

THE STATE CONSTITUTIONAL CONVENTION adopted a great many of its rules for procedure from practices followed in the Michigan Legislature, but one deviation, due to the nature of the Con-Con, was both a blessing and a burden.

This is the problem of committee chairmanships.

In the Legislature a complicated seniority system, built up through long practice and more or less strictly observed, determines who shall preside over various committees.

* * *

But, as Con-Con president Stephen S. Nisbet often said, all the convention delegates are freshmen.

Committee chairmen, therefore, were rather arbitrary selections made by Nisbet and his three vice-presidents, George Romney, Edward Hutchinson and Tom Downs.

Since no delegate felt he could claim a chairmanship as a matter of right, there were few complaints about the men chosen to lead the committees, although there was some grumbling about committee assignments in general.

The potential danger in the Con-Con method of selecting chairmen will come when action of the convention is readied for voters. Almost sure to be raised by somebody is the question of whether different chairmen would have produced different decisions on the basic law subject matter.

* * *

GENERALLY SPEAKING, the State of Michigan has plenty of everything. Except of course, money to run its government.

Few would find fault with the "land of plenty" concept as applied to Michigan because an abundance of manufactured goods, agricultural products, scenic and recreational areas, water, skilled workers and investment capital is all around.

But once, some 90 years ago, Michigan was in trouble because of a shortage of one of the most common items known to man: stone.

* * *

Nowadays, the only major lack that makes a splash in the Water Wonderland is lack of jobs. Or, as during the infamous "cash crisis" of 1959, lack of money for government.

But in order to get a state Capitol, Michigan had to go to Ohio. When plans for a structure of stone to replace the old frame building which had existed prior to 1871 were complete, a search was undertaken for materials.

* * *

Michigan had fine stone, but not enough of any one color to build its seat of government building.

So the three-man Board of Building Commissioners, headed by Gov. Henry Baldwin, sent to Ohio in 1871 and selected an Ohio sandstone for construction of the Capitol.

Many Michigan products went into the Capitol, even if the main outside material was from a southern neighbor. Perhaps even the iron which went into some of the girders and furnishings of the Capitol and dome was produced from ore mined in the Upper Peninsula.

* * *

IT'S NOT OFTEN that any phase of government gets a chance to go back to the beginning and start over.

But this happened recently in connection with voter registrations in two Upper Peninsula communities. Over a period of many years and through long standing, although improper practices, the situation became thoroughly fouled up.

It might be technically illegal, but state and local officials working together have started a salvage job without any ill feeling or thought of criminal action. Obviously there was never any real intent to break the law.

* * *

There is a multitude of lessons for officials charged with supervising voting procedures and for "just plain" citizens.

The problems in the two Houghton county villages were mostly improper signatures on voter registration cards. Apparently nobody ever bothered to find out the proper way to handle the signature cards, so things just went along for years with no change.

All the requirements and procedures are spelled out in the state election law, which is admittedly somewhat vague, complicated, ambiguous and generally difficult.

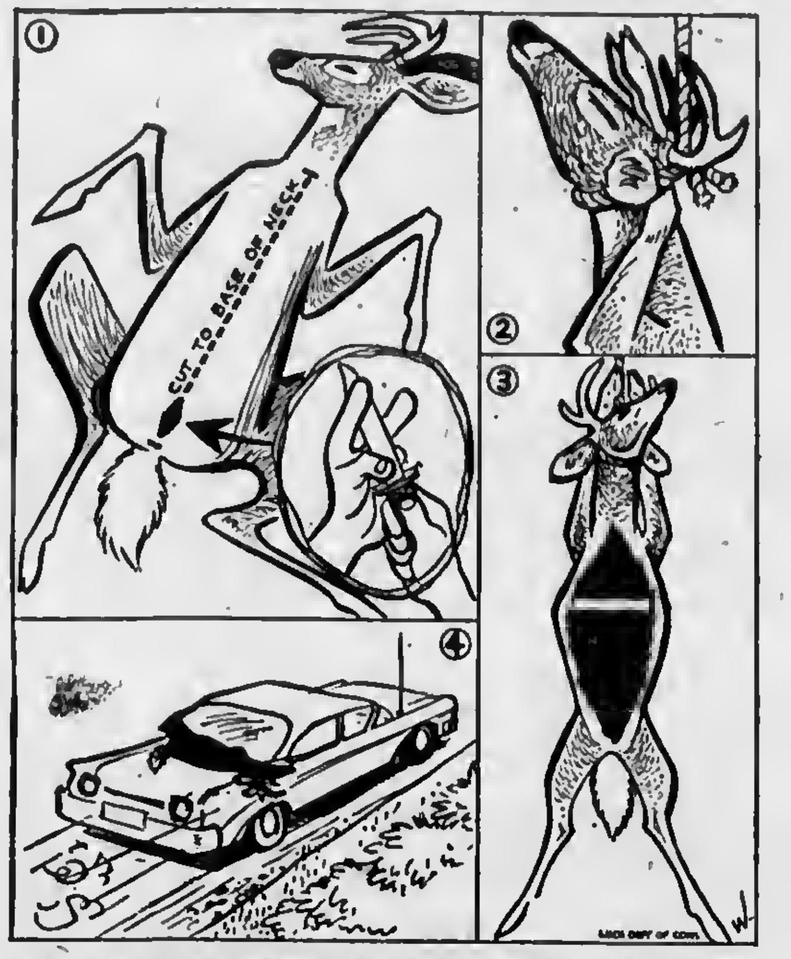
The violations discovered in the Upper Peninsula, however, were not caused by problems of understanding election law.

They were simply improper procedures perpetuated through the years, probably because the system seemed to be working all right. Little regard was given to technicalities.

The need for re-registering all the voters, since it will be a difficult job, points up the need for closer scrutiny of official practice, both by officials and citizens.

"Micke Mantle and Roger Maris may knock more than 60 home runs this season, but they'll never break Babe Ruth's main American youth."—Paul F. Ellis, Mecklenburg (Charlotte, N. C.) Times.

Saving That Deer for Dinner



Good cleaning and rapid cooling are two "musts" in preparing a freshly-killed deer for the tenderest, tastiest results. Let's suppose you've just bagged your first whitetail. What now? Assuming your deer is dead, first put your rifle back on "SAFE" and attach the metal seal. Cut open the entire body cavity, moving from between the hind legs almost to the base of the neck (1). Insert the knife with the cutting edge UP and use your first and second fingers to hold the skin and muscles UP away from the innards. Next, remove the innards, working down from the neck to the tail. Turn the deer belly down and let it drain. Afterwards, tie the fore legs between the antlers or beside the head (2) so it will be easier to drag the deer to camp. In camp, prop the carcass open (3) and protect it from sun, rain, and flies in warm weather. If the weather is warmish (above 55 degrees), head for a locker plant or your home freezer. For the trip home, carry the carcass atop your car or across the trunk (4). Many a venison dinner has been overheated and spoiled on the front fender of a car.

M.H.C. Asks Citizens Help in Preserving History of Heritage

Will you help preserve Michigan's heritage of history?

Letters, diaries, scrapbooks, account books, maps, records of schools, business organizations and churches, pamphlets and other materials are indispensible sources of information for historians. Unless they are preserved and made available for use, important facts may be lost.

This is the message brought to the public by the Michigan Historical Collections which was established in 1938 to collect research materials on all phases of the history of Michigan, its people and its institutions.

The collections currently include over 20,000 volumes of books and phamphlets, 1400 maps and more than one million letters, diaries, account books and other manuscript materials. Some of the manuscript collections reflect the careers of men and women who have been prominent leaders in their chosen fields. Other collections contain letters and diaries written by men and women who were unknown beyond their communities, but their papers, too, are useful sources of information about social, political and economic activities.

In a fireproof modern building, trained staff members sort, clean, repair, catalog and file such papers and books so that they can be used for research. Anyone who is interested in the history of Michigan or of his own community is welcome to use them in the reading room of the Rackham Building, Ann Arbor.

If you have papers like those mentioned above, or if you know someone who has, write or phone the Michigan Historical Collections of the University of Michigan.

Agriculture . . . *in Action*

Communism Cancels Committees

Let's face it.Committees aren't very efficient. They spend too much time, they talk too much, they are costly.

The alternatives are really appealing. The fewer involved the quicker the action. One or two people can maneuver with very little waste motion. A caravan is cumbersome.

Dictatorships are alwayss more "efficient" than our Republic,—that is if you count money, not the lives of men; if you are concerned with the end, not with the means.

Compared, our Republic operates slowly and uneconomically. It is concerned with individual rights and minority groups. It spends great amounts of time and money searching for justice and upholding human values.

There are no committees making major decisions in Russia. Committees are not consulted by Castro.

Much as we poke fun at the constant committees in America, they are a vital part of our Republic. We may call them a "pooling of ignorance," and say that a camel looks like something a committee put together, but we cannot ignore their value.

One of the most important farm committees is the group of 18 rural men and women that have been called to the special job of hammering out a set of policy resolutions for the Michigan farm Bureau.

This State Farm Bureau Resolutions committee will sift and study, sort and reject, compromise and collect. It will end up with something like a 40-page document to be placed before 700 Farm Bureau voting delegates in annual policy making session at Michigan State University, November 8-9-10.

The committee of farmers will have travelled more than 18,000 miles, spending about ten full days each, before the job is done. They will organize inao subcommittees by topics, (Taxation, roads, health, safety, etc.) They will conduct hearings and they will review in detail every one of several thousand resolutions sent to them by Michigan farmers.

This involved, complicated process takes time, a great amount of work, and will cost more than $5,000 in actual cash.

By Russian standards this entire process is unneccessary, "inefficient and uneconomical."

By the standards of American and Michigan farmers, it is democracy in action. Slow, costly, and very right.

To Organize Local 4-H Club

Plans to organize a local 4-H club have been announced. Any girls or their mothers interested in organizing such a group are asked to meet at the city hall at 7 p.m. Tuesday.

Public Buildings To Be Earmarked As Fallout Shelters

Plans for surveying and marking existing public buildings and other facilities as fallout shelters throughout Michigan have been announced by State Civil Defense authorities.

The task has been assigned to the Detroit District, U. S. Corps of Engineers, and will be performed by private engineering firms under contract to the Corps of Engineers. It is estimated the survey will take more than a year.

The project will be carried out in three phases. The first phase will be a study of available existing data to determine facilities with shelter capability. The study will also determine the number of shelter spaces required, based on population density.

The second phase will include the physical inspection of facilities selected in the study, determination of degree of protection offered and modifications needed and their rough costs. Qualified shelter areas will also be marked.

Phase III will include a more detailed analysis of design requirements. Refined estimates will be made to determine the cost of modifying structures previously selected as particularly suited to provide adequate shelter for a maximum number of people at minimum cost per occupant.

Charlevoix county Civilian Defense authorities, headed by Gen. George B. Ely, director, are conducting their own surveys within the county in preparation for the arrival of the U. S. Corps of Engineers representatives.

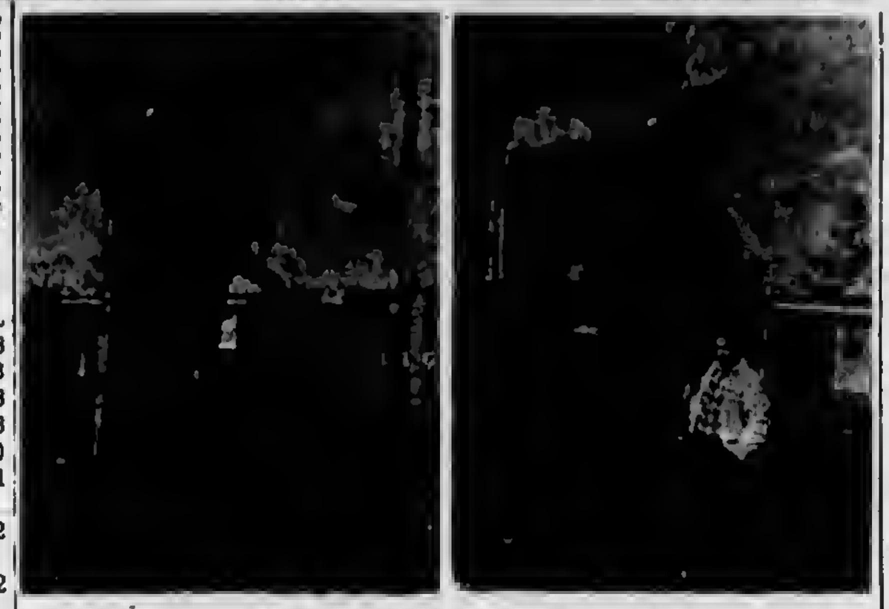
Michigan residents are owners of the largest state forest system



This picture may appear to be a fake with two moose hunters using the same moose for their pictures and it is. But it was much more convenient to use the hanging moose than for Gordon Neff (left) and Irving Drost (right) to string up the 1000 lb. animal each got on a 10-day hunting trip to north Canada. Each, however, returned with the proof of his prowess. Drost also shot a timber wolf while hunting.

The trip took them to Jellicoe, Ont., by pickup. From there they went 150 miles by airplane to an isolated camp on the Okogi river in the Hudson Bay area.

Elementary School Open House Well Attended

An estimated 450 parents and friends of children in the Charlevoix Elementary School attended the open house at the Grant st. building Wednesday night sponsored by the P.T.A.

Members of the executive board of the P.T.A. headed by the vice president, Mrs. Robert Gill, greeted the guests and guided them to the classrooms where they viewed the work of the children and consulted with teachers who were in their respective classrooms from 7 until 8:45 p.m. They then toured the former industrial arts department which has been remodeled into three classrooms before going to the new cafeteria for refreshments by the P.T.A The cafeteria is located in the former music room in the same building.

Miss Frances Milner's second grade won the $10 prize for having the largest percentage of parents attending the open house.

The P.T.A. dispensed with a formal meeting so that parents could visit the classrooms, consult with teachers and see the results of the building program in the school which also included the enlargement of the kindergarten room.

The next meeting of the P.T.A. will be held at the Elementary school cafeteria on Dec. 6 according to Mrs. J. L. Feindt, P.T. A. president.

From where I sit ... by Joe Marsh

Makes A "Lot" of Sense

The other day I was driving by Slim Thomas' used car lot, when I noticed he'd put up a big neon sign. Trouble was, one of the letters was upside down. So I drove in. "Hey, Slim," I said, "that's a nice new sign—but one of the letters is wrong-side up!"

"Heck, I know that," laughs Slim. "Matter of fact, I had it made that way *deliberate*. Figured folks were bound to come in to tell me about it—and it works! I must get four or five new prospects a day."

Then he grins down at me, "By the way, Joe," he says, "I could give you a pretty good deal on that car of *yours* . . ."

From where I sit, "look before you leap" is especially true whenever you start to give advice. Unlike Slim, some folks may not welcome your suggestion—especially about personal tastes! Whether your neighbor takes coffee with his meals, or prefers a glass of beer—that's really his own "business." Giving folks credit for knowing their minds is a good way of keeping friendships "right-side up."

Rayders Downed by Ramblers 60-7

★ ★ ★

Worst Season for Local Grid Squad

The Charlevoix Rayders wrapped up their 1961 grid schedule Friday night at Kipke field where they were downed by the new league champion, Boyne City, by a score of 60 to 7.

The Rayders with a record of two wins, one tie and four losses have had their worst season in recent football history.

Playing their last high school football game were the following seniors, Stan Martin Henry Wagner, Denny Wojan, Don Berg, Darrell Somerville, Bruce Bartlett, Ted Tunison, Dale Burke, Allen Bolhuis, Don Anders and Rick Kallmeyer, German exchange student. Gary Balch, who will observe his nineteenth birthday before the season opens in the fall, also played his last prep game.

In Friday's game Doug Grubbe, Rambler speedster, accounted for six of the victors' nine touchdowns, the first coming midway in the first period.

Charlevoix kicked off to Boyne City who took over on their own 36. However, on the first play from scrimmage the Ramblers fumbled with Charlevoix recovering. The Rayders were unable to pierce the visitors' defense who lost possession to Boyne who marched to the two yard line in seven plays and three first downs. Grubbe then carried the ball over with Tracy Newville running the conversion point over.

Charlevoix took the kickoff on picked up eight yards before picked up eight yeards before they were forced to punt. On the first play the Rayders set the Ramblers back to their own 17. On the next play, Grubbe, with an excellent display of open field running, scampered 83 yards to score with 3:08 remaining in the period. Larry Gunderson passed to End Ron Ward for the extra point.

Charlevoix took the kickoff and picked up two first downs moving from the 21 to midfield where the offensive bogged down and they were forced to punt.

Boyne City took the ball on their own 20 and picked up a first down to the 32 yard line as the quarter ended.

After three tries the Ramblers punted from their own 35 with the ball being downed on the Rayder 31. A pass from Martin to Henry Wagner moved the ball to the 45 for a first down. With Frank Curtis carrying the Rayders moved to the Boyne 44 and then to the Rambler 38 following a penalty on Boyne City. After picking up six more yards the Rayders were tossed for a loss to midfield from where they punted to the Rambler 15. In seven tries the Ramblers moved to their own 49 where Gunderson passed to Ward who scampered 35 yards to score. Tracy Newville ran the ball over for the extra point.

Again the Ramblers kicked off and Charlevoix took possession on the Boyne 20. On five tries the Rayders reached the 33 where they fumbled and Boyne City recovered on their own 30. With time running out, Gunderson passed to Grubbe who romped 30 yards to score. Bob Snyder ran the ball over to make the halftime score 28 to 0.

Boyne City kicked off to Charlevoix who forced to punt with the receivers taking over on their own 34. Two tries moved the ball to the 20 where Grubbe went in to score. Snyder ran the conversion point over.

After taking the kickoff, the Rayders were forced to punt with Boyne City taking over at midfield. On the first play from scrimmage, Snyder broke away for a 50 yard run and the Ramblers's sixth tally with Gunderson passing to Ward for the conversion point.

The Rayders took the kickoff and picked up two first downs to the Boyne 30 where they lost possession on downs. The Ramblers moved to the Rayder 40 as the third period ended.

On the first play of the final period Grubbe broke away to score on a 60 yard touchdown run.

Taking the kick on their own 15, Charlevoix again picked up two first downs, this time to the Boyne 36 where the Ramblers took over on downs. On the next play Grubbe scored again.

On the first play from scrimmage after taking the kickoff Boyne City intercepted a Rayder pass on the 20 and three plays later Gunderson passed to Denny Gray for another touchdown.

Charlevoix took the kickoff and then lost the ball on downs to the Ramblers. However, they regained possession two plays later when they intercepted a Rambler pass on the 39. After three tries they again were forced to punt with Boyne City taking over on their own six. Two plays later Charlevoix recovered a Rambler fumble on the five and scored on the next play when Wagner went through Boyne's starting lineup to score. Wojan kicked the conversion to give the Rayders their one touchdown.

Charlevoix kicked off to Boyne with Grubbe taking the kick on his own 20. Newville carried the ball to the 37 as the game ended.

Boyne City Ramblers Capture NMCCC Title

The Northern Michigan Class C Conference closed out its 1961 season Friday night with the Boyne City Ramblers copping the title after posting a perfect 7 win record.

East Jordan and Mancelona finished in a second place tie with records of five wins and two losses; Harbor Springs ended up in third place with a three win-one tie-three loss record; Pellston was next with three wins and four losses followed by Charlevoix with a record of two wins-one tie and four losses; Gaylord had two wins in seven starts and Grayling finished in the loop cellar with seven losses.

In the final games of the season Boyne City trampled Charlevoix by a score of 60 to 7 to recapture the title the Ramblers shared with Mancelona last season; Mancelona upset East Jordan 13 to 0; Pellston dumped Harbor Springs 32 to 12 in another upset and Gaylord sut out Grayling 20 and Gaylord shut out Grayling 20

Mancelona 13 East Jordan 0

With possession of second place at stake as the season drew to a close, the Mancelona Ironmen, playing heads up ball all the way, blanked the Red Devils.

The first Ironmen touchdown came midway in the first period when Pat Dutcher scored from 12 yards out on a wide sweep. The score stood at 6 to 0 until late in the game when Larry McCarty broke away for a 25 yard run through tackle to score with Kenny Johnson running the ball over for the conversion point.

East Jordan never offered any real threat as the Mancelona defense kept them outside the 15 yard line during the entire game.

Pellston 32 Harbor Springs 12

Playing with the knowledge that this would be their last game under the tutelage of Coach Francis McMahon who has announced his retirement as gridiron mentor though he will carry on in basketball, the Pellston Hornets played one of their finest games of the season to down traditional rivals, the Rams.

The Hornets first touchdown came early in the game after they had taken the kickoff and moved the ball into scoring position on the nine with a 62 yard run by Bill Swartout. Two plays later Tom Bricker carried to the one where he fumbled as he fell into the end zone. Stan Bodzik fell on the ball for the touchdown.

Later in the period, Harvey Kasuske went in from the six to knot the score.

The tie was short-lived, however, as sophomore quarterback Mike Young passed seven yards to Bedzik with Merle Cameron running the ball over for the conversion.

Harbor snapped back early in the second half to score on a 54 yard jaunt by Kasuske but the attempted kick for the conversion was wide and the score remained 13 to 12 in.

About this time the Hornets caught fire and before the period was over pulled away for a 25 to 12 lead on an 11 yard plunge by Swartout and a tally by Rick Anderson who scored on a four yard pass from Thompson.

In the final period Cameron scored on a line plunge from one yard out and Thompson passed to Bodzik for the extra point.

Ray Mehalec, who was injured early in the season, saw only limited action in this final game.

Gaylord 20 Grayling 0

The Gaylord Blue Devils took to the air despite the high winds to score their first two touchdowns against the Grayling Vikings.

Both pass plays were in the second period on passes of 25 and 30 yards, respectively, from Tom Tapio to Dick Farrand. Steve Crook booted both conversion points for a 14 to 0 halftime lead.

The last touchdown of the game against Grayling who never threatened was scored by Gabby Nowak on a four yard plunge.

Justice Court News

Justice John J. Connolly reports the following cases which appeared in his court recently:

Gerald Balch and Donald Kelly, both 17, charged with breaking and entering a building, waived examination and were bound over to the march term of circuit court. They were released on $100 bonds. The summonses were issued by the Sheriff's Department.

The two were among five youths arrested after loot taken from the Charlevoix public schools, including 15 new keys to rooms in the new high school, and liquor and other articles taken from Boulder park cottages was discovered. The Sheriff's department, city police and state police investigated after the youths were found with some of the liquor. The three juveniles are under the jurisdiction of probate court.

Leron E. Bell, 35, of Boyne Falls, charged with passing a school bus discharging passengers, was ordered to pay $5.00 fine and $4.30 costs. Summons was issued by the State Police.

David Washegesic, 35, charged with being a disorderly person (window peeping), was ordered to pay $10 fine and $5.00 costs and sentenced to 10 days in the county jail. If fine and costs are not paid he must serve an additional 10 days. Summons was issued by the City Police.

Rodney Ostrum, 20, charged with being a minor in possession of liquor, second offense, was ordered to pay $10 fine and $5.00 costs and placed on six months probation. He was sentenced to 30 days in jail for violation of an earlier probation. Summons was issued by the city police.

Stephen LaBlance, 20, charged with being a minor in possession of intoxicating liquor, was ordered to pay $5.00 fine and $5.00 costs and placed on six months probation. Summons was issued by the City Police.

Perry Davis, 60, charged with being drunk and disorderly, was ordered to pay $50 fine and $4.90 costs. Summons was issued by the State Police.

Hiram Potter, 73, charged with failure to yield right-of-way and with having an expired operator's license, was ordered to pay $5.00 on each of the two charges. Summons was issued by the City Police.

Edward W. Hallwood, 32, of Flint, charged with driving with an expired operator's license, was ordered to pay $5.00 Summons was issued by the State Police.

Mr. and Mrs. John Kroken left Tuesday for Lisbon Falls., Me., where they were called by the unexpected death of the former's brother, Alfred E. Kroken.

Coastguardsmen Pick Up Sailor for Mother's Funeral

Robert LaLonde of Manistique, a crewman aboard the lake steamer, Conneaut, was taken from the vessel by the U.S. Coast Guardsmen from the Charlevoix Lifeboat station in order to attend the funeral services for his mother, Mrs. John LaLonde, who died Wednesday at Schoolcraft Memorial Hospital in Manistique following a long illness.

Only because of the action of the U.S. Coast Guard was he able to arrive in Manistique in time for the funeral on Saturday according to his aunt, Mrs. Grant Ferguson of Hayes township, who wished to express her gratitude to the service group.

Farm Bureau to Provide Farm Data By Automatic Tabulations

An unofficial but highly interesting agricultural "census" is underway in Charlevoix county and throughout rural Michigan. Thousands of volunteer Farm Bureau leaders are conducting the statewide survey through 70 county Farm Bureau offices.

Back of the questioning is the desire by farmers to build more effective farm services through up-to-date files. Collected information will be processed by electronic data machines to give an instantaneous and accurate picture of modern farming in any county.

"Farming in both our county and the state of Michigan is highly diversified," according to William Korthase, Jr., president of the Charlevoix county Farm Bureau. "For this reason it has been difficult to plan programs of help to groups with special commodity interests. The collection of farm statistics should be of tremendous value in analyzing fast-moving trends and to help us to take advantage of them," the farm leader said. Local farmers are asked to identify their type of farm operation, (field-crops, livestock, poultry, etc.) and to list their farm animals by breeds. The Farm Bureau survey goes beyond statistics in areas of farmer-interest such as "legislation," "Citizenship," "Local Affairs" and "commodities."

"Frequently we need to know the names of farmers who are interested in such things," William Korthase Jr. said, "in order to make committee appointments or to set up advisory groups to our County Farm Bureau Board."

Given as another example of potential use for the survey was a recent hog cholera outbreak in a southern Michigan county where the disease swept through a farming community in a matter of days. "Through data cards and high-speed electronic sorters, every hog farmer in our county, or the entire state for that matter, could have been alerted to the outbreak within hours," William Korthase Jr. said.

All data collected in the survey is considered highly confidential and will be used only in a "collective sense, never on an individual basis, he explained.

Before the survey is concluded state-wide, between 75 and 80 thousand Michigan farm families will have been asked to participate.

It is believed that a game similar to modern golf originated with the Dutch.

An Editorial

Needed: $25,000 Now

A "Letter to the Editor", published in this issue of the Courier chastises the Charlevoix Development Corp. for dragging its feet in raising the $25,000 it has committed itself to loan a new industry in this area. Those of us who are directors of the Development Corporation probably have it coming. It should be remembered, however, that all of these directors have to perpetuate their own business and may have only limited time to give. The hours they spend to promote the community is gratis.

Be that as it may, the Charlevoix Development Corp. has endeavored to co-operate in every way possible in bringing a second industry to Charlevoix. The Development Corporation, assuming the area would support a new industry, entered into an agreement to loan the new industry (not give). $25,000 to be repaid in five yearly installments of $5,000 each at three percent interest on the unpaid balance. The loan is to be negotiated when the plant for the new factory is completed.

Now the new plant on M-66 is nearly completed and it is expected to have the equipment installed and production underway by the end of the month.

As of now the Charlevoix Development Corp. needs approximately $12,000 to fulfill its committment. This amount must be raised by individuals buying shares in the Corporation at $10 per share. You can buy one share or as many as you like or base your investment in Charlevoix on how much another reliable and progressive industry will mean to your community. We'll all benefit, directly or indirectly.

Are you willing to volunteer your stock subscription or are you going to be a "free-rider" and let your neighbor carry your share of the load? Any community that considers itself progressive will take the first course.

You can subscribe for the amount of support you want to render at either the Charlevoix County State Savings Bank or the Charlevoix County State Bank. Any one of the directors listed below will also accept your subscription or call on you personally if requested.

Harold M. Totten, president; Max Novak, vice president; Joseph R. Williams, secretary, Archie L. Livingston, treasurer; directors, Clarence Rabach, Harley Warner, Carl Kohler, Frank Novotny, S. E. Coleman, Ted Browe.

Your community will only be as progressive and beneficial to you as you make it and the Charlevoix Development Corp. provides the means whereby a little support from all can result in big accomplishments.

Christmas Club Members Receive Checks from Banks

There are a lot of people who won't wake up after Christmas because of too generous giving. They should be the person who participated in the 1981 Christmas Clubs at local banks. Checks were mailed out this week by the Charlevoix State Savings and the Charlevoix County State Bank totaling nearly $35,000. The Charlevoix County State Bank reports it has issued Christmas Club checks in the amount of $25,741 and The Charlevoix State Savings Bank reports more than $10,000 distributed to its members.

The new clubs for 1962 are now being organized at both of the local banks.

Gordon Neff First To Report Buck

Who bagged the first deer in this area always offers competition. The first to report was Gordon Neff who said he got his six point buck north of town at 7:15 Wednesday morning. He has the deer in a pick-up truck at the Courier office to prove his claim.

A little later Jim Bergmann reported he had taken his 11 point buck at about 7:30 a.m. The next report came from Eugene Drost who had taken a six point buck south of Charlevoix. He didn't report the time of his kill.

Later reports have been received from Rick Davis who got an eight inch spike horn northeast of Charlevoix and Graydon Copeland who bagged a nice spike horn in Hayes township.

No reports have been received from the many local hunters who prefer the Upper Peninsula.

There also have been numerous reports from hunters who had shots on the opening day but failed to connect.

Seeking Bids For New Post Office In East Jordan

Competitive bids are being asked to build and lease a new post office building at East Jordan, according to a release from the office of Postmaster General.

Under the department's lease construction program, the site selected at the west side of Second st., will be assigned to the successful bidder. The building must be constructed according to departmental specification and will then be leased to the Post Office department for a basic period of 10 years with options to renew the lease for an additional 20 years. Bids must be submitted by Jan. 12, 1962.

Community Choir To Begin Rehearsals For Annual Concert

A call for the first rehearsal of the Charlevoix Community Choir in preparation for the annual Christmas concert was issued this week by C. A. Odmark, director of the vocal group.

Any adult in the area interested in joining the group should plan to attend the first rehearsal at 8 p. m. Tuesday in the band room of the new high school. No auditions will be held and only interest in participating in a program of the finest in Christmas choral literature is necessary.

Rehearsals will be held on Tuesday evening unless a more suitable rehearsal night is desired by the group. This will be decided at the first rehearsal next week. The date and time of the Christmas concert itself will also be decided at that time Mr. Odmark added.

Traditionally one of the musical highlights of the Christmas season, the choir this year will prepare a program of some of the best music available; new numbers will be included in the program along with the favorite Christmas carols and anthems done in the past.

A cordial invitation to join the group is extended to call residents of the area . . . Plan now to attend the first rehearsal at 8 p.m. Tuesday at the high school band room, using the May st. entrance.

Stolen Goods! Part of the loot recovered by state, county and local police following a recent series of thefts by juveniles. The offenders were apprehended after a cache of liquor was found stored in a sidehill between Hurlbut and Antrim streets. Other property taken by the five youths known to have been involved had been identified and returned to the proper owners before the picture was taken. Much of the loot shown here was taken from cottages that had been closed for the winter.

Churches Plan Thanksgiving Union Service

The annual Union Thanksgiving Service will be held at the First Methodist church this year according to the Rev. George L. Majors, pastor of the Community Church of God and president of the Charlevoix Ministerial Association, sponsor of the special service.

The service is scheduled for 10 a.m. Thanksgiving Day, Nov. 23.

The Rev. Alexander Wood, pastor of Christ Episcopal church, will deliver the Thanksgiving message.

The host pastor, the Rev. Raymond J. McBratnie, will give the call to worship; the Rev. Harold E. Kohn of the First Congregational church will present the Scripture reading and the pastoral prayer and Rev. Majors the responsive reading.

Jack Grubaugh, third ward alderman representing Mayor E. D. Hawley who will be out of town will raed the Presidential Proclamation.

The service also feature the singing of appropriate anthems and hymns by the choir of the host church and the congregation.

Worshippers of all faiths are invited to observe Thanksgiving by attending this traditional service.

Rites Wednesday For Mrs. Wm. Smith Pioneer Resident

Mrs. William F. Smith, 87, pioneer resident of this community, died Monday at her home at 106 Petoskey ave. She had been in failing health for some time.

Funeral services were held Wednesday at St. Mary's church with the Rev. Wendelin Klein O.F.M. of St. Francis Xavier church of Petoskey officiating. Burial was in St. Mary's cemetery. The Winchester Funeral Home was in charge of arrangements. The Rosary was recited Tuesday evening.

Born in Berea, Ohio, Aug. 5, 1874, the former Catherine Haggerty came to Hayes township with her parents in 1883. On Feb. 21, 1900 she was married to Mr. Smith at St. Francis church in Petoskey. They always lived here, either in the city proper or in Hayes township. They have resided at their present home since 1930. Mr. Smith preceded her in death on Aug. 7, 1961. She was a member of St. Mary's church and until recent years was active in the Rosary Altar Society.

She is survived by a son, John L. Smith of Petoskey; four daughters, Miss Mary Smith, Mrs. Harry E. (Monica) Bingham, and Mrs. Hugh (Catherine) Mayne, all of Charlevoix, and Mrs. Fitch (Margaret) Tooley of Boyne City; nine grandchildren and five great-grandchildren.

Community Chest Campaign Passes Halfway Mark

The 1961 Community Chest fund campaign passed the halfway mark this week as contributions totaled $5,405.01 or 53 per cent of the goal of $10,742 Mrs. Jeannine Essenberg, fund chairman announced Wednesday.

A few areas remain to be heard from and two solicitors in the business professional industry division have to complete their calls, Mrs. Essenberg said in urging that everyone who has not already contributed to date do so as early as possible so that the drive may be brought to a successful conclusion.

Unless everyone gives as much as he can, 12 agencies will suffer, Mrs. Essenberg added.

Many people have been very generous, increasing their contributions over last season because they appreciate the great need for additional funds. However, there are altogether too many $1.00 contributions from working people who could well afford more, she continued. If the participating agencies each conducted its own drive chances are you would give $1.00 to each agency. If everyone would contribute $1.00 to each of the 12 participating agencies included in Community Chest, we would have no difficulty reaching our goal, she said in conclusion.

Agencies included in the Chest drive include, Community Nurse, Michigan United Fund, Boy Scouts, Charlevoix Association to Aid Retarded Children, City Recreation, Charlevoix Hospital, Charlevoix county Red Cross chapter, Charlevoix Service Organization, Salvation Army, Mt. McSauba Ski area and Emergency Fund.

Final Rites Held Wednesday For Mrs. Esther Miller

Mrs. Esther Miller, 94, a former resident of this community who returned here two months ago to live with her daughters, Mrs. Marion B. Miller and Mrs. Lloyd H. Bruce, died Monday at their home at 204 Belvedere ave.

Funeral services were held Wednesday at the Lee Funeral Home in Muskegon Heights with the Rev. Clark Phillips of the Temple Methodist church officiating. Burial was in Mona View cemetery.

Born in Howell May 19, 1887, the former Ester Beattie came here with her parents in 1882. Two years later on Oct. 21, 1884, she was married to George A. Miller. They lived on a farm in Norwood township until moving to Muskegon Heights in 1918. Mr. Miller preceded her in death in 1943. In 1949 she went to Detroit where she lived until earlier this fall when she came here to live with her daughters. She was a manber of the Methodist church and the Macabee lodge.

Besides her daughters, she is survived by two sons. Leo B. Miller of Franklin and William E. Miller of Chicago; four grandchildren and 14 great-grandchildren. A daughter, Mrs. Zeph Cloutier preceded her in death.

Four Rayders Win All-Conference Recognition

Four members of the Charlevoix Rayders football team received All-Conference recognition when they were given honorable mention on the coaches' choices for the 1981 Northern Michigan Class C All-Conference team announced this week.

Members of the 1961 Conference Championship team dominated the coaches' choices with five of the Boyne City Ramblers winning berths on the first team. East Jordan was given three places, Mancelona two and Harbor Springs one.

The Charlevoix grid players to receive honorable mention were Stan Martin, quarterback, Henry Wagner, halfback, Darrell Someville, tackle and Dale Burke, guard, on this year's Rayders

Two Pupils Killed By Hit-Run Driver; Suspect Waives Exam

A 16-year old youth, a freshman student at the East Jordan high school, and a 7-year old second grade student who lived across the road from each other on the Ellsworth-East Jordan road were killed about 4:05 p.m. Tuesday when they were struck from behind as they walked from their school bus stop to their homes.

The car sped from the scene without stopping.

Gordon Boss, son of Mr. and Mrs. William Boss of RR East Jordan, and Grandson of Mrs. John Boss Sr. of this city, and Mary Fisher, daughter of Mr. and Mrs. Raymond Fisher, former Marion township residents, were pronounced dead at the scene of the accident 2½ miles west of East Jordan.

Mary's 11-year-old sister, Jean, who was walking with them, suffered a broken arm, bruises and abrasions and was treated at the office of Dr. Jerry VanDellen in East Jordan.

Milton A. Warren, 28, of Inkster, a native of Mancelona, was picked up for questioning in an East Jordan tavern within an hour after the tragedy occurred after a car which he admitted driving, was sighted in a parking lot in the rear of the bar on M-32. The car had a damaged radiator grill, broken head light and other damage which prompted officials to question him. Police later found the car had been stolen in Wayne county Monday.

Warren waived examinations before Justice Charles A. Landers on a charge of manslaughter in East Jordan Wednesday afternoon and was bound over to the next term of circuit court. Bond was set at $5,000 and he was remanded to the Charlevoix county jail here to await arraignment in the higher court.

The accident was discovered by Claude Gilkerson of RR East Jordan who was driving west on the Ellsworth-East Jordan highway. He said he had been almost forced off the highway by the fleeing car and thus was able to furnish police officers with a description of a car they telt might be the one belonging to the hit-run driver.

Chief of Police Joseph Hammond of East Jordan and Deputy Sheriff Philo Sumner responded to Gilkerson's call after the Sheriff's department had set up a road block in the area. They were assisted by State Police from the Petoskey Post.

A Southgate Police Sergeant, Robert Tyo and three of his patrolmen who were in the area prior to the deer hunting season drove on to the accident scene and offered their services to Chief Hammond, a friend of Tyo's. Chief Hammond asked them to check the city of East Jordan for a car answering the description given them by Gilkerson. It was they who found the car, apprehended Warren in the tavern and took him to the police station for questioning.

In the warrant charging Warren with the deaths of the two young people, he was charged with driving under the influence of liquor and on the wrong side of the highway. Earlier he had told Prosecutor Harvey C. Varnum that he did not remember seeing the children walking along the highway and did not know he had struck them until he saw a body fly past the windshield of his car. He said then he panicked and fled.

Meanwhile, the grief-stricken families made arrangements for final services for their loved ones.

Funeral services for Gordon will be held at the Christian Reformed church in Ellsworth at 2 p. m. Friday with the Rev. Henry Zwaanstra officiating. Burial will be in the Atwood cemetery.

He was born Aug. 7, 1945, and attended the Ebenezer elementary school in Ellsworth until transferring to the East Jordan high school in September.

Besides his parents, he is survived by two sisters, Lois of Grand Rapids, and Cynthia Sue, at home and a brother Ronald W. at home; his paternal grandmother, Mrs. John Boss Sr. of Charlevoix and his maternal grandparents, Mr. and Mrs. Herman Heeres of Ellsworth.

CHS Basketball Practice Begins

Charlevoix high school athletes have replaced the pigskin of the gridiron with the round ball of the basketball court as they prepare for the opening of the 1961-62 basketball season Dec.1.

On that date the Rayders will travel to Pellston to take on the Hornets in the first of four games before the holidays.

Meanwile Coach Don Carey is working nightly with young aspirants in preparation for the 18-game season.

The team was struck a blow this week when Gary Spencer, a reg[illegible] last year's squad who suffered a knee injury during the football season, was forced to quit practice after only two nights as the result of the earlier injury. Coach Carey said Wednesday that it was doubtful if he could return, at least for the present.

This leaves but two regulars from last season, Stan Martin and John Pearl plus two others, Henry Wagner and George Majors. A fifth player who is a strong contender [illegible] Pearl who saw only limited action with the Varsity squad.

Others will come from last year's J-V squad, Coach Carey said.

Funeral Services Held Sunday for Mrs. R. A. Marshall

Mrs. Ronald A. Marshall, a resident of this community for the past 3½ years, died late Thursday at the Charlevoix hospital where she had been a patient for less than 24 hours. She had been in ill health for some time.

Funeral services were held at the Winchester Funeral Home Sunday with the Rev. Raymond J. McBratnie and the Rev. L. L. Lewis officiating. Burial was in Brookside cemetery.

Born in Iberia, Mo., the former Maud Shockley was married to Dr. Marshall at Terre Haute, Ind., in 1919. They made their home at Madison, Ill., where he conducted a dental practice until his retirement in 1952. They continued to live there until May, 1958, when they moved to Charlevoix to be near Mrs. Marshall's sister, the late Mrs. Jay Adams. Dr. Marshall died May 30, 1958 within a week after their arrival here. She was a member of the Methodist church at Madison, Ill., and of the Granite City, Ill., chapter of the Order of the Eastern Star.

She is survived by a sister, Mrs. Anna Doubikin of St. Elizabeth, Mo., and several nieces and nephews.

NO HUNTING! GAME REFUGE
NOVEMBER
IN MICHIGAN
BY HAROLD E. KOHN

A Nosy Animal

A deer is one of the "nosiest" of North American animals. It is nose-dependent, counting on this organ more than any other to satisfy its curiosity, to communicate with other deer, to find its own way amidst the copses and thickets of the North, and to warn it of approaching perils.

A deer's eyesight is not its keenest sense. While a whitetail's eyes are sharp in discerning movement, they seem to be almost incapable of distinguishing the form of a motionless enemy from its surroundings. If a buck sees a suspicious figure standing still he seeks to confirm his suspicions by gathering what evidence he can with his ears and nose. He may wait for a twig to snap or for a vagrant breeze to bring him a tell-tale odor, or he may circle the object, testing the wind as he moves.

A white tail's ears are better than his eyes. In fact they are almost unbelievably good. The big ears of a deer are ideally designed to filter every sound from the message-laden air so that his brain can interpret it, marking it "safe" or "dangerous". While sounds normal to its environment, such as the call-note of a chickadee or the laughter of a happy brook will not alarm a deer, the animal becomes suddenly alert and uneasy when an unusual sound is sensed. One reliable observer caused a doe to to leave a large clearing in the forest solely by softly clicking his fingernails behind his back as he stood downwind, hidden in a dense balsam thicket. The measured distance from the doe to the thicket was seventy-five yards.

But, of all its senses, the deer counts most on its sense of smell to communicate with his fellows and to warn him of danger. A deer's sense of smell develops early. When less than a week old a fawn can select its mother from among several does. A fawn of this age has been observed to sniff at three and four does before finding its own mother, and in one instance twin fawns scented three different adult deer before identifying the fourth as their mother. When the twins caught her scent from several feet away they quickly ran to her and started nursing.

Long before experiencing the dangers of its first hunting season the fawn uses its sense of smell to keep it in contact with other members of the deer herd. After weaning, the fawn still trails its mother with its nose, and does backtract themselves to their fawns by scent sensitivity. During the rutting season bucks can be seen with their heads close to the ground, following does that are out of sight.

No one can say exactly how far scent will travel to a deer, for so many local conditions influence the distance factor, such as the speed and direction of the wind and the humidity of the atmosphere and the acuteness of the deer's olfactory lobes—which perhaps differs from deer to deer as it does from man to man. But there is no doubt that when a gentle breeze carries man-smell downwind, a deer senses it at least half-a-mile away and often much more. The cardinal rule of hunting, therefore, is not noiselessness (although that will help), but hunting against the wind. If there is doubt as to which way the wind is blowing, take a handful of dry grass or fine dust, throw it into the air and watch which way it drifts. Or wet a finger and hold it up. The finger will feel colder on the side from which the wind blows.

Important though its other senses may be to a deer, it is the sense of smell that tells the animal a hunter is near before he can see him. Smell says "female" to a male and "male" to a female. Smell whispers "mother" to a fawn and "fawn" to a doe. Smell penetrates the night and warns of dangers veiled by darkness.

A deer may doubt the judgment of its eyes, and be undecided concerning the witness of its ears. But deer trust their noses.

Voice of Our Readers . . .

Dear Sir,

In June 1961, at a meeting in the City Hall it was announced to all interested citizens of Charlevoix that a Detroit Company wanted to build a new factory in Charlevoix.

Several key personnel from the company were introduced and they in turn demonstrated some of the products that they produce. In conclusion it was stated that the people of Charlevoix would have to raise about $15,000.00 thru the Charlevoix Development Corp. to help build the building for the new concern, and further that this money was to be raised by the people to show faith . . . that they were interested in the company and that they wanted the company, in Charlevoix.

The Charlevoix Development Corp. stated that they could and would raise the money so that the Company could start production in November 1961.

The new building is now completed . . . But, where is the money that the people of Charlevoix were going to raise ? ? ?

I haven't noticed anything in print on this project, and it appears that nothing has been done!

Does Charlevoix really want industry ? ? ?

The present performance indicates a dead, stale economy, complacent people, with very little interest in the progress of the community.

We pride ourselves on the modern civic buildings i.e. City Hall, County Bldg, Hospital, County Jail, also the paved streets and sidewalks, parks, harbor, and many other items. But the stark truth is that the people must have jobs if they are to continue to live in Charlevoix and the best way to provide these jobs is through industry.

The new industry has already built their building . . . so what is Charlevoix waiting for ? ? ?

I am sure that the next industrial prospect that we talk to will take a long look at the lack of action on the current project here and will then have reservations on any promises that the people of Charlevoix make to them, and consequently will probably end up in some other town that really wants industry.

Lorian Sanford and Mr. Lewicki Marry in St. Mary's Church

St. Mary's church was the scene recently of the wedding of Lorian M. Sanford and James P. Lewicki, U.S. Coast Guard.

Parents of the couple are Leonard Sanford of Tucson, Ariz. and the late Mrs. Sanford and Mr. and Mrs. Martin Lewicki of Sherburne, N.Y.

The Rev. E. Francis Denay officiated at the double ring service during a nuptial mass celebrated Nov. 4 before an altar decorated with arrangements of mums in autumn shades. Mrs. Frank Oleksy was the organist. Mrs. Donald Faiting sang "Ave Maria".

Given in marriage by her uncle, Forrest Sanford, the bride wore a gown of white Chantilly lace over taffeta for her wedding. Fashioned with a fitted bodice, sabrina neckline and long sleeves, the gown had a floor length skirt of tiered lace with an apron of the same lace accented with a butterfly bow at the back. Her fingertip veil fell from a Swedish crown and she carried a white orchid with white ribbon streamers.

Mrs. Fritz Allard as her sister's only attendant wore a light green peau de soie street length gown made with a bateau neckline, cap sleeves and a full skirt that fell in soft pleats. Her headdress was in the same light green net and peau de soie and she carried a bouquet of yellow mums and pompons and ivy.

John Lewicki of Sherburne, N. Y., assisted his brother as best man. Robert Sanford of Lansing and Mr. Allard, brother and brother-in-law, respectively, of the bride seated the guests.

Mrs. Forrest Sanford aunt of the bride, wore a light gray two-piece dress and black accessories for her niece's wedding. Mrs. Lewicki, mother of the bridegroom, wore a beige chiffon over yellow print taffeta and brown accessories. Their corsages were of yellow and bronze mums.

A wedding breakfast at the home of Mr. and Mrs. Allard immediately after the ceremony was followed by an evening reception at the Charlevoix Rod and Gun club.

The couple then left on a wedding trip to Niagara Falls and Sherburne, N.Y. At Sherburne they were honored at a reception given by Mr. Lewicki's parents. For traveling the bride wore a gold suit, black accessories and a white orchid corsage, They are now residing at 402 Antrim st.

The bride is a 1960 graduate of the Charlevoix high school. Mr. Lewicki is a graduate of Sherburne high school and is now serving with the U.S. Coast Guard aboard the Cutter Sundew.

Wedding guests were present from Detroit, Lansing and Sherburne, N.Y.

Past Noble Grand Club Reveals Christmas Plans

Plans for their annual Christmas party to be held at the home of Mrs. Grace Geneit on Dec. 14 were made by members of the Past Noble Grand Club at their regular November meeting held Thursday at the home of Mrs. Earl Blood.

The names of secret pals for the year will be revealed at the December meeting which will begin with a co-operative dinner followed by an exchange of gifts and a brief business meeting. Mrs. Floyd Ikens will furnish the gypsy gift at the meeting.

At Thursday's meeting Mrs. William Ager presided at the business session which followed the 6:30 dinner. Mrs. Blood presented the devotions entitled "My Peace I Give Unto You", Mrs. Luther Hannah gave the opening and closing prayers. Following the business session, games were played with prizes going to the winners.

Other members present were Miss Frances Durance, Mrs. Birdie Gleason, Mrs. George Cook, Mrs. Jerold Murdick, Mrs. Eldred Ostrum, Mrs. Fred Gill and Mrs. Raymond Seymour.

Babtists to Hear Dr. E. Floyd Norton

Dr. E. Floyd Norton, director of Christian Education for the Michigan Baptist Convention, will be the guest minister at the First Baptist church here Sunday the Rev. L. L. Lewis, pastor of the church, has announced.

Dr. Norton will be present for the Sunday School at 10 a.m. and will preach at the 11 a.m. worship services in the absence of Rev. Lewis.

Girl Scout News

St. Mary's Church To Stage Annual Clothing Drive

The thirteenth annual Thanksgiving Clothing Collection in the Grand Rapids diocese will be held the week of Nov. 19 to 26, the Rev. E. Francis Denay, pastor of St. Mary's church, one of 125 participating parishes in the 29 western Michigan counties which comprise the diocese, has announced.

A goal of 150,000 pounds of clothing has been set for the diocese which last year contributed a record 120,000 pounds of shoes, blankets, bedding and clothing of every description.

In announcing plans for the drive, Father Denay asked the members of St. Mary's parish to participate by contributing the above mentioned items. He asked that they be in good repair with shoesstrings in shoes that need them, buckles or straps attached and with buttons and zippers on clothing. He also asked that the clothing and other items be clean as well as in repair for there is no way provided to mend or clean the clothing and other contributions once they are given.

Trucking companies will transport the contributions of the parish to Grand Rapids after they have been sorted and packed here. The contributions will then be shipped with those from throughout the diocese to the eastern headquarters of the National Catholic Relief Agencies where they will be again sorted and prepared for shipment where ever they may be needed around the world.

One of the areas designated to receive assistance is British Honduras hit recently by Hurricane Hattie.

Make your Thanksgiving a time of thanksgiving for others by taking your usable contributions to St. Mary's school here.

Educators Hear Dr. Albert W. Brown

Dr. Albert W. Brown, Dean of the College of Arts and Science at Eastern Michigan University, spoke on the subject of "Social, Economic and Political Aspects of Resources Management" at the fall meeting of the Northern Michigan Association of County Boards of Education held recently in Cheboygan.

He stressed the importance of understanding the area in which one lives and stated that the expansion of the midwest is the greatest of anywhere in the world. He added that it was important to teach the children of northern Michigan to undersatnd the area, its resources, advantages and problems.

Attending from Charlevoix were Charles A. Robinson, Charlevoix county superintendent of schools, Mrs. Robinson, Mrs. Amandus Evers and Mr. and Mrs. William A. Parsons.

NMCCC Seniors Bid Farewell To High School Football

With the final whistles of football officials still echoing in their ears, 96 young prep school athletes have hung up cleated shoes and jerseys bearing familiar numbers for the last time as seniors on the eight teams that make up the Northern Michigan Class C Conference.

The 1961 champs, the Boyne City Ramblers and second place East Jordan, will suffer the greatest losses to the June cap and gown parade with each team losing 13 players including several who have helped make area football history. Harbor Springs, Pellston, Gaylord and Charlevoix each count 12 seniors with Mancelona and Grayling having 11 each.

At Boyne City Coach Paul Pfahler is bemoaning the loss of nine of his starting 11 including speedster Doug Grubbe, top scorer in the loop, Tracy Newville and Bob Snyder, all backs and end Larry Thompson and on Ward, tackles Charles Vincent and Greg Smith, guard John Hale, and center Bill Heierman, six of whom have played Varsity ball together for four years; plus four players who gave depth to the bench or played on the defensive squad including Harvey Johnecheck, Mike Koteskey, Bill House, and Don Owens. Of the group Ward and Grubbe received all-conference recognition last season and are expected to be named to this year's squad later this month and to receive all-state recognition.

At East Jordan, Coach Wes Fleet has 10 regulars among the 13 seniors, including the squad's "bread and butter" player Tom Graham who has playaed three years of Varsity football and who has averaged 11.1 yards per carry for the season, Bud Gee, another three year veteran, Ray Fisher and Bill Deitrich, the latter a defensive player, all backs and linemen Bill Cox, Bob Goebel, Bob Sherman, and all-conference guard Rick Annear, and regulars Oliver Sayles and Dave Pienta, and Ed Campau, Bill Derenzy and Pat Greenman who gave the team bench strength.

Eleven regulars are listed among the 12 seniors Coach Charlie Paige will lose at Harbor Springs. Among them are Harvey Kasuske, the team's top scorer, Gary Stutsman, Jim Burdick, all backs, Jay VanHoven, Howard Allen, John Halter, Max Rockwell, Don Sellers, Chas. Schlappi and Don Juilleret, all regular lineman and Tom Kushak, substitute fullback. Kasuske is also an all-conference player from last season's top squad.

At Pellston where Coach Francis McMahon has announced his retirement as football coach, 11 regulars are among the seniors including Ray Mehalec, Bill Swartout, Merle Cameron, all backs, and linemen Tom Bricker, Jim Cassidy, Maurice Eby, Gary Grant Jack Pasney, Lud Millhausen and Tom Corneil. The twelfth player being lost to the squad another season is Ken Fosmore who will be inelegible because of the age limit of 19 years.

Coach Don Beemer who has completed his first year as Gaylord grid coach will lose seven regulars including Tom Tapio, Larry Simpson and Dick Farrand, the latter the team's top scorer, all backs and Marti Gilmore, Gabby Nowak, Steve Crook and Bernie Boughner, regular linemen. Others who will graduate are Bernie Atkins, Bob Bebb, Rich Ineland, John Denholm and Rich McManne II.

Coach Don Carey lists seven regulars among his seniors including Stan Martin, Henry Wagner, Denny Wojan, all backs and linemen Allan Bolhuis, Darrell Somerville, Dale Burke and Ted Tunison along with reserves Don Berg, Bruce Bartlett, Don Anders and Rick Kallmeyer, a German exchange student, and one junior, Gary Balch, who will be 19 before the '62 season opens.

At Mancelona Coach Matt Jacobson has eight regulars among his seniors including Ken Johnson, the team's top scorer and former all-conference back, Larry McCarty and Kent Stradinger, all backs. Richard Dickinson, an all-conference tackle last season, Bob Moore, Bill Neeland, Ron Conway and Jim Bogart plus three who saw limited action, Bill Brown, Bill Simpson and Russ Alexander.

Coach Don Ferguson of Grayling has nine regulars among the 11 seniors including Mike Young, Tom LaMott, Lacey Stephens and Gary Pettijohn, all backs, Martin Tinker, Larry Gust, Sherman Neal, Norman Sorenson and Jim Johnson. Others are Bill Moshier and Tom Jurkovich, who saw limited action. Earlier Grayling lost a regular, Ted Carlson, when his family moved to Howell.

Telephone lines

By LES JOHNSON, *Manager*

WHEN STORMS, fires or floods strike, people depend on the telephone to carry urgent—often lifesaving—messages. At most Michigan Bell central offices we keep "stand-by" generators or storage batteries that can be used at a moment's notice to supply power needed to maintain phone service until the emergency is over. This extra "dependability insurance" is a good example of the way your telephone company plans ahead so you'll always have phone service when you need it.

* * *

NOT ALL our customers get their telephone bills at the same time of the month. Some of them have asked us why. Here's the answer: issuing bills throughout the month spreads the work load, keeping our employees who prepare bills busy during the whole month. This makes most efficient use of billing equipment and also spreads the work load more evenly at bill payment offices. You're served more promptly than you'd be if every bill come due on the same day.

* * *

ONE OF THE ways the Telephone Company keeps the cost of your phone service low is by figuring how many calls will be made at any given time. The volume of calls varies with the time of day, the day of the week, the weather and the season. Our studies tell us how many people we need to meet each day's expected work load. Thus there's no wasted manpower that would add to the cost of your service. When emergencies such as storms increase calls, we can quickly bring in extra people. That's why your telephone is always ready to serve you, 24 hours a day.

SUNDEW REPORT

The beginning of this month was spent in the Straits of Mackinac checking the Mackinac Bridge buoys, Wiggin's Point and Boulder Reef Buoys. From Boulder Reef we returned to Charlevoix.

We remained in port Thursday, Nov. 2, and the following day we were underway for Detour where we checked Crab Island buoy.

We returned to Charlevoix Saturday and remained here Sunday and Monday before getting underway Tuesday for Cheboygan where we de-commissioned five unlighted aids for the season. We spent the night in Mackinaw City before returning to Charlevoix where we remained through Sunday.

Sundew Scuttlebutt

The roster of the Sundew has changed considerably in the past few weeks . . . . Gerald Schramski, Engineman first, was transferred to Sangley Point in the Phillipines . . Robert Skakun, Hospital Corpsman, third class, from Jackson, Mich., reported aboard to replace Carter 'Doc' Miller who will be leaving shortly for Oakland, Calif. . . Bill Schulte, Storekeeper second, reported aboard from Cleveland. . . Allen Gulau, Engineman First, reported aboard from Huron Lightship . . and Wayne Ascraft, Boatswain's Mate third from Middle Island Light station which was de-commissioned recently.

The Sundew rifle team placed first in competition this fall among other Coast Guard teams on the Great Lakes . . .Dennis Harrington was recently advanced to Boatswain's mate third.

Best wishes and congratulations to Lori and Jim Lewicki who were married early this month and to Nancy and John Currier who were married earlier this fall . . Congratulation also to Hilda and Gary Armstrong who are parents of a son, born recently.

Essenberg-Kayner Wedding Vows Spoken In Church Rites

Ellsworth—Mr. and Mrs. Larry Lee Kayner are making their home at Atwood following a wedding trip through the Upper Peninsula. The couple was married at the Christian Reformed Church on Oct. 27.

The bride is the former Lucille Essenberg, daughter of Mr. and Mrs. Melvin Essenberg. Mr. and Mrs. Richard C. Kayner of Atwood are the parents of the bridegroom.

The Rev. Henry Zwaanstra officiated at the double ring service before an altar decorated with bronze and white mums and lighted tapers. Joan M. Drenth, cousin of the bride, at the organ played a program of wedding marches and accompanied the soloist, Henry Drenth of East Jordan, uncle of the bride.

Given in marriage by her father the bride selected a floor length gown of white lace and net over satin for her wedding. A tiara of pearls and sequins secured her veil and she carried a bouquet of white carnations and yellow sweetheart roses.

Mary Jean Essenberg, as her sister's maid of honor, wore a ballerina length gown fahioned with a royal blue velvet bodice and skirt of organza over taffeta. Her bouquet was of yellow and white mums.

Carol Kayner and Suellen Kayner, sisters of the bridegroom, as bridesmaid and junior bridesmaid respectively, wore gowns of peacock blue velet similar to the honor attendant's and carried yellow and white mum bouquets. Mary Kayner, sister of the bridegroom was flower girl and Timmy Klooster of Grand Rapids ring bearer.

Robert Vollmer assisted his foster brother as best man. Carl Pots served as groomsman and Dennis Drenth as junior groomsman. Robert Heeres and Larry Essenberg seated the guests.

Mrs. Essenberg chose a gown of magenta wood with matching accessories for her daughter's wedding. Mrs. Kayner, mother of the bridegroom, wore a turquoise wool dress, matching feather hat and accessories. Their corsages were of white carnations and yellow sweetheart roses.

A reception at the American Legion post home followed the ceremony. Assisting were Judie DeYoung, Lynda Smalley, Mrs. Arthur Drenth, Rose Ann Dykstra, Marlene Knoll and Sharon Drenth.

Out of town guests were present from Madison Heights, Okemos, Holland, Adrian, Palmyra, Columbus, Ohio, Kanawha, Iowa, Chicago, East Jordan, Grand Rapids and Elk Rapids.

Emlyn Williams Recording Heard By Club Members

A recording of three readings from Charles Dickens novels by Emlyn Williams, prominent British actor, was presented by Mrs. Harry Ladd, program chairman, at the regular meeting of the Dickens Study club held Monday at the home of Mrs. Frank Courier. In the recording Mr. Williams impersonates the great English writer as he might have told the stories.

Mrs. Courier, assisted by Mrs. Ray S. Hamilton, served dessert as the members arrived for the meeting.

Plans were also made for the next meeting to be held at the home of Mrs. P. D. Campbell at 1:30 p.m. Nov. 27.

For 1962...an all-new kind of Ford!

the car that's just right for just about everybody

right size... right price...

You've never seen anything like it, because *there's never been anything like it* . . . until today. On the outside the new Ford Fairlane 500 measures a quick 197 inches from stem to stern. A good foot shorter than the cars from which it borrowed its name, it calls the snuggest parking places home. At the same time, *on the inside* the new Fairlane 500 is every inch as big as some of the biggest Fords ever built.

The new Fairlane 500 is priced way under previous Fairlanes, well under many compacts. But Fairlane economy doesn't stop with a pretty price tag. It runs to amazing gas savings—with the world's first economy V-8 or the nickel-nursing Fairlane Six. Routine service is reduced to a minimum—30,000 miles on many items, only twice a year or 6,000 miles on the rest. And it adjusts its own brakes.

RIGHT ! Unique economy choice: the world's first economy V-8 or the delightfully thrifty Fairlane Six.
RIGHT ! Fine-car upholsteries, appointments, luxuries.
RIGHT ! The built-in value that pays off in pleasure now—and in profit when it comes time to trade.
RIGHT ! Quality and precision craftsmanship you've never before enjoyed in any car anywhere near its low price.

C of Commerce Represented At Tourist Meet

Paul Kohler, secretary-manager of the Charlevoix Chamber of Commerce, was in Traverse City last week to represent the community at the hearing of testimony by the Michigan State Senate Interim Committee on Tourism headed by Thomas F. Sweigert of Petoskey, State Senator from the 28th district.

Purpose of the meeting was to obtain testimony on suggestions of how the legislature could improved the tourist business climate and resort business in the state, how to attract more tourists and how to keep the tourist dollars in the state once they are here.

Aurey Strohpaul of the West Michigan Tourist Association was present and the majority of Chambers of Commerce in western Michigan were represented at the meeting.

Mr. Kohler, in his testimony, urged installation of adequate signs on North-South throughways informing the traveling public of local attractions, accomodations and services so as to divert some of the express traffic to this area,. This is of major importance now because the new bridge into Canada at the Soo will do much to encourage more tourists to visit Canada and as a result more American tourist dollars across the border instead of Michigan he said. Mr. Kohler then pointed out that over-the-highway signs at the intersection of US 131 and M-66 might serve this purpose and urged that such a sign be erected. He presented results of his talk with Secretary of State James Hare, State Highway Commissioner John Mackie and Mr. Sweigert regarding this proposal. He also told what the Charlevoix Chamber has done on its own in this respect by installing a sign on private property at the intersection.

Walter E. Thorsen, president of the East Jordan Chamber of Commerce, gave support to Mr. Kohler's suggestion in his testimony before the group.

NOTICE

NOTICE IS HEREBY GIVEN, of the abandonment and discontinuance of part of the "Dump Road" pursuant to the following Resolution duly adopted by the Board of County Road Commissioners of Charlevoix County, Michigan, at it's meeting held on November 13, 1981, Viz:

RESOLUTION

Commissioner Erber offered the following Resolution and moved its adoption, seconded by Commissioner Rogers:

WHEREAS, the Crescent Stone Company and over seven (7) other freeholders of the Township of Charlevoix have petitioned the Board of County Road Commissioners of Charlevoix County, Michigan to absolutely discontinue and abandon that portion of the County Road Highway known as the "Dump Road" that passes through the land of the Crescent Stone Company and is abutted upon either side only by land of the Crescent Stone Company and the City of Charlevoix's Dump, which part is hereinafter more particularly described, for the purpose of relocating the said part of said road to allow the development and use of the Crescent Stone Company's land and also to aid in tho program of expanding the City of Charelvoix's Airport; and

WHEREAS, this Board has set it's meeting this date, November 13, 1981, at 10:00 A.M., at the County Road Building on Highway M-75, East of Boyne City, Michigan, for a public hearing upon said Petition and due notice of said hearing having been given by publication in the Charlevoix Courier, a newspaper published and circulated in the City of Charlevoix, Charlevoix County, Michigan, by posting in three (3) places in Charlevoix Township, and by mail to all of the owners and occupants of land abutting upon that part of the road sought to be abandoned and discontinued, as appears from the Proof of publication, Proof of Posting, and Proof of Service filed with the Board; and

WHEREAS, after full hearing thereon and this Board being fully advised in the premises the Board has determined that it is advisable to absolutely abandon and discontinue that said part of said road for the purpose set forth in said Petition;

THEREFORE BE IT RESOLVED, by the Board of County Road Commissioners of Charlevoix County, Michigan, that the following part of a County Road Known as the "Dump Road" be abandoned and discontinued as of November 13, 1961, as a County Road and cease to be a part of the County Road system, and that said Board determines it to be to the best interest of the public that said highway so abandoned and discontinued should be, and the same is hereby, absolutely abandoned and discontinued; said part of said County Road so abandoned and discontinued being in the Township of Charlevoix, Charlevoix County, Michigan, described as follows:

> "In the Township of Charlevoix, Charlevoix County, Michigan, the South 33 feet of the Southwest (SW ¼) Quarter of Section 27, except the East 14.1 chains thereof; the South 33 feet of Section 28; the North 33 feet of the Northwest (NW ¼) Quarter of Section 34, except the East 14.1 chains thereof; and the North 33 feet of Section 33; all in Township 34 North, Range 8 West."

BE IT FURTHER RESOLVED, that a Notice of this determination be given by the Clerk of the Commission to the proper Highway authorities and published and circulated in said County, once each week for three (3) consecutive weeks.

Resolution, adopted by the following yea and nay vote:
Yeas: Erber, Fineout and Rogers.
Nays: None. Absent: None.

Dated: November 13, 1861.

Ralph S. Hamilton, Clerk of the Board of County Road Commissioners of Charlevoix County, Michigan.

County F. B. Representatives Attend Annual State Meeting

Representatives of Charlevoix County Farm Bureau groups were in East Lansing last week to attend the 42nd annual meeting of the Michigan Farm Bureau at Michigan State University.

Official delegates were William Korthase Jr. of Boyne City, county chairman, George Klooster of East Jordan and Thomas Wieland of Charlevoix.

Mrs. William Parsons county women's chairman, was delegate from this group. She was accompanied by Mrs. Hiram Brock of East Jordan, Mrs. Carl McBride, Mrs. Dawson Way and Mrs. Wieland.

The opening session found all groups meeting jointly to hear John Hannah, president of the University; Walter W. Wightman, Michigan Farm Bureau president and Herbert Harris of the research department of the American Farm Bureau Federation.

Mrs. Brock received recognition as one of the past district chairmen of the state at a luncheon meeting. During the afternoon the women's group heard addresses by Mrs. Louise Bushnell, director of the Women's Department of the National Association of Manufacturers and August E. Johansen of Battle Creek, Congressman from the 3rd Congressional district and a member of the House Commnttee on Un-American Activities.

Mrs. Parsons accepted in behalf of the Charlevoix county Farm Bureau Women the first prize for having the most members in attendance for a non-host county at the state-wide fall district meetings. District 10-West of which this county is a part was awarded second prize for attendance in the state at the recent district meeting at Topinabee. Mrs. Wieland, district chairman, accepted this prize.

Highlight of the three-day conference was the banquet at Kellogg Center where more than 1,000 members heard W. Cleon Skousen, author of "The Naked Communist", speak on his work as field director for the American Security Council. He formerly was Chief of Police in Salt Lake City and with the F.B.I. for 15 years.

Other features of the annual conference were Michigan Farm Bureau Young People's meetings and commodity conferences in the fields of dairy, field crops, fruits and vegetables, livestock and poultry.

Before adjourning, the 701 official delegates spent two days discussing and considering 117 resolutions concerning the organization as well as state and national issues which came from local Farm Bureau groups.

Kiwanians Hear Archie Murphy

Archie Murphy of East Jordan, secretary of the State Agriculture Commission, spoke on the work of the organization at the regular dinner meeting of the Kiwanis club held Monday at the high school cafeteria.

Mr. Murphy listed among the major duties of the office the control of farm animals and crops as well as certain harmful insects.

Rev. Alexander Wood, pastor of Christ Episcopal church, was inducted as a member and Robert Foss was re-instated.

Joseph Herron directed group singing.

Letters of thanks from Charlevoix Elementary school youngsters regarding the Hallawe'en party hosted by the club were reao.

Fifty sixth grade students enjoyed the Kiwanis travelogue on Isteal in Petoskey Thursday as guests of the club. The cost is underwritten by the club from funds realized from the sale of season tickets to club members.

Curtis Burlin has been renamed secretary-treasurer for 1962 by the board of directors who will assume their duties in January.

William J. Goeman Funeral Service Held At Atwood

Ellsworth—William J. Goeman, 52, lifelong resident of this community, died unexpectedly at his Mitchell district home Thursday.

Funeral services were held Monday at the Atwood Reformed church with the Rev. Douglas VanGessel officiating. Burial was in the Atwood cemetery.

Born in the Mitchell district Apr. 25, 1909, Mr. Goeman always resided here except for one year spent in Mt. Pleasant. He was married to the former Hattie DeYoung on Oct. 16, 1936.

Active in church and community affairs, he was an elder and deacon in the Atwood Reformed church, a Sunday school teacher for many years and a former member of the Ellsworth Community School board. He was employed at Will-Flow Corp. in Charlevoix at the time of his death.

Besides his wife, he is survived by two daughters, Mrs. Robert (Marilyn) Courtright and Mrs. Charles (Arlene) Courtright, both of Mt. Pleasant; two sons, Wayne and Carl at home; two grandchildren; his mother, Mrs. John Goeman of Ellsworth; three brothers, Solomon of Grand Rapids, Marvin of Grandville and Cyrus of Ellsworth and two sisters, Mrs. John Bosma of Grandville and Mrs. George Meppelink of Hudsonville.

The Hastings Funeral Home was in charge of arrangements.

Local Bowler Sets New Record

Mrs. John Sladek, a member of Browe Electric's women's bowling team, set a new game and series record at the Paul Bunyan Lanes last week according to Mrs. John Swanson, league secretary.

Mrs. Sladek, who is participating in her second season of league bowling, bowled a 235 game to better the old record of 226 and a series of 235, 185 and 190 for a total of 610 or 84 over the former record of 526 for women bowlers at the local lanes.

Under the Homestead Law passed in 1843, settlers in Michigan were allowed to obtain up to 160 acres by paying 10 cents an acre, living on the property five years and making certain improvements.

squad.

Winning berths on the All-Conference first team were Backs Doug Grubbe of Boyne City, top scorer and ground gainer in the loop, Tom Graham of East Jordan, Ken Johnson of Mancelona and Harvey Kasuske of Harbor Springs, who rated one, two and three, respectively, behind Grubbe in league scoring. The backfield is comparatively small, averaging 170½ pounds and 5 ft. 9 in.

In the line of this 'dream team' are Ends Ron Ward of Boyne City, Bill Cox of East Jordan and Lawrence Thompson of Boyne City, the latter two tieing for the position; tackles, Charles Vincent of Boyne City and Richard Dickinson of Mancelona; guards, Bob Sherman of East Jordan and John Hale of Boyne City and center, Bill Heierman of Boyne City. The line averages 193 pounds.

All are seniors.

Ward and Kasuske won first team recognition, Grubbe, Johnson, Sherman and Dickinson second team mention and Vincent honorable mention in 1960.

Named to the second team were: Backs, Bob Snyder and Tracy Newville of Boyne City, Bud Gee of East Jordan and Gary Stutsman of Harbor Springs; ends, Rich Bottomley of Gaylord and Bill Neeland of Mancelona; tackles, Bill Swartout of Pellston and Bob Goebel of East Jordan; guards, Lud Millhausen of Pellston and Oliver Sayles of East Jordan; center, Mack Rockwell of Harbor Springs.

All are seniors with the exception of Bottomley who is a junior.

Others receiving honorable mention were Kent Stradinger and Larry McCarty of Mancelona, Dick Farrand of Gaylord, Richard Anderson of Pellston, Tom LaMotte and Mike Young of Grayling, all backs; end, Tom Wright of Grayling; tackles, Gregg Smith of Boyne City, Don VanAvery of Harbor Springs and Ron Conway of Mancelona; guards, Bob Moore and Terry Johnson of Mancelona, Norm Sorenson and Gary Luckstead of Grayling; centers, Tom Bricker of Pellston and Rick Annear of East Jordan. All are seniors with the exception of Wright and Johnson who are juniors. Somerville and Bricker received honorable mention last season.

Making the selections which were revealed at the conference dinner meeting held at Boyne City Monday evening were Matt Jacobson of Mancelona, Francis McMahon of Pellston, Paul Pfahler of Boyne City, Charles Paige of Harbor Springs, Don Beemer of Gaylord, Don Ferguson of Grayling, Wes Fleet of East Jordan and Don Carey of Charlevoix.

Basketball Rules Undergo Major Changes

With the basketball season scheduled to open Dec. 1 for most Northern Michigan Class C teams, fans are mulling over, with interest, the changes in the regulations and rules which will become effective this season.

Basically, the game will be played the same as before but there will be one major change designed to speed up the game. This is a revision of the foul rule.

This rule change eliminates free throwing on any foul committed by the offensive team while one of their players is holding or dribbling the ball.

Under this revision, the defensive team will receive the ball out of bounds at the point nearest the infraction and after the official has reported the foul to the official scorer's table. The offensive player committing the infraction will be charged with a common foul.

This idea, which is used in the Big Ten, is to cut down on the parade to the free throw line.

If the foul is committed by the defense while the offense is in possession of the ball, then the free throw will be allowed.

Another change will eliminate "sudden death" overtimes. Henceforth, all overtime periods will be three minutes long with as many being played as needed to decide a winner. Previously, after the first three-minute overtime period, the "sudden death" rule went into effect whereby the team that had a two-point lead would be awarded the victory regardless of whether or not the three minutes was used up.

A revision of lining up for free throws will also be used this year calling for a neutral zone one foot wide between the first and second player lining up at the free throw line. A space two inches wide must also be posted between the second and third player in an effort to stop jams under the basket.

Coaches will also be allowed to coach from the sidelines during the game. They may also signal for a time out when needed. They were prohibited from doing this last year but the rule had little strength since coaches devised signals by using different colored towels, standing up or other methods to signify a pre-arranged signal.

The new rules were explained at a recent rules meeting conducted in Petoskey by Allen Bush, assistant director of the Michigan High School Athletic Association and attended by all area coaches athletic directors, officials and others.

RESOLUTION

To the Honorable Board of Supervisors
Charlevoix, County, Michigan
Members of the Board:

We, the Resolution Committee, respectfully submit the following Resolution and recommend the adoption of same.

WHEREAS the Federal Government, under terms of S.2153, proposes to take 80,000 acres more or less of State and privately owned land in Leelanau and Benzie Counties for a national park to be known as the Sleeping Bear Recreation Area; and

WHEREAS the proposed area contains a large percentage of highly developed private property not practical for park use, and

WHEREAS residents would be liable to loss of property rights and greatly restricted use of their lands through zoning regulations by the Federal Government, and

WHEREAS County Government and local school districts would be subject to loss of tax revenues when removed from tax rolls,

NOW THEREFORE BE IT RESOLVED that the Charlevoix County Board of Supervisors go on record as being strongly opposed to S. 2153.

BE IT FURTHER RESOLVED that copies of this Resolution be sent to Senators Hart and McNamara, Congressman Knox and our State Senator and Representative.

Respectfully submitted,
Lloyd McDonough,
Joseph Topolinski,
John Kujawski,
William D. Taylor,
Lee Sneathen, Jr.
Committee.

Motion by McDonough, supported by Kujawski, to adopt the above Resolution; Motion carried unanimoulsy.

STATE TAX COMMISSION OFFICIAL ORDER

1961 Valuations

STATE OF MICHIGAN)
) SS
COUNTY OF INGHAM)

At a meeting of the State Tax Commission held on Monday, November 6, 1961.

Present: Chairman Robert A. Eckhardt and Commissioner R. Gerald Barr.

The Commission took under consideration the appeal from the equalization of Charlevoix County for 1961 as adopted by the Board of Supervisors, which was filed by Ivan Phillips, John A. Uhrick and Harry Gebeau, Supervisors for the First, Second and Third Wards respectively of the City of Charlevoix and William M. Sanderson, Supervisor of Eveline Township.

The appeal of the Supervisors of the City of Charlevoix and Eveline Township contended that the equalization as adopted by the Board of Supervisors was discriminatory to the City of Charlevoix and the Township of Eveline and an examination of the assessment rolls of the various units of the County having been made by the field staff of the Tax Commission and a preliminary finding having been forwarded to each member of the Board of Supervisors in accordance with Section 211.34 C. L. 1948, as amended, a hearing was held in the County Courthouse of Charlevoix County on October 30, 1961 at 3:00 P.M., before the State Tax Commission.

In accordance with the provisions of Section 211.34 C. L. 1948, as amended, this meeting of the State Tax Commission is held to consider the facts brought forth at said hearing and the results of the examination by the Tax Commission field staff and to adopt a final determination of equalization of Charlevoix County for 1961.

It is, therefore, determined that the final equalization of the townships and cities of Charlevoix County for 1961 are as contained in the schedule below and the Board of Supervisors shall proceed to apportion county taxes in accordance with this equalization, as provided for in Section 211.34 C. L. 1948, as amended.

The action of the State Tax Commission in these premises shall be final and binding upon the Board of Supervisors of Charlevoix County for two years unless the State Tax Commission approves in writing specific increases or decreases in valuations of equalization occasioned by gains or losses of property values based upon investigation of values in the county and after consultation with the assessing officers, in accordance with the above cited law.

MINUTES OF SCHOOL BOARD MEETING

October 23, 1961

Present: Dinwiddie, Martincheck, Martin, Leiberman, C. Smith, A. Smith and Bennett, Supt. Absent: Blanchard.

The meeting was called to order at 8:12 P.M.

The minutes of the meeting of October 9 were read and approved.

It was moved by C. Smith, supported by Martin, that bills in the amount of $4,694.30 payable from General Fund be approved and ordered paid. Motion carried 5-0.

Moved by Martin, supported by Dinwiddie, that the bills in the amount of $4,935.11 payable from Building and Site Fund, be approved and paid. Carried 5-0.

Bids were received from Frank W. Smith, Elden Telgenhof and Fred Wohlgamott for the painting of the bus garage. Mr. Bennett was asked to get further data from each one in explanation of their specifications before making a decision.

Al Smith entered the meeting.

Many urgent problems were discussed as follows:

The hot lunch program and the recommended help needed. Also, the health examinations and tests for the workers.

Storm Sewers; bicycle racks; curb removal from the driveway and signs for "Entrance" and "Exits" at the new High School. Recommendations were made regarding the curb and traffic signs.

Bus routes were studied with a bad traffic problem on U.S. 31 at night, and the turn-around on the Pincherry Road. Recommendation was made that the Traffic Consultant who is coming to Charlevoix soon be asked for advice on these problems.

Dr. Martin was excused from the meeting.

Dedication plans were made entailing a luncheon, the program itself, hours for the same, seating arrangements for spectators and guests, etc., for dedication of the new High School building.

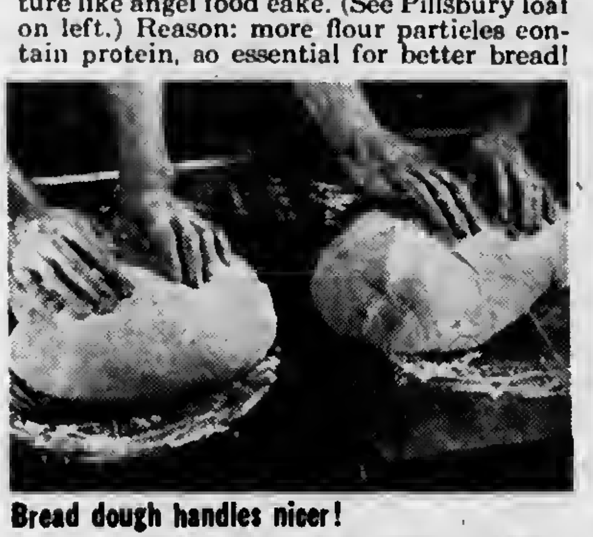
Now from Pillsbury!
The pre-sifted flour with better-balanced protein! Makes perfect bread and great cakes, too!

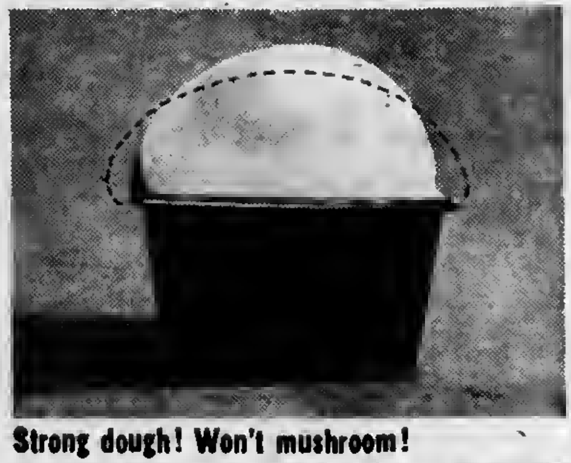
HOME MADE WITH PILLSBURY'S NEW FLOUR
HOME MADE WITH ORDINARY BREAD FLOUR

Whiter! Lighter! Finer texture!
No sifting needed! This different flour, milled a different way, gives you bread texture like angel food cake. (See Pillsbury loaf on left.) Reason: more flour particles contain protein, so essential for better bread!

Higher cake than bread flour ever made yet!
Never before could so perfect a bread flour do so well with a cake. And only Pillsbury mills this new flour! Sift or not? You decide. Just remember sifting's for accurate measure ...which guarantees your very BEST Cake!



Bread dough handles nicer!
Both doughs above have been kneaded equally; new Pillsbury Flour dough (left) already cleans board, isn't sticky. It's easy to work with! This means a shorter kneading time is required!



Strong dough! Won't mushroom!
Dough made with ordinary flour sometimes mushrooms. But it won't happen with the new Pillsbury Flour. This dough firms up, stands up . . . in the pan, in the oven. Better-balanced protein!

Cadillac

What a difference a year makes!

If anyone had told him, a short while ago, that his 1961 Cadillac could be improved on—he would have regarded them with disbelief.

And yet, after only half an hour in the newest "car of cars", he knows that a year of Cadillac progress has made a world of difference.

In fact, the list of Cadillac advancements for 1962 embraces each of the great motoring virtues.

For added *beauty*, there is a lower, longer silhouette . . . greater simplicity and dignity of line . . . and new interior elegance and luxury.

For improved *comfort*, there is increased spaciousness . . . new convenience of appointments . . . and a ride that is unbelievably quiet and smooth.

For finer *performance*, there is greater power . . . more responsive handling . . . and a degree of all-around road ableness that is new even to Cadillac.

For increased *safety*, there is a new dual braking system . . . a new three-phase rear warning light system . . . and new cornering lights that illuminate your way around turns.

And we would *like* to say that even Cadillac quality has been enhanced for 1962. But the truth is simply that the car *continues* to be built to the highest standards that can be brought to the production of an automobile.

Stop by your dealer's showroom soon, won't you? He'll be happy to demonstrate to you what a difference a year can make—when the year is this one and the car is Cadillac.

FOR SIXTY YEARS THE STANDARD OF THE WORLD

Senior Class To Present Play December 7th

The Senior Class of the Charlevoix high schol has served notice that people who like to laugh are in for the time of their lives Thursday, December 7, when the hilarious comedy, "The Broom and the Groom", originally produced as a TV play on Matinee theatre, will be presented at the auditorium in the elementary school.

The plot of this play is as modern as tomorrow's probe into space and yet delightfully old-fashioned too. It concerns David Thompson (Don Anders) greatly disturbed because his young bride, Alma (Donna Berg) professes to be a witch and what happens when he challenges her to prove it.

Unfortunately, the challenge is made on the eve of Hallowe'en, the night David's boss and his wife, Frank and Grace Capwell, (Ted Tunison and Lorraine Heise) have promised to drop over for a visit. Stuffy, conservative New Englanders, they have barely sat down when Alma's Aunt Rina (Mary Anne Klooster) arrives from Boston to perpetuate a ritual for the new bride, a tradition that has been faithfully observed from one generation of Salem witches to the next.

Aunt Rina bears two important gifts, a witch cake and an old, long strawed broom that has geen in the family for generations. When the broom is presented to Alma, David, fed up with it all grabs it and tears off the wrapping. He is answered by sudden thunder, wind and rain.

The next day, Alma, faced with an emergency of transportation, resorts to the broom. Her flight is picked up by radar and the Air Force is alerted, to say nothing of the consternation of the Pentagon.

David beside himself, calls on Aunt Rina for assistance. She decides Alma is too far gone and the only alternative is exorcism. The reaction of nosey Mrs. Finnegan (Lorah Lee Foley), their neighbor, the bedlam the broom has caused in the neighborhood and the amusing situations that arise all help to make this an uproariously humorous play. A surprise ending puts David'a world back into proper orbit.

Other members of the cast of "The Broom and the Groom" include a bewildered Air Force Lieutenant (Don Berg); a good looking but sharp-tongued young newspaper woman (Virginia Hamlin); a timid photographer (Dick Harrington) and a sauve television executive (Maurine Sanford).

According to Wanda Warner, student director, this year's play will depend heavily on members of the working crew as well as the east, especially the committee in charge of sound effects headed by Maraiene Chew.

Kathy Gallagher, senior class president, will name other committees during the coming week.

The senior production of "The Broom and the Groom" is sponsored by Don Carey and William Ratigan, with H. E. Bingham and S E. Coleman as advisors.

Shanahan Named Bank Director

Edward K. Shanahan has been named a director of the Charlevoix State Savings Bank and assumed his duties at the November meeting of the directors.

Mr. Shanahan fills the vacancy on the board of directors created by the death of the late Harry E. Craig who was president of the bank at the time of his death. Archie L. Livingston now fills the office of president. Other officers are Cornelius D. Geiken, vice president; R. B. Livingston cashier. Other directors on the board include Mr. Shanahan, P. D. Campbell and E. J. Edwards.

Help Needed, Now!

A new industrial plant now nearing completion in the community will soon be production. This will substantially increase the number of employed persons and improve the general economy of the area.

This didn't just happen. There are many communities in Michigan fighting to get new industry, Why then do we have another promising industry?

Primarily, we have an attractive location for certain types of industry. With that advantage other interests gave a lift. It is not generally known, but Consumers Power Co. suggested that the prospective industry investigate Charlevoix. From there on the Charlevoix Development Corp., in co-operation with the city administration and both local banks went to bat.

To get this industry the Charlevoix Development Corp. committed itself to a loan of $25,000, repayable nt the rate of $5,000 per year with nominal interest at three per cent. The general agreement is similar to the one which brought American Mold Engineering Co. to this community. No one can question the value of that industrial promotion.

Now it is up to the community to back this new industrial program. More than two-thirds of the original stockholders in the first program have re-invested, and some increased their investment, to sponsor the new industry.

All of us benefit, directly or indirectly, when the community thrives. Those of us who enjoy the benefits of a thriving community must support it if we are to go forward.

You can do your part by subscribing for stock in The Charlevoix Development Corp. on the blank form on Page 5. Let your conscience be your guide and invest in Charlevoix only to the amount that you consider Charlevoix is worth to you.

Mail your application for stock to Archie L. Livingston, Treasurer, Charlevoix Development Corp., Charlevoix, Mich.

Four Charlevoix High School Students Hurt In Car Crack Up

Four young Charlevoix high school students escaped serious injury early Sunday morning when the car in which they were riding went out of control near the intersection of the Ellsworth road and Stover Road a short distance inside the city limits, crashed through the Brookside cemetery fence and struck a tree.

Injured were Elaine Martin, 16, daughter of Dr. and Mrs. Robert G. Martin, Doris McBride, 18, daughter of Mr. and Mrs. Carl McBride, James Ferguson, 16, son of Mrs. Marge Ferguson, and Ulrick Kallmeyer, 17, German exchange student who is living with Mr. and Mrs. E. D. Hawley, driver of the car owned by the McBrides.

All received multiple cuts and contusions. Miss McBride also suffered three fractured ribs and Mr. Ferguson dislocated hips.

The latter of the four was dischorged from the Charlevoix hospital Sunday. The condition of the others who were still hospitalized Tuesday was reported satisfactory by hospital attendents.

Mr. Kallmeyer was issued a summons for violating the basic speed law by driving too fast for road conditions and for driving without a license.

County Draft Calls One for Induction

One Charlevoix county draft registrant will be called for induction Dec. 8 and two others will be called for pre-induction physical examinations Dec. 19 to fill the county's December quotas Mrs. Mary Bourgoin, clerk of the draft board, has announced.

The names of the men to be called will be selected at a meeting of the draft board to be held this week.

On Tuesday Richard F. Florenski of Boyne City and a transfer from Pontiac now living in Boyne City, Allan R. Baker, left for induction into the armed services at Detroit. Earlier in the month three registrants reported for pre-induction physical examinations. Two others transferred out and were to report elsewhere for examination.

Death Claims Kim N. Wood, 6

Kim N. Wood, six-year-old son of Mr. and Mrs. H. Ralph Wood, died Sunday at the Charlevoix hospital where he had been a patient since Oct. 19. He had been hospitalized since mid-August and was at Grace Hospital in Detroit before returning here.

Funeral services were held at the Winchester Funeral Home Tuesday with the Rev. George L. Majors officiating. Burial was in Brookside cemetery.

Born in Linden, Michigan, Dec. 23, 1954, Kim had come here with his parents about five years ago. He attended the Charlevoix public school and would have been in the second grade had he returned to classes in September.

Besides his parents, he is survived by five brothers, Richard D. of Clawson, Ralph stationed at San Diego, Colif., with the U. S. Navy, Ray, Chris and Michael at home; two sisters, Mrs. William McClanaghan of Ironton and Mrs. David Dutcher of Charlevoix; his paternal grandparents, Mr. and Mrs. Harry C. Wood of Charlevoix and his maternal grandparents, Mr. and Mrs. George Maxwell of Royal Ook.

Bd. of Education Proposes To Charge For Facilities

In an effort to curtail the cost public schools the Charlevoix board of education, at its regular meeting Monday, took under consideration the possibility of makingnominal charges for the use of school facilities by community groups.

The proposal was considered because of the 'deficit spending' program under which the school is currently operating, Dr. Robert G. Lieberman, president of the board said.

The compensation derived from the fees charged for the use of the facilities would in no way completely underwrite the entire cost but it would bring in a small revenue that could be applied to the overall cost Mr. Lieberman said by woy of explanation.

No definite action was taken at Monday's meeting. However, Mr. Lieberman said that the board felt something would have to be done in the near future and that the issue would be discussed further at the Dec. 4 meeting of the board.

The action under consideration would apply to all groups using any of the school facilities.

Mobile Unit Screen Tests Hearing of 107 Adults Here

Courier Photo

The mobile unit of the Michigan Association for Better Hearing screen tested 107 adults during its two-day visit to Charlevoix. Pictured above (left) is Jack E. Brown of Grand Rapids who took advantage of the tests while in Charlevoix. Making the tests (right) is John O. McGinnis, audiologist of Lansing.

★ ★ ★

During its two-day stay in Charlevoix, the mobile unit of the Michigan Association for Better Hearing provided screening tests to 107 adults, according to John O. McGinnis, audiologist in charge.

Of these, 35 showed hearing losses warranting further attention. Some were advised to have their hearing checked again in a yeor or so to determine whether hearing loss is progressive. Others were advised to consult their doctor about possible medical problems. Some were told that they could be helped by attending lip-reading classes arranged by the Association.

The Association is supported by the Michigan United Fund which, in turn, receives its money from local United Funds and Community Chests throughout Michigan.

The screening and comprehensive testing program is being offered in Charlevoix and Emmet Counties in cooperation with the District Department of Health. The mobile screening unit is scheduled for tests in Boyne City, East Jordan, Petoskey, Harbor Springs and Pellston.

Rev. Kohn Injured In Auto Accident

The condition of the Rev. Harold E. Kohn, 43, pastor of the First Congregational church, who was injured Friday morning when his car went out of control in the snow-covered highway about 200 ft. outside the city limits on US-31 North and struck a utility pole, was reported improved Tuesday by attendants at the Charlevoix hospital.

He received a neck injury and multiple bruises.

The accident was one of two reported Friday following the first snowfall of the season which left highways slippery from a wet snow which fell in the immediote area.

Mrs. Jennie Manion, 73, of Kalamazoo, suffered a fractured clavicle and ribs when the car in which she was riding went out of of- control and overturned on US 31 South a mile outside the city limits.

She was a passenger in a car driven by her brother-in-law, Lawrence Tilly, 76, of Elk Rapids, who with his wife Ada, 71, were admitted to the Charlevoix hospital for treatment and released.

Mrs. Manion's condition was reported fair Tuesday.

Community Chest Fund Needs $3,000 To Complete Goal

The Charlevoix Community Chest fund drive neared the three-quarter mark this week with the announcement that a total of $7,664.35 has been contributed toward a goal of $10,742, Mrs. Jeannine Essenberg, fund chairman, has announced.

The figure is approximately 71 per cent of the goal.

In making the announcement, Mrs. Essenberg urged that everyone who has not already contributed to the current fund drive do so at once so that the campaign may be brought to a successful conclusion.

Schools Recess For Holidays

With schools closing for the first major holiday of the current year, the Thanksgiving recess, many members of the faculty are either visiting elsewhere or entertaining guests.

Supt. R. G. Bennett and Mrs. Bennett will entertain their son and daughter-in-law, Mr. and Mrs. Robert Bennett and family of Alpena; Mr. and Mrs. H. E. Bingham will have their son and daughter. John and Mable, home from Central Michigan University for the weekend; Mr. and Mrs. Ray Kipke plan to go to Washington, D. C., to visit their daughter Bennie Lee Kipke; Mr. and Mrs. Henry Lentz and family are planning to spend the holiday weekend in Mt. Pleasant.

Mr. and Mrs. Max Novak and family will spend the long weekend with relatives in Grand Rapids where their daughter, Marilyn, a student at Central Michigan University, will join them; Mr. and Mrs. Louis Courtade plan to spend some time with relatives in Kingsley: Rev. and Mrs. Harold E. Kohn will have their daughter, Carolyn, home from her studies at the University of Michigan; Mr. and Mrs. Leonard Burns plan to spend the holiday weekend in Flint with their son and daughter-in-law, Mr. and Mrs. Larry Burns; Miss Mory Walkup plans to join her family in Addison.

Hit Run Driver Pleads Guilty to Manslaughter

Milton A Warren, 25, of Inkster, pleaded guilty to a charge of involuntary manslaughter with a motor vehicle in the deaths of two East Jordan school students when he appeared before Judge Charles L. Brown for arraignment Friday.

Bond was continued at $5,000 and he was remanded to the Charlevoix county jail when he failed to furnish bond. His case was referred to the probation department for pre-sentence investigation. He will be sentenced at a later date.

Warren, a native of Mancelona and the father of four children, was the driver of the car which struck and killed 18-year old Gordon Boss, son of Mr. and Mrs. William Boss of RR Ellsworth and Mary Louise Fisher, 7-year-old daughter of Mr. and Mrs. Raymond Fisher, also of RR Ellsworth, as they walked from the school bus stop to their homes on the East Jordan-Ellsworth road 2½ miles west of East Jordan at 4 p.m. Tuesday. Warren struck the children from behind after crossing from his traffic lane to the opposite shoulder of the road where they were walking. He then fled the scene of the accident. He was picked up 35 minutes later in an East Jordan tavern after the stolen car he admitted driving was found in the parking lot behind the tavern with the radiator steaming, the radiator grill smasher and a headlight broken. He was taken to the East Jordan Police station for questioning and finally admitted striking something with his car though he didn't realize what it was until a body was hurled over his windshield, he told officials. He said he then panicked and fled the scene.

Earlier he had waived examination before Justice Charles B. Landers in justice court in East Jordan and was bound over to the next term of circuit court. Bond was set at $5,000. He was returned to the county jail here.

Quick action on the part of Deputy sheriff Philo Sumner, Chief of Police Joseph Hammond of East Jordan, State Police of the Petoskey post and Sgt. Robert Tyo and three of his patrolmen from Southgate who volunteered their services when they drove on the accident did much to facilitate Warren's arrest. The latter were in the area awaiting the opening of the deer hunting season.

Warren told Prosecutor Harvey Varnum that he had been in the area the afternoon of the accident and had visited bars in Antrim and Charlevoix counties.

He is divorced from his wife.

He had stolen the car he was driving from a used car lot in Inkster where he had been employed.

Charlevoix High School Band Prepares for Concert Season

The 77-piece Charlevoix high school band, under the direction of C. A. Odmark, is in the midst of re-organizing itself for the coming concert season after a sucessful marching season.

Although the school year is not too old, the band has already appeared at seven pep rallys prepared and played four football halftime shows, participated in one parade, the annual homecoming parade, and appeared in concert at the dedication program Oct. 29.

The marching band is composed of 63 members including four majorettes and two flag bearers. Senior majorettes are Judy Ikens and Susan deCastro with Barbara Schwab and Connie Saltonstall serving as junior majorettes. The quortet oppeared this fall for the first time in new uniforms, short white skirts and fitted jackets trimmed in gold.

At the close of the marching season, the band is augmented by 14 additional members . . . Varsity football players and senior cheerleaders, who bring the roster to 77 members, largest in the scrool's history. Additional uniforms are being ordered to outfit the increased band personnel.

Band officers for the year are: president, Judy Ikens, senior alto saxophonist; student director, Richard Odmark, junior oboist, who will take over the direction of the band in his father's absence. secretary, Maureen Sanford, senior drummer, and treasurer, Susan deCastro, senior cornetist. Maralene Chew, senior clarinetist, and Sharon Wood, junior saxophonist, are the librarians

Auditions are now in progress players in the group. This is the to determine the placement of first year this procedure has been followed and was necessitated by the size of the ensemble, according to Mr. Odmark. It is hoped that a small group within the band can be formed to play the delicate passages in the concert music prepared by the band, he added.

The band consists of the following instrumentation: six flutes, one oboe, one bassoon, 21 B flat clarinets, one bass clarinet, five alto saxophones, three tenor saxophones, 14 B flat cornets, five French horns, four baritones, seven trombones, two basses, six

Hunters Find County Good Area for Deer

Reports at the end of the first six days of the deer hunting season indicate that the townships in the west half of Charlevoix county are offering exceptionally good hunting this year. At least 21 bucks have been taken from this area. There are numerous reports from hunters who have had plenty of shooting but have failed to connect.

R. J. Nowland, hunting near Kalkaska on opening day, brought home a four-point buck that weighed out at 150 pounds.

On Sunday Lawrence Skippergosh, hunting in the Morion Center area, came home with a spike horn Sunday afternoon.

Joe Felo, hunting with Al Scheid in Eveline township on the east side of the South Arm of Lake Charlevoix shot a 'freak' a three-legged six-point buck which had evidently lost its leg in an accident as a fawn.

Mr. and Mrs. Ralph Hess Jr., returned Sunday from a three-day hunting trip on Beaver Island. Mr. Hess got an eight-point buck.

Mrs. Clara Schmidt made her kill Friday morning. She shot a nice six-point buck while hunting on the east portion of her property on US-31 in Norwood Township.

Hunters from the village of Norwood appear to be having less luck than usual. Only three have reported getting a buck; George Light Jr., Milton Richordson and Brian Neff.

In the Marion township area the take has been larger. Filling licenses at last report were Lloyd Cummings, John Chew, Ed Williamson, Al Chanda, John Elzinga and Lawrence Elzinga.

Robert Waffle reported he got his buck opening day while hunting south of Charlevoix. Clarence Smith also took a buck in the same area on Friday morning. Michael Herrington got his buck in Hayes township late in the afternoon of opening day.

Lester Smith, hunting south of Norwood along Lake Michigan, filled his license on opening day, bringing down a six-point buck about 300 ft. from where he shot his buck last year.

The deer kill on Beaver Island has been good compared to the number of hunters this year, according to Conservation Officer Veron Fitzpatrick. As of Tuesday morning 22 deer had been reported, plus o cow killed by some unknown hunter.

There have been fewer outside hunters on the Island this year than last. This is attributed to the severe weather condition that has hampered boat transportation.

Kiwanis Club Holds Joint Meet With Harbor Springs

The Charlevoix Kiwanis club enjoyed an inter-club meeting with Harbor Springs Monday night when seven members of the club from across Little Traverse Bay joined the local group at a dinner meeting at the high school cafeteria.

Ralph McNabb, field representative for the Social Security Commission in Traverse City, spoke on Social Security. He said that checks totaling $1,900 were sent out each month to residents in Charlevoix county with people receiving from $40 to $127 per month.

He said that Social Security could be compared to an insurance policy, enlarged on his statement by explaining who was eligible and when and concluded by saying that Rogers City was a prime example what Social Security means as an insurance policy. He added that as a result of the Bradley disaster of 1958 the dependents of survivors would rreceive approximately $500,000 in Social Security payments over the years.

Harold M. Totten, president of the Charlevoix Development Corp., Max Novak, the vice president and A. L. Livingston and Robert Bridge, a board member, then addressed the club on the work of the corporation and the need to support it now by investing money in order to help bring a new plant to the community.

Fred deCastro was inducted as a member.

Guests were Truman Cummings, president-elect, Dwight McMillan, secretary, Robert Wright, Charles Erwin, William Gremenz, John Hodge and Virgil Hayes, members of the Harbor Springs club and Ray Richardson of Traverse City.

City Approves $14 Quota Set For Con Con Expenses

Airport expansion, harbor improvement including the construction of 65 ft. piers and water supply for the Freedman Artcraft plant to care for its sprinkler system were the major issues discussed at the regular meeting of the city council Monday night.

Due to the absence of Mayor E. D. Hawley and Alderman Kenneth Staley no action was taken on any of the issues discussed.

Approval was given a $14.00 contribution to the Michigan Municipal League for Charlevoix's quota for Constitutional Convention expenses and another of $65 to pay the entry fee of the local independent team in Petoskey Independent Basketball League.

Bills totaling $21,710.46 were approved and ordered paid. The figure includes a payment of $8,039 for fuel oil, $3,232.70, sewage accounts receivable, $1,139.41, city-used utilities and $6,237.70, payroll.

Girl Scout News

Girl Scout Troop 5 met Tuesday.

Our president called the meeting to order and the secretary took roll. We discussed our hiko to be held Saturday and learned how to build a fire.

Laura Hutchinson brought the treat. We ended the meeting with a goodnight circle.

Kiwanis Club To Construct New Sugar House

The Charlevoix Kiwanis club has compiled a report regarding action taken by the club in financial matters.

The report, as approved by the Board of Directors, follows in Part:

The Kiwanis club, by action of its board of directors, recently authorized an expenditure up to $5,000 to construct a "sugar house" for the manufacture of maple syrup.

It was hoped that a location could be found along the highway However, since this was not possible a decision to occupy temporary quarters at a lower figure has been reached.

In announcing the above action the club feels that the public should be informed that this new venture is completely separate from the "White Elephant Sale" project, the proceeds of which have been restricted to the youth program (swimming pool).

Some time ago the Charlevoix board of education accepted the club's offer to cooperate in the construction of this pool. However, the razing of the old high school and the building of the new junior-senior high school brought so many new problems of finance and location that it did not seem feasible to start the project at this time. A survey is presently being conducted by the board of education and the Kiwanis club and until some decision is reached the funds earmarked for the project will be held in abeyance until some joint action is taken.

Initially, the pool was conceived as costing approximately $10,000. However, a more recent estimate indicates that a more accurate figure would be $14,000. As a result the board of directors has placed in escrow funds in this amount until some further action is taken.

Every year the Kiwanis club must report its activities for the year, including fund-raising, youth activities projects and other programs sponsored by the club to the international office. At that time a yearly audit is also made of the outgoing administration. The new president then announces his plans and goals for the coming year. By action of the board of directors of the Charlevoix Kiwanis club, this report will be published in a future issue of the Charlevoix Courier.

From the Editor's Desk

About the time everything seems to be going in reverse and we wonder if trying to get out a newspaper is worth the effort, along comes an encouraging message from one of our readers. Recently one from Capt and Mrs. Harold Muth to renew their subscription. They haven't lost their interest in Charlevoix and by the same token the many friends they made in Charlevoix have not lost interest in them. Capt. Muth was in command of the Sundew when the ship was assigned to Charlevoix as its home port.

We get all kinds of notices to change addresses of our out-of-town readers. One of the most unique ones came recently from Mrs. Harry Powers. An illustration in the upper left corner of a card depicts a farmer beside a stock of corn with a huge ear. The caption, "Lend an ear". The notice reads as follows:

We used to live where we ain't no more:
We've moved where we never was before—
You know where we was, but not where we is;
So here's the new address Where 'tis.

A Prayer For Thanksgiving

By William D. Kooyer

To Thee, O Thou Almighty God,
are lifted the thoughts of a nation!
On This Thanksgiving Day we
pray Thee to accept the praises
Of a people upon whom Thou
hast lavished so much
And from whom Thou hast often
received so little.

In the midst of trepidation we
have gained assurance;
Surrounded by dark madness we
have kept the light of peace;
Through adversity we have developed strength.
We have received because we
have asked—in faith.

Another year has seen us trusting
Thee—and not wanting.
As we rise from our knees, revived by Thy Spirit,
Wilt Thou again send us out to
the demands of life
Full of the spirit of Thanksgiving?
We ask for the courage of conviction;
We ask for the might of Right;
We ask for the blessing of Wisdom.

And, as Thou art our witness, we
breathe promises which we
Will uphold by Thy Grace:
We will keep Hope alive;
We will show Mercy;
We will give Confort.

With the beauty of Christian faith
as our standard,
We will honor our nation's flag
with reverence toward
That for which it stands.

Thus we give thanks:
Praise mingled with petition,
Promise tempered by condition,
Confidence made strong by Truth.
Thus our Thanksgiving.
We pray Thee accept it.
We pray The hold us to it.

St. Mary's Parish Joins Annnal Used Clothing Drive

The 13th annual Catholic Bishops Thanksgiving Clothing Collection swung into action Monday with St. Mary's parish here joining with others in the 29-county area of the Grand Rapids diocese donating usable clothing to the needy overseas.

The clothing is being accepted at individual parish depots for sorting, packing and shipment to a central warehouse in Grand Rapids. Eventually, the clothing will be forwarded to Catholic Relief Services-National Catholic Welfare Conference in New York City for distribution to the needy abroad.

Last year the proceeds of the Bishops' Clothing drive went to the needy of 64 countries regardless of race, creed or color.

A 1961 goal of 150,000 pounds of wearable clothes, shoes, blankets and bedding has been set for the Grand Rapids diocese, 30,000 pounds more than obtained in last year's record-breaking campaign.

Although the drive is scheduled to end Sunday, the local depot at St. Mary's school will remain in operation for an additional week to receive late donations of clothing.

Those contributing clothing are asked to have it clean and in usable condition with buttons and zippers in good repair. Shoes should have shoe strings, etc.

Mrs. Alfred Scheid Heads Hammond Organ Society

The formation of the Charlevoix chapter of the Hammond Organ Society has been announced by the newly-elected president, Mrs. Alfred Scheid.

Membership in the society, however, is not limited to owners of this particular organ or even to those who own the instrument, Mrs. Scheid was quick to add. Its prime purpose, she continued, is to bring together people who are interested in organ music.

Plans call for the organization to meet once each month. Anyone interested in learning more about the group may call any of the officers or attend the first formal meeting to be held at the home of Mrs. Frank Bird at 510 Meadowlane at 6 p.m. Wednesday, Nov. 29.

The other officers are Mrs. Bird, vice president and Mrs. Walter F. Hoffman, secretary-treasurer.

MEA Meeting Held in Gaylord

The second quarterly meeting of Region 14 of the Michigan Educational Association was held at Gaylord recently.

A study of the proposed M.E.A. Constitution, the M.E.A. Code of Ethics and the educational Constitutional Convention proposals were included in the program at which Mrs. Robert G. Martin, the president, presided.

Others attending were Max Novak, delegate to the Representative Assembly; Mrs. Bessie Coleman, Charlevoix chapter delegate; Mrs. Robert Richards, area president for the Department of Classroom Teachers and Mrs. Louis Courtade, president of the Charlevoix county M.E.A.

E. J. to Begin Series Of Radio-Activity Monitoring Classes

Classes in radio-activity monitoring sponsored by the Charlevoix County Civil Defense will begin in East Jordan at 8 p.m. Tuesday, Nov. 28, Gen. George B. Ely, county Civil Defense director, has announced.

Persons enrolled in classes here and in Boyne City who must make up hours that were missed may attend these classes in East Jordan, Gen. Ely said.

The first class will be held Nov. 28 and othera to be held Dec. 5, 12 and 19. The meeting place will be the basement of the First Presbyterian church.

A total of 60 persons enrolled in the local classes. However, on Tuesday of this week only 43 turned out.

Earlier three local residents, Kenneth Staley, Frank Novotny and Edwin Mann completed the training at Boyne City.

The last class in the series here will be held at the high school science room at 6 p.m. Tuesday.

"Believe there's a growing feeling of security in town.The other day we saw a man drive up and park his car right in front of the finance company."

Betrothed

The engagement of Jean Diane Curtis to Rex B. Davia has been announced by the bride-elect's parents, Mr. and Mrs. Eugene Curtis.

Parents of the prospective bridegroom are Mr. and Mrs. Rex E. Davis.

A June wedding is planned.

Both are graduates of the Charlevoix high school. The bride-elect is presently employed at the Petoskey office of the Michigan Bell Telephone Co. Mr. Davis is employed at the American Mold Engineering Corp.

Mid-Semester Exams Held at N C M C

The 247 students enrolled at North Central Michigan College in Petoskey received mid-semester grades Monday following completion of earlier examinations, according to Dean A. D. Shankland.

Mid-semester examinations and grades are given the first semester of each year to allow students an opportunity to evaluate their progress to date. Since college is a new experience for many of the students, they sometimes have difficulty getting started. This gives them evaluation of their work while there is still adequate time to improve their grades before the end of the semester Dean Shankland explained.

Mid-semester grades are not official grades but only an indication, he continued. The only official grades are those received at the end of each semester.

Mrs. Max Hosmer Hosts Garden Club

A general discussion on gardening, gardening problems and plans with Mrs. Paul Kohler serving as moderator was a feature of the regular Garden Club meeting held Tuesday at the home of Mrs. Max Hosmer.

Twenty-four members responded to the roll call at which they gave thoughts of Thanksgiving.

The next meeting will be held at the home of Mrs. Paul Olsen on Nov. 26.

Holiday Terrace Opens Thursday For Winter

The Holiday Terrace, located on West Dixon ave. overlooking Lake Michigan, will reopen on Thanksgiving Day, Nov. 23, Mr. and Mrs. Scott Wilson, owner-managers, have announced.

The former Beach Hotel has been 'winterized' with enlargement of its radiation heating plant, the installation of storm windows and other improvements so that it will be possible to keep the popular hotel open on a year-around basis, according to Mr. and Mrs. Wilson.

The dining room will be open at 1 p.m. and remain open until 9 p.m. on Thanksgiving Day.

The dining room will be open from 6:30 to 9 p.m. nightly for the present with breakfast and a light luncheon being served daily.

However, luncheon parties as well as dinner and other parties will be accepted at all times.

Many of the hotel's rooms will be ready for occupancy beginning next week with the entire hotel being scheduled for winter use by the Christmas holidays.

The cocktail lounge will be open daily beginning at noon.

Present plans call for the hotel to remain open on an around the calendar basis beginning this year.

Mr. and Mrs. Wilson, widely known in hotel management circles, purchased the former Beach Hotel from Mr. and Mrs. E. L. Kramer just one one year ago. They have re-decorated the lobby and other rooms and added many improvements and innovations since then.

At one time they managed the former Belvedere Hotel and for the past 11 years have owned and operated the Wequetonsing Hotel on Little Traverse Bay. At various times they have managed hotels in the Fort Lauderdale area of Florida but last winter remained in the north.

MICHIGAN'S HIGHEST COURT often walks the fine line between usurpation of legislative power and judicial interpretation of Constitutional or statutory law.

A recent Supreme Court decision which seems to nullify an age old doctrine of governmental immunity is a case in point. The idea that governments should not be sued by individuals is said to date back to days when "the king could do no wrong." Others say that the concept developed from the way things used to be when the local government units performed only a few, necessary services and had no sizeable resources.

• • •

In its decision, which upsets these ideas, the Court pointed out that the legislature could restore government immunity any time it chose to do ao.

As it stands now anyone who feels he was wronged or damaged by the government in Michigan is free to start suit. Previously it was necessary to seek and obtain permission from the government about to be sued before action could take place.

There are few who would argue today that an individual should not have the right to aeek just restitution for damages suffered because of failings of a government unit to properly discharge its responsibliites. There are also those who are concerned that juries in such cases may follow the path of those which set damages for accidents involving insurance companies. There has been a detectable attitude in some cases: "soak the insurance company, it has lots of money." This has resulted in increased insurance premiums. A "aoak the city" attitude on the part of juries could easily result in the same things an increase of cost to the public.

Government immunity was a doctrine of Michigan since the state came into being until the recent Supreme Court decision overthrew it. Alarmists among those with an interest in the aubject would do well to allow at least some brief period to see the effect of the new concept and how it will work.

It is always possible, according to the Court, for the legislature to bring the former doctrine back into existence.

VISION IS NEEDED to make any kind of worthwile attempt to predict either urban growth or transportation needs of the future.

The state Highway Department hopes it has this vision in attempting to work out routes and access points for expressways of the future which will be situated in Michigan cities.

One problem, becoming more acute as the federal and state governments move more and more into the urban renewal field, is whether these planned roads will conflict with slum clearance and other civic betterment projects also in the drawing boards.

• • •

Michigan's highwey chief, John C. Mackie, says his department already does more urban planning work than any other agency of state government.

Highway planners are now branching out more into the field of federal programs of urban renewal and planning. In fact, a top-level meeting recently was held between Mackie, other high state officials and William L. Slayton, the Federal Urban Renewal Commissioner.

Aim of this meeting, and in fact, the aim of all the cooperation efforts of planners from both fields is to promote comprehensive transportation and construction blueprints for the future.

MICHIGAN GREW FASTER in population during the last decade than it did between 1940 and 1950 and it has continued to grow at a higher rate than the country as a whole, according to figures recently released by the U.S Census Bureau.

Between 1950 and 1960 Michigan added 1,424,015 to its population as compared to a growth of 1,118,000 between 1940 and 1950. So it added 27% more people during this last decade than it did during the previous decade.

Michigan's population now is 7,795,781 as compared with 6,371,768 in 1950. In 1950 Michigan's population represented 3.2% of the population of the United Statea. In 1960 it constituted an even greater part: 4.3%.

Michigan as a consumer's market continues to grow rapidly, even more rapidly than it did during the decade from 1940 to 1950. Predictions by expert demographers state that Michigan will have over 10,000,000 people 10 years from now. If so, the increase in the next 10 years will total over 2,000,000, half again as much as during the last decade.

Michigan had 9,891 industrial plants in 1947; 12,711 in 1954 and 13,238 in 1958. During the past period from 1954 to 1958 Michigan gained 527, just exceeded by Illinois with 531 but way ahead of Ohio's 407.

From where I sit ... *by* Joe Marsh

Clock Watcher

Nothing in the world is more discouraging than a guest who doesn't know when to go home —especially if you have to get up as early as Chub Jackson, our local milkman.

Last week, poor Chub and his missus were entertaining e distant cousin from Center City who just wouldn't call it a night. The later it got, the more he talked, and the more unhappy Chub got.

But Chub finally found a way to shut him up. Just as his cousin started another long tale with, "And that reminds me of the time . . . ." Chub jumped right up and said, "Gosh, you're right! It is getting late!"

From where I sit people who have respect and consideration for other folks' feelings never outstay their welcome. One of my neighbors, for example, prefers other beverages to beer, yet when he drops over he never objects if I have a glass of beer while he enjoys his coffee. It's thoughtfulness like this that keeps friendships from "tiring out."

Are Editors Ogres?

"When you are Editor, you are nobody's friend," sighed the not-so-sweet young thing shortly after having been named to the top post in her college newspaper. Her violent editorials and sweeping indictments had reaped a whirlwind of confusion and controversy. She had learned that the word "editor" is not always preceded by the adjective "crusading,"—that not everyone considers it the editor's task to correct all that is wrong with the world by a few swift strokes of the pen.

"Have you any promising agricultural journalism students or graduates to recommend for a farm publication?" a job placement officer for the School of Journalism at Michigan State was recently asked. "Hardly," he replied, "we have graduated just two Ag-Journalism students in the past two years!" He wished that more students would go into agricultural reporting where he could easily place "a dozen or more good ones if they were available."

But they are not.

The reason why, may add up to one of the greater compliments ever received by farmers. Agricultural reporting is not unpopular because it paya so little, in fact, it frequently pays more than other branches of the profession. Agricultural reporting is unpopular with some because of its need to reflect the conservative ways of farmers.

Farmers do not tolerate for long anything less than factual reporting. They provide little encouragement to social reformers, political schemers and the liberal left wing.

"Most journalism students these days choose their major because they intend to promote the liberal views, to remold American thinking and to change the world." the college placement officer confided. "In fact, among the current crop, I couldn't find you one that could be classed as 'small-town oriented,'—to say nothing of 'rural oriented.!"

It's something for farmers to think about.

Is the editor truly nobody's friend? Of course not! Most small town and many big city editors are the best friends the public ever had. In rural areas the local editor is most often thought of as the benevolent chronicler of the passing scene. He goes out of his way to smooth over what could be an embarrassing "expose" that could wreck lives and scar a whole community for a lifetime. He deserves the active, advertising, subscription, and moral support of every farmer. Without him they wouldn't be doing nearly so well.

Sour Cream Sauce Tops Tongue Slices

The manner of serving cooked beef tongue can be as changeable as the weather. Serve it hot, or serve it cold. Serve it sliced, diced or julienne-style. Tongue adapts to many variations.

For simplicity, try slices of cooked tongue with an accent of horseradish or chili sauce. Add sparkle to a buffet with a tray of pickled tongue slices. When kept on hand in the refrigerator, it makes tasty sandwiches or snacks. Tongue can be ground or chopped for meat salads.

That's just a beginning. You could come up with many more serving suggestions. Here's an idea you"yy enjoy . . . cold tongue slices with a sauce of sour cream, vinegar and onion.

Reba Staggs, meat cookery authority, tells how to cook a beef tongue. First wash the meat with clear water. Then place it in a Dutch oven or deep kettle. Pour in enough water to completely cover the meat. Cover the pan with a close fitting lid and let it simmer 3 to 5 hours or until tender, allowing about one hour per pound. When the meat is done, remove the skin. Then serve it hot or chill the meat in the refrigerator and serve it cold.

Tongue Supreme

1½ pounds cooked tongue sliced ¼ inch thick
2 tablespoons minced onion
2 tablespoons butter or margarine
1 cup dairy sour cream
1 teaspoon vinegar
¼ teaspoon salt
⅛ teaspoon pepper

Cook onion in butter or margarine until tender. Combine onion, sour cream, vinegar, salt and pepper. Serve sauce with tongue slices. 6 servings.

White Pine--Tree of Legend

This is Michigan's official state tree, the white pine. It has long stood as a symbol of the state's forest heritage. It was the backbone of the lumber industry for a quarter of a century prior to 1900 when Michigan led the nation in lumber output. It helped to build the Midwest and played a big hand in Michigan's early development. While white pine will never again reach its former heights in the lumbering world, it will continue to be a valuable part of Michigan's forests. Today, white pine is found mostly in the upper peninsula and the north half of the lower peninsula where it figures prominently in reforestation work. Two small stands of virgin pine are preserved at Interlochen and Hartwick Pines state parks. At maturity, the tree attains a height of 60 to 120 feet with a diameter of from three to four feet. The bark of young white pine is smooth and dark greenish-brown: on older trees it is gray and deeply grooved. The needles occur in clusters of five. They are pale blue-green, fine and soft. Mature cones occur in drooping clusters near the tops of the trees. They are narrow and tapering with rather loose flexible scales.--Mich. Dept. of Conservation

Symbol of Michigan's forest heritage; backbone of Michigan's lumber industry which led the nation in output from 1670 to 1890; wellsppring of the Midwest's early development; valuable member of today's forests in this state.

This is Michigan's official state tree, the white pine.

At one time, Michigan's white pine stands were the greatest the world had ever seen. In the last half of the 1800's, an enormous demand for cheap building material echoed throughout the rapidly expanding Midwest.

Rugged loggers answered this call from Michigan's rich pine stands they produced the now legendary lumbering era, a colorful period filled with romance and glory, and tragedy. This was Paul Bunyan's heyday and white pine was his tree.

From the white pine harvest was hewn the great financial, commericial, and industrial rise of this state.

While white pine will never again reach its former heights in the lumbering world, it remains an important part of Michigan's forests. It figures prominently in public and private reforestation work in the state.

Today, white pine is found mostly in the upper peninsula and the northern half of the lower peninsula, although it occurs as far south as Allegan, Eaton, and St. Clair counties and can be successfully planted even in the most southern counties.

White pine grows in nearly pure stands or mixed with red (Norway) pine, or with hardwoods and hemlock. It is best adapted to moist, sandy loam soils but will grow on a variety of sites from swamp to dry sand.

At maturity, it towers 80 to 120 feet above the ground with a diameter of from three to four feet. Under forest conditions, mature pine have narrow crowns; when grown in the open, crowns are symmetrical and broad. Tops of tall, exposed white pines are often bent away from the direction of the prevailing winds and flattened on the windward side.

The bark of young white pine is smooth and dark greenish-brown; on older trees it is gray and deeply grooved. Needles occur in clusters of five. They are three to five inches long, pale blue-green, and are fine and soft compared with needles of the other two native Michigan pines, the red and jack pine. Mature white pine cones occur in drooping clusster near the tops of the trees. They are narrow and tapering, with rather loose flexible scales, opening in September of the second year.

White pine wood is creamy-white to reddish-brown, soft, straight-grained, and uniform in texture. Lumber, sash, millwork, paneling, interior finish, and boxes are principle products of white pine in this state.

Michigan's present volume of white pine is estimated to be nearly 300 million cubic feet, including 1.2 billion board feet of sawtimber, plus nearly 1.3 million cords of smaller material. Two-thirds of the sawtimber is in the upper peninsula, particularly in the western part, where the largest volume exists as old-growth trees mixed in hardwood forests,

In the lower peninsula, two small stands of virgin pine are preserved at Interlochen and Hartwick Pines state parks.

Today's annual cut of white pine is approximately 3.5 million cubic feet of wood, mostly sawlogs which total almost 20 million board feet. This is four percent of the total board foot production in the state. It contrasts sharply with the white pine cut in 1889, when 3.5 billion board feet was harvested, representing 65 percent of the total timber cut in the state that year.

Require Bill of Sale To Transport Trees

Bills of sale are required when cut Christmas trees are transported in lits of more than six under a 1953 law enforced by the Michigan Department of Agriculture's plant industry division.

The annual harvest of Christmas trees in the state is estimated at more than two and one-half million trees.

Christmas tree bills of sale must be on special forms available free from Michigan Department of Agriculture offices, state police posts, sheriffs' offices, Conservation Department officers or from county agricultural extension directors.

Persons who transport trees grown on their own property need only proof of ownership in the form of a tax receipt or a deed.

Inspectors are patrolling highways to check for violations of the Christmas tree law. The statute applies to cut trees only. In instances where Christmas trees are transported with the roots attached, the shipment must be accompanied by a certificate showing the trees have been inspected where grown and are apparently free of plant diseases and insect pests.

Indians Deserve Credit for First Thanksgiving Day

Two Indians with an English accent deserve much of the credit for the first Thanksgiving in America.

They taught the Plymouth colonists how to make a home in the New World and helped them establish a peace that lasted for more than 50 years.

The first to approach the colonisis, reports World Book Encyclopedia, was Samoset, a chief of the Pemaquid Indians. He walked into the colony one day in March, 1962, and unsettled the settlers by addressing them in English. Samoset, it turned out, had earlier met some English fishermen along the coast of Maine and learned some of the language from them.

Two weeks later Samoset dropped in with his friend Squanto, a well traveled brave of the Pawtuxet tribe. Squanto had been to England twice, once having been kidnapped and sold as a slave in Spain by an English sea captain. He had returned to America in 1619.

Samoset introduced the colonists to Massasoit, Chief of the Plymouth area. With Squanto acting as interpreter, the chief and the Pilgrims concluded a treaty of friendship that lasted until Massasoit died in 1661.

Meanwhile Squanto went to live with the colonists, teaching them how to plant corn, pumpkins and beans and showing them where to fish.

That year the Pilgrims had a bountiful harvest and Governor William Bradford declared the celebration that became the first Thanksgiving.

Thanksgiving Day Services to be Held At Methodist Church

Worshippers will gather at the First Methodist church at 10 a.m. Thursday for the observance of the annual union Thanksgiving Day service.

The Rev. Alexander Wood will deliver the Thanksgiving message at the service sponsored by the Charlevoix Ministerial Association.

Others participating will be the Rev George L. Majors, the Rev. Harold E. Kohn and the Rev. Raymond J. McBratnie.

The President's Thanksgiving Proclamation will be read by Jack Grubaugh, third ward alderman representing the City Council.

Traditional hymns and anthems will be sung by the host choir and the congregation.

The offering will be given to the "Share Our Surplus" program which underwrites the cost of purchasing and shipping surplus commodities to needy countries.

Members of all faiths are invited to join in the observance of the great American holiday by attending this union service.

"It ain't the initial cost it's the upkeep. If you doubt this compare the federal money now being spent in Alaska with the purchase price of $7,200,000."

RESIDENTS OF MICHIGAN paid an average of $44.95 each in sales during the fiscal year which ended June 30, according to the Revenue Department.

The previous **year's per capita** sales tax collections were $41.40. Revenue officials said most of the increase was due to the new four per cent rate, rather than increased retail sales.

Eighteen counties recorded per capita collections higher than the state average. Of these, 10 were tourist centers and eight contained large metropolitan areas.

Roscommon Cornty, classed as a tourist center, has the smallest permanent population among 16 above average counties, but led the list with $64.26 per person collections. This was the 10th consecutive year the north central county held this position.

* * *

Cheboygan County, another northern location which draws heavily on tourist business, was at the bottom of the counties above the state average with $46.21 per captia.

Other tourist counties with above average collections were Grand Traverse with $61.92, Emmet with $60.04, Otsego with $54.19, Crawford with $52.62, Clare with $46.87, Wexford with $47.77, Iosco with $47.26 and Mackinac with $46.51

Counties with metropolitan areas on the list were Ingam with $55.04, Kent with $52.92, Kalazoo with $50.39, Oakland with $48.81, Wayne with $46.27, Calhoun with $47.64, Bay with $46.91 and Genesee with $46.37.

* * *

If Michigan's Historical cycle is to continue its pattern of the last 15 years, the state will have a financial suplus in 1962, but most of the experts predict a break in the cycle.

A citizens Research Council report showed Michigan's treasury recorded surpluses in the period from 1946-49 and 1954-57. Deficits were on the books in 1950-53 and 1956-61.

The Council pointed this would indicate 1962 will bring a surplus but, said it did not "share this optimism."

* * *

Michigan's deficit was above the $65 million mark in the 1960-61 fiscal year. This was the highest since the "cash crisis" of 1959.

Revenues from the increased sales and use taxes to date this year were below estimates and in most months fell below the collections last year when compared proportionately to the 1960 three per cent rate, said Revenue Commissioner Clarence W. Lock.

Some bright spots were noted in the October collections, when auto sales taxes rose markedly. Lock said "a strong boom" would be required if the $462 million revenue estimate was to be reached and "a noticeable boost" would be necessary if income was to equal $432 million budget approved by the 1961 Legislature.

* * *

New taxes might be inavitable, the Research Council said. Lock steered away from any prediction on this question, the legislative budget writers said they could not take a stand on it at this time.

The 1962 Legislature will be hard pressed to make do with current revenues but ways to eleminate the mounting deficit will also be of primary concern.

* * *

FOUR PROPOSALS CONSIDERED in past years by the Legislature after urging by law enforcement and safety officials were the focal points this year in a series of regional traffic safety conferences called by Gov. John B. Swainson.

Meetings at Sturgis, Muskegon, Birmingham, Houghton, Alpena and Cadillac under the auspices of the State Safety Commission discussed any and all phases of traffic safety of interest at the local level.

Gerald W. Shipman, executive secretary of the state commission, said the four points were emphasized by all-enforcement officials as well as safety-minded private citizens who attended.

* * *

A stronger chemical test with "implied consent" was emphasized first. Current law requires written consent to administer the tests.

Vehicle safety inspections by state-designated service stations should be written into the law, the conferees said. Discussions recommended State Police be authorized to check abuses of the law.

A joint traffic safety study committee in the Legislature was suggested to "filter out worthy proposals for bills and resolutions, assemble traffic safety information and make long range plans to meet the growing traffic safety problems.

* * *

The fourth proposal, ranking in controversy perhaps with the chemical test recommendation, called for expansion of the 12-point violation system to all drivers.

Juveniles are exempt from the point system under provisions of the probate code. Most juvenile authorities in the past contended this exemption should remain in the law.

Set Deadline to Make Requests For Wheat Program

There have been 51 Charlevoix County farmers who have signed up for the 1962 Wheat Stabilization Program and the deadline is rapidly drawing near. December 1, is the final date for requesting participation in this program where acreage is withdrawn from the planting of wheat and turned to conservation uses for the entire year of 1962.

If a farmer has an allotment or has grown wheat for harvest in one of the past three years he is eligible to participate in this program, Robert W. Reidel, Chairman of the Charlevoix County ASC Committee, stated today.

To date the 51 farmers participating in this program have agreed to withdraw 339 acres from the production of wheat for harvest in 1962. Inquire at the county ASCS office before December 1, 1961.

C of C Distributes Industry Folders Throughout State

The attractive Charlevoix industrial folders are being distributed on a state and nationwide basis Paul Kohler, secretary-manager of the Charlevoix Chamber of Commerce, has announced.

Some 275 of these folders have been mailed to the Michigan Industrial Ambassadors by Ralph F. Swan, secretary of the group, through the Michigan Department of Economic Development. The Industrial Ambassadors represent an outstandinf group of successful businessmen and industrial leaders in the state who may be personally interested in Charlevoix as a business location and/or know of other industralisits who might be interested in the advantages Charlevoix has to offer.

The folders are also being sent by direct mailing from the Chamber office to key personnel of more than 2, 000 nationally known manufacturers who might be interested in this locality as a site for a branch operation. Further distribution will be made through business shows and conventions, vendors and costomers of local businesses, professional distributors and other means.

In announcing the mailing program, Mr. Kohler said that to his knowledge, this is the first comprehensive industrial folder published and distributed by the local Chamber. He added that if this effort to publicize Charlevoix as an industrial site is successful, a more extensive program will be conducted in the near future.

The new industrial folders were first introduced at the annual Chamber of Commerce membership dinner held recently at the Weathervane Inn.

Senior Class to Present "The Broom and the Groom"

With the cast of the Senior play, "The Broom and the Groom" rehearsing nightly in preparation for the presentation Saturday, Dec. 2, the "behind the scenes" crews are working diligently assembling the myriad properties and taking care of the endless details essential to a 'finished' production.

One of the most difficult tasks, that of assembling sound effects, has been assigned to a committee headed by Maralene Chew. Since sound effects play a major role in the 'spooky' play their job will not be an easy one as they seek something to produce eerie wind effects, thunder and aimilar sounds.

Dagmar Brock is responsible for stage properties; Darrell Somerville and Carol Genia will produce the art work required on the set and in public relations material; Nynke Bierma is in charge of posters and Dolly Farrell heads the program department; Darlene McClanathan and Joyce Bascom are printing the tickets.

Lynn Maxfield and Pat MacDougall are working on wardrobe needs while Sharon Abfalter and Jeanette Novak are responsible for make-up. Usherettes will be Lorraine Empey, Pat MacDougall, Darlene McClanathan, Joyce Bascom and Nancy Bogart.

Coordinating all offstage operations will be business manager Susie Helms; Judy Ikens is preparing to deliver the welcome speech; Rose Stewart and Sally Cross are alternating as prompters; Albert Arvilla will handle publicity and working in various capacities under the direction of co-stage managers Stan Martin, Henry Wagner and Dennis Wojan will be Dale Burke, Don Kelly, Allan Bolhuis, Gary Thorpe, Jim Bergmann and Barry Pierce.

Wanda Warner is student director.

The cast of the play which tells the story of a young bridegroom and his bride who professes to be a witch and the many side-splitting antics which result include Don Anders as the bridegroom and Donna Bergmann as his bride, Mary Anne Klooster as Aunt Rina, Ted Tunison and Lorraine Helse, as the boss and his wife. Others are Lorah Foley, Don Berg, Virginia Hamlin, Dick Harrington and Maureen Sanford.

Directing the comedy are William Ratigan and Don Carey with H. E. Bingham and S. E. Coleman serving in an advisory capacity.

Annuai Hunter's Supper Served On Beaver Island

Beaver Island—The annual hunters supper (½ fried chicken, potatoes, gravy, cranberry sauce, cole slaw, dinner rolls, cake and coffee) prepared by Mrs. Ada Martin and Mrs. Mary Gatliff was held Thursday evening November 16.

At that date a total of 197 hunters were on the Island. Twenty-two buck had been taken as of November 19.

Jim Carpenter Jr. of Grand Rapids won a year's membership in the Game Club and Nellie O'Donnell won the transistor radio as a prizes offered at the meeting which attracted 173.

Scientists to Hold Special Service Thanksgiving Day

A special service on Thanksgiving Day has been announced by the Charlevoix Society of the Christian Science church.

Local members have invited the public to attend this Thanksgiving service to be held in the church edifice at 11 a.m. Thursday.

Keynoting the lesson-sermon on the subject of Thanksgiving will be the golden text from Psalm 107.

Judge Dismisses Trespass Charge

Charges of trespassing against four youths of rural Charlevoix who were hunting in Hayes township were dismissed last week by Justice Henry Oliver of Boyne City, according to a report from the Petoskey post of the Michigan State Police.

Named on the complaint by E. D. Kasik were Merritt R. Clark, 18, Thomas E. Louiselle, 19, Thomas Allen Louiselle, 17 and Demar Bodley, 22.

Am. Legion Post Exceeds 1961 Quota

The Leslie T. Shapton Post, American Legion, had exceeded it membership quota by Veterans' Day, Nov. 11, according to Fred Tyler.

The quota set for the local post was 80 members and by Veterans' Day the membership was reported to the Michigan Department as 82. Aim of each post was to exceed its quota by that date.

CHS Seniors To Present Comedy Saturday Night

The cast of the senior class production, "The Broom and the Groom", pictured during the reheersal in the Cherlevoix elementary school auditorium recently.

The presentation of the three-act comedy has been advanced to 8 p.m. Saturdey to accomodate other community events.

Shown here are the groom, Don Anders, and his bride, Donne Berg, holding 'THE BROOM' an important property in the uproarious comedy.

Snapping the action on stage is Dick Harrington (left) presa photographer, while Mary Anne Klooster, who plays the role of Aunt Rina, Lorah Lee Foley, a nosey neighbor, Virginia Hamlin (second from right), e reporter and Maurine Sanford, (fer right) e televison executive, look on.

Don Berg, Lorraine Heise and Ted Tunison are the other members of the cast which will present the play under the sponsorship of William Ratigan and Don Cerey with H. E. Bingham end S. E. Coleman serving as edvisors.

Sound effects play an important role in the Charlevoix bigh school senior play," The Broom and the Groom".

As a result the sound effects crew headed by Meralene Chew has virtually become a part of the cast.

Included on the sound track made by this crew are such unusual sound effects as a car battery running down and an attractive witch taking off on her broom. . . The sound track similar to those used in motion pictures, also includes a cat's meeow and a lion's roar, all to be heard during the production to be seen at 8 p.m.

Pictured bere are Wanda Warner (right), student director reading the various parts as the crew checks the track timed in sequence for use in the hilarious comedy.

Also pictured are other members of the crew including Lorraine Heise and Ted Tunison rattling a strip of sheet metal to produce a thunderstorm and Maralene Cbew pouring popcorn on a pie tin held by George Majors, chief technician, to imitate the sound of rain, some of the typical manual effects used in radio and television broadcasting.

As chief technician, George Majors has done mucb of the technical work in splicing tbe sound tape for the tape recorder tbat will produce all of the recorded sounds. The facilities of tbe high school language department were utilized in developing the sound track. "Live" sound also was recorded in a local garage.

Off-the-Street Parking in Effect Until April, 1962

Off-the-street parking will be enforced beginning this week continuing through April 1 Chief of Police Joseph L. Smith announced this week.

Cars must not be parked on citys streets or across sidewalka from 2 a.m. until 7 a.m. during the forthcoming months in order to facilitate snow removal by the city street department.

Though there is little or no snow at this time, a storm can cover the streets in a short time. Parked cars make the job of snow removal a difficult one, Mr. Smith said.

Community Chest Needs $2,302

The 1961 Community Chest fund campaign passed the three-quarter mark this week as the total contributed to date reached a new total of $8,440.35 or 78 per cent of the goal of $10,742, Mrs. Jeannine Essenberg, fund chairman, reported Wednesday.

Unless local residents come through with increased contributions or pledges, the 12 participating agencies will receive only a part of the funds they requested to meet their needs. The activities of all groups will be greatly curtailed if the goal is not met Mrs. Essenberg said. Budgets of all participating agencies were pared as much as possible prior to the drive. This will mean that they will receive even lesser amounts thus making it necessary to curtail services to the community.

Agencies included in the drive are Community Nurse, Charlevoix Hospital, Girl Scouts, City Recreation, Boy Scouts, Salvation Army, Charlevoix Service Organization, Charlevoix Association to Aid Retarded Children, Mt. McSauba Ski area, Michigan United Fund, Emergency Fund and Charlevoix Red Cross chapter.

Detroit Youth Gets 2½ to 15 Years

Ronald L. Edwards, 18, of Detroit, was sentenced to 2½ to 15 years in Southern Michigan prison on a charge of breaking and entering in the nighttime during a special term of circuit court here Monday with Judge Charles L. Brown presiding.

Judge Brown recommended that Edward, who was arrested in Boyne City in late August, be sent to Cassidy Lake Camp for training.

He had been waived out of probate court earlier and had pleaded guilty to breaking and entering the Boyne City Hardware and Dilworth's Garage the night of Aug. 20 and taking tools and other items.

He has been held in the county jail here since then.

Milton A. Warren Sentenced to 12 To 15 Years

Milton A. Warren, 25, of Inkster, charged with involuntary manslaughter in the deaths of two Ellsworth youngsters, was sentenced to 12 to 15 years in Southern Michigan prison by Judge Charles L. Brown during a special term of circuit court here Monday.

Warren was the driver of the car which struck and killed Gordon Boss, 16, son of Mr. and Mrs. William Boss, and Mary Louise Fisher, 7 year old daughter of Mr. and Mrs. Raymond Fisher, both of RR Ellsworth, as they walked along the Ellsworth-East Jordan road 2½ miles west of East Jordan on Nov. 14. The pair along with Mary Louise's 12 year-old sister, Jean, all students in the East Jordan school system, were enroute to their homes after leaving the school bus at a cross-road near their homes. The latter was admitted to the Charlevoix hospital last week for treatment of a fractured arm received in the accident.

Before he was sentenced Warren addressed the court briefly stating "I expect to be sentenced and when I get out I am going to turn my efforts to helping others that they will not make the same mistakes I did", according to Harvey C. Varnum, county prosecuter.

He was visibly shaken when sentenced by Judge Brown and on the way back to his cell in the county jail told Deputy Sheriff Philo Sumner that "I had it coming".

Warren fled the scene of the minutes later was apprehended tragedy without stopping and 35 in an East Jordan tavern and questioned after the stolen car he had been driving was found in a parking lot with the radiator grill, headlight and fender damaged. He admitted he had visited several area taverns throughout the afternoon but that he did not realize he had struck anyone until he saw a body which was hurled past his windshield. He said he tben panicked and sped toward East Jordan where he was later apprehended. He will be transported to Southern Michigan prison later this week.

Mrs. Hiram Brock Hostess to Farm Burean Women

Mrs. Hiram Brock of rural East Jordan was hostess at the regular November meeting of the Charlevoix County Farm Bureau Women's Committee.

The program included devotional thoughts "Things for Which We Should Be Thankful", presented by Mrs. Jasper Warner, and the Citizenship report, presented by Mrs. L. E. McGhan, directed attention to the careless use of the county-side by littering it with signs and trash.

Mrs. William Parsons, chairman of the committee, presided at the meeting which was attended by representatives of ten of the county groups.

Reports were also given by members of the county organization who attended the annual state Farm Bureau meeting.

Plans were made for the December meeting which will be held at the home of Mrs. Thomas Wieland.

Jerome D. Lescoe To Speak at PTA Wednesday

The first formal meeting of the Charlevoix P.T.A. will be held at the elementary school cafeteria at 8 p.m. Wednesday, Mrs. J. L. Feindt, president of the organization, has announced.

Jerome D. Lescoe, construction superintendent for Consumers Power Co. at the Big Rock Point Nuclear Power plant, will speak on the subject of industry's problems in the field of nuclearonics. He will also touch on the selection and training of personnel for the plant which is scheduled for completion late next year as well as the role the Big Rock Point plant will play in the experimental field.

In announcing plans for Wednesday's meeting, Mrs. Fiendt said that every effort was being made to keep the meetings brief and interesting in order to attract members and interested persons whose time is limited. Copies of the secretary's and theasurer's report will be printed and distributed at the meeting in order to limit the length of the meeting.

Third grade room mothers will serve refreshments at the close of the meeting. Third grade parents will serve on the hospitality committee. Mrs. Doris Pierce is chairman of the first group and Mrs. Paul Olsen the latter.

Fran Martin is program chairman.

Earlier this fall the P.T.A sponsored 'open house' at both the new high school and the elementary school so that members could view the new building and the remodeled elementary school.

Residents of the Charlevoix school district interested in the local schools and the students are urged to attend this meeting and participate in other P.T.A events.

Municipal Electric Power?

There is considerable speculation as to the future of the Charlevoix Municipal Electric Power system. Since it was made public that Consumers Power Co. made an informal offer to purchase the system, the idea has been under study by the utility committee. The grapevine reports recommendation of the committee will be made to the Council at the meeting next Monday evening. That meeting should reveal the attitnde of the Council and air pretinent facts.

A poll of aldermen two weeks ago indicated two aldermen were definitely opposed to the city selling the entire system, generating plant and distribution lines. They favor buying bulk power for resale over city owned transmission lines at the rates established by the city. Four aldermen stated they would consider negotiations to sell, with various reservations and stipulations.

The pros and cons offer some very logical arguments. I am definitely biased but I haven't as yet had enough facts and figures to support either my opionion or the opinion of those who disagree.

My personal bias is based only on two previous experiences in cities that eventually sold a municipally owned power business to independent companies. My advice to taxpayers of Charlevoix is to get facts, not just opinions, and let the aldermen know your thinking.

Charity---Private or Public

U. S. business and its company-sponsored foundations will give away more than $400 million in 1961—nearly eight times their annual charity outlay of a decade ago, according to a report in Newsweek. The businesses, large and small, are apportioning the money amony federated charity campaigns, hospitals, education, museums, libraries, and toward the promotion of international understanding. The magazine quotes Jersey Standard president M. J. Rathbone as saying: "If good citizens, corporate and individual alike, did not support these institutions, they would have to turn to the government—and that certainly is not the way to advance the cause of free enterprise."

Last year a fire in a nearby town put several stores out of business during the entire holiday shopping. Their fire insurance covered the building and stock, but what about the fatal loss of income during this season? Does your agency have insurance to pay all expenses and net profit during business interruption?

MEMO . . .

From the Editor's Desk

Who is Robbin? And who is A. Barb, U. Bunk and the kids? We want to know because we have a Christmas wrapped package for Robbin from A. Barb, and U. Bunk and the kids. It was found on the south aide of Charlevoix Sunday by Rodney Richardson and left at our home. When we found the package on our doorstep Sunday night we were all excited to know who had slipped a Christmas gift to us sort of sneaky-like while we were out of town. Our excitement was soon calmed when we had a call from Rod's mother. So the Christmas gift is still intact waiting for Robbin to come and claim it.

The Courier had the pleasure Monday afternoon of entertaining Brownie Scout Troop 9 with their leader Mrs. Ray Wood and assistant leader, Mrs. James Mclaughlin. The 13 Brownies appeared to be interested in the operations of a weekly newspaper. Who knows, maybe some of them may turn out to be "sob sisters", a newspaper title applied to the women journalists. We hope so. There is plenty of opportunity in the field.

Some people go to considerable expense to try their luck at getting a deer. Others just drive down the highway and have plenty of deer jump right in front of their car. The result—one deer killed, one deer with a broken leg, a smashed up new car for the owner and not even a venison steak to help offset the expense.

• • •

Speaking of deer, it seems the weather has been on their side this year. There hasn't been enough snow to give the hunters many clues as to just where the deer are running. Any place one goes there are plenty of tracks but it takes an expert to know if the tracks are two days old or a month old. There should be a sizable deer herd for next year if the remainder of the winter is not extremely severe.

Request Opinion of Voters On Proposed Constitution

By Edward K. Shanahan, Delegate

The Constitution of Michigan belongs to the people. It is our basic law under which we wish to live.

In order to propose a Constitution in keeping with the desires of the people, it is important that your delegates to the Constitutional Convention know your thinking.

The following questionnaire covers some of the basic questions which have been raised to date. If you will complete the following questionnaire and return it to Edward K. Shanahan, Constitutional Convention Hall, Civic Center, Lansing, you will help guide me as your delegate in making decisions important to you. I will appreciate your help.

Mr. and Mrs. Thomas M. Elzinga To Make Home in Boyne City

At a quiet ceremony held recently at the Baptist parsonage, Bonnie Mitchell, daughter of Mr. and Mrs. Lyman Mitchell of Boyne City, became the bride of Thomas M. Elzinga, son of Mr. and Mrs. Martin Elzinga.

The Rev. L. L. Lewis officiated ot the double ring service in the presence of their immediate families on Nov. 17.

The bride, given in marriage by John Buckmaster of Boyne City, selected a floor length gown of white Chantilly lace over taffeta for her wedding. Fashioned with a fitted bodice, V-neckline and long sleeves, the full skirt had an apron of the same lace. Her finger tip veil fell from a lace band. She carried a bouquet of yellow and white baby mums.

Jane Nowland of Boyne City assisted the bride as maid of honor. Judie Mitchell of Boyne City, sister of the bride, was bridesmaid. They wore street length gowns of red and lilac, respectively, styled with fitted bodices, scoop necklines, cap sleeves and full skirts. They carried bouquets of white mums.

Richord Elzinga assisted his brother as best man. James Elzinga, another brother, was groomsman.

Mrs. Mitchell wore a green flowered dress and matching accessories for her daughter's wedding. Mrs. Elzinga, mother of the bridegroom, wore a two piece navy dress trimmed with white lace and navy accessories. Their corsages were of white carnations.

A reception for more than 125 guests followed at the Advance Community hall. Mrs. Lawrence Elzinga and daughter, Yvonne, of East Jordan, assisted.

Mr. and Mrs. Elzinga are making their home in Boyne City.

Prior to the wedding Mrs. Elzinga and Mrs. Simeon Perron hosted a bridal shower for the bride-elect. Twenty-eight guests enjoyed a social hour and refreshments at the Elzinga home. The honoree received many lovely gifts.

Miss Supernaw Becomes Bride Of Donald O'Brien in Church Rites

St. Mary's church was the scene Saturday of the wedding of Mary Janice Supernaw, daughter of Mr. ond Mrs. Henry P. Supernaw and Donald A. O'Brien, son of Mrs. Harvey O'Brien and the late Mr. O'Brien.

The Rev. Francis Denay officiated at the double ring service in the presence of more than 200 guests. The organist, Mrs. Frank M. Olesky, accompanied Kathy McCann, cousin of the bride, who sang "Ave Maria" and "On This Day".

Given in marriage by her father, the bride chose a gown of white de-lustered satin for her wedding. Fashioned with a fitted bodice, scoop neckline and three-quarter length sleeves edged with Nenise lace, the gown featured a floor length skirt. A tiara of pearls and sequins secured her fingertip veil. She carried a bridal bouquet of white mums and sweetheart roses. Her only jewelry was a single strand of pearls, a gift of the bridegroom.

Mrs. Richord L. Sellissen as matron of honor and Linda Supernaw, sister of the bride, as bridesmaid, wore identical gowns of bright blue and red velvet, respectively, styled with scoop necklines, three-quarter length sleeves, full skirts and satin cummerbunds. Their headpieces and accessories matched their gowns. Mrs. Selissen carried a bouquet of blue and white mums and Miss Supernaw, a bouquet of red and white mums.

Mr. Selissen assisted the bridegroom as best man. Theodore Potter was groomsman. Jerry Paul and George Smith seated the guests. William Supernaw, brother of the bride, and James McCann cousin of the bride, served as ocolytes.

Mrs. Supernaw selected a gown of champagne brocade, matching accessories and a corsage of pink carnations for her daughter's wedding. Mrs. O'Brien, mother of the bridegroom, wore a wine dress, beige accessories and a corsage of white carnations.

Immediately following the ceremony, a wedding breakfast and reception was held at St. Mary's school hall.

After a wedding trip to an undisclosed destination, the couple will make their home at 191 East Lincoln ave. For traveling she wore a brown plaid sheath, brown accessories and a rose corsage.

The bride is a 1958 graduate of the Charlevoix high school. Mr. O'Brien, a 1953 graduate of the local high school, is a member of the 310th Ordinance Co. (Field Supply) headquarters here. He is employed at the Novotny Plumbing Co.

Wedding guests were present from St. James, Bay City, Grand Rapids, Boyne City, East Jordan. Lincoln Park, Lakeville, Manistee, Montague, Muskegon, Ludington, Oxford, Michigan and Chicago, Ill.

Girl Scout News

Young journalists are being trained at 4 p.m. each Thursday. These journalists are members of Girl Scout troop 13, who under the guidance of Miss Frances Martin, are learning the fundamentals of good newspaper writing and photography.

This is being done so that these Scouts can aid other troop secretaries in an effort to let Charlevoix find out more about scouting.

At the first meeting the basic factors of a newspaper story were given and typical Girl Scout situations to be written in newspaper form were handed out as assignments. The next Thursday these were discussed and photography was brought up. After comparing a few snapshots, Miss Martin presented tips on good picture taking.

During the next meeting the Scouts' attempts at writing a newspaper story obout this course are to be compared and photographs taken outdoors if possible.

Noted Pianist to Open Northern Concert Series

Coleman Blumfield, pianist, will be the first guest artist in the 1962-63 Series of Northern Michigan Community Concerts ond will appear in concert at the Petoskey High School Auditorium on Tuesday evening, December 5th.

Mr. Blumfield has been hailed for the "brilliance and clarity of his interpretation," and "clean, powerful, unforced playing.

After graduation from high school in Chicago, Blumfield entered De Paul University where his instructors were Sergei Tarnovsky and Katja Andy. Then a scholarship took him to the Curtis Institute of Music in Phildelphia where for four years he worked with the late Isabelle Vengerova.

Coleman Blumfield has already given his first Carnegie Hall recital in New York and has played with such orchestras as the Pittsburgh and National (Washington, D. C.) symphonies. He has also played in over thirty key cities across the country. Each of these appearances netted enthusiastic critical acclaim and many resulted in re-engagements.

Admission to this and all other concerts on the Northern Michigan Community Concert Series is by membership card only and all concerts are at 8:30 P.M. in the Petoskey High School Auditorium.

Betrothed

Mr. and Mrs. Carl O. McBride have announced the engagement and approaching marriage of their daughter, Sue Irene, to Donald James Drenth.

Parents of the prospective bridegroom are Mr. and Mrs. Gerrit John Drenth of Ellsworth.

The wedding will be an event of Dec. 23 at the Christian Reformed church in Ellsworth.

The bride-elect is a graduate of the Charlevoix high school and Blodgett Memorial Hospital School of Nursing in Grand Rapids. She is presently employed in the pediatrics department at Blodgett Memorial Hospital. Mr. Drenth, graduate of the Ellsworth high school and Calvin College in Grand Rapids, now teaches music high school in Ontario, Calif.

State Hospital Patients to Have A Merry Christmas

The patients at the Traverse City State Hospital are looking forward to a happy Christmas.

However, it simply cannot happen for many of these patients unless the residents of the hospital's committing area, though their generosity, provide gifts, according to Ohmer J. Curtis, director of Community Affairs.

The gifts need not be expensive but they must be new because used items cannot be presented to patients as Christmas gifts. Such items as costume jewelry; cosmetics for both men and women; smoking materials such as cigarettes, cigars, pipes and tobacco; games; puzzles; books; candy; fruit, nuts and inexpensive items of clothing are always most welcome.

Items should not be wrapped but should be accompanied by a sufficient amount of wrapping materials.

Christmas gifts should be mailed to the Community Relations Office at the Traverse City State Hospital. If at all possible they should reach the institution by Dec. 1. However, they will be accepted until Dec. 20.

Civic groups, churches, schools, youth groups and individuals are urged to participate in this extremely worthwhile program so that the 'forgotten' patients at the Traverse City State Hospital will have a happy Christmas this year.

Mrs. C. F. Wood and Miss Katherine Fitch left Monday for Muncie, Ind., where they plan to spend two weeks with the former's son-in-law and daughter, Mr. and Mrs. Jack Lucas and family.

Station WWTV-FM Now in Operation

A new type of radio service offering interference-free high-fidelity reception and featuring quality music broadcasts, began operation Sunday when Station WWTV-FM went on the air in Cadillac.

The new station is the first high powered FM (high modulation) station in northern Michigan.

The programming will be basically quality music, reproduced in high fidelity, plus news and other information broadcasts. The majority of the station's quarter hour program segments will consist of music uninterrupted by commercial announcements.

Major sporting events, including Detroit Tiger baseball and Lions football, will be presented seasonally, and other highly-interesting information programs for discriminating listeners will be broadcast regularly.

Channel 13 Plans New Public Service

A new public service television program, "Eye on Michigan" was premiered over WWTV, Channel 13, Cadillac, Tuesday, with Harold Travis, public service director for Fetzer Television Inc., as producer and host.

The first subject to be aired concerned the controversial Sleeping Bear Dunes park proposal.

The series is planned to bring to viewers in-depth studies of important state and area issues. Included in the topics planned will be various studies centering on land usage and its relationship to recreation and tourism, industrial development, wildlife management and related subjects. Other programs will delve into the problems of schools and colleges, depressed area legislation, the economic effects of superhighways on local communities, industrial growth prospects, and other important issues.

Mr. and Mrs. Robert Kelly and son, Kim, of Bay City spent Thanksgiving with Mrs. Kelley's brother-in-law and sister, Mr. and Mrs. Claire Martin and with her father, Walter Taylor.

Mrs. William Gaunt

Those who spent Thanksgiving with Mr. and Mrs. Godfrey McDonald were their sons-in-law and daughters, Mr. and Mrs. Wm. Kerr and Mrs. Glen Bearss of Charlevoix, Mrs. Mary Larson of East Jordan, and their mother, Mrs. N. D. McDonald.

Spending Thanksgiving with Mr. and Mrs. John Hebdon were Mr. and Mrs. Alfred Crowell, Mr. and Mrs. Wm. Gaunt Sr., Mr. and Mrs. Bill Gaunt Jr., Robert Myers and daughter Eleanor and Mrs. Pearl Ikens of Boyne City. It was also Mrs. Hebdon's birthday.

Mr. and Mrs. Albert Chanda had as their guest for Thanksgiving dinner Mr. and Mrs. Albert Chanda Jr. of East Jordan, Mr. and Mrs. Fred Tolfree, Pat Delaney and Frank Meyers all of Kalkaska.

Mr. and Mrs. Albert Chanda spent Sunday with Mrs. Chanda's brother-in-law and sister, Mr. and Mrs. Fred Tolfree at their cabin in Kalkaska.

Mrs. Wm. Gaunt Sr. was pleasantly suprised Saturday evening when their children, Mr. and Mrs. Alfred Crowell, Mr. and Mrs. Bill Gaunt and two children, Mr. and Mrs. John Hebdon and three children, Robert Myers and daughter Eleanor and Robert Williamson all dropped in to help Mrs. Gaunt celebrate her birthday. Two lovely birthday cakes were served with ice cream and coffee. Mrs. Gaunt received many nice gifts.

Mr. and Mrs. Richard Gaunt accomponied by their father, Ralph Gaunt, of Saginaw spent the weekend with their brother and sister-in-law, Mr. and Mrs. Wm. Gaunt Sr.

Mr. and Mrs. Cortlan Clausen of Boyne City are the parents of a daughter, born Nov. 22 at the Charlevoix hospital. Mrs. Clausen is the daugbter of Mr. and Mrs. Henry Howard.

Bud Howard and sons and brother, John Howard, of Detroit spent several days doing some deer hunting at the Henry Howard home.

NOTICE

NOTICE IS HEREBY GIVEN, of the abandonment and discontinuance of part of the "Dump Road" pursuant to the following Resolution duly adopted by the Board of County Road Commissioners of Charlevoix County, Michigan, at it's meeting held on November 13, 1961, Viz:

RESOLUTION

Commissioner Erber offered the following Resolution and moved its adoption, seconded by Commissioner Rogers:

WHEREAS, the Crescent Stone Company and over seven (7) other free holders of the Township of Charlevoix have petitioned the Board of County Road Commissioners of Charlevoix County, Michigan to absolutely discontinue and abandon that portion of the County Road Highway known as the "Dump Road" that passes through the land of the Crescent Stone Company and is abutted upon either side only by land of the Crescent Stone Company and the City of Charlevoix's Dump which part is hereinafter more particularly described, for the purpose of relocating the said part of said road to allow the develooment and use of the Crescent Stone Company's land and also to aid in the program of expanding the City of Charlevoix's Airport; and

WHEREAS, this Board has set it's meeting this date, November 13, 1961, at 10:00 A.M., at the County Road Building on Highway M-75, East of Boyne City, Michigan, for a public hearing upon said Petition and due notice of said hearing having been given by publication in the Charlevoix Courier, a newspaper published and circulated in the City of Charlevoix, Charlevoix County Michigan, by posting in three (3) places in Charlevoix Township, and by mail to all of the owners and occupants of land abutting upon that part of the road sought to be abandoned and discontinued, as appears from the Proof of publication, Proof of Posting, and Proof of Service filed with the Board; and

WHEREAS, after full hearing thereon and this Board being fully advised in the premises the Board has determined that it is advisable to absolutely abandon and discontinue that said part of said road for the purpose set forth in said Petition;

THEREFORE BE IT RESOLVED, by the Board of County Road Commissioners of Charlevoix County, Michigan, that the following part of a County Road Known as the "Dump Road" be abandoned and discontinued as of November 13, 1981, as a part of the County Road system, and that said Board determines it to be to the best interest of the public that said hignway so abandoned and discontinued should be, and the same is hereby, absolutely abandoned and discontinued; said part of said County Road so abandoned and discontinued being in the Township of Charlevoix, Charlevoix County, Michigan, described as follows:

"In the Township of Charlevoix, Charlevoix County, Michigan, the South 33 feet of the Southwest (SW ¼) Quarter of Section 27, except the East 14.1 chains thereof; the South 33 feet of Section 28; the North 33 feet of the Northwest (NW ¼) Quarter of Section 34, except the East 14.1 chains thereof; and the North 33 feet of Section 33; all in Township 34 North, Range 8 West."

BE IT FURTHER RESOLVED, that a Notice of this determination be given by the Clerk of the Commission to the proper Highway authorities and published and circulated in said County, once each week for three (3) consecutive weeks.

Resolution adopted by the following yea and nay vote:
Yeas: Erber, Fineout and Rogers.
Nays: None. Absent: None.
Dated: November 13, 1961.

Ralph S. Hamilton, Clerk of the Board of County Road Commissioners of Charlevoix County, Michigan.

Storage of Deer Under Regulation

Dressed and cut up deer may be stored in commercial cold storage with othe food supplies if skins and hides are not insluded under Michigan laws.

This is the word to successful deer hunters from the Michigan Department of Agriculture's foods and standards division headed by J. L. Littlefield. Each year the lucky hunter creates more than his share of problems for locker plant inspectors.

Strict regulations govern the storage of wild life. One of these prohibits the storage of hides and skins unless separate storage rooms with no open passages leading into locker rooms, chill rooms, aging rooms, or sharp freeze rooms are provided. Hides and skins must be stored elsewhere.

"Deer stored in other than locker plants, such as refrigerators or freezers in grocery stores and meat markets must be stored so there is no possible contamination of other foods from dust, vermin, animals or persons," Mr. Littlefield explained.

Deer stilll having the hide on must be stored in a separate room from all other provisions, under Michigan regulations.

Democracy offers freedom of religion.

Christmas Comes Early At Retarted Children's School

Courier Photo

Christmas came in November for the Reterded Children's School when the Charlevoix V.F.W. Auxiliary presented the school with dinner service for 16 last week.

Pictured here Mrs. Robert Geer, president of the Auxillary and Mrs. Elmer Gibson, chairman of the project. (left) watching the excited yonugsters opening the packeges while their teacher, Mrs. Robert O. Bergmann, reads the gift card which came with the set of dishes presented by the Auxiliary as a community service project.

The school, now located on West Hurlbut ave. near State st., now hes 10 enrollees from throughout the north. Opereted three deys a week, the enrollees are taught a well-rounded social program including simple reading end writing.

The school is financed by funds derived from the Community Chest, an eppropriation from the county, from fees paid by parents and private contributions.

Visitors are always welcome, Mrs. Bergmann added.

Three NMCC Teams Rack Up wins Over Non-Loop Rivals

Three Northern Michigan Class C teams racked up victories over non-league rivals Tuesday night to open their 1961-62 schedule.

Earlier Boyne City lost to the Petoskey Northmen 41 to 36.

Scores of Tuesday's games reveal that Gaylord edged Cheboygan 55 to 51; Harbor Springs trounced Petoskey St. Francis 64 to 45 and Mancelona defeated Kalkaska 52 to 31.

Petoskey 41, Boyne City 36

In the Thanksgiving weekend game played at Petoskey the Northmen took a 5 to 2 lead, went ahead 18 to 10 at halftime and 28 to 24 going into the final period before winning over Boyne City by a four point margin.

Dave McCarthy had 18 points for Petoskey. Doug Grubbe had 12 for the Ramblers.

Geylord 55, Cheboygen 51

The Gaylord Blue Devils racked up their first win of the season from the free throw line, connecting on 21 of 28 attempts while scoring only 17 field goals to 21 for Cheboygan. The Chiefs hit on only nine of 27 free throw attempts to lose to the Class C outfit. Gaylord collected 24 and Cheboygon 23 personal fouls.

The score was tied 11-all before the Blue Devils edged into a silm 25 to 23 halftime lead. They managed a 40 to 38 period advantage before Cheboygan trimmed their lead to one point, 52-51 with 40 seconds remaining. Jamie Guggisberg hit for a field goal as time ran out. Art Tebo scored from the free throw line after the final whistle. Each team lost three players via the foul route.

Gabby Nowak paced the game with 15 points followed by Guggisberg and Larry Simpson with nine points each. Pete Carey had 13, John Maxwell had 12 and DeLoss Issard 11 for Cheboygan.

Harbor Springs 64, Petoskey St. Francis 45

The veteran Harbor Springs Rams put on a full court press from the opening whistle to the final horn Tuesday night to trim the Petoskey St. Francis Crusaders by a decisive margin.

Paced by Gary Stutsman who had 22 points, the veteran Rams led the Cursaders 17 to 7, 33 to 18 and 49 to 30 by quarters. Gary Sobleskey had 21 points for the Crusaders.

Mancelona 52, Kalkaska 31

The Mancelona Ironmen had to overcome a 12-11 first period deficit to defeat a stubborn Kalkaska outfit Tuesday night. The Ironmen forged into a 21 to 16 halftime lead before finding their stride and going ahead 38 to 25 going into the final period.

Doug Vipond paced the geme with 13 points for Kalkaska. Kenny Johnson had 12 and Dick Dickerson and Pat Dutcher 11 points each for the visitors.

All NMCC Teams to Play Opening Games Friday Night

The Northern Michigan Class C league will officially launch its 1961-62 court season Friday with all eight teams playing league rivals.

Charlevoix will travel to Pellston to take on the hornets; the defending champions Boyne City, will invade Harbor Springs; East Jordan will host Gaylord and Mancelona will entertain Grayling.

Earlier this week Coach Don Carey had not decided on a starting line-up but thought he would select the starting five from among the following players: Stan Martin and Henry Wagner, guards, George Majors or Dave Rader, center, John Pearl, Frank Curtis or Dan Pearl, forwards Tony Duerr, a guard, is also expected to see action.

Majors at 6-4 and Rader at 6-3 will give the team its only height. The other players average 5 ft. 10½ in.

Martin and John Pearl are regulars from last season and Wagner and Majors played a good part of the time. Curtis and Dan Pearl are up from the Reserves and Rader is playing his first basketball. Duerr is also a letterman.

The team will feel the loss of a regular guard, Gary Spencer, who suffered a knee injury during the football season and who has not been able to play on the hardwoods as a result of the injury.

At Pellston the Rayders will find themselves meeting an experienced outfit that will include three regulars from last year's team, according to Coach Francis McMahon. They are forwards Rick Anderson and Clyde McMichaels and center, Merle Cameron. All are seniors with Cameron, at 6 ft. the tallest of the lot.

Competing for the guard positions will be two seniors, Tom Corneil and Gary Grant and a junior, Dick Givens with John Gillett playing behind Cameron in the center position and Bill Anderson and Stan Bodzik, both juniors, giving depth to the forward posts.

Others who may see action are sophomores Ken Cassidy, Ed Clear and Mike Thompson.

At Harbor Springs the defending champions will find the tallest and most experienced team of the loop awaiting them. Coach Charlie Paige has five players who made up his starting five at the end of the season back for this season. They are forwards, Frank Lauer and Paul Ranney, 6-2 and 6-3½, respectively, 6-5½ center Don Avery and guards Gary Stutsman and Jay VanHoven.

In addition he has another experienced player in George Pamp, a 6-2 guard who is returning after a year on the sidelines as the result of a knee injury and a transfer, Cecil John, a sophomore who is 6-2 and who will play behind VanAvery in the center spot.

Others are up from the Reserves. They are Don Heinz, Dave Raycer, Tom Pifer and Jim Mayer.

Coach Paul Pfahler is expeeted to use much the same line-up as he did against Petoskey last week. This includes veteran guards Doug Grubbe and Tracy Newville, Larry Thompson, 6 ft. forward-Bob Thompson, forwards. The turned-center and Ron Ward and latter three are lettermen who will average 6 ft. Larry Gunderson, up from the Reserves, will give the forward positions some depth.

Others on the roster are seniors Don Dunsmore, Hyland Heaton and John Hale.

Coach Jim Mongeau plans to send three regulars from last season, Dick Farrand, senior guard, Art Tebo, junior center and Dick Bottomley, junio forward, against East Jordan. They average just under 6 ft.

A senior letterman and forward Larry Simpson and a transfer from Gaylord St. Mary's, Gabby Nowak, a guard, will probably be included in the starting five.

Other lettermen are Jerry Fitzek and Jamie Guggisberg, both guards Bill Bradford, a transfer from Coldwater, Jim Jaruzel, a transfer from St. Mary's, Charles Howe, Tom Tapio and Ralph Wilkie will give the team bench strength.

At East Jordan Coach Tom Regan finds himself with only two lettermen as a nucleus for this year's squad. They are forward Bill Cox who substituted regularly last season and Bud Gee a guard with limited experience. Others who will probably see action are Bob Sherman, a forward and Bob Goebel, 6-2 center. Ray Fisher, and Bill Dietrich, both guards and Don Roberts, a forward, are also candidates for a starting assignment.

Others will be Dick Raymond, a senior guard and juniors, Bruce Shepard, Jim McWatters and Dave Drenth and sophomores, Chuck Reed and Don Wilson.

Coach Jake Schurman of Mancelona only has one returning veteran, 6-2 center, Dick Dickinson plus Kenny Johnson, the sixth man on the Varsity last season. A former forward, he will play guard this season. Lettermen from whom the other starters will be selected are Kent Stradinger, Bill Neeland, Ed Garlick and Larry McCarthy.

Lettermen who saw limited action and who are candidates for starting assignments are Pat Dutcher, a sophomore, Ray Hood and Terry Johnson, both juniors.

At Grayling where Coach Bruce Smith was counting on four regulars from last season, morale is low for one regular, Tom Carlson, moved to Howell and Tom Wright, a 6-3 forward or guard, is benched for disciplinary reason leaving only the Neal brothers, Tim, a junior forward and Sherm, a senior center, 6-3 and 6-1 respectively, as starters. Other probable starters against Mancelona will be Chris Kroll, ju;nior forward and Tom LaMott and Jim Johnson, senior guards, who saw only limited action last season. Bench depth will come from Harvey Merithew, junior forward and Walt Fallon, junior guard.

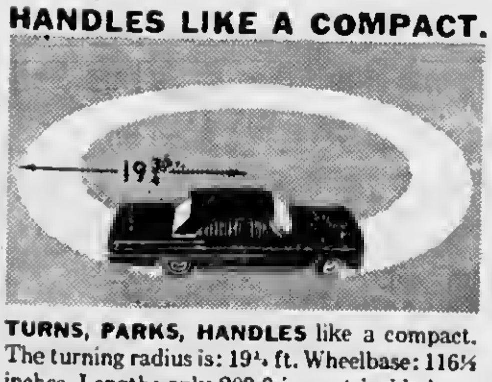
beautiful balance between big cars and compacts

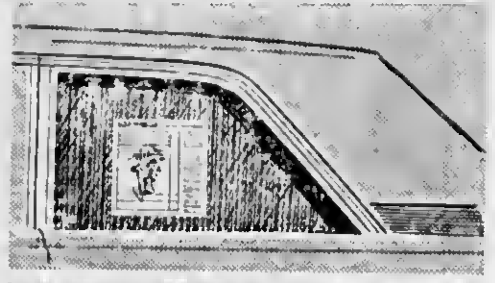
HANDLES LIKE A COMPACT...ROOMY AS A BIG CAR!



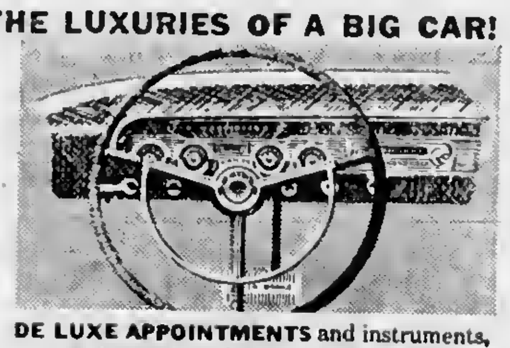
TURNS, PARKS, HANDLES like a compact. The turning radius is: 19½ ft. Wheelbase: 116½ inches. Length: only 203.8 in., yet inside it . . .

EQUALS THE ROOM in most big cars. A six-passenger car without qualification. The vacation-size trunk (31.5 cu. ft.) holds 15 suitcases.

PRICED LIKE A COMPACT...THE LUXURIES OF A BIG CAR!

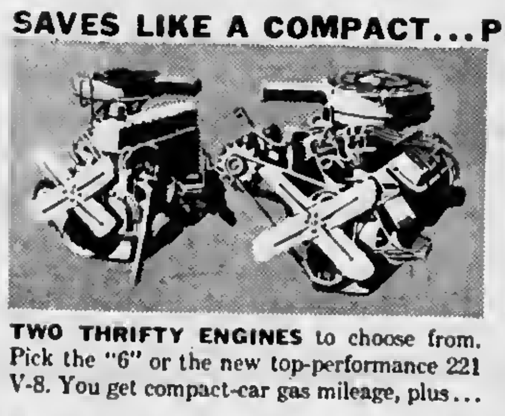


LOW INITIAL PRICE like compacts—actually below several. Yet the Mercury Meteor is quality-built throughout, so luxurious, it has . . .



DE LUXE APPOINTMENTS and instruments, even an ammeter and oil-pressure gauge. Power steering and power brakes are also available.

SAVES LIKE A COMPACT...PERFORMS LIKE A BIG CAR!



TWO THRIFTY ENGINES to choose from. Pick the "6" or the new top-performance 221 V-8. You get compact-car gas mileage, plus . . .

A BEAUTIFUL BALANCE between power and weight (less than 3,000 lbs.). This means brilliant performance for hill climbing and passing.

...PLUS ALL THESE OTHER QUALITY FEATURES!

MORE RIDE ADVANCES than any car near its price. These include Cushion-Link Suspension, and a new type of unitized body ("torque-box" design) that checks road vibration before it can reach the passenger compartment. And a complete soundproofing program, which puts six walls of noise-deadening insulation all about you. The result? The first car that handles like a compact yet rides like a big car: smooth, solid, quiet.

ROUTINE SERVICE ONLY TWICE A YEAR or at 6,000- to 30,000-mile intervals. Meteor is quality-designed and built to save you money: 6,000-mile oil changes and minor lubrications, 30,000 miles between major lubrications, an anti-freeze, anti-rust coolant that lasts 2 years or 30,000 miles, self-adjusting brakes, and many more. Stop in and see this great car. It's now on display at your Mercury dealer's showroom.

A new approach to car design. Reduces weight. Has the best features of compacts and big cars. Priced like compacts . . . actually below several!

MICHIGAN FARM BUREAU

Farmers Buy Bonds

Although the farm income balance-sheet needs improvement the ledger shows that farmers continue to place thrift at the top of their value-list. Evidence of this is found in figures from the U.S. Treasury department to show that the nation's farmers have been among the best customers for Savings Bonds since they were first offered for sale in 1941.

This month the treasury Department is saluting farmers for their part in the bond program's success, pointing out as they do so that farm families currently own more than $5.2 billion worth of series E and H Savings Bonds.

"Bonds owned by farmers have their work cut out for them," the Treasury statement said. "They replace machinery, pay for new land, and provide insurance against the risks of farming. They get personal assignments too, such as sending the youngsters to college."

Farmers are finding Savings Bonds an attractive method of building reserves. Series E and H bonds purchased since June 1, 1959, pay 3 3/4 percent interest when held to maturity. The same legislation which raised the rate on new purchases to this higher rate also provided for an increase of at least one-half of one percent in the interest rate on all then-outstanding E and H bonds, regardless of their age, for the period from July 1, 1959, to their maturity.

More and more Michigan farm families are setting aside small amounts in Savings Bonds each month or year to accumulate funds for major financial goals. The fact that one-third of the cash reserves of U.S. farmers and ranchers is invested in Savings Bonds indicates clearly the faith which many families have in these securities.

Small wonder that state and American Farm Bureau leaders call them "an investment in America itself" and describe them as "the best hired man in the business"—and the one crop that never fails.

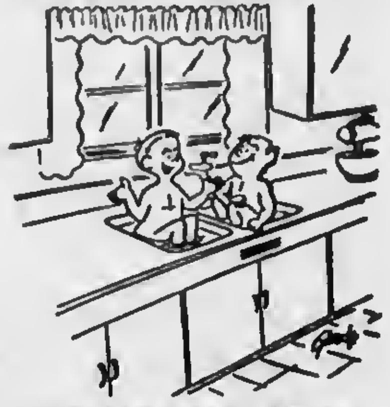
My Neighbors



"You wash—and I'll wipe."

If gum were to get into your carburetor, it could lead to unexpected repairs like this. One of the nine ingredients in today's Super Shell fights gum to give you top performance.

ANCIENT HISTORY:

Gasoline gum used to cause unexpected repair bills. Today, one of Super Shell's 9 ingredients fights off gum —to save you money and give you top performance.

The gum preventive in today's Super Shell is so powerful that one thousandth of an ounce is enough to treat a gallon. Read how this "chemical policeman" works.

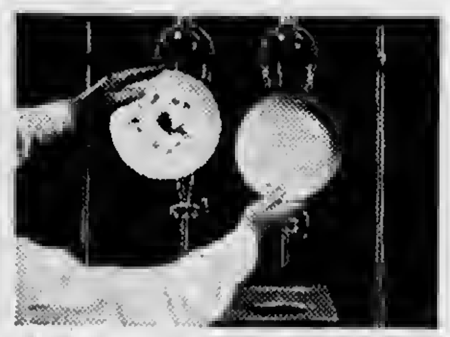
THE MECHANIC in our photograph is about to go to work on a gummed-up carburetor. A nice little repair job.

But to Shell scientists, gummed-up carburetors are ancient history.

Drip test shows how well Shell gum prevention works. Container on left has raw, unprocessed gasoline *without* gum preventive; on right, processed gasoline *with* Super Shell's gum preventive. Gasolines drip onto heated plates and evaporate, simulating long storage.

And so are other gum troubles. Such as sticky intake valves. And fouled automatic chokes. Here's why:

1. Shell uses refining processes that hold certain gum-forming gasoline components to a minimum.



Result: unprocessed gasoline *without* gum preventive deposits sticky gum on plate (left). Gasoline *with* Super Shell's gum preventive leaves virtually no trace of gum (right). No gum, no gum problems. One reason why Super Shell can promise *top performance.*

2. Shell guards all tanks, pipes, and trucks against dirt and other gum-forming contaminants.

3. Shell includes a powerful gum preventive in Super Shell's nine-ingredient formula.

"Chemical cop" at work

The gum preventive in Super Shell is so effective that a *thousandth of an ounce* is enough to treat a whole gallon of gasoline.

This remarkable ingredient has been described as a "chemical policeman." It helps to keep unstable elements in gasoline from sticking together—the way a skilled policeman prevents trouble by keeping a crowd from forming.

Hot Weather Blend

For a quick run-down on the other eight ingredients in today's Super Shell, see box at right.

And for top performance all summer, keep your tank filled with Super Shell's *Hot Weather Blend.* It's specially formulated to fight engine flooding and other hot weather troubles. At Shell stations now.

Here are the 9 Ingredients in Super Shell—and what they do to give your car top performance

#1 is TCP*—for power, mileage, and longer plug life.
#2 is Pentane mix—for fast warm-ups.
#3 is anti-knock mix—for knock resistance.
#4 is Alkylate to control "high-speed knock."
#5 is Butane—for quick starts.
#6 is "cat-cracked" gasoline—for power.
#7 is an "anti-icer." Added when cold weather sets in.
#8 is gum preventive—for clean carburetors.
#9 is Platformate for extra mileage.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

Denmark's Top Fashon Model Relaxes at Parental Home

By Fran Martin

"I'm going to make you Denmark's greatest photographer's model, Mr. Gulbrandson, Denmark's top fashion photographer, told the willowy, dark-eyed American mother and homemaker when he saw her for the first time.

After she caught her breath, the lovely young woman, Mrs. Arthur White, the former Louise deCastro, daughter of Cmdr. and Mrs. Fred deCastro, looked at him with that "I'm from Missouri" look (though she is a native of Milwaukee) and settled back to see how he proposed to bring off this 'miracle'.

After all, no one had ever called her a beauty though she did have an expressive face with dark eyes, black hair and an olive complexion. She was 5 ft. 10 inches tall and weighed a mere 117, a sharp contrast to blonde rather statuesque Danish models.

However, at the moment her chief interests were making a home for her young husband who was in Copenhagen to do graduate work at the Danish Royal Academy and caring for her daughter, Jennifer, then only little more than a year old.

Furthermore, she had no aspirations to become a model . . in fact, being an art major, all she wanted was a chance to teach in the American school maintained by the U.S. government for U.S service personnel stationed in Copenhagen.

But after some consideration she thought perhaps it might be interesting to see what this modeling profession was all about while she was waiting for an opening at the American school. And then, too, it might prove interesting to see how Mr. Gulbrandson would go about making his prophesy a reality.

That was two years ago and today Mr. Gulbrandson is well on his way to proving that he is a man of his word for the face of "Louise", as Mrs. White is known professionally, is being seen more and more often on the pages of Denmark's top magazines, publications comparable to Vogue, Harpper's Bazaar and other 'slick' magazines as well as homemakers publications like McCalls, Today's Woman and others slanted to the young housewife and mother. Sometimes she can be seen modeling 'high fashions' for the better known fashion houses, gowns from Paris collections, furs by Denmark's famous furriers, "confection" styles which are less expensive, or in photographs advertising anything from a popular cigarette to a new sport's car.

But is she deeply impressed by her successes? Has this all been a dream come true for the young Midwesterner.?

According to Louise who visited here recently with her parents the answer is 'No' and she quickly adds that she's still waiting for a chance to do what she was trained to do . . . teach, for she feels this would be far more rewarding.

She has done some tutoring and has served as a substitute in the American school and loves it. However, since she is an American national not associated with the military she is far down on the list for a permanent position in the school. Only after the list of service-connected candidates has been exhausted can she be considered for a job in the school. "But if a teaching contract was offered to me next week I'd give up modeling without a second thought" she added.

Modeling is not as glamorous as one might think, she explained. It is a highly competitive field which requires great stamina . . . hours of standing while clothes in a collection are fitted and hours more on the floor while one is modeling them in a show, always smiling, always gracious.

The charming and lovely "Louise", (left) the former Louise deCastro, one of Denmark's top photographer's models, pictured with her family during a recent visit here.

Mrs. Arthur White, who is known professionally as 'Louise' shown with her father, Cmdr. Fred deCastro, U.S. Coast Guard (Ret), daughter, Jennifer who speaks Danish like a Dane and who loves her American relatives, her grandmother, Mrs. deCastro, the former Irene Halverson, a native of Charlevoix, and Mrs. Whites's sister, Susan, who returned home recently from a surprise trip to Europe.

In answer to questions regarding this profession which is eyed by so many lovely young women, Louise tells the 'other side'.

She explained how the manufacturers of high fashion' clothes attend the Paris showings for Paris is still the fashion center of the world where collections by top designers are shown twice every year. The manufacturers then purchase patterns for fashions they like, usually at the cost of $75.00 per pattern. Many also purchase the special materials used in the 'originals' for use in making the copies from the patterns they have purchased. Here she mentioned that the original in any collection is never sold. The manufacturers then make up gowns, coats, or what have you for their special showings attended by fashion-minded women who then buy from this collection. That it why it was possible for two young American actresses to appear at a function in Moscow last spring, wearing the identical gowns which had been manufactured by two different companies, perhaps, half a world apart and sold, legitimately, to two young women who just 'happened' to wear the same gown to the same party, she explained. This seldom happens, she said, but one familiar with the trade could easily see how it could come about.

When a manufacturer decides to make up a number of gowns from a certain collection, one model is selected to show all the items in the collection. This means fittings from the time the gown is cut until it appears in the show. The experience while flattering represents many hours of hard work.

Modeling has its glamorous side but it's mighty hard work, too, and don't let anyone kid you, she commented.

As for modeling for photographs used in advertising campaigns, that can be hard work too.

But it all has its 'fun' side, too, and has brought her many exciting moments such as the times she appeared in benefit shows attended by the great and the near-great including Danish royalty who have purchased some of the gowns she modeled in the shows, the wonderful people she has met, the experiences she has enjoyed that never would have come to her through any other medium.

Mrs. White and her husband, who is a town planner in Copenhagen, are both graduates of St. Olaf's College in Minnesota. He also did two years graduate work at the University of California at Berkley before deciding to study at the Danish Royal Academy in Copenhagen. He has the distinction of being the only American to ever graduate from the Academy at the top of his class. Since then he has accepted his present position with the Danish government.

Being as small a country as it is where every square foot of land must be utilized, there are many such openings for young architects. When a city reaches a certain size, population-wise, it must engage a town planner to lay out its streets and plan for expansion of its business and residential districts. This is the type of work Mr. White is engaged in.

An observant young woman who has enjoyed her life in Denmark and who speaks Danish, "but poorly", according to her, Mrs. White has made many interesting observations regarding life in the fairy tale city of Copenhagen where the people enjoy a liesurely way of life and a culture of their own built around mothers and children.

As mentioned, Copenhagen is a fairy tale city, just as one might imagine, with homes and buildings of red brick roofed with red tile. It is clean. There are no slums and even the waterfront which one might expect to be unsightly and dirty is as well kept as the rest of the city. Every square foot of land is used and everywhere there are beautiful gardens and lawns. Copenhagen is the one city in the world where I am not afraid to walk down the street at night. There is little crime, compared with other cities of comparable size, and one just has no fears, even along the waterfront" she said.

But because everything is so well planned, even the forest preserves where things are supposed to be as nature made them look planned with every shrub and vine placed for effect and after a time one tires of the perfection. "I never thought a city lot overgrown with weeds and grass or this country's roadsides could be beautiful but they were one of the most welcomed sights I have enjoyed here", she said, speaking of the "planned perfection."

Denmark has a Democratic socialistic form of government which takes some getting used to she said in answer to questions regarding life there. Because it is a socialist state, citizens pay 18 to 50 per cent of their salaries or wages in income taxes. In return they receive medical care, old age assistance, pensions, mother care which includes the cost of the confinement plus three months milk supply and visits by a nurse following the birth of a child, state supported nursery schools that are open from 6 a.m. until 5 p.m. where children receive food, care, medical and dental care, schools, and even churches, supported by the state.

The state religion, the Lutheran faith, is taught in all public schools and all attending the schools must study it. The two remaining per cent are Roman Catholic or other faiths. The Catholics operate the only other church schools.

Religion, or rather the Danes' lack of it, is one of the things that surprised her most, Mrs. White said. "Having atended St. Olaf's College, a church-sponsored college in this country, my husband and I were under the impression that the Danes were a religious people. What a shock to find that about the only religious education they receive is taught in their schools, that they attend church when they are confirmed, married or buried and on Easter and Christmas. They just never attend church and feel no need for what regular attendance at church has to offer", she explained.

One of the puzzling things about life there is the fact that when a community reaches a certain population a new church must be built to take care of the increased number of people. This seems so unecessary when the people didn't go to church anyway.

The Danish people have no time for communism or the Russians and their sympathies lie with the West, she said. She added, however, that the Danes are the greatest compromisers in the world. They are also a smug people, content with their culture and their way of life to a point of ignoring others.

Despite their fame in the field of designing, especially in the field of furniture, the Danes are not creators but have the ability to take the best of others' designs, refining them and claiming them as their own.

There is no wood in Denmark and most everything is imported, mostly from Sweden. Perhaps this is why they use every facility to make the most of every piece of wood and why they are masters in the art of finishing wood with the use of oils and wax. Besides furniture, Denmark exports meats and dairy products and chalk. Among their chief markets are England and Russia.

Among the things Louise and her daughter enjoyed while here were mountains of ice cream, pie, fresh fruits and vegetables. Only Americans can make ice cream that tastes like ice cream and real pies, was her comment regarding these foods. "We have vegetables and fruits when they are in season but not at other times so we have enjoyed frozen foods of all kinds as well as the fresh produce available at the market this time of year", she said.

But the one thing Denmark has that cannot be found anywhere else is Danish pastries . . . they're every bit as good, everywhere, as they claim, she added, I know for I love them, Louise, who has no worries about calories, reported.

One of the highlights of her stay in Denmark was a trip to Russia that she and her husband made with a group interested in architecture. While they were in Moscow and Leningrad and traveling through the countryside they were under no restrictions.

As for the architecture, the Russians are not craftsmen or artists and their buildings show this lack. The only buildings of importance, architecturally speaking, were those built before the revolution of 1917. Many of these were damaged during World War II but have since been rebuilt.

She observed that Russia boasts an 'enormous' middle class, that there are many small businesses, that the countryside is shabby, that the best hotels may be described as plush but certainly not modern and that there are few dogs or cats seen in the Russian cities. (This is also true of Danish cities but for another reason, the Danes are so anti-ceptic!)

The most surprising thing about the cities that she observed were the subways and the subway stations. They are reached by escalators that seem to be journeying to the core of the earth. But when you arrive in the underground station the visitor is in for a surprise for here you find efficient and modern stations done in marble and glass, lighted with most modern lighting including crystal chandeliers and decorated with painting and statues . . . huge rooms that are clean, air-conditioned and sound proof with subway trains arriving and departing every two minutes. "You can hardly believe your eyes but there it is . . . a sharp contrast to everything one sees above ground", she commented.

She said she found the people of Russia warmly human people once they were separated from politics. She and the others conversed with them at length and found that they had been led to believe that the Americans were the ones who want war and that as a result they fear the United States much as Americans fear that the Russians want war. She added that the Russians have a great love for American music, especially American jazz.

How does Jennifer like all this? She speaks the Danish language like a native and English, also like a Dane. Her Danish vocabulary is much more extensive than her English one and she speaks English with a strong Danish accent. However, while visiting here she lived by the old axiom of "When in Rome, do as the Romans do" and would speak only English. Neither would she acknowledge anything her mother said to her in the language.

Never having known doting grandparents, uncles, aunts and cousins, she loved all the attention she received here and in Minnesota when she and her mother visited Mr. White's parents.

But the 17 day visit here was soon over and they were enroute by plane to their overseas home. However, they were leaving with the knowledge that they would be joined soon by Mrs. White's sister, Susan deCastro, who was 'treated' to a trip by the Whites as a combination Christmas and graduation gift.

The 17 day round trip is something new being featured by European airlines during the off season for tourists and makes it possible to travel at very reasonable rates.

How long will the Whites continue to make their home abroad? That will depend on many things the business opportunities that may present themselves. the international situation, many other things. That is why the family continues to enjoy every day to the utmost in the fairy tale country on the North sea.

College Students Return Home For Thanksgiving Weekend

The Thanksgiving weekend brought many students home for the first time since leaving for classes in September.

Among those who joined their families for the festive holiday were Kathy McCann who came from her studies at Marquette University in Milwaukee; Scott C. Wilson who came from his studies at Purdue University in Lafayette, Ind.; Jack Rader from Albion College; Beverly Scott who came from Patricia Stevens School in Chicago; Judy Koteskey and Ann Martin who came from North Central Illinois College at Naperville, Ill. The latter had as her guests Diane Tribble of Aurora, Ill., and Pamela Janlin of San Franciso, Calif., classmates at North Central.

Others home for the holiday were Lynette Mayne, Carl Mitchell and Chris Campbell who came from Ferris Institute; Michael Belfy and Jack Moran who were here from Kendall School of Design in Grand Rapids; James Dennis, Evelyn Peters, and Sandra Toumela who came from Marquette where they are enrolled at Northern Michigan College; Judy Clarke and Martha Green who came from Traverse City where they are enrolled in the Northwestern Michigan School of Practical Nursing.

Here from Michigan State were Jill Davis, Scott and Sam Supernaw, Janice Stutzman, and Carl Sneathen; from Central Michigan were John and Mable Bingham, Mary Campbell, Ann Phillips, Betty Stoel, Elva Trimble, Wayne Green, Vicky Racignol. Marilou VerWys, and Barbara Jarvis; from the University of Michigan were Carolyn Kohn, Karen Uhrick, Lenore Erber, James Ladd, Don Heise, Cynthia Curtis and David Miles; from Western Michigan University Nancy Juilleret, Gene McBride and Bonnie Fitzhugh.

Also here were Gary Chew, John Norton and Larry Ingalls who came from their studies at Soo Tech and Mr. and Mrs. Robert Mol. Raymond Schultz, Steve Wells, Jerry Foster and Glenn Snider who came from Houghton where they attend Michigan Tech.

From Northwestern Michigan College in Traverse City were Dale Parsons, Charles Coleman and Georgia LeBlance and from the Pontiac School of Business was Joseph Beaudoin.

Also joining their respective parents for the long weekend were the 17 students who attend Northern Michigan College in Petoskey. Most of them stay at home while attending classes in Petoskey.

Others may have been home; however, the students mentioned above were those brought to the attention of the Charlevoix Courier.

Kiwanis Club Sponsors Annual Rural-Urban Dinner

John Hodges, Emmet county agricultural agent, was the guest speaker at the annual rural-urban dinner meeting sponsored by the Kiwanis club.

One hundred and fifteen members, farmers and local businessmen gathered at the high school cafeteria for the event which is planned to bring better understanding of rural-urban problems.

Mr. Hodges spoke on the subject of conservation of Michigan's resources concentrating mainly on trees. He advised planned cutting of trees, stating that there was over-cutting of some types of trees with too little use of others. He said that trees were among a farmer's greatest assets and planned cutting could bring greater dividends than most farm crops if planning goes into the project.

Kit Carson was program chairman and introduced Mr. Hodges.

RECORD OF THE COUNCIL

November 20, 1961

The Common Council of the City of Charlevoix met on the above date with Mayor Pro-Tem Hansen presiding.

Aldermen present: Neff, Fochtman, Grubaugh and Hansen. Absent; Aldermen Staley and Donaldson.

The minutes of the November 6, 1961 meeting were approved as presented to the Council in writing.

Enter Alderman Donaldson.

The Council approved a contribution of $14.00 to the Michigan Municipal League to help defray their expenses at the Constitutional Convention.

The Council approved paying the League entry fee of the Charlevoix Independent Basketball Team in the amount of $65.00.

The Finance Committee having examined bills totaling $21,716.46 find them correct and recommend they be allowed. Moved by Alderman Fochtman and supported by Alderman Donaldson that the Bills be allowed and orders drawn for their amounts. Motion adopted by the following Yea and Nay vote. YEAS: Alderman Neff, Donaldson, Fochtman, Grubaugh and Hansen. NAYS: None-ABSENT: Alderman Staley.

On Motion the Council Adjourned.

HUGH MAYNE, CITY CLERK

MINUTES OF SCHOOL BOARD MEETING

November 6, 1961

Present: Lieberman, Martin, Martinchek, Blanchard, C. Smith, Al Smith and Bennett, Supt. Absent: Dinwiddie.

The meeting was called to order at 8:14 p.m.

Minutes of the meeting of October 23 were read and approved.

It was moved by Martin, supported by C. Smith, that bills in the amount of $2,804.56, payable from General Fund, be approved and ordered paid. Motion carried: 6-0.

It was moved by Blanchard, supported by Martinchek, that Change Order No. 9 to the contract of Davis Electric, Inc., for an additional $312.43, to furnish extra materials and labor in connection with additional wiring, be approved and ordered excuted. Carried: 6-0.

Motion by Al Smith, supported by Blanchard, that bills in the amount of $9,025.76, payable from Building & Site Fund, be approved and ordered paid. Motion carried: 6-0.

A delegation of ladies representing the various women's clubs appeared to discuss the future of the public library. Methods of financing and administration were considered. Using the City as a tax base. or the school district, in addition to the State Aid, were suggested. Final plans were made to call a public meeting of all those interested, to determine whether an election should be held and to determine what units for a tax base are to be used. Suggestion was made that Central Michigan University, or Michigan State University or both, be asked to give expert direction to the program.

Due to the reduction in the State Equalized Valuation of the school district, because of the recent State Tax Commission reports, and also because a definite amount must be raised for Debt Retirement, motion was made by Al Smith and supported by Martin that 4-¾ mills be levied for Debt Retirement for the 1961-62 tax year. Motion carried: 6-0.

After discussion of prices and specifications submitted for the painting of the school bus garage-shop, it was moved by C. Smith, supported by Martin, that the bid of Frank W. Smith be accepted as per specifications. Motion carried: 6-0.

The following problems were discussed:

Bus route changes.
Students' hunting — same policy to be used as in previous years.
Maintenance problems.
Traffic signs around the new high school.
Bicycle racks.
Resolution for Registration District.

The meeting adjourned at 10:55 p.m.

Sheriff's Department Removes Personal Property From Moonlight Gardens

The Charlevoix county Sheriff's Department removed certain personal property including tables, chairs and other items from the Moonlight Gardens owned by Mr. and Mrs. James Lawyer Friday nigbt. The move was made as a levy on tbe property owned by the couple in an attempt to satisfy judgments awarded earlier in circuit court here.

The property taken from Moonlight Gardens remained in the possession of the Sheriff's Department Wednesday.

The judgments developed as the result of an accident Aug. 24, 1958, in which Judy Dutcher, 18-year-old daughter of Mr. and Mrs. Harold Dutcher, was killed and five passengers in the Duchter car were injured.

It will be remembered that Miss Dutcher, driver of the car and Katherine Oleksy, daughter of the Frank Oleksys, Marilyn Novak, daughter of Mr. and Mrs. Max Novak, Sally Weidman,, daughter of the T. R. Weidmans. Diane Puhek, daughter of Mr. and Mrs. Albert Puhek, and Georgie Smith, daughter of Mrs. George Smith of Delrsy Beach, Fla., were returning from a movie in Petoskey during a rainstorm tbe night of Aug. 24, 1958, when the Dutcher car, traveling west, was struck by a second driven by Edward L. Deschermeier of Bay Shore in which Darrell Lawson, also Bay Shore, was a passenger.

The Deschermeier car traveling east, crossed into the opposite lane of traffic, striking the Dutcher car at the left front door as Miss Dutcher, in an attempt to get out of the path of the oncoming car, drove off the highway onto the shoulder of the roadway. Miss Dutcher died one hour after the accident and Deschermeier was killed outright. Lawson died the following day.

Several months after the accident, suits were brought by the girls and their parents, with the exception of Sally Weidman and her parents against Mr. and Mrs. Lawyer, owners of Moonlight Gardens, where the young men had been drinking for several hours before the accident.

The case was tried before Judge Charles L. Brown in Circuit Court here and resulted in judgments in favor of the plaintiffs, i.e., the girls and their parents, in the amount of approximately $14,000.

The judgment in the Dutcher case was finally paid.

Despite the fact that other judgments have been outstanding for a number of months, they remain unpaid.

Friday's action by the sheriff's department was made in an attempt to satisfy these judgments.

Roses are in Bloom At Weathervane Inn

While skiers were eyeing the sky, searching for sight of a snow-laden cloud early this week, Earl A Young and others at the Weathervane Inn were picking roses from the many vines that line the stone wall along Pine River.

Unseasonable temperatures which hit the 60 degree mark Monday brought out the blossoms which had not been frosted because of their nearness to the water.

Mrs. Harm Tornga Dies in Kalamazoo

Ellsworth—Mrs. Harm Tornga, 75, died recently at Bronson Hospital, Kalamazoo.

Funeral services were held Wednesday, November 29 at the Ellsworth Christian Reformed church with Rev. Henry Zwaanstra officiating. Burial was in the Atwood cemetery.

Born in the Netherlands the former Alice Hennip came to Chicago with her parents. The family moved to Ellsworth in 1899. She married Mr. Tornga in 1905. They operated a shoe shop in Ellsworth until Mr. Tornga's death in 1957. She was a member of the Ellsworth Christian Reformed church.

Mrs. Tornga is survived by a son Edward with whom she lived; two daughters, Mrs. Neil (Christine) Boot of Kalamazoo and Mrs. Jack (Grace) Burleigh of sumner, Wash; six grandchildren ;two sisters, Mrs. Dena Speckman of Grand Rapids and Mrs. Ida Postmus of Hudsonvillo and a brother Gerrit Hennip of Wayland.

Local Club Offers Piloting Course

A piloting course will be offered boatmen again this year under the direction of the Traverse City Power Squadron, according to Phil Lawrence of the Charlevoix Marine club, the sponsoring organization.

The course will consist of eight lectures covering such subjects as seamanship, equipment, government regulations, safety afloat, small boat handling, aids to navigation, the marine compass, charts and piloting.

There is no charge for the course. Persons interested in enrolling should contact Mr. Lawrence at the Fairport, Charlevoix.

Charlevoix to Host Annual Student Government Day

Initial plans have been announced for the fourth annual Charlevoix county Student Government Day to be held at the Charlevoix high school Thursday, Dec. 14.

The announcement followed a meeting here attended by Charles Dittman, representing Hillsdale College's Leadership Training program, senior students and their government teachers from each of the four major high schools in the county and Charles A. Robinson, county Superintendent of Schools who with H. E. Bingham, principal of the host school, is co-ordinating the plans for the program.

Another planning session will be held here Thursday, Dec. 7, at which time senior representatives will report their final leadership assignments and Charlevoix juniors will receive direction in their responsibilities as student hosts.

At the first meeting at which Mr. Dittman presided it was decided to hold a general session during the morning followed by seven sectional meetings during the afternoon. Discussions will be concentrated on the following topic areas: Taxation and legislation; Agriculture and conservation; Health, welfare and Civil Defense; Economic Development (Industry and Tourism), Education, Law Enforcement and courts and Highways and roads.

State, county and local officials will be present to serve as speakers and resource persons.

George R. Sidwell, Lansing attorney representing the Educational Division of the State Association of Supervisors will replace D. Hale Brake who is currently serving as a delegate to Michigan Constitutional Convention. Mr. Sidwell will attend the meeting and speak at the final general session.

City Takes On Festive Air for Holiday Season

"It's beginning to look a lot like Christmas" . . . .

Despite the lack of snow, Charlevoix's business district has taken on a real holiday look through the combined effort of the City Utility Department headed by Edward Swanson, the Charlevoix Chamber of Commerce, the Charlevoix Sea Scouts under the direction of Robert Somerville and the Boy Scouts under the guidance of Louis Edwards.

Everyone, residents and visitors alike, are saying that Charlevoix has never looked more beautiful at Christmas time.

The real live Christmas tree in East Park has been lighted, Santa with his sleigh and reindeer have made their appearance on the stage in East Park, Christmas lights have been strung between boulevard lights the length of the business district and overhead Christmas greetings and other decorations have been erected over Bridge st. by the City Utility committee. This been strung the length of the is the first year tbat lights have street.

In addition the Scouts have joined in wrapping the posts of the boulevard lights with cedar garlands topped with huge red bows and they have replaced the summer flower baskets on the

Legislature Views Industrial Clime In Michigan

A joint legislative committee on Michigan's Economic Growth toured Northwest Michigan last week to learn directly from industrialists the problems encountered. Two complaints were common to all of the industries visited according to Senator John Stahlin, vice chairman of the committee and leader of the delegation of 11 senators and members of the legislature. The grievances centered on workman compensation and unemployment insurance, he said Saturday when the tour was completed with a visit to Elk Rapids.

Costs of workman's compensations insurance, paid by the employer, have been increasing steadily and some manufacturers stated that often it is difficult to find companies that will handle this insurance. It is the opinion of some that this has been brought about by partiality in administration, supported by court decisions.

Abuse of unemployment insurance by employable persons is adding cost to the operations of industry, in the opinions of some manufacturers.

Members of the joint committee visiting Elk Rapids were Senators Stahlin, Clyde H. Geerlings, William Milliken; Representatives Harry DeMaso, Walter Nill, Gordon Rockwell, Russell H. Strange.

Attending the Elk Rapids meeting from Charlevoix were Representative Clarence B. Meggison and Harold M. Totten, representing the Charlevoix Development Corp.

Rod and Gun Club Auxiliary to Stage Christmas Party

The families of the Rod and Gun Club Auxiliary members will gather at the club house Saturday at 6:30 p.m. for the traditional family Christmas dinner.

Mrs. Gordon Moeller has named the following committee chairmen to assist with arrangements; menu, Mrs. O. V. Cunningham; decorations, Mrs. Ralph Hamilton; kitchen, Mrs. Clayton Trimble; entertainment, Mrs. Earl W. Miller.

Members are asked to bring their own table service.

City Offers Cash Prizes for Home Decorations

The Charlevoix city council, at its regular meeting Monday night voted to again offer cash prizea for the best decorated homes during the forthcoming holiday season.

Prizes of $15, $10 and $5.00 will be offered in each of the city's three wards and $10 for the best decorated home outside the city limits using city utilities.

The homes will be judged shortly before Christmas.

Approval was also given a proposal to install a radio beason at the municipal air port.

Correspondence regarding the Charlevoix public library was turned over to the library committee for study.

Charlevoix to Host Municipal Officials Association Friday

Charlevoix will be host Friday to the quarterly meeting of the Northwestern Michigan Officials Association, James Taylor, city superintendent, has announced.

Approximately 30 representatives of northwestern Michigan communities will gather for the dinner meeting in the Pine River room of the Weathervane Inn.

Edward K. Shanahan, delegate to the Constitutional Convention from the Charlevoix district, will be the guest speaker.

J. Byron Cook, 72, Former Resident Dies Unexpectediy

J. Byron Cook, 72, of Belding, brother of Mrs. Harvey Campbell, died unexpectedly Thursday.

Funeral service were held Saturday with burial in a Belding cemetery.

A native of Charlevoix, Mr. Cook was a graduate of the Charlevoix high school and Ferris Institute School of Pharmacy. He wes employed as a pharmacist in a Belding drug store until his retirement several years ago. In Belding where he had lived for the past 50 years he was active in Masonic and civic circles. He worked closely with the Chamber of Commerce and served as chairman of the recent Labor Day weekend homecoming festival, the city's major event of the summer.

His wife, the former Flossie Spicer, preceded him in death in 1952.

Surviving are a son, John Willard Cook of Shady Brook, Md.; two grandsons and his sister, Mrs. Campbell of Charlevoix.

Mr. and Mrs. Richard C. Worfel Purchase Edward's Florist

The sale of one of Charlevoix's oldest businesses, Edwards' Florist, to Mr. and Mrs. Richard C. Worfel of Grand Rapids has been announced by Albert V. Edwards who has owned and operated the business for the past 10 years.

The new owners will assume possession of the business Dec. 18, Mr. Edwards said.

Including the sale is approximately 18 acres of land bordered by May st. and Eaton ave., greenhouses with approximately 10,000 sq. ft. of floor space, a two-story dwelling located at 1002 May st., storage buildings and equipment.

In announcing the sale Mr. Edwards said that the new owner had been interested for some time in purchasing an operation similar to Edwards' Florist, had studied agriculture and had worked in a large greenhouse in Grand Rapids where he learned the various phases of the business. However, in recent years he has been employed at the Michigan National Bank in Grand Rapids and resigned that position to come here.

Mr. and Mrs. Worfel and their four children, ranging in age from six to 12 years, plan to move to Charlevoix during the holidays.

The business was established 48 years ago by the late Albert Edwards who for many years operated it as a family business known as Hillcrest Farm, featuring the sale of truck garden produce and flowers. In 1925 the same was changed to Edwards' Florist and two years later the business

Approve Purchase of Wholesale Power

The Charlevoix city council, by a vote of four to two, rejected the tentative offer of $750,000 made by the Consumers Power Co. for the Charlevoix Municipal Electric Utility system.

Consumers Power Co. had made the tentative offer in September after conducting an intensive survey of existing facilities.

Earlier the city had received a recommendation from Bernard & Cummins, engineering firm of Grand Rapids, to "get out of the electrical generation business". The firm in its report to the council, following a survey, advised the city to give up generating power and purchase it from an independent power company for re-sale.

At Monday's council meeting where the resolution was brought to a vote of the councilmen, Second Ward Alderman Richard Donaldson, chairman of the utility committee, presented the following resolution: "That the tentative price of $750,000 which the Consumers Power Co. has offered for the "system" be rejected.

Voting for the resolution (or against the sale of the 'system') were Donaldson, Edward P. Hansen, Jack Grubaugh and Robert Neff.

Voting against the resolution and, in so doing, voicing their approval of the sale of the system to Consumers were Kenneth Staley and William Fochtman.

Unless there is a tie vote the mayor, in this case, E. D. Hawley, does not cast a vote.

In a letter addressed to Mayor Hawley, Alderman Donaldson enlarged upon the recommendation of the utility committee by stating that "I explained my position to the committee (regarding the proposed sale) in that I was in favor of selling the Electric System, but only if the price was "Fair and just".

"I also stated that if the City of Charlevoix was to continue in the power business that it will be possible to maintain the new (low) rates and still operate at a profit during the next few years.

"My recommendation to the committee: 'That the Charlevoix Municipal Electric Utility System be offered for sale to any and all interested concerns for a minimum of $1,000,000.' This recommendation was defeated by a two to one vote.

"I then recommended the resolution which I presented here tonight, that Consumers' tentative offer be rejected . . . Because all reports available to the Committee indicate that the 'system' is worth much more. Further, that the City of Charlevoix continue to operate its Electric System, and that the purchase of wholesale power be effective as soon as possible, with either the Consumers Power Company or REA".

"Thus, I recommend that the City of Charlevoix continue to own and operate its own system, but that the principal source of power be purchased from outside the system . . . because of the relative high cost of diesel power."

This recommmendotion was approved by a vote of 3-0 (by the utility committee.

Upon hearing this recommendation from Mr. Donaldson in behalf of the utility committee, the council turned down the Consumers Power Co. offer and voted to immediately explore the purchase of bulk power for re-sale to its customers.

The proposed sale of the utility system would have included the diesel generating plant, distribution system and the Bellaire hydro-plant.

Under the proposed sale of bulk power, the city will retain possession of the entire systen, utilizing its existing distribution system. The city, under this plan, will also be responsible for any fluctuation in frequency or voltage.

How to Live Without A Budget

We'd like to remind you that our lawmakers have just set a new peacetime spending record—appropriating $95.8 billion, well over $11 billion more than the previous peak.

The massive total staggers our imagination. We were never one for figuring out astronomical figures. But there is something we've discovered, to our dismay and distress. Of the $95.8 billion, more than $48 billion has been appropriated for non-military spending as against $47 billion plus for defense.

Se we're going to spend more money running things at the same old government stand than we spend for our global defense!

The government has lived within its income just six times in the last 30 years. It's more than $290 billion in debt—and that debt is an obligation against every man, woman and child in the country.

Isn't it high time to abandon the ruinous welfare state philosophy of the government, and cut non-essential Federal spending to the bone?

Flowers Please!

The old-fashioned custom of sending flowers to funerals, increasingly supplanted by a terse "Please Omit Flowers" in a death notice, is something worth preserving thinks Rev. W. Carter Merbeirer, 34, of St. Matthews Lutheran Church in Philadelphia.

In this month's pastoral letter to his flock, he pleaded eloquently for flowers—at his own funeral, in any case.

"Don't paste my casket with certificates for charities, and professional chair endowments, and the hundred-and-one do-gooder agencies ghoulishly squeezing through the door of the funeral parlor for a handout.

"If you are going to be big-hearted, do it on your own time . . . . and don't wait for death to open your heart to the needy and the sick.

"I believe flowers are proper and right at the time of death, beautifully symbolic of the brief human life, grown by God and thereby so precious to Him, even at its fading.

"So, no matter what others may say, send ME flowers. And don't use my last mortal remains as a charity income tax deducation."

MEMO . . .

From the Editor's Desk

We are competing with tropical climes for golfers this year. Two golfers, at least, found the municipal course inviting last Monday. The two enthusiasts are Carl Bogart and Jack Suprenant. They say the greens and fairways are in great condition and they look for more games before snow flies.

* * *

Charlevoix doesn't look like a "White Christmas" now but it's our guess those of us who can't enjoy Christmas without the white snow to furnish background for decorations of colored lights and evergreens won't be disappointed.

* * *

There is a ribbon of colored lights stretched the length of the business section on both sides of the street, thanks to the crew of the Municipal Utility Electric department. The lamp posts hanging baskets now hold small Christmas trees and the lamp posts are spiraled with garlands of evergreens accentuated with bows of red ribbon. The decorating is sponsored by the Chamber of Commerce under the direction of Frank Novotny. The Boy Scouts and the Sea Scouts were hired to do the work.

* * *

I firmly believe the world owes every man a living but I believe also he should do his share of the work to collect.

About the only thing that's the matter with promoting good old-fashioned Americanism is that it seems to offend those good old-fashioned communists.—Bishop (Calif.) Inyo Register.

There seems to be some government concern because so many American families are living beyond their income. Who is setting the example?

East Jordan and Pellston Winners in Non-League Games

In two non-conference games played Tuesday night, Pellston rolled over Petoskey St. Francis 73 to 53 and East Jordan edged Cheboygan 49 to 40.

At Pellston the Hornets jumped into a 20 to 12 first period lead over Petoskey St. Francis increased it to 39 to 21 at halftime and 49 to 38 going into the final period. Merle Cameron paced the scoring with 17 points followed by Ed Clear with 14. Pat Donnolly had 15 for the Crusaders.

Bill Cox with 16 points led the East Jordan Red Devils to a 13 to 11 first quarter lead before taking over 22 to 19 at halftime and 37 to 28 at the third period over the Cheboygan Chiefs. Jim Maxwell had 11 and DeLoss Issard 10 for the losers.

The next meeting will be held late next month because of the Christmas holidays.

Girl Scout News

Despite rather cool weather, there was much activity at Camp Sakakawea at Traverse City Saturday. There the Charlevoix and Traverse City Senior Girl Scouts who are training for the 1962 Girl Scout Round-up were put through their paces.

Upon arrival the girls were divided into three patrols by the two attending leaders, Mrs. Lloyd Arnold of Charlevoix and Mrs. Robert Thompson of Traverse City. Each patrol then elected a leader. The new elected leaders then met at a Court of Honor where they were given sealed envelopes containing a time schedule, the dinner menu and a special job for each patrol.

In the remaining time until noon, each patrol worked on its special job such as putting up the kitchen fly or the Round-up tent.

Next on the agenda was the cooking of dinner. All three patrols prepared their own meals on charcoal stoves and were honored by having an adult guest eat with them. After dinner the dishes were quickly washed and all the camping equipment packed and put away by 2 p.m.

A general meeting was then called with each patrol contributing an idea that could be used as a demonstration project at the coming Round-up.

The group disbanded at 3 p.m. and headed for home.

Making the trip from Charlevoix were Mrs. Arnold, Linda Campfield, Barbara Wood, Sherry Holborn, Frances Arnold, Gail Riley and Marilyn Lesher.

HARBOR HARDWARE

Voice of Our Readers . . .

Dear Sir,

I am hereby submitting my decision on the Charlevoix Municipal Electric Utility question. The question is, "Should the city continue to operate its electrical system (and there are several alternate ways of continuing the operation) or should the system be sold to the Consumers Power Company?"

My decision, and "why"!

In Socialism the Government generally owns and operates everything with the people working for the Government and usually receiving equal compensation.

In a true 100% Democracy everything would be owned by the people, individually, and their compensation would vary, depending on the efficiency of their operation.

At the present time The Soviet Union is very close to complete Socialism, while here in The United States we have an In-between system whereby the various levels of governments do own and operate some business enterprizes, sometimes in competition with private enterprize; sometimes as a complete monopoly thus shutting out private enterprize.

As the governments are allowed to take over and/or operate more and more functions the movement toward Socialism increases. The same is true as more restrictions are placed on personal liberties and freedoms.

It is generally accepted that a government owned or controlled project in our country is a more costly venture than it would be if private enterprize were to attempt the same project. In World War II government owned factories producing in competition with private enterprize were less efficient and more costly. People working for the government seem to have less desire to produce more whereas in private enterprize fast efficient production can end with increased profits to both the individuals and to management. Management in government operations can gain advancement through seniority or political connections whereas in private enterprize the individual can progress through desire, hard work, efficiency, and many other ways.

It is apparent in our society today that our country is slowly drifting towards Socialism through government ownership and other related programs. It may be a long time in coming, but we have been making the move for the past 30 years. Now is the time to put a halt to this move.

I am not in favor of government ownership . . . unless it is in an area where private enterprize cannot or will not participate.

In Charlevoix we have owned electric utility which the Consumers Power Company has indicated that they would like to purchase.

Looking back over the history of the local utility we find that in the beginning the city was forced to set up and operate their own system as the big utilities were only interested in the larger metropolitan areas where the most profits did exist. But, in approximately 1950 Consumers Power Company started to take an interest in the northern part of the lower peninsula and they purchased the company which serviced Boyne City and East Jordan. So until 1950 Charlevoix had no choice, but from about 1950 to the present is a little different story as we could have sold to Consumers.

Our diesel generating plant uses fuel oil which is very high priced when compared to the steam plants which use coal, operated by Consumers Power Company and others in the area such as the City of Traverse City. Thus with high operating costs the rates to the consumer had to be high too and in our case these rates were so high that Charlevoix recently came in for some very bad publicity throughout the entire State when the newspapers published the fact that people in Charlevoix paid the highest electric bills in the State. These rates were so high that they actually have to be considered as a second set of taxes, just so that the City of Charlevoix could continue in the power business.

As an example, here is what the high rates have cost a family since 1952 in Charlevoix. Consider a family which receives a monthly utility bill of about $32.00. If Consumers Power Company rates would have been available to this family their bill would have been about $23.00, or a saving of $9 per month. This amounts to $108.00 per year and a total of $1,080.00 in the period of 1952 through 1981.

Thus you can see the unfair additional taxes that were forced on the citizens of Charlevoix. But, this was not all, for the land owners were also paying off a General Bond Issue of 1948 for $107,000.00 which was used to purchase a new diesel engine for the generating plant, plus the interest on this bond issue.

In addition to the high rates, the consumer in Charlevoix has not had the best available power as the voltage has been poor in many areas in the city. Voltage fluctuations can and do cause extensive motor repairs to people that have electric motors on their equipment. Cycles have been "off" many times resulting in fast or slow electric clocks in local homes and industries.

I have computed the profit and loss statement for the electric utility for the years 1933 through 1961, and also for the years 1952 through 1961, the results as follows:

1933-1961 Net loss of $418,071.97
1952-1961 Net loss of $174,810.83

The breakdown of the above figures are shown on the enclosure No. 1.

Many things may be done with figures. Different people will come up with answers that vary from my conclusions just as I differ from the figures shown on the annual reports. The same figures may be jumbled so as to come up with a far different answer. It is all in the way that you interpret the statements. But with facts available and the known fact that the people of Charlevoix have been subject to the highest electrical rates in the State of Michigan it appears to me that the electrical system has been a drag on the people of this community.

For years ahead it appears that the system can make a profit and still maintain the recently introduced low rates, if all power is purchased and if all the chips fall right. But, a lack of good management can seriously impair the position of the system and it is this point that remains a big question mark in my mind. As I look over the recent history of the system several "mistakes" stand out in my memory. In 1948 the council purchased a diesel engine which was quite controversial in that the final selection was changed several times before the eventual engine was decided on. Many people that I talk to say that they still can't understand what was going on during that period and also that the engine which was finally purchased was some-what of dog in that no other similar engines were ever produced by that particular company.

During the mid-fifties the Council secured the services of an expert in the electrical generating and distribution field to advise in the operations of the local system. This "expert" had the City of Charlevoix purchase a 16 year old used marine high speed diesel engine and the Council followed his advise without even making a proper inspection of the engine. It took a couple of years to acquire all of the necessary parts to get the diesel installed in our plant. It has been estimated that the total investment has reached $130,000.00 for this used engine.

The above two mistakes are the results of improper management and I do not point the finger at individuals but rather I imply that a City Council can not be experts in all fields and that when the Council hires a Superintendent to run all phases of the city and all of its utilities too, it is just too much of a job.

If the city of Charlevoix is going to operate the electrical system a qualified superintendent should be secured to operate it and a second man should manage the rest of the City Government. It takes expert supervision to make a business profitable, and now that the utility has lowered the rates to be competitive with Consumers, it is even more important that the management be efficient and careful.

Mistakes are still being made today, such as the rise in fuel oil prices in October which caught our utility before the storage tanks had been filled.

Because of my belief that government should keep its fingers out of private enterprize and also because I have doubts in the future management of the utility, I have come to the conclusion that the best interests of the people would be served if the Council would recommend to the people that the utility be sold to Consumers Power Company for a just, and fair price, about $1,000,000.

HOW MUCH POWER should the state Legislature have?

This is more than the academic question it might seem, and especially important because of the coming Constitutional Convention which can control this power.

Lawmakers frequently complain that they have no real power over day-to-day operations of state government, except through their function of budgeting. There is some merit to this statement, and those wha would argue that things are as they should be.

• • •

Loss of power from legislative control develops in several ways, aome of which the Legislature can reverse if it chooses. However, amendment to the Constitution by referendum limits legislative control and nothing can be done about it except by another public vote.

The 3 per cent sales tax, for example, was set by public vote and had to be changed the same way, Earmarking of funds by constitutional action leaves legislators hands tied.

The Civil Service Commission, also voted into the Constitution, permits a group of commissioners to raise pay of state employes with no reguard for legislative approval. The Legislature can, however, refuse to allocate additional money, a situation which foces each state department to cut the number of employes or make ends meet in some other fashion.

• • •

Some power loss results from legislative action. When boards and commissions are created by their action to govern certain aspects of state government, authority goes with it.

There are oodles of these commissions, controlled for the most part by commission members appointed by the Governor with approveal of the Sente. Included among the most important are Conservation, Economic Development, Fria Employment Practices, and commissions dealing with various segments of health such as nursing, optometrics, etc.

Other power loss results from "earmarking" of funds. When a law says that money from a certain source shall be spent for a certain purpose, it can be spent in no other way. If conditions change so that this money is needed for some other purpose, the Legislature is hamstrung.

• • •

Absence of some powers is certainly desirable. The Constitution should prevent abuse of legislative power, as well as abuses from the executive or judicial branches of government. Such limitation involves the rights of individual citizens. Other provisions should prevent the various branches of government from action in areas rightfully belonging to another branch.

• • •

Con-Con delegates must decide how much power they want to assign to the Legislature and which powers they want to specifically deny. Proponents of aound government believe a Constitution should be a framework of law which leaves flexibility for legislative action. To construct a legal scale which permits the democratic system of check and balances to work is no simple task, but it is a worthy one.

• • •

SOME VERY FINE hair-splitting in the interpretation of a federal law threatened to cost Michigan money, so the state went to court recently and won some $610,000.

The action, in which Michigan was joined by Minnesota, Wisconsin, and Colorado forced the U.S. Department of Interior to return to its old ways of computing eligibility for a type of federal grant used for game and wildlife management. projects.

The money is in the so-called Pittman-Robertson fund and there might be a considerably bigger saving for Michigan in the long run.

• • •

The Pittman-Robertson Act has been on the books since 1937, but in 1959 the Interior Department upset wbat had been a smoothly running program.

Funds under the plan are handed out on a formula basis. The number of hunting licenses sold in a state is the key to how much money it gets.

In 1959 the department changed to a formula based on the number of persons buying licenses.

• • •

This meant that the state could collect only once for a person who might buy a deer license, a small game license, and possibly some other kind of hunting permit.

The state went to court because they said the number of licenses sold not just the number of persons buying them, was the best indication of how bunting was done in each state.

Total sum which the four states collected was more than $1.3 million. While the federal government could appeal, there was no indication it would.

CHARLEVOIX PUBLIC SCHOOLS
MINUTES OF SCHOOL BOARD MEETING

November 20, 1961

Present: Dinwiddie, Lieberman, Martinchek, C. Smith, Blanchard, Martin, Al Smith, and Bennett, Supt. Absent: None.

The meeting was called to order at 8:11 p.m.

Minutes of the meeting of November 6 were read and approved.

It was moved by Martinchek, supported by Blanchard, that bills in the amount of $2,224.80, payable from General Fund, be approved and ordered paid. Motiion carried: 6-0.

Moved by Blanchard, supported by Dinwiddie, that bills in the amount of $5,088.79, payable from Building & Site Fund, be approved and ordered paid. Carried: 6-0.

Al Smith entered the meeting.

Motion by Dinwiddie, supported by Martin, that the bill of the Post Fixture Co. in the amount of $3,321.45, be approved with $1,000.00 to be paid now and the balance as funds are available. Motion carried: 7-0.

After discussion of the School District finances, a resolution was presented and its adoption moved by Al Smith, supported by Martin, to request permission to borrow $8,000.00 in anticipation of State Aid funds, said note to be dated December 14, 1961, and be due and payable on June 30, 1962. Motion carried: 7-0.

President Lieberman appointed the following as a committee to study the use of the facilities of the school for other than educational purposes, said committee to report back at the December 4 meeting: Dinwiddie, Martin and Blanchard.

In reply to a request from the Mayor regarding the Board's plans for the Library, Mr. Lieberman was asked to notify them as follows:

WHEREAS, the building program of the Charlevoix Public Schools has changed the educational program and causes the Public Library to he of less value in the educational program, and

WHEREAS, The financial position of the Charlevoix Public Schools requires drastic procedures in the use of all monies for direct educational activities, and recognizing the vital importance of the Public Library to the entire community, the Board of Education suggest the following measures:

1. That funds for the school operation be spent for the school program.
2. That funds for the operation of the Public Library be raised by a special property tax from a political unit or units consisting of the City of Charlevoix and/or the townships making up the Charlevoix community or Charlevoix Public School District.
3. The Board of Education expresses its willingness to act as the administrative unit, but with the direction of a Library Board selected for that purpose.

The following were also discussed:

Mr. Bingham was present and took part in the discussion regarding sale of refreshments at games. The recommendation was to have no refreshments in the gymnasium and that either the foyer or cafeteria be used.

Mr. Bennett was asked to present estimates of cost to enclose the area by the boiler room for a smoking room.

Plans were made for placing traffic signs at the high school driveways.

The need for special gym equipment was studied with a plan for the Shop Department to study how they might build standards and to obtain an estimate of their cost.

Announcement was made of a Curriculum Study at Higgins Lake, December 10 and 11.

Dr. Lynn Bartlett's appointment of Mr. Bennett to a committee for the study of transportation costs in Michigan.

Liability responsibility having changed, Mr. Lieberman was asked to have a report from local insurance representatives.

Plans were made with Clarence Smith to supervise some grading of the high school drive.

The meeting adjourned at 10:27 p.m.

Charlevoix Rayders Bow to Pellston

Rayders Outscored by 54 to 32 In First Loop Game of Season

The Charlevoix Rayders bowed to the Pellston Hornets by a score of 54 to 32 in the opening game of the 1981-62 season.

This week the Rayders will host Mancelona in their first game in the new gymnasium.

Starting for the Rayders were John Pearl and Frank Curtis in the forward positions, George Majors at center and Stan Martin and Henry Wagner in the back court.

Dan Pearl, Dave Rader, Gary Balch and Barry Pierce joined the action in the second period,; Tony Duerr in the third and Partitti Salmela and Jim Uhrick in the final quarter.

Pellston jumped into a 10 to 4 first quarter lead before Charlevoix trimmed their lead to 19 to 14 at halftime. In the opening period of the second half the Rayders failed to find the basket from the floor and were outscored 12 to one to trail 31 to 15 going into the final period when they dumped in 17 points but they were no match for the inspired Hornets who rolled to a lop-sided victory over the Rayders.

Scoring in the first period was limited to field goals by Majors and Martin as the Hornets scored five buckets.

The second period found Charlevoix scoring 10 points including four by Martin, three by John Pearl, two by Majors and one by Curtis as the Rayders missed shot after shot. Pellston had three field goals and the same number of charity shots.

While the Hornets were dumping in six field goals as the game went into the second half, Charlevoix scored only a single point, a free throw by Martin.

As the game went into the final period Martin found the basket for five field goals and a free throw and J. Pearl, Curtis and Uhrick for one bucket each for their best period of the game. Pellston, however continued to roll, dumping in nine field goals and four free throws for 23 points.

Merle Cameron paced the victors and the game with 27 points with Stan Bodzik adding 11 for the Hornets.

Charlevoix J V's Top Pellston 43 to 35

Charlevoix's J-V squad, featuring four sophomores and one freshman in the starting line-up posted a victory their first time in competition, a 43 to 35 win over Pellston.

Larry Edwards, Brendon LaBlance, Gary Stutzman, Rick Miller and Jack Uhrick started for Charlevoix with Bruce Kroken, Dave Smith and Warren Belding joining in the action in the second and third periods.

Charlevoix and Pellston played to a 12 to 12 first quarter tie before the Rayders outscored their hosts 13 to 5 for a 25 to 17 halftime lead.

Each team hit for five field goals and added two from the free throw line in the first period for 12 points.

In the second quarter Miller scored six points on two field goals and two free throws; LaBlance added two field goals; Stutzman one and Edwards a gift shot. Pellston's scoring was confined to two field goals and a free throw.

The young Rayders continued into the second half scoring 10 to control the game as it went points on three field goals by Edwards and two by Stutzman. Pellston scored three double pointers.

The Hornet Reserves seemed to find their stride in the final period and outscored the Rayders 12 to 8 on six field goals. Charlevoix's points were scored on a field goal each by LaBlance and Stutzman with the former hitting on one from the free throw line and the latter scoring on three out of four tries.

Stutzman had 15 and LaBlance 12 followed by Edwards with nine and Miller with 7.

Charlevoix had a total of 17 field goals, nine out of 18 free throw attempts and 17 personal fouls. Pellston had 18 field goals, three out of 18 free throw attempts and 14 personal fouls.

Boyne City Defends Title In Win Over Harbor Springs

If the opening games of the Northern Michigan Class C league are any eriterion of what is to follow then loop fans are in for a lot of basketball, highlighted with upsets, close games and high scoring exhibitions.

In the first league game of the season Boyne City successfully defended their title by a score of 42 to 39 after the game had gone into an overtime; Gaylord dumped East Jordan 71 to 45; Grayling won over Mancelona 46 to 42 and Pellston rolled over Charlevoix 54 to 32.

Boyne City 42, Harbos Springs 39 (overtime)

Playing at Harbor Springs, Boyne City and the Rams played to and 11 to 11 first period tie before the favored home team went ahead 20 to 18 at halftime and rolled to an eight point lead midway in the third period before it cut to 28-26 as the game went into the final period.

The Ramblers outscored the Rams 12 to 8 as the clock turned red and were well on their way to a two-point victory when Harbor's Gary Stutsman was fouled as the final horn sounded. He sunk both shots to knot the score 38-all and throw the game into an overtime.

Paul Ranney scored first on a free throw for the Rams but Tracy Newville came back in a field goal for the Ramblers. In the scramble for the ball that followed Doug Grubbe was fouled and sank both shots for the victory as the three-minute overtime ended.

The Ramblers outscored the Rams 15 to 13 in the field goal department while hitting on 12 of 17 free throw attempts. Harbor Springs scored on 13 of 25 attempts and had 10 personal and three technical fouls called on them. The Ramblers had 18 personal fouls called.

Boyne City lost both Larry Gunderson and Larry Thompson via the foul route late in the game.

Gunderson, however, had scored 18 points before leaving the game. Ranney and Stutsman shared scoring honors with 12 points each for the Rams.

Gaylord 71, East Jordan 45

The Gaylord Blue Devils trailed East Jordan 14 to 13 as the first quarter ended but by halftime they had taken the lead and were ahead 28 to 26.

As the game went into the second half the visitors gained complete control of the game to go ahead 45 to 38 at the three quarter mark before dumping in 26 points in the final period to seven for the Jordanites for a 26 point victory.

Gabby Nowak poured in 16 points to pace the victors followed by Art Tebo with 14, Dick Farrand with 13 and Dick Bottomley with 10.

Bill Cox and Bob Sherman shared scoring honors for the Red Devils with 13 points each.

Greyling 48, Mancelone 42

The Mancelona Ironmen went into a 13 to 12 first period lead only to have the Grayling Vikings take over 28 to 22 at halftime and 33 to 26 at the three-quarter mark.

Dick Dickinson had 15 points for the Ironmen. Tom Wright whom Coach Bruce Smith had said would not be in the line-up had 10 points for the Vikings.

This Week With Class "C"

Charlevoix will entertain Mancelona Friday night in the first game in this community's first new gymnasium in 33 years.

In other action in the Northern Michigan Class C league East Jordan will play at Boyne City, Harbor Springs will invade Gaylord and Pellston will travel to Grayling.

The Rayders got off to a bad start last week, losing to Pellston by the humiliating score of 54 to 32. However, they are expected to bounce back this week as they go against the Mancelona Ironmen who were downed by Grayling 46 to 42 in their opener.

The Rayders are a better outfit than last week's score indicates and should shape up into a scrappy outfit before the season progresses to far.

Mancelona can also become a threat behind the leadership of a fine competitor, Kenny Johnson, who, though not considered a regular, saw plenty of action last season.

Boyne City and East Jordan will clash in a traditional battle but the Ramblers, who last week edged the high-flying Harbor Springs Rams in an overtime game, are expected to come through with another win, this time over the Red Devils who were downed last week by the Gaylord Blue Devils 71-45.

The Harbor Springs Gaylord meeting should be a hard-fought battle all the way as the former tries for its first loop victory and the Blue Devils battle to protect their first place standing.

The Rams have a veteran squad that, on paper, has everything while the Blue Devils have a well rounded team composed of three returning veterans re-enforced by a transfer from Gaylord St. Mary's, Gabby Nowak, who dumped in 18 points against East Jordan last week while three team mates hit double figures in the scoring department.

The Pellston-Grayling game will be another battle all the way with both teams trying to atay in the race for the title which is expected to continue throughout the entire season.

Justice Court News

Justice John Connolly reports the following cases which appeared in his court recently:

Woodrow Goforth, 45, charged with issuing a no-account check on a citizen's complaint, was ordered to pay restitution in the amount of $20 and pay $5.00 costs.

Wayne Ashcraft, 26, charged with driving while under the influence of intoxicating liquor, was ordered to pay $50 fine and $5.00 costs. His license was also suspended. Summons was issued by the Sheriff's department.

Kenneth Carson, 22, of Boyne Falls, charged with reckless driving, was ordered to pay $50 fine and $5.00 costs and sentenced to five days in the county jail. If fine and costs are not paid he must serve an additional 50 days. Summons was issued by the State Police.

Paul Edgell, 33, charged with having loaded firearms in a motor vehicle in deer country, was ordered to pay $10 fine and $7.50 costs. Summons was issued by the Conservation department.

Robert F. Vollmer, 22, of Ellsworth, charged with violation of the basic speed law, was ordered to pay $5.00 fine and $5.00 costs. Summons was issued by the Sheriff's department.

Charged with speeding were: Thomas R. Curley, 21, of Caledonia, $15 fine and $4.30 costs; Seblow Vries, 45, of Ellsworth, $5.00 fine and $4.30 costs; Bernard H. Edison, 47, of Ada, $5.00 fine and $4.30 costs; John E. Bowen*, 30, Owosso, $15 fine and $4.30 costs. All summons issued by the State Police.

William F. Kerr, 27, charged with ignoring a stop sign, was ordered to pay $5.00. Summons was issued by the State Police.

*The summons was issued to this motorist on Sept. 30, 1959. He ignored it and it was reported to the Secretary of State's office by Justice Connolly. When Bowen applied for renewal of his driver's license recently, he was denied the license until the fine and costs were paid.

Postmaster Urges Early Mailing

It's time to start planning your Christmas card and gift mailings Postmaster Peter H. Timmer said, Wednesday as he launced his 1961 "Mail Early for Christmas" campaign.

Looking ahead to possibly the biggest Christmas season ever, he advised that Christmas card and gift lists be checked carefully for ful. name, street and number, city, zone and state. He urged that abbreviations of city and states names by avoided.

He advised further that gift packages be wrapped securely by use of heavy wrapping paper, sturdy cartons, strong string and adhesive tape.

He also urged early purchase of postage stamps in order to avoid standing in line late on. He also asked that people ask for a supply of labels that read "Local Delivery" and Out of Town Delivery" the use of which will expedite delivery.

Shakespeare Club To Hold Annual Christmas Tea

The Shakespeare Study club will meet at the home of Mrs. Don Anders at 1:30 p.m. Monday for its annual Christmas tea according to the president, Mrs. Karl Erber.

Mrs. T. R. Weidman, Mrs. Norman D. Ance, Mrs. S. E. Coleman and Mrs Glenn Kenney will be in charge of the program and tea.

Each member is reminded to bring either $1.00 or a wrapped gift marked for either a boy or girl to be turned over to Mrs. Keith Miles for use in the community Christmas project.

Con Con Report

by

Edward K. Shanahen, Delegate

An Attorney General's ruling on when the recommendations of the Constitutional Convention can go before the people for approval or disapproval has caused considerable stir in Convention Hall.

It had been assumed by many delegates that their work would be put before the people at the November, 1962, election. The Attorney General has ruled that the Convention must end by April 1 if this is to be done. If the Convention continues after April 1, the new Constitution would not be presented to the voters until the Spring election of 1963, under his interpretation of the situation.

while the delegates want to finish their work as quickly as possible, they also want to do it in a responsible manner with full and complete consideration of all proposals made. No one wants to make a hasty decision — which could be a wrong decision—under the pressure of a deadline. The issues in the Constitutional Convention, such as legislative apportionment, the authority of local government, and the basic tax structure of Michigan, are far too complex and important to the people for hasty action which is not well thought out.

A timetable is being considered which would require that public hearings be concluded by January 17, 1962; that committees report their proposals to the floor by January 31, 1962; and that all such proposals clear the Committee of the Whole by March 16, 1962. This would leave two weeks for the committee on Style and Drafting to prepare final versions of all proposals and for final Convention approval.

Convention officers believe that the work can be accomplished under this timetable and most delegates feel that the new Constitution should go on the November, 1962, ballot. Some thought is being given to asking the Supreme Court to review the Attorney General's ruling to determine whether the April 1 deadline is accurate.

At any rate, the goal of the Convention now is to see that the people have an opportunity to vote on its recommendations at the November, 1962, election rather than hold it off until 1963.

• • •

One of the most complex questions before the Constitutional Convention concerns Michigan's educational system. And there are two complex fields here—administration and finance.

There are at present in Michigan ten colleges and universities; sixteen community colleges; and 5,459 elementary and secondary school districts—all of them tax supported. In addition, a new four-year college is in the making at Grand Rapids, and there is growing sentiment for another four-year institution in the Bay City-Saginaw-Midland area.

Whether each institution of higher education should have its own governing board or whether there should be one board coordinating all the effort in higher education is at issue before the Convention. Appointment or election of the officials controlling these institutions is another major question. And hanging heavy at all times is the question of finance as more and more children and youth enter the educational system.

One group of school people proposed that the 15 mill property tax limitation be rased to 20 mills with half earmarked for the schools. They also proposed uniform assessment practices at "true cash value", and constitutional guarantees for a kindergarten through 12th grade program in all districts, plus greater support for junior colleges.

Increasing the property tax limitation was attacked by Farm Bureau members and others who charged that property owners were carrying too heavy a burden now.

Another thought was injected by an educator who asked that the state be mindful of the contributions to education made by private colleges. He pointed out that private institutions now find it difficult to compete with state-supported institutions, and asked that the Convention not close the door to the idea that no child shall be denied educational benefits because of a technical distinction that such aid would benefit a religious sect or institution. He asked that this be viewed not as aid to the institution, but to the child and his parents. No specific recommendations were made on this point, except that the Constitution should not bar any action the Legislature thought wise and necessary.

The opinions and thoughts of the people of the Charlevoix Representative district on these questions are particularly desired.

Kiwanians Hear Harley Burris

Harley Burris of Boyne City, representing the Michigan Conservation Department, was the guest speaker at the regular dinner meeting of Kiwanis club held Monday at the high school cafeteria.

His subject was deer hunting in Charlevoix county.

He said that no figures were available at this time of the number of deer taken during the recent season. However, he did say that there were more hunters in adjacent counties than in Charlevoix county.

Of interest was the fact that 42 deer were killed by cars in the county in 1960.

He said that illegal killing deer has been on the increase. He added that only one out of every five deer killed by illegal means are taken from the woods because the poachers are afraid of being caught while searching for the kill after 'shining' deer,; i. e., using artificial lights to spot deer at night and then shooting them while they are blinded by the light. He said that law-abiding citizens were a great help to the department in apprehending violaters.

Mr. Burris said that no bears were taken in the county during the recent season.

He discussed the elk preserve in Otsego county and said that the animals were beginning to create quite a problem and that something would have to be done about the size of the herd before too long.

William Paddock was inducted as a member of the club with R. G. Bennett officiating at the induction ceremony. Attendance pins were given to Barney Englehart for five years perfect attendance and Howie Parsel and Curtis Burlin for two years each.

Plans for the 27th birthday anniversary party of the club to be held at the Holiday Terrace at 6:30 p.m. Monday were discussed. The Kiwania-Queens will attend as guests. A full evening of entertainment is planned for the occasion.

Re-opening Marks First Anniversary

The Sugar Bowl restaurant which has been closed this week for remodeling and refurnishing will reopen Monday, according to James Alspaugh, manager.

The reopening Monday also will mark the first anniversary of the business under the new management. The occasion will be observed by a free "coffee break" from 9 to 11 a.m. During these hours the public is invited to visit the restaurant and be the guests of the management for coffee and doughnuts.

Ironton Residents To Vote On $35,000 Bond Issue

A special election to vote on a proposed $35,000 bond issue to underwrite the cost of constructing a new school for the Eveline school district No. 4, more familiarly known as the Ironton school district, has been scheduled for Jan. 30, according to Ralph Price, secretary of the school board.

The bond issue will necessitate a 5.3 mill tax levy on the school district's state equalized valuation of $976,653 over a 10 year period.

The proposed new school will be a one-story fire-proof structure with one classroom and related rooms. It will replace the existing school which was built more than three-quarters of a century ago and which was condemned last April by the State Fire Marshal's Office.

The 16 students in the kindergarten through the sixth grades completed the school year in a room provided by the East Jordan public schools. This year they are enrolled in the Charlevoix and East Jordan public schools with 14 of the number attending the Charlevoix elementary school.

In the forthcoming election, the voters of the school district will vote on two proposals; i.e., to raise the 15 mill tax limitation and to levy 5.3 mills for a 10 year period. All registered voters in the school district may vote on the first proposal (to raise the 15 mill limitation) but only taxpayers may vote on the latter (to levy the 5.3 mills).

In order to vote in this election, the voter must be registered in Eveline township and must live in the Eveline School District No. 4. Deadline for registering in order to vote in the special election is 5 p.m. Jan. 3.

Kenneth Tunison is president, Alfred Gamble, treasurer and Mr. Price, secretary of the present school board of the Eveline School district No. 4.

Funeral Services Held Tuesday for Chas. A. Alexander

Charles A. Alexander, 58, a resident of this community for many years, died Saturday at the Charlevoix hospital where he had been a patient for more than a week. He had been in ill health for some time.

Funeral services were held Tuesday at the Winchester Funeral Home with the Rev. George L. Majors officiating. Burial was in Brookside cemetery.

Born in Antrim county March 24, 1903, Mr. Alexander came to this community with his parents as a child. He was a painter by trade. In recent years he has resided in Marion township. He was widely known in the area as a caller for square dances.

He is survived by his wife, the former Pauline Patterson, whom he married in 1939; a daughter, Mrs. Arnold (Lena) Risteau of Central Lake; one son, Charles D., stationed at Norfolk. Va., with the U.S. Navy; three grandchildren; one sister, Mrs. Almond Yettaw of Grand Haven and a brother, Alvie of Sacramento, Calif.

Mrs. Kenwabikissee Dies at Grandvue Medical Facility

St. James, B.I.—Mrs. Paul L. Kenwabikissee Sr., 76, a native of High Island who had spent most of her life here, died Wednesday at the Grandvue Medical Facility near East Jordan where she had been a patient since July, 1956.

Born on High Island April 6, 1665, the former Madeline Oswanimkee was married to Mr. Kenwabikissee at Nahma Junction in 1900. They later returned to Beaver Island to make their home. He preceded her in death Jan. 17, 1937. She was a member of Holy Cross church here.

Among her survivors are a son, Paul, of St. James; an adopted son, Edward Burch of Montague and 16 grandchildren.

The body will be returned here for funeral services at Holy Cross church at a time to be set later. Burial will be in Holy Cross cemetery.

Invite Youngsters to Sleigh Ride at Al's Amusement Park

Youngsters of the community will have an opportunity to enjoy an old-fashioned sleigh ride Saturday if they accept the invitation being extended by Allan Pease of Al's Amusement Park, located at the corner of the Norwood road and Carpenter ave.

Mr. Pease has also arranged for Santa Claus to be present to talk with the youngsters up to 12 years and to present them with gifts of candy and peanuts.

The park will be open from 1 to 4 p.m. so that the children may enjoy rides on an old-fashioned sleigh drawn by horses complete with sleigh bells.

William Carey Names Chamber Comm. Chairmen

The appointment of committee chairmen to head the four major committees of the Charlevoix Chamber of Commerce were made by William Carey, Chamber president, at the regular monthly meeting of the board of directors Monday.

In consolidating the various committees into four major ones under the direct supervision of of board members, Mr. Carey said he felt the committees would be more effective and could be managed easier and more efficiently than having up to a dozen committees working independently of the board of directors.

The committees and co-chairmen are: finance and membership, Miss Katherine Fitch and Robert Hamilton; retail and industrial, Frank Novotny and Glenn Kenney; special events, Lee Moerland and Richard Edwards and advertising John Rathburn and John Norton.

In announcing the committees, Mr. Carey gave full authority and responsibility to committee chairmen to form sub-committees as might be required and to enlist the services of Chamber members best qualified to serve.

A nuculeus personnel of three Chamber members for each committee was suggested. They will be contacted by the committee chairmen. Minutes of committee meetings, suggestions and plans for action will be submitted to the board of directors before becoming effective.

The success of the Chamber in terms of what it can do for the city of Charlevoix and the area depends in a large part on the ideas, suggestions, time and work of many, Mr. Carey said in enlisting the support of members.

Methodist Choir To Present Cantata Sunday Morning

The First Methodist church will open the Christmas season Sunday with the presentation of the Christmas cantata, "Child of Heaven" by Roger Wilson at the 11 a.m. worship service.

The choir which will present the lovely Christmas cantata will be under the direction of Mrs. Dean Davenport with Mrs. Leonard Burns at the organ.

Appearing in the production will be soloists, Mrs. Lee Moerland, Donald Bogart and Joel Arvilla. Also appearing will be a men's trio composed of John Kroken, Mr. Davenport and Albert Arvilla and a women's trio composed of Mrs. Mark White, Mrs. Kroken and Mrs. Moerland. Mrs. Harry Stewart will narrate the cantata.

The Sunday school of the church will present its annual Christmas program at the church at 7:30 p.m. Saturday, Dec. 23.

"Happy Birthday, Kiwanis of Charlevoix"

★ ★

The strains of "Happy Birthday" echoed through the dining room of the Holiday Terrace Monday night as Ralph S. Hamilton, past Lieutenant Governor of District 15, and Mrs. Edward K. Shanahan, wife of the club president, cut the birthday cake at the dinner party marking the twenty-seventh anniversary of the Charlevoix Kiwanis Club.

Joining in the observance of the happy event were 66 members and guests who gathered in the hotel dining room for the buffet dinner and informal program that followed.

Mr. Hamilton, as master of ceremonies, presented a brief history of Kiwanis International which was organized in Detroit in 1915 and of the Charlevoix club which was organized in 1934. O. P. North, now living in Newaygo, was the local service club's first president.

Also honored at the dinner were M. A. Levinson, C. B. Meggison and H. E. Bingham, charter members of the Charlevoix club, and Mrs. Frank Bird, wife of the late Mr. Bird who attended as a guest.

John Schmidt presented a 20-minute movie of club activities over the past three years which club members and their guests found both interesting and amusing.

At the close of the program, K. C. Festerling, a member of the Petoskey club, directed a Western Square dance in which members participated.

Wives of Kiwanis members, who were guests at the dinner meeting were presented with corsages.

Kiwanis club colors decorated the tables.

Rev. Alexander Wood gave the invocation and members sang the Michigan song.

Special mention was given the 'stranger in the crowd', a member of another service club, Ken Cellner, who is a member of the Lions' Club.

Skiing to Begin At Mt. McSauba In Near Future

A little more snow and there'll be sking at the Mt. McSauba Ski area according to Charles Meier who said Wednesday that the local facility would soon be ready for use if present weather conditions continued.

The formal opening of the facility is also being posponed to await the installation of a new polyproylene rope which has been purchased for use on the large tow, Mr. Meier said. The new type of rope is considered stronger and lighter than the hemp rope formerly used on the tow, he explained.

The new snow-packer has already been placed in operation and will be used through the season thus eliminating the need of skiers to carry out this chore.

The small slope at the area will be open shortly for those wishing to practice or begin skiing lessons.

The warming building which also houses the concessions and skiing equipment and accessories department will again be under the management of Mrs. Meier.

Joel Arvilla, who as a high school student was a member of the ski patrol here at at Avalanche in Boyne City and who participated in competitive meets while at the U. of M. and Northern Michigan College, will offer instructions in skiing at the local facility.

Anyone wishing to purchase tickets, especially season tickets for use as a Christmas gift, may obtain them at the Mt. McSauba Ski lodge or the Weathervane lodge.

Church Schools to Present Christmas Programs Sunday

Plans to present their Sunday school programs at their respective churches this Sunday have been announced by the First Baptist church and the Bible Baptist church.

"Under the Shadow" will be the title of the Christmas program to be presented at the First Baptist church at 7:30 p.m. Sunday under the direction of Mrs. Jock Gigg, Mrs. Bernie Ward Jr. and Mrs. Clifford Riley.

The entire Sunday school will participate in the program.

Christmas will be observed at the 11 a.m. worship service on the following Sunday according to the Rev. L. L. Lewis, pastor of the church.

"The Reason for Christmas" will be the theme of the program to be presented by the Sunday school of the Bible Baptist church at 7:30 p.m. Sunday.

The program will open with the congregation singing favorite Christmas hymns. The children will then present their program of recitations and exercises interspersed with Christmas songs by choirs of the kindergarten, primary, junior and intermediate departments.

At the close of the program there will be treats for the children, according to the pastor, Rev. James Lugibihl, who also extended an invitation to the public to attend the program.

Former Resident Dies Unexpectedly In Ford Hospital

Ellsworth—Funeral services for Don Campbell, 51, former local resident who died unexpectedly in Ford Hospital in Detroit Thursday, were held at St. Joseph's church in East Jordan Saturday with the Rev. Fr. Leo Mjalenowski offociating. Burial was in Southern cemetery near Central Lake.

Born at Pleasant Valley near Central Lake Aug. 7, 1916, Mr. Campbell had spent most of his life in Detroit where he was employed by the Ford Motor Co. from 1929 until he entered the armed forces in Aug. 1942. Following his discharge from the service in 1945 he came to this area and in 1946 was married to the former Mrs. Louise Anderlie at Charlevoix. For the next 10 years they lived here where they operated the White Swan restaurant and he worked at Morweld Steel Co. In 1956 he returned to Detroit where he was employed by the Ford Co. until the time of his death.

Besides his wife, he is survived by two step-sons, Eugene and Melvin Anderlie, both of Detroit; seven grandchildren and a sister, Mrs. Sam Kelly of Charlevoix.

The body was at the Hastings Funeral Home where the Rosary was recited Friday evening.

Brownie Scouts Rehearse Christmas Carols

These little Brownie Scouts of Troop 6, pictured rehearsing Christmas carols, will be among the more than 70 who will visit the Charlevoix hospital Wednesday evening to sing carols for the patients.

They are (l to r) Donna Martin, Shirley Thomas, Laura Martin, Martha Cook and Annette Hansen with Mrs. Lloyd Arnold at the piano. Brownie troop leader is Mrs. John Thomas.

The singing of Christmas carols is one of the community service projects in which the Girl Scouts, under the supervison of the Charlevoix Girl Scout Council headed by Mrs. James Gallagher, take part.

Participating in the singing of carols will be Troop 10 and 12 made up of second grade students, Troops 6 and 9, third graders and Troops 16 and 19, fourth graders.

The little Scouts, accompanied by their adult leaders and Senior Scout Aides, will gather at the Elementary school at 7 p.m. Wednesday for transportation via bus to the hospital where they will carol. They will be returned to the school at 7:45 p.m. where parents are asked to pick them up for transportation to their homes.

City to Host Senior Government Day

Charlevoix will be host today (Thursday) to the fourth annual Charlevoix County Senior Government Day.

The special event, whose prime purpose is to interest students in becoming better acquainted with and more interested in better representative government on local and county levels, will be held at the new Charlevoix high school beginning at 9:30 a.m. and continuing until 2:45 p.m. Assemblying in the high school gymnasium to participate in the program will be senior students from the Boyne Falls, Beaver Island, Boyne City, East Jordan and Charlevoix high schools, their government teachers and approximately 50 resource people, numbering more than 250.

Thomas E. Schweigert, State Senator of the 29th District, will give the keynote address. Harvey C. Varnum, Charlevoix county prosecuting attorney, will speak in behalf of county officials. Jack Stewart, president of the Charlevoix high school Student Counci,l will welcome the visitors in behalf of the host school. Charles S. Ditman, Conference Director of Hilsdale College Leadership Training Program in cooperation with the Education Division of the Michigan Association of Supervisors, sponsors of the special event, will preside at the general session which will open the all-day conference.

Following a luncheon as guests of the host school from 12 until 12:45, the students will attend sectional meetings devoted to seven phases of county and local government before returning to the gymnasium to hear George R. Sidwell, Lansing attorney representing the sponsoring Educational Division of the Michigan Association of Supervisors, address the closing session before the meeting adjourns at 2:45 p.m.

The various phases of local and county government to be discussed at the sectional meetings during the afternoon, the names of the discussion leaders and recorders and resource people follow:

Economic Development: David Pienta, discussion leader and Mary Boring, recorder, both of East Jordan; Resource people: William Carey, president, Charlevoix Chamber of Commerce; Bruce Malpass, vice president, East Jordan Iron Works; Walter Thorsen, president, East Jordan Chamber of Commerce; Joseph Heron, assistant co-ordinator of the Big Rock Point Nuclear Power Plant information center and Grover C. Welfarism Marches On

A last ditch effort to push a Federal Aid to Education bill through Congress in the current session is under way.

The case against centralized government control of education should be obvious—and never for a moment believe that government "aid" would not mean government control. As the Supereme Court of the United States held in 1942:"It is hardly lack of due process (of law) for the government to regulate that which it subsidizes." This is the principle at the heart of the whole matter. Moveover, aside from principle, the federal government is in a worse financial position than are the state and local governments. Federal debt in now 367 per cent of federal yearly revenues as compared to a state and local debt of 192 per cent of their annual revenues.

There is nothing wrong with our schools that cannot be corrected at the local level. Since 1952, according to the President's economic report, public school enrollment has increased 35 per cent; instructional staff, 45 per cent; teachers' salaries, 52 per cent; current expenditures per pupil, 53 per cent; school revenues, 103 per cent. Significantly, the National School Boards Association has gone on record as being opposed to the further extension of federal aid to education until the school boards of America express the need for such funds.

Once the government moves into the field of education, there will be no turning back. In all likelihood, the majority of school board members agree with Senator Styles Bridges, of New Hampshire, who recently observed: "As a former Governor and as United States Senator for almost 25 years, it has been my observation (1) that education is the foundation of freedom, (2) that most citizens want public schools to be directed by the States and communities, and (3) that mothers and fathers of each locality apparently want to make the decisions about the education of their children . . . . The issue has been hanging in the balance for years; the time for a decision appears at hand."

Voice of Our Readers . . .

Dear Sir,

As requested by you, the following report relative to the proposed sale of the electric system, is hereby submitted. It is, also, requested that, should any of this be quoted or made public, all of the comments be given out at the same time to convey the entire information on which the decision is made.

As is the case with the Cummins & Barnard report requested by the city, as well as the Consumers Power Company suggestion of $750,000 value of the system, these recommendations involve speculation as to the future, based on records and trends available from the past.

There is no doubt in my mind that it is profitable to sell electricity at or near our present rate. This applies to private as well as public owned utilities. There is also no doubt that our own records of years gone by do not make up proper material to determine actual evidence for justification of one course of action or another. Much effort toward properly kept records, easily understandable and self explanatory to all who succeed us, should be constantly encouraged and insisted upon. If there is anything to be derived from an analysis of these incomplete records it might he this: We have not in the past operated an electric utility without help, from time to time, in the form of additional (voted) taxes, and financing, at interest rates varying from 1½% to 6%. In addition, our rates have been the highest in the State of Michigan. As time goes on, the trend indicates that good city government becomes a bigger and more complicated chore than ever before. Electric rates have actually decreased while the trend of most other commodities has been upward. This indicates that in the electric business, a specialized, highly mechanized production of ever increasing volume is taking place and will require more and more supervision by more and more specialists, than ever before.

While this is not a hopeless situation, for us as a Council to cope with, it distracts our attention from the primary purpose we are supposed to assemble for. With so many important tasks to perform relative to the people of Charlevoix and their future welfare it seems to me, we should devoted our efforts in those directions entirely. To confuse the production or distribution of electricity with the performance of city government is no longer necessary today, since adequate scources are available to everyone in this area now. This was not true, however, in the past. Charlevoix has always managed to keep pace with the times and I believe the time is now to dispose of this responsibility, which no longer is a city one, and turn our attention toward more progressive and desirable programs.

It should be pointed out, however, that regardless of how the money derived in the past was spent, or the means through which funds were acquired, Charlevoix has had a budget considerably higher than neighboring cities. Therefore the money received from any future sale of the system and its subsequent use should, in my opinion, be incorporated in any proposal to the people to be voted on. The value of the system must be determined by the Council as well as the investments of funds and disposal of interests obtained from such investments. This should all be submitted to the people for endorsement as a part of the proposal.

To date, we have conducted a study of the electric utility in an orderly manner despite much sentiment and enthusiasm by many interested citizens. There is some speculation that should we not take action to bring this to a vote now, we will receive a barrage of petitions, etc. and every conceivable means of putting this on the ballot will be used. This could result in an insignificant figure, being proposed for the voters' confirmation. Instead of our determined, well-planned study of facts being presented in the orderly manner in which we have persued this problem, it is possible we might find Charlevoix in a "bonanza" of confusion, being out-advertized, sold short unnecessarily, with no provisions for our future.

A similiar situation might arise in a few years, perhaps sooner, if we struggle along unsuccessfully, and dispose of the system following a period of under-expansion, poor maintenance, and unforeseen costs of purchasing and distribution. This has happened to other cities as well as individuals who have "milked a business dry" and "plowed" nothing back in. It is absolutely ridiculous to levy millage for the purpose of "balling out" a faltering electric system brought about by poor planning, or to use a system as a means of acquiring additional taxation which would not cutherwise be approved by the voters if they had known where much of the electric revenue was being spent.

It amazes me to find out the apparent powers a governing body such as ours have, particularly the lack of restrictions placed upon us. The monopoly that exists in our electric system with no rate restrictions is indeed a challenge to our sense of responsibility. Competition is non-existent in the Charlevoix electric business in contrast to Traverse City, for instance, where the municipal system is a multi-million dollar steam generating electric business with other systems competing. Their system has grown from an investment of $10,000 in 1912 to its present state without costing the tax payers one dime since its beginning. The utility contributes $67,000 annually to the general fund and saves the Street Department (through lower rates) $32,000 per year. All this has been done with competitive rates.

Our only alternative requires us to purchase power which still leaves us with many unanswered questions. This burdens future governing bodies with a responsibility of making decisions they know little about. Therefore, much of future mayors and councilmen's time will be spent on this problem in an effort to acquire additional funds or maybe even to prevent the need for special tax levies. A well planned program for the use of funds acquired from the sale of the electric system is a much more secure and consistent benefit to us, in my opinion.

Under the competitive rates adopted beginning September 1, 1961 our income from sales will decrease perhaps as much as $50,000 per year. This indicates reserves will cease to build up and a possibile deficit will exist due to recent increased fuel costs. This adds to the urgency that some course of action be taken at once. This responsibility is ours—we must act at once.

A last minute comparison of Consumera rates at Petoskey and their purchase power experience of 1960 indicates a profit of $8300 on their sales. On our sales (1960) it would have amounted to about $4000 profit, if our cost of purchased power did not increase due to less than half the volume, and our peak load was comparable, etc. It hardly seems justifiable to speculate on auch a slim margin (1% to2%) of our sales represented by profit, as would be the case in this instance of purchased power.

Respectfully submitted,
Kenneth A. Staley
Second Ward Councilman

LIEBERMAN'S

CHARLEVOIX

Open every eve until Christmas

Girl Scout News

Girl Scout troop 5 met Wednesday.

We opened the meeting with Jutle Hill, the president, calling the meeting to order and secretary, Becky Hiller, taking the roll.

We discussed Christmas plans. We learned a new game "Bow-Bow Belinda". Becky Hiller brought the treat.

We closed our meeting with a good night circle and the squeeze.

Mrs. Raymond Seymour left Tuesday via train for San Clemente, Calif., to join her son-in-law and daughter, Dr. and Mrs. Fred W. Young and two sons for the winter months.

Mr. and Mrs. Jack Lucas left Thursday for Cleveland, Ohio, where they plan to spend some time before going south for the winter months.

To Stage Annual Christmas Party At V.F.W. Post Home

Plans for the annual family Christmas party for members of the Charlevoix Post No. 1153 V.F.W. and Auxiliary and their respective families were made at the regular meeting of the Auxiliary held Thursday at the post home.

The event will be held at the post home at 1 p.m. Sunday, Dec. 17. Members will be informed of what they are to bring. Each is to bring a gift for his child and adults a Mr. or Mrs. gift to exchange.

The cooperative dinner will be followed by a visit from Santa Claus.

Mrs. Ernest Foster is general chairman. She will be assisted by Mrs. Harley Warner, Mrs. Albert Russell and Mrs. Leland Warner. Mrs. Ronald Geer and Mrs. Coryell Sevrey will be in charge of candy and nuts for the children.

Also at the business meeting the group voted to contribute $5.00 to the local Christmas project headed by Mrs. Jeanne Miles, school nurse. They also approved the purchase of $5.00 worth of Christmas gifts to be sent, with wrappings, to the State Hospital at Traverse City.

Members were reminded to renew their memberships before Dec. 26 so that the organization could retain the 100 per cent status it has held for three years. The Auxiliary has 30 members.

Mrs. Joseph Etieone and Mrs. Mary Howe were in charge of refreshments which honored the birthday anniversary of Mrs. Harvey Warner.

Rebekahs Elect Mrs. Eldred Ostrum Noble Grand

Mrs. Eldred Ostrum was elected Noble Grand of Charlevoix Rebekah lodge No. 293 at the annual election of officers held during the regular meeting Tuesday night.

Other officers elected at that time follow: vice grand, Mrs. Joseph Moore; recording secretary, Mrs. George Whitley; financial secretary, Mrs. Sims Baker, treasurer, Mrs. Jerold Murdick and lodge deputy, Mrs. William Ager. Miss Frances Durance will be the retiring noble grand.

The appointive officers will be named later this month and both the elective and appointive officers will be installed at an open Installation ceremony to be held at the I.O.O.F. hall early next month.

The members will hold their annual Christmas party following the regular business meeting Tuesday.

Mrs. Bert Beaudoin left Sunday to spend the holidays in Birmingham with her son and daughter-in-law, Mr. and Mrs. Lyle Beaudoin. Mr. Beaudoin came for her and remained for a weekend visit.

Miss Jessie Joy and Miss Donna Werback of the M.R.A. at Mackinac Island and Mrs. Shiela Vereuski, also of Macinac Island, spent Friday night with Mr. and Mrs. Arnold Copeland while here to address the Farm Bureau Women.

Four Teams to Enter 1962 State Bowling Ass'n Tournament

Four teams of the Charlevoix Bowling Association will participate in the 1962 Michigan State Bowling Association tournament scheduled to open in Kalamazoo Jan. 20.

They are the teams representing Paul Bunyan Lanes, Puff's Appliance, Airport Inn and Central Drug.

The tournament will continue through May 20.

This year's tourney will be the organization's largest with 1702 five-man teams, 4078 two-man teams, 8158 single and 7315 all-events entries. The total prize list is $90,507.

Ninety-three city associations from throughout the state have entered teams in the event.

Mrs. Paul Olsen Hosts Garden Club

Mrs. Paul Olsen opened her new home overlooking Round Lake to the members of the Garden club recently.

Winter decorations was the theme of the lesson. Mrs. R G. Bennett spoke on the subject of winter decorations in northern Michigan, assisted by Mrs. Albert Edwards who spoke on decorations used in the south; Mrs. Harley Ochs spoke on garlands and Mrs. James Taylor on Christmas candles.

The conservation tip was to place evergreens in their winter wraps. For roll call each member gave the name of a house plant and told something about it. Twenty-four members were present.

Mr. and Mrs. Earl Miller left recently for Whitefish Bay, Wis., where they plan to spend the winter months with their son-in-law and daughter, Mr. and Mrs. Edward S. Radle.

Norwood News

Mrs. Milton Richardson

telephone lines

By LES JOHNSON, Manager

MANY OF YOU have asked why telephone directory listings sometimes are abbreviated. Abbreviation makes it possible to put most listings on one line. If abbreviations weren't used your directory would be much larger and more costly to produce. In addition, the paper in your directory has been carefully chosen for wearability, and the type style for readability. All this is designed to make your directory easy and convenient to use.

PHONELAND is a wonderful place—a storybook land of Christmas surprises for all the family! In Phoneland, new Home Interphone service lets you talk from room to room, or answer the door, or check on a sleeping baby—all by telephone. In Phoneland you can enjoy the security and protection of extension phones that save steps. You can choose wall or table models, or the lovely little Princess with the light-up dial, in a choice of cheerful colors. To order a Phoneland surprise for your family this Christmas, just call our business office. We'll arrange everything.

AND A MERRY CHRISTMAS to all of you from all of us at Michigan Bell. It's been a pleasure to serve you this year; we're looking forward to serving you in the New Year with, as ever, the finest in telephone service.

Edward K. Shanahan, Delegate

The Michigan Constitutional Convention moved deeper into the second phase of its deliberations today with visits by two former U S. presidents highlighting the agenda.

At a special session Wednesday delegates heard Former President Dwight D. Eisenhower discuss federal-state relationships and urge the Convention to draft a Constitution that will serve as an example to other states.

A similar meeting with Former President Harry S. Truman is scheduled for January.

At the same time, the Convention's nine substantive committees turned to the tedious task of formulating specific recommendations for change in Michigan's 53-year-old basic law, hopeful of completing a major portion of their work before the Dec. 22 recess.

"Ideally we'd like to finalize as many non-controversial matters as possible before the holidays," explained Convention President Stephen S. Nisbet, (R., Fremont.)

The Convention is working to-ward a March 31 target adjournment date, Nisbet said. A resolution outlining a schedule for completion of various phases of work calls for:

Dec. 21: completion of public hearings. Jan. 5: completion of hearings on delegate proposals. Jan. 31: completion of Committee reports. Adjournment: on or before March 31.

Meantime Nisbet moved to counteract what he described as "growing public confusion" over the Convention's work to date.

He singled out the more than 600 proposals for revision under consideration by the Convention as the source of confusion.

"Unfortunately many citizens have interpreted these proposals as final action," Nisbet said "Others have been confused by conflicting proposals on specific issues."

"These proposals are only proposals and not final action," Nisbet emphasized. "They do not constitute final action.

"Each proposal must be given careful study and evaluation. Those deemed valid will be incorporated into Committee recommendations and reported out to the general Convention for further study and debate."

Nisbet urged citizens "to withhold judgment on the issues until the Convention has taken final action."

Dr. Charles W. Joiner, co-director of research and key figure in the Con-Con Preparatory Commission, backed up Nisbet's remarks and called public understanding "the ultimate key to the Convention's success."

"What the people must understand is that the State of Michigan has serious problems, and the Convention is making a serious effort to work out real and lasting solutions to these problems," Joiner said.

"And I think the people can take great pride in the 144 highly qualified representatives they have chosen to perform this important responsibility," he added.

Rod & Gun Club Auxiliary Stages Annual Party

More than 75 members and guests gathered at the Charlevoix Rod and Gun clubhouse Saturday evening for the annual Christmas party sponsored by the Rod and Gun club Auxiliary for members, families and friends.

Christmas greens and lighted tapers and other holiday decorations added a festive air to the dinner and the social hour which followed.

Mrs. Gordon Moeller is president of the Auxiliary. Mrs. O. V. Cunningham was dinner chairman assisted by Mrs. Clayton Trimble; Mrs. Ralph Hamilton was in charge of decorations and Mrs. Earl Miller, entertainment.

Lions Club Hears A. D. Shankland

A. D Shankland, dean of North Central Michigan College at Petoskey, was the guest speaker at the regular luncheon meeting of the Lions club held Monday at the Weathervane Inn.

Dean Shankland related the history of the community college, outlining its growth and its plans for the future.

Other guests were Jack Erber, Harold Hayner and William Blanchard, the two members of the Petoskey club.

Community singing led by Byron Wright concluded the program.

Baskets in which residents of the community may deposit foods to be used in baskets for the needy have been placed in all grocery stores in the community.

Sue McBride Honored At Bridal Shower

Sue McBride, who will be married to Don Drenth of Ellsworth at the Ellsworth Christian Reformed church on Dec. 23, was honored at a bridal shower given Saturday evening by Mrs. Doyle Richardson, Mrs. Don Meadows and Mrs. Jerroll Drenth of Ellsworth.

Thirty guests gathered at the games, a social hour and refresh- Norwood Fellowship hall for ments served at a table decorated in a Christmas motif.

Mrs. Stanley Warner, Mrs. Harrison Warner, Mrs. Charles Weisler and Mrs. Bud Klooster were awarded prizes.

The bride-elect was presented with many lovely gifts. Her sister, Doris McBride, assisted at the gift table.

Community Chest Drive Falls 16% Short of 1961 Goal

Charlevoix's 1961 Community Chest drive has bogged down at approximately 84 per cent of this year's goal, Mrs. Jeannine Essenberg, fund campaign chairman, has announced at the close of the present drive.

On Wednesday the campaign, which had a goal of $10,742. had realized only $9,089.35. in contributions.

Unless residents or the community come through by enlarging their contributions, 12 agencies will be forced to curtail their services to the community, Mrs. Essenberg said. If you still want to contribute to the campaign, you may do so by leaving your check at the Charlevoix County State Bank or with the Community Chest treasurer, Lawrence Feindt.

Community Choir to Present Annual Vesper Concert Sunday

A prelude of Christmas carols will mark the opening of the annual Christmas Vesper Concert by the Charlevoix Community Choir directed by C. A. Odmark to be presented in the new Charlevoix high school gymnasium at 4 p.m. Sunday.

The concert, which traditionally ushers in the holiday season in Charlevoix, will mark the first use of the new facility by a choral group. The members of the choir and Mr. Odmark are enthusiastic over the accoustical properties of the spacious room and predict that this quality will add much to the program.

The choirs, composed entirely of volunteers, has grown to approximately 50 voices this year, Mr. Odmark said.

Several numbers new to Charlevoix audiences will be included in this year's holiday concert. Among them will be "Christmas Day" by Gustav Holst and "Bethlehem Night" by Ahthur Warrell. Other favorites of former years ranging from Fifteenth Century selections first heard in the Sistine Chapel to modern day Christmas literature including the music of England, France, Germany, Russia and Finland as well as the United States will be heard with several talented members of the ensemble appearing in solo roles. Mrs. Leonard Burns will again accompany the group.

The date: Sunday, Dec. 17; the time: 4 p.m.; the occasion: the annual Christmas Vesper Concert presented by the Charlevoix Community choir. There will be no admission and all are cordially invited to attend.

CHS to Present Annual Christmas Program Wednesday

Christmas, in message, music and song, will be the feature of the program to be presented before the student body and faculty of the Charlevoix junior-senior high school Wednesday to mark the closing of school tor the holidays.

The Rev. George L. Majors will deliver the Christmas message at the program scheduled to begin at 10:25 a.m. and continue for approximately 40 minutes, according to H E. Bingham, high school principal.

Music will include several selections by the Charlevoix high school band directed by C. A. Odmark. Among them will be portions of the "Christmas Suite" by Harold Walters, Leroy Anderson's "Sleigh Ride" and Irving Berlin's "White Christmas."

Christmas carols will be sung by the student body with a brass ensemble from the band and Mrs. Leonard Burns, at the piano, playing the accompaniment.

While designed for the students and faculty, the public is cordially invited to attend the program Mr. Bingham said. There will be no admission charge.

Mr. and Mrs. Peter B. Scott of Manistique spent the weekend here enroute to Ann Arbor where the latter was scheduled to enter the University Hospital for observation.

Co-operative Co. Holds Annual Business Meet

The Charlevoix Co-operative Co. completed its fiscal year with approximately a five per cent volume increase over last year, Fred Willis, manager of the local co-operative, told the more than 90 members who gathered at the city hall Monday night for the annual meeting of the company.

Earlier, the board had authorized a four per cent cash dividend on the outstanding preferred and common stock of the corporation. Checks for this dividen were mailed in October. It was also announced that the board had authorized the retirement of $5,000 worth of the oldest outstanding stock in the organization.

Three stockholders were elected to the board of directors for terms of two years each. George E. Smith, who, as president, presided at the meeting and Aaron Brock were elected to succeed themselves and Willitm Himebauoh was named to succeed Russell Dohm.

Phil Roberts, district feed representative of Farm Bureau Services, presented the new dairy feed program developed by Michigan State University and sponsored by Farm Bureau Services. Howard King, store supervisor for the services, discussed improved grain and feed handling facilities which have been approved by the board of directors and which will be installed in the local plant in the near future.

An enjoyable program, arranged by Joseph Stutsman, chairman of the entertainment committee, was presented at the close of the business session and included a vocal duet by Dagmar and Peter Brock, accompanied by Mrs. Charles Bergmann, and several selections by the Fearless Five plus Two composed of Robert Odmark, Steven Bergmann, Franklin Curtis, Steven Kroll, Gary Stutzman, Don Anders and Bruce Kroken. A variety of prizes were offered to the holders of lucky tickets. Refreshments were served at the close of the social hour.

State to Install More Soothing Horn at Bridge

The State Highway Department has announced that it will install a new horn on the bridge that carries US-31 over the channel between Lake Michigan and Lake Charlevoix at Charlevoix—one it hopes won't disturb nearby residents.

State Highway Commissioner John C. Mackie said the Highway Department received permission from the U.S. Corps to install the "softer" horn after some people living near the lift span complained the present horn is too loud.

The bridge operator uses the horn to let boats entering and leaving lake Charlevoix know whether or not it is safe to proceed through the channel.

Mayor E. D. Hawley has been notified that the horn will be installed in time to use when the navigation season opens next spring.

The present horn will be kept at the bridge for use in an emergency.

Plans to Improve Highway US-31 Atwood-Eastport

The State Highway Department has announced preliminary plans for modernization of nearly five miles of US-31 between Eastport and Atwood in Antrim County.

State Highway Commissioner John C. Mackie said the new highway would be four feet wider than existing two-lane pavement between the two northern Michigan communities.

The project—which would cost an estimated $500,000—is scheduled to be placed under contract next summer if proposed plans are approved by the U. S. Bureau of Public Roads.

Mackie said all interested persons who would be affected by the proposed project may request a formal public hearing by writing John W. Knecht, Jr., Director of Public Hearings, Michigan State Highway Department, Lansing.

An offical record of a hearing, including statements for or against the project, wiuld be reviewed by Highway Department and Bureau of Public Roads officials before final details for the project are set.

Applications for a hearing should reach Knecht by Dec. 26.

Cite Problems Facing Industry In Field of Nuclearonics

Jerome D. Lescoe, construction superintendent for Consumers Power Co. at the Big Rock Point Nuclear Power Plant, was the speaker at the first formal meetting of the P.T.A. held Wednesday at the Charlevoix Elementary School Cafeteria.

In speaking on the subject of "Industry's Problems in the Field of Nuclearonics", he concentrated on the subject of trained personnel to man the new plant.

He said that seven years ago no atomic electric power producing industry existed anywhere in the world but today there are six nuclear power plants in this country alone where great strides are being made to more efficiently utilize this important source of power. It is the intent of the Big Rock plant to produce more power per volume of core than any nuclear boiling water to date .

Because of the newness of the field, qualified manpower is at a premium.

He went on to say that in order to operate an atomic power plant, operators have to be licensed by the Atomic Energy Commission which has set up rigid requirements. In addition to having a knowledge of nuclear theory and being experienced operators, they must know and understand the functions and operations of all systems of a plant they are to operate. Because of the amount of training necessary and the time available before the plant goes in operation late next year, only persons with the proper background could be expected to have the proficiency to complete the accelerated technical training. In fact, even by careful selection of personnel, Consumers Power Co. will have to spend $500,000 to further the education of prospective personnel at the Big Rock plant.

Many of the personnel were selected from among company employees while others were engaged elsewhere. Even the latter are receiving further education and training.

This additional training is not being given because nuclear power plants are hard to operate, Mr. Lescoe explained, but because the Atomic Energy Commission and Industry insists that no stone be left unturned in developing exceptionally high standards of safety and operating efficiency.

Thirty-three persons who will serve as operators, technicians and supervisory personnel have been elected for specialized training at this time. However, this figure does not represent the entire staff which will eventually be engaged in the operation of the plant, he added.

He then 'related information' regarding the top personnel, their educational backgrounds and the places they would receive their specialized training. Among these are the University of Michigan, Jackson Junior College, General Electric Company's Atomic Products Division at San Jose, Calif., the Atomic Energy Commission's Test Station at Idaho Falls and GE's Vallecitos Facility near Pleasanton, Calif. Besides this, they will have operated six different reactors throughout the country including the largest, Dresden and Yankee.

He also outlined some of the problems to be faced at the local plant and illustrated them with incidents which occurred elsewhere.

In conclusion he touched briefly on the Rearch and Development program to be undertaken at the Big Rock Point plant during the first 4½ years it is in operation, the purpose of which is to investigate ways of reducing nuclear fuel costs by reducing fuel fabrication costs, extending useful fuel-life and increasing core power density. During this time there will be permanent and transitory personnel at Big Rock from GE and the Atomic Energy Commission which are joining with Consumers in conducting the program and many scientific, industrial and foreign groups who will visit this area to observe and become knowledgeable of events which will mean progress in the use of the peaceful atom.

During a question and answer period which followed, Mr. Lescoe answered many questions relating to the construction and operation of the plant.

Mrs. J. L. Feindt presided at the business meeting of the P.T.A. C. A. Odmark led the singing of Christmas carols. Copies of the secretary's and treasurer's report were distributed at the meeting which was well attended. Mrs. Robert Gill introduced the third grade parents who greeted those attending and served refreshments following the meeting. The Rev. L .L. Lewis gave the invocation.

RECORD OF THE COUNCIL

December 4, 1961

The Common Council of the City of Charlevoix met on the above date with Mayor Hawley presiding. Aldermen present; Hansen, Neff, Staley, Donaldson, Foehtman and Grubaugh.

The minutes of the November 20, 1961 meeting were approved as presented to the Council in writing.

Correspondance from the Charlevoix Public Schools regarding the Library was read and referred to the Library Committee.

It was unanimously ageed by the Council to install a Radio Beacon Homing Transmitter at the City Airport at an approximate cost of $2,000.00. One half of the cost to be borne by interested parties who use the airport.

Aldreman Donaldson offered the following resolution and moved its adoption supported by Alderman Hansen.

RESOLUTION

BE IT RESOLVED, by the Common Council of the City of Charlevoix that the tentative offer of $750,00.00 which the Consumers Power Company has made for the Electrical system of the City of Charlevoix be rejected. All reports available to the Electric Committee indicate that the system is worth much more than offered;

FURTHER, that the City of Charlevoix continue to operate it's electric system and that the purchase of wholesale power be effected as soon as possible with either the Consumers Power Company or the R.E.A. Electric Co-Operative.

Resolution adopted by the following Yea and Nay vote. YEAS: Aldermen Hansen, Neff, Donaldson and Grubaugh. NAYS: Alderman Staley and Fochtman. ABSENT: None.

The Finance Committee having examined bills totaling $23,335.88 find them correct and recommend they be allowed. Moved by Alderman Hansen and supported by Alderman Staley that the bills be allowed and orders drawn for their amounts.

Motion adopted by the following Yea and Nay vote. YEAS: Aldermen Hansen, Neff, Staley, Donaldson, Foehtman and Grubaugh. NAYS: None. ABSENT: None.

On motion the Council adjourned.

Rayders Celebrate Opening of Gym

Edge Mancelona 39 to 29 In Strong Defensive Game

The Charlevoix Rayders celebrated the opening of the new Charlevoix high school gymnasium Friday night by edging the Mancelona Ironmen in a strong defense game.

The local cagemen won over the visitors by a score of 39 to 29 to rack up their first win of the current season. This week the Rayders will travel to take on the Blue Deviss, and will host Harbor Springs Tuesday.

In Friday's game, Charlevoix forged into a 15 to 7 first quarter lead only to be outscored 10 to 2 in the second period as the Ironmen knotted the score 17-all at halftime.

The Rayders got back into the game as the second half got underway, outscoring Mancelona 9 to 4 for a 28 to 21 third quarter advantage.

Starting for the Rayders were John Pearl, who collected his personal foul before the half was over, Frank Curtis, Dan Pearl who started at center in place of George Majors who was benched with a chipped bone in his ankle, Stan Martin and Henry Wagner.

Barry Pierce, Dave Rader and Tony Duecr joined the action in the second quarter.

Mancelona's Larry McCarty scored first with 1:30 gone in the game before John Pearl hit on a long one 15 seconds later. He quickly added two more from the outside before Martin added one from the free throw line. Before the period ended Wagner hit on two from the outside, John Pearl scored his fourth of the quarter and Curtis added one.

The Rayders' scoring was confined to one field goal by Dan Pearl early in the second period as the Ironmen poured in 10 points includng four fiald goals to tie the score 17-all at halftime with Kenny Johnson scoring the tying basket as the half ended.

The Rayders defense tightened as the game went into the second half with Mancelona scoring only two baskets, the first of which was scored by Pat Dutcher to put the Ironmen ahead briefly as the score stood at 19 to 17.

Curtis scored a free throw followed by Dan Pearl who put the Rayders ahead with a field goal. From then on the local five controlled the game with Curtis, John Pearl and Wagner each adding a two-pointer to give Charlevoix a 26 to 21 advantage going into the final period.

John Pearl hit for two buckets and each of the starting five added one each and Rader added a free throw in the final period for the victory. Meanwhile, Mancelona scored four field goals to bring their total for the game to 13. They also had three free throws on 14 tries.

John Pearl paced the game with 14 points on seven of the Rayders' 18 field goals.

Dick Dickinson with nine points was top scorer for the visitors.

Charlevoix J V's Dump Mancy Reserves 48 to 41

With all 15 players seeing action, the Charlevoix J-V's dumped the Mancelona Reserves 48 to 41 in a game which saw the local quintet trailing 25 to 23 at halftime.

Starting for the local outfit were Gary Stutzman, Bruce Kroken, Pete Ance, Rick Miller and Brendon LaBlance. Jim Uhrick, Warren Belding, Jon Damon, Dave Smith, Don Smith and Jerry Uhrick joined the lineup in the first period with Larry Edwards, Doug Winnell, Dave Novotny and Tom Maxwell seeing action later in the game.

Charlevoix edged into a 12 to 11 first period advantage after Jim Uhrick had scored four points, Ance three, Kroken and Miller a field goal each and Dave Smith a single. Mancelona had five buckets and one gift shot for 11 points.

In the second period the young Ironmen found the range and hit for five field goals and fonr charity shots for 14 points as they outscored the Rayders to take a two-point 25 to 23 halftime lead. The locals had 11 points on two field goals by Miller, a field goal and single by Stutzman and two points by Belding and Dave Smith.

As the game went into the second half, Charlevoix got back in stride and hit for nine points including four each by Stutzman and Miller and one by Jim Uhrick Mancelona had two field goals and two free throws.

With only a one-point lead going into the final period, the young Rayders settled down to score eight field goals while the visitors had to be satisfied with four field goals and two free throws. Miller hit for three field goals, Stutzman and Jim Uhrick, two each and LaBlance one for 18 points.

Jim Uhrick paced the scoring with 13 points followed by Miller with 12 and Stutzman with 11. Ance and Dave Smith had three each and Kroken, LaBlance and Belding two points each.

Jack Jabara had 12 for the visitors.

Boyne City and Grayling Share First Place in League

Boyne City and Grayling remained alone in first place in the Northern Michigan Class C league following only two weeks of play after trimming East Jor- Friday night. The Ramblers dumped the Jordanites 57 to 32 and the Rams rolled over the Hornets 45 to 38.

In other games, Harbor Springs rolled over Gaylord 87 to 49 and Charlevoix edged Mancelona 39 to 29.

Boyne City 57, East Jordan 32

The Boyne City Ramblers continued to successfully defend their title last week when they celebrated the opening of their new gymnasium by trimming East Jordan by a lop-sided score.

The Boynites took an early lead to go ahead 16 to 7 at the quarter; 33 to 17 at halftime and 45 to 25 going into the final period.

squad hit double figures including Doug Grubbe who had 18, Larry Gunderson with 18 Bob Snyder with 10. Bill Cox had 13 for East Jordan.

Grayling 45, Pellston 38

Pellston was dumped from the ranks of the undefeated by the Grayling Vikings who, paced by Tim Neil with 20 points, led the Hornets all the way, 9 to 5 at the quarter, 18 to 13 at halftime and 28 to 23 at the three-quarter mark. Merle Cameron and Stan Bodzik shared scoring honors for the Hornets with 10 points each.

The veteran Harborites came into their own against Gaylord Friday night as they jumped into a 22 to 8 quarter lead, increased it to 37 to 18 at halftime and 54 to 28 going into the final period. Four of the starters hit double figures for the visitors Paul Ranney accounting for 20, Frank Laur 13 and Gary Stutsman and Don VanAvery with 12 each.

Art Tebo collected 15 for the Blue Devils.

This Week With Class "C"

Northern Michigan Class C teams will face busy schedules this week as each plays two games before the holiday recess.

On Friday, the Charlevoix Rayders will travel to Gaylord and on the following Tuesday will host the tough Harbor Springs Rams.

The Rayders next appearance will be at Petoskey on Friday, Dec. 29.

In other games Friday the league-leading Boyne City Ramblers and the Grayling Vikings will clash on the Ramblers hardwoods; East Jordan will entertain Pellston and Mancelona will invade Harbor Springs.

On Tuesday Boyne City will travel to Pellston, Gaylord will invade Mancelona and Grayling will host East Jordan.

The Charlevoix Rayders, who will be playing without the services of George Majors who will be benched by a chipped ankle bone until after Christmas, will have their work cut out for them during the next week.

On Friday they will take on the Blue Devils who clipped East Jordan the first time out but who bowed to Harbor Springs last week. The Rayders, on the other hand, dropped their opener to Pellston while winning over Mancelona on the home floor Friday.

The Rayders played a good defensive game Friday night but had trouble finding the bucket. If they can all hit at the same time they should do a good job at Gaylord. The Blue Devils, however, will be out to avenge their loss to the Rams so can be expected to be up for this meeting.

This game will be a toss-up with a great deal depending on the Rayders offensive attack.

On Tuesday Charlevoix will host the big Harbor Springs outfit that promises to be a tough opponent. On paper, the Rams have everything . . . height, versatillty and seoring punch, despite their earlier loss to Boyne City. In addition, they have bench strength so sorely lacking in most quarters.

The Rayders will be the underdogs as they go against this quintet but this may be the thing that will give them the incentive to win.

The Boyne City-Grayling will pit the only undefeated teams in the loop against each other. This will be an interesting game but the odds will be against the Vikings for the Ramblers seem to have come up with a combination that should go places.

If the Pellston Hornets play the type of ball they displayed against Charlevoix they should come up with a win over the East Jordan Red Devils despite the fact that the game is being played on the latter's floor. The Hornets with a fairly well balanced squad should win this one.

NOTICE

NOTICE IS HEREBY GIVEN, of the abandonment and discontinuance of part of the "Dump Road" pursuant to the following Resolution duly adopted by the Board of County Road Commissioners of Charlevoix County, Michigan, at it's meeting held on November 13, 1961, Viz:

RESOLUTION

Commissioner Erber offered the following Resolution and moved its adoption, seconded by Commissioner Rogers:

WHEREAS, the Crescent Stone Company and over seven (7) other free holders of the Township of Charlevoix have petitioned the Board of County Road Commissioners of Charlevoix County, Michigan to absolutely discontinue and abandon that portion of the County Road Highway known as the "Dump Road" that passes through the land of the Crescent Stone Company and is abutted upon either side only by land of the Crescent Stone Company and the City of Charlevoix's Dump which part is hereinafter more particularly described, for the purpose of relocating the said part of said road to allow the develoment and use of the Crescent Stone Company's land and also to aid in the program of expanding the City of Charlevoix's Airport; and

WHEREAS, this Board has set it's meeting this date, November 13, 1961, at 10:00 A.M., at the County Road Building on Highway M-75, East of Boyne City, Michigan, for a public hearing upon said Petition and due notice of said hearing having been given by publication in the Charlevoix Courier, a newspaper published and circulated in the City of Charlevoix, Charlevoix County Michigan, by posting in three (3) places in Charlevoix Township, and by mail to all of the owners and occupants of land abutting upon that part of the road sought to be abandoned and discontinued, as appears from the Proof of publication, Proof of Posting, and Proof of Service filed with the Board; and

WHEREAS, after full hearing thereon and this Board being fully advised in the premises the Board has determined that it is advisable to absolutely abandon and discontinue that said part of said road for the purpose set forth in said Petition;

THEREFORE BE IT RESOLVED, by the Board of County Road Commissioners of Charlevoix County, Michigan, that the following part of a County Road Known as the "Dump Road" be abandoned and discontinued as of November 13, 1961, as a part of the County Road system, and that said Board determines it to be to the best interest of the public that said highway so abandoned and discontinued should be, and the same is hereby, absolutely abandoned and discontinued; said part of said County Road so abandoned and discontinued being in the Township of Charlevoix, Charlevoix County, Michigan, described as follows:

"In the Township of Charlevoix, Charlevoix County, Michigan, the South 33 feet of the Southwest (SW ¼) Quarter of Section 27, except the East 14.1 chains thereof; the South 33 feet of Section 28; the North 33 feet of the Northwest (NW ¼) Quarter of Section 34, except the East 14.1 chains thereof; and the North 33 feet of Section 33; all in Township 34 North, Range 8 West."

BE IT FURTHER RESOLVED, that a Notice of this determination be given by the Clerk of the Commission to the proper Highway authorities and published and circulated in said County, once each week for three (3) consecutive weeks.

Resolution adopted by the following yea and nay vote:
Yeas: Erber, Fineout and Rogers.
Nays: None. Absent: None.
Dated: November 13, 1961.

Ralph S. Hamilton, Clerk of the Board of County Road Commissioners of Charlevoix County, Michigan.

This Week With Class C

Unless they can show more than they did against the Rayders last week, the Mancelona Ironmen will be no match for the Harbor Springs Rams, who, as mentioned above, have the makings for a well-rounded high-scoring team.

The Boyne City-Pellston game should be an interesting one for it will find the Ramblers hampered by a small floor where the Hornets can hit from anywhere. Now that the Pellston floor is the only small one remaining in the loop, all teams under the same handicap. Despite will find themselves playing this handicap, however, the Ramblers should come up with a win.

The Gaylord-Mancelona meeting will mark the renewal of a grudge series. These teams are always 'up' for each other regardless of where they are in league standings. Gaylord, with some high scorers in Art Tebo and Gabby Nowak, should be favored in this meeting, especially if the Blue Devils can hit from outside. But when these teams meet anything can happen and this year it probably will.

Grayling will take on the East Jordan Red Devils Tuesday on the Vikings' floor. The game will probably mean an early Christmas gift for the Vikings who, so far, have shown plenty of punch.

Elementary School to Present Christmas Assembly Wednesday

A Christmas Assembly in which the Charlevoix elementary students will appear in songs and dances typical of the holiday season will be presented in the elementary school auditorium at 9:30 a.m. Wednesday, Glenn B. Snider, elementary school principal, has announced.

During the program presented for the entertainment of the students, the Rev. Harold E. Kohn will deliver a brief Christmas message.

The traditional "We Wish You a Merry Christmas", "Up on the Housetop" and "Bells" sung by the Kindergarten and the first, second and third grade students will open the program.

The familiar English carol, "Deck the Hall" by the fourth, fifth and sixth grades will be followed by a puppet show by the second grade under the direction of Mrs. Beth Smith.

Holiday dances by the fifth grade directed by Mrs. Caroline Klooster and sixth grade directed by Mrs. Geraldine Goss will add to the holiday spirit of the occasion.

The more solemn phase of Christmas will be found in the songs "Go Tell It to the Mountain", "Shepherds" and "March of the Three Kings" presented by the fourth, fifth and sixth grades.

The entire elementary student body numbering more than 550 will conclude the program with the singing of the traditional carol "Silent Night".

Mrs Frieda Novotny will direct the singing with Mrs. Leonard Burns playing the accompaniment.

Mrs. Blanche Paul and Mrs. Goss of the program committee have arranged the program.

In keeping with the holiday season, show cases in the elementary chool corridor have been decorated in a Christmas motif. The first floor cases have been decorated by Miss Milner's second grade and Mrs. Novotny's third grade and the second floor cases by Mrs. Klooster's fifth grade.

Last week was a big one for the elementary school students who received their pictures taken several weeks earlier. The youngsters proudly delivered the pictures to their parents in time for use as holiday gifts for members of the family.

The annual T.B. seal campaign has been brought to a successful conclusion with everyone receiving their stamps in time for use on Christmas cards.

The students and faculty would like to take this opportunity to wish everyone a Merry Christmas and a Happy New Year.

Charlevoix Named To Host 1962 Class C B B Tournament

The new Charlevoix high school gymnasium was named the site of the 1962 Class C district basketball tournaments March 6-10 according to a release issued last week by the Michigan State High School Athletic Association.

This marks the first time in 16 years that Charlevoix has had a tournament. The last time was in March 1946 when the Class D district meet was held here.

Participating in the local tourney in March will be Pellston, Harbor Springs, East Jordan, Boyne City and Charlevoix.

The winner of the Charlevoix tournament will advance to the Class C regional tournament to be held in Petoskey the following week. Other participants in the Regional Tournament will be the winners of district Class C meets at Gaylord, Traverse City and Frankfort.

Petoskey was awarded the Class D and B district tournaments for March 6. Class D teams participating in this tournament will include Ellsworth, Alanson, Boyne Falls, Central Lake, Inland Lakes (Indian River), Mackinaw City and Petoskey St. Francis.

Coming to Petoskey for the Class B tournament will be Al-City, Cheboygan and Petoskey. The Class B tournament has been alternated among these schools in recent years.

Other communities to be assigned district tournaments are: Gaylord, Class C and D; Traverse City, C and two D's; Atlanta, a D; Cadillac and Manistee, D meets and Ludington, B and D.

Lenore Goldman Meyer Fund Board Holds Annual Meet

The annual meeting of the Lenore Goldman Meyer fund board of directors was held recently at the home of Mr. and Mrs. Arthur Ranger.

Mrs. Ranger, chairman of the local operating committee, presided at the meeting at which the treasurer, Robert Bridge reported that 15 families representing between 30 and 40 individuals were given assistance during the past year in the amount of **$884.00.** Included in the funds spent were those for food, clothing, fuel and rent for the families given assistance and milk for children who attend the Charlevoix public, St. Mary's parochial and Charlevoix Retarded children who might not otherwise receive the nourishing food. The milk fund is currently being continued in the local schools.

Mr. and Mrs. Robert Neff were named to serve on the operating committee to succeed Mr. and Mrs. James Hiller who have served for the past three years.

Other members are Mr. and Mrs. Ranger, Mr. and Mrs. Bridge and Mr. and Mrs. W. F. Meyer, members of the standing committee, Mr. and Mrs. Gordon L. Freedman and Miss Frances Milner.

The fund, now in its twenty-first year, was established in 1940, a year after the untimely death of Mrs. Meyer, daughter of Mrs. Alvin D. Goldman and the late Mr. Goldman. Because Mrs. Meyer loved northern Michigan where she had spent her summers since childhood, the fund was established by her immediate family to perpetuate her memory by aiding others. Financed by contributions from the family and by others, it is used to render emergency assistance to residents of the Charlevoix area who are not receiving assistance from any other source.

Santa to Greet Children Sat.

A message from Santa's headquarters at the North Pole brings the news that he will visit Charlevoix on Saturday Dec. 23.

He is scheduled to arrive at the airport at approximately 1:45 p.m. There he will be met by the Charlevoix fire department truck and escorted to East Park where he will distribute boxes of candy and nuts to all children of the community.

He will be assisted in the distribution of the boxes by volunteer firemen who are joining with the city of Charlevoix in arranging this visit.

In the event of stormy weather, Santa will greet the children at the city hall.

On Thursday, Dec. 21, the volunteer fire department under the direction of Fire Chief John Curtis will assist by packaging candy and peanuts at the city hall.

Eveline to Vote Jan. 30 on Bond Issue for School

The voters of the Eveline School district No. 4 will go to the polls Jan. 30 to vote on a $35,000 bond issue to be used to construct a new school.

The ballot will propose that the voters of the school district, more familliarly known as the Ironton school district, approve a seven mill tax levy on the school district valuation of $1,062,749 for a period of 11 years in order to meet the obligation of the bond issue.

This is a correction of the amount of the millage, the duration of the bond issue and the school district's valuation used in a news story regarding the bond issue which appeared in the Courier last week.

At that time is was stated that the tax levy would be for 5.3 mills instead of seven mills. The 5.3 mills will be the minimum millage levied on the present valuations to meet the obligations of the bond or not less than $5,600 annually until all bonds are retired.

The proposed bond issue is based on the school district's 1961 valuation figure of $1,062,749 or the valuation of the school district prior to the transfer of certain parcels of land to the East Jordan and Charlevoix school districts. The $976,853 figure is the estimated valuation of the Eveline school district since the transfer of the properties to the adjacent school districts.

The proposed new school will replace the present school which had been in use from about 1883 until last spring when it was closed by the State Fire Marshal's office. The kindergarten through the sixth grade students who attended the school at the time, finished the school year in a classroom provided by the East Jordan schools. They are currently enrolled in the Charlevoix and East Jordan schools.

To File Nominating Petitions by Dec. 30

Deadline for filing nominating petitions for the forthcoming Primary election scheduled for mid-February has been set for Saturday, Dec. 30.

Candidates for the offices of mayor, city clerk and city treasurer as well as aldermen and supervisors in the city's three wards must file nominating petitions by the above date.

Aldermen whose terms expire this year are William Fochtman of the first ward who was appointed to the office last April to fill an unexpired term; Kenneth Staley of the second and Jack Grubaugh of the third ward.

Supervisors whose terms expire are Ivan Phillips, John Uhrick and Harry Gebeau of the first, second and third wards, respectively.

Mayor E. D. Hawley whose term expires has already filed his nominating petition, Deputy City Clerk said Wednesday.

Home Decorations To Be Judged Thur.

Judges in the Christmas home decorations contest sponsored by the City's electrical department will tour the community Thursday evening to judge the best decorated homes in the city's three wards and in the outlying area, City Supt. James Taylor has announced.

Judges will be Mrs. E. D. Hawley, Mrs. Ralph S. Hamilton and William Carey

The city is offering prizes of $15, $10 and $5.00 in each of the city's wards and $10 for a home outside the city limits using city utilities.

Faculty Members Make Plans for Holiday Season

The Charlevoix public and St. Mary's parochial schools closed Wednesday for the Christmas recess.

Classes will be resumed at the usual hour on Jan. 2, 1961.

During the holiday recess many members of the faculty will leave town and others will entertain.

Council Votes to Buy Bulk Power From Consumers Power Co.

The Charlevoix City Council, at its regular meeting Monday night, approved a contract with Consumers Power Co. for the purchase of bulk power for a five year period with an option to renew the contract on a year to year basis at the end of that time.

The city approved the resolution to enter into the contract with Consumers for the purchase of bulk power by a vote of four to one with one abstaining after turning down Consumers Power Company's offer of $750,000 for the existing power generating facilities two weeks ago. The vote was four to two to reject the power company's purchase offer.

Voting to purchase bulk power for the five-year period were: Jack Grubaugh, Edward P. Hansen, Richard Donaldson and Robert Neff; voting against the resolution was William Fochtman with Kenneth Staley abstaining with permission of his fellow aldermen.

Monday's action was the result of a survey made earlier this year by Bernard Cummins, engineering consultants, who advised that the city get out of the generating business.

After the council approved the Consumers Power Co. contract, the company then asked and was granted permission to run lines through the city over a 30 year period.

Consumers will construct its own sub-station on property provided by the city and to which the city will retain the deed. The city will retain possession of the existing distribution system. Work on the construction of the sub-station will begin as soon as possible. There was no date placed in the contract regarding the time for completion.

The rates under the new contract with Consumers follow:

Capacity charge: $2.05 per month per kilovolt ampere for the first 2,200 kilovolt amperes of billing demand; then $1.85 per month per kilovolt amperes for all over 2,200 kilovolts amperes of billing demand.

Enorgy charge: seven mills per killowatt hour for all kilowatts used per month.

There was nothing included in the regarding the present generating facilities owned and operated by the city.

Edward J. Hustoles of Vilican-Leman and Associates, planning consultants of Detroit, was present to explain the master planning schedule for an entire community with emphasis on urban renewal

Mrs. Gordon L. Freedman and Mrs. Harold Geiken of the library committee were present to ask what had been done to keep the public library open and urged that it be kept open until financial assistance could be arranged.

The application for renewal of a taxi license entered by Oscar Ward was approved.

Bills totaling $41,438.17 were approved and ordered paid. The total included the school's share of current taxes in the amount of $19,443.73; fuel oil payment, $3,118.50; accounts receivable purchased, $3,501.70; payment to the Traverse City Iron Works for materials to pipe water around the Freedman Artcraft plant, $4,176.72; payroll, $6,165.84.

Voice of our readers

To the Editor
Charlevoix Courier

Only time will tell whether or not the majority vote of the Charlevoix City Council not to sell the electric utility to Consumers Power has been a wise decision. There have been some pretty convincing letters in your column saying why we should have sold the utility. Where are the convincing arguments of those who say we are right in not selling the utility?

Time, however, will tell us whether the decision has been wise only if a proper accounting and report of the activities of the Electric Utility is made to the taxpayers of the city. If the utility can be operated at a profit, then this profit should go into the general fund and be reflected in the taxes we pay for the operation of the city.

The wisdom of the past practice of building up a reserve of some 250,000 give or take a few thousand, at rates which were the highest in the whole state can well be questioned. When any council, whether ours or not, can set the rates without restrictions and can use the money so gained without restriction, it is a pure case of taxation without representation.

The value of an auditor's report can not be questioned, but I for one, can never make head nor tail of the things I want to ing year, we should have a public report in an understandable form of the gross revenue from the several classifications; what has been spent for operation, maintenance, and construction; what net profits were made and what has been done with this net profit. And a report on the condition of our lines, projected improvements, line loss, etcetera.

The $750,000 offered by Consumers Power invested in say 4½% tax free public bonds would bring in a revenue of $33,750, granting there are some apparent recurring temptations in any city holding such a reserve.

It would follow, then, that the Charlevoix Electric Utility, in order to justify our ownership would have to return to the General Fund the amount of some $30 to $35,000 in net profits. And this profit would have to be predicated on competitive rates, on the building and maintenance of our distribution lines so that our electric razors will have speed, so our toasters will toast, and of first importance the supplying of proper voltage and frequency to our present industries and to those industries we need to locate here.

Construction Plans Underway at NCC

The allocation of $45,681 to North Central College in Petoskey in state matching funds for the 1961-62 fiscal year has been the signal for throwing plans for the first phase of construction for the development of new campus into high gear, according to Dean A. D. Shankland.

Architects on the project, J & G. Daverman Co. of Petoskey and Grand Rapids, have been instructed to procced at once with detailed plans for the first building.

These funds together with taxes due now will allow the board of trustees to budget from $90,000 to $95,000 during the remainder of the fiscal year which ends June 30. The two first-phase buildings, a temporary library, a chemistry building and a heating plant, will be completed with funds received during the next two years and will be ready for occupancy Sept. 1963.

Though the funds received are in the amount anticipated, Dean Shankland said the board was hopeful that they may obtain additional state matching funds before the end of the fiscal year.

Mrs. Hendrickson Named President of Past Noble Grand

Mrs. Rasmus Hendrickson was elected president of the Past Noble Grand Club at the annual election of officers and Christmas party held Thursday at the home of Mrs. Grace Geneit.

She will succeed Mrs. William Ager.

Other new officers are: vice president, Mrs. Jerold Murdick; secretary, Mrs. Birdie Gleason and treasurer, Mrs. Geneit.

The new officers will be installed at a meeting to be held at the home of Mrs. Glenn Rose Jan. 11.

At the Christmas party and cooperative dinner which preceded the business meeting, gifts were exchanged, the names of secret pals revealed and new names drawn for 1962.

Others attending were Mrs. Fred Gill, Mrs. Robert Mitchell, Mrs. Earl Blood, Mrs. George Cook, Mrs. Ager, Mrs. Luther Hannah, Mrs. Rose, Mrs. Floyd Ikens, Miss Frances Durance and a guest, Mrs. Eldred Ostrum.

Mrs. Clark Coulter Hosts Garden Club

In keeping with the holiday season, Mrs. Max Hosmer, program chairman, read appropriate poems from the Ideal magazine and a Christmas passage from the late Dr. Thomas Dooley's book, "The Night They Burned the Mountain", at the recent meeting of the Garden club held at the home of Mrs. Clark Coulter.

At the business meeting, Christmas decorations in the business district were discussed and the secretary instructed to write a letter of Commendation to those responsible for them. The letter was to be addressed to City Supt. James Taylor.

At the social hour which followed gifts were exchanged and refreshments served from a tea table beautifully decorated in a Christmas motif.

The 20 members present brought favors to be placed on patients trays at the Charlevoix hospital Christmas Day. One guests was also present for the meeting.

Three Wise Men

It started with gold and frankincense and myrrh . . . .

Since the time of the three wise men, Christians have celebrated the birth of Jesus Christ by exchanging gifts. But the exotic fragrances have disappeared and the wise men have been almost crowded out of the Nativity scene.

In many European countries, reports World Book Encyclopedia, gifts are believed to come from Saint Nicholas. This kindly bishop lived in Asia Minor in the A.D. 300's and became famous for his generosity. Children receive toys and sweets on December 6, his feast day.

Americans added a bit of fur, a reindeer-driven sleigh and a few extra pounds to the saint to create Santa Claus. His name comes from the mispronunciation of the name which Dutch settlers in New York called the saint.

In Italy it's La Befana, a kind of aging fairy queen, who comes down the chimney, and in France the bearer of gifts is the Christ Child Himself, known as the Petit Noel.

Children in South America, however, still wait for the three wise men. And to compensate them for their long journey from the East, they leave water and hay on the doorstep for the wise men's camels.

Choose Your Own Christmas Star Says U-M Astronomer

ANN ARBOR—Pick out your own Christmas Star for the season.

The Star of Bethlehem has eluded astronomers for ages. Perhaps the thing to do is pick out the symbol in the sky that you like best and make it your own Christmas Star,, suggests Associate Prof. Hazel M. Losh of the University of Michigan Astronomy Department.

"Popular interest in astronomy reaches its peak this month with the symbol of the Christmas Star, but astronomers are continually reminded that any satisfactory explanation or time of the Star, of Bethlehem's appearance is out of the question," Professor Losh explains.

She says the date of Christmas has been believed to bear a real relation to the sun and winter solstice. "It is thought that this Christian celebration was set to agree with the earlier pagan festival, attendant upon the rejoicing in the turning northward of the sun at the winter solstice." When the sun reaches the winter solstice, it comes to the most southerly point in its apparently yearly journey around the earth.

"Although the narrative about the Star is too incomplete and the date of its appearance and early calendar too uncertain to give a basis for astronomical explanation, the bright planets are always promising and alluring.

"It is often suggested that an unusual configuration of the bright planets may have given the appearance of an extraordinarily bright star, and could have easily been the sign," the U—M astronomer says.

However, the planets are not too favorably placed for observation around Christmas time this year, Professor Losh points out. "Venus, which has been visible low in the morning southeastern sky before sunup, will be completly lost to view by the end of the month.

"Jupiter and Saturn, however, still remain in the southwestern sky after sunset and attract some attention," Professor Losh says.

Grant Street Hill Open for Sliding

With the arrival of winter, youngsters in the community are enjoying sliding on the Grant st. hill.

There will be supervision at given times by city employees according to City Supt. James Taylor who this week announced the hours that a watchman would be at the hill.

On school days there will be supervised sliding from 3 to 5 and 6 to 8 p.m.; from 10 a.m. to 12 noon, 1 to 5 and 6 to 8 p.m. on Saturday and 1 to 5 and 6 to 8 p.m. on Sunday.

During the forthcoming holi- the hill when ever it is warranted. days there will be a watchman on City employees will keep an eye on the number of children sliding and when enough children appear, someone will be sent to supervise the project, Mr. Taylor said.

Justice Court News

Justice John Connolly reports the following cases which appeared in his court recently:

Gordon Brian Neff, 20, charged with speeding, was ordered to pay $5.00 fine and $4.30 costs. Summons was issued by the State Police.

William Schleman, 22, charged with cutting a Christmas tree (a blue spruce located on the Loeb property) without permission on a citizen's complaint, was ordered to pay $25 fine and $5.00 costs and restitution in the amount of $25.00.

William Sharrow, 48, charged with being a disorderly person on a citizen's complaint, was ordered to pay $15 fine and $5.00 costs.

County Officers, Employees Hear Chas. A. Robinson

"Special Education" was the theme of the program presented by Charles A. Robinson, Charlevoix county superintendent of schools, before a meeting of Charlevoix county officers and employees held recently in the jury room of the county building.

Mr. Robinson defined special education as a program which provides for broadening the curriculum to include the needs of youth with special problems and handicaps and to assist all children to become the best equipped citizens that their individual limitations will permit. It gives rightful consideration to those who cannot be adequately provided for in the regular school schedule.

Among those who would be aided by this program would be those who have speech defects, the mentally handicapped but who are educable, crippled or have special health problems, blind or partially blind and the deaf or hard of hearing.

Other special education could include special teachers such as reading specialists and visiting teachers.

He went on to outline how the program operates and how it can be financed with many programs re-imbursable up to 75 per cent of the cost of the program to a maximum amount of $5,125. He suggested that from one-half to one mill could be levied for use in this program. This would mean 50 cents on every $1,000 valuation.

Tri-School Study Committee Meets At Central Lake

The Charlevoix-Ellsworth-Central Lake school study committees met recently at Central Lake.

The building and site committee reported on the present conditions of buildings in all three districts. Charlevoix rated higher in all around adequacy than either Central Lake or Ellsworth.

The data presented by the community committee indicated that friendly relations now exist in the communities and that an even more closely knit area might be created through the establishment of a consolidated school.

The finance committee showed the comparative costs of operating the present school systems. The operation of a larger unit is more economical. Each tax dollar now being spent for education would provide a better education for the school children attending a larger school than is now existant within the present school districts.

The transporation committee produced a logical plan that would be adequate, efficent and economical within the tri-district area.

The curriculum committee surveyed the present school program. They discovered that a small high school enrollment limits the number of courses that can be offered to each student regardless of other conditions. They are preparing a potential curriculum, that better meets the needs of all students preparing for education beyond high school and for those whom a twelfth grade education will be terminal.

The next study committee meeting will be held at Ellsworth on Tuesday, January 2. At this time a final draft of the committee reports will be edited and approved for presentation to the respective boards of education.

U. S. Aliens Reports Due January, 1962

Aliens in the United States on Jan. 1 are again reminded that they must report their whereabouts to the Commissioner, Immigration and Naturalization Service.

The alien has the entire month of January in which to report his address. He can do this by going to any U.S. post office or Immigration and Naturalization Office and asking for an Alien Address Report card. He can then fill out the card, answering all questions and return it to the clerk in the post office or Immigration office.

Any alien who is temporarily absent from the United States during the reporting period shall report his address within 10 days after his return to the country.

Any alien who wilfully or inexcusably fails to report as required is liable to be taken into custody and deported. In addition, improisonment or fines may be levied before deportation.

Alien Address Report cards may be obtained at the Charlevoix postoffice.

Beaver Island

By MARION MARTIN

Archie Minor returned home a few days ago after spending the summer sailing. Mrs. Minor went to meet him.

The Holy Cross Altar Society met Tuesday evening December 5 at Holy Cross Rectory. Seven ladies were present. Refreshments were served.

Word received here from Matt Melville indicates he is enjoying Ireland very much. He flew from Ney York by jet in six hours. His present address ic Byways, Green Park, Limerick, Ireland.

Mr. and Mrs. Frank Williams and family left Friday December 8 for Clifford where they will make their home in the future. Her mother, Mrs. Mary D. Gallagher, accompanied them for the winter.

Bud Knight, fish culturist, from Oden Hatcheries at Oden along with Vernon Fitz Patrick our conservation officer planted 2000 (450-lbs.) brook trout at Foz Lake on December 6. The fish survived their trip very well in a tank aboard the "Emerald Isle". The trout released are about two years old. The season opens the last Saturday in April.

In July 1961 Charlie Martin of this city purchased from the U.S. Government the former Lifeboat Saving Station built in 1878. During the week of November 27th he moved this building to his own beach property. The building is well constructed and the move caused no damage.

The Holy Cross Altar Society held their Christmas Bazaar at the Parish Hall Sunday afternoon December 10th. Santa made his appearance to the delight of all the youngsters. The affair was very successful.

Ann Gatliff left to make a visit to Detroit.

Mr. and Mrs. Douglas Burke of Milford announce the birth of a son Christopher Joseph November 10.

Mr. and Mrs. Nate Zimmerman of South Haven announce the birth of a son Tyronne William November 19. She is the former Ilene Martin.

Tankers Make Last Visit for Season

The last tanker of the current navigation season visited the Cities Service Marine Terminal on Lake Charlevoix recently, T. R. Weidman said this week.

Until this week he has expected one more tanker to discharge fuel products here, he said.

However, earlier the Polaris had discharged a full load of various fuel products including 1½ million gallons of fuel oils and gasolines on Nov. 28 and the tanker, Chicago Socony, had brought a half load of 750,000 gallons of both products to the local terminal Dec. 9 thus assuring the residents of northern Michigan a supply for the winter months. The other half of the load was taken to Traverse City, Mr. Weidman said.

Farm Bureau Group Holds Annual Christmas Party

The County Line Farm Bureau held its annual Christmas party and cooperative turkey dinner Tuesday evening, December 12 at the William Parsons home.

Sixteen members were present to enjoy games, singing Christmas carols and and exchange of gifts from a lighted Christmas tree.

Earlier the women of the group sewed bibs far patients at Grandvue Medical Facility near East Jordan.

Charlevoix Defeats Gaylord 61 to 56

Rayders Win Second Conference Game

The Charlevoix Rayders racked up their second win of the current season Friday night by defeating Gaylord 81 to 56 on the Blue Devils floor.

Charlevoix romped into a 18 to 8 first quarter lead, saw it trimmed to 31 to 26 at halftime before forging ahead 52 to 37 going into the final period.

Starting for the Rayders were John Pearl and Frank Curtis in the forward positions, Dan Pearl at center and Stan Martin and Henry Wagner in the back court. George Majors, who missed the Mancelona game after chipping a bone in his ankle, joined the lineup in the second period and Tony Duerr saw action in the final period.

Friday night was Curtis' night to hit and he got underway with the job in the first quarter to score four field goals and a free throw with Wagner scoring five and John Pearl two points. Gaylord's scattered scoring was limited to four field goals by as many players.

In the second quarter Majors scored five points, Dan Pearl and Martin two field goals each and Wagner one. Gaylord, on the other hand, came to life to outscore the Rayders 18 to 15 on eight field goals and two charity shots to trim Charlevoix's lead to 31 to 26.

Charlevoix got back in the game as the second half got underway, with Dan Pearl connecting for four field goals, Martin for the same number of points on two fields goals and four free throws, Curtis and Majors two points each and John Pearl one for 21 points. Gaylord's scoring was limited to three field goals and five gift shots.

In the final period, the Rayders seemed to rest on their earlier offensive success, scoring only nine points to 19 for the Blue Devils. Rayder scoring included a field goal and four free throws by Martin before he left the game with five personal fouls with 4½ minutes remaining; a field goal by John Pearl and single shots by Curtis who went to the bench with two minutes remaining and Wagner. Gaylord's points included 11 free throws and four field goals.

Martin paced the game with 17 points followed by Curtis and Dan Pearl with 12 each. Jerry Fitzek had 15, Gabby Nowak 14 and Art Tebo 13 for Gaylord.

Pandemonium reigned under the basket during the Charlevoix-Gaylord gama Friday night which the Rayders won by a 61 to 56 margin.

However, Dan Pearl (far left) and two other Rayders obscured by Gaylord players await tha outcome of the former's scoring attempt.

The Rayders were scheduled to take on Harbor Springs here Tuesday before discontinuing action until their traditional holiday battle with arch rivals, Petoskey, Dec. 29.

Boyne City Holds Top Spot In NMCC League

Boyne City remained alone in first place in league standings Friday following their lop-sided win. 54-34, over Grayling.

Elsewhere Pellston dumped East Jordan 61 to 52; Harbor Springs won over Mancelona 55 to 44 and Charlevoix edged Gaylord 61 to 58.

Boyna City 54, Grayling 34

The visiting Grayling Vikings managed to stay ahead of the Boyne City five by a score of 6 to 6 but a bad second quarted in which they were outscored 17 to 6 put the Ramblers thead 23 to 16 at halftime. Boyne City then coasted to a 35 to 24 advantage at the three quarter mark before taking the game by a 20 point margin. Larry Gunderson paced the scoring for the Ramblers with 19 points followed by Doug Grubbe with 14. Tim Neal had 13 and Tom Wright 10 for Grayling.

Pellston 61, East Jordan 52

East Jordan rolled to an 16 to 13 quarter lead over Pellston only to see the Hornets knot the score 26-all at halftime before taking over 53 to 36 as the game went into the final period. Stan Bodzik with 24 points led the Hornets' scoring attack followed by Merle Cameron with 13 points. Bill Cox had 16, Bud Gee and Dick Raymond 10 for East Jordan.

Harbor Springs 55, Mancelona 44

Playing on their home floor, the Harbor Springs Rams took a 13 to 10 quarter lead over Mancelona, increased it to 32 to 16 and 39 to 30 by quarters before taking the game by 11 points. Gary Stutsman with 14 points paced the game for the Rams. Dick Dickinson had 15 for the Ironmen.

Charlevoix J V's Lose by One To Gaylord Five

Charlevoix's J-V squad dropped its first game of the season Friday night when they lost to the Gaylord Reserves 49 to 48.

A "wrong-way" bucket by a Charlevoixx freshman, Jim Uhrick, spelled the difference between victory and defeat for the young squad which trailed all the way, 12 to 10 at the quarter; 24 to 18 at halftime and 39 to 32 going into the final period.

Starting for Charlevoix were Gary Stutzman, Jim Uhrick, Pete Ance, Rick Miller and Jack Uhrick. Others who saw action were Larry Edwards, Bruce Kroken, Brendon LaBlance, Warren Beiding and Dave Smith.

Both teams had 20 field goals. The Rayders had eight out of 24 free throw attempts and 18 personal fouls. Gaylord had nine out of 28 attempts and 21 personal fouls.

Stutzman, Jim Uhrick and Ance shared scoring honors with 10 points each. Jim Sneil had 24 for Gaylord.

HAPPY NEW YEAR

Courier Photo

Photo by J. P. Lengfelder

Santa was a popular visitor in Charlevoix prior to the arrival of Christmas. He was literally crowded out of the picture (top) last Saturday afternoon when he arrived in the business section aboard the city fire truck. Children as well as accompanying parents were on hand to get the boxes of candy furnished by the Municipal Electric Utility and packaged by members of the city fire department.

The previous Saturday found Santa at Al's Amusement park where he gave out more than 300 bags of candy and peanuts furnished by Edwards' IGA and the Charlevoix Courier. A feature of this visit was a free sleigh ride in an old fashioned bob-sleigh drawn by Shetland ponies (bottom picture). The ponies, however, couldn't keep up with the rides so they were continued on into Sunday by Al Pease, manager of the park. Mr. Pease is catering to booked sleigh rides throughout the winter months.

To Hold Watchnight Services at First Babtist Church

Watch night services will be held at the First Baptist church beginning at 9 a.m. New Year's Eve the Rev. L. L. Lewis, pastor of the church, has announced.

There will be a period of fellowship and group singing followed by a short message by the pastor and dedication concluding with a communion service.

An invitation to participate in the service has been issued to the residents of and visitors to the community.

Cribbage Tourney To Start Jan. 4

The first round of the annual winter cribbage tournament between the Oddfellows and Masons will be held Thursday at 8 p.m. January 4th in the I. O. O. F. hall over Williams Cigar store.

Thursday night will mark the beginning of the fourteenth year of the cribbage tournament sponsored by the local faternal organizations.

Mt. McSauba Opens For Ski Season

The Mt. McSauba ski slopes are now in operation for the season with skiing scheduled every day during the holidays, according to Chuck Meir, who is managing the winter sports area for the Charlevoix-Mt. McSauba Recreation Corp.

The schedule for the park follows: Saturday: 1 to 5 p.m. and 7:30 to 10 p.m.; Sunday: 1 to 5 p. m.; Tuesday and Thursday, 7:30 to 10 p. m.; Wednesday: 1 to 5 p.m.

If the number of skiers require that the park be open Friday it will be kept open, according to Mr. Meir who added that the facilities will also be open from 1 to 5 p.m. on New Year's Day if enough skiers wish it.

Mr. Meir has also issued a plea for 45 r.p.m. records which could be used for the park and also for Christmas trees for use on the hill. Anyone having records that they might wish to donate or loan to the park may leave them at the warming house. Christmas trees may also be left there.

Ironton Ferry to Close for Winter

The Ironton ferry is scheduled to close this weekend according to the Charlevoix county Road Commission which operates the ferry for the Charlevoix county board of supervisors.

Weather permitting, the ferry will be operated until noon Sunday when service across the South Arm of Lake Charlevoix at Ironton will be discontinued and the ferry tied up for the winter months.

The ferry operates between 6 a. m. until midnight daily from early April until the last day of the year when weather permits, carrying traffic across the South Arm. The route connects M-66 via a county road with Boyne City and M-75.

The ferry has been in operation since April 10.

Ice conditions made it necessary to discontinue service on Dec. 23, 1960.

Earliest closing date in recent years was Dec. 11, 1958, the winter of the 'big snow'.

This year the ferry will continue to operate until noon Sunday unless unusually cold weather causes ice to form in the ferry channel before that date.

Episcopal Church To Hold Special Service for Peace

Episcopal churches throughout the Diocese of Western Michigan will join New Year's Eve in a special Service for Peace according to plans received here this week from Charles E. Bennison D.D., Bishop of the Western Michigan diocese.

In Charlevoix the service is scheduled to begin at 8 p.m. Sunday evening with a special evening prayer service, according to the Rev. Alexander Wood, vicar of Christ church.

Beginning at 8:30 p.m. there will be a three hour vigil before the altar with members of the parish and visitors spending at least 15 minutes offering special prayers for peace.

At 11:30 p.m. there will be a Holy Eucharist service with the Rev. Wood giving a brief sermon.

Residents of and visitors to the community are welcome to join in the service for peace.

In making plans for the special service for peace, Bishop Bennison said that he was calling upon the people of his diocese and through them, others, for prayers for peace of the world and the right use of atomic power. He concluded by saying "Think how sorely the world needs the Christians to do this! How very right it is, as God's people, we enter into the new year on our knees in communion with Him!".

Charles Fairbanks Accepts Position At U. of Houston

Charles Fairbanks, defensive line coach at Arizona State in Tempe since February 1957, has accepted a similar position at the University of Houston under Bill Yoeman who was engaged recently as head grid coach.

The son of Mr. and Mrs. Ronald Fairbanks, former residents now living in Grand Rapids, he is a 1955 graduate of Michigan State and coached at Ishpeming for 1½ years before going to Arizona State. He plans to assume his duties in April. His wife and three children will accompany him.

Mrs. Emma Sutton Observes Birthday

Mrs. Emma Sutton, one of this community's oldest residents, will observe her ninety-second birthday anniversary today (Thursday).

A small family gathering with close friends will mark the occasion for Mrs. Sutton who lives at 118 E. Upright ave.

Rayders to Meet Northmen Friday Night

The Charlevoix Rayders will travel to Petoskey this week to take on the Petoskey Northmen in the renewal of a series which dates back to 1915.

In the oldest of the Rayders game, which according to available records presently stands at 42 games each, the local squad, with a record of three wins and one loss in league play, will be out to break the tie and take the lead.

Coach Don Carey is expected to start John Pearl and either Dan Pearl or Frank Curtis in the forward positions, George Majors or Dave Rader at center, and Stan Martin and Curtis or Henry Wagner in the back court.

At Petoskey Coach Jim Fowler will probably start Duane Cilke and Stuart Garthe or Dave McCarthy in the forward slots, George Bare at center and Doug Trelora and McCarthy or Garthe in the guard positions.

This game is expected to be a battle all the way for it is the renewal of an old rivalry. The Rayders, however, if they can play the brand of ball they showed against Harbor Springs will be silght favorites against a team that has a record of two wins in five starts.

The J-V game will start at 7 p.m. with the Varsity game scheduled to get underway at 8:15 p.m.

County Draft Calls One for Induction

One Charlevoix county draft registrant will leave for induction and four others for pre-induction physical examinations January 23 according to Mrs. Mary Bourgoin, clerk of the draft board.

Steven J. LaBlance of Charlevoix, a volunteer, will leave Jan. 23 for induction into the armed service to fill the county's January draft quota.

Charles R. Beeman of Charlevoix, LaVern C. Rouse of Boyne City, Frederick A. Bayliss of Boyne City, now living in Petoskey, and Lyle H. Thompson of Boyne City, now living in Pontiac, will depart at 2 p.m. Jan 16 via chartered bus for pre-induction physical examinations in Detroit.

To Observe Watch Night at Community Church of God

The New Year will be ushered in with a special Watch Night Service at the Community Church of God Sunday evening.

Following the 7:30 prayer service Sunday, there will be a fellowship hour at Fellowship hall for members of the church, their guests and others of the community who might wish to participate.

At 11 p.m. those present will return to the church for the Watch Night Service which will feature a brief message by the pastor, the Rev. George L. Majors and special music, concluding with a Communion Service.

Second ward incumbents had not filed petitions but were expected to before the deadline at 4 p.m. Saturday.

Dr. Carlton Dean Rites Saturday In Lansing

Dr. Carlton Dean, 66, director of the Michigan Crippled Children's Commission and former director of District Health Department No. 3 with headquarters here, died unexpectedly Wednesday while attending a meeting of the commission in Detroit.

Dr. Dean, who made his home in Lansing, had suffered a heart attack last summer but had recovered sufficently to continue his work.

Prior to becoming director of the Crippled Children's Commission in 1941, Dr. Dean was deputy commissioner of the State Health Deparmtent and was widely recognized as an authority on public health.

Born at Brighton, he entered the University of Michigan in 1914 but left in 1917 to enlist in the army. After serving through World War 1, he continued his education and obtained his medical degree from the Detroit College of Medicine, now a part of Wayne State University, in 1924.

For the next six years he practiced medicine in Eaton Rapids, then became interested in public health through work with the Rockerfeller Foundation.

After serving several years here as a district health officer under the Children's Fund of Michigan, he entered Johns Hopkins University where he obtained a master of arts degree in public health. In 1940 he became deputy state health commissioner with supervision over 63 counties. While here he lived at 402 Burns st.

He was past president of the Michigan Public Health Association; a director of the Michigan Health Council; member of the American Medical Association, Michigan State Medical Society and the Ingham county Medical Society and the Masonic Lodge.

Surviving are his wife, Gladys and a son, Dr. C. Robert Dean, who is on the staff of the U. S. Department of Health, Education and Welfare

Funeral services were held Saturday at the Gorsline-Runciman Funeral Home in Lansing.

David B. Silberman Summer Resident Dies Unexpectedly

David B. Silberman, 75, a summer resident here for nearly half a century, died unexpectedly at his home at 740 Edgewood, Highland Park, Ill., Friday.

Founder of the Silberman Fur Co., he had served as head of the company for many years and had been in semi-retirement in recent years. He was well known in Charlevoix and was sponsor of an annual golf tournament which benefited the Charlevoix hospital. In Chicago he was well known in business circles.

Among his survivors are his wife, Cleo, a son and daughter; several grandchildren and a brother.

Charlevoix Taxes Reduced $9.766 Per $1,000 Value

Charlevoix taxpayers found what might be considered an early Christmas gift when they received their tax bills recently.

The 'gift' came in the form of a decrease of $9.766 ped $1,000 valuation on the more than 1,470 parcels of property located within the city.

The tax bills reveal that the rate this year was 28.837 mills as compared with 38.6 last year.

This year's millage was levied on the city's valuation of $5,288, 100 as compared to $5,317,400 last year.

The following shows the millage levied for the past two years

County	1961	1960
Operational (allocated	9.511	11.66
Grand vue Medical Facility (voted)	1.992	2.72
Schools		
Allocated	9.511	13.45
Operational (voted)	1.36	3.59
Debt retirement (voted)	6.46	7.18
	28.834	38.8

The millage listed as 'allocated' to both the county and the schools is that allocated by the Charlevoix county tax allocation board. The other millages levied are those voted to underwrite the the millage approved by the voters for school operational cost of constructing the Grandvue Medical Facility which is appearing on the tax bill for the fifth year; the millafe approveed by the voters for school operatloncoste last summer and the debt retirement for schools to underwrite the cost of building the new junior-senior high school.

Mrs. Glen Maxson, Hospital Nurse Dies Unexpectedly

Mrs. Glenn Maxson, 59, a member of the nursing staff at the Charlevoix hospital for more than 20 years, died unexpectedly at her home at 310 W. Lincoln ave. late Friday.

Funeral services were held Sunday at the Winchester Funeral Home with the Rev. Harold E. Kohn officiating. Burial was in Brookside cemetery.

Born at Mesick June 24, 1902, the former Florence Thompson was graduated from a Madison, Wis., hospital school of nursing in 1925 and was employed in Lansing before coming here in the late 1930's. On Sept. 9, 1927, she was married to Mr. Maxson at Lansing.

Besides her husband, she is survived by her mother, Mrs. Clarice Thompson of Greenville,; two sisters, Mrs. Clarence Lusch of Cedar Rapids, Iowa, and Mrs. Vern Andrews of Kingsley and a brother Wendell G. Thompson of Lansing.

Free Money Hoax

An Oregon newspaper recently published a letter from a state senator, in which he touched on the state's tax and revenue problems. He said: "What Oregon needs is a sourco of revenue which will meet the state's needs while not driving business out of the state in the process. Substantial federal aid to education meets this description. It would supply tax relief to Oregon, while at the same time having uniform effects upon the tax climate of every state."

Here is a scheme which would simply rob Peter to pay Paul. Tho inference is that federal money comes free, and amounts to a net gain to the taxpayers of the state receiving it. Federal aid to education would have to be paid for by increased taxes levied on the taxpayers of all the states, including those receiving it—plus the bill for the heavy costs of federal administration.

The free money hoax applies to all the proposals for extending a paternalistic, do-every-thing-for-everbody, welfare state. The federal tax bill is already more than the grocery bill for millions of families, and the more goverment gives away the higher it goes.

Forcing Inflation

Almost ereryone is in favor of high wages and raising living standards. This attitude has its basis in humanitarian sentiment, and, also, in the theory that increased wages result in stimulated production and consumption which give the whole economy a healthy shot in the arm.

But it is not as simple as that, as John Davenport makes clear in an article in Fortune. At one point, for instance, he deals with the problem of the legal minimum wage. He writes: "The employer who might pay $1 per hour for an unskilled sweeper will hire no sweepers if the wage is forced to, say $1.50. There is thus a crowding of workers at the bottom of the job scale, and it is notable that in our day, long-term unemployment has been particularly severe among Negroes and the unskilled. It is popular to say that all this can be cured by more education, and everybody is for that. But education and job retaining are long-time processes . . .

"Minimum-wage laws have probably increased this crowding of workers seeking jobs at the bottom of the social ladder. For the effect of minimum-wage laws may likewise be to decrease employment in the industries that are covered." At this point Mr. Davenport cites several specific instances where that has occurred.

Fortune, in an editorial note, sums up Mr. Davenport's argument thus: " . . . a public bias in favor of rising wage rates distorts the labor market in such a way as to increase unemployment; then government, committed to full employment, tries to stimulate the economy by deficit spending and other policies; these policies have the effect of lowering the value of money. Thus we are caught in a process whose end—inflation—is one that nobody desires."

IF YOU CAN REMEMBER

—when 20 minutes of labor would buy a nice juicy sirloin steak for four;

—when men wore box toed button shoes;

—when most merchants and tradesmen had an apprentice to sweep, dust, wash the windows and do the other odd jobs for a buck and a half a week or less;

—when most of the prominent men in business had their individual shaving mugs in their favorite barber shop and the morning visit to the barber was as much of the days routine as the coffee break today;

—when bob-sledding down south Bridge street hill was popular recreation this season of the year;

—when you first had to get the fire going in the kitchen range and heat water before you had your morning coffee;

—when a penny for a sucker was a most acceptable bribe or reward;

—when the old clamp skates would stay on if your shoes had good soles and heels and you had skate straps for security;

—when you had to walk your girl to and from the New Year's or fireman's ball;

—when hopping bob-sleighs after school and Saturdays was great sport;

—when you made your skis out of two cracker barrel staves;

—you are just another antique to the younger generation.

Ice skating Rink Opens at School

The ice rink located at the elementary school was opened early this week for skating.

On school days the rink will be open during the noon hour, after school and from 7 to 10 p.m. every evening. On Saturday and Sunday the rink will be open from 1 to 5 and 7 to 10 p.m. The latter hours will be observed during the holidays if the weather permits opening of the rink.

There is a need for 78 rpm records for use at the ice rink. Anyone having records suitable for use in the skating program is asked to leave them at the skating house when the rink opens or at the city hall.

Sue Irene McBride Marries Mr. Drenth in Church Rites

The Ellsworth Christian Reformed church was the scene Saturday afternoon of the wedding of Sue Irene McBride and Donald James Drenth of Ontario, Calif.

Parents of the couple are Mr. and Mrs. Carl O. McBride of Charlevoix and Mr. and Mrs. Gerrit John Drenth of Ellsworth.

The Rev. Henry Zwaanstra officiated at the double ring service before an altar decorated with red and white poinsettias white mums and pine boughs in the presence of more than 200 guests. Joan Drenth of Ellsworth, cousin of the bridegroom, at the organ played the wedding marches and accompanied the soloist, Henry Drenth of East Jordan, uncle of the bridegroom, who sang "O Perfect Love" and "Let Us Ever Walk with Jesus".

Given in marriage by her father, the bride chose a floor length gown of white velvet for her wedding. Fashioned along princess lines, the gown had a scalloped neckline and long, tapered sleeves. A crown of crystal beads secured her fingertip veil. She carried a white Bible with an arrangement of red and white sweetheart roses.

Mrs. Jack Roberts of Grand Rapids attended her sister as matron of honor. Doris McBride, sister of the bride, and Norma Drenth of Grand Rapids, sister of the bridegroom, were bridesmaids.

They wore identical gowns of red velvet styled with princess lines, scoop necklines, short scalloped sleeves with tiny bows and full street length skirts. They wore matching red velvet headdresses and crystal jewelry and carried red and white peppermint carnations tied with red velvet ribbon.

Robert Drenth of Ellsworth assisted his brother as best man. Phillip Timmer of Grand Rapids and William Postmus of Ann Arbor served as groomsmen and ushers.

Mrs. McBride selected a moss green wool sheath dress, black accessories and a corsage of gold mums for her daughter's wedding. Mrs. Drenth, mother of the bridegroom, wore a blue wool sheath, matching blue accessories and a corsage of white mums.

Immediately following the ceremony, a reception was held in the church parlors. Mr. and Mrs. Peter Drenth of Ellsworth, uncle and aunt of the bridegroom, were master and mistress of ceremonies. They were assisted by Mr. Robert Drenth, Mary Ann Hoeksema, Joy Sckeitema, Harry Holwerda and Joan Worst.

After a northern Michigan wedding trip, the couple will leave Dec. 28 for Chicago, Ill., where they will visit briefly enroute to Ontario, Calif., where they will be at home at 830 W. Philadelphia St. after Dec. 30. For traveling the bride chose a blue wool sheath dress and brown accessories.

The bride is a graduate of Charlevoix high school and Blodgett Memorial Hospital School of Nursing in Grand Rapids. She was formerly employed in the hospital's Pediatrics Department. The bridegroom is a graduate of the Ellsworth high school and Calvin College in Grand Rapids and attended Vander Cook School of music in Chicago. He is presently teaching music and science at the Ontario, Calif., Christian high school.

Wedding guests were present from Petoskey, Grand Rapids, Ann Arbor, Kalamazoo, Ontario, Calif., Patterson, N. J., East Jordan, Boyne City, Okemos, Otisville, Elk Rapids, Flint and Charlevoix.

Betrothed

Mr. and Mrs. Franklin Curtis have announced the engagement of their daughter, Cynthia, to David Thomas Garland.

The prospective bridegroom is the son of Mr. and Mrs. Wiliam G. Garland of Hudson, Michigan.

No date has been set for the wedding.

The bride-elect is a graduate of the Charlevoix high school and is a junior student at the University of Michigan where she is affiliated with Alpha Omicron Pi sorority. Mr. Garland is a veteran of four years in the U.S. Navy and a student at Jackson Junior College.

LEGAL NOTICE

NOTICE OF MORTAGE FORECLOSURE SALE

Default having been made in the conditions of a Mortgage made the 8th day of November, 1947, by Allen Z. White and Marguerite White, husband and wife, as Mortgagors, to the Charlevoix County State Bank, a Michigan Banking Corporation, of the City of Charlevoix, Michigan, as Mortgagee, and recorded on the 13th day of November, 1947, in the office of the Register of Deeds for Charlevoix County, Michigan, in Liber 85 of Mortgages, on Pages 131 and 132, and which Mortgage was duly assigned by said Charlevoix County State Bank to Robert Bridge, of Charlevoix, Michigan, by an Assignment dated October 11, 1956, recorded on October 11, 1956, in the office of the Register of Deeds of Charlevoix County, Michigan, in Liber 100 of Mortgages, on Page 34; on which Mortgage there is claimed to be due and unpaid at the date of this Notice $1121.17 principal including payment of taxes, and $156.49 interest; no suit or proceedings at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said Mortgage, and the power of sale in said Mortgage contained having become operative by reason of such default.

NOTICE IS HEREBY GIVEN,

That on the 8th day of January, 1962, at ten o'clock in the forenoon (Eastern Standard Time), at the front (East) door of the Court House in the City of Charlevoix, Michigan, that being the place for holding the Circuit Court for the County of Charlevoix, there will be offered for sale and sold to the highest bidder, at public auction or vendue, for the purpose of satisfying the amounts due and unpaid upon said Mortgage, together with legal costs and charges of sale, including an Attorney fee of $25.00 provided by law and in said Mortgage, the lands and premises in said Mortgage mentioned, viz:

> "That parcel of land situate and being in the City of Charlevoix, County of Charlevoix, and State of Michigan, described as follows: 'Lots Seven (7) and Eight (8) of J. Milo Eaton's Addition to the City of Charlevoix, Michigan, except the North Fifty (50) feet of said Lot Seven."

Dated: October 2, 1961.

Robert Bridge,
Mortgagee.

When the white man discovered this country the Indians were running it. There were no taxes. There was no debt. The women did all the work. Why did the white man think he could improve on a system like that?

The twentieth century political liberalism (so-called) in the United States thrives on depression. Being political, its base is governmental action, including a wide variety of federal paternalism.—Chester (S. C.) Reporter.

Justice Court News

Justice John Connolly reports the following cases which appeared in his court recently:

Benjamin E. Zeeryp, 19, of Marion, charged with larceny from a motor vehicle, waived examination and was bound over to the March term of circuit court, Justice Connolly set bond at $500. He was remanded to the countly after failing to furnish bond. Arrest was made by the State Police. He is charged with stealing three packages from a car parked at Cal's Tavern in South Arm township.

Dane L. Jepsen, 17, of Petoskey, waived examination and was bound over to the March term of circuit court on a charge of breaking and entering in the nighttime. He is charged with breaking into the Melrose township school bus garage and taking gasoline from a bus. Bond was set at $1,500. He was held in the county jail after failing to furnish bond. Arrest was made by the State Police.

Robert L. Balch, 20, charged with being a minor in possession of alcohololic beverages, was ordered to pay $20.00 fine and $4.90 costs and sentenced to 30 days in the county jail. If fine and costs are not paid he must serve an additional 30 days. Summon was issued by the Sheriff's Department.

Mrs. Donna Pardee, 21, was sentenced to 90 days in the county jail and ordered to pay $10 costs on a charge of furnishing alcoholic beverages to minors when she appeared before Justice John J. Connolly in justice court Wednesday afternoon.

She had entered a plea of guilty to the charge on Dec. 21 but sentencing was postponed until this week.

She was placed on six months probation to a charge of contributing to the delinquency of a minor on March 7, 1961.

"Featherbedding" Rules Causing Many Labor Issues

Largely because of fear that automation will destroy jobs, dispute over work rules involved 1,320,000 workers last year, and work rules replaced wages as the primary cause of industrial strife, the January Reader's Digest reports.

Many unions have begun new drives to defend and even extend archaic "featherbeding" rules that limit productivity. Some 375,000 struck at Ford and General Motors for new concessions on rules. "Industry after industry is staggering under a burden of inefficiency and waste," Alfred Steinberg writes. "It costs billions, all chargeable to you and me."

Union painters in New York will not use spray guns. Bricklayers prohibit raising the brick line by more than one level at a time. Two stagehands had to be hired for Billy Graham's appearance in Madison Square Garden. Their job was to put one pitcher of water on the platform.

"Can We Get Rid of Featherbedding?" Is the article's title. Where genuine fear of automation is involved, it says, industrial statesmanship is needed. American Motor Corp. has created a profit-sharing plan to give its workers the benefits of increased productivity. Armour & Co. has a special "automation fund" to help displaced workers find new jobs. Inland Steel, Xerox, Standard Oil of Indiana and Ford teach new skills to displaced employes. Swift & Co. gives laid-off employes up to $500 in moving expenses if they qualify for jobs in other Swift plants.

"Only a revolution in work rules can lead us out of the featherbedding morass," Steinberg concludes.

"If you destroy a free market, you create a black market. If you have ten thousand regulations, you destroy all respect for law."—Sir Winston Churchill.

Con Con Report

by
Edward K. Shanahan, Delegate

The time for decision rapidly is approaching in the Constitutional Convention.

After the Christmas recess, there will be only 90 oays for the delegates to finish their work and submit a rewritten State Constitution to the people.

Public hearings have been concluded and now the various committees will start hammering out drafts for consideration by the entire Convention

During the holidays, the delegates will contact the people for their views on what should go into the final draft. As expected, there is considerable difference of opinion among the delegates on some of the very substantive provisions of the Constitution

Long arguments have been heard both for and against the appointment rather than election of such officers as Attorney General, Secretary of State, State Treasurer, Auditor General, Superintendent of Public Instruction and State Highway Commissioner. Actually, the State Highway Commissioner's position is controlled by the Legislature and is not in the Constitution, but it came up in committee hearings and discussion.

Briefly, the arguments for appointing these state officers instead of electing them are: They are mostly ministerial in nature instead of policy-making for the state; they should be strongly controlled by the Governor as part of his "team" or "cabinet"; it will increase the efficiency of government; and this will lead to a reduction in the number of state agencies, with each appointive official responsible for a particular field of government operations.

The argument for continuing them on an elective basis are: They do set policy for the state government and the people should elect all policy-making officers; government will be more responsive and responsible to the people if the top officials are elected rather than appointed; concentration of all authority in the hands of the Governor is not good governmental procedure; Michigan has been well served by the elective system; and the elective system keeps government close to the people.

Most delegates seem to favor the elective system, but there is considerable sentiment for an appointed Auditor General, responsible to the Legislature for post-audits of all state accounts.

This is an important question which citizens should coniser carefully and then make their views known to their delegates.

The Committee on Legislative Organization has held hearings in Detroit, Kalamazoo and Berrien Springs as well as Lansing to obtain local views on how the Legislature should be apportioned.

Sentiment is running heavily in favor of the balanced Legislature idea, with one House apportioned according to population and the other according to population and area. This is probably the single, most controversial and important subject before the Constitutional Convention.

Uppermost in most people's minds is that Michigan is a very large state with areas of dense population and others with fewer people but extensive natural resources which have tremendous economic potential. It is vital that the interests of the citizen. of Ironwood or Copper Harbor receive just as much legislative consideration as the interests of the citizens of Detroit. No one area or section should be able to dominate the state hecause that might lead to the neglect of the interests of the rest of the state in regard to schools, highways, mental health, recreational areas and all the other essential public services.

AGRICULTURE in ACTION ......

by M. L. Woell
MICHIGAN FARM BUREAU

"I invite you to visit the most pleasant state of all," offers Masaru Sumida, Hawaiian farmer and farm leader. "We have so much sunshine that we offer it to all the people of Michigan," he grins.

Sumida was in Chicago attending the annual meeting of the American Farm Bureau Federation in his capacity as president of the Hawaiian Farm Bureau—newest state addition to the Federation. He, along with the rest of the Hawaiian delegation, was blue with cold and finding it difficult to understand how some people could actually prefer such weather.

Included in the Hawaiian invitation is a visit to Sumida's 30 acre water-cress farm where more than one-million gallons of fresh water daily flow across the water cress beds. "The roots are in water but not the leafy tops that we pick and sell," Sumida offered.

"How much per pound?"—I inquired, thinking that in lush Hawaii where so much greenery abounds water-cress might be a drug on the market. Not so, apparently, the price strengthen to about 25 cents per bunch. "We prefer to sell by the hunch," Sumida said,—"Our bunches are just under a pound, around 15 ounces."

"Where is your major market located?" I asked. "In the city of Honolulu, although I am working hard to bring water-cress into the San Francisco market too," Sumida said. When asked if water-cress was diffiult to grow, he said that as any specialty crop it presents problems, mainly those tied to hand labor and keeping the leafy salad-green in crisp fresh condition. "I added a crisping room where chilled air circulates through the water-cress to remove field heat last year. My investment came close to $50,000 just for this room."

As in most other branches of agriculture, Sumida feels that research is the key to the future. Right now he and other growers are checking out the possibilities of antienzymes, chemicals used to keep water-cress even more crisp.

"Why don't Michigan farmers grow water-cress too?" Sumida laughed, "then they could use the facilities of your good Michigan State University to help us with our research!"

With Chicago nearby he felt there could be a substantial market for some fearless Michigan entrepreneur with a farm located handy to an ample source of fresh running water.

Charlevoix - Boyne Grayling - Pellston Tie for 1st Place

The Boyne City Ramblers were toppled from the ranks of the undefeated by the Pellston Hornets by a score of 38 to 38, throwing four teams into a tie for first place as the eight quintets of the loop wrap up their pre-holiday obligations.

While Pellston was trimming the defending champs from the free throw line, Charlevoix upset Harbor Springs 71 to 59; Grayling won over East Jordan 40 to 38 and Gaylord defeated Mancelona 58 to 39.

Pellston 38, Boyne City 36

Pellston led the visiting Ramblers all the way, 10 to 8, 19 to 17 and 30 to 23 going into the final period only to have Boyne City knot the score 36-all with two seconds remaining. However, two free throws by Merle Cameron as time ran out gave the Hornets the victory.

Eleven was the magic number for the top scorer with Cameron and Gary Grant having this total for the victors and Bob Snyder the same number for Boyne City.

Grayling 49, East Jordan 38

Chris Kroll came through with 16 points to pace the Vikings to victory over the visiting East Jordan Red Devils after the latter had trailed all the way. Bill Cox had 16 points for East Jordan.

Gaylord 58, Mancelona 39

The Gaylord Blue Devils were well in control of the game all the way with Gabby Nowak accounting for 15 points. Dick Dickinson had 11 for Mancelona.

Northern Michigan Colleges Awarded I J S Scholarships

Four northern Michigan community colleges will receive a total of 11 scholarships this year from the Independent Jobber Suppliers of northern Michigan.

The scholarships have been given to Ferris Institute which received two and Alpena Community, Northwestern Michigan of Traverse City and North Central Michigan of Petoskey which received three each in the name of all the automotive dealers in this area. The scholarships take the place of token gifts formerly given in the psirit of commercial enterprise. In making the announcement, Vincent Fochtman, president of the Independent Jobber Suppliers, said that "We feel these college scholarships are more lasting and more in keeping with the true spirit of Christmas.

This year's scholarships makes a total of 142 given by the group in the past nine years.

Any high school senior in northern Michigan who needs help in going to college in the fall is eligible. He should make application to the school of his choice before April 1 of next year. The scholarship committees of the schools have full control in assigning the awards.

Participating members are the A & A Service of Manistee, W. L. Norris Co. of Cadillac., Northern Auto Parts with stores in Traverse City, Petoskey, Manistee and Bellaire and Foehtman Motor Co. with stores in Petoskey, Traverse City, Alpena, Gaylord, Charlevoix and Cheboygan.

Charlevoix Credit Union Appoints Two Directors

Mrs. Gerald Gibbons and Nathaniel Harrimann were appointed to the board of directors of the Charlevoix Credit Union at a special meeting held Monday at St. Mary's school.

They were named to fill vacancies caused by the resignations of Arthur Heilig and Joseph Brun. Theodore Browe is the third member of the committee.

The board also authorized a 3½ per cent dividend on all share on deposition at the end of this month plus a five per cent refund of interest paid on loans during 1961.

Plans were also made for the annual meeting of the organization to be held at St. Mary's school at 7:30 p.m. Jan. 21. Msgr. J. L. LaRoux who organized the credit union will be the guest speaker. At the business meeting directors will be named to succeed those whose terms expire. A social hour and refreshments will be held at the close of the meeting.

Any member of St. Mary's parish interested in serving on the board of the organization is asked to contact the business manager, Mrs. Herman H. Meyer of Petoskey, vice president of the Paul Bunyan ohapter of the Michigan Credit Union League.

Christmas Seal Sales Total $1,291 In County

The Charlevoix county Christmas seal contributions are continuing at an all-time record pace, it was reported this week.

Contributions from residents of the county reached a five-weeks total of $1,291.13 compared with $875.24 for the same period last year, Charles H. Baker, president of the Michigan Tuberculosis and Respiratory Disease Association said.

The state-wide response thus far to the Christmas Seal Campaign against tuberculosis assures that last year's total contributions of $915,000 will be surpassed and achievement of a $1,000,000 total campaign appears likely.

Saint Francis of Assisi is known a the father of Christmas caroling, according to World Book Encyclopedia.

MINUTES OF SCHOOL BOARD MEETING

December 4, 1961

The meeting was called to order at 8:05 p.m.

Present: Al Smith, Blanchard, Lieberman, Marinchek,, Dinwiddie, Martin, C. Smith, and Bennett, Supt. Absent: None.

Minutes of the meeting of November 20 were read and approved as corrected.

It was moved by Martin, supported by Al Smith, that bills in the amount of $3,053.63, payable from General Fund, be approved and ordered paid. Motion carried: 7-0.

Moved by Al Smith, supported by Martinchek, that bills in the amount of $194.00, from Building & Site Fund, be approved and ordered paid. Carried: 7-0.

Bids were received for bottled gas for the elementary school from Petgas and Doug's Bottled Gas. Doug's Bottled Gas Service being the lesser price, it was moved by Martin, supported by Martinchek, that this bid be accepted at $6.10 per 100 lb. cylinder. Carried: 7-0.

It was moved by Dinwiddie and supported by C. Smith that the bid of Frank Novotny & Sons for installation of the Torit dust collector, for the sum of $920.00 plus their furnishing of the wiring of same, be accepted and paid from the General Fund, upon approval of the Torit Co. Motion carried: 7-0.

— A report of the committee on use of school facilities was made, with a list of suggested charges for said facilities. After discussing the report the thought was that more time be taken for the decision on the amounts that had been suggested, and that the feeling of the people who use the facilities be secured.

It was moved by Martin, supported by Al Smith, that appreciation be stated to the P.T.A. for the voluntary help they organized for the elementary cafeteria. Motion carried: 7-0.

The following resolution was presented by Al Smith, supported by Blanchard, and its adoption moved:

> Since Clarence Bartlett has given many years of most efficient and satisfactory service that an expression of the appreciation of the Board of Education, and the Community, be made a part of the school records. Further, that a copy be sent to Mr. Bartlett, along with a gift.
>
> Adopted: 7-0.
>
> Other things discussed were:
>
> Use of buses for school activities.
>
> Skating rink, girl's basketball, and other recreational programs.
>
> A prospective rate on liability insurance, as presented by Bill Carey.
>
> Mr. Bennett was asked to study non-owners and hired vehicle insurance. Also, fire insurance on bus garage.
>
> Reports of committees on Central Lake-Ellsworth-Charlevoix consolidation study, on December 5 and 13.

The meeting adjourned at 11:22 P.M.

Year-End Conservation Report for 1961

LANSING, Dec.—For conservation in Michigan, 1961 was not unlike other years. There were ups and downs, moments of pride and disappointment, old problems and new hopes.

The year produced its share of progress for the state's conservation movement which marked its 40th anniversary under the helm of the Conservation Commission and Department.

Probably in no area of conservation was there more headway, headlines, and headaches than in the broadening field of recreation.

In state parks, the year signaled the start of construction work and land purchases under the opening $2 million phase of a $5 million bonding program financed by parks users through special vehicle permit fees.

Elsewhere on the state's recreational scene, headline news was made when the federal government announced its plans to establish the Sleeping Bear Dunes National Recreation Area which would embrace some 77,060-92,000 acres in Benzie and Leelanau counties.

The Conservation Commission gave its qualified support to overall plans for the national recreation area, recognizing the site's potential role in helping to answer some of the spiraling recreating-land problems. It reserved full endorsement of the Sleeping Bear proposal until matters having to do with hunting, fishing, timber products, private ownership, and land acquisition procedures are more clearly spelled out.

Problems arising over this and other proposals mirrored the need for more long-range planning and greater coordination between federal, state, and local agencies in their recreation programs.

With this in mind, a bold plan was formulated by the Commission to implement Governor Swainson's broad 11-point policy which calls for stepped-up recreation development to handle the state's mushrooming leisure-time demands.

Michigan's pressing water-use problems remained on the rise in 1961, complicating the recreation picture and clouding other areas of interest. More than ever before, the need was felt for clear-cut legal controls over fills, dredgings, and other man-made developments in all water of the state.

In October, the Commission announced it would again seek legislation in 1962 to clarify public and private rights in Michigan's Great Lakes and inland waters. Its legislative proposals would, among other things, better protect recreation and wildlife values and allow for orderly industrial development.

An estimated 2,000,000 people fished and hunted in the state during the year, roughly 100,000 less than in 1960 when Michigan ranked as the nation's second most popular state for fishing and hunting.

The state's fall hunting seasons shawed mixed result compared with the year before.

Although there were fewer deer hunted in the woods, buck kill rose to an estimated 57,000 animal,s, about 10,000 over last year's take of antlered whitetails. Antlerless deer season were abandoned for the first time since 1955, except in two small crop-damage areas.

Pheasant kill dipped to about 950,000 birds, about 22,000 shy of last year's mark, with part of the decline traced to reduced hunting pressure. Ruffed grouse hunters had a banner season, possibly their best in the last eight years, as it appeared that upwards of 450,000 "pats" were taken.

In fisheries work, joint efforts underway to bring lake trout back to the upper Great Lakes gained more momentum as some four million green lake trout eggs were produced from brood stock at the Department's Marquette hatchery. Yearling trout to be raised from the bulk of these eggs are scheduled for release in lakes Michigan, Huron, and Superior in 1963 under a massive program of lamprey control and fish restoration coordinated by the Great Lakes Fishery Commission.

Approximately 9,400,000 young trees were planted in 18 northern Michigan state forests during the fall to serve the best multiple use purposes on these lands—for game, recreation, watershed protection, and timber production.

Hopes for another record season in forest fire control had gone up in smoke by mid-April. Abetted by unusually dry conditions, fires lashed out at more than 3,000 acres through this early stage of the season to surpass the 1960 record low in acreage damage. By December, fires had left their mark on about 6,000 acres, some 5,000 more than the year before.

In Colorado, a graduate student applying for a scholarship was asked to state his principal reason for needing assistance. "My wife and I are now separated," he wrote, "and this leaves me my sole means of support."

Michigan Bell Telephone Co. Expends $87,500,000 in 1961

The Michigan Bell Telephone Company expended $87,500,000 for expansion and improvement of its facilities during 1961—the fourth largest construction program in the company's history.

Frederick R. Eckley, vice president and general manager, said the program "accomplished under serious difficulties, serves as evidence of our firm conviction that Michigan's economy is headed for continued growth in which the telephone industry will make a substantial contribution. We look forward to the New Year with optimism."

Construction expenditures during the year, Eckley said, were made in virtually every section of the state by Michigan Bell.

Highlights of 1981 for Michigan Bell, Eckley said, included installation of the company's 3,000,000th telephone in September. The company gained a total of 55,000 telephones during the year.

Eckley also pointed to the completion of five new buildings and 11 additions, and the start of construction of five other buildings. In addition, new central offices were placed into service in West Bloomfield, Roseville, Utica, Keego Harbor, and Marysville.

Another highlight was the introluction of Direct Distance Dialing (DDD) in June to 145,000 customers in 38 communities in the Saginaw Valley area.

State Traffic Deaths Reduced By 3.4 Percent

Showing a traffic death reduction for the first time in three years, Michigan ended 1961 with a road toll of 1, 542, whicb is 3.4 percent less, or a saving of 54 lives, compared with 1,596 fatalities in 1960, according to State Police provisional records.

Contributing to the decrease was December's total of 119, which was 22 per cent, or 34 fewer than 153 in the same month a year ago. It was the lowest December toll in 17 years or since 120 in 1945.

December was the seventh month, and the fourth in a row, to record a reduction in deaths compared with corresponding months in 1960. Other months with decreases were January, June, July, September, October and November. August with 165 deaths had the highest monthly toll of the year, while Februray was the low with 96.

Reports of delayed deaths will slightly increase the total for December and the year.

The 1961 reduction was achieved even though there were reported increases of one per cent in the numbers of licensed drivers and registered motor vehicles, compared with 1960. Estimated travel was down only three-tenths of one per cent with 31.7 billion miles and the death rate of 5.0 per 100 million vehicle miles was unchanged.

Michigan's annual average for the last 26 years, or since record keeping began in 1933, was 1,581 deaths. December's average for the last 28 years was 154.

Announce 1962 A.C.P. Program

Plans are going forward again this year in Charlevoix County towards the preservation and conservation of the area's natural farm resources.

ASC County Committee Chairman Robert Reidel said today that final plans are now being made for the Agricultural Conservation Program for the county. The program will be administered througb the Agricultural Stabilization and Conservation Service office located st Boyne City, Room 204, Federal Bldg.

The Chairman reminded farmers that the ACP Program is intended to help farmers with whatever farm conservation problems they may have. This applies especially to farmers wbo are not able to cope with their land problems without additional help.

Mr. Reidel said that Charlevoix County received an allocation of $23,370 for the program. Starting date for enrolling in the program is Jan. 1, 1962, and farmers will be contacted by Agricultural county officials.

Charlevoix Ass'n To Aid Retarded Children Elects

John Sutherland was elected president of the Charlevoix Association to Aid Retarded Children at a meeting held at the center recently.

He was named to succeed Robert L. Hooper.

Other new officers are: vice president, Mrs. Merle Scott of Ironton; secretary, Mrs. Robert O. Bergmann, who is also the instructor at the school, and treasurer, Mrs. Frank Oleksy.

A financial report reveals that the treasury beld only $69.00 at the time of the meeting. However, fuads will be forthcoming from the Community Chest and the Charlevoix county which contributes $1,000 to the support of the school which presently has 10 enrollees. The center will receive a pro rated share of its request for $950 from Community Chest which failed to meet its quota this year.

The school is operated three days a week, from 9 a.m. to 3 p.m., by the Association.

Dinwiddie & Kandt, Public Accountants Form Partnership

E. Darrell Dinwiddie and Ralph E. Kandt, both certified public accountants who have served clients in this area and Petoskey for some time, have formed a partnership, Mr. Dinwiddie announced this week. The partnership will operate under the name of Dinwiddie & Kandt, Certified Public Accountants, with general offices at Pennsylvania Plaza, Petoskey.

In making the announcement Mr. Dinwiddie ssid each of the partners will continue to service his respective accounts and pointed out the combined experiences would benefit their clients. Both have been associated with nationally recognized C.P.A. firms.

Under the partnership, service will always be available to all clients at all times, even during vacations or in the event of illness of either partner.

Mr. Dinwiddie will continue to to reside in Charlevoix where he can be reached evenings. Mr. Kandt lives in Petoskey.

Christmas Decor Wins Approval

Charlevoix's Christmas decorations which have remained up during the holidays continue to attract the attention of area residents.

Not mentioned earlier but certainly adding to the overall beauty of the community are those aboard the U.S.C.G. Cutter Sundew moored at the north end of the city dock

It is the consensus that the community's business district has never looked lovelier. The storybook picture it has created has been enjoyed by local residents as well as visitors to the community.

Frank Burgoin Attends Planning Course In Saginaw

Frank Burgoin, local representative for the Equitable Life Assurance Society of America, recently completed a two-week study of the Equitable assured estate planning course held at Saginaw.

The course, taught by a homo office instructor, brought out the complete analysis of an assured estate as well as programming aspects of life insurance policies.

New Years Baby Born at Hospital

For the second year, the Charlevoix hospital has a New Year's baby.

This year tha first arrival at the hospital was a 5 pound 12 ounce girl who made her initial appearance at 7:47 p.m. Monday. Her parents are Mr. and Mrs. Thomas Frederick DeNike of Boyne City who have announced that her name will be Janette. Dr. L. E. Grate was the attending pbysician.

Janette is the DeNikes' fourth child. The others are Barbara, 3, Tommy, 2, and Kathy, 1.

On Jan. 1, 1961, Joy Eve McDonough, daughter of Mr. and Mrs. Robert Bruce McDonough, was named the New Year's baby. Prior to that time the local hospital had not been able to boast of a new arrival on the first day of the year.

Charlevoix Summer Residents Return for Winter Sports

Many of Charlevoix's summer residents who have been visiting the community for years are finding its winter facilities equally as attractive and are returning for skiing and other winter sports.

Among those who have been enjoying the ideal winter weather have been Mr. and Mrs. Nathan Cummings of Chicago who spent the holidays at their summer home on the north shore of Lake Charlevoix; Thomas Loeb, also of Chicago, who had as his guests Mr. and Mrs. Robert Wolf and fsmily and Mrs. Lee Straus and son, also of the Chicago area.

Mr. and Mrs. Richard Lowenstein, also of Chicago, were at their Michigan ave. home as were Mr. and Mrs. Julius Gilbert of Detroit who have had as their guests Mrs. Adeline Hershfeld and son, Mrs. Nicholas Gimble and children, Mr. and Mrs. Edwin Rosendahl, and Mrs. Robert Newman, all of Detroit.

Mr. and Mrs. William Eisendrath Jr. and son, Charles, of St. Louis, Mo., were at their farm overlooking the South Arm of Lake Charlevoix.

Mrs. Ernest Loeb and her house guest, Mrs. Claude Nathan, have returned to Chicago after spending several days at her home on the south sbore of Lake Charlevoix. The former's daughter, Mrs. Jane Silberman, her children and five young guests, all of the Chicago area are still here, spending every dsylight hour on the skl slopes.

Denny Engleman, a younger summer resident, returned with five guests, Charles Dixon, Ronald Foreman, Linda Harrison, Carol Johnson and Beryl Foreman, to spend five days of their Christmas holidays at the Arthur Ranger bome while skiing in the area. Robert Nathan Jr. and his guests, Robert Marx of Chicago also stayed with the Rangers while here.

In 1884, the first private bath was introduced in an American hotel. In 1958, hotels and resorts invested over $19,000,000 in daily newspapers to inform the public of their luxurious accommodations.

Cornelius Geiken, Bank Official, Rites Held Monday

Cornelius D. Geiken, 83, vice president of the Charlevoix State Savings Bank, died unexpectedly at his home at 303 Belvedere ave. early Saturday.

A Requiem Mass was held at St. Mary's church Tuesday with the Rev. E. Francis Denay, assisted by Rev. C. G. Klimowicz of Elmira and Rev. Jerome Szydlowski of Boyne City, officiating. Burial was in St. Mary's cemetery. The body reposed at the family home where the Rosary was recited Monday evening. The Winchester Funeral Home was in charge of arrangements.

Born in Charlevoix Jan. 13, 1896, Mr. Gelken was reared here and later lived in Marquette for 28 years. In the upper peninsula city he was active in husiness and banking circles. Following his retirement about 1948 he returned here to make his home. In 1949 he was married to the former Mary Margaret Orlowski at Morengo, Iowa. They returned here to make their home. He has served as a director of the Charlevoix State Savings Bank since Jan. 9, 1951, and was named vice president in 1961. He was a member of St. Mary's church.

Besides his wife, he is survived by a son, Gelk L., at home and a brother, Harold C. Geiken of Charlevoix.

Montgomerys Have Visiting Grosbeaks From Northwest

A flock of evening grosbeaks, natives of the northwest United States have strayed from home. Last week there was a flock of about 30 dropped in at the bird feeding station of Mr. and Mrs. Lawrence Montgomery at Oyster Bay. Mrs. Montgomery reports they are eating about two pounds of sunflower seeds a dsy.

The evening grosbeak is related to the European hawflinch family, according to the Webster International Dictionary. They are most common in the northwest but some of the birds occasionally stray to eastern Canada and the New England states.

Many birds that remain here during the winter months are finding the Montgomery feeding station a haven for food and the Montgomerys apparently enjoy the companionship of their many feathered friends.

Kiwanians Plan 1962 Activites

The Charlevoix Kiwanis club will begin its activities for 1962 with a dinner meeting at the Charlevoix high school cafeteria at 8:30 p.m. Monday, according to Glenn B. Snider who will assume his duties as club president at the meeting.

Plans for the installation of officers to be held at Birchwood Farms outside Harbor Springs on Jan. 15 will be made at Monday's meeting. New officers of the Petoskey and Harbor Springs clubs as well as local officers will be installed at this meeting.

Contest Develops for Mayorship in February Primary

One contest developed as the deadline for filing nominating petitions for the February Primary election passed at 4 p.m. Saturday.

The contest will find second ward alderman, Richard Donaldson, opposing incumbent E. D. Hawley for the office of mayor.

Donaldson has served as alderman from his ward for 3 years. Hawley served as first ward alderman before seeking election to the office of mayor last spring.

Other incumbents who filed nominating petitions late last week were second ward alderman, Kenneth Staley, and second ward supervisor, Jonh Uhrick.

Earlier, other incumbents had voiced their intentions to seek re-election to their respective posts by filing nominsting petitions. They are: city clerk, Hugh Mayne; city treasurer, Annabelle Cunningham; aldermen: William E. Fochtman, first ward, and Jack Grubaugh, third ward; supervisors: Ivan A. Phillips, first ward, and Harry Gebeau, third ward.

Residents of the community who are not registered to vote in the Feb. 19 primary election may do so by going to the office of the city clerk in the city hall before Jan. 20 to register. In order to vote in the election, a person must be a U.S. Citizen, a resident of the state for six months and of the city for 30 days prior to the election.

To Present Consolidation Proposal at PTA Meeting Wed.

The proposed consolidation of the Central Lake aad Ellsworth school district with the Charlevoix schooi district will be the subject of the program at the regular meeting of the Charlevoix P.T.A. to be held at the high school cafeteria at 8 p.m. Wednesday.

Representatives of the five major committees which conducted surveys on various phases of the proposed coasolidation will be on hand to present reports on the findings of their respective committees which only recently completed their work. Among the topics studied were finance, curriculum, building and facilities, transporation and community potential. A question and answer period will follow.

Committee representatives will be present from all three communities in an effort to present a true picture of the situation.

In announcing the meeting, Mrs. J. L. Feindt, president of the P.T.A., sald that the prime purpose of this meeting is to present the findings of the various committees as they have been complled and not to make any recommendations regarding the proposed consolidation. "Only by acquainting the residents of the areas involved with the facts can we expect them to be in a position to draw their own conclusions. That will be the aim of this meeting, she added.

Wednesdsy's meeting will not be confined to P.T.A. members but will be open to residents of all three school districts who are interested in learning more about the proposed consolidation.

A brief business meeting will precede the program arranged by the program chairman, Fran Martin.

The Fuel and the Spark

The patent system, as Abraham Lincoln once put it, "adds the fuel of interest to the spark of genius." By offering the chance of reward to someone or some organization that succeeds in producing something new, useful, and desirable, it is a powerful stimulator of imagination, research and experiment. It deserves much of the credit for modern living standards.

Yet a proposed federal law would all but eliminate the patent incentive in an extremely important phase of life—the production of drugs. Specifically, it would reduce the length of a drug patent from the present17 years to only three. Then the drug's developer and producer would have to license it to any competitor who applied.

A Saturday Evening Post editorial cited Lincoln's words and said: ". . . what will happen to the effort to produce more effective medicines and drugs if a manufacturer need only copy a drug invented by a competitor, instead of spending his own money on research in the hope of making a better product? How much will a drug manufacturer spend on research if he knows in advance that his exclusive right to the product of his investment has been cut so drastically . . . ?"

There is no "sure thing" in drug research. A manufacturer may spend large sums of money and develop nothing of value. In other cases, a successful product may prove profitless because the market for it is small—even so, it can mean the difference between life and death to certain sufferers from disease. The great virtue of the patent system is that it spreads the risk, and offers the incentive to take long financial chances. And the result, so far as the pharmaceutical industry is concerned, is longer, healthier, and happier lives for millions upon millions of us. Why discourage medical progress with legislated handicaps?

Jigsaw Puzzle

For years the people have heard Congress talk about revising the federal tax system, but the result is only more and more complicated laws and administrative rulings by the Internal Revenue Service.

Commenting on our jigsaw puzzle, the federal tax system, columnist David Lawrence said, "that national growth is being impeded. . .and even discouraged" by it, and that "the greatest obstacle to national growth is the federal government itself, aided and abetted by demagogic politicians and narrow-minded economic advisors in the government."

Even a small business and many individuals require a lawyer or public accountant to make out federal income tax returns. This amount to an addition to the tax load.

Ralph T. Moore writes, in the Oregon Voter: "The popularity of subsidy and federal aid is great and no one wants to let go of a good thing, once he gets it . . .its grip on the public fancy is hard to break because it demands little of the citizen by way of effort while freedom demand much. It can easily outbid freedom in the market-place as a consequence . . . Our only hope is for a renaissance in American grass-roots thinking, a restoration of grass-roots instinctive demand for reason and the sanctity of solvency."

"The federal government is, among other things, the largest electric power producer in the county, the largest insurer, the largest lender and the largest borrower, the largest landlord and the largest tenant, the largest holder of grazing land, the largest holder of timber land, the largest owner of grain, the largest warehouse operator, the largest ship owner, and the largest truck fleet operator. For a nation which is the world's principal exponent of private enterprise and individual initiative, this is a rather amazing list."—Plano (Ill.) County News.

Michigan Mirror

BY ELMER WHITE

INSTALLMENT BUYING and "charge it" plans have grown in popularity with increasing speed in recent years.

Like many mushrooming facets of America's economy, the buy-now, pay-later plans have led to many problems for the consumer, probably the greatest of which is staying within a budgeted income.

With the growth in the use of credit purchasing, a large number of Americans have found themselves over their heads in debt. Others, classed as opportunists or enterprising businessmen depending on how you look at it, found this a chance to help themselves while managing other people's affairs.

* * *

"Debt management" came into the vocabulary only a few years ago. It means the planning and management of the financial affairs of a debtor for a fee.

A wage earner who has a lot of creditors hounding him for payment and threatening repossession garnishment or worse, may hire a debt management firm to work out a compromise with the creditors, for a percentage fee.

* * *

xperience in Michigan indicated some of the debt management firms which arose nearly overnight were abusing the purpose of their existence.

Corporation and Securities Commissioner Raymond F. Clevenger said reports indicated some "unscrupulous operators" entered the field.

"It is said that in some cases money turned in (to the manager) is not passed on to creditors; that there are exorbitant forfeiture penalties when management plans are dropped and dishonest advertising and other abuses," said Clevenger.

* * *

Before the 1961 session of the legislature, the wage earner had only his own resources to rely on to correct any abuses. Most individuals who found themselves the victims of unreliable debt management programs had enough problems without adding this, lawmakers thought.

The more ethical segments of the debt management industry were also anxious that a policing job be done to get rid of the undesirable practices.

This year Michigan became one of the few states which regulate the business of debt management by license.

* * *

"The new law provides that a debt management licensee must show financial responsibility, experience, character and general fitness to warrant belief that the business will be operated fairly and honestly," Clevenger said.

Insurance of payment relays is provided in the law through a requirement that licensees keep a separate bank account for the benefit of creditors and a 15-day time limit is imposed on the remission of funds to creditors.

* * *

LEGISLATIVE APPORTIONMENT, a possible Achilles' heel for Michigan's Constitutional Convention, may not be as tough a problem as it has been considered.

A plan presented to a con-con committee during its early sessions apparently has gained bipartisan support outside the convention hall.

The proposal was first voiced some years ago by former Democratic State Chairman Neil Staebler. It was presented to the Con-Con committee by present Republican Chairman George Van Peursem.

It called for a skeleton of State Senate apportionment with an automatic revision clause for each 10-year census. This seemed to fit what authorities say should be in a state'a constitution: just framework.

* * *

The plan called for a 35-member Senate elected from districts to be spelled out in the Constitution. Each district would have seven members in the Senate. The representational units within each district would, or could, be changed every 10 years as necessary to adjust to population changes.

Although not a final solution, because apportionment of the Senate seats themselves would be left up to the legislature every 10 years, the proposal seemed to have a good chance to take some of the string from the apportionment problem.

* * *

The spirit of non-partisanship in the Constitutional Convention went with the wind in discussion of some relatively minor employe appointments so party support of proposals will probably be a prime factor in their success.

If Staebler, still a strong voice although no longer chairman of his party, and Van Peursem can agree on a solution it would appear the Con-Con delegates have a good chance of finding an answer.

There can be little doubt that agreement on apportionment would make the job of selling the Convention's product to the people much easier.

Uncle Charlie... Voix

Chides an' Chuckles

My New Year's resolution is to try and do a better job than I did in 1961, trying to give some of the comments, good or bad, as I hear them here and there.

First off, I have heard any number of people comment about the Christmas decorations on the main street. I can go along with that. In fact one of our regular summer residents from Detroit said it was the prettiest street decorations he had seen. I don't know who was responsible for it all but they should be congratulated.

* * *

I notice we have had some letters about the city operated electric business. The Courier should give us more information as to what is is all about. It looked to me that the city had a good chance to get out of the power business at the right time and be ahead of the game. Of course there could be some facts I don't know about and maybe there are others just as uninformed as I am. All the letters to the editor are giving me my ideas.

* * *

While I'm griping I might just as well get another one out of my system. It's the way these television operators gyp the listener by cutting in on a program with a commerical before the program is completed and then cut in on the commercial before I know what the commerical is all about. One of these days I'm going to give you a story to show you what I mean.

* * *

When I tried to make some New Year's resolutions I figured there were so many that I should make I got discouraged. However, I have decided on one thing. There's no use of trying to keep up with the Joneses when I can't keep up with myself. That could apply to a lot of people besides me.

How come nothing has been said about the attractive decoration on the Sundew. They were a mighty pretty sight in the harbor at night.

The couple has two daughters, Mrs. (Gladys) Hayes of Owosso and Mrs. Elmer (Florence) Reiter of Detroit and a son, Elmer Gibson of Charlevoix. They also have three grandchildren.

Mr. and Mrs. Larry Earl Smith Are Living in Ann Arbor

Mr. and Mrs. Larry Earl Smith, who are living in Ann Arbor where both are students at the University of Michigan, visited here over the New Year's weekend for the first time since their recent wedding at Our Saviour Lutheran church in Detroit.

The bride is the former Dorothea C. Steudle, daughter of Mr. and Mrs. Otto H. Steudle of Detroit. Mr. Smith is the son of Mrs. Mary B. Smith.

The Dr. E. H. Bucheimer officiated at the double ring ceremony before an altar decorated with arrangements of white mums and lighted by candlelight in the presence of 90 guests on Dec. 2. Harlan Dittmer of Stoney Point played the wedding march from "Midsummer's Night Dream" and the processional "The Triumphal March" from Wagner's "Lohengrin".

Escorted to the altar by her father, the bride chose a street length gown of white silk taffeta for her wedding. The gown was fashioned with a scoop neckline, short sleeves and bouffant skirt with a taffeta rose at the waist A similar rose secured her fingertip veil. She carried a colonial bouquet of white carnations.

Toby Chapman of Grosse Pointe as maid of honor wore a gown of moss green lace over taffeta and a matching headdress and short veil. She carried a colonial bouquet of yellow pompoms.

Ralph D. Miller of Detroit assisted the bridegroom as best man. Seating the guests were Peter H. Steudle, brother of the bride, and Herman Steudle, cousin of the bride, both of Detroit.

Mrs. Steudle selected a beige brocade sheath, beige pill box hat with fingertip veil and accessories and a corsage of yellow pompoms for her daughter's wedding. Mrs. Smith, mother of the bridegroom, wore a white wool sheath with moss green accessories and yellow mum corsage.

A dinner dance and reception followed at Embassy Hall.

The couple makes their home at 408 East Kingsley in Ann Arbor.

The bride is a graduate of the University of Munich in Germany and at the University of Michigan is a doctoral candidate and teaching fellow in the German Department. She is affiliated with Alpha Gamma Delta sorority and Delta Phi Alpha and Pi Lambda Phi, scholastic honor societies. Mr. Smith is a 1958 graduate of the Charlevoix high school and is a senior student at the University where he is majoring in English with a minor in foreign languages.

Mrs. Sutton Feted On 95th Birthday

Mrs. Emma Sutton, one of the community's oldest residents celebrated her 95th birthday anniversary Thursday, Dec. 28.

In observance of the occasion an open house was hosted by her daughters, Mrs. Henry Hammond and Mrs. Fred Trimble assisted by her granddaughter, Mrs. Carl Johnson and Mrs. Gene Stone.

More than 25 friends and neighbors called on Mrs. Sutton to wish her a 'happy birthday'. She was presented with many cards and gifts including a beautiful bouquet from her granddaughter, Mrs. C. O. Turner of San Diego, Calif.

Mr. and Mrs. Peter B. Crist of Hayes township spent the holidays in Kingsville, Tex., with their son and daughter-in-law, Mr. and Mrs. Rex Bebee and family. Mr. Bebee is stationed there with the U. S. Navy.

IN MEMORIAM

In loving memory of our dearest husband, father and grandfather, Charles Tuhy, who passed away January 2, 1956, five years ago today.

We often think of those happy days,
When we were all together,
His loving smile and cheerful ways
Will live in our hearts forever.
His memory still is ever dear
Though many times he seems so near,
Though oft with tears our eyes do fill,
We trust in God, it was His will.

Sadly missed by his wife, Mary; daughter, Anne Staley and all grandchildren. 3c

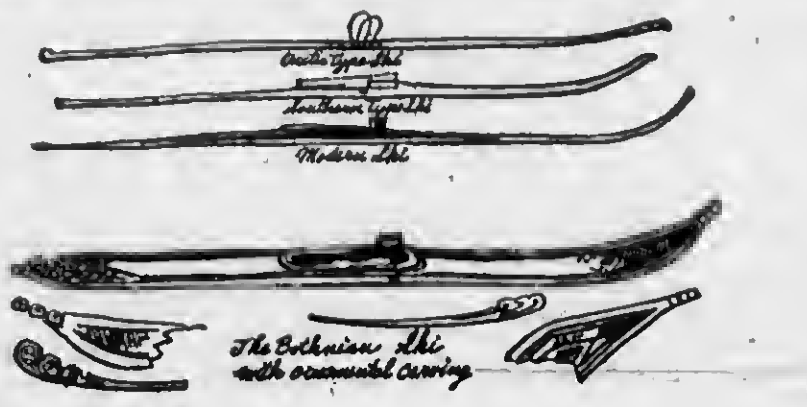
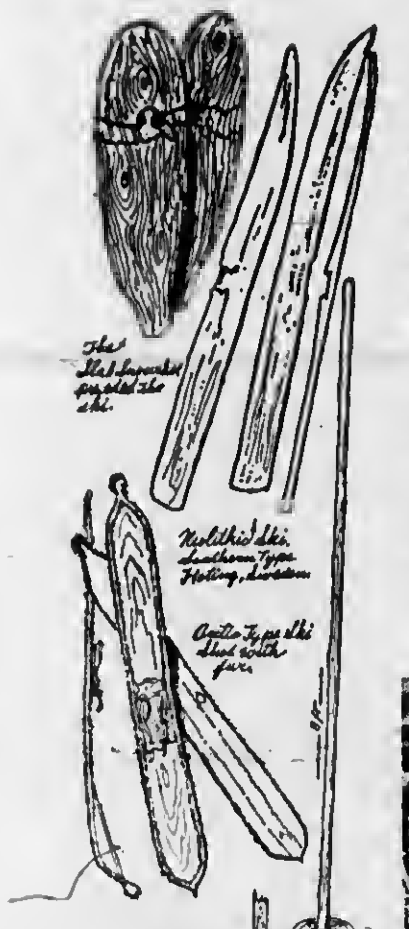
the History of Skis





The Slab Snowshoe preceded the ski.
Neolithic Ski Southern Type Hoting, Sweden
Arctic Type Ski shod with fur.
Early Snowshoe staffs

Today's sleek-styled ski, a popular piece of equipment to thousands of winter recreationists in Michigan, had its beginning at least 5,000-6,000 years ago somewhere in central Asia. At that dawning stage in its history, the ski was a crude plank-type affair shaped much like the snowshoe. From this birthpoint, it journeyed westward into Scandinavia, Europe, and northern Russia where two basic designs came into being: The Arctic and The Southern. Both of these ski types are still used today in that region. The Southern type is the direct ancestor of modern racing skis. Somewhat later, the Bothnian ski appeared, featuring ornamental carvings on the toe and heel. Unlike the earlier styles, the toe of this ski has a pronounced upward curl, similar to the present-day design. Finally, the narrow Central Nordic or Modern Type ski entered the picture. Although the ski has passed through many changes in styling, its basic design is pretty much the same as it was thousands of years ago. Perhaps the biggest change is in the use of skis. Originally developed as a vital means of survival, they are now mainly used for recreation. Upwards of 165,000 skiers are expected to streak down mountains, hills, and slopes in Michigan this winter.

Mich. Dept. of Conservation

The ski is brother to the snowshoe. Both are "devices attachable ot the feet that enable the wearer to travel on snow." Both come into being somewhere in Central Asia at least 5,000-6,000 years ago.

It's still open to question as to which was developed first, but in their most primitive form both the snowshoe and the ski were about the same shape and served about the same purpose.

The difference then was that the snowshoe was probably constructed of a branch bent into a circle, tied with thongs, and cross-laced with other branches. This flimsy contraption was then tied to the foot with more thongs.

The grand-daddy of the ski, meanwhile, was constructed of a plank-shaped piece or pieces of wood about the aame shape as the circular snowshoe, and was likewise attached to the feet with thongs.

From this birthpoint, however, the ski went its own separate way, both geographically and in its pattern of development. While the snowshoe was carried eastward across Siberia, through Alaska, and down into all the snowy reaches of North America, the ski journeyed westward into Scandinivia, Europe, and northern Russia.

As the snowshoe became a characteristic of North American Indian culture, so the ski likewise became a characteristic of that Eurasian part of the world.

Starting from central Asia 4,000-5,000 years ago, the modern ski thus began its slow evolution into the highly developed form known today.

For easy discussion, scholars have divided the development of the ski in the Scandinavian-European-Russian area into two basic designs: The Arctic and The Southern.

The Arctic-type plank snowshoe, or early ski, is probably the older of the two. It extended its range generally across northern Siberia and down into Sweden, where one particular specimen, the Kalvstrasks ski, was found by scholars and has been dated at 2,000 B. C., the end of the Neolithic period.

This ski is a flat, plank-like affair with a planed underside, a footrest level with the upper surface of the ski, and having a pointed toe and squared heel. The toe was curled upward only very slightly. This ski was attached to the foot by thonga which passed through two pair of holes cut up-and-down through the thickness of the ski.

These holes were connected on the underside of the ski by groovea so the thongs could lie flat against the wood and not interfere with the sliding action of the aki.

The arctic type, a very simple ski, is still in use among the northern people in the region where it was developed.

The oldest known pictorial representation of skiing is a carving on a rock found in northern Norway, dating from about 2,000 B.C. Probably this depiction was of Arctic-type skis.

This is a Stone Age drawing, but while it is a very old scene, skiing was undoubtedly used long before this date for all sorts of travel, hunting, and military purposes.

The Southern-type ski is found in a more restricted range in Scandinavia, Europe, and west-central Russia. It is the direct ancestor of modern racing-type skis.

Earliest Southern-type ski thus far discovered is the specimen found near Hoting, Sweden, which was in use about 2,000 B.C. Both its upper and undersides were planed smooth. Like all Southern-type skis it has a raised footrest, a feature lacking in the Arctic types.

The Hoting specimen has evidence of raised side rails made of wood which served about the same purpose as the wedge-type metal clamps in use today. It also has a horizontal hole drilled through the footrest, indicating that some poor Neolithic Swede got tired of repairing these rails which broke easily and just drilled a hole through the ski to attach it to his snow-numbed feet.

Like modern akis, the Hoting specimen had a pointed toe and squared heel.

A somewhat later example, the Bothnian, was a very handsome ski dating from about 1,000 B. C. to 1,000 A. D., a time when this type appears to have been common in Sweden. It is a fairly short ski, having a slight arched appearance similar to modern skis.

The footrest is raised and indented from the edges of the ski, and has a depression where a moccasin-clad foot can rest comfortably. Its most interesting features are the highly developed ornamentations carved into the toe and heel.

Finally, the so-called Central Nordic or modern type dates from 1,500 to 1,600 A. D.,and this is a rather narrow ski compared with the broad earlier types. 8he underside of this ski is scored with longitudinal grooves, similar to present-day racing skis, but these grooves might have been in various shapes along the length of the ski. Their purpose was to give track, much as a keel keeps a sailboat from sliding sideways.

As for ski poles, those used today are the direct grandchildren of the snowshoe staff, which in turn is the direct descendant of the ordinary walking staff.

As used with skis in Scandinavia, the single pole was about eight feet long, had the snow wheel at the base, and was fitted with a sharpened point of bone or antler.

Today there are three chief types of modern skis: downhill, jumping and cross-country. The downhill ski normally has a single longitudinal groove along the underside jumping skis are longer, wider, thicker and heavier than downhill skis and ordinarily have three grooves in the bottom. They have no steel edge. Cross-country skis are narrower and lighter in weight than downhill skis and often are made of woods other than hickory. They have one groove but no metal edges.

The ski has passed through many changes in styling, but its basic design is pretty much the same as it was a thousand years ago. Perhaps the biggest change is in the use of skis. Orginally developed as a vital means of survival, they have since come into their own for winter sport and recreation.

The real beginning of akiing as a competitive sport atarted in Norway only as recently as 1667. The idea was taken up in California in 1870. The first aki club in this country was formed at Ishpeming, Michigan, in 1900.

Now Michigan alone has more than 70 active ski centers, scattered a poles length from downtown Detroit all the way to Iron Mountain. Upwsrds of 165,000 skiers are expected to streak down mountains, hills, and gentle alopes of these centers this winter.

It is, indeed, a truly new use for an old method of snow travel.

If you find life is empty, try putting something into it.

Some orators don't seem to understand the difference between eloquence and endurance.

A man whose normal weight is 150 pounds would weigh about 50 pounds if all the water in his system were dried up.

In 1696, "Dorothy Dix"—Mrs. Elizabeth M. Gilmer—began her column of peraonal advice in a daily newspaper. It was the first popular "advice to the lovelorn" featured in newspapers. Today, most newspapers offer helpful and informative features on personal problems.

Rayders Drop Game to Petoskey 53-51

* * *

Tie Score Three Times In Final Period Of Holiday Game

In a seesaw battle in which the lead changed nine times and which saw the score tied three times in the final period, the Charlevoix Rayders dropped their traditional holiday game to the Petoskey Northmen by a score of 53 to 51.

Petoskey jumped into a 6 to 0 lead before Charlevoix found the bucket after countless tries and came back to knot the score 8-all as the first eight minutes of play ended.

The second quarter found the Rayders outscoring their hosts 18 to 15 for a 26 to 23 halftime advantage.

The Rayders managed a slim lead as the second half got underway and at one time held a five-point lead only to have it trimmed to 37 to 38 at the three quarter mark.

During the final period, the Rayders held a one-point lead with 1:45 remaining though the lead had changed several times and the score had been tied three times. As time ran out and Charthe free throw line to go ahead levoix battled for possession of the ball, Petoskey scored from 53 to 49 before George Majors dumped in a bucket as time ran out.

Stan Martin who left the game with five personal fouls in the final minute of play paced the scoring for the Rayders with 12 points followed by Frank Curtis with 11; John Pearl with 10; Majors with nine; Dave Rader with seven and Dan Pearl with two points. Henry Wagner and Tony Duerr also saw action.

Duane Cilke had 15 and Hugh Smith 13 points for Petoskey.

Petoskey won the game from the free throw line scoring on 15 of 23 attempts while collecting 16 personals fouls. Charlevoix connected on nine of 22 attempts and had 17 personal fouls. The Rayders, however, outscored Petoskey 21 to 19 in the field goal department.

Little Rayders Dump Petoskey Reserves 65-28

Charlevoix's Reserves got back on the victory trail at Petoskey Friday night by dumping the little Northmen 65 to 28.

The young Rayders squad jumped into a 16 to 6 first period lead, increased it to 32 to 14 at halftime and 47 to 23 going into the final period.

Gary Stutzman paced the victors with 15 points followed by Pete Ance with 10; Rick Miller with eight; Brendan LaBlance and Bruce Kroken with seven each; Jim Uhrick with five; Larry Edwards and Jim Stewart with four each; Dave Smith, and Jon Damon with two each and Jerry Uhrick with one.

Vic McPhee had eight and Leon Kilmer had seven for the Northmen.

It takes 50 railroad cars to transport the New York City telephone directories from Chicago which prints the major volume of the nation's telephone directories.

This Week With Class "C"

The eight teams of the Northern Michigan Class C league will open the 1962 section of their current schedule Friday against loop rivals.

The evening's activity will see the four teams now sharing first place taking on other league rivals. Charlevoix will travel to East Jordan, Boyne City will play at Mancelona, Pellston will invade Gaylord and Grayling and Harbor Springs will clash on the latter's floor.

Charlevoix will be defending its hard-won first place standing against one of the two cellar dwellers when they play at East ordan this week. Favored by virtue of their standing, the game could be a close one for the Jordanites are always a tough adversary on their home floor.

The Boyne City Ramblers who were toppled from the ranks of the undefeated by Pellston in their last game before the holidays should have no trouble with last place Mancelona.

The big Pellston outfit may find the going rough at Gaylord but should come through unscated though the score may be close.

The Grayling-Harbor Springs game is expected to be the game of the week with the Vikings favored only because they now share first place. The Harbor Springs outfit could be a spoiler,

VOTERS IN THE STATE are sometimes criticized for their lack of interest in local and state elections, and frequently their decisions on public officials are viewed as less than educated, at least by some.

In Michigan's most recent state election, however, voters who turned out have much for which to be proud. The delegates elected by the people last September to the Constitutional Convention are gaining high praise in all quarters.

The Citizens Research Council, a non-partisan organization, has lauded the convention as having several evident indications that it is "something special."

• • •

"There is, first, the indefinable sense of awareness on the part of the delegate that his are special powers; his, a special mission," a council report said. "One cannot help but be struck with the zealousness of these delegates."

State legislators often are criticized for their inactivity. The council says this criticism cannot be imposed on convention delegates. "Frequently a delegate on more than one substantive committee finds himself attending meetings from 8:30 a.m. until early afternoon before the mid-week general sessions."

Some would contend the $1,000-a-month salary induced the high degree of interest in the work the delegates are doing. This, according to many, does not follow.

• • •

The major occupational group in the convention membership is the law profession. According to some sources, a good attorney with his own practice or in a partnership loses $100 in wages and overhead costs every day he is away from his office. This would put the lawyer delegate at quite a loss financially.

From all appearances the voters, and not the high salary, can be credited for sending to Lansing highly-qualified and interested delegates to Michigan's Constitutional Convention.

• • •

MICHIGAN'S WEATHER VARIATIONS are often the subject of complaint-filled conversations, but the State Highway Department is one of the few groups which says the element changes here are something to boast about.

Department officials have high hopes the great variety of weather in the state will have a favorable effect on federal consideration of Michigan as a place to build an electric highway.

Michigan is one of several states being considered in Washington for the placement of a pilot project on electronic roadways.

• • •

"An electronic highway in Michigan would be tested in many different kinds of weather," said Commissioner John C. Mackie. "The results of this testing then would be far more applicable to far more states than if the test were undertaken in a state where the seasonal weather changes are slight."

The department also views the project, where cars would travel at great speed under automatic controls as an immense tourist attraction.

"If we get it, it would be expected to bring observers from all over the world here," Mackie said.

• • •

Money or the lack of it has plagued Michigan's lawmakers for three years running. There is little sign of relief from this problem.

• • •

Since 1959 the general lack of money, which built up a $71.5 million deficit to the end of the last fiscal year, has been noted so often it has overshadowed the voices which so frequently said, "We need it most."

Among the loudest in the chorus of money seekers have been the spokesmen for higher education, and perhaps justifiably so.

• • •

The Michigan Council of State College Presidents has in recent years become the spokesmen for the nine state-supported institutions of higher learning.

One of their arguments that colleges and universities have priority rights to Michigan tax revenues is based on a survey that shows 80 per cent of all Michigan college students are in public institutions.

In the neighboring states of Ohio, Indiana and Illinois, the percentage is 50 and it averages lower in the northeastern states, according to M.M. Chambers, the Council's executive director.

Because more Michigan students seem to prefer public institutions, the Council contends funds must be made available to keep a high quality of education available in these schools.

There was plenty of treachery in the fluffy white snow that covered the area the past weekend. Its weight threatened many of tha more or less flat roofs and the weight was too much for the roof at the Erber Auto Co. 103 Clinton st. Four cars were buried under the snow and splintered lumber when the roof collapsed early Sunday morning.

Many Charlevoix business places Monday morning were "digging in" in order to get the doors open as a result of the heavy snow and winds that swept over northern Michigan the past weekend. The above picture was takan in front of the Courier office after the walk had been shoveled out to get the door open.

Emmet Names Charles E. Robinson Deputy County School Supt.

Charles A. Robinson, Charlevoix county superintendent of schools for the past eight years, has been named deputy county school superintendent for Emmet county.

He succeds Bruce T. Blanchard who assumed a position as Ionia county superintendent Jan. 1.

Mr. Robinson will coordinate the work of the two counties during the remainder of the school year and will act officially in behalf of Emmet county in all issues regarding the office.

The action was approved at a joint meeting of the Charlevoix and Emmet county boards of education last week.

In releasing the announcement regarding the appointment, Mr. Robinson said that both the Charlevoix and Emmet county offices would remain open and that the operation of the two offices would be facilitated by the extended area telephone services which makes it possible to contact most schools in both counties from either office.

Mr. Robinson was a teacher in the Boyne City school system when he was appointed Charlevoix county superintendent of schools eight years ago.

A graduate of Central Michigan University with a master's degree in education from the University of Michigan, he has been active in many phases of his work, having served as president of the Michigan Association of County School Superintendents in 1960 and as chairman of its legislative committee the following year. He is secretary-treasurer of the Northern Michigan School Superintendents Association. He also served Bay township as a supervisor for 13 years; is a past president and board member of the Petoskey Area Child Guidance Clinic and has served as county chairman for the annual March of Dimes for five years.

His office is located on the second floor of the Charlevoix county building.

Abstract Company Assigned Agency By Western Union

The Charlevoix Abstract & Engineering firm operated by Mr. and Mrs. J. L. Feindt has been designated a full-time Western Union agency, it was anounced last week by George Herbert, district manager.

Prior to tne recent appointment the local firm handled the business during the winter months and Western Union employees took over the business during the summer. Under the new arrangement office hours during the winter and summer months will be maintained as in the past, Mr. Feindt said. The Abstract firm will be responsible for providing personnel to maintain the service.

Lions Schedule Charter Night Dinner, Jan. 20

Plans for the special charter night dinner scheduled for Jan. 20 were disclosed by Hal M. Hill, general chairman of the event, at the regular meeting of the Lions club held Monday noon at the Weathervane Inn.

The charter night dinner will be held at St. Mary's school hall at 7 p.m. Saturday, Jan. 20, and will be attended by several district and state officials as well as members of the sponsoring club, the Petoskey Lions club.

Edward K. Shanahan, delegate to the Constitutional Convention from the Charlevoix district, was the guest speaker. He spoke on the progress of the convention to date.

Paul Kohler and Jack Erber were installed as charter members of the club which now boasts 24 members. Max Hosmer attended the meeting as a guest.

Dean Davenport, speaking in behalf of the club, expressed their gratitude to all local stores who cooperated in the club's Christmas basket project and to all those who contributed food for the needy to the project.

Paradise is not a locality—it's a state of mind.

Argonne Under New Management

The Argonne, located off US31 on the Boyne City road, is now under the management of Mr. and Mrs. Herbert Moore and Mr. and Mrs. Ted Ager, it was announced this week.

The popular eating place and night spot will be open every night except Monday night. The dining room will continue to feature its famous shrimp dinner which is 'imitated but never equalled' as well as fried chicken and other special foods.

Mr. and Mrs. William Matzinger who have owned and operated the club for a number of years plan to leave shortly to spend the remainder of the winter in Florida.

Kiwanians to Hold Joint Installation With Area Clubs

The Charlevoix Kiwanis club will join with Petoskey and Harbor Springs for a joint diner meeting and installation of officers to be held at Birchwood Farms Monday, Glenn B. Snider, president of the local club has announced.

A round table meeting will be held at the Weathervane Lodge at 5:30 p.m. before the members proceed to the dinner meeting.

At Monday's dinner meeting at the high school cafeteria, the Rev. Dudley Bur, pastor of Emmanuel Episcopal church in Petoskey, was the guest speaker. His subject was "The Usual Business", which included an analysis of American business and free enterprise.

It was announced that the midwinter Kiwanis convention would be held in Flint, beginning Friday.

Perfect attendance pins were presented to: Leonard Burns for 11 years; Glenn Snider for nine years; Harold Totten, six years; Jack Uhrick and Arthur Osborn, two years and Gerald Selph and Glenn Kenney, one year.

Richard Worfel was a guest at the meeting.

Final Rites Held Monday for Wife of Former Resident

Mrs. Victor H. Hampton, wife of a former resident who is a widely known Detroit attorney, died Friday at Harper Hospital in Detroit.

Funeral services were held Monday at the Armstrong Funeral Home in Detroit. The body will be returned here for burial in Brookside cemetery.

A native of Alpena, Mrs. Hampton has lived in Detroit since her marriage.

Besides her husband, she is survived by two daughters, Mrs. Sharon McCollough of Grand Rapids and Mrs. Janet Morrison of Royal Oak and four grandchildren.

Morweld Steel Awarded U. S. Army Contract

Ellsworth—The Morweld Steel Products Corp. has been awarded a sizable contract by the U.S. Army Signal Supply Agency, Jack VanLoo, vice president of the local plant, has announced.

The contract is in the amount of $413,000 for reels for wire of various types used by the Army Signal Corps.

This is the second major contract awarded the company during the past three months. In November a $559,000 contract for underwater sound signals was awarded the company by the U.S. Navy.

The company has been located in Ellsworth since 1952. Prior to that time it was operated briefly at Charlevoix.

In announcing the receipt of the contract from the Signal Corps, Mr. VanLoo said it was impossible to determine at this time what the two contracts would mean, employment-wise, to the community.

Initial delivery of the reels is scheduled for late July of this year.

Two Car Crash Kills Ellsworth Business Man

Charlevoix county recorded its first traffic fatality late Saturday afternoon when Joseph F. Bugai, 71, of East Jordan, was killed outright in a two-car crash ¼ mile inside the Charlevoix-Antrim county line on the East Jordan-Ellsworth road. The accident occurred on a slippery highway during a severe snow storm.

The driver of the second car involved in the head-on collision was Alfred Hoeksema, 43, of RR 1 Ellsworth who was uninjured. His wife, Susan, 45, who was riding with him was taken to the Charlevoix hospital via ambulance for treatment of a fractured left femur, mutiple abrasions and contusions. Her condition was listed as satisfactory.

Funeral services for Mr. Bugai, owner of the Ellsworth Lumber Co. and widely known in conservations circles, were held at St. Joseph' church in East Jordan Tuesday. Burial was in Sunset Hill cemetery.

Surviving are two daughters; a son; 10 grandchildren; one brother; a sister; six half-brothers; two half-sisters; his step-mother, Mrs. Frank Bugai of Cedar; two step-brothers and a step-sister.

Dairymen Plan Annual Meeting At Ellsworth

The annual dairy meeting for dairymen in Charlevoix and Antrim counties will be held Jan. 17 at the Ellsworth Community hall, Ellsworth, from 10 a.m. to 3 p.m., according to Ed Rebman, Charlevoix county extension director.

The morning session will include talks by four specialists from Michigan State University. Subjects will cover mastitis and how to detect it; good milking, and correct milking machine operation and maintenance. Speakers will be Glen Reed, Don Murry, George Parsons and Ed Kazarain. Mr. Rebman will be chairman.

Walter Kirkpatrick, Antrim county agricultural agent, will be chairman of the afternoon program. Topics for this program will include sanitation, housing, breeding, treatment, and what "dairymen should do tonight."

Immediately after the noon recess, the Antrim-Charlevoix Artificial Breeders association will hold its annual business meeting. This will include the election of two directors. Nominations for the Ellsworth area are Nathan Carpenter and James Rubingh; for the Central Lake area, R. T. Kiessel and Milton Grover.

During the noon recess dinners will be served by ladies of Ellsworth.

Area Hit by First Severe Winter Storm; Most Schools Close

The first major storm of the winter season hit the area last weekend and continued through Tuesday, closing schools in some areas of the county, plugging roads and cutting traffic to a minimum.

On Wednesday, most of Charlevoix county as well as areas south of here, were digging out and life in the north county was slowly being returned to normal.

The storm started Saturday afternoon with a heavy snowfall, buffeted by southwest winds, making visibility poor and highways slippery.

By noon Sunday the Charlevoix county road commission reported that approximately 10 inches of snow, which had resulted in high drifts in some areas, had fallen in the Charlevoix and East Jordan area and seven inches in Boyne City.

The sheriff's department reported that the freakish weather resulted in snow flurries and 20 degree temperatures in Charlevoix, rain and higher tempertures in Boyne City and Petoskey and zero weather in Pellston during the night Saturday.

The swirling snow settled on flat roofs in many areas and Sunday up to four feet of snow resulted in the collapsing of a 30 by 50 ft. section of the roof at the Erber Auto Co. at 103 Clinton st. The roof caved in on three new passenger cars and a pick-up truck, resulting in extensive damage to all four.

Other residents of the area had shoveled piled snow from their roofs early in the day.

County road crews worked all day Sunday, opening all roads in the county to allow traffic to proceed Monday.

However, a snowfall which started Monday afternoon dumped up to 30 inches of snow in the Boyne City-Boyne Falls area and almost as much in the East Jordan area, closing all but major highways on which even snowplows were stuck at times. All but the Charlevoix schools remained closed Tuesday and Wednesday though Charlevoix students who ride buses were returned to their homes shortly before noon Tuesday.

The snow and wind subsided during the night Tuesday and County road crews returned to the job of re-opening highways which had been all but closed by the storm and to opening primary and secondary roads in the area. Charlevoix school buses left the garage on schedule Wednesday morning and transported the majority of bus students to school. Other schools in the county, however, remained closed.

The Charlevoix county road commission reported Wednesday afternoon that all major highways were open and that even the lesser roads were passable and all would be opened late Wednesday if the weather continued to improve.

The winter storm cut a path through the northern area beginning in Mason county and extending northeast through the major part of Charlevoix county as well as counties located south and east of here.

City Plans Survey Of Bellaire Plant

The Charlevoix city council, at a meeting postponed from New Year's Day and held Wednesday, voted to engage an engineering firm to make a survey of the Bellaire hydro-plant with the idea of converting it to semi-automatic status.

The council also voted to ask for bids on a passenger car for joint use by the police and the city superintendent. A 1960 Chevrolet will be offered in trade. Specifications may be obtained at the office of the city superintendent. Bids will be accepted until 8 p.m. Jan. 29.

Lacey Oldham's application for renewal of a taxi license was approved for another year. Taxi licenses must be renewed annually.

Bills totaling $27,773.69 were approved and ordered paid. The total includes $10,045.30 in school taxes paid to the schools, $6,691.17 payroll, $8,395.07 payment to Lake Construction Co. for club-house at municipal golf course and $2,128.50 fuel oil payment.

Marshall Ackert Former Resident Dies Unexpectedly

Marshall S. Ackert, 57, former local resident who had lived in Owosso for more than 30 years, died unexpectedly at his home there Tuesday evening.

Born in Charlevoix, he attended the Charlevoix high school and was prominent in athletic circles. Later he lived in Muncie, Ind., and Flint before making his home in Owosso. He was employed for many years at the Chevrolet Division of General Motors. He was affiliated with the Masonic lodge in Owosso.

Surviving are his wife, the former Mary Pierce; a daughter, Mrs. Stanley Bedelt of Taylor; a son, Eugene M. Ackert of San Bernardino, Calif.; five grandchildren; his father, Morris Ackert and a sister, Mrs. James Novotny, both of Charlevoix.

Funeral arrangements had not been completed Wednesday afternoon but it was expected that services would be held in Owosso later this week with burial in an Owosso cemetery.

Former Beaver Island Resident Dies in Chicago

St. James, Beaver Island—Mrs. Dan Gallagher, 70, former island resident who has resided in Chicago for the past 10 years, died Sunday at the home of her nephew, Francis McDonough, with whom she made her home there.

The body was brought to Charlevoix Tuesday and later will be returned here for burial in Holy Cross cemetery.

Born in Grand Rapids, Apr. 15, 1891, the former Christine Schmidt came to the island with her parents in 1900. She was later married to Mr. Gallagher who preceded her in death in 1943. In 1950 she went to Chicago to make her home and for the next five years was employed at the Marshall Field Co. She was a member of Holy Cross church and its Third Order of St. Francis.

Surviving are her nephew, Mr. McDonough whom she reared following the death of his parents; two brothers, William Schmidt of St. James and Joseph Schmidt of Pontiac and two sisters, Mrs. Mary Parker of Pontiac and Mrs. James O'Donnell of St. James.

Winter Parking Problems

Cars parked on the city streets between the hours of two and seven a.m. are in violation of city ordinance. Owners are subject to a fine for this traffic violation. Thus far this winter both the city police and the street department have been lenient with violators. But if snow continues to build up, it is apparent a rigid enforcement will be necessary if streets are to be kept passable. The least residents can do is co-operate.

Few, if any, cities in northern Michigan do a better job of keeping streets open and snow removed from conjested areas. Already the street department has removed 1,046 loads of snow from the business area along with keeping streets plowed in the residential areas. Parked cars always pose a problem in the operation, slowing the work and adding to the cost.

We have heard the street department critized for coming along with a plow just after a driveway had been shoveled out. Street crews can't time their plowing to meet each individual's wants. If that were attempted most of the side streets would be impassable most of the time and the individual would be shoveling streets as well as his own driveway if he wanted to use his car.

Government Riddles

Is it true that the New Frontier is out where the waste begins?

In the Shasta-Cascade wonderland of northern California, the officials of Trinity county are in a state of considerable confusion. Some time ago centralists from Washington told the county it could apply for help as a depressed area—thus qualifying for low interest loans, technical assistance, urban renewal money and relief to blighted industry.

But let William F. Asbury of the Weaverville, Calif., Weekly Trinity Journal tell the facts of life:

"No one applied for help—and we were still designated as a depressed area!

"It gives one the impression that for his own political reasons someone back east is pointing a scornful finger our way and saying, 'Lie down and be depressed d— you'!

"Meanwhile back at the ranch, Andy Vegel, manager of Trinity County Branch Bank of America, says with understandable enthusiasm that bank deposits are at an all-time high.

"The Weaverville Chamber of Commerce points out that a new supermarket will open soon. A new garage opened recently. Throughout the county the last six months, several new subdivisions have been laid out, and more are planned. With timber, tourism, and tally ho, we aren't likely to fold up like the dust bowl areas of the '30s.

"Big Brother is watching, us alright, but he's myopic."

P. S. On the masthead of the Weekly Trinity Journal appears this biblical proverb: "Where there is no vision, the people perish."

Michigan Offers Diversity

Michigan is Industry Diversification!

Se reads an advertisement today in the Courier. This diversification is an advantage for industry. It provides an industrial market for other manufacturers and it enables them to utilize to the fullest our consumer market. Michigan is the center of the Great Lakes market area, the largest market area in the world.

Let us not be misled, however, into believing that our industrial diversification is sufficient unto our needs. There must be even more. There are areas of industry in which we are small. These should be encouraged to build and expand. Our present industry can diversify even further with the assistance of research facilities at our great universities.

The industry promotion committee of the Michigan Press Association and the Michigan Economic Development Department have done well to point out this diversification of Michigan industry. But more needs to be done and the people of our community are important in achieving this. They can show their appreciation of our present industry and they can clip today's advertisement and mall it to a friend outside our State. That will project them actively into our program for industrial development.

Voice of Our Readers . . .

To The Editor
Charlevoix Courier

The following observations wore written to bring before the grouped committees of some 50 to 75 people from Central Lake, Ellsworth, and Charlevoix working on a master plan to bring about consolidation of the Central Lake and Ellsworth school districts with the Charlevoix district. However, no other publicized general meeting other than the one referred to below, was held. Therefore these remarks are herewith offered as a public letter.

Madam Chairman of the
Ellsworth-Central Lake Charlevoix Consolidation Committees.

There has appeared a new lead-off article in the Saturday Evening Post called the "Voice of Dissent".

As a run-of-the-mine citizen of the City of Charlevoix, I would like to assume for the moment such a role. I have long been an advocate of the consolidation of high schools, especially in counties with separate plants. The value of consolidation can hardly be questioned, but the outline of the areas of consolidation can well be argued.

In attending the composite committee meeting in Charlevoix several weeks ago, I heard the question tossed about concerning community history in voting additional millages, and along with this came the fact that the new Charlevoix High school is already approaching capacity with Charlevoix School District pupils. To accomodate the high school populations of Central Lake and Ellsworth, it was indicated that another building program would be imminent or possibly immediately necessary. A quick look at the millage voting record for the Charlevoix District should certainly preclude any wishful thinking that another building program would be favorably voted in the immediate future.

From a physical health viewpoint, requiring students to spend a total of two to three hours a day on a bus cuts to a thin edge a wise solution of the matter. From a transportation cost standpoint, such a transport distance cannot be economically sound. Whether or not State subsidy will reimburse local expense is beside the point, because it is a question of unwarranted expense in the first instance.

I could not help but toy with thinking how constructive would have been such a meeting, a couple of years ago, between Charlevoix, Boyne City, and East Jordan, a natural consolidation district and by now possibly a single central high school in the making.

A gerrymander school district extending out into another county presents a problem of practically no solution in the matter of equitable assessments and the various political subdivisions bearing their fair share of the school tax load. It is well known among assessing people that the state equalized values of various counties can be and do become far out of equity and that many counties are far below their proper value. A close-to-home example is Grand Traverse County, wherein the state equalized value was nearly doubled two years ago. A State Tax Commission sampling of Antrim County possibly could uncover a comparable condition.

A sampling of Charlevoix County has just been completed and a current figure based on market value set for the county and each taxing unit. In addition Charlevoix County has set up an Assessment Equalization Department to keep the county properly valued and the units properly equalized.

This is to say that a new state equalized value set up for Antrim County is not a solution of equity for the overlapping of county lines by Ellsworth and Central Lake school districts and of their paying a fair share of school cost under consolidation. If an Assessment Equalization Department is not set up hand in hand with a new current state equalized value, the county can become just as far out of line within a few years as it ever was, and resultant inequity would continue to plague a consolidation overlapping county lines.

The conclusion is that the Charlevoix School District cannot feel that it is fair for Central Lake and Ellsworth to join the school district and then proceed to pay only a part of their share. A probable, however presently unprovable, estimate of comparable cost would be, that with Charlevoix District local taxes paying about $100 of student cost, that Central Lake and Ellswortn would pay from $60 to $75. This apparent inequity carries to an even larger degree with Charlevoix District voted and bonding millages, which the taxpayers of Central Lake and Ellsworth school districts would have to assume by majority vote.

This all leads up to a final concept of what a natural consolidation area the Ellsworth, Central Lake, and Bellaire school districts would be. None of the foregoing difficulties could be pointed up for such a district and all of the benefits to be realized from consolidation would be theirs.

Plainly speaking, now is the time for Ellsworth, Central Lake, and Bellaire to forego their provincial jealous thinking and to do for each other what is really best for themselves. That the intelligence and energies of this group be lent toward this end would be a most constructive and permanently sound undertaking.

I see there is going to be a race for mayor in the primary election with Richard Donaldson, second ward alderman opposing Mayor E. D. 'Pat" Hawley for the nomination. It can become quite an interesting contest if both camps go to work to get votes. I am wondering what the issue will be.

Miss Fessenden and Mr. Smith Marry in St. Mary's Church

St. Mary' church was the scene December 30 of the wedding of Kathleen Ann Fessenden and Vane H. Smith.

The bride is the daughter of Mrs. William J. Fessenden and the late Mr. Fessenden. Capt and Mrs. H. E. paddock of Charlevoix and Venice, Fla., are the parents of the bridegroom.

The Rev. E. Francis Denay officiated at the double ring service before an altar graced with poinsettias. Mrs. Frank Oleksy was the organist and Perry Smith the soloist.

Given in marriage by her brother, Thomas J. Fessenden of Cambridge, Mass., the bride selected a floor length gown of de-lustered satin fashioned with a molded bodice featuring Alencon lace inserts embroidered in seedpearls at the neckline and long tapered sleeves. The lace and seedpearl detail was repeated at the hipline of the flowing skirt which terminated in a chapel train. Her fingertip veil fell from a princess crown and she carried a stylized arrangement of white carnations and sweetheart roses.

Mrs. Michael Gibbons of Grand Rapids, as matron of honor, and Clarice Gregory of Greenville, as bridesmaid, wore identical gowns of holly red and Christmas green velvet, respectively, fashioned with scoop necklines, short sleeves and short, bell skirts. Their headdresses were of white velvet with matching nose veils and they carried cascade bouquets of peppermint carnations.

Dale Suomela of Flint assisted the bridegroom as best man. Gordon Mol of Muskegon was groomsman. Seating the guests were Douglas Smith of Myrtle Beach, S. C., brother of the bridegroom, Bruce Shanahan of Ann Arbor and Thomas Bleha of Washington, D. C.

Mrs. Fessenden selected a silver suit, royal blue accessories and a corsage of sweetheart roses for her daughter's wedding. Mrs. Paddock, mother of the bridegroom, wore a brown suit, brown and pumpkin accessories and a corsage of yellow roses.

Immediately following the service, a wedding breakfast was held at St .Mary's school hall. Judy Cunningham of Detroit and Mrs. Donald O'Brien assisted at the punch bowl and Linda Supernaw assisted with the guest book.

After a northern Michigan wedding trip, the couple left for Belding where they will be at home at 426½ North Bridge st. For traveling the bride wore a powder blue sheath dress and black accessories complemented with a corsage of sweetheart roses.

The bride is a graduate of the Charlevoix high school and the College of St. Scholastica in Duluth, Minn., with a B.S. degree in Nursing. She is currently employed at United Memorial Hospital in Greenville. The bridegroom is also a graduate of the local high school and Central Michigan College in Mt. Pleasant where he was affiliated with Tau Kappa Epsilon fraternity. He is currently teaching Industrial Arts at the Belding high school. He also is a veteran of four years in the U. S. Navy.

Wedding guests were present from Belding, Greenville, Flint, Detroit, Ann Arbor, Fremont, Muskegon, Battle Creek, Carlton, Minn., and Venice, Fla.

Capt. and Mrs. Paddock hosted the rehearsal dinner at the Grey Gables Inn Friday evening.

Noted Writer to Appear On Lecture Series Tonight

The next program in the Northern Michigan College Celebrity lecture series is scheduled for Thursday (today) with the appearance of Dr. Richard Armour, serious scholar and prolific writer of humor and satire.

A widley known educator, he has taught in many colleges and universities including Northwestern University and the University of Hawaii and is presently professor of English at Scrips College and Claremont Graduate School in California. He has also taught in England and France.

However, he is more widely known for the more than 5000 pieces of light verse and even lighter prose which have appeared in more than 100 magazines including the New Yorker and the Saturday Evening Post. He is also the author of several books.

The lecture will be held in the Petoskey high school auditorium at 8 p.m. tonight and is open to the public.

The lecture series is sponsored jointly by the North Central Michigan College Student Government and MSU Continuing Education Center in Traverse City.

Senior Girl Scouts To Show Slides On Annual Round-up

In order to acquaint the public with the forthcoming International Girl Scout Round-up to be held in Vermont next summer, the Senior Girl Scouts are sponsoring a special program to be held at the community room of the city hall at 7:30 p.m. Saturday.

At that time Senior Girl Scouts of Traverse City will show slides and present a commentary on the 1959 Round-up held at Colorado Springs, Colo., and attended by members of the troop.

Charlevoix Girl Scout Council is planning to send two Senior Girl Scouts to the Round-up. They will go as members of a Traverse City patrol.

Girl Scout Troop 13 and their leader, Mrs. Lloyd Arnold have extended an invitation to the public to attend the showing of the slides and to hear the story of the Round-up and what it means to the Scouting program.

According to the Wall Street Journal, cordless appliances and power tools are now under development. They include lamps, fans, vacuum cleanres, food mixers and so on. Rechargable cells and flashlight batteries will provide the operating energy.

Bald Eagle, U.S. National Symbol Becoming Rare Bird

The bald eagle, America's national emblem, is fast becoming a rare bird, says George Hunt, PhD, assistant professor of wildlife management at The University of Michigan.

"The bird's drastic decline since World War 11 is due to two factors: loss of large trees required for nesting, and pollution or draining of certain water areas which provide fish for the eagle's diet. Some also are illegally shot," Hunt says.

The Audubon Society, among other agencies in Michigan, is interested in learning how the bald eagle is faring. During the past year, they have carried out surveys regarding nesting activities and the number of adult and young bald eagles in the state. They found that, of the eagles nesting at the western end of Lake Erie, some 20 pairs did not raise a single young bird.

Hunt says, "Some people have speculated that the use of spray for control of weeds and insects has affected the birds' reproductive system. The U-M specialist himself feels it's more likely that the encroachment of people disturbs the nesting cycle and thus has caused a reduction in numbers of eagles.

The Audubon study did show that there was fair success in nesting in the upper part of the lower peninsula where there is less human activity. "There, of 23 nests, one fourth of the nests were successful in bringing off one or two young," Hunt says.

In the upper peninsula, with still less human activity, nesting success was even better. "Twenty-one nests were observed and nine or ten were found to have young. Altogether, these 44 nests yielded 23 young birds."

MICHIGAN IS INDUSTRY DIVERSIFICATION

Michigan is a good place for any industry. Here we have the ability to produce almost everything—and we prove it daily.

It was Michigan which put the world on wheels when it developed the automobile and changed global economics. It was a Michigan-made Redstone missile which boosted the first American astronaut into space. In between these great achievements is the romance of industrial development by which Michigan advanced the living standards of nearly all peoples and served as the Arsenal of Democracy in the protection of freedom.

The nation starts each day with a cereal—generally from Michigan. It travels over highways built with Michigan materials; protects its health with a Michigan-made pharmaceutical; enjoys the benefits of our research.

The skills, the knowledge, tho brainpower which makes this possible is constantly available to industry—a new one or one which expands here. It makes Michigan a good place for industry—any industry.

Help carry Michigan's message to the nation. Clip this ad and mail it to someone in another state with your comment. Let's talk up Michigan and its advantages for industry. Together we can assure a greater future for all of us.

MICHIGAN IS EVERYTHING FOR INDUSTRY

Charlevoix Dumps East Jordan 74-32

* * *

Rayders Maintain First Place Standing In NMCC League

The Charlevoix Rayders maintained their first place standing in the Northern Michigan Class C league, presently shared with Boyne City and Grayling, after dumping the East Jordan Red Devils 74 to 32.

The Jordanites, already sharing the league cellar with Mancelona, were weakened by the absence of regular forward Bill Cox who will be benched for a couple of weeks with a knee injury suffered in a skiing accident and by the loss of several other starters who have been dropped from the squad for disciplinary reasons.

All 15 Rayders making the trip saw action, as they led the Red Devils 14 to 8 at the quarter; 38 to 16 at halftime and 57 to 27 going into the final period.

Stan Martin paced the scoring with 22 points including nine field goals and four out of six free throws. He was followed by Frank Curtis with 11 points; John Pearl and George Majors with 10; Dave Rader and Dwight Boss with six; Tony Duerr, four; Bruce Murray and Barry Pierce, two each and Dan Pearl, one. Also seeing action were Henry Wagner, Gary Balch, Partti Salmela, Melvin Holburn and Stuart VerWys.

Bob Goebel had 10 points for East Jordan.

Charlevoix had a total of 31 field goals, 12 of 20 free throws and 25 personal fouls.

East Jordan was limited to 11 field goals, 10 of 28 free throws and had 16 personal fouls.

Charlevoix, Boyne City Grayling Share First Place

Boyne City edged Mancelona 35 to 32, Grayling dumped Harbor Springs 56 to 48 and Charlevoix rolled over East Jordan 74 to 32 to retain their first place standings in the Northern Michigan Class C while Gaylord upset Pellston 45 to 39 to drop the Hornets into second place.

Boyne City 35 Mancelona 32

Paced by Larry Gunderson with 15 points, the Boyne City Ramblers trailed Mancelona 9 to 7 before taking a 19 to 11 halftime advantage and increasing it to 30 to 17 at the three-quarter mark. Dick Dickinson had nine for Mancelona.

Grayling 56 Harbor Springs 48

For the first time the Grayling guards, Chris Kroll and Jim Johnson have paced the team's scoring attack, accounting for 16 and 14 points respectively, against Harbor Springs. The Vikings jumped into an 18 to 13 first quarter lead, remained ahead 30 to 23 at halftime and 44 to 34 going into the final period. Gary Stutsman had 14 points for the Rams.

Gaylord 45, Pellston 39

After leading the visiting Pellston Hornets 14 to 12 at the quarter and 23 to 22 at halftime, the Gaylord Blue Devils trailed 32 to 28 going into the final period which was a seesaw battle for the first four minutes before the host team regained the advantage and coasted to a silm victory. Gabby Nowak paced the game with 17 points. Merle Cameron had 15 for Pellston.

Rayder Reserves Trip East Jordan By 49 to 22

The Charlevoix Reserves romped to a lopsided victory over the East Jordan J-V squad Friday night, winning by a 49 to 22 margin.

Coach Terry Rice emptied the bench as the young Rayders led the Jordanites 9 to 4; 27 to 8 and 40 to 14 by quarters.

Charlevoix had 21 field goals plus seven free throws made on 27 attempts. They also had 19 personal fouls. East Jordan was held to seven field goals and eight of 24 free throw attempts while collecting 24 personal fouls.

Jack Uhrick paced the scoring with 10 points followed by Bruce Kroken with eight; Jim Uhrick with six; Larry Edwards, fiie; Brendon LaBlance, Jon Damon, Pete Ance, four each; Dave Smith and Rick Miller, three each and Nick DeYoung, two. Others seeing action were Gary Stutzman, Warren Belding, Jerry Uhrick, Jim Stewart, Skip Young and Doug Winnell.

Jay McDonald had seven and Jack Fisher five for East Jordan.

This Week With Class "C"

Northern Michigan Class C teams face a busy schedule during the coming week with games scheduled for Friday and again on Tuesday.

The Charlevoix Rayders, who share first place in league standings with Grayling and Boyno City, will take on these opponents, traveling to Grayling to take on the Vikings Friday night and hosting the Ramblers here on Tuesday.

To date the Rayders have lost to Pellston (54-32), a team that downed Boyne City (38-36) but who lost to Grayling (45-38). The Vikings' single loss has been to Boyne City (54-34). Only other common opponent has been Harbor Springs which all three teams defeated by decisive scores.

All of which means the Rayders will have to play heads-up ball all the way if they hope to remain in the race for the title.

In other games scheduled for Friday and Tuesday, Boyne City will host Gaylord, Pellston will entertain Mancelona and East Jordan will take on Harbor Springs on the latter's floor.

Boyne City could run into difficulties with Gaylord, a team that upset Pellston last week but Pellston and Harbor Springs should retain their present positions against the cellar dwellers, Mancelona and East Jordan.

Besides the Charlevoix-Boyne City game Tuesday, Gaylord will host Grayling, Pellston will travel to Harbor Springs and Mancelona will entertain East Jordan.

The Gaylord-Grayling game will mark the renewal of an old and bitter rivalry which should be quite a battle but the Vikings will be favored because of their top standing in the league.

The Pellston-Harbor Springs game will be another game which could get out of hand. Pellston is presently in second place with a 3-2 record while the Rams are in third with a 2-3 record. Despite this the outcome of this meeting will be a toss up.

East Jordan and Mancelona will be struggling to get out of the league cellar when they meet Tuesday. Mancelona will be favored because they are expected to be at full strength while the Jordanites are appearing with nearly a new team, due to the inactivity of Bill Cox who is recuperating from a knee injury and from the loss of several veterans for disciplinary reasons.

Offer Youngsters Skiing Lessons At Mt. McSauba

Skiing lessons for youngsters just learning to ski will be offered at the Mt. McSauba ski area, Charles Meier, manager of the slopes for the Charlevoix-Mt. McSauba Recreation Corp. has announced.

Two free lessons sponsored by the association will be given with the first scheduled for 11 a.m. Saturday, Mr. Meier said.

The lessons are being offered so that young skiers may learn to control their actions while on skies and to help them improve their knowledge of the sport and thus prevent injuries.

Mr. Meier and Joel Arvilla, instructor at the area, will determine what youngsters are in need of instructions.

Before allowing children to ski Mr. Meier urges parents to check the equipment their children are using to assure the safety of the release-type bindings and other equipment.

A record number of skiers took advantage of the facilities at the mountain during the holidays when the slopes were opened every day so that skiing enthusiasts from throughout the state joined local skiers who enjoyed the excellent skiing conditions.

With the excellent snow conditions now existing, the facilities at Mt. McSauba will be open during the following hours: 7:30 to 10 p.m. Tuesdays, Thursday and Saturday evenings and from 10 a.m. to 6 p.m. Saturday, 12 p.m. to 5 p.m. Sunday and 1 to 6 p.m. Wednesday.

AGRICULTURE in ACTION

by M. L. Woell
MICHIGAN FARM BUREAU

Socialist Starvation

The story is old but it needs repeating. Lest we forget,—Communist and Socialist countries simply cannot produce the food they need. The whip is no match for private initiative of a free people. The evidence lies all around us. It is found in the tons of Canadian wheat shipped to Red China, and for that matter, in the tons of American wheat shipped to communist Yugoslavia.

Peasants in the same areas of China that once produced abundance are urged to send more of their meager store of food to still harder-pressed areas. A new propaganda campaign has been launched with the new year to persuade peasants to remain on low rations themselves as they send more grain to those who have even less. "Patriotic socialist education"—the campaign is called, and its aim is "to move peasants to feel the glory of selling to the state their output of grain, cotton and other farm products."

Somewhat tongue-in-cheek, the Red Chinese party officials say they will continue to look to the Soviets for guidance in solving their food shortages. Apparently they are able to ignore Russia's own crop failures with the blindness peculiar to the true Marxist. Increasingly, those failures are harder to ignore. Recently, the "Russian Republic"—one of the largest farm areas in the Soviet Union, failed to meet its plan in producing meat, milk and grain. It now joins the Kazakhstan area in missing major food targets.

Somehow the words of Dr. Earl Butz seem to fit here. "In much of the world people go to bed and pray each night that they will have enough food for the next day. Americans also pray about food at night. They pray to have enough will-power to stay on their non-fattening diets."

All of which does not mean that we should point to our mountains of farm surplus and say in effect, "see, we have no farm problem."

Doctors say the term "Malnutrition" applies equally to persons either over or underweight, —in the sense that neither receives the right kind and amount of food. This simile has its application, for in this same broad sense we repeat what we've often said before; the American farm problem and the Russian farm problem,—they with their lack and we with our burden of abundance, both stem from the same basic cause,—too much government intervention in agriculture.

The northern pike pictured above is likely a prize contender in most any company. It was taken last week from Walloon lake by Irv Drost (left) and Gordon Neff (right). A sizable sucker was the decoy. Both fishermen were plenty busy landing this 16½ pound pike that measured 40 inches. The pike grabbed the decoy and started to take off. Mr. Neff reports. He then started to pull in the decoy line and virtually maneuvered the prize into range for Mr. Drost's spear.

Harlem Diplomats to Play at CHS Gym Wednesday, January 24

Basketball's internationally famous Harlem Diplomats will play at the Charlevoix high school gymnasium Wednesday, Jan. 24, under the sponsorship of the Charlevoix Varsity club, Stan Martin, club president, announced this week.

Funds derived from the appearance of the team which is featured as basketball's 'funniest team ever' will be utilized by the football equipment fund.

Jim Alger, manager of the Charlevoix Independents, is assembling an all-star team who will play against the visiting Diplomats.

The Diplomats who have played throughout the Western Hemisphere have in their line-up two of the sport's great comedians, Dick Harney and Goose Jr. as well as a bright new sensational dribbler and ball handler, Lem Carpenter.

Tickets for the benefit performance are now on sale by members of the Varsity club and at the Sinclair Oil Station.

Further information regarding the game may be obtained by calling Coach Don Carey, Varsity Club faculty advisor.

Draft Board Calls Three Registrants

Three Charlevoix county draft registrants will be called to fill the county's February draft quota and nine others will be called for pre-induction physical examinations, Mrs. Mary Burgoin, clerk of the board, has announced.

The names of the men to be called and the dates they will be ordered to report will be announced following a meeting of the draft board scheduled for later this month.

Steven J. LaBlance of Charlevoix a volunteer, will report for induction Jan. 23 to fill the county's January draft quota. Four others will report for pre-induction physical examinations Jan. 16.

Approve Plans for New Island Ferry

Directors of the Beaver Island Boat Co., Saturday approved plans for a new motorship which will more than double the available ferry service to Beaver Island, according to Karl J. Erber, president of the company. It is planned to have the new ferry ready for service by June 20. Estimated cost will run well over $100,000, Mr. Erber said.

Bids for a new ferry will be let Jan. 2$ and opened Jan. 30 at the Charlevoix County courthouse.

Plans for the new ferry specify a vessel 94 feet long (22 feet longer than the Emerald Isle) with a 27 foot beam. She will be driven by twin screws each powered by a 500 horse power diesel engine. There will be accomodations for 150 passengers, 12 cars, plus other cargo. Speed is expected to be between 15 and 16 miles per hour. Walter Haertel of Sturgeon Bay is the designer. He is the designer of many of the ships now operating on the Great Lakes.

Addition of a second ferry will more than double the vehicle, passenger and cargo service to the island. The Emerald Isle has accomodations for 115 passengers and eight cars.

Transportation of vehicles has overtaxed the capacity of the Emerald Isle the past few years. Parking areas at the dock have been congested by cars to be transported and visitors and residents of the island have been inconvenienced when their cars were held over for later ferry transportation.

Directors of the Beaver Island Boat Co. are Mr. Erber, Lloyd McDonough, vice president; Archie LaFreniere, secretary-treasurer; Henry Allen and Roger Carlisle.

Lions Club to Get Charter Saturday Night

The recently organized Charlevoix Lions club headed by Dean Davenport will receive its charter at a special Charter Night dinner to be held at St. Mary's school hall Saturday evening.

LaVerne Ribbins, of Battle Creek, International Councilor and candidate for International director, will deliver the Charter Night address.

Cyril H. Bennett of Bear Lake, district governor, will present the charter to the new club. Mr. Davenport will accept the charter in behalf of the new club.

Harold Johnson of Cheboygan, zone chairman will call the meeting to order and present the Rev. E. Francis Denay, pastor of St. Mary's church, who will give the invocation.

Robert Gillispie of Petoskey, president of the sponsoring organization, the Petoskey Lions Club, will introduce the toastmaster, Elmer Radtke of Rogers City, International councilor who will introduce visiting guests and introduce the district governor. Mr. Gillispie will also present gifts to visitors. Mayor E. D. Hawley will give the welcoming address.

Hal M. Hill, first vice president and charter night chairman will introduce Mr. Robbins.

The Rev. Raymond J. McBratnie will give the benediction. The assembled members will join in singing the National Anthem and reciting the Pledge of Allegiance.

More than 200 members, guests and their respective wives are expected for the event.

Funeral Services Held Saturday for Charles Svoboda

Charles Svoboda, 72, a resident of Charlevoix county for 30 years, died late Wednesday at the Charlevoix hospital where he had been a patient for a week.

Funeral services were held at St. Mary's church Saturday with the Rev. E. Francis Denay officiating. Burial was in St. Mary's cemetery. The body was at the Winchester Funeral Home where the Rosary was recited Friday evening.

Born in Czechoslovakia March 3, 1889, Mr. Svoboda was married to the former Frances Sadina in 1918. In 1922 they came to this country and settled in Chicago where Mr. Svoboda followed his trade as a tailor. Mrs. Svoboda preceded him in death in 1929. Two years later he married the firmer Katherine Baletka and they moved to Charlevoix county to make their home in the East Jordan area where he operated a farm. She died in 1946. In recent years he had lived in this community. He was a member of St. Mary's church and the Czechoslovakian Society of America in Chicago.

He is survived by a daughter, Mrs. Steve (Martha) Paterka of Charlevoix; a son, Charles Jr. of Cedar Lake, Ind.; and five grandchildren.

Mrs. Peter B. Scott Dies Following Extended Illness

Mrs. Peter B. Scott, 49, of Manistique, former local resident, died Thursday at the University Hospital in Ann Arbor where she had been a patient for the past month. She had been in ill health since August.

Funeral services were held Sunday at the Winchester Funeral Home with the Rev. Harold E. Kohn officiating. Burial was in Brookside cemetery.

Born in Charlevoix May 14, 1912, the former Edythe D. Hamlin was graduated from the Charlevoix high school in 1931. In 1941 she was married to Mr. Scott. They made their home in Escanaba and more recently in Manistique where Mr. Scott served as a civilian lighthouse keeper with the U. S. Coast Guard.

Surviving are her husband; a son, Larry McRoberta of Ypsilanti; her mother, Mrs. George O'Brien of Charlevoix and a sister, Mrs. Blanche Reid of Alba.

Monday Deadline For Registering For Feb. Primary

Monday, Jan. 22, is the deadline for registering for the Feb. 19 primary election, Hugh Mayne, city clerk, has announced.

The office of the city clerk will be open until 8 p.m. on the date so that all persons, not already registered, may do so.

To be eligible to vote in the primary election, a person must be a U.S. citizen, 21 years of age by the date of the election, a resident of the state for six months and the voting precinct for 30 days prior to the election. Of course, he must also be registered in the ward or township in which he resides.

Attend Patrol Leaders Course

Two local Boy Scouts, accompanied by their Scout master, Louis Edwards, spent the weekend at Camp Greilick where they attended the Junior Leader Training course for patrol leaders.

They were Dick Kenney and Steve Keeley.

City Engages Engineers to Prepare Plans for Converting Bellaire Hydro Plant

The Charlevoix city council, at its regular meeting Monday night, voted to engage the J & G. Daverman Co., engineers of Petoskey and Grand Rapids, to draw up plans and specifications for converting the Bellaire hydro plant, owned by the city of Charlevoix, to a semi-automatic operation. The company's bid for the work, not to exceed $2,500, was one of three received for the work.

A resolution expressing the appreciation of the city to the Charlevoix county board of supervisors for the results obtained from the enforcement of the dog law was adopted. The resolution also stated that the city was hopeful the program could be placed on a year-around basis.

The board of supervisors had made an appropriation to the sheriff's department to underwrite the cost of the program for six months. The board of supervisors, at its October meeting, voted to discontinue the program until a later date.

Approximately $3,000 in the debt retirement, interest and sinking fund was transferred to the general fund.

The council voted to underwrite the cost of sending the city's three supervisors to a special meeting of the Charlevoix county Equalization Assessment Department scheduled for Saturday at the county building.

Bills totaling $72,740.52 were approved and ordered paid. The figure includes $30,577.99 county taxes payment to county treasurer; $16,335.53, school taxes; $3,424.07, accounts receivable; $4,356, fuel oil; $2,717.52, Social Security payments; $6,934.52, payroll; $1,733.31, city-used utilities and $1500, payment to Lake Construction for clubhouse at golf course.

Consolidation Study Committee Report At PTA Meeting

The proposed consolidation of the Ellsworth and Central Lake high schools with the Charlevoix high school was the topic of the recent P.T.A. meeting.

More than 100 interested persons turned out to hear the reports on such topics as curriculum, finance, community potential, transportation and site and facilities presented by the various committees who participated in the school study under the direction of Michigan State University and the University of Michigan.

Mrs. Charles Huntley of Central Lake, general chairman of the study group, Mrs. John Reed of Eastport, Dean Davenport, Robert Hooper and Darrell Dinwiddie presented the reports. Others attending and serving as resource people were Levi Donaldson and Mr. and Mrs. Richard Wieland of Ellsworth, and Mrs. Jack Faas of Central Lake.

Frances Martin, P.T.A. program chairman, outlined briefly the purpose of the study introduced Mrs. Huntley who then introduced members of her committees. Miss martin also served as moderator of the question and answer period that followed.

The reports are to be presented to the boards of education in the school districts involved. However, no recommendations were made by the P.T.A. regarding the proposed consolidation.

Mrs. J. L. Feindt presided at the business meeting at which the tentative date for the P.T.A. Fair was announced. It is now scheduled for March 3.

The second grade room parents welcomed the guests and room mothers served refreshments.

Perch Fishing Reported Good At Ironton

'Ice fishermen are catching perch at Ironton' is the word that has gone out to winter fishermen who have been awaiting the first solid ice so fish shanties could be hauled to favorite fishing grounds.

Merle Scott, who supplies fishing facilities of all kinds at Ironton, reported Monday that fishermen who had placed their shanties on the ice just north of the Ironton ferry channel were reporting excellent catches of perch but, thus far, had caught very few smelt.

Suppose-nobody-cared was a good slogan in its day and still makes me reach for my wallet.—I.T.M.

Plan Services To Mark 75th Anniversary

The Epiphany Candle Lighting service followed by the annual meeting will be held at Christ Episcopal church at 7 p.m. Sunday, the Rev. Alexander Wood, vicar of the church, has announced.

The junior and senior high school young people of the church will present the service which represents Christ as the light of the world and the spreading of this light through the lives of dedicated followers throughout the world. Adult members of the choir will assist the young people for the musical portions of the service, Rev. Wood said.

The presentation of the Feast of Lights in Ephiphany following the Christmas season is part of the national program for youth in the Episcopal church.

The Rev. Wood will conduct the service assisted by Jack Stockwell, Andrew Carey, Denis Carey, Scott Crandall and Alexander Wood who as acolytes will have charge of the distribution and lighting of the candles and Virginia Hamlin, Martha Coleman, Kathy and Callie Gallagher, Jean Elzinga, Susan deCastro, Susan Pearl and Barbara Wood who will read Scripture passages.

Both the service and the annual meeting will point up the fact that this, the seventh-fifth anniversary of Christ church, was officially organized Jan. 16, 1867.

Schedule Special Events For March of Dimes Campaign

Plans are shaping up fast for the special events which will be features of this year's March of Dimes campaign in the Charlevoix area according to the local chairman, Mrs. Lyla Arvilla.

First major event will be the special Coffee Day to be held Saturday under the direction of Mrs. George Lusk. Local businesses participating in the special day will be Liston's Grill, the Coffee Cup, Schroeder & Hovey Drug, William's Cigar Store, the Chatterbox and the Sugar Bowl. All revenue from the sale of coffee on this special day will be contributed to the March of Dimes.

The Weathervane Inn will be the scene of the annual March of Dimes buffet dinner on Thursday, Jan. 25. Mrs. James Alger is general chairman of this event which will feature a fine selection of homecooked foods. Serving will begin at 5:30 p.m. and continue until 8 p.m.

The Johnny Kay Trio will provide music for dancing. M. J. Foster will be on hand to serve your favorite beverage. The management of the Inn is furnishing its facilities without charge for the dinner.

Tickets for the dinner may be purchased from J. L. Feindt or Harry Stewart.

On Saturday, Jan. 27, the Airport Inn will offer its facilities for the annual buffet supper to be held under the direction of Mr. and Mrs. Dan Geneit and Mr. and Mrs. Perry Smith. This event provides an evening of fun climaxed by a buffet dinner featuring home-cooked foods donated by residents of the community.

The Mothers' March is scheduled for Monday, Jan. 29. On that day mothers of the community, under the direction of Mrs. Kenneth Cellner and Mrs. Raymond McBratnie, will canvass the residential areas to accept contributions to the fund campaign.

Mrs. Carlton Ikens and Mrs. Emerald Chew are in charge of special events involving the school. This includes blanket pitches at the basketball games and other events.

Mrs. Gerald Lakies and Mrs. Russell Dohm are in charge of mailers.

Council Refuses to Waive Restriction On Trailer Park

The request of Franklin Boss to have restriction waived on property now occupied by Lake Terrace Mobile Court was denied in a strong resolution adopted at a regular meeting of the City Council Monday evening. Mr. Boss requested the waiver to permit the operation of a restaurant in a building now under construction adjacent to US-31 on the highway level.

The tract of land with frontage on both US-31 and Lake Charlevoix was conveyed to Marvin C. Goss by the city in 1957. Terms of the conveyance provided for the construction and maintenance of a trailer park along with certain restrictions relative to the use of the property. The tract of land, except for a parsel approximately 200x200 feet fronting on Lake Charlevoix, was later acquired by Mr. Boss who operated the lake Terrace Mobile Court. Mr. Boss was a Second Ward alderman at the time the property was sold to Mr. Goss for $1,700 with restriction and conditions as part of the consideration.

Construction was started recently on a building reportedly to be used for a steak-house restaurant. Such an operation, according to the interpretation of Council would be a violation of the restrictions cited in the conveyance which prohibited construction of a building on the highway level would obstruct the view of Lake Charlevoix. Another restriction provided the property be uesd only for the operation of a trailer park.

Council did, however, waive the restriction on the building now under construction on the highway level providing it be used for residential purposes only. The conveyance stipulates that only two residential buildings may be constructed on the property. This one residential building which can be built either by Mr. Boss below the highway level or by Mr. Goss on his lake frontage property.

The resolution denying the request of Mr. Boss stated, "It is the opinion of the Council that it was, and still is, the purpose of the City of Charlevoix as a substantial part of the consideration for said conveyance that the said land should be restricted to said uses to provide an adequate Trailer Park facility with room for expansion thereof, to satisfy the continued needs of the City of Charlevoix and surrounding area therefor and that no part of said land should be diverted to other purposes, except as provided in said Deed; . . ."

Voice of Our Readers . . .

Dear Editor,

As I happened upon your Jan. 4th editon, I was intrigued by your front page article, concerning the Montgomery's bird feeding station.

I have known the Montgomery's a great many years and they have made it a habit of feeding birds during the winter.

When meat was rationed they some how kept suet for the birds.

It was at their station on Fonda Lake, near Brighton, that I saw my first cardinal wintering in Michigan.

Thought this might interest yon, I am

Sincerely yours,
O. A. Hindelang

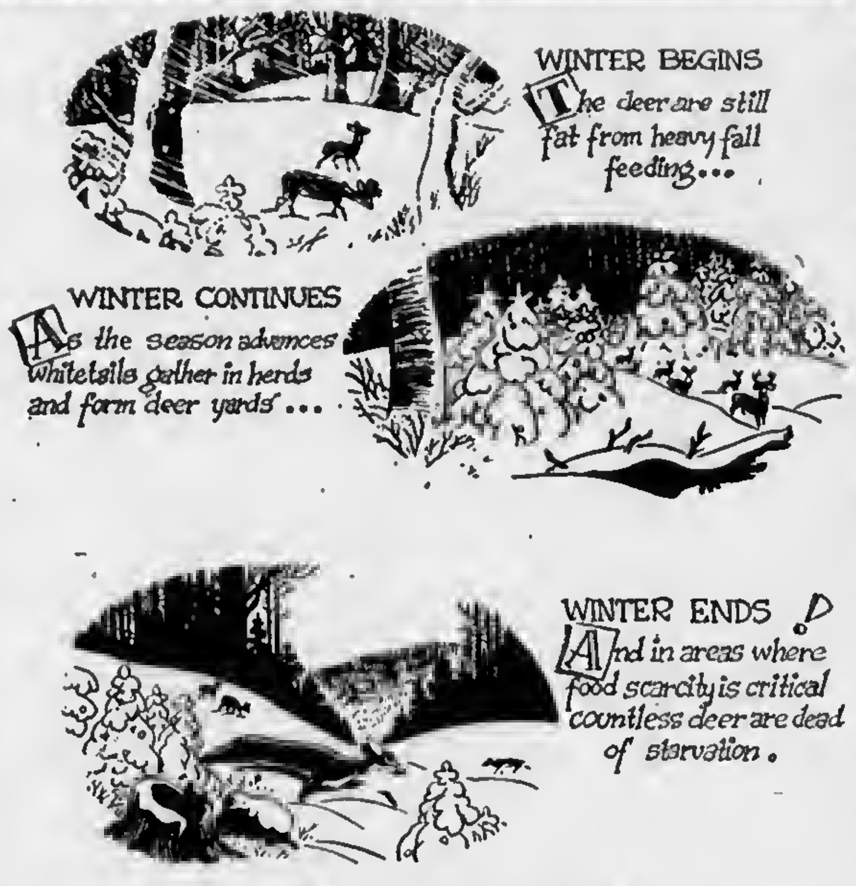
BETWEEN YOU AND ME

- By Harold E. Kohn -



WINTER BEGINS
The deer are still fat from heavy fall feeding...
WINTER CONTINUES
As the season advences whitetails gather in herds and form deer yards...
WINTER ENDS !
And in areas where food scarcity is critical countless deer are dead of starvation.

Beauty Mixed With Misery

When I read the thermometer at six o'clock this morning, the mercury stood at 10 degrees above zero. By nine o'clock the temperature had dropped one degree and one could fairly feel the frosty air creeping out of the woods and slipping through our keyholes and under our doors.

Winter, that incomparable silversmith, has been hard at work during the night. A rich display of his craftsmanship lies all around. A great silverplate platter rests where but a short time ago danced the waters of Lake Charlevoix. Birches, poplars and snow-laden spruce and balsams, beautifully wrought in brightly polished silver repousse, line the hammered-silver shore. And all this loveliness is revealed through thin, drifting mists of fog as if winter's exhibit were seen in a dream that is ending.

But there is tragedy as well as beauty in the North. Deep snows and ice cover the choicest food of seed-eating birds, and feathered foresters are hard put to balance the steady flow of heat from their bodies with incoming nourishment. Many will die.

Chill winds gnaw and bite at the vitals of fox, snowshoe hare and whitetail deer. Their extremities are nipped by exposure to the cold snow and even colder air, and their feet and ears sting and smart through the caustic hours of long winter nights.

We humans glory in the dazzling loveliness of January. We ski under limbs that are big and bent with snow, and our tobogganing-laughter rings across the snow-muted hills, but in the night silences of fields and forests, misery mixes with the wintry innocence of deep drifts and wild creatures grope their meandering way, like storm-covered snowflakes, searching for austenance and spring.

Income Tax --Guide--

DO I FILE?

Read these instructions and you can determine if you have to file an income tax return:

Every citizen of the United States, and every alien resident of the United States who is under 65 years of age and who had gross income of $600.00 or more must file a tax return. If you are 65 or over on December 31, you must file an income tax return if your gross income was $1,200.00 or more during the taxable year.

The fact that you are under 21 does not exempt you from filing an income tax return if your gross income was $600.00 or more.

If you had less than $600.00 of gross income, and income tax was withheld from your wages, you must file return to get the money back.

If in doubt about the filing requirement, telephone your local Internal Revenue Service office.

Con Con Report

Lansing—Climaxing weeks of study, debate and the taking of testimony, the Committee on Executive Branch unofficially voted to give the Governor power to appoint the State Administrative Board.

Although the vote was informal, members feel it is an accurate indication of the committee's final action on the matter.

The issue, considered one of the most controversial and important to face the Convention, encompasses a great deal more than just the manner of selecting the holders of a half-dozen jobs—important as these may be in state government.

The Board, commonly referred to as the Ad Board, is made up of the Secretary of State, the Attorney General, State Treasurer, Auditor General, Superintendent of Public Instruction, and the Highway Commissioner, all now elected.

At issue is a philosophy, a manner of operation, a way of doing things.

Republicans favoring the appointive power were led by Chairman John B. Martin, a former two-term Auditor General, and James K. Pollock, political science expert at the University of Michigan. They emphasized efficiency in government, and the strengthening of authority of the Governor, together with tighter responsibility and accountability.

Those fighting for continuing elections, and they have been many and vocal, maintain it is wrong to take away elective rights from the people, a second and paradoxical point, some argue, is that giving the appointment power to the Governor will plunge all the offices deeper into politics.

This point of view is officially favored by the Democratic State Central Committee and by an undetermined number of Republicans including Blaque Knirk, Quincy, a former vice-president of the Micrigan Farm Bureau. The Republican party has taken no official position.

Democrats on the Committee, led by Adelaide Hart, Detroit school teacher, and William C. Marshall, executive vice-president of the State AFL-CIO, promised to renew their fight when the issue comes to a final vote, then to write a dissenting report and in the end, fight it on the floor of the Convention. They charged it is wrong to reduce the elective powers of the people, and insisted that the right to appoint was meaningless under the "advice and consent" power of the Senate.

"The idea that by electing all these officers we somehow protect the people, is just not true." Martin said. "From direct personal experience, I can tell you that the present system gives the State six government officials, none of whom consider themselves responsible to the Governor. All are busy building their own little political empires. This is government by confusion, or worse still, by deadlock. Since we do hold the Governor responsible for that happens in the State, we should give him authority to do his job."

Adding to the complexity is the fact that various combinations of appointments are available. Knirk, who favors having the Superintendent of Public Instruction appointed by the State Board of Education and the Auditor General by the Legislature, said, "I think the people favoring appointment are sincere, but they are idealists. I feel, from a realistic standpoint, the changes we make should be designed to help us sell the Constitution to the people."

The testimony of Gov. Swainson and four ex-govennors varied. G. Mennen Williams favored continued elections with the exception of the highway commissioner and superintendent of public instruction.

The present Supreme Court Justice, Harry F. Kelly, favored appointment of all six, and Murray D. VanWagoner agreed, excepting the Highway Commissioner. Both suggested doing away with the "advice and consent" power of the Senate. Wilber M. Brucker, who had also been Secretary of the Army, advocated appointment of all but the Secretary of State and the Attorney General, and retention of the Senate confirmation. The present members of the Ad Board all vehemently insisted their posts should remain elective.

Though pride is not a virtue, it is the parent of many virtues.

Two Charlevoix Students Named to Dean's Honor List

Two Charlevoix students are among the 456 Ferris Institute students who were named to the Dean's Honor List for academic excellence during the past quarter, Dr. Ardwin J. Dolio, vice president for Academic Affairs, has announced.

To be named to the Dean's Honor List a student must maintain at least a B average while carrying a full academic load.

They are Lynette M. Mayne and Carl S. Mitchell, both first year students in the School of Pharmacy.

The former is the daughter of Mr. and Mrs. Hugh Mayne and the latter, an all-A student, is the son of Mr. and Mrs. Carl Mitchell.

Agriculture ... *in Action*

On Winter Driving

Rural America still has a long way to go before a majority of farmers can boast all-weather roads. But most farmers manage rather well through the training in winter driving they gain from experience born of necessity.

Perhaps that's why so many farmers, grown used to handling their cars and other vehicles under comparatively bad conditions, can't help but smile a bit when they see their city neighbors "spin out" on a slick spot or are unable to manuever in a half-inch of snow. Speaking from experiences, farmers offer these helpful bits of advice:

When in snow . . . never, never, allow the wheels to spin. Spinning wheels do nothing more than waste gasoline. At the worst, they will spin you sideways into a ditch, or dig your car deeper into the snow and ice. When the wheels spin, stop. Real tire-damage can result if you don't.

The direction in which the front wheels are turned has a great deal to do with easing a car out of a snow area or slick spot. Many people begin to turn away from the curb, and when they spin out, forget to re-straighten the wheels before beginning the rocking motion.

What next? Try to "rock" the car by small applications of power carefully applied, first one direction, then the other. Rocking can do wonders. All makes of cars can be rocked with a little experience and skill. Push-button drives, hydromatics, and similar shift cars can be rocked with a touch only slightly different than direct-shifts. Farmers trying to pull a heavy load with truck or tractor will get the load "in motion" in the slowest speed and the lowest gear possible—in any direction at first.

What about driving on ice? Adjusting speed to slippery conditions is number one. Recently a farmer I know drove to town on glare-ice found impossible by most of his suburban neighbors. He "crept" along with the greatest of caution. Experience had told him what to do if the car began to "drift" or skid. To stop the skid, he would have done the opposite of what most inexperienced drivers would have done, TURNED HIS WHEELS IN THE DIRECTION OF THE SKID,—not away as impulse dictates.

Although farmers work and pray for the day when roads will be up to par with others,—no one can deny that one side-value is the tough driver-training they gain by experience.

Keep in the rut too long and you'll dig your own grave.

70 Children to Attend Shrine Circus Monday

The seventh grade of the Charlevoix junior high school, numbering approximately 70 students, will join the Shrine Circus train for the trip to Grand Rapids Monday to see the Shrine Circus.

They will be accompanied by their teachers, Leonard Burns and Terry Rice and Mrs. Clarence Smith and Mrs. Benjamin Gill, who have volunteered to make the trip.

Most other members of the class who are not making the trip have attended the circus before.

Seven of the 10 children who attend the Retarded Children's Center will also make the trip accompanied by their teacher, Mrs. Robert O. Bergmann and mothers, Mrs. Earl Derenzy of Bellaire and Mrs. Frank Oleksy. The three children not making the trip have been several times before.

The circus-bound students will leave here early Monday for the bus trip to Traverse City where they will board a special train for the trip. After spending the day at the circus in the Civic Audtoirium in Grand Rapids they will return to Traverse City by train and to Charlevoix via bus.

Mrs. C. M. Bice will again accompany the students as train nurse, a position she has filled for several years.

Arrangements for the trip have oeen made by John Rathburn a member of the Traverse City Shrine Club which annually sponsors the special train. Mr. Rathburn said Wednesday that several local Shrine members would accompany the group.

Secretary of State Branch Offices Annonnce Schedule

Secretary of State branch offices in Charlevoix and Boyne City where business relating to license plates and titles is transacted will remain open 40 hours per week for the convenience of auto owners who have business with these offices, it was anouced this week.

In Charlevoix where the office is located at 402 Park ave. and operated by Mrs. George A. LaBlance, the hours will be from 9 a.m. to 5 p.m. daily Monday through Saturday with the exception of Thursday when the office will be closed.

In Boyne City the hours will be from 10 am. to 6 p.m. daily Monday through Saturday with the exception of Wednesday.

The days the offices are closed have been staggered so that motorists may always find one of the two offices open during the usual business hours. In the past both offices were closed on Wednesday.

There is no branch office in East Jordan. Residents of this community may utilize the services of either of the existing offices.

In announcing the new office schedules, both Mrs. LaBlance and Mr. Price reported that the purchase of license plates is lagging behind previous years. They have urged motorists to purchase 1962 plates as early as possible to avoid being caught in the last minute rush before the deadline March 1. Feb. 28 is the last day motorists may use their 1961 plates without a penalty.

The trouble with the chronic borrower is that he always keeps everything but his word.

Northwest Winds And Snowfall Plug Side Roads

Weather has been one of the chief topics of conversation during the past 10 days with northern Michigan getting more and more white stuff, whopped by hign winds, that has caused extensive drifting.

On Thursday those school children who had been transported via school bus were returned to their homes at 11 a.m. when school was dismissed for the day.

Classes, however, were held Friday though buses only traveled along main trunklines to pick up students.

Though the snow and wind continued throughout the weekend the Charlevoix county Road Commission reported Monday morning that all roads were passable including little traveled side roads

Northwest winds and a light snowfall closed some roads Tuesday. Later in the day loose snow which had fallen earlier was being whipped about by winds, drifting many roads.

By Wednesday all but main highways were plugged once more.

For the first time this winter temperatures hit the skids, dropping to zero or below, depending on how far one was from the big lake.

Charlevoix school buses went out Wednesday morning with orders to travel only main roads. Elsewhere in the county most schools followed these same orders because their students were preparing for or writing semester examinations. The Boyne Falls school was the only one that did not open Wednesday.

CHARLEVOIX PUBLIC SCHOOLS

MINUTES OF SCHOOL BOARD MEETING

December 18, 1961

Present: Dinwiddle, Blanchard, C. Smith, Martinchek, Martin, Al Smith, Bennett, Supt. Absent: Lieberman.

The meeting was called to order at 8:07 p.m.

Minutes of the meeting of December 4 were read and approved.

It was moved by C. Smith, supported by Martin, that bills in the amount of $2,755.16, payable from General Fund, be approved and ordered paid. Carried: 5-0.

Moved by Martinchek, supported by Blanchard, that bills in the amount of $21,459.28, payable from Debt Retirement Fund No. 2 — 1958 Issue — be approved and ordered paid. Carried: 5-0.

A Resolution to make the Charlevoix Public School a registration district was discussed, but any action was postponed for further study.

Due to the fact the Willis Keiser had become Supervisor of Maintenance at the Elementary School upon the retirement of Clarence Bartlett, the following motion was presented by Al Smith, supported by Martinchek: That Willis Keiser, as head maintenance man at the elementary school be placed on salary schedule for said position. Motion carried: 6-0.

The consolidation study program for the next few weeks was announced, with a committee study to be completed for the January 8th Board meeting.

The Winter basketball recreation program was considered with a recommendation that a girls' program be added to the regular program, and that the salary scale remain the same as in past seasons.

Bill Carey appeared to report on Liability Insurance, as had been requested by the Board. It was moved by Martin, supported by Al Smith, that the policy as described with limits of $100.000 to $300,000 be purchased. Carried: 6-0.

Mr. Rice, Chairman of the Professional Problems Committee of the Charlevoix Teachers' Club, appeared to offer their services in gathering data and to make recommendations to the Committee of the Board of Education who has planned a study of salary and other personnel policies.

Suggestions were made for use of the driver training car when used to take children home, with the thought that these children should only be let out at their homes, and in the driveway if possible, and not the opposite side of the street at any time.

In discussing the meeting of the architects, Bonding Company, and attorneys, the Board was advised it was this group's recommendation that the floors be corrected immediately, rather than after the close of school in the Spring. Everyone agreed that this should be done.

It was moved by Al Smith, supported by Martin, that Change Order Nos. 9-10-11 to the Contract, of Wallace N. Bjorklund, for an additional $705.00, $1,041.62, and $983.27 respectively for a sum total of $2,729.89, be approved and properly executed. Carried: 6-0.

The meeting adjourned at 11:35 p.m.

BURR BLANCHARD, SECRETARY

Gullible Public Makes Market For "Wonder" Pills

One of the most frequent sources of complaint from victims of food and drug promotion schemes is that of the wonder pill which will make its taker young, strong and irresistible. Many of the promoters of these curealls advertise in nationally circulated family magazines in such a way that they are beyond the legal reaches of state law enforcement officers according to Paul L. Adams, State Attorney General.

If you are tempted to solve all of your nutritional and medical problems hy a short course of wonder pills ordered by mail, you will be well advised to check the nutritional claims with a doctor and with the local representative of the United States Food and Drug Administration. You are also advised to check closely on the price. Michigan residents are complaining to my office not only concerning the nutritional claims of some of these bottle-pushers, but also concerning misrepresentation of price. For example, one "monthly plan" advertised at $1.47 plus mailing resulted in a buyer receiving a bill for $5.88 plus 32 cents mailing for a month's supply.

I suggest that you watch both your health and your pocketbook in judging these nutritional "Fountain of Youth" plans, and that you report any misrepresentation in content or price to this office or to the United States Food and Drug Administration.

Rayder Reserves Take Boyne City

Charlevoix's little Rayders rolled up a 33 to 15 victory over the Boyne City Reserves in a game played here Tuesday night.

The visitors scored only one field goal in the game in which the local J-V's scored 11 field goals and 11 of 23 free throw attempts while having 19 personal fouls called on them. The visitors scored on 50 per cent of their free throw attempts to give them 13 points in this department.

Rick Miller paced the scoring with 10 points. Coach Terry Rice played his entire squad of 20 players.

Bill Darbee had four points for the visitors.

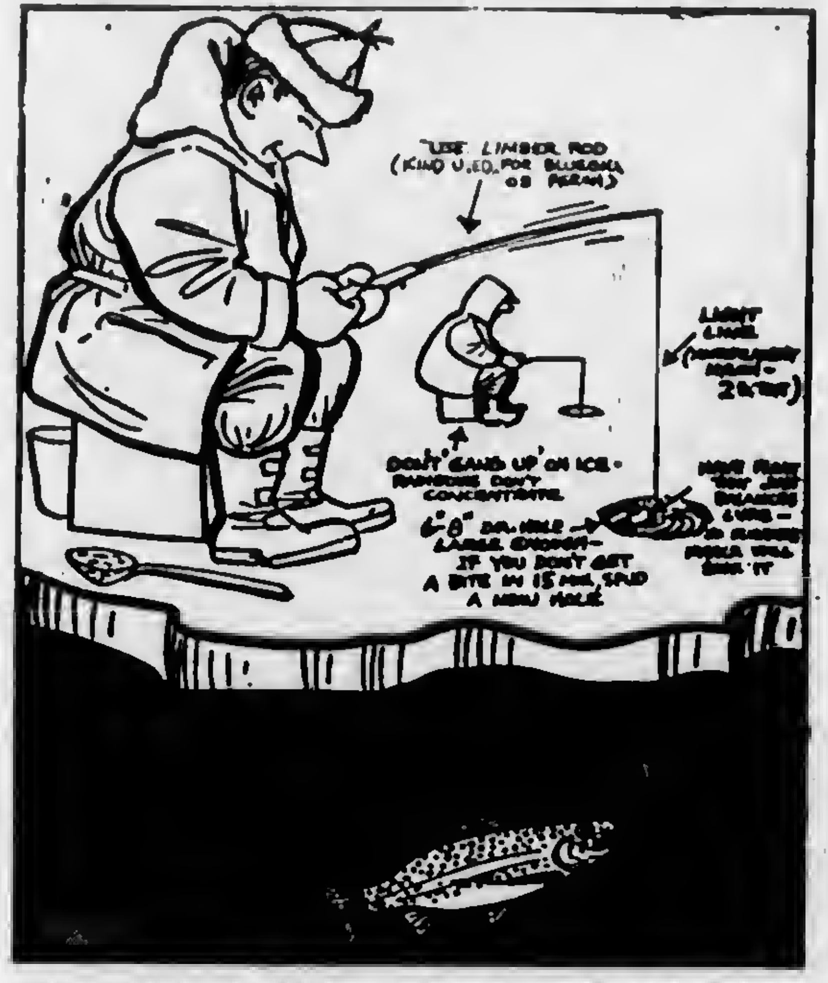
Rainbow Fishing Know-How



USE LIMBER ROD (KIND USED FOR BLUEGILL OR PERCH)
LIGHT LINE
2 lb test)
DON'T GANG UP ON ICE - RAINBOWS DON'T CONCENTRATE
6"-8" DIA. HOLE - LARGE ENOUGH - IF YOU DON'T GET A BITE IN 15 MIN., SPUD A NEW HOLE

One of the newest additions to Michigan's winter wonderland of outdoor sports is rainbow fishing. Opened for the first time in January of 1960 in about 205 lakes carefully picked by the Conservation Department, this new-found sport has since captured the fancy of thousands of fishermen. This winter, during December, January, and February, some 250 lakes will offer hook-and-line rainbow fishing. It shapes up as another exciting season for anglers bent on bringing in 'bows, especially for those who give these easy-to-follow pointers a try. Lists of waters open to rainbow fishing this winter may be obtained from the Department's Lansing office or any of its district headquarters.

Never let it be said that winter is a dull season for Michigan fishermen.

It just isn't so. And one of many good reasons for this is the new and exciting sport of hook-and-line ice fishing for rainbow trout. From now through the end of February, many hours of recreation may be enjoyed in the pursuit of these prized fish in some 250 lakes designated open to the sport by the Conservation Department. Lake Louise, Walloon Lake and Lake Charlevoix waters are open to fishing with hook and line for rainbow trout during special winter seasons in Charlevoix county.

Although catching "bows" during the winter, like fishing in general, is not a sure thing every time you go fishing, still, by practicing common sense you can have more fruitful fishing.

In general, limber rods and light lines provide the most sport, and also are the most efficient gear. Relatively little pressure is needed to set the hook in a trout's mouth, and with the limber rod you are less likely to break the line or tear the hook from the fish.

Ice fishing tackle for bluegill or perch fishing will serve nicely for most trout fishing. The rod may be fitted with conventional line holders consisting of pegs six inches apart for winding excess line. The line itself should be monofilament nylon of about two pound test.

Neglecting to use light line is probably the most frequent mistake of unsuccessful ice fishermen. Occasionally, fish will break the lighter line, but with some finesse you can land most fish, and are certain to have many more bites.

Another important item of equipment is the float or bobber. Trout generally don't bite as voraciously in the winter as during the summer. Thus, the float buoyance and lure weight should be balanced so that the slightest nibble will sink the float and offer minimum resistance to the fish. If the float is too buoyant, the trout often spits out the bait and does not return.

Lures are as variable as the angler. Trout will bite most natural baits. Examples are: corn borer, wigglers, minnows, crayfish, salmon eggs, etc. Often times, these baits are more effective when used with bright ice flies, small spoons, or spinner attractors in size 8-12. Color of the lure seems to be more important to the fisherman than the fish.

Winter observations of trout have revealed the following: They swim rapidly compared with other fish and cover more territory in a day's time. Usually they travel as singles or in groups of less than five. Most of the time they will be within six feet of the bottom. In lakes with inlets or outlets that produce a current, the trout seem to concentrate in the paths of the current.

Rainbows seem to bite best early in the morning although this pheonomenon is probably associated with the available food and will vary from lake to lake. Fishing is most productive just after the ice forms and becomea progressively poorer later in the season.

Early or late, however, the time to go fishing is when you have the chance. Even night fishing, carrying a lantern for safety, can be productive.

Water temperatures and oxygen levels under the ice in winter are usually tolerable for trout in all areas and depths of most trout may be anywhere in the lake. In the some lakes, most of the trout are in shollaw water whereas in others they seem to be in deep water, up to 30 feet or so.

Fishing technique can also be as variable as the angler. Move the bait a lot in the water, so that it will attract the fish. Trout generally take the bait when it is nearly motionless, so occasionally let the bait rest for a few seconds to give the fish a chance to grab it. If you don't get a bite, repeat the process. Move elsewhere and spud a new hole if you don't get a bite in 15 minutes.

Some Departments fisheries men have noticed that when fishing is slow, you're apt to get a bite in a newly-cut hole. It sometimes pays to stamp around a bit or even drop the spud on the ice a few times if the fishing is slow. Even if the fish don't cooperate, at least it warms you up.

This procedure, of course, is not recommended for fishing over shallow water or around other fishermen that don't share this philosophy. Further, when fishing shallow water stay well back from the hole and use a minimum of body motion because you will scare the fish from your immediate area.

A few bad ice fishing manners are worth mentioning here. Do not cut holes in the ice larger than si-eight inches in diameter A man can break a leg by stepping into a larger hole. Such large holes are not necessary, either, because you can get a three-pound trout through a six-inch hole. If for any reason you have to cut a larger hole, leave it marked with brush.

Ice fishermen have a tendency to gang up." In fact, the man that is catching fish often runs the risk of being spudded into the water. Trout, however, are not concentrated under the ice like his gregarious pursuers on top of the ice seem to think. So spread out!

To Present Shelter Survey Program In Traverse City

Representatives of the U.S. Army Corps of Engineers and the Michigan Office of Civil Defense will present a shelter survey briefing in the circuit court room in the county building at Traverse City at 1:30 p.m. Tuesday, Jan. 30, Gen George B. Ely, Charlevoix county Civil Defense director, has announced.

County, city and Civil Defense directors, are invited to attend.

Purpose of the briefing is to discuss all phases of the Shelter Program and the local government's responsibility in the program.

telephone lines

By LES JOHNSON, *Manager*

SOME OF THE THINGS you don't see when you look at your telephone are the facilities behind it which make your service the finest there is. Ten years ago, for example, Michigan Bell's investment in buildings, poles, cables and so on to link your phone with others amounted to $247 per telephone. Now it's more than $330. Last year alone we spent more than $85 million to install new telephones, replace worn-out equipment and improve service. This money was spent in every city, town and village where we do business—to make your telephone serve you better.

PROPRIETORS OF SMALL BUSINESSES, including farms, are discovering the value and convenience of Michigan Bell's new complete interphone system. With it, telephones used for regular calls can also be used for intercommunication between house or office and yard and outbuildings. It also provides for calls between locations within a building. A special speaker-microphone is available which lets a person who is called answer "hands free" without touching a telephone. For more information on how new interphone service can help you, just call us here at the business office.

* * *

HERE'S A GOOD example of how an apparently small change in your Telephone Company's way of doing things results in better service. Overhead phone cables used to be supported by a strong wire strung *above* them. Not any more. Now, in many cases a cable-wrapping machine winds the wire around the phone cable. It saves time, and cables last longer. Just one of the many ways Michigan Bell is furnishing better telephone service—and keeping down costs.

Justice Court News

Justice John J. Connolly reports the following cases which appeared in his court recently.

Floyd Harrington, 20, of Charlevoix and Isadore Herrere, Jr., 21, of Lansing waived examination and were bound over to the March term of circuit court when they appeared before Justice Connolly on forgery charges. Bonds were set at $2500 each. They were both remanded to the county jail when they failed to furnish bonds. The pair was arrested on citizens' complaints after they had written four checks on another individual's account.

Mrs. Joella Williams, 28, charged with violation of the basic speed law, was ordered to pay $5.00 fine and $5.00 costs. Summons was issued by the City Police.

Gerald Balch, 17, charged with having improper registration plates on a motor vehicle, was ordered to pay $5.00. Summons was issued by the City Police.

Charlevoix Charged With Goal Tending Causes One Point Loss

The Charlevoix Rayders lost a heart-breaker to Grayling Friday night by a score of 54 to 53 after holding an 11 point lead at one time in the final period.

Grayling's winning bucket came with less than three seconds remaining when the Vikings were awarded a basket after the Rayder's were charged with goal tending, i.e., a Rayder was charged with touching the net when the ball was on the rim of the basket.

The Charlevoix Rayders overcame an early Grayling lead to go ahead 13 to 12 at the quarter before increasing their advantage to 25 to 22 at halftime.

Charlevoix opened the second half with their best period of the game, scoring 16 points to 14 for the Vikings for a 41 to 36 advantage.

As the game went into its final eight minutes, the Rayders pulled away for an 11 point lead which the Vikings trimmed to one point, 53 to 52 with three seconds remaining when they called a time out. The Vikings took the ball out of bounds,, passed it in, dribbled down floor and shot. As the ball poised on the rim before falling off, Charlevoix was charged with 'goal tending' which credited the Vikings with the winning basket.

Grayling had 23 field goals and 8 of 17 free throw attempts while collecting 15 personal fouls. Charlevoix had 21 field goals and 11 of 20 free throws. They also had 14 personal fouls.

Chris Kroll paced the game with 18 points for the victors followed by Tim Neil with 14 and Jim Johnson with 10 including the 'unscored' basket. Grayling lost Tom Wright via the foul route at the three-quarter mark in the game.

John Pearl and George Majors shared scoring honors for Charlevoix with 13 points each followed by Frank Curtis with 10; Stan Martin with nine ;Dan Pearl with four and Dave Rader and Tony Duerr with two points each. Henry Wagner was the fifth member of the starting lineup. Bruce Murray also played.
also played.

Little Rayders Beat Grayling Reserves 46 to 42

Charlevoix's Little Rayders stayed on the victory trail this week, wrapping up a 46 to 42 win over the Grayling Reserves on the latter's floor Friday night.

Paced by Gary Stutzman with 13 and Rick Miller with 12, the local reserves romped to a 13 to five first period lead which was increased to 22 to 10 at halftime before the young Vikings found the bucket and outscored Charlevoix 20 to 15 in the third quarter to trim the Rayder advantage to 37 to 30 going into the final period.

Grayling continued to pace the scoring in the last quarter, dumping in 12 points to nine for Charlevoix but, despite this, the Rayders coasted to a victory.

Brendon LaBlance had eight points, Jim Uhrick six, Pete Ance three Dave Smith and Nick DeYoung two each for Charlevoix. Bruce Kroken also saw action.

Jack Young had 12 points for Grayling.

Last Week With Class C

Boyne City racked up a 48 to 40 victory over Gaylord last week and Grayling edged Charlevoix 54 to 53 to retain their lead in the Northern Michigan Class C league as the current cage season neared the halfway mark. In the only other game played Friday, Pellston remained in second place after trimming Mancelona 55 to 38. The East Jordan-Harbor Springs game was postponed to Jan. 23.

Boyne City 48, Gaylord 40

Boyne City had to depend on their ability from the free throw line to keep them in the title race Friday after the Gaylord Blue Devils matched them field goal for field goal, scoring a total of 18 apiece. The Ramblers made up the deficit from the free throw line connecting on 12 of 17 attempts while collecting eight personal fouls. Gaylord had only four of seven charity shots while collecting 15 personal fouls.

The Ramblers led the visitors 13 to 4; 20 to 15 and 33 to 28 by quarters before wrapping up the victory. Gabby Nowak paced the scoring with 17 points for Gaylord. Larry Gunderson had 16 and Doug Grubbe 12 for the Ramblers.

Pellston 55, Mancelona 38

Though the underdogs in the meeting, Mancelona proved a tough opponent, trimming Pellston's lead to three points at the three-quarter mark, 32 to 29, after the Hornets had led 12 to 4 at the quarter and 22 to 12 at halftime. In the final period, however, the Hornets got back in the running, scoring 23 points to nine for the Ironmen for the decisive win.

Stan Bodzik with 10 points led Pellston's attack. Pat Dutcher tallied 13 for Mancelona.

Harlem Diplomats To Appear Here Wednesday Night

Basketball's internationally famous Harlem Diplomats will come to Charlevoix Wednesday to take on the Charlevoix Independents.

The Diplomats who are rapidly becoming world renowned recently played in Central and South America and in the Caribbean where they were labeled the funniest team ever.

The team features two of basketball's great commedians, Dick Harvey and Goose Jr. and also the bright new sensational dribbler and ball handler, Lem Carpenter.

Meeting this great team in the game scheduled for 8 p.m. will be the Charlevoix Independents headlining Bob Klooster, Connie Klooster, Ralph Brock, Bill Lusk, Ken Balch, Dave Schuchard, Steve LaBlance, Stan Smith, Harvey Cole, Gary Smith, Bud Balch and the manager-player, Jim Alger.

The preliminary game scheduled for 7 p.m. will put the Harbor Springs Independents with such widely known players as Bob Lauer, Ken Garver, Don Lauer, Stan Pifer and Bill Tobin against the Petoskey Elks who have in their line-up John Juday, Dale Beattie, Vinc Griffin and Jim Reed.

The Diplomats are appearing here under the sponsorship of the Charlevoix high school Varsity club headed by Stan Martin. Proceeds from the game will be used to purchase much-needed football equipment.

Tickets are presently on sale and may be purchased from Varsity club members and at Meggison's and Schroeder & Hovey Drug. Fans are urged to buy pregame tickets and take advantage of the special rate.

Rayders Lose to Boyne City 40 to 36 in Overtime Match

The Charlevoix Rayders were dropped into a tie for third place with Gaylord after losing a close one to Boyne City 40 to 36 in an overtime game. The regulation game had ended in a 36 to 36 tie.

The meeting between the Rayders and the Ramblers got off to a fast start with Charlevoix's Martin dumping in three points before Larry Thompson scored a free throw at 6:07. From then on it was a battle all the way with the Rayders holding s silm 10 to 9 first quarter lead.

The second period was equally as hectic with Boyne City going ahead 19 to 17 on a field goal by Bob Snyder as time ran out.

In the third quarter the teams traded baskets all the way with George Majors putting in the tieing bucket with 1:12 remaining in the period as the quarter ended 29-all.

Two buckets by Tracy Newville, the first from outside with 2½ minutes gone in the period and the second with a minute remaining after he had stolen the ball knotted the score 36-all. The Rayders had two opportunities to go ahead on shots from the free throw line but muffed the chance with the game ending in a tie.

In the overtime the Ramblers put on a full court press that has served them well throughout the season, forcing the Rayders to go in for the ball. Two fouls gave Doug Grubbe two trips to the free throw line scoring the points for the victory margin.

The Ramblers won the game from the free throw line, connecting on 12 of 14 free throw attempts while scoring 14 field goals to 16 for Charlevoix. The Rayders hit on only four of 14 free throw attempts. The teams had 14 and 13 personal fouls, respectively. fouls, respectively.

Frank Curtis paced the scoring with 12 points for the Rayders followed by Martin with 10 including four of seven free throws, George Majors with six and Dan Pearl and Henry Wagner with four each. John Pearl and Tony Duerr also saw action.

Larry Thompson and Grubbe shared scoring honors for the victors with 12 points each.

government, where and whom it will come from, still looms as the largest problem facing Michigan lawmakers.

The problem reached its peak during the year-long 1959 session of the legislature when state employes faced one payless payday and were threatened with others.

* * *

A $71.5 million deficit was on the books at the end of the fiscal year in July and there is no sure sign that the financial picture has improved since then.

Legislators this year will be hard pressed to find new sources of revenue to meet the demands for governmental services.

* * *

In the 1961 budget-writing process. The Democratic administration and the Republican legislature were far apart on estimates of how much was needed and the amount which would be available for operations.

It is still a matter of conjecture as to which was right, but the two sides now appear to be closer together on at least one point: that more money is needed than is available.

Recent meetings of both parties brought forth general agreement that Michigan's citizens want services not now available under the present revenue pattern.

* * *

If new money is to be forthcoming, the only unanswered question remaining is to find the most equitable means to tax Michigan citizens to provide it. Some Republicans feel minimal opposition to the nuisance taxes which were allowed to expire last July indicated these. might be desirable areas to impose new, permanent levies.

The beer and liquor, telphone and telegraph, and cigarette and tobacco interests, of course, contend their products and services are already taxed beyond reasonable limits. And there is some justification for their stand.

* * *

Pessimists predicted last year that if the four per cent sales tax were approved, it would soon be boosted again and again and again. There were no indications from any quarters that this was being considered.

The business community now complains loudly and with agreement in both parties that its taxes are already too high.

Many Republican lawmakers have been heard in recent weeks to say an income tax might be the lesser of the several undesirables.

Gov. John B. Swainson, who proposed this method to the 1961 legislature as part of his fiscal reform program, said he welcomed this stand by some members of the opposition party.

"We haven't seen their votes on the board yet, however," he said. "Speeches sometimes are not backed up when the voting buttons are pushed."

* * *

Swainson is sticking to his position that he will not approve an income tax alone, however.

"This would not be the answer," he said. "The total picture of our tax structure must be taken into account."

Recognition by both parties could mean they are ready to sit down and seriously discuss how to put Michigan back on the black side of the ledger.

Any solution, however, must be designed to cover more than a single fiscal year. It must be a program which will keep Michigan's income growing along with its population and demand for services.

* * *

STATE PERSONNEL DIRECTOR Franklin K. DeWald would like to dispel the common belief that civil service provisions prevent the discharge of incapable employes.

In a recent 12-month period, 220 state civil service workers were fired, DeWald said.

"This record showed state agencies can and do fire undesirable employes," he said. "And this number of dismissals is only a small percentage of the number allowed to resign when faced with removal proceedings."

There are many who believe, however, that the civil service set up leaves administrators without proper authority to operate as efficiently as otherwise and that when a supervisor lodges a complaint about a subordinate, it is he rather than the employe who goes "on trial."

* * *

The state's civil service work force of about 32,000 undergoes a turnover of about 10 per cent annually, a civil service commission research report shows.

The study showed that a total of 6,735 state employes have been fired since Michigan's civil service system was established by constitutional amendment in 1941.

"State employes are subject to annual service ratings by their supervisors or an interim service rating may be given at any time," said DeWald. "Commission rules provide an employe who receives a conditional rating for one period and fails to achieve a satisfactory rating for a subsequent period, or an employe who receives an unsatisfactory rating may be dismissed."

Charlevoix Lions Receive Charter at Dinner Meeting

"Fellowship, leadership and service— a sense of friendship and brotherhood, an opportunity to search out ways of helping people less fortunate and a true desire to establish peace and trust filled with friendship among the peoples of the world are the aims of Lions International and as members of this organization it is your duty to further these aims," LaVerne Robbins of Battle Creek, international counciler and candidate for International director, told the charter members of the recently organized Charlevoix Lions club, other Lions and guests who gathered at St. Mary's school hall Saturday night for the local club's charter night banquet.

More than 150 fellow Lions, their respective wives and other guests from throughout the north heard Mr. Robbins outline for the members of the new club their responsibilities to the community and to themselves. He concluded by saying that the ideals of the club offered a very worthwhile challenge and that he hoped they were prepared to accept this challenge.

Cyril H. Bennett of Bear Lake, district governor, charged the members with their duties and responsibilities as members of the club whose chief aim is service to the community and their fellowmen when he presented the club's charter to the president, Dean Davenport. In accepting the charter, Mr. Davenport thanked fellow members and guests for giving the club the spendid 'launching' and for their many gifts and, in behalf of the club members, accepted the challenge membership in the international organization offered.

Robert Gillispie, president of the Petoskey club which sponsored the local club, presented with a gavel and bell and other gifts including a telegram from the organization's International President and gifts from area clubs, among them many checks and a set of signs from the Ludington club.

Elmer Radke of Rogers City, International Councilor, as toastmaster did an excellent job of making the banquet program an informal one and keeping it moving at a fast pace. Charter members and their respective wives and guests were introduced as were visiting officials from other area clubs. Mayor E. D. Hawley welcomed the club and visitors in behalf of the city. Hal M. Hill, first vice president and chairman of the Charter Night banquet and program, thanked his committee and others who had assisted in making the event a success and introduced Mr. Robbins. Harold Johnson of Cheboygan, zone chairman, called the meeting to order, led those present in the Pledge of Allegiance and the singing of the Star Spangled Banner and group singing. Les Payne played the accompaniment on the accordian.

The Rev. E. F. Denay, pastor of St. Mary's church, gave the invocation and the Rev. George L. Majors, pastor of the Community Church of God, the benediction.

Other officers of the new service club are: Franklin Ochs, second vice president; Robert G. Lieberman, third vice president; Lawrence C. Wallace, secretary and Desmond Milligsn, treasurer. Charles Miller is the Lion Tamer; Don B. Meggison, the Tail Twister and Kenneth B. Wright, Jerome Whitley, Jesse W. Penn and Stanley P. Fiedorek, directors.

The club meets at the Weathervane Inn at 12:15 p.m. every Monday.

Funeral Services Held Tuesday For Mrs. W. E. Goss

Mrs. W. E. Goss, 71, resident of this community for 40 years, died Saturday at the Charlevoix hospital where she had been a patient for three months.

Funeral services were held at the Winchester Funeral Home Tuesday with the Rev. Harold E. Kohn officiating. Buriol was in Brookside cemetery.

Born at Croton in Newaygo county Jan. 20, 1891, the former Lelia P. Race taught school in central Michigan prior to her marriage to Mr. Goss at Saranac in 1919. They later lived in Traverse City and other area cities before coming to Charlevoix in 1922. Mr. Goss was associated with Michigan Bell Telephone Co. in various capacities for many years prior to his retirement several years ago.

She was a member of the First Congregational church and its Margaret Parker circle, the Charlevoix Rebekah lodge No. 293 and its Past Noble Grend club, and the American Legion Auxillary.

Besides her husband, she is survived by five sons, Robert, Gerald and Shelby of Charlevoix and William and Thomas of Saranac; 10 grandchildren and two sisters, Mrs. Hezel Tower and Mrs. Elmer Hill, both of Saranac.

Boy Scout Patrols to Participate In Annual Klondike Derby

Two patrols of Boy Scouts Troop 11 will travel to Petoskey this weekend to participate in the annual Klondike Derby which is being staged as a part of the 35th annual Petoskey Winter Sports Carnival.

Making the trip will be the Owl and Flaming Arrow patrols which will compete with Scouts from approximately 15 other northern Michigan communities on a course set up at the Winter Sports Park in Petoskey. Accompanying the local Scouts will be their Scoutmaster Louis Edwards and Glenn Kenney who will transport the Klondike sleds which have been made by the Scouts for this event. Members of the Charlevoix Kiwanis Club, local sponsors of the Scouts, will assist the Petoskey Kiwanis club with the Derby.

During the Derby, the Scouts will display their skills in fire building, compass reading, knot tying, First Aid, ice rescue, measuring and animal identification.

A group of Charlevoix skaters who are members of the cast of the Winter Wonderland Revue will participate in an ice show which will be part of the coronation ceremony during which the Petoskey Winter Sports Queen will be crowned. This, too, will be staged at the Winter Sports Park. Local girls skating in the show which is being directed by Mrs. Rodney Creede of Cadillac will be Susan deCastro, Cathy Gallagher, Lorraine Heise, Sally Cross, Nynke Bierma, Jeanette Novak, Cally Gallagher, Lenore Livingston and Kitty Gill.

The Winter Sports Carnival will be climaxed the weekend of Feb. 2, 3 and 4 when three big events are planned.

Highlights of the weekend will be the North American Outdoor Speed Skating championship at the Winter Sports Park on Saturday and Sunday and the Winter Sports Ball at the Petoskey high school gymnasium Saturday night. Music for dancing will be by the nationally famous Johnny Long and his orchestra. The ball will also climax the Miss Michigan Winter Queen contest. Ticket reservations may be obtained here by calling Mrs. James W. Gallagher at 2588.

The carnival opened last weekend with the coronation of the Prince and Princess of the Carnival and parties for the youngsters of Petoskey at the west side rink.

Mrs. A. H. Cameron Hostess at Family Birthday Dinner

Mrs. Arba Cameron entertained at dinner Sunday evening in her Petoskey Avenue home. The occasion was the celebration of three birthdays in the Campbell family. Honor guests were her brother, P. D. Campbell, and her sister-in-law, Mrs. Harvey Campbell. The third birthday was that of the hostess, the former Jeannette Campbell. All three have birthdays within a week in January.

A candle-lit birthday cake climaxed the dinner and a few family friends joined the Campbells in an evening of games and television.

Call USCG Sundew To Break Ice

The U.S. Coast Guard cutter Sundew, stationed here, departed Monday for southern Lake Michigan to assist with ice breaking duties in that area.

The cutter Woodbine, stationed at Grand Haven, has been active in this project since the winter season started.

Moms to March Monday, Slate Other Activities

Whistles will blow and bells will ring at 7 p.m. Monday to herald the beginning of the annual Mothers March for the new March of Dimes, Mrs. Lyle Arvill, local chairman for the fund campaign, announced Wednesday.

The fire siren and the bells of St. Mary's, the First Methodist and the First Congregational churches will be sounded as local mothers, under the direction of Mrs. Kenneth Cellner and Mrs. Raymond McBratnie, ring doorbells to accept contributions to the March of Dimes.

However, before the Mothers' March which will climax the present fund drive, there will be two other special events including the buffet dinner at the Weathervane Inn beginning at 5 p.m. tonight (Thursday) and continuing until 8 p.m. Mrs. James Alger has arranged this event. Mrs. Richard Donaldson and Mrs. Arnold Loper have solicited the food for the dinner. The Weathervane Inn is donating its facilities for the dinner, The Johnny Kay Trio will play for dancing as its contribution to the drive.

On Saturday night there will be a buffet supper at the Airport Inn which is donating its facilities for the event. Mr. and Mrs. Dan Genelt and Mr. and Mrs. Perry Smith Jr. are co-chairmen of the supper which will feature a variety of home-prepared foods.

The Coffee Day resulted in $45.13 for the fund Mrs. George Lusk, general chairman, has reported. Liston's, the Coffee Cup, Schroeder's Drug Store, Williams Cigar Store, the Chatterbox and the Sugar Bowl participated in this event.

Other funds received to date include $89.68 from two blanket pitches at basketball games and incomplete returns from Dime cards distributed in the Charlevoix Elementary School totaling $109.42.

Mailers have been sent out to residents of the area and to area organizations by Mrs. Gerald Lakies and Mrs. Russell Dohm.

Shrine Circus Wins Applaud From Youngsters

"Boy! Did we have fun-", "That was the most fun and the most exciting thing I ever did" and "This was the most successful Shrine Circus train we've ever had" were some of the remarks concerning the annual Shrine Circus train which carried 73 seventh graders, four crippled children and seven retarded children to the Shrine Circus in Grand Rapids Monday.

Arranged by John Rathburn of the Traverse City Shrine Club, these youngsters left Charlevoix at 5:30 a.m. Monday for Traverse City where they boarded the 17-coach train pulled by three diesel engines for the trip to Grand Rapids where they spent the afternoon at the Shrine Circus. They left there late in the afternoon, arriving in Traverse City about 9:30 p.m. for the return trip home via bus.

Accompanying the group were Mr. Rathburn, Jack Rader, A. C. Mort and Mark Haynes of East Jordan, area Shriners, Leonard Burns and Terry Rice, seventh grade teachers, Mrs. Clarence Smith and Mrs. Benjamin Gill, seventh grade mothers, Earl Crandall and R. T. Davis, bus drivers, Mrs. C. M. Bice, train nurse, and Mrs. Robert Bergmann, Mrs. George Bergman and Mrs. Karl Derenzy of Bellaire who accompanied the pupils from the Retarded Children's School.

Paul Bunyan Lanes To Sponsor Project For March of Dimes

The Paul Bunyan Lanes are sponsoring a special fund-raising project to benefit the 1962 March of Dimes according to Stan Fiedorek, manager of the local bowling lanes.

Open to all league bowlers at the local lanes, the March of Dimes tourney will be staged from Jan. 22 through Feb. 2 with the county rolloff scheduled for Sunday, Feb. 4, at the Paul Bunyan Lanes with winners from East Jordan and Boyne City competing for county honors and an opportunity to participate in the state meet to be held later in the winter in southern Michigan. Three top bowlers from both the mens and women's league will represent the county in the state rolloffs where the top prizes will be seven-day all expense trip to Nassau.

Skiers Attracted to Mt. McSauba Slopes

"Skiing at Mt. McSauba is the best it has been in years and the slopes are attracting large crowds daily," reports Charles A. Meier, manager.

There is at least a 15 inch base at present and continuing snow falls improve conditions daily. Not only are local skiers enjoying Mt. McSauba but an increasing number of week-enders are using the facilities.

Visiting non-skiers can get a wonderful view of the slopes from the Lodge and enjoy a cup of coffee while they watch the fun.

Just a reminder—Mt. McSauba is open Tuesday and Wednesday evenings from 7:30 to 10 p.m. Wednesday is Ladies Day from 2 to 5 o'clock but all are invited to ski too. Saturday hours are from 10 A.M. to 5 P.M. and from 7:30 to 10 in the evening. Sunday hours are from noon to 5 o'clock.

Development Corp. To Hold Annual Meet

The annual meeting of the Charlevoix Development Corp., will be held Thursday (tonight) at 8 p.m. at the Charlevoix city hall, Joseph R. Williams, secretary, has announced.

The agenda will include a report of the past year's activities and the election of four directors. Directors whose terms expire this year are Mr. Williams, Archie L. Livingston, Harold M. Totten and Frank Novotny.

Directors will meet immediately following the stockholders' meeting to elect officers for the ensuing year.

Ironton District to Vote Tuesday on New School Proposal

Voters of the Ironton School district No. 4 will go to the polls in a special election scheduled for Tuesday to vote on two proposals regarding a bond issue to underwrite the cost of building a new school for the community.

Proposal No. 1, on which all qualified registered school electors may vote, will authorize the increase of the 15 mill tax limitation by seven mills to permit funds to be raised for the construction of a new school.

Proposal No. 2, on which all qualified registered school electors who are property owners may vote, would authorize the actual levy of a tax to make possible the construction of a new school.

Both proposals must be passed by a simple majority to make the building a reality.

Polls for this important election will be in a trailer to be parked in a central location in the village of Ironton. The polls will be open from 7 a.m. to 8 p.m. to allow the voters of the school district to cast their ballots.

Members of the election board will be William VanderWall, Mrs. Earl Kroll and Mrs. Don Bennett.

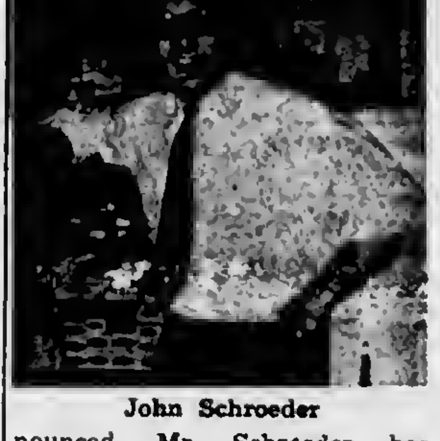
The proposed new school would be a one-story modern fireproof structure costing approximately $35,000 which would necessitate a tax levy not to exceed seven mills for an 11 year period.

The proposed new school would replace the frame structure which had been in use since about 1883 and which was condemned by the State Fire Marshal's office in April 1960. The youngsters in the kindergarten through the sixth grade, who were enrolled in the school at the time, finished the school year in a classroom furnished by the East Jordan public school.

Since September the students, who number about 16, have been attending the Charlevoix and East Jordan schools.

Schroeder Buys Hovey Interest In Drug Store

The partnership of Schroeder & Hovey which has operated a local drug store under that name since 1942 has been dissolved, John Schroeder has announced. Mr. Schroeder has acquired John Hovey's interest and will continue to operate the business under the name of Schroeder's Drug Store.



John Schroeder

Mr. Hovey who operates a drug store at Harbor Springs has been a silent partner in the local business since it was purchased by the partnership from F. J. Fessenden Jan. 15, 1942. Mr. Schroeder has managed the local drug store and pharmacy since the partnership was formed.

The interior of the store was completely remodeled and modernized in 1952 and the store front was remodeled last fall.

Refreshments will be served at the close of the meeting.

The terms of the following directors expire at this time; Walter Rood Morry Taylor and Julius Essenberg.

Kiwanis Speaker Reviews Proposal To Unite Schools

Pros and cons of the proposed consolidation of the Banks township school and the Central Lake school with the Charlevoix school were presented Monday evening by Supt. Roy G. Bennett at the regular dinner meeting of Kiwanis.

Mr. Bennett explained that such a consolidation would bring the three schools into one school district. It would also entail a larger teaching staff and an additional building to house the increased enrollment. A number of citizens committees representing the three districts have made an extensive study of the proposal as have the directors of the three schools. The reports are now under study.

Ralph S. Hamilton was presented an award pin in recognition of his 14 years perfect attendance.

Five members of the local club attended an inter-club meeting Monday evening at Cheboygan. They were Al Scheid, John Mol, Jerry Lescoe, Jim Alspaugh and Fred deCastro.

Deals Perfect Cribbage Hand

Mrs. Thomas Murphy, an avid cribbage player for 40 years, reported a 'once in a lifetime' experience over the weekend that of dealing a perfect cribbage hand to her partner, Larry Stowitts.

Both are experienced cribbage players, Mrs. Murphy said, but neither had ever had the good fortune to be in a game where a perfect 29 hanl was dealt. She said that they had played several hands Friday night when she dealt her partner the makings of a perfect cribbage hand, three fives and the Jack of Hearts. When he turned up the five of hearts the game soon broke up they both were so excited about it, she said.

NCMC Schedules Evening Classes

The schedule for evening classes at North Central Michigan College in Petoskey has been announced by Dean A. D. Shankland who said that registration has been set for 7:30 p.m. Feb. 1 with classes to begin Feb. 12.

The classes to be offered and the days they will be offered follow: Monday, Intermediate American Literature and Business English; Tuesday, English composition and Political Science; Wednesday, History of the United States and Thursday, Introductory Accounting.

All scheduled classes are regular college courses and give regular college credits which are transferable to other colleges and universities. Each class meets one night a week for 18 weeks.

Some of these classes are carryovers from the first semester but only Accounting will be limited to those students who are enrolled in the first semester's course or who have had at least one semester of College Accounting. It will also be necessary for students interested in shorthand to have some training in either high school or college.

In other courses it is not necessary that enrollees attended classes during the first semester. However, it is important that all persons interested in these classes report for the registration meeting Feb. 1. Further information may be obtained by calling the college office.

Jerold Murdick Named to Head Band Parents

Jerold Murdick was elected president of the Charlevoix Band Parents Association at the annual election of officers held Wednesday at the high school cafeteria.

He succeeds Clifford Riley who was named vice president. Other new officers are Mrs. George Bergmann, secretary and Mrs. Joseph Stutzman, treasurer, who were elected to succeed Mrs. Lyla Arvilla and Mrs. Hugh Mayne.

Plans were made for the first fund-raising project to be held during the current school year, the annual Band Parents dinner to be staged at the new high school cafeteria Thursday, Feb. 8.

Mrs. Marie Blissett and Mrs. A. D. Cunningham will be in charge of the kitchen. Other early appointments by Mr. Murdick are: Mrs. Riley who will be in charge of the dining room and C. A. Odmark, band director, who will be in charge of tickets and advertising. Mr. Murdick will head the group of band fathers who will handle the dish washing duties. Other committees will be named as the plans for the event progresses.

The dinner will be served cafeteria style at the same popular prices in previous years when more than 500 people were served in two hours.

The 150 members of the Senior and Reserve bands will canvass the community with tickets for this popular local event scheduled for Feb. 8.

Betrothed

Mr. and Mrs. A. D. Cunningham have announced the engagement of their daughter, Judy Ann of Highland Park to Dale A. Suomela of Flint.

Parents of the prospective bridegroom are Mr. and Mrs. Uno A. Suomela.

The wedding will be an event of June 16 at the First Methodist church here.

The bride-elect is a 1957 graduate of the Charlevoix high school and is presently employed in the surgical department of William Beaumont Hospital in Royal Oak. Mr. Suomela, who is a 1951 graduate of the local high school, is a 1956 graduate of the College of Architecture and Design of the University of Michigan and is a registered architect in the state of Michigan and a member of the American Institute of Architects. He is presently employed as a designer and project manager with MacKenzie, Knuth & Klein, Architects Inc. at Flint. He also is a veteran of two years service in the U.S. Army.

Residents Report Evening Grosbeaks

The recent story in the Charlevoix Courier regarding the large evening grosbeak population in the area this winter has brought another from Mr. and Mrs. John Geer who live along Little Traverse Bay north of here.

They have fashioned a large feeding station from a banana crate and have countless numbers of the beautiful birds which are attracted to the station not only because of the food provided but by the lack of humans.

Mrs. Geer said the grosbeaks and other varieties of birds consume an average of five pounds of food per day. In addition to the feathered population, there are three red squirrels, a black squirrel and a gray squirrel who are eating regularly at the well-stocked station, one of three 'supported' by the Geer family.

Several other residents in the area have reported grosbeaks at their feeding stations.

Masons Hold Lead In Cribbage Play

The Masons won the third successive round of the annual cribbage tournament with the Oddfellows by 239 points bringing their lead to 656.

Ray Ashdon was highpoint man for the Masons with a score of 936. William Bergmann with 954 points was high man for the Oddfellows.

People who fly into a rage always make a bad landing.

Former Resident Recognized As Outstanding Supply Officer

Major Harold B. Chew, former local resident who is presently serving as Supply Officer at Lorado Air Force Base, Tex., has been selected as an Outstanding Supply Officer for the year 1961.

He was chosen for this recognition after a review of his records by Air Training Command and Headquarters USAF selection board.

The purpose of this relatively new Air Force-wide designation is to identify and recognize officers who have demonstrated outstanding proficiency in supply duties.

A letter, written by Gen. Frederick H. Smith Jr., Vice Chief of Staff, which accompanied the certificate of award, reads in part: The critical importance of such duties to the combat readiness and economical operation of the Air Force makes it mandatory that officers best qualified to perform them be appropriately recognized and clearly identified."

Major Chew was transferred to Lorado in June 1961 from Sheppard AFB where he was Material Officer, Department of Missile Training.

A veteran of 15 years in the U. S. Air Force, all of which has been in the Supply field, he entered the service in 1942 and received his commission through Officers Candidate School at Miami, Fla., in Jan. 1943. He served in Hawaii in 1945 for one year and beginning in 1956 was stationed in Japan for three years.

A native of Dickson, Tenn., he came to Charlevoix as a child and was graduated from the Charlevoix high school. Following his discharge from the service after World War II he returned to college to complete his education at Michigan State University, graduating in 1946 with a B. A. degree in Economics. He was recalled to active service in 1950.

The son of Mrs. Datus Dean, he is married to the former Maralyn L. Jordan of Detroit.

They have four children, Gregory, Deborah, Donald and William.

I See By The Courier . . .

Mr. and Mrs. William Meyer left Tuesday for a two months vacation in Juno Beach, Florida. Their daughter, Mrs. Alice Griswald, of Grand Rapids, will join them later and spend about three weeks vacationing with her parents.

Jack Rader, Jr., a student at Olivet College is spending the mid-semester vacation with his parents, Mr. and Mrs. Jack Rader, Sr. Guesting with "Jock" are Jerry Powers and Bob Fox, fellow students at Olivet, and Dave Stapleton, studying at Wabash College in Indiana. The boys plan to relax from the tension of mid-semesters by living it up on the ski slopes of our " winter wonderland."

Mr. and Mrs. Randall Crump left recently to spend the remainder of the winter in Osprey, Fla.

Guests at the home of Major and Mrs. Joseph Sidorowicz while the latter is a patient at the Charlevoix hospital are her brother, Henry Nowakowski of Detroit, her sister, Mrs. Hubert Bruder of Maceday Lake and her daughter-in-law, Mrs. Ted Sidorowicz of East Lansing.

Mr. and Mrs. Richard Lennox and children. Gregory, Mary Christine, Janet and James of Flint spent the weekend at the home of Mrs. Lennox's parents, Mr. and Mrs. Fred Willis.

Program Planning Committee to Meet

A regional conference program planning committee representing Region 14 and 15 of the Michigan Education Association will meet at the Cadillac high school Saturday to formulate plans for the 1962 fall conference (Teachers' Institute) to be held Oct. 4 and 5.

The educators will discuss how to plan and conduct special interest group meetings which are scheduled for the conference.

Mrs. Robert Martin is a member of the 14-member program planning committee from the 17 counties represented in Regions 14 and 15.

U.S. farmers are famous for how fast they can get the job done. They can plow an acre in 42 minutes; spray a field with ground air in less than 1 minute; kill 20 equipment in 20 minutes and by million weeds in an hour and harvest an acre of wheat or corn in 40 minutes.

Educators to Hold Mid Winter Parley

The 1962 Michigan Education Association Mid Year Leadership Conference will be held at the MEA Camp, St. Mary's Lake near Battle Creek Feb. 2 and 3.

The conference, which is expected to attract more than 200 teachers and administrators, is designed to strengthen professional organizations and to brief officers of local MEA units on specific phases of education.

Planning to attend from here are Mrs. Louis Courtade, Mrs. Conrad Klooster Jr. and Mrs. Robert G. Martin of the local school faculty.

Major speakers will be George N. Lauer, registrar, Central Michigan University and president of the MEA who will speak on "The MEA District-Chapter Program of Action" and John H. Starie, field service co-ordinator of the Office of Field Operations of the MEA, whose subject will be "MEA Priorities Project and Unified Membership".

NMCC Schedules Dance Revue Jan. 31

"The Light Fantastic", a dance review by Myra Kinch and her company will be presented next Wednesday evening at the Petoskey high school under the auspicea of the Northern Michigan Community Concert association.

Miss Kinch has received nationwide acclaim for the skill, aatire, burlesque and comedy she interprets in the dance, as well as the perfection of her choreography. As one New York revuer writes, the special attributes of her presentations were a fine sense of the theatrical, her personal beauty and the technical skill of her command of the comic as well as the dramatic and lyric.

Admission to all concerts sponsored by the northern Michigan Concert association is by membership only.

Annual Meeting Held at Christ Episcopal Church

The members of Christ Episcopal church met at the church for the annual meeting Sunday evening according to the Rev. Alexander Wood, vicar of the mission.

Officers and committee members re-elected to serve for 1962 include the following: warden, Louis Hamlin; treasurer, Byron Wright; secretary, Mrs. Donald Brown; committee members, Julius Elzinga, Arnold Loper, Thomas L. Carey Jr., John Kling, Percy Woodcock and E. E. Goode.

Mrs. John Geer was named delegate and Mrs. S. E. Coleman alternate to the diocesian convention which opened in Grand Rapids Monday for three days. Rev. Wood, Mrs. Geer and Mrs. Coleman were in Grand Rapids to attend the convention.

Mr. Hamlin was honored as Man of the Year from the Christ Church mission by Bishop Bennison.

Reports were presented at the annual meeting and tentative plans made for the coming year. The annual meeting followed the candle-lighting ceremony at which the young people of the church presided.

RECORD OF THE COUNCIL

January 15, 1962

The Common Council of the City of Charlevoix met on the above date with Mayor Hawley presiding. Aldermen present: Donaldson, Fochtman, Grubaugh, Hansen, Neff and Staley.

The minutes of the Jan. 3, 1962 meeting were approved as presented to the Council in writing.

The Boss resolution was offered by Alderman Donaldson and supported by Alderman Staley.

RESOLUTION

Alderman Donaldson offered the following Resolution and moved its adoption, seconded by Alderman Staley:

WHEREAS, in order to provide for the establishment of a Trailer Park adequate to take care of the needs for Trailers in the City of Charlevoix and surrounding area the City of Charlevoix through the Resolution of its Common Council adopted on Feb. 1, 1957 and the subsequent Deed executed and delivered by it's Mayor and Clerk pursuant thereto sold and conveyed to Marvin C. Goss a tract of land in Charlevoix Township, Charlevoix County, Michigan, hereinafter more particularly described consisting of that part of the old Golf Club property lying South of U.S.-31, hereinafter referred to as the "Trailer Park Property" and as a substantial part of the consideration therefor imposed certain restrictions and conditions regarding the use thereof restricting it generally to be used for Trailer Park purposes only, plus two allowed residences, uses commonly incidental to said business such as the sale and/or rental of trailers and the sales of supplies and services and rental of equipment to the people living in said Trailer Park, providing that no buildings or structures shall be erected or maintained on top of the bank adjacent to U.S. Highway 31 so as to block out the view of Lake Charlevoix, and placing certain other restrictions and regulations on the operation of said Trailer Park as recited in said Resolution and Deed; and

WHEREAS, Franklin Boss has now become the owner of said land, except for a part thereof approximately 200 feet by 200 feet in the Southeast corner thereof retained by Marvin C. Goss apparently for one of the residences allowed on said tract, and has advised the Council that he is constructing a building thereon for use as a residence and a steak house restaurant and has petitioned the Council to release the restrictions on all of said land; and

WHEREAS, it is the opinion of the Council that it was, and still is, the purpose of the City of Charlevoix as a substantial part of the consideration for said conveyance that the said land should be restricted to said uses to provide an adequate Trailer Park facility, with room for the expansion thereof, to satisfy the continuing needs of the City of Charlevoix and surrounding area therefor and that no part of said land should be diverted to other purposes, except as provided for in said Deed; and

WHEREAS, the building being erected on said premises violates said restrictions in that it is being erected on the U.S.-31 level and the intended use thereof as a steak house would be in violation of said restriction, but the Common Council, in order to prevent hardship upon the present owner, is willing to waive the condition in regard to this particular building being erected upon the U.S.-31 level, but not with regard to its use as a restaurant;

THEREFORE BE IT RESOLVED, by the Common Council of the City of Charlevoix that it waive the restriction upon the building presently being constructed on part of said land insofar as this particular building is being built on the U.S.-31 level, but with the understanding that it is built to be used for residence purposes only and that it, together with the allowable residence to be built on the land retained by Marvin C. Goss, completes the allowable two residences to be built on all of said tract of land, and that no more shall be erected thereon;

BE IT FURTHER RESOLVED, that the application for the waiver of said restriction to allow the use of said structure as a steak house restaurant be, and the same is hereby, denied, and the release of the above restriction regarding said structure is made upon the condition that the same shall not be used for said purpose;

BE IT FURTHER RESOLVED, that this Resolution shall not be construed to be a general waiver of conditions and restrictions, but shall be only a waiver of the restriction against building on the U.S.-31 level for the above particular structure, and no more, and that the Common Council intends that the remaining restrictions and conditions remain in full force and effect upon all of said tract of land which is more particularly described in the conveyance recorded in Liber 159 of Deeds on Page 192, in the office of the Register of Deeds for Charlevoix County, Michigan.

Resolution was adopted by the following Yea and Nay vote. YEAS: Aldermen Donaldson, Fochtman, Grubaugh, Hansen, Neff and Staley. NAYS: None. ABSENT: None.

Moved by Alderman Fochtman and supported by Alderman Grubaugh that the Supervisors of the City of Charlevoix be paid $15.00 each for attending a Charlevoix County Assessment Equalization Department Meeting to be held January 20, 1962.

Motion adopted by the following Yea and Nay vote. YEAS: Aldermen Donaldson, Fochtman, Grubaugh, Hansen, Neff and Staley. NAYS: None. ABSENT: None.

Moved by Alderman Donaldson and supported by Alderman Staley that because the bonded indebtedness of the Electric Plant has been paid in full and that any funds now in the Electric Department retirement fund and any monies that may come into this fund will not be needed to retire bonds, the present and future fund monies shall be transferred to the General Fund.

Motion adopted by the following Yea and Nay vote. Yeas: Aldermen Donaldson, Fochtman, Grubaugh, Hansen, Neff and Staley. NAYS: None. ABSENT: None.

Moved by Alderman Donaldson and supported by Alderman Grubaugh that the J. & G. Daverman Engineering Company be engaged to do the engineering work on the Bellaire Hydro plant to convert it to a semi-automatic operation.

Motion adopted by the following Yea and Nay vote. YEAS: Aldermen Donaldson, Fochtman, Grubaugh, Hansen, and Neff. NAYS: Alderman Staley. ABSENT: None.

Alderman Neff offered the Following resolution and moved its adoption supported by Alderman Hansen.

RESOLUTION

BE IT RESOLVED, by the Common Council of the City of Charlevoix that they go on record expressing their appreciation to the Board of Supervisors for the results obtained from their dog law enforcement program adopted in the spring of 1951 and the Council requests the program be placed on a year around basis and asks the Board of Supervisors to consider this action at their next session and be it

FURTHER RESOLVED, that a copy of this resolution be mailed to the Charlevoix County Board of Supervisors.

Resolution adopted by the following Yea and Nay vote. YEAS: Aldermen Donaldson, Fochtman, Grubaugh, Hansen, Neff and Staley. NAYS: None. ABSENT: None.

The Finance Committee having examined bills totaling $72,740.52 find them correct and recommend they be allowed. Moved by Alderman Hansen and supported by Alderman Fochtman that the bills be allowed and orders drawn for their amounts.

Motion adopted by the following Yea and Nay vote. YEAS: Aldermen Donaldson, Fochtman, Grubaugh, Hansen, Neff and Staley. NAYS: None. ABSENT: None.

On motion the Council adjourned.

Michigan Mirror

Election year in Michigan usually brings forth an unproductive, non-controversial legislative session, but there are several indications that 1962 will be an exception.

Pressure to finance expanding operations within revenue income grows harder continonsly. Efforts to remove the $71.5 million-plus deficit also are being sought.

Gov. John B. Swainson has indicated to the Republican-controlled legislature he is ready for a fight over ways to increase revenue to meet the needs. The Republicans, however, now appear ready to approve, and perhaps even promote, some new sources of revenue.

The fight in the legislature this year could well center over who will take credit during the fall campaign for whatever is done.

• • •

George Romney, a delegate to the Constitutional Convention and very likely 1962 Republican candidate for Governor, has spent considerable time in recent weeks hammering at Swainson's administration.

The Governor has said he was "too busy" to comment on Romney's charges of labor domination and general irresponsibility. Swainson says he is waiting for the campaign.

It would appear the 38-year-old Governor is playing a waiting game, but it is far from a quiet one. He is concentrating his efforts on legislative proposals which have some measure of bipartisan support—for which he hopes to take credit.

While Swainson says he is waiting for the campaign to start, his lieutenants are spending considerable time building up for the race. The Governor, of course, is directing the activity by his subordinates.

• • •

The Governor recently gave two prize plums to members of his administrative board when former Auditor General Otis M. Smith and former Attorney General Paul L. Adams were named to the State Supreme Court.

Both Smith and Adams undoubtedly were well qualified for the bench positions, but ulterior motives, geared to the 1962 election, were seen behind the two appointments.

Appointment of Smith, first Negro elected to a state-wide office or named to sit on the high court, was an obvious and probably successful move to keep the favor of the Negro voter in Michigan.

Adams had patiently been waiting for a judgeship at any level, and reportedly was ready to blow the whistle on his cooperation with Swainson's team when he was named.

The appointments gave Swainson the chance to bring in new party faithful from other areas to elective posts. Frank J. Kelley of Alpena replaced Adams and Billie S. Farnum, long-time party worker from Lansing, took Smith's position.

• • •

Several other changes in Swainson's organization since he took office gave him the beginning of a strong machine for the November election.
on the backs of Democrats. Many
tion picture raised bristles of fear
Romney' entry into the elec-
thought he never would run and indications are they have strong doubts that Swainson or any other candidate they might have could beat him.

The American Motors Corporation president's position as a delegate to the Con-Con might give him a strong edge for the fall campaign.

It will be his aim in the coming months to take credit for the document presented to the people, while his party seeks to take credit for any legislative action which will relieve some of the state's lingering problems.

• • •

MICHIGAN MOTORISTS now drive on 801 miles of freeway linking 12 of the state's largest cities. This is among the reasons that the state highway department ranks among the top in the nation.

The U.S. Bureau of Public Roads reports Michigan opened a record amount of new freeway in 1961 and maintained its lead for the second consecutive year in all types of road-building and contract-letting.

Major freeway links completed during 1961 gave motorists continuous divided four-lane highways between Flint and Lansing, Grand Rapids and Muskegon, Lansing and Grand Rapids, and Flint, Saginaw, Bay City and Midland.

By the end of this year the department plans to complete construction enabling motorists to drive non-stop from Detroit to a point near the Indiana line at New Buffalo, from Detroit to Muskegon and from the Michigan-Ohio line to St. Ignace.

Marked Increase In Motor Vehicles

Charlevoix county motor vehicle registrations for 1961 increased by 316 units over the number registered in 1960 according to Secretary of State James M. Hare.

In 1961 7,707 motor vehicle registrations were credited to the county as compared to 7,391 the year before.

A break down of the total shows 5,415 were passenger cars, 999 commerical, 134 farm vehicles, 908 trailers, 64 trailer coaches, 65 motorcyles and 122 municipal-owned vehicles.

Production records show it costs $110 to $125 a year to feed a cow. If the cow produces only 150 to 175 pounds of butterfat per year, she actually is not paying for her feed.

Local Couple on Carribean Cruise

Mr. and Mrs. Harley Ochs left Saturday on a vacation trip that will include a Carribean cruise. Their plans include a tour of the Florida east coast with brief stops on the way to Ft. Charlevoix Downed by Pellston 42-40

* * *

Rayders Lose Game On Free Throw Line

The Charlevoix Rayders lost their third close game in a week Friday when they were downed by the Pellston Hornets 42 to 40

The visiting Hornets won the game on the free throw line, capitalizing on trips to the free [illegible] throw line for the victory after scoring only 12 field goals to 19 for Charlevoix. Pellston hit on 18 of 24 charity attempts while collecting only five personal fouls.

Charlevoix had only four trips to the free throw line with Stan Martin scoring two of three tries. The Rayders, however, had 18 personal fouls called on them.

Pellston romped into an eight to four first period lead over the Rayders who still trailed 20 to 13 at halftime.

The first half saw Pellston scoring seven field goals and six charity shots on nine trips to the free throw line. Charlevoix had only one less field goal for 12 points but only one trip to the free throw line for one point.

Charlevoix's scoring in the third period was limited to four field goals with no free throw attempts while Pellston had the same number of field goals and three successful attempts.

As the game went into the final feriod the Rayders offensive started to click as they scored seven points including three buckets. Their efforts were in vain however, as the visitors were awarded five points from the free throw line.

With 4:30 remaining in the game Charlevoix scored three quick buckets including two by Stan Martin and one by John Pearl to cut the Pellston lead to 36-34 with 4:14 remaining.

At the 2:28 mark Pellston was awarded another trip to the free throw line for two more points.

Murray countered with a field goal followed by one by Frank Curtis to tie the score 38-all with 1:45 remaining. Pellston then scored its only field goal of the period for a 40 to 38 advantage which John Pearl tied with 1:09 remaining. At 1:04 Pellston made its final trip to the free throw line for the winning margin.

John Pearl paced the scoring for Charlevoix with 18 points followed by Martin with 10 points including the team's only two free throws scored on three tries. Curtis had six, George Majors four, Henry Wagner and Murray two points all scored on field goals. Dan pearl missed the only other free throw attempt awarded Charlevoix. Tony Duerr also saw limited action.

Rick Anderson and Stan Bodzik had nine points each for Pellston.

Also pictured are Frank Curtis, Rayder forward, Ed Claar (P 11) and Rick Andarson (P 45).

The game marked the Rayders' third close loss in a row with Pellston winning from the free throw line after being outscored 19 to 12 in the fiald goal department.

This Week With Class "C"

The Charlevoix Rayders will travel to Mancelone this week as the current season goes into the second game of the second round of the Northern Michigan Class C schedule.

Highlighting the action this week will be the meetings between Grayling and Pellston on the latter's floor and the Gaylord-Harbor Springs game on the Rams' hardwoods. A fourth game will find Boyne City playing at East Jordan.

In their first meeting the Rayders racked up a decisive victory over the Mancelona Ironmen whose only win to date has been over East Jordan. However, last week the Ironmen gave the first place Grayling Vikings a close game before the latter won 83 to 59. After losing three close ones, the Rayders are due for a win.

There will be one less team in first place after this week's game between the Pellston Hornets and the Grayling Vikings who will clash on the Hornets small floor. Grayling will be re-enforced this week by the return of forward Tom Wright thus giving the Vikings a much needed scoring boost. However, the Vikings are never at their best on a small floor and may find the going rough against the Hornets, particularly if the latter's luck from the free throw throw line holds out.

Some farmers are using flail-type forage harvesters like New Holland's Models 33 and 36 Crop-Choppers to clear snow from their roadways.

Rayder Reserves Dump Pellston 49 to 32

The Charlevoix Reserves ran their record to six wins in eight starts by dumping the Pellston Reserves 49 to 32 Friday night.

The young Rayders found themselves trailing 11 to 10 at the end of the first quarter but got back into the stride to take a 26 to 22 halftime advantage. They increased their lead to 38 to 27 at the three-quarter mark before coasting to a lopsided victory.

Brenden LaBlance with 19 points led the scoring for the victors, followed by Jim Uhrick with 12, Jack Uhrick with six, Pete Ance with four and Dave Smith, Rick Miller, Bruce Kroken and Jim Stewart with two points each. Also playing were Gary Stutzman, Larry Edwards, Nick DeYoung, Doug Winnell and Warren Belding. Dick Lovaasen had 18 for Pellston.

The box score shows Charlevoix had 24 field goals, one of seven free throw attempts and 18 personal fouls. Pellston, on the other hand had only nine field goals but picked up 14 points on 27 free throw attempts while collecting only six personal fouls.

Children Need Limitations Says U. of M. Educator

Much present-day juvenile deliquency stems from the fact that parents fail to set boundary limits for youngsters during their formative years, says Marie Hartwig, University of Michigan supervisor of physical education for women.

"Some children can fare quite well within the framework of broad limitations, whereas others must have very specific boundaries," says Miss Hartwig. "Because of the nature of their personality, some children need very strong authoritarian leadership until such time as they are able to demonstrate their ability to operate within a democratic framework.

"Now and then children need to face the reality of being denied something they want to do. Under the protective wing of the family's love they often do not learn that their wishes, their behavior, to a large extent must be brought into line with the wants and wishes of others, that their world must be compatible with the society in which they live."

Miss Hartwig writes in "Children Are Human—Even at Camp," a new book she co-authored with Bettye Myers (Burgess Pubishing Co., Minneapolis).

Winter Blast Finally Closes Local Schools

For the first time this winter, weather closed the Charlevoix schools Tuesday.

A five-inch snowfall late Monday afternoon and evening, blown about by northwest winds that reached 40 miles an hour, drifted most roads closed. Main trunklines were kept open and county road commission crews were busy Tuesday opening other roads. By Wednesday all but minor roads were passable.

George Granger, superintendent of the commission, said Wednesday that with several major pieces of equipment in the shop for repairs, work crews were finding it difficult to stay ahead of the snow.

Snow flurries Wednesday continued to drop more snow on the area. Because roads were drifting shut, rural school buses returned students to their homes at 1:30 p.m. City students were dismissed at the usual time.

Most schools in the county were closed Tuesday or held classes for only those students who could walk to school.

Richard Coleman Norwood Township Resident Dies

Richard Coleman, 75, lifelong resident of this area who had made his home with his sister, Mrs. Guy Stutzman, for many years, died late Friday at the Grandvue Medical Facility where he had been a patient for three months.

Funeral services were held Monday at the Winchester Funeral Home with the Rev. George L. Majors officiating. Burial was in Maplelawn cemetery at Boyne City.

Born at Hortons Bay April 13, 1886, Mr. Stutzman had always lived in this area. Since 1918 he had made his home with his sister, Mrs. Stutzman, in Norwood township.

Surviving are two sisters, Mrs. Stutzman and Mrs. Joseph Gauthier of Detroit.

Cyrus Goeman, 55 Rites Held Friday

Ellsworth—Funeral services for Cyrus Goeman, 55, of Ellsworth were held Friday at the Atwood Christian Reformed Church with Rev. Donald VanGent officiating. Burial was in Atwood Cemetery. Arrangements were in charge of Hastings Funeral Home. He died of a heart attack Tuesday at the Charlevoix Hospital where he had been a patient for three days.

Mr. Goeman was born Oct. 24, 1907 and had lived most of his life in the Mitchell district. He owned a farm and was employed at the Central Lake Wood Products plant.

He is survived by his wife, Catherine; three sons, Russell of Holland, Adrian and Jim of Grand Rapids; three daughters, Mrs. Neil (Thelma) Kruse of Ellsworth, Mrs. Donald (Mary) Christian of Grand Rapids and Debra Lynn at home; nine grandchildren; his mother, Mrs. Maggie Goeman of Grand Rapids; two brothers and two sisters.

Relatives came from Flint, Grand Rapids, Grandville, Hudsonville and Holland.

Fairbanks Open Second Bakery

Ron Fairbanks, former proprietor of a bakery here, opened his second bakery Monday in Grand Rapids. He will be assisted in the operation of the two bakeries by his son, Bruce.

Mr. Fairbanks operated a bakery in Charlevoix from 1933 through 1950 and then moved to Grand Rapids to operate a bakery he had opened there in 1949 which was managed by his brother, Leo, who is now proprietor of the Pastry Shop in Charlevoix.

Council Accepts Charlevoix Oil's Bid for New Car

The Charlevoix city council, at its regular meeting Monday night, accepted the bid of the Charlevoix Oil Co. for a new Chevrolet Biscayne for the combined use of the City Superintendent and the Charlevoix Police Department.

The company's bid of $840.00 was lowest of five submitted by local car dealers. Others were Brown Motors Inc., Dodge, $1465; Erber Auto Co., Ford, $1856.40; Parsel's Garage Oldsmobile F-85, $1290 and Uhrick Sales and Service, Pontiac, $1500.

The council also approved Justice of Peace John J. Connolly's request for permission to attend the annual winter seminar of the Michigan Justices of the Peace Association in Lansing Feb. 6-8.

Election inspectors named for Feb. 19 Primary election were Mrs. Charles Bergmann, Mrs. Don Meggison, Mrs. Fred Gill, Mrs. John Johnson, Mrs. Perry Smith Jr., Mrs. Clayton Trimble, Mrs. George LaBlance, Mrs. Ronald Wojan and Mrs. John Kroken.

Election commissioners named were Hugh Mayne, Norman D. Ance and J. L. Feindt.

The council also approved retaining E. Darrell Dinwiddie as auditor for the year ending Feb. 28, 1962.

The budget, which is being compiled at this time, was discussed at length.

Bills totaling $47,517.97 were approved and ordered paid. The amount includes $33,498.44 in school taxes paid to the Charlevoix School district; $4,504.50, diesel fuel oil; $6,054.19, payroll and $500, final payment on clubhouse at municipal golf course.

Jerome Lescoe, Big Rock Supt. Gets Promotion

Promotion of Jerome D. Lescoe of Charlevoix, construction superintendent for Consumers Power Co. Big Rock Nuclear Power plant, to assistant manager of construction for the company with headquarters in Jackson, was announced Wednesday by Walter C. Schmidt. Mr. Schmidt is vice president in charge of construction.

Mr. Lescoe, whose promotion is effective Feb. 1, will remain for a period on the Big Rock project to assist in the complex phase of construction now in progress there, according to Mr. Schmidt. Later he will report to Jackson to assist John G. Wilson, manager of the general construction department.

The Big Rock project is scheduled for completion next fall.

Mr. Lescoe who has had wide experience in heavy construction work for Consumers is a native of Ironwood and a graduate of Michigan College of Mining and Technology.

He joined Consumers in 1947 as a junior engineer and later became field electric constructor and then supervisor. He worked on construction of additions to the company's John C. Weadlock plant at Bay City and construction of the Dan E. Karn plant also at Bay City before his transfer to the Big Rock project two years ago.

Mr. Lescoe is a veteran of World War II. He is a member of the American Institute of Electrical Engineers. Since coming to Charlevoix he has been a member of the Kiwanis Club of Charlevoix and has been an active supporter of many civic activities here.

Sherry Holborn (left) and Marilyn Lesher (far right) of Senior Girl Scout Troop 13 have been named as delegates to the National Girl Scout Round-up to be held in Vermont in July. This is the first time the Charlevoix Girl Scout Council has sent Scouts to the national round-up.

Frances Arnold (second from left) and Barbara Wood were named alternates.

Standing are Earl Holborn, Veteran Boy Scout leader who is assisting the candidates with camping skills and Mrs. Lloyd Arnold, troop leader.

The two Charlevoix Scouts will be members of a patrol from Traverse City when they attend the Round-up.

Delegates Named to Attend National Girl Scout Roundup

Two members of Girl Scout troop 13 were named delegates and two others as alternates to the 1962 National Girl Scout Round-up at Button Bay, Vt., in July.

They are Sherry Holborn and Marilyn Lesher who were selected as delegates and Frances Arnold and Barbara Wood who were named as alternates.

The Charlevoix Scouts, the first ever selected to attend the biennial event, will form a patrol with six Traverse City Girl Scouts.

Other members of the troop who were candidates for the honor were Linda Campfield, Carrol Gill, and Gayle Riley.

The girls were selected on the basis of general conduct, their ability to get along with others, personality and camping skills.

Serving as judges were Mrs. Joseph Williams, Mrs Lydia Liston, Mrs. Jack Rader, Mrs. Richard Edwards, Mrs. Lester Smith, Mrs. Robert Pearl, Mrs. Joseph Etienne, Mrs. Robert Hooper, Mrs. Harold Totten, Joseph Williams, Robert Somerville, Dale Meredith and H. E. Bingham, all of whom had worked with, observed or interviewed the candidates. The information and decisions of the judges in their various phases were collected and considered in the final judging. The members of the troop also voted for their choices and the results coincided with that of the judges.

The judges agreed that their task was a difficult one for the troop represented an excellent group of candidates for the honor. Two of the judges commented that if the decision depended on them alone they would put all the names in a hat and draw out any four.

Mrs. Lloyd Arnold is troop leader. The members of the troop has been training since September with the Traverse City Senior Scouts under the leadership of Mrs. Robert Thompson of Traverse City in prepartion for the Round-up. The delegates and alternates will continue a concentrated program of training during the forthcoming months. Mrs. Arnold and Earl Holborn, a Boy Scout leader, will work with the Round-up patrol.

Sherry Holborn, who was the top choice of fellow Scouts and judges, is the daughter of Mr. and Mrs. Earl Holborn and a freshman at the Charlevoix high school. Marilyn Lesher, second choice and a high school junior, is the daughter of Mr. and Mrs. George Lesher. Frances Arnold, first alternate, is a junior and the daughter of Mr. and Mrs. Lloyd Arnold. Barbara Wood, the second alternate, is a freshman and the daughter of Rev. and Mrs. Alexander Wood.

Name Campbell Vice President of State Savings Bank

P. D. Campbell was named vice president of the Charlevoix State Savings Bank at a recent meeting of directors following the annual meeting of stockholders.

Mr. Campbell has been a director of the bank since 1941. Mr. Campbell's father, was also a director of the bank until the time of his death in 1916.

Officers of the bank are Archie L. Livingston, president; Mr. Campbell, vice president; Robert B. Livingston, cashier; and Dorothy Dixon, assistant cashier. The board of directors also include Edward J. Edwards and Edward K. Shanahan. No director was named to replace the late C. D. Geiken.

Schedule Band Parents Dinner Febrnary 8

Arrangement for the annual band dinner sponsored by the Charlevoix Band Parents Association are progressing well according to Jerold Murdick, president of the group.

The dinner will be held at the spacious new Charlevoix high school cafeteria Thursday, Feb. 8 with serving scheduled to begin at 5 p.m. and continue until all are served.

Funds to be realized from the dinner will be used to purchase additional uniforms for the high school band. Ten uniforms are needed now and indications are that 20 more will be needed for next year when the band promises to approximate 100 pieces in the top three grades.

Mrs. Clifford Riley has been named to head the dining room committee. She is arranging for approximately 30 band parents to assist Mrs. Marie Blissett and Mrs. A. D. Cunningham, school cooks, who are in charge of the kitchen. Mr. Murdick has lined up 15 band fathers to form a dishwashing crew and C. A. Odmark, music director, is arranging for waitresses and bus boys to assist in serving the more than 500 diners who are expected to patronize the dinner.

Workers, who will be utilizing the new facilities at the high school for the first time, are anticipating a smooth operation as the result of this.

Tickets are being issued this week to 150 members of the Senior and Reserve bands who will canvass the community this weekend. For those who do not purchase tickets at that time may buy them at the door. The same popular prices will prevail and an excellent meal is promised.

Kiwanians Hear Rev. Harold Kohn

The Rev. Harold E. Kohn, pastor of the First Congregational church here and widely known author, was the guest speaker at the regular dinner meeting of the Kiwanis club held Monday evening at the high school cafeteria.

He spoke on the topic "Organization of a Busy Life".

James Miller of Cheboygan was guest at the meeting.

Kiwanians who assisted with the annual Klondike Derby at Petoskey Sunday were Glenn Kenney, Fred deCastro, Robert Foss, Don Anders, Leonard Burns, John Mol, Arnold Wadas, John Thomas and Barney Englehart.

Charlevoix Development Corp. Elects Directors-Officers

Four directors were elected Thursday evening at the annual meeting of stockholders of the Charlevoix Development Corp., held at the city hall. Re-elected for a term of three years were Joseph R. Williams, Frank Novotny, and Harold M. Totten. E. D. Hawley was elected to succeed Archie L. Livingston. Other members of the Board are Max Novak, Harley Warner, Carl Kohler, Clarence Rabach, Ralph V. Hess and S. E. Coleman.

Officers elected by the directors at their organization meeting following the stockholders' meeting were: President, Mr. Totten; vice president, Mr. Novak; secretary, Mr. Williams; and treasurer, Mr. Hawley.

Mr. Totten briefly summarized the operations of the corporation from the time it co-operated in bringing American Mold Engineering Co. to Charlevoix. He pointed out that from then until last year the organization had been handicapped from lack of funds to financially assist in development projects. Opportunities were presented the past year whereby the organization could assist in furthering industrial development. He reported the organization had participated in two successful projects—bringing a new industry to the community and co-operated in acquiring property needel for expansion of a local industry.

The treasurer, Mr. Livingston, reported the corporation had $2,378.33 cash on hand as of Dec. 30. Receipts for the year were $31,218.61 and disbursements were $28,840.28.

Mothers March Contributes to Polio Fund

The annual Mothers' March for the New March of Dimes was held Monday evening under the direction of Mrs. Kenneth Cellner and Mrs. Raymond McBratnie, co-chairman of the event. Incomplete returns show that $380.90 was contributed.

The following residents of the community participated in the Mothers' March:

Mrs. Robert Winchester, Mrs. Kenneth Staley, Mrs. George McWatters, Mrs. Walter Russell, Mrs. Earl Holborn, Mrs. John Martin, Mrs. Byron Wright, Mrs. Robert Zeitler, Mrs. Larrie Tuomela, Mrs. Richard Fochtman, Mrs. Claire Martin, Mrs. Earl Harrington, Mrs. Jake White Jr., Mrs. William Novotny.

Also Mrs. Don Meggison, Mrs. Thomas Carey, Mrs. Lyla Arvilla, Mrs. Raymond Nowland, Mrs. Robert Lieberman, Mrs. Robert Gill, Mrs. Richard Bergmann, Mrs. Eugene Bergmann, Mrs. Gerald Lakies, Mrs. Max Moore, Mrs. Bernie Ward Jr., Mrs. Robert Green, Mrs. S. E. Coleman, Mrs. Arthur Emmons, Mrs. Franklin Ochs.

In announcing the volunteers who contributed their time to the Mothers March, Mrs. Arvilla, general chairman, expressed her appreciation to them and also to all those who made the buffet dinner at the Weathervane Inn last Thursday evening a success. Mrs. Arvilla said that the event netted $230.88.

Mrs. James Alger was general chairman of the dinner. She expressed her appreciation to Mrs. Edgar Clubertson, Mrs. Kennth Balch Jr., Mrs. William Novotny, Mrs. Marguerite Wallace, Mrs. Gary Smith, Leo Kraft, the chef at the Inn, the staff of the Inn and the management which contributed its facilities.

She also acknowledged the following contributors to the dinner: Hams, Kroger Co., Thompson-Cain Meats, Essenberg's Market, Neff's Grocery, Stanny-Morris-Livingston Meats and Edwards IGA; fresh produce and bread, Edwards IGA; Milk and cream and butter Maxbauer Creamery; coffee, Weathervane lodge.

Approve Millage for New Ironton School

The voters of the Ironton school district, at a special election Tuesday, gave their approval to a $35,000 bond issue to underwrite the cost of building and furnishing a new one-story fireproof school for the community located on the west shore of the South Arm of Lake Charlevoix.

The Proposal No. 1, to raise the 15-mill tax limitation to permit the extra tax levy, was approved by a vote of 48 to 22 and Proposal No. 2 which would permit a tax levy up to seven mills to raise the necessary monies for a bond issue was approved by a vote of 45 to 17. All registered voters of the district could vote on the first and only taxpayers on the latter proposal.

The new school will replace the present one in use since 1883 until it was condemned in April 1961. The approximately 16 children in the kindergarten through the sixth grade of the school district are presently enrolled in the Charlevoix and East Jordan schools.

In announcing the results of Tuesday's special election, Ralph Price of the Ironton school board, said that the school board would now proceed with building plans.

Hire Teachers Aid At Retarded Center

A teacher's aid, on a part-time basis, has been engaged by the Charlevoix Association to Aid Retarded Children to assist with the growing enrollment at the Retarded Children's Center, John Sutherland, president of the organization, has announced.

Mrs. George Bergmann assumed her duties on a part-time basis last week and will continue to work with the youngsters.

A set of flatware, a stainless steel service for 12, was presented to the center by the Women's Fellowship of the First Congregational church. Mrs. Lester Smith made the presentation.

Earlier a set of mixing bowls, platters and a kitchen set of spoons and other equipment was presented in behalf of the Practical Nurses Association of Charlevoix and Emmet counties by Mrs. Alden Ulrich.

During the fall the V.F.W. Auxiliary presented the school with complete service for 16 in a plastic finish.

David J. Smith Dies Unexpectedly In Florida

David J. Smith, 78, lifelong resident of Hayes township, died unexpectedly Sunday at Clearwater, Fla., where he was spending the winter.

Funeral services will be held at the Hortons' Bay Evangelical church at 2 p.m. Sunday with Edward Koteskey, assisted by the Rev. Rollo Grant, officiating. Burial will be in Broodside cemetery here. The body will be returned to the Winchester Funeral Home here Friday and will lie in state until the hour of the funeral.

Born in Hayes township June 22, 1883, Mr. Smith had always resided on the family farm where he was born. He was widely known as a cherry grower. In 1913 he was married to the former Grace Hamlin. He was active in community and school affairs and was treasurer of Hayes township for many years and of the school district until it was annexed to the Charlevoix school district. He was a member of the Boyne City Methodist church and the Hayes Farm Bureau.

Surviving are his wife, Grace; one daughter, Mrs. Arnold (Hilda) Stout of Stanwood; two sons, Clarence H. and Clayton A., both of Charlevoix; 11 grandchildren; one great-grandchild and a sister, Mrs. Floyd Bartholomew of Charlevoix.

Clarence H. Smith flew to Clearwater to accompany his mother on the return trip.

Sgt. Dafoe Speaks At Lions Club Meet

Sgt. Glenn Dafoe of the Petoskey State Police Post was the guest speaker at the regular luncheon meeting of the Lions club held Monday at the Weathervane Inn.

He spoke on the work of State Police and told how they work in cooperation with area law enforcement officers.

Three new members, Robert Wallace, Richard Edwards and Ted Ager, were initiated into the club. Guests at the meeting were William Carey, Fritz Allard and Howard Odom of Detroit.

At the business meeting several projects in which the club is interested were discussed. One was the dance the members will manage at the P.T.A. Fair Mar. 3 and another the sight-saving program sponsored by Lions International. The local club plans to aid locally in the program by purchasing glasses and other visual aids for children.

Long range programs which came up for discussion were safety patrols, lighted tennis courts and another electric score board for the new gymnasium. These were discussed but no action taken regarding the projects.

The club will attend the annual Father and Son banquet Feb. 12 as a group.

Who Wants to Work?

How's the nation's first depressed training program getting along?

We've got the initial results right from the horse's mouth—and the report is nothing to gloat about. It is as depressing as might be expected.

Take a look at West Viginia where only about 750 of the estimated 7,000 to 8,000 unemployed in Cabell and Wayne counties (the coal mining, rail and industrial areas) have applied for retraining. Keep in mind as you review the results that pay is offered to those learning a new job.

This depressed area training program was designed as a federal government pilot project to aid areas of chronic employment. Its aim was to teach workers with few job opportunities new skills they could use in new, less depressed vocations.

The State Department of Employment Security charged with processing applicants, hired nine extra persons to handle the anticipated rush of applicants. The rush never came. The extra staff has been cut to four for lack of applicants.

Most of us won't be surprised by some of the answers the employment office got when unemployed persons were contacted. They were about as follows:

"I'm just not interested.

"I expect to be called back to work.

"I'm too old to start all over again."

Such answers as these make it look as though the jobless mountaineers prefer to stay home and live on their unemployment check. Those mountain folk are not the only ones susceptible to government handouts.

To Hold Cub Scout Leader Training Session Friday

An information session for Cub Scout leaders and parents of Cub Scouts will be held at the City hall at 7:30 p.m. Friday, Robert L. Hooper, Cubmaster has announced.

Guy Molby, Northern District Scout executive, will be on hand to conduct the training session. The program will be entitled "What Cub Scouting Is".

In announcing the training session, Mr. Hooper said that there were two new Den Mothers, but that there was an urgent need for at least three more to provide dens for all boys of Cub Scout age registered for the program.

The new Den Mothers are Mrs. Guy Smith who will have a den at Ironton and Mrs. Phil Martin who will have a den in Charlevoix.

The Cub Scout pack was to have held a pack meeting at the city hall last night.

Membership In Co. Farm Bureau Goes Over the Top

Charlevoix county last week became the fourth county in the state to reach its Farm Bureau membership goal, Mrs. William Parsons, Roll Call manager for the county has announced.

The county now boasts 353 family members, several more than the goal set for the year, Mrs. Parsons said. This is the third consecutive year that the county has gone over the top in its membership drive.

Counties in the state that reached their goals prior to this county were Iron, Otsego and Antrim counties.

Miss Kemp Becomes Bride of Charles Hooker in Church Rites

The Evangelical United Brethern church in Petoskey was the scene Tuesday evening of the wedding of Maxine Kemp and Charles M. Hooker.

Parents of the couple are Mr. and Mrs. William Kemp of Petoskey and Mr. and Mrs. Harry F. Hooker of this city.

The Rev. Keith Laidler officated at the double ring service in the presence of their immediate families.

For her wedding, the bride selected a wedgewood blue brocaded dress fashioned with short sleeves, round neckline and full skirt. Her short circular veil was secured by a small white hat. She carried a bouquet of pink sweetheart roses and white carnations.

Mrs. Roger L. Lambert of Petoskey, as her sister's only attendent, wore a brown and blue print sheath and matching accessories and carried a bouquet of yellow roses and white carnations.

Gerald W. Stebe assisted the bridegroom as best man.

For her daughter's wedding, Mrs. Kemp wore a slate blue dress and brown accessories. Mrs. Hooker wore a navy ensemble and matching accessories. Their corsages were of pink carnations.

A reception followed at the home of the bride's parents where the refreshment table was centered with a tiered wedding cake.

The couple will reside at 220 Antrim st. in Charlevoix.

The bride is a 1960 graduate of the Petoskey high school and is presently employed at the Petoskey Steam Laundry. Mr. Hooker is a 1952 graduate of the Charlevoix high school and a veteran of two years in the U.S. Army.

Dickens Study Club Hear County Officers On Delinquency

The members of the Dickens Study club heard Probate Judge John Makel and Jack Davis, Charlevoix county Juvenile Officer and Probation Officer, speak on the Problems of juvenile delinquency in Charlevoix county at a meeting held Monday Jan. 22 at the home of Mrs. Charles A. Duerr.

They outlined the types of difficulties young people in this area become involved in and how they are handled. They also suggested ways of aiding less fortunate people in becoming better citizens.

Mrs. P. D. Campbell Hostess at Garden Club Meeting

The Civic Committee of the Garden club composed of Mrs. R. G. Bennett and Mra. James Taylor outlined the plans for community projects sponsored by the club and reviewed its accomplishments during the past year at the regular meeting of the organization held Tuesday at the home of Mrs. P. D. Campbell.

In their report to the club, Mrs. Bennett and Mrs. Taylor said that the club had maintained four flower beds including two on Mercer Blvd., one at the intersection of Petoskey and Michigan aves. and at the Lake Michigan beach park; sponsored a scholarship to the Higgins Lake Conservation school; had encouraged the feeding of wild birds; had made Christmas favors for patients' trays at the Charlevoix hospital and had aided in the Clean-up paint-up campaign to beautify Charlevoix. They outlined plans for community beautification during the coming year.

Eighteen members responded to the roll call, 'My treasurea from the Garden Club'. The conservation tip was to supply bird feeding stations stocked with the birds' favorites types of food.

The next meeting will be held at the home of Mrs. A. H. Cameron at 1:30 p.m. Feb. 13. The lesson will be on the aubject of how to plant for color, month by month.

Mr. and Mrs. Lowery Mounger Jr. Are Living in Seattle, Wash.

Following a wedding trip to Hawaii, Mr. and Mrs. Lowery Clanton Mounger Jr. have returned to Seattle, Wash., to make their home.

The couple was married at tho University Preabyterian church in Seattle, Wash., Dec. 27. The bride is the former Judie Merica, daughter of Mr. and Mrs. Lowell Merica of Modesta, Calif., and the grand-daughter of Mrs. George Glados of this city. Mr. and Mrs. L. C. Mounger Sr. of Seattle are the parents of the bridegroom.

For her wedding, the bride chose a gown of satin-faced silk organza fashioned with a round neckline and cap aleeves etched with re-embroidered Alencon lace and a deeply folded bustle skirt which terminated in a chapel length train. A pearl crown secured her fingertip veil.

Mrs. Roger Dale of Seattle was her sister's matron of honor. Bridesmaids were Mrs. Glenn Kietzer, Mrs. John Lewis, Mrs. Thomas Meland, Judy Soderlund, Linda Stallcop and Denise Utt, all of Seattle. They wore red velvet sheaths. Their headdresaes were wreaths of misttetoe and holly and carried white muffs decorated with holly.

Nancy Cannon and Mrs. Charles Quest, also of Seattle, as candlelighters, wore floor length red robes.

Conrad Jacobsen of Seattle assisted his brother-in-law as best man. Ushers were Robert Fee, Jess Greenborg, Geordie Martin, Don Nielsen, Hartley Paul, Edward Watson and Glenn Mounger, brother of the bridegroom, all of Seattle.

Both Mr. and Mrs. Mounger are graduates of the University of Washington where she was affiliated with Delta Delta Delta sorority and he with Phi Gamma Delta fraternity. Mr. Mounger attends the U. of W. Law school and is a member of Phi Delta Phi and the Oval club.

Mrs. R. Tollas Presents Program Of Music at Shakespeare Meet

A lesson on music, depicting its various forms, was presented by Mrs. Robert Tollas, talented vocalist, at the regular meeting of the Shakespeare Study Club held recently at the home of Mrs. Robert Bridge. Mrs. Charles Bellinger, pianist, collaborated on the lesson, playing the accompaniment for the selections chosen by Mrs. Tollas to demonstrate the various phases of music.

The beautiful "Dedication" by Franz and "Who is Sylvia?" by Schubert were used to demonstrate the art forms. A group of four folk aongs demonstrated the use of this type of music. These were followed by "The Black Swan" from Menotti's opera, "The Medium" and two selections composed by Wallace Berry of the faculty of the University of Michigan, "Weep You No More Sad Fountains" and "Music for Limericks". Mrs. Tollas played the latter selections as she had been taught by the composer who also waa her teacher when she was a student in the University's School of Music. The program concluded with the presentation of three contemporary songs.

County Assessing Personnel Conduct Training Program

The first annual training program conducted by the Charlevoix county Assessment Equalization Department Saturday was attended by 45 assessing officials from throughout the county including supervisors, city assessors and members of boards of review according to Russell L. Curtis, head of the sponsoring department which was established last year.

During the morning session, Fred White, supervisor of District I of the Michigan State Tax Commission which includes 30 northern Michigan counties, spoke on the recent equalization study completed in the county, explaining in detail why and how the study was made. Drew Young, a field mon with the commission, outlined the mechanics of the appraising procedure, explaining classifications and issues to be considered in appraising various types of property, Mr. Curtis, who presided at the meeting, gave an explanation of the end results of raising the county valuation to the state equalized figure. Clarence F. Rabach, Charlevoix township supervisor and chairman of the equalization committee, spoke on the duties and responsibilities of the Board of Review.

Following a meeting with township supervisors on the subject of farm personal property, a question and answer period concluded the one day session. Serving on the panel were Mr. White, Mr. Young, Jack Lynch, also a field man with the commission, Mr. Rabach, J. L. Feindt, Charlevoix city assessor and Hugh Graham of South Arm township representing the rural areas.

Tentative plans were made for another training program to be held in January 1963.

In announcing the results of the program, Mr. Curtis said it was well received by those attending who were receptive to the assistance being offered in connection with the difficult task of appraising property and setting valuations.

The program grew out of a decision by the Board of Supervisors at its October meeting to conduct such a school to assist assessing personnel with their job.

Mr. Curtis plans to fly to Beaver Island in the near future to conduct a similar program for the supervisors and boards of review from the island's two townships.

Young Farmers Hold Conference In Traverse City

An area young farmers conference, sponsored by the Michigan Farm Bureau, was held in Traverse City Friday with several Charlevoix county Farm Bureau members attending.

The speaker at the conference, which was under the direction of Lester Bollwahn of the Family Division of the Michigan Farm Bureau, was Claude de St.Paer of the Program Development Division of the American Farm Bureau Federation who discussed problems that will be a part of the young farmer's future.

Those attending from the county were Howard Campbell, David Potter, Mr. and Mrs. Dawson Way and Mr. and Mrs. Thomas Wieland.

Methodist Women To Hear Miss Ver Wys

Mary Lou Ver Wys, a sophomore at Central Michigan University will be the guest speaker at the regular meeting of the Methodist Womens society Thursday (today) to be held in the church parlors. The program has been arranged by Mrs. Joseph Williams.

Mary Lou will tell of her experiences as a scholarship delegate to the international College Missionary Conference held recently at the University of Illinoois.

A 1:30 dessert luncheon hostel by the Isable Thoburn circle will precede the program.

During the business meeting plans for the annual Father and Son banquet scheduled for Feb. 12 will be discussed.

Enlarged prints of pictures appearing in the Courier can be ordered at the office of the Charlevoix Courier.

Charlevoix P.T.A. To Hear Leon Alger On Ind. Education

Leon J. Alger, consultant for Vocational Education Research in the Division of Vocational Education of the Department of Public Instruction, will be the speaker at the Feb. 14 meeting of the Charlevoix P.T.A., Mrs. J. L. Feindt, president of the group, has announced.

Mr. Alger will speak on Industrial-Trade-Vocational Programs and the feasibility of operating such programs on a county-wide basis. He will also bring in other phases of education for the world of work in addition to industrial education.

In announcing the program, Mrs. Feindt urged that all residents of the area interested in such a program plan to attend this important meeting which is not restricted to P.T.A. members. Invitations are being issued to heads of industry and to school administrators, vocational instructors and boards of education throughout the area to hear Mr. Alger speak on n subject so important to the industrial development of this area.

The program has heen arranged by Fran Martin, P.T.A. program chairman, through the cooperation of Charles A. Robinson, Charlevoix county superintendent of schools.

A brief discussion regarding the annual P.T.A. Fair scheduled for March 3 will also be held at the meeting.

Farm Bureau Asks Property TaxInvestigation

The County Line Farm Bureau of the Norwood district adopted a resolution requesting the Michigan Farm Bureau to investigate the legality and rights of the State Tax Commission to change the assessed valuation of farm properties.

The adoption of the resolution followed a discussion of farm property taxes at the meeting held at the home of Mr. and Mrs. William Jolliffe Sr.

In the discussion, it was brought out that farm property taxes are rising at a time when net farm incomes have been shrinking due to costs of operation. In some states steps have been taken to relieve the pressure of farm property taxes. The farming land is not taxed for other than agricultural uses since it is zoned as such and assessors cannot assess the farm land except as farm land.

It was the feeling of the membership that quite a relief could be brought to farmers tax problems by the use of such an idea in Michigan.

Mr. and Mrs. Dawson Way were guests at the meeting. Mr. Way is regional representative.

The next meeting will be held at the home of Mr. and Mrs. Carl McBride. At that time new members will be welcomed. They are Mr. and Mrs. Raymond Stafford, Mr. and Mrs. Harrison Warner, Mr. and Mrs. Leo Drewa, Mr. and Mrs. Robert Holecheck and Mr. and Mrs. Tony Faculak.

Public Speaking Offered At NCMC

A new course, Speech 111 (Public Speaking) has been added to the evening program at North Central Michigan College in Petoskey for the second semester, according to Dean A. D. Shankland who added that the course was added by popular demand.

Registeration for all evening classes will be at 7:30 p.m. tonight (Thursday). Classes will begin Feb. 12. It will be determined later on the night the Public Speaking course will be offered.

Other classes for which students may register are Shorthand (Intermediate) 132, American Literature 232, Business English 107, English Composition 102, Political Science 141, History of the United States 132, and Accounting (Introductory) 112.

Stahlin Promotes Program to Sell Industry on Mich.

State Senator John H. Stahlin (R.-Belding) today annnunced a series of "Progress Conferences" with Michigan business leaders aimed at launching a nationwide "sell Michigan" crusade.

Sen. John H. Stahlin

The 47-year-old Belding manufacturer, who is seeking the GOP nomination for lieutenant governor, disclosed that the first conference will be held Feb. 6 at a noon luncheon at the Pantlind Hotel in **Grand Rapids.**

"These progress conferences simply mean sitting down with business and industrial leaders and getting their ideas how Michigan's many economic advantages can best be promoted out of state," Stahlin explained.

"In addition, we hope to get leads on companies that may be induced to locate their plant expansion in Michigan," he added.

Last week Stahlin announced that he would run for lieutenant governor on a program of "industrial opportunity, full employment and salesmanship."

"I insist there is nothing wrong with our state that can't be cured by leadership, imagination and hard salesmanship," he declared.

"The office of lieutennant governor is something of a figurehead job," he said. "But I am going to make it a full-tme job. I'm going to spend all of my available time selling the good qualities of Michigan to the nation."

Stahlin said he would achieve this not with "gimmicks or tax-free deals" but by promoting Michigan's advantages, "and believe me we've got plenty of them."

He explained that his "Progress Conferences" would be held with key business leaders in the state's major population centers. They would mark the first step in sparking a grass roots "sell Michigan" effort.

Stahlin asserted that the state's No. 1 problem is to provide jobs for the unemployed and to expand and diversify Michigan industry to make room for high school and college graduates.

"We're losing far too many of our young people to other states," Stahlin said. "And the only way to stop it is to provide opportunity for them in their home state."

To Hold Epiphany Song Service at Christ Church, Sun.

On Sunday afternoon at 4:30 a special Epiphany service will be held at Christ church the Rev. Alexander Wood has announced. This service will emphasize the singing of Epiphany hymns and there will be special scripture passages pointing up the meaning of this season of the church year as it follows the Christmas time.

This service is modeled on the Christmas Service of Nine Lessons and Carols, which has proved to be a very lovely and popular presentation of the Christmas story. This Epiphany version was produced and presented by Mrs. W. H. Cole in All Saints Church, Syracuse, New York.

All in the community are welcome to participate with Christ church members in the special service.

County Near Quota In Sale of U.S. Bonds

Charlevoix county residents invested $248,204 in U.S. Savings bonds in 1961, equivalent to 98.1 per cent of the year's treasury-assigned quota of $253,000, according to Robert Bridge, chairman of the county Savings Bond committee.

The 1961 total compared with $234,385 in 1960.

Mr. Bridge reported he had been advised the county sales goal will be the same in 1962 and 1963.

Combined purchases of series E and H bonds were $22.6 million for the state as a whole in December, reports Delmar V. Cote, state director for the Treasury's U.S. Saving Bonds division. H bonds buying of $2.4 million for December was up 5.8 per cent from a year ago.

Local Credit Union Hears Bert Kelly

Bert Kelly of the faculty of Aquinas College in Grand Rapids spoke on the subject of credit unions and what members could expect of them at the recent meeting of the Charlevoix Credit Union held at St. Mary's school hall.

Frank Bourgoin and Mrs. Marge Ferguson were named to the board of directors whose other members are Dr. Gerald Gibbons, Don Johnson and Frank Ross.

Members of the supervisory committee are George Smith, John Sladek and Bruce McDonough. Credit committee members are Mrs. Gibbons, Nathaniel Herriman and Theodore Browe.

Following the business session, the 50 members present enjoyed a social hour ond refreshments.

Mothers March To Aid Polio

(Continued from page 1)

port Inn Saturday night netted a total of $90.00 for the current new March of Dimes according to Dan Geneit, who with Mrs. Geneit and Mr. and Mrs. Perry Smith arranged the entire affair.

In announcing the results of the event, Mr. Geneit expressed his gratitude to the Airport Bar and its management for the use of its facilities and its generous contribution, to Thompson-Cain Meat Co., Kroger Co, Maxbauer's Creamery and Essenberg Grocery for hams and all these who contributed food for the buffet supper.

Business places and offices in the community are not solicited so persons who planned to make contributions at their places of business or at the offices where they work may still contribute by calling the mothers who marched in their respective areas, Mrs. Arvilla said.

Justice Court News

Justice John J. Connolly reports the following cases which appeared in his court recently:

Woodrow Goforth, 45, of Detroit, waived examination and was bound over to circuit court on two charges of forgery on citizen's complaints. He was remanded to the county jail when he failed to furnish $1,000 bonds on each of the two charges

Dan McSauby, 71, charged with contributing to the delinquency of a minor on a citizen's complaint, was ordered to pay $10 fine and $15.00 costs and placed on six months probation.

Charged with speeding and ordered to pay the following fines and costs were: Gordon W. Robinson, 22, of Boyne City, $15 fine and $4:30 costs, State Police; David Beck, 38, $10 fine and $5.00 costs, City Police; Anthony F. Gengle, 35, of Petoskey, $5.00 fine and $5.00 costs, State Police; Harley J. Ennest, 38, of Posen, $5.00 fine and $4.30 costs, State Police; Robert Max Dyksterhouse, 45, $5.00 fine and $4:30 costs, State Police; Douglas A. Wekenman, 38, of Reed City, $5.00 fine and $4:30 costs, State Police.

Karl J. Erber, charged with parking a motor vehicle on the sidewalk on a citizen's complaint, was found not guilty to the charge.

Dale L. Burke, 18, and Forrest G. Burk, 21, charged with fishing without a license, were ordered to pay fines and costs of $5.00 and $4.30 each plus an additional $3.00 each to the Conservation Department who issued the summonses.

Dorothy E. Zipp, 49, charged with not yielding the right-of-way involving an accident, was ordered to pay $5.00 fine and $5.00 costs. Summons was issued by the State Police.

Freda V. Stewart, 52, charged with ignoring a stop sign, was ordered to pay $5.00. Summons was issued by the State Police.

If American farmers were no more efficient than those in the Soviet Union, 22,500,000 Americans not now doing so would have to produce food, clothing and forest products.

CHARLEVOIX PUBLIC SCHOOLS

MINUTES OF SCHOOL BOARD MEETING

January 8, 1962

Present: Dinwiddie, C. Smith, Al Smith, Lieberman, Blanchard, Martin and Bennett, Supt. Absent: Martinchek.

The meeting was called to order at 8:12 p.m.

Minutes of the meeting of December 18 were read and approved.

It was moved by Al Smith, supported by C. Smith, that bills in the amount of $5,181.30, payable from General Fund, be approved and ordered paid. Carried: 6-0.

It was moved by Dinwiddie, supported by Martin, that bills in the amount of $9,968.86, payable from Building & Site Fund, be approved and ordered paid. Carried: 6-0.

Reports on the Consolidation Study were presented, and on motion of Dinwiddie supported by Martin it was decided to have a special meeting to consider the same next Tuesday, January 16, at 8 p.m. and that official notice there of be hereby waived. Carried: 6-0.

A report was made of the use of the school facilities for basketball and by 4-H groups.

The suggestion that the Charlevoix School District become a registration district was discussed further, but decision postponed pending data on costs and other connected problems.

The request of the Assembly of God for the use of the gymnasium in the elementary school for a recreation program was presented. It was agreed that tentative approval be given until a conclusion may be made on the study for charges for use of school facilities.

An inspection of the high school building was made, covering the replacing of floor tile in certain areas, removing a partition in the principal's office, and building a partition under the permanent bleachers to provide additional drying space for athletic equipment.

The annual Shrine Circus trip to Grand Rapids was discussed with no change in the usual plans.

The meeting adjourned at 10:45 p.m.

Plan Manufacture Of Emergency Food

The Department of Defense has announced a plan for manufacturing 150 million pounds of dry bulgur (crushed wheat) wafers from surplus wheat for use as emergency food for fallout shelters, reports Active Civil Defense Director R. S. D'Amelio.

Community shelters developed in the current survey will be stocked with enough bulgur wafers to provide a 2000-calorie diet for five days for occupants. Each such shelter will also be stocked with a 3½-gallon (14-day) supply of water for each occupant. Both wafers and water will be canned and will have an estimated shelf-life of five years.

The stocking program will include first-aid supplies, sanitation equipment, and radiation meters, and will cost about $2 per person.

Shelter provisions are to be bought by the Federal government in bulk quantities and delivered to local government agencies which will be responsible for stocking and safeguarding the supplies.

Charlevoix Bows to Mancelona 53-50

* * *

Lose Fourth Straight Game in a Row Via the Foul Line

The Charlevoix Rayders bowed to the Mancelona Ironmen 53 to 50 Friday for their fourth straight loss in a row, all by three points or less.

Playing at Mancelona, the Ironmen romped to an 18 to 13 first period lead which they increased to 30 to 23 as the game reached the halfway mark.

With two Rayders with three personal fouls and a third with four, Coach Don Carey started substituting in the first half.

However, as the second half got underway the starting lineup composed of John Pearl, Dan Pearl, George Majors, Stan Martin and Frank Curtis returned to the floor and in the third period outscored the Ironmen 14 to 10 to cut the latter's lead to 40 to 37 as the game went into the final period.

Playing cautious ball because of the number of fouls, the Rayders still managed to knot the score twice and take a three point lead at one time in the final period before first John Pearl, then Martin and Curtis left the game via the foul route, before the final period was four minutes old.

Dan Pearl paced the game with 18 points for Charlevoix. Majors came through with 12; Martin and Curtis with six each; Henry Wagner with four; John Pearl with three and Tony Duerr with one. Others who played were Bruce Murray, Dwight Boss and Gary Balch.

Ken Johnson had 18 points for Mancelona.

Charlevoix had a total of 19 field goals, 12 of 20 free throw attempts and 25 personal fouls while Mancelona had 14 field goals, 25 of 37 free throw attemps and 14 personal fouls.

Pellston Romps to First Place In Northern Michigan C League

The Pellston Hornets, with an assist from East Jordan, latched on to first place in the Northern Michigan Class C league Friday night after dumping Grayling 81 to 50. East Jordan gave the Hornets a boost into the top position by upsetting Boyne City 43 to 42 in a wild game played on the victor's floor.

In other games Harbor Springs moved into a tie for third place with Gaylord after defeating the Blue Devils 58 to 43 while Charlevoix dropped to fourth place in league standings after being edged by Mancelona 53 to 50.

East Jordan 43, Boyne City 42

The East Jordan Red Devils pulled the upset of the season Friday when they edged the Boyne City Ramblers by a one-point margin in a game which saw the Jordanites trailing 9 to 8 at the quarter; 21 to 18 at halftime and 30 to 29 at the three-quarter mark. Midway in the last period the Red Devils romped to a six point lead over the Ramblers before the victory margin was trimmed to one point as time ran out.

Don Roberts with 13 and Bob Goebel with 11 paced the victory for East Jordan. Larry Gunderson had 19 and Doug Grubbe 15 for the Ramblers who lost Bob Snyder via the foul route in the third period.

Pellston 61, Grayling 50

The Pellston Hornets trailed the strong Grayling Vikinga 10 to 9 at the quarter and 28 to 25 at halftime before going ahead 43 to 42 as the final period got underway for the decisive win. Stan Bodzik hit for 23 for the victors. Sherm Neil had 18 for Grayling.

Harbor Springs 58, Gaylord 43

A bad first half in which they were outscored 17 to seven at the quarter and 31 to 18 at halftime cost Gaylord a victory Friday night as Harbor Springs took advantage of the Blue Devils' slow start. The Rams continued to lead the visitora 45 to 28 at the three quarter mark before coasting to victory behind the scoring of Gary Stutsman who talled 28 points. Gabby Nowak had 14 for Gaylord.

Reserves Edge Mancy 66 to 39

Charlevoix's Little Rayders continued along the victory trail last week with a 88 to 39 win over the Mancelona Reserves in a game played at Mancelona.

With three of the team hitting for 11 points each, the young Rayders romped to a 17 to 4 first quarter win over the Mancelona J-V's; increased the margin to 36 to 13 at halftime and 53 to 24 as Coach Terry Rice emptied the bench.

Gary Stutzman, Pete Ance and Jack Uhrick had 11 points each followed by Bruce Kroken and Brenden LaBlance with seven points each;Larry Edwards with five; Dave Smith and Jim Uhrick with four; Steve Kroll with three; Warren Belding with two and Nick DeYoung with one.

Others who saw action were Doug Winnell, Terry Stewart, Don Smith, Skippy Duerr, Jerry Stewart and Dave Norton.

Jack Dean had 12 and Max Pruden 11 for Mancelona.

Benefit Game Nets $303.70 for CHS Varsity Club

One of the most entertaining shows to come to Charlevoix in a long time appeared at the Charlevoix high school gymnasium Wednesday night under the sponsorship of the C.H.S. Varsity Club.

It was the appearance of the Harlem Diplomats, a well known professional team that not only plays basketball but puts on a comedy show in connection with the game. The Charlevoix Independents, managed by Jim Alger, appeared in the game against the visitora who won the game 60 to 50.

Playing with the Independents were Bob Klooster, Bill Lusk, Connie Klooster, Ken Balch, Bud Balch, Dave Schuchard, Ralph Brock, Harvey Cole, Ron Vandenberg, Stan Smith, Gary Smith and Jim Alger.

Scene stealers in the game were Goose (Tatum) Jr. who delighted the large crowd with antics and Dick Harvey who with the others including Brem Carpenter, a superb ball handler, all former college and professional players, presented a show that was well received by the fans.

In the preliminary game, the Harbor Springs Independents edged the Petoskey Elks 80 to 58 in a game which brought to the Charlevoix hardwoods many players who had appeared here as high school athletes.

The Charlevoix and area teams contributed their services for the benefit game which netted $303.70 for the sponsoring Varsity club. The funds will be used to purchase football and gym equipment.

Lancers Defeat Rapid City 61 to 58

Ellsworth—The Ellsworth High School Lancers defeated Rapid City Friday night 81 to 58 on the latter's floor.

It was a close game with Ellsworth leading all the way.

Morrey Taylor scored 19 points, Bernie DeVries 13 points and Edwin Drenth 10 points for the Lancers. Tom Deater lead the scoring for Rapid City with 20 points followed by Jim Kunst with 14 and Mickey Cockson with 10.

Ellsworth will travel to Bellaire Friday.

This Week With Class "C"

With the first two months of the 1961-62 basketball season behind them, the eight teams of the Northern Michigan Class C league will start into the home stretch this week with five loop games remaining to be played.

Headlining the action will be the meeting between Boyne City and Grayling on the latter's floor. In the other games, Charlevoix will host Gaylord, East Jordan will entertain Pellston and Harbor Springs will travel to Mancelona.

Boyne City and Grayling, relegated to second place in league standings by East Jordan and Pellston, respectively, will battle it out this week for possession of second place. After losing last week both teams are expected to be up for this meeting which could turn into one of the best of the season with the outcome a toss-up.

In their first meeting with Gaylord, the Charlevoix Rayders emerged the victors by a score of 61 to 58. Since then the Blue Devils have racked up some impressive victories over Pellston and Grayling. In addition the Blue Devils will be defending their league standing, third place shared with Harbor Springs. As a result this, too, could be a close game with the Rayders who have lost their last four games by a total of eight points having to play their best if they hope to regain some ground in league standings.

The Cinderella team, the East Jordan Red Devils who last week upset Boyne City to rack up their first win of the season, will host the league leading Pellston Hornets this week in a game which is almost sure to cut short a long awaited victory celebration.

Though Mancelona has only two wins to its credit, the Ironmen can be tough on their home floor. The Harbor Springs Rams, however, will have their third place standing at stake and this may bring them through with a win, though they will be forced to battle for it.

Charlevoix High School to Host Annual Solo-Ensemble Festival

The Charlevoix high school will be host to the annual District II Solo-Ensemble festival on Saturday, Feb. 10, C. A. Odmark, band director and festival chairman, has announced.

Thirteen schools will send 146 entries including 74 soloists and 72 ensembles for a total participation of 300 young musicians in the festival which will begin at 9 a.m. and continue until 4 p.m.

Four sections, or playing rooms, will be in operation throughout the day with all events open to the public at no charge.

Judges for the event, sponsored by District II of the Michigan School Band and Orchestra Association of which Mr. Odmark is chairman, will be Dr. Harold Wright, Dr Jean Hedlund and Lorin Richtmyer, all of the Northern Michigan College of Education at Marquette and Edward Rima, director of music at Tawas Area high school.

Charlevoix, the host school, will have the largest entry list, six soloists and 18 ensembles for a total of 43 students.

A detailed schedule of the Charlevoix entries will be announced in the Feb. 8 issue of the Charlevoix Courier.

Schools participating in the local festival will include Gaylord, Boyne City, Cheboygan, Onaway, Inland Lakes of Indian River, Rogers City, Atlanta, Elk Rapids, Kingsley, Harbor Springs, Mancelona and East Jordan in addition to Charlevoix.

A similar festival for schools in the southern section of District II will be held at the Traverse City high school on the same date. The event is expected to attract a like number of entries.

County Youths Get Jail Sentence

Two Charlevoix county youths were sentenced to Southern Michigan prison during a special term of circuit court here Monday.

They were Robert Balch, 20, who was sentenced to 1½ to five years on a charge of Carrying a concealed weapon after having been placed on probation Aug. 21, 1961 and Arden Vallad, 20, of Boyne City, who was sentenced to two to three years on a charge of resisting arrest on Nov. 23, 1961. Vallad's last arrest was one of several on various charges over a period of several months.

Complete Phase of Hospital Training Course at NMC

Judith Clarke, Martha Green and Mrs. Gerald Burke are among the 29 students of Class 30 of the Practical Nursing Center at Northwestern Michigan College in Traverse City who have successfully completed the first four months foundational period at the school. They will enter the hospital training phase Jan. 29.

Students are assigned for a seven month training period to one of three approved affiliating hospitals in the northern area and will graduate from the year's course at the completion of their hospital experience.

Miss Clarke and Miss Green are 1961 graduates of the Charlevoix high school. The former is the daughter of Mr. and Mrs. John Clarke and the latter the daughter of Mr. and Mrs. Robert Green. Mrs. Burke lives on RR3.

Mr. and Mrs. Ray Shearer expected to leave for Phoenix, Ariz. Wednesday to spend the rest of the winter.

Browe Electric Wins Tourney in Men's Bowling League

Browe Electric bowling team copped the second annual men's bowling team tournament staged last week at Paul Bunyan Lanes by 16 pins. Second place went to American Mold No. 2 and third place to the Paul Bunyan Lanes team. The annual tournament which includes a team event and singles and doubles events, is sponsored by the Charlevoix Bowling association.

Standings at the close of the three day team contest ending Sunday evening were: Browe Electric 3086, Americal Mold No. 2 3070, Paul Bunyan Lanes 3041, Bechtel (Classic) 3036, Neff's Grocery 3005, Airport Inn (Classic) 2999.

Other teams in the tournament are Erber T. Birds, Bartlett Floor and Tile, Moonlight Gardena, Petoskey Beverage, The Grill, Bechtel Industrial, Central Drug Store, Swanson Construction, Thompson & Cain, Charlevoix County State Bank, Parsel Oldsmobile, and Airport Inn.

Puff's Appliance, the defending champions, bowled 2962 to defend the 1961 title.

The doubles and singles events of the tournament are scheduled for Feb. 3 and 4 at Paul Bunyan Lanes.

Ed Rebman Speaks At Lions Club Meet

Ed Rebman, Charlevoix county agricultural and extension agent was the guest speaker at the regular luncheon meeting of the Lions club held Monday noon at the Weathervane Inn.

He spoke on the Pros and Cons of the Area Re-Development Program, outlining the advantages and the drawbacks of the program designed to assist areas with an unemployment problem.

Guests at the meeting were Ted Ager and Robert Wallace of Charlevoix and Walter Edwards of Traverse City.

Plans for the club's activities and a discussion of the successful Charles Night banquet were also features of the business meeting.

Local Boy Scouts Klondike Derby Ribbon Winners

Charlevoix's Owl and Flaming Arrow patrols of Boy Scout troop 11 were among 26 patrols from throughout northern Michigan to participate in the 14th annual Klondike Derby at Petoskey Sunday.

Members of the patrols which won red or second place ribbons in the competition are Owl patrol, Steve Keeley, patrol leader, John Goldstick, Tom DeYoung, Eddie Whitley, Dick Lewis, Bill Curtis and Frank Cook; Flaming arrow patrol, Jose Olsen, patrol leader, Skip Young, Bob Schofield, Kent Damon and David Goldstick.

The Scouts were accompanied by their Scoutmaster Louis Edwards.

Charlevoix Kiwaninians, whose club sponsors the local Boy Scouts, assisting with the Derby were Leonard Burns, Barney Englehart, Glenn Kenny, Don Anders, Fred deCastro, Robert Foss, John Mol, Arnold Wadas, and John Thomas.

Scouting skills including fire building, first aid, ice rescue, knot tying, compass reading and others were displayed at the various stations by the 176 Scouts entered in the event

CSCD Elects Officers At Annual Meeting

William Korthase Jr. of Boyne City and Clayton Healey of East Jordan were re-elected to the board of directors of the Charlevoix Soil Conservation District at the annual meeting held recently according to Ed Rebman, county Extension and secretary of the board.

Mr. Korthase served as chairman of the meeting which was attended by more than 70 residents of the county, despite inclement weather.

Herbert Reiley of Bellaire showed some excellent pictures of a recent seven week hunting trip through Canada and Alaska.

Huge Reactor Vessel Now Being Installed at Big Rock Point

An important milestone in the construction of the world's first boiling water power reactor at Consumers Power Company's Big Rock Point nuclear power plant was reached Monday with the arrival of the 92 ton reactor vessel which is destined to become the 'heart' of the installation.

The reactor vessel will eventually hold the nuclear fuel to power the plant.

The vessel arrived at the plant site late Monday following a 900 mile journey via special well car from Chattanooga, Tenn., where it was manufactured by the Combustion Engineering Co. for the General Electric Co. It left Chattanooga Jan. 23, traveling only in daylight hours at a maximum speed of 20 miles an hour until it was transferred to the Chesapeake & Ohio Railroad when it could travel at any time. The precautions were necessary because of its size.

The arrival of the reactor vessel marks the last of the large pieces of equipment to be used in the construction of the plant located on the south shore of Little Traverse Bay. The cap of the vessel which weighs 28 tons, arrived earlier at the plant site.

On Tuesday the reactor vessel was moved inside the sphere for storage until it can be raised to its permanent position almost in the center of the 130 ft. sphere or containment vessel early next week.

The reactor vessel is 23½ ft. in length with an inside diameter of 8 ft. 10 in. Made of manganese molybdenum steel, the walls are 5¼ inches thick with a 5/32 of an inch stainless steel cladding.

The Big Rock Point nuclear plant which was started in April, 1960, is approximately three-fourths completed, according to Jerome D. Lescoe, construction superintendent for Consumers Power Co.

It is being constructed by the Bechtel Corp. of San Francisco at a cost of approximately $27 million. William McKinley is in charge of the operaton for the Bechtel Corp.

The nuclear fuel to be used in the operation of the plant will be uranium oxide pellets. The first fuel bundles will not arrive until the entire operation has had a 'dry run', using some other type of fuel.

The plant is scheduled to go into operation late this year.

All meats, regardless of grade or cut, contain the same valuable proteins, minerals and vitamins. Any grade, with proper cooking, may be tender and tasty.

Electors to Vote On Three District School Consolidation

The proposal to consolidate the Central Lake and Ellsworth school districts with the Charlevoix school district will be brought to the vote of the residents of the three districts later this spring, it was announced Wednesday following meetings of the boards of education of the three districts involved in the proposed merger.

Formal resolutions proposing that the issue be brought before the qualified voters of the three school districts were adopted by the three school boards on Tuesday.

Copies of the resolution will be forwarded to Charlevoix county Superntendent of Schools, Charles A. Robinson, who will proceed with the arrangements for presenting the issue to the voters.

No date has been set for the special election.

The decision to bring the issue to a vote at this time follows more than 18 months of study during which such issues as finance, curriculum, transportation, buildings and other phases of the proposed consolidation by a study group and by the board of education in the three districts.

Argonne to Stage Grand Opening Saturday Night

Saturday night will be a gala one at the Argonne as the new owners, Herb Moore and Ted Ager, greet their guests at a grand opening.

The two well known young men and their wives purchased the popular nightspot recently from Mr. and Mrs. William Matzinger who had owned and operated the business for 14 years.

Though Mr. and Mrs. Moore and Mr. and Mrs. Ager have been managing the business since early this year, Saturday's grand opening will be their first major party since assuming ownership.

There will be an orchestra to furnish music for dancing on Saturday night. On other nights, Mrs. Grace Shaw can be found at the piano, playing for the entertainment of the guests.

Another feature of Saturday's grand opening will be a buffet supper to be served late in the evening.

The new owners will continue to feature Shrimp night beginning at 5:30 p.m. every Friady the year around. They plan to specialize in a family style chicken dinners beginning at 3 p.m. every Sunday.

The Argonne will open daily at 3 p.m. except Sunday when it will open at noon and Monday when it will be closed. Dinners with a choice of foods will be served by reservation on Tuesday, Wednesday and Thursday.

The new owners have extended an invitation to the fun-loving public to join them at the grand opening celebration Saturday night.

Continue Safe Progress

It would be an utopia if everybody agreed with every action of a governmental unit. So we all voice our pet grievances. But we had better keep in mind that our government is operated for the best interests of all.

If we review the overall operation of the city administration for the past year, it has done a commendable job despite the fact that some of us do not agree with some specific actions. City business has become a big business and those officials elected to run that business should be big enough for the job.

We believe the present mayor, aldermen and other city officials have conscientiously tried, and succeeded, in serving the best interests of all. With the many projects now underway for the betterment of the community, it could well be a step in the wrong direction to make any change in our elected officials at this time.

Who knows Clare Staley's "famous pancake recipe"? He's been serving pancakes irregularly for quite some time to members of the Charlevoix Rod & Gun club. He did it again last week Thursday at the regular meeting of the club. I got there early to watch and what did I see? Nothing but a big kettle of dry ingredients into which he started to pour unknown quantities of both milk and beer. Next those golden brown pancakes, plate size, came onto the table. Add butter, maple syrup and plenty of sausage on the side and it was a feast to compete with the best grandmother ever had to offer.

In his inaugural address a year ago the President challenged Americans with these stirring words: "Ask not what the country can do for you; ask instead what you can do for your country". This year's state of the union address had a long list of things he suggests the federal government do for the people. The people used to support the government but it now appears that the government is supposed to support the people and take enough money from the people to pay the bill. It only insinuates that we are not smart enough now to plan our own lives and handle our own money.

Voice of our readers

Information Please?

We plan to vote in the February 19 '62 primary—Charlevoix. However we would appreciate your advice in the meantime.

Some have offered suggestions as follows: New Street lighting; New Pavements; Land fill dump, rats; New 4500' paved and lighted Airport Runway; Industrial Commission; Planning Commission; And strange as it may seem all without Taxes or bond issues. Just where is it planned to get the money? Is the plan to tap the City Utility fund or is it to come from the Federal, State and "Resorter" fund?

Just what rate adjustment is contemplated and when (?) as effecting situations like ours.

Our family has been in residence at Charlevoix since the days of the coal-oil lamp, side yard pump and outside privies. (Now seven generations) Each year for some 6, 7 or 8 months per year, we have been in residence at Charlevoix. Nevertheless, over the years we have been penalized, by excess utility rates. The answer "We live on the wrong side of the tracks," Have made many protests; but the answer has been always the same. Just for example 1961—We were in residence at Charlevoix April, June, July, August, September and October. The answer was the same "You got to be in town for six consecutive months" . . . "Still on the wrong side of the tracks". However, if So and So who uses 37 KWH per year goes to Horton's Bay or Yy. yug. a mug" for a camp meeting (and doesn't pay his bill) he is a preferred customer and enjoys the long term low rate. What a way to run a railroad.

So mote it be—further I sayeth not.

I'm all confused with all this talk about extreme right and extreme left. I can't remember that extremes were the answer to anything.

• • •

That reminds me of the extremes we're going to with kids. First, we had in some places sweat shops hiring kids. Employment laws cut those out and now there is a big to-do about kids not being physically fit. For my nickel's worth they never will be physically fit or mentally either, as long as laws won't let them do reasonable work. As it is we're all spending plenty to keep them entertained so they won't get into trouble. Guess I was born 50 years too soon.

I read a letter last week from a man who is running for mayor. He seems to be promising a lot of things that he can't even vote on unless there is a tie vote among the councilmen. It's an old political stunt to promise voters anything and then pass the buck to others who had a voice if he didn't get what he promised.

By and large the city administration has a pretty good record with just enough opposition to make it interesting and yet enough common sense representation to keep us from going beserk.

Hit That Sale!!!

January has done a fair job of setting a record in just plain "being cold"! If such extreme seasonal contrast is conducive to more resistance and better health, we should be well primed for good, good health.

A SALE is well timed in January and February because it is statistically correct that you can get still 2 to 2½ more months of wear in even the most winterish clothes.

But a Sale is an even Better Sale when it isn't limited to seasonal goods. And this is where Fay's play their Ace—**Fay's Sale gives you savings opportunities in every department in the store.**

A pretty blouse is a pretty blouse during any season. It's wise to own many sweaters. Slacks are good all year long. Car Coats and coats—well, you know how long the cold to cool season is! And Dresses are occasion Costumes today and every day of the year.

And when Fay's add girdles, pantie girdles, lingerie, baby items and many many items for girls—then You have a COMPLETE SALE !!!!

And this, Fay has done. Your opportunities to save are greatest at Fay's.

Mark your Calander—Feb. 12th—Lincoln's Birthday—Visit Fay's!! You'll like the surprise in store for you.

Rose Ann Elzinga And Mr. Pott Marry In Home Ceremony

Atwood—Miss Rose Ann Elzinga and Carl Eugene Pott were married Friday evening in the home of the bride's parents, Mr. and Mrs. Henry A. Elzinga. Rev. Jerry Pott of Cuttlerville, uncle of the bridegroom, performed the double ring ceremony in the presence of the immediate families. He was assisted by Rev. Donald Van Gent pastor of the Atwood Christian Reformed Church. The bridegroom is the son of Mr. and Mrs. Peter Pott.

The bride's ballerina length gown was of white embroidered taffeta. A small hat formed her headpiece. Her corsage was of lavender orchids. Her pearl beads and mitching earrings were a gift from the bridegroom.

Mrs. Elzinga served a dinner to the weddng guests assisted by Lois Kleinheksel of Holland and Beth Ann Burns and Donna Harthorn of Ellsworth all cousins of the bride.

Mr. and Mrs. David Kass of Grand Rapids, brother-in-law and sister of the bridegroom presided at the reception for 160 guests in the Ellsworth Community hall that same evening. Assisting were Elaine and Shirley Pott, Mr. and Mrs. Allan Elzinga of Vanderbilt, Mr. and Mrs. John Elzinga, Mrs. John Burns of Ellsworth and Mrs. Fred Kleinheksel of Holland. The Atwood Christian Reformed Ladies Aid were in charge of the refreshments.

After a brief wedding trip the couple will be at home near Atwood.

Guests came from Grand Rapids, Holland, Cutterville, Kalamazoo and Detroit to attend the reception.

Named Insurance Man of the Month

Beaver Island Couple Observe Golden Wedding

St. James, B. I.—Mr. and Mrs. James O'Donnell observed their golden wedding anniversary at their home here on Jan. 24.

During the afternoon and evening relatives and friends called at the family home of the couple who was honored with many remembrances of the occasion.

Mr. and Mrs. O'Donnell were married at Holy Cross church Jan. 24, 1912, by Rev. Fr. Malone.

Mr. O'Donnell was born here July 28, 1885, the son of the late Mr. and Mrs. Dan B. O'Donnell. Mrs. O'Donnell the former Elsie Schmidt, was born in Grand Rapids July 15, 1889, and came to Beaver Island in 1900 with her parents, the late Mr. and Mrs. Joseph Schmidt.

Mr. Schmidt was a construction and lumber mill worker until his retirement.

They are members of Holy Cross church.

Among their children are two sons, Bernard and Raymond, both of Chicago and four daughters, Mrs. Clifford (Catherine) White of Muskegon, Mrs. Charles (Theresa Marie) Archer of Long Beach, Calif., Mrs. Jack (Beatrice) Boyhe and Mrs. Ray (Patricia) Hooker, both of Chicago. They also have 29 grandchildren and 22 great-grandchildren.

Couple Plans June Wedding

The engagement of Karen Jackson to Spencer Root has been announced by the bride-elect's parents, Mr. and Mrs. Marion Jackson of East Jordan.

The prospective bridegroom is the son of Mr. and Mrs. Sheridan Root of this city.

A June wedding is planned by the couple.

A graduate of the East Jordan High school, Miss Jackson is a junior student at Central Michigan University where she is a member of Sigma Kappa sorority. Mr. Root attended the Charlevoix high school and is presently stationed at Norfolk, Va., with the U. S. Navy.

Snow's treachery Saturday night crushed in the roof and virtually destroyed a manufacturing building formerly used by Fred Kaunits for building boats and other wood products. The building, located on the south shore of Round Lake was of wood construction about 30 by 50 feet. The building was unoccupied except for a small portion used for storaga, according to Mrs. O. V. Cunningham who has charge of the property in the absence of tha owner, Charles Taylor of Little Rock, Ark., and a member of the Belvedere club. The building is beyond repair and will probably be razed, Mrs. Cunningham said.

SUNDEW REPORT

ICE . . . we've seen little else since the Dew left Charlevoix Jan. 22.

The first day out, enroute to Kewaunee, Wis., we did nothing but pitch in the heavy sea and take water over the bow. Before long the ship was covered with ice which necessitated stopping for operation 'ice chip'. We had to repeat the operation when we reached port.

After spending the night in Kewaunee, we left for Sturgeon Bay to pick up A anl N gear to transport to Milwaukee. We departed Sturgeon Bay on Wednesday, enroute to Milwaukee with our cargo. After unloading and mooring at Milwaukee for the night we returned to Sturgeon Bay where we loaded three small boats and then were underway to break the Dredge Haines out of the ice in the Sturgeon Bay channel. Completing that, we continued to Milwaukee, arriving Friday evening. After unloading the boats the next morning we left for Muskegon where we moored Saturday evening and stood by for ice operations there all last week.

On Feb. 2 we escorted the tanker Polaris out of Muakegon and went on to Kewaunee to break ice so the tanker could moor.

Sundew Scuttlebutt

Two new men reported aboard the Dew late last month. They are Michael Genier, SA, and Leonard Davis SA who reported from Cape May Receiving Center. The former comes from Silver Bay, Minn., and the latter from Gate Mills, Ohio. "Sam" Snover was advanced to Commissaryman, third class.

Elementary Echoes

by Mrs. Esther Blehs

Virginia Topping, book consultant for the American Book Co., spent a day at the Charlevoix Elementary school recently where she presented a series of three demonstrations on the teaching of various phases of English.

The teaching of a poem to the second grade students in Mrs. Beth Smith's classroom was followed by the dramatization of a story by the students of Mrs. Barbara Lynch's and Mrs. Sara Rice's third grade and the teaching of the various parts of speech to Mrs. Klooster's fifth grade.

More than 50 fifth grade students were guests of the Kiwanis club at the Travel Series held in Petoskey last week.

The youngsters enjoyed Norman Wakeman's presentaton of the exciting "World Between the Tides".

The project is one of the youth projects sponsored by the Charlevoix Kiwanis club.

Barney Englehart is chairman of the project.

Senior Advances To State Contest For Homemakers

Donna Berg, Charlevoix high school senior, has been named the winner of the 1962 Betty Crocker Search for the American Homemaker of Tomorrow, thus becoming eligible for one of 102 scholarships, which total $110,000.

Having received the hghest score in her school in the knowledge and attitude test on homemaking given senior girls Dec. 5, the winner now will have her paper entered in competition with those of winners in other schools of the state for state honors.

The state winner will be named in the spring and will be awarded a $1,500 scholarship from General Mills, sponsor of the program. A $500 award will go to the second highest ranking state Homemaker of Tomorrow.

State winners and their advisors will enjoy an all-expense paid educational tour of New York, Washington, D.C. and Colonial Williamsburg, Va., to culminate with the naming of the 1962 All-American Homemaker of tomorrow in Williamsburg May 3.

Miss Berg is the daughter of Mr. and Mrs. Leo Berg.

AGRICULTURE In ACTION ......

MICHIGAN FARM BUREAU

Whose Schools?

Most farmers will not be surprised by issues placed on the callendar of the second session of the 87th Congress. Few will be new. Most, such as proposals for a federal school bill, are perennial issues. In fact, the most recent school proposal was aired on tha 90th anniversary of the first bill introduced in Congress to provide federal aid to schools.

Many citizens, including farmers, oppose the federal school bills because they believe that public education is a function of state and local governments. They are dedicated to the idea of keeping it that way.

However, advocates of enlarged federal spending for schools contend that the states are not doing their jobs well enough. This contention is blunted by the most recent report from the Federal Office of Education. According to the report, a great deal of strictly local progress has been made in just the past year.

The report shows that the so-called class-room shortage, which the Office of Education has taken pains to describe in great detail over the past years, was cut by ten per cent in 1961.

Classroom construction between the fall of 1960 and 1961, hit a new high of 72,200 rooms compared with 69,000 the previous year according to the Office of Education report. It also indicated that the number of teachers increased by 3.9 per cent during the year while student enrollment went up only three per cent.

The report shows gains in another significant area, . . . in that the proportion of teachers with less than standard certificates dropped from 6.6 per cent of the total teaching staff in tha fall of 1960, to 6.1 per cent last fall.

This is not to say that all is well in the education world. But it is a report of real progress. It is encouraging news for farmers and other proponents of atate and local responsibility in the education field.

But they are not content to let it lie,—rather Michigan school needs for the coming decade will be the topic of a two-day farmer-educator forum tentatively set for the dates of March 15-16 by the Michigan Farm Bureau, and designed to help answer the most important question of all,—"Whose schools art they?"—and "who will finance them?"

Big Deal

The political peddlers and economic meddlers are back at it again. It happens every time Congress meets to give them another chance to foist their latest bit of social-panacea on the public in the name of "stabilizing the economy"—or somehow providing more of everything for everybody through some governmental magic.

"Agricultural workers must have the 'security' of a minimum wage" scream officials of the U.S. Department of Labor. Their spokesmen add: "—if economic security is to be achieved it must come by means of legislation."

Big deal. In thirty years of trying to provide farmers with "economic security" via the legislative route,—about all that farmers have gained is sad experience.

Hopefully, the Labor Deppartment adds: "Since the 1930's there has been general acceptance of the philosophy that society has responsibility to protect wage earners against economic energencies which expose the individual to risks beyond his own ability to control."

In making the case for pegging farmers under the umbrella of government protection, via the Labor Department, the report goes on to cite such calamities as bad weather, seasonal fluctuations in production and demand, and "changes in consumer tastes and requirements." Just how the poor farmers is to be protected from these disasters by government intervention in his business is something left to be spelled out.

But the real pay-off comes in the final pitch for Labor Department sponsored farm-labor bills, which one official,—Louis Levine of the Employment Security branch describes as "an important break-through." The bills deal with farm health standards, refusal to allow anyone under 14 to work on a farm, etc., etc.

Bills such as these, if passed, could place U.S. Labor Inspectors on every farm, checking "minimum standards" for everything from what the pigs ate, to the age when the pigs themselves are to be eaten.

Actually the most important "break-through" from the farmer's point of view has been tha House refusal to go along with the Senate in having anything to do with the proposed farm labor legislation.

Biggest Snow In Memory

"Peninsula digs out after the big snow", "Biggest snow in memory", these were just two of the headlines in the Monterey Peninsula Herald which carried stories and pictures of the "first big snowstorm in three generations."

With Charlevoix digging out of the most recent snowfall that measured several inches, part of more than 60 that has fallen thus far this season, those who have seen the newspaper sent by the Marshall Ackers who are wintering at Carmel, have had quite a chuckle.

One story related how the mercury had dipped below freezing and how "many lawns, hillsides and rooftops still glistened whitely this morning after yesterday's artic mixture of snow, sleet and hail that measured up to two inches in some sea level areas."

Probably the classic headline of the issue was the one that stated"'Snow Fun' playing golf at Peeble Beach", the story of the Bing Crosby National Pro-Am Golf Tournament that bad to be postponed for the first time in 21 years when it was 'snowed out'.

Another headline stated that the "Entire State was covered with snow for the first time n 30 years".

One 12 page section of the paper carried 23 pictures showing everything from cars being stuck in the snow to kids eating it, making snowmen and sliding down slopes on pasteboard cartons, garbage can covers or anything else that would slide.

About 10 million Americans help transport, process, store, and merchandise farm products, Ohio State University Extension economists report.

telephone lines

By LES JOHNSON, *Manager*

IF ALL THE MATERIALS that go into the making of your telephone could display their original locations, modern phones would look like a widely-traveled steamer trunk—loaded with stickers. Among the 60 different raw materials that go into today's functional, durable phones, you'll find steel, aluminum, copper, tin, plastics, rayon, nylon, silk, rubber, wax, asphalt, and even granules of anthracite coal! You'd also find small quantities of gold and silver on certain electrical contact points. All these are used in your telephone to make sure you can count on round-the-clock convenience, protection, and security from your telephone service.

CANDY OR FLOWERS can make fine remembrances on Valentine's Day, but if your loved ones are out of town, why not wrap up your fond feelings with a warm finishing *personal* touch . . . by calling Long Distance? It's a two-way lift that brings cheer to *both* ends of the line. So easy, too. The cost? Low as a beagle's ears . . . especially if you call after 6 p.m., when reduced rates are in effect to most places. Remember, on Valentine's Day—or any day—little things are big news to those who love you.

Congressman Propose Ways To Reduce Federal Taxes

There is a way to reduce taxes according to Congressmaan A. Sidney Herlong, Jr., of Florida. Legislation has been introduced to accomplish his aims. It has been referred to the Ways and Means Committee. An identical bill has also been introduced by Congressman Howard H. Baker of Tennessee. Cong. Herlong explains his proposal as follows.

Neither you nor any patriotic American would want tax rates reduced if it would deprive your government of funds needed for defense or essential purposes.

But there is a way to reduce your tax rates without cutting off, or limiting funds for military and other needed programs, or throwing the budget out of balance, a way that is sound and realistic.

It will provide relief for you, no matter which tax bracket you are in.

It will moderate both individual and corporate tax rates gradually over a five-year period.

It will defer taxes for you, as an individual, on long-term capital gains until such times as you sell your holdings, receive a cash profit and do not reinvest the proceeds.

It will reduce the rate of tax on your estate and on your gifts.

It will make it easier for pour business to replace worn-out and obsolete equipment.

It will work this way:

1. The first bracket of personal tax rates will be reduced from 20 to 15 percent and the top rate brought down to 47 per cent from 91 per cent, in five easy stages with corresponding reductions in all iterim rates.

2. The top corporate rate of 52 per cent will be reduced to 47 per cent, also in five stages. Setting the top rates of individual and corporate tax at the same level rightfully puts the owners of unincorporated business — which account for 85 per cent of all businesses — and members of professions on an even tax keel with corporations as opposed to the highest rates they now pay.

3. Estate tax rates will be reduced from a top of 77 per cent to 47 per cent and the top rate of gift tax from 57.75 per cent to 35.25 per cent. All lower rates of both taxes will be reduced in proportion. This comprises another important easement of the impact of capital taxation.

4. There will ge a reduction of approximately 25 per cent over the five year period, in the time during which business will be allowed to charge off the cost of plants and equipment before figuring their taxable profit.

This will give you, and everyone, at least a 25 per cent cut in taxes. It will do this without shifting tax burdens from one set of taxpayers to another. Almost 60 per cent of the total savings in individual taxes will go to those in the taxable brackets up to $6,000.

The proposed cuts in tax rates, over the five year period, will not result in red-ink spending by the government. Slated reduction will be postponed when there is danger that the federal budget will be thrown out of balance.

The money to provide for the reduction of your tax rates will come from a simple change in the way the government operates. Here is how it will come about:

Since 1955 the yield to the government from personal income taxes alone has grown from $30 billion to about $43 billion, with no change in rates. During that period, personal incomes in dollar terms rose by a third, so that the government received on a silver platter an increase in revenue of $13 billion.

Other taxes also yield larger revenues as the economy grows, although not to the same extent. Half of any increase in corporate profits automatically flows back to the government. The more you buy, the more you pay in excise taxes.

Estimates for the next fiscal year that begins in July are that total revenue may be as much as $15 billion over the fiscal year recently ended, simply because of the growth in our national income.

Each single percentage point of gain in the growth rate means $1 billion in aditional revenue, which is why the added money coming in from economic growth is such a very large sum.

At present, the government takes the added money coming in from econmic growth and spends it.

Now, follow this carefully: You will get the cut in your tax rates by the government taking this spillover each year and through tax reform, making it available for growth in the private economy. The freed money will go into consumer purchase and plant expansion and research and development of new products which, in turn will cause added employment, so that even though your taxes will be cut by at least 25% the government will receive more, not less, in total taxes.

When this is done, there is no reason why our economy should not move forward as fast as 5 percent or more a year. Any growth rate above 3½ per cent will take care of a step-by-step cut-back in your taxes over a five-year period and still provide the government with ample funds for other purposes.

The needed legislation to accomplish all of this is already drawn and in the hands of the Ways and Means Committee of the House of Representatives, in the form of identical bills, H. R. 2030 and H. R. 2031, introduced by Representative Howard H. Baker, Republican of Tennessee, and me.

Known as the Hedlong-Baker bills, this proposed legislation has received expressions of commendation and support from members of Congress. editorial writers, columnists, business groups and other organizations, etc., across the country. The most constant theme of these expressions has been the practical, commonsense nature of the legislation.

I know that this legislation is not only practical and feasible but that it is urgently needed. It will be passed if you want it passed, and if, without delay, you tell your Congressman and Senators that you want it passed. It is as simple at that.

Rayders Roll Over Gaylord 61 to 49

★ ★ ★

Both Teams Share Fourth Place in Race

The Charlevoix Rayders got back on the victory trail Friday, rolling over the strong Gaylord Blue Devils by a score of 61 to 49.

The Rayders, playing heads up ball, dumped in a total of 26 field goals and , for the first time in several games, were hitting from the free throw line where they collected nine points on 12 attempts. Gaylord had 19 field goals and 11 of 17 free throw attempts. Charlevoix had 12 and Gaylord 10 personal fouls.

From the opening whistle the game swung into high gear with both teams scoring early for an 8 to 8 tie with 5:06 remaining. As the seconds ticked off, the Rayders moved into a slim 18 to 15 lead as the first period ended.

The Rayders continued to hit as the game went into the second period, adding five field goals and two gift shots to three field goals and two free throws for the visitors for a 30 to 23 halftime advantage.

Three quick buckets as the second half got underway put the local five ahead 36 to 23 before Gaylord got started. The Rayders, however, were not to be stopped as they outscored the Blue Devils 22 to 11 for a 52 to 34 third period lead after having scored 11 field goals.

As the game went into the final period, the tempo of the game slowed with Charlevoix scoring only nine points while the visitors hit for 15.

John Pearl and Stan Martin shared scoring honors with 18 points each, followed by Dan Pearl with 10, George Majors with eight and Frank Curtis with seven.

Henry Wagner, Bruce Murray and Jack Uhrick also saw action.

Gabby Nowak had 12 points and Larry Simpson 10 for Gaylord.

Little Rayders Upset Gaylord

Charlevoix's Little Rayders racked up a 61 to 31 win over the Gaylord Reserves Friday night as they returned to their home floor.

Paced by Gary Stutzman with 17 points, the local lads rolled to a 13 to 8 first quarter lead over the visitors, increased their advantage of 31 to 17 at halftime and 51 to 24 going into the final period with the entire squad getting into the action.

Brenden LaBlance had 13 points; Pete Anee, 10; Rick Miller, 7; Jim Uhrick, 6; Dave Smith, 4; Bruce Kroken, 2 and Larry Edwards and Jim Stewart, one each. Others who saw action were Dave Novotny, John Bleha and Dave Norton.

Tom Lick had 13 points for Gaylord.

This Week With Class "C"

With every game gaining in importance as the 1961-62 basketball schedule goes into the home stretch, the Charlevoix Rayders will travel to Harbor Springs Friday to take on the Rams.

On the followng Tuesday they will host the Petoskey Northmen in a return game.

In other loop games, Boyne City will entertain Pellston, Mancelona will travel to Gaylord and East Jordan will host Grayling.

The Rayders will have their work cut out for them when they take on Harbor Springs this week for the Rams will be out to avenge their earlier 71 to 59 loss to the Rayders on the latter's floor. Since then, however, the Rams have succeeded in dumbing Boyne City among others to move into a tie with the Ramblers for third place in league standing with a 6-4 record. The Rayders, on the other hand, are tied with Gaylord for fourth place with a 5-5 record.

Unless they can play the type of basketball they displayed in their first meeting wth the Rams, the Rayders may find themselves on the short end of the score.

Their meeting with the Petoskey Northmen the following Tuesday will be another traditional battle but the Rayders should come through with a win.

Pellston will be defending its league lead when the Hornets invade Boyne City this week. The Ramblers, on the other hand, will blers this season. The Hornets are an up and coming outfit who have shaped up well under the guidance of Coach Francis McMahon. The Ramblers will find them even stronger than they were before the holidays so will have to give their all if they hope to stay in running for the title.

Gaylord, stinging from their loss to Charlevoix last week, will go out to avenge that loss when they host Mancelona this week in a game that could be a close one for it marks the renewing of an old rivalry. The Blue Devils, however, will be favored for they are a much more aggressive team than the Ironmen.

Grayling, presently in second place after dumping Boyne City Friday, will travel north to East Jordan this week to take on the cellar dwelling Jordanites whose only win is an upset victory over Boyne City (43-42). The Vikings should come through with a victory unless they develop a case of overconfidence.

Pellston Holds First; Grayling Takes Over 2nd Place in Loop

The Grayling Vikings took over second place in Northern Michigan Class C league standings Friday night after dumping the Boyne City Ramblers 52 to 41 while Pellston continued to lead the loop after snowing under the East Jordan Red Devils 71 to 32.

In other games Harbor Springs defeated Mancelona 71 to 53 and Charlevoix won over Gaylord 61 to 49.

Grayling 52, Boyne City 41

Playing at Grayling the Vikings went ahead 17 to 15 at the quarter, 29 to 24 at halftime and 37 to 30 going into the final period over the Boyne City Ramblers to avenge an earlier loss to the team that has dropped to third place after leading the league during the first half of the schedule. Tim Neil paced the victory with 18 points followed by Chris Kroll with 12. Larry Gunderson had 14 and Bob Snyder 10 for the losers.

Pellston 71, East Jordan 31

Coach Francis McMahon emptied his bench as his first place Pellston Hornets trampled the visitng East Jordan Red Devils who trailed 28 to 11; 38 to 19 and 52 to 27 by quarters. Merle Camerson hit for 25 points as eight of the 10 Varsity players scored. Bob Goebel had 14 for East Jordan who lost Bill Cox via the foul route early in the second half.

Harbor Springs 71, Mancelona 53

The Mancelona Ironmen, playing without regular Pat Dutcher who was ill with pneumonia, gave the Harbor Springs Rams a good game as they played them to a 17 to 17 first quarter tie and held on 36 to 30 at halftime and 55 to 45 at the three-quarter mark before being outscored 16 to 8 in the final period as the Rams won by a decisive margin. Paul Ranney with 22 points followed by Frank Lauer with 17, Gary Stutsman with 12 and Jay VanHoven with 11 point aced the victory for the Rams. Ken Johnson with 16 points was high point man for the Ironmen. Mancelona lost Dick Dicknson in the third period and Larry McCarty early in the fourth period via the foul route.

Ellsworth Defeats Bellaire 62 to 49, Bows to Northport

Ellsworth successfully defeated Bellaire 62 to 49 Friday night.

At the end of the first quarter Bellaire lead by a narrow 15-12 only to be edged by the Lancers 35-33 at halftime and 46-42 going into the final period before coasting to a 62-49 victory.

Morrey Taylor tallied 22 and Bernie DeVries 16 for Ellsworth. Warren Clark scored 15 and Jerry Ash and Donand Steiner 12 points each for Bellaire.

In a non-league game played at Ellsworth Saturday afternoon the Lancers lost to Nortport by a score of 46-46.

John Smith tallied 12 and Skip Kellogg 10 for Northport. Morrey Taylor scored 12 and Bernie DeVries 11 for Ellsworth.

Two Candidates Contest Nomination for Mayor

An Editorial

Hawley vs. Donaldson

When all of the political promises of the candidates seeking the nomination for mayor are evaluated, it appears to simmer down to one issue. Does the city want to use up funds reserved for emergencies or does the city want to carry on its progressive program on a more conservative basis and retain its enviable financial status?

Both Alderman Richard Donaldson and Mayor E. D. Hawley, the two candidates, should be commended for the parts each has played in the progressive record of the city administration the past year. It should be remembered however, there are five other aldermen who have a voice and a vote. These councilmen will also be members of the council during the coming year.

The administration under Mayor Hawley already has an improvement program in progress promoting most of the projects Mr. Donaldson has stated he "can make come true . . . with no new taxes". Other members of the council should be entitled to credit for their participation in these programs. Mr. Donaldson appears to he assuming the role of a dictator when he states in a letter to citizens that "I will make the improvements that I have promised".

It is not our intent to discredit Mr. Donaldson's service to Charlevoix. We do believe, however, that he will better serve the city as an alderman than as mayor.

A review of Mayor Hawley's past service to the community, outside of the political arena, is evidence of his business acumen. We believe Charlevoix's best assurance for continued improvements and progress within the means of the taxpayers is to re-elect Mayor Hawley for a second term.

Qualified Electors To Vote on Proposed School Merger

Voters of the Central Lake, Ellsworth and Charlevoix school districts will be asked to go to the polls later this spring to voice their opinions on an issue of great importance, not only to them, but to future generations—the proposed consolidation of the three school districts into one.

Because there are countless questions in the minds of many residents of all three districts regarding various phases of this proposal, an effort will be made to present, in a series of articles prior to the election, information about the situation as it exists today, what is to be gained by a consolidation and the problems to be faced if such a move is to be considered.

In this introductory article, the background of the survey which resulted in the recent adoption of a resolution to present the consolidation issue to a vote of the people will be presented. In this and in succeeding articles, every effort will be made to keep them unbiased and objective in content so that the voters of the three districts may consider all the factors involved before drawing their own conclusions.

First, however, the locations of the three school districts should be defined. Geographically speaking, the townships, villages and cities involved are 'stacked', one above the other, beginning with those lying in Anarim county. Starting in the Central Lake district where the village of Central Lake is located and moving up the map in a northerly direction are Central Lake township, the western half of Echo township, the northernmost section of Torch Lake township where Eastport is located, all of Banks township where Ellsworth is located and a small section of Charlevoix county's South Arm township which make up the Central Lake and Ellsworth school districts and, moving north into Charlevoix county, Norwood, Marion, Charlevoix and Hayes townships and the city of Charlevoix which comprise the Charlevoix school district.

The idea of consolidating these three districts developed approximately two years ago when the boards of education of the districts recognized the necessity for an improved educational program that would better meet the needs of the times. As a result, a citizens' study committee composed of interested persons from all three districts was organized. Membership on the committee included those who favored the consolidation as well as those who were not convinced of its feasibility.

The committee was charged to study the status of the present school systems, to examine the advisibility of combining the three districts and to submit recommendations to the three boards of education.

The general group was divided into five work committees, namely, curriculum, plant and site, community factors, transporation and finance.

Behind all this planning and study was one basic idea: to provide better education for all the students involved.

The resolution adopted last week by all three boards of education to bring the issue to a vote in their respective communities followed presentation of the study group's findings ond recommendations.

During the coming week, information compiled about each of the issues mentioned above will be presented for the benefit of the residents of the three school districts. The first article will deal with curriculum.

Officials of all three districts will work together to provide what they hope will be complete and unbiased information.

If the residents have specific questions reloting to the proposed consolidation, they moy forward them to the superintendent or boards of education or to this newspaper. These questions will be studied and the answers incorporated into future articles. Though the names of the writers will not be used, it is important that these letters be signed.

In order to better inform the residents of the districts, speakers or panels of resource persons will be provided for any organization or group that would like to know more about the proposed consolidation. You need only to contact your superintendent of schools ond he will provide you with a program relating to this subject.

Heavy Snowfall Closes Schools

The Charlevoix schools were closed Wednesday after an eight inch snowfall, whipped by east winds, drifted all but main highways almost closed.

A Charlevoix county road commission spokesman said that main highways were open and that plows were being sent out Wednesday morning to open lesser roads.

The snowfall started again at 10 a.m. Wednesday.

Other area schools were open though membership was, in many cases, limited to students who live in town or on main highways.

Musicians to Enter Qualifying Band Festival, February 24

The annual District 11 qualifying festival for bands aod orchestras will be held at Petoskey Saturday, Feb. 24, C. A. Odmark, director of music at the Charlevoix schools and chairman of District II Michigan School Band and Orchestra Association which sponsors the qualifying event has announced.

Hornets Grasp Tighter Hold on League Title

With only three games remaining to be played, the Pellston Hornets moved one step closer to capturing the Northern Michigan Class C conference title Tuesday night by edging Boyne City 35 to 34 in a game postponed from Friday because of an outbreak of flu in the Boyne City school.

In other games Gaylord defeated Class B Cheboygan 85 to 55 and Mancelona won over Kalksska 47 to 44.

At Boyne City, the Pellston Hornets were outscored 15 to 12 in the field goal department but made up the deficit on the free throw line where they hit on 11 of 22 attempts while collecting 10 personal fouls. The Ramblers, with 19 fouls, hit on only four of 10 tries.

In the tight defensive game, the Hornets trailed 7 to 5 at the quarter before going ahead 19 to 17 at halftime and 28 to 25 going into the final period. Larry Gunderson with 10 points was top scorer for the game. Merle Cameron had nine for the victors.

There is really only one beautiful child in the world and every mother has it.

Council Mulls Mt. McSauba Ski Area Expansion

Several issues including the proposed expansion of the Mt. McSauba ski area were discussed at the regular meeting of the city council Monday night.

Robert Goss, president, and Ralph Gillam, director, of the Charlevoix Recreation Corp. which operates the ski area on city-owned property, appeared before the council to ask permission to build another trail on the nortwest side of Mt. McSauba. They said that a plan for the expansion had been drawn up by Gregory A. Shadko, an engineer. The council voted to meet with representatives of the corporation and visit the slope before handing down any decision.

There was also a discussion regarding water taps on to city water mains outside the city limits. This followed a request by the Charlevoix post of the Veterans of Foreign Wars for information regarding a tap for the post home located north of the city limits.

The purchase of a new heavy duty truck for use by the street department was also discussed but no decision reached.

Bills totaling $41,989.47 were approved and ordered paid. The amount included the payment of o water department revenue bond and interest in the amount of $5,782.50; accounts receivable, $3,578.74; payment of school taxes, $2,803.24; transfer of $1,000 from general fund to fire truck sinking fund; city share of operating the public library until other arrangements can be made to finance this service, $2,500; payroll, $6,390.18.

Plan Program In County to Test for Cancer

A program for detectng cancer of the cervix and the uterus in its early stages will be launched in Charlevoix county March 1 through the efforts of District Health Department No. 3 in cooperation with the Charlevoix County Medical Society, the Charlevoix County Cancer Society, Michigan Department of Health and the Charlevoix county Home Demonstration Clubs.

Under the program which will begin March 1 and continue through April 15, funds will be made available to underwrite the laboratory costs for tests on 500 Charlevoix county women. All doctors in the county are cooperating in the program by making this simple and painless test. The only cost to the patient will be the office call and the time it takes to make and keep the appointment. The laboratory test, as mentioned before, will be free of charge. Results of the test will be held confidential between the doctor and the patient. The test itself will take approximately five minutes.

To take advantage of the test a patient must be a woman 25 years or older. She must call her doctor for an appointment between March 1 and April 15. Those participating will be notified of the results of the ttest with in six weeks from the time the test was given.

In announcing the program, Dr. A. F. Litzenzerger, director of the district health department, said that no cancer is more easily detected or more accessible for early and effective treatment than cancer of the cervix. The women of Charlevoixx county are fortunate in having the opportunity to have the Pap test during the program.

Pre-registrations will begin Feb. 12. Women wishing to participate may register by calling the following chairmen in their respective communities: in Charlevoix, Mrs. Charles Bellinger at LI 7-2214; in East Jordan, Mrs. Clarence Healey at LE 6-2563 and in Boyne City, the Extension Office at JU 2-8232.

E. D. Hawley Opposed By Alderman Donaldson

A contest for nomination of a candidate for mayor of the city of Charlevoix is expected to bring out a large vote in the city's primary election Monday.

In the only contest on the ballot incumbent, E. D. (Pat) Hawley, will be opposed by Richard Donaldson, second ward alderman, for the nomination for the city's top post.

Mr. Hawley, who served the first ward as alderman prior to becoming a candidate for mayor, is seeking the nomination for a second term.

Mr. Donaldson, who has served the second ward as alderman for the past three years, is seeking the nomination for the first time.

Other incumbents who are candidates for re-election to their respective offices are: treasurer, Annabelle Cunningham; clerk, Hugh Mayne.

First ward: alderman, William Fochtman; supervisor, Ivan A. Phillips.

Second ward: alderman, Kenneth Staley; supervisor, John Uhrick.

Third ward: alderman, Jack Grubaugh; supervisor, Harry Gebeau.

Voters may also write in the names of their choices for justice of the peace and for constable in their respective wards.

The polls at the city hall will be open from 7 a.m. until 8 p.m.

Persons planning to obtain absent voters' ballots are reminded that the deadline for obtaining such ballots is 2 p.m. Saturday.

The Charlevoix Courier urges that you cast your ballot in this important election.

Proclaim Band Parents Dinner Huge Success

Though returns on the annual dinner sponsored by the Band Parents Association ore incomplete at this time, indications are the event will net more than $450 according to Jerold Murdick, president of the organization, who reported that the dinner was a huge success.

A record breaking crowd of 630 people were served during o two hour period at the new high school cafeteria.

Mr. Murdick ond C. A. Odmork, band director, join in expressing their appreciation to all those who helped made the event a success, including those who patronized the dinner, the band parents who supported the event in so many ways and Mrs. Marie Blissett and Mrs. A. D. Cunningham, the school cooks, who were in charge of the kitchen.

Proceeds will be used to underwrite the costs of additional uniforms for the fast-growing high school band.

Venetian Festival Set For Sun. July 29

The activities of the 1962 Venetian Festival will be limited to one day, Sunday, July 29, was the unanimous decision reached by the Charlevoix Chamber of Commerce board of directors at its regular meeting Monday night.

In announcing the decision, Paul Kohler, secretary-manager of the chamber, said that more emphasis would be directed toward the Venetian boat parade this year and the local boat owners would be urged to participate. The goal will be at least 24 decorated boats. Boat owners planning to participate are urged to register at the Chamber office and to place their orders for lights strings and lanterns furnished by the Chamber.

The special events committee headed by Lee Moerland and Richard Edwards will be in charge of the program and acitivities.

Mr. Kohler reported that 94 per cent of the money pledged on 1961 subscriptions bad been paid and expressed his confidence that the outstanding pledges would be honored.

Mr. Kohler announced that the Greater Bay City Chamber of Commerce would visit Charlevoix June 9 while on a chartered cruise aboard the S. S. South American. The 300 members and their guests will visit Charlevoix from 2 to 9 p.m. Arrangements are being made for a reception and entertainment for the visitors.

"Lullabies and Bugle-Calls"

The Rev. Harold E. Kohn, Preaching

If you now regularly attend another church in our town, this notice is but a neighborly greeting and wish that you and your church may prosper. If you do not already have a church home, it is an invitation to attend Charlevoix's Congregational Church next Sunday.

Voice of Our Readers . . .

Due to a serious regard for the paramount importance of maintaining the integrity, dignity and harmony of the Charlevoix's City Council, rather than risk injury to the Council as a whole, by being misunderstood as to meaning or intent of remarks, heretofore I have refrained from publishing anything about the City government. Recently a goodly number of citizens have prevailed upon me to answer a letter which has been circulated by Richard Donaldson. I might well be neglectful of my duty to our community to allow the letter to go unchallenged.

The letter is very misleading by the ommission as well as by unfounded claims. Obviously to fulfill the promises held out in the letter, and not have to raise taxes, would be impossible, unless there is some unstated sizable donation to the general fund, the donation would have to extend over a long period of years.

Files in the City Hall, and correspondence, no doubt on file in Lansing Michigan Department of Aeronautics, will show that in 1957 and 1958 the preliminary plans for the airport expansion were decided. This was long before Donaldson was a member of The City Council. For any one person to attempt to take major credit for the painstaking work of many persons that has been put into the planning, deliberation, and negotiation of the airport project, to put it very very mildly, is downright disgusting.

I particularly want to straighten out statements made concerning the Electric Utility, as it is here that the attempt to mislead is most revolting. The Council record shows that on May 23, 1961, a move to adopt Consumers power Co. rates was rejected, Donaldson voted no, and a yes vote by Donaldson would have carried the motion. The record truth is that as late as May 23, 1961 Donaldson refused to adopt the fairest, most intelligent electric rate for this area that anyone could possibly find. Instead of lowering electric rates Donaldson's recommendation was to sell out the Electric Utility to Consumers Power Co. His recommendation, if acted on, would have caused the loss to the People of the City of Charlevoix $50,000 per year. Donaldson's recommendation was to short the People of Charlevoix over one Million dollars in the next twenty years. Whatever his motive it certainly was not the best interest of our community.

A move to lower, arbitrarily, the residential rates in 1960, was an attempt unique in the annals of government. The executive responsibilty of The City rests with the Mayor, at that time Mr. Hiller. The staff responsibilty and authority in the question rested with the chairman of the finance committee, at that time Mr. Hawley. Both were absent from the meeting. After recovering from the first shock, at this attempt to sneak through a measure in the absence of the officials primarily responsible for the results of it I pointed out that the rates should be adjusted in their entirety, and that low cost power was necessary to make this feasible, and pointed out that the motion was not proper before a partial Council. Donaldson insisted on a vote. Thanks to other councilmen present, who had more respect and understanding of the meaning of representative government, the motion was rejected.

I am a strong supporter of our great country and its form of government. The actions of a representative government are actually the actions of the people. The accomplishments of the City of Charlevoix are the results of all the people acting together. I have every confidence the Citizens of Charlevoix will strongly resist any effort toward a one man show.

I want to make it very clear that this letter is entirely my own, that no one has been consulted in any part of it, or aware of it prior to handing it to the press. It is an unpleasant task performed out of a sense of duty to the Citizens of Charlevoix, whom it has been my pleasure to have served as third ward alderman for nearly five years.

Edward P. Hansen

Letter to the Editor;

An item in last week's paper (Feb 8, '62) indicated that an individual in the race for mayor in Charlevoix was not "big" enough for the job.

I would like to set the picture right and inform the writer of this specific article that if he would take the time to attend some of the city council meetings he would soon know that the individual talked about is more than "big" enough for the job, and has already proven it.

The senior alderman from the second ward was the prime force behind the recent study of Charlevoix's electric system, and he actually wrote up and constructed the new electric rate schedule which is now in effect . . . and which will result in savings of $50,000 for the people of Charlevoix during the first year of operation. This individual had promised during the previous council election that he would lower the electric rates and this is just what he did (Many people told both second ward aldermen that a rate reduction was certainly justified, but they didn't think that it would come about). So one of the biggest promises that could be made was made and actually was accomplished. This is progress and it took a "big" man to do the job.

The second ward candidate for mayor has promised several important new projects to be undertaken this year, and he does have the plans so set up that no new tax money will be needed....In fact, why should additional tax money be needed when we already have sufficient funds in the bank? We have plenty of money available right now to do these jobs.

In the same edition of the Courier an editorial indicated that the voters should not make a change at this time as it might effect the progress of which-ever programs the present administration has now started.... but, the editor fails to understand, thru lack of information (the editor very seldom ever attends the council meetings) that the same second ward alderman has been responsible for most of the progressive proposals that the council has entertained the past two years. You can prove this statement by merely checking the records of the common council of Charlevoix.

In short, the leadership that has been exercised has come from the experienced and capable alderman from Ward Two . . Mr. Richard Donaldson, the man that was obviously referred to in the two articles that are mentioned above. Lets give credit where credit is due.

Sincerely,
Ken Staley
Junior Alderman from the 2nd ward.

PTA Schedule Annual Fair

Innitial plans for the annual Charlevoix P.T.A. Fair have been announced by Mrs. J. F. Feindt, P.T.A. president who will also serve as general chairman of the Fair.

The event will be held at the Charlevoix Elementary school gymnasium Saturday, March 3. Preceeds from the event will be used to underwrite the cost of new equipment for use in the public schools.

This year sixth grade students will sell Fair tickets prior to the event. The boy and girl who sell the most tickets will be crowned King and Queen of the Fair at a special coronation ceremony early in the evening of the Fair.

Mrs. Robert Gill has been named purchasing chairman; Mrs. Maurice Dixon, finance chairman; Mrs. Robert Hamilton, booth chairman and Mrs. Jerome D. Lescoe, P.T.A. booth chairman. Donations of baked goods or other items for re-sale will be accepted for the P.T.A. booth. They may be left at the Charlevoix Abstract & Enginnering Co. office or Mrs. Lescoe will pick them up.

Elementary school grades will operate the following booths: Kindergarten, penny pitch; Mrs. Snider's first grade, fish pond; Mrs. Bleha's first grade, white elephant sale; Mrs. Moeller's first grade, ring toss; The three second grades taught by Miss Milner, Mrs. Smith and Mrs. Coleman will be in charge of the grab-bag booth; the third grades taught by Mrs. Novotny, Mrs. Rice, Mrs. Lynch and Mrs. Herron will have a game. "Ring that Thing"; the fourth grade taught by Mrs. Paul and Miss Roberts are collecting old books of all kinds including comic books and records for re-sale; the fifth grades taught by Mrs. Richards and Mrs. Klooster will sell pink lemonade. Fair tickets will be sold by the sixth grades taught by Mr. Snider and Mr. Tuomela.

Other groups who have already offered to assist with the Fair by various means are the Boy Scouts, Girl Scouts, Lions Club, and the JayCees.

Persons with contributions for any of the booths may leave them at the various classrooms, at the elementary or high school or the Charlevoix Abstract & Engineering office. Mark the parcels and they will be forwarded to the proper class or to the P.T.A. Executive committee, teachers and room mothers.

Educators Meet at Higgins Lake

The annual winter conference of the Northern Michigan Association of Charlevoix Boards of Education was held at the Michigan Conservation Department Training School at Higgins Lake recently.

Attending from Charlevoix were Charles A. Robinson, Charlevoix county Superintendent of Schools, and William Parsons, a member of the county board of education.

George Wheeler of Central Central Michigan University, an authority on Michigan's natural resources, was the principal speaker at the conference which was devoted to conservation of natural resources. His topic was "The Schools' Responsibilities in Resource Management".

Einer Olstrum, a native of Charlevoix county who is now a Michigan State University Supervisor, addressed the group on the subject of "Extension Service Problems in Educating People in the Conservation of Michigan's Natural Resources".

Max Cochran, Legislative consultant of the Department of Public Instruction, spoke on the subjects of "Current School Legislation" and "Current Constitutional Convention Consideration on Educatio". He poited out that 58,000 new students enrolled in Michigan's public schools this fall, 8,000 more than anticipated. The annual increases in enrollmet contributelargelv to increasing the total costs in the amount of Education". He pointed out that the state's obligation in full, he said.

Butane boils and bubbles even though beaker is filled with ice cubes. It is rapidly turning into vapor—the way boiling water turns into steam. Butane's ability to vaporize at low temperatures helps Super Shell gasoline give you quick starts in cold weather.

One of Super Shell's 9 ingredients can boil on ice. Helps your car start fast for top performance on coldest days.

Even in zero weather, a car in good mechanical condition should start in 3 or 4 seconds.

If it doesn't, could be that your gasoline isn't vaporizing fast enough. Winter can have that effect on gasoline.

Shell scientists take care of this problem by including an ingredient called *Butane* in Super Shell's 9-ingredient formula.

Butane can hardly wait to vaporize. It will even boil *on ice* and turn to vapor *(see picture above)*. Fast vaporization, fast starts. It's that simple.

Note: in very cold weather, Super Shell gets an extra dose of Butane.

Quick-starting Butane is only one of Super Shell's cold-weather ingredients. There are three in all. Read how the other two can also help you when winter's doing its worst.

Pentane mix—for fast warm-ups

The Pentane mix in Super Shell's winter blend helps speed the "warm-up" process inside your engine. Pentane mix works like kindling in a log fire. It ignites easily—gets everything going faster.

"Anti-icer" fights icing stalls

The third cold-weather ingredient in Super Shell's winter blend is an anti-icer.

Its job is to fight carburetor icing. This phenomenon can lead to sudden stalls when you least expect them.

Shell's "anti-icer" coats vital carburetor parts with a very thin chemical film. This film discourages critical ice buildup and cuts your chances of icing stalls.

How Super Shell's other ingredients help you get top performance

Now you know about three of the nine ingredients in today's Super Shell. Here's how the others help to give your car top *performance.*

TCP* additive helps restore the power that combustion deposits can take away.

"Cat-cracked" gasoline is for smooth, even power with a purr.

Alkylate helps control "high-speed knock."

Gum preventive helps keep carburetors clean inside.

Anti-knock mix gives extra resistance to knock.

Platformate is for extra mileage.

P.S. When you drive in for a tankful of Super Shell, ask your Shell dealer to check your anti-freeze. It's a small precaution, but it could save you a lot of trouble.

SHELL

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

Williard J. Smith Nominated For Rear Admiral by President

The nomination of Captian Williard J. Smith, Chief of Operations for the 13th Coast Guard District with headquarters in Seattle, Wash., to the rank of Rear Admiral has been made by President J. F. Kennedy.

The nomination now goes to the Senate for confirmation.

Capt. Smith, son of Mrs. Oscar Smith of this city and the late Captain Smith, has been Chief of Operations since July 1960. His previous assignment prior to going to Seattle was as Commandant of Cadets at the U. S. Coast Guard Academy, New London, Conn.

A native of Suttons Bay, Michigan, Capt Smith received his early education at the Charlevoix high school and attended the University of Michigan for two years before entering the Coast Guard Academy in 1930. He was graduated in 1933.

After early duty aboard a cutter and as an aide to the Coast Guard's Commandant, he was assigned to flight training at Pensacola, Fla. He was designated an aviator in June 1940.

His first aviation assignment was in connection with the construction and commissioning of the Coast Guard Air Station at San Francisco where he remained until 1944. He then was transferred to Washington to again serve as Aide to the Commandant.

In 1946 he returned to Michigan to command the Air Station at Traverse City. Then followed another tour of duty in Washington, D. C. and a course of istruction at the Armed Forces Staff College at Norfolk.

In April 1951, he was named commanding officer of the Coast Guard Depot at Guam with collateral duty as Commander, Western Pacific Section. In 1952 he returned to Michigan, this time to take command of the heavy-duty icebreaker, Mackinaw, a cutter specially built for ice-breaking on the Great Lakes, based at Cheboygan.

Then followed a three year tour of duty at Coast Guard Headquarters as Chief, Administrative Management Division.

Capt. and Mrs. Smith, the former Harriet A. Lary of Los Angeles, are the parents of a daughter, Mary, 18, and a son, Jeffrey, 16, both students at Bellevue, Wash., high school. The family lives at 204 109th S.E. in Bellevue, Wash.

OUT-DATED—but who knows it!

Like an old car, your insurance program can become outdated, too. But while an old car *shows* its obsolescence, it takes study and review to uncover out-dated insurance. Does your program incorporate the many recent insurance improvements which make possible superior, more economical protection? If not, you'll do well to see us for a complete protection review.

Name Charlevoix Award Winners In District Music Festival

Mort than 300 young musicians from 13 northern Michigan high schools were in Charlevoix Saturday to participate in the annual District II Solo and Ensemble Festival at the new Charlevoix high school.

Charlevoix entries in the festival totaled 24, the largest entry list of any school. The local groups received 12 top ratings, 11 second division ratings and one third division rating. The 12 first division ratings won by Charlevoix was the largest number of the coveted ratings won by any school: East Jordan with 14 entries took eight blue ribbons and Boyne City with 10 entries won seven firsts.

Among the Charlevoix entries receiving the highest award were: Senior High clarinet duet, Barbara Sugden and Judy Walker; Sr. High flute duet, Marcia McCall and Roberta Hiller; Sr. High oboe solo, Richard Odmark; Sr. High oboe bassoon duet, Connie Saltonstall and Richard Odmark; Junior High clarinet duet, Warren Belding and Patrcia Munchback; Jr. High clarinet duet, David Smith and Sherrel Pearsall; Jr. High clarinet trio, Nancy Snider, Mary Ann Cummings and Barbara Dohm; Sr. High French Horn solo, Robert Odmark; Sr. High cornet solo, George Majors; Sr. High bass solo, Gary Stutzman: Sr. High brass sextet, Ted Tunison, Joan Riley, Robert Odmark, Bruce Kroken, Steve Kroll and Gary Stutzman ;Jr. High alto saxophone duet, Patti Penn and Gail Allison.

Those groups receiving a II rating (a good performance with minor deficiences which kept them from a top rating) were:

Junior High quartet, Janice Vanderberg, Virginia Gregory, Nancy Novak, Linda Campfield; Sr. High clarinet quartet, Linda Neff, Ruth Schofield, Martha Coleman, Ruth Ann Miller; Sr. High clarinet quartet, Barbara Sugden, Judy Walker, Steven Bergmann, Jim Stewart; Sr. High clarinet duet, Linda Neff and Ruth Schofield; Sr. High clarinet solo, John Ochs; Jr. High clarinet duet, Robert Bergmann and Gilbert Arnold; Sr. High trombone solo, Allan Bolhuis; Sr. High Alto saxophone duet, Judy Ikens and Terry Nielsen; Sr. High tenor saxophone duet, Sharon Wood and Charles Mort.

A Senior High cornet trio composed of Ben Cunningham, David Parsons and Harold Smith received a III rating, a fair performance but with definite promise for the future. All three boys are sophomores and were entered in the Senior high division for the first time.

C. A. Odmark, as festival chairman, reported that the festival was most successful but only because so many people combined their efforts to make it so. He mentioned particularly the administration and faculty of the high school who provided the necessary supervision; members of the high school band who worked all day to help stage the area event; the local chapter of Future Homemakers of America who provided a snack bar for participants and a luncheon for judges and visiting directors and members of the custodial staff at the high school who helped arrange the rooms and return them to proper order at the conclusion of the festival. Without the cooperation of all these people such a festival is not possible, Mr. Odmark concluded.

Ski enthusiasts from Chicago, Detroit and Toledo decended on Charlevoix 280 strong last weekend to enjoy the many slopes in the immediate vicinity.

Weathervane Motor Lodge and Holiday Terrace were packed to capacity and Saturday night more than 200 raided the buffet supper served at the Holiday Terrace dining room. Among the clubs here the past weekend were the Illinois Water Ski Club, Chicago area; Waukegan Ski Club, Illinois, Goebels Ski Club of Detroit; Allouette Ski Club of Chicago and a number of groups of skiers from the Toledo area. Pictured above is only the beginning of the rush for food at the buffet supper.

The group enjoyed a cooperative dinner complete with a lighted birthday cake. Games and a social hour followed the dinner.

Is City Government A One Man Job?

Contrary to the belief of some people, Mayor Hawley realizes that progressive City Government is not the result of a one man operation, but arises from the cooperative efforts of six City Councilmen working together under the leadership of a capable and responsible Mayor. As evidence of this, let's look at the record of the past and the outlook for the future.

What has been done during this past year?

This has been a busy year for city officials. Many projects planned in earlier years have been completed, and new projects have been put into motion. Here are some of the accomplishments:

1. Harbor improvements have been completed and plans made for the future, with financial assistance from the Michigan Waterways Commission.
2. Final plans have been prepared for airport improvements and the necessary land acquired. Further action awaits Federal approval.
3. Underground wiring has been installed across East Park, adding to the scenic beauty of the City.
4. A new city garage and golf clubhouse have been constructed. Both of these additions have been fully paid for from existing City monies.
5. A study of the Municipal Electric System by competent professional engineers was completed. The City has taken the first steps to follow their recommendations for the purchase of electric power and for other improvements to better service customers.
6. A program of improved snow and ice removal has been initiated, and its results are evident.
7. The boat launching area was cleaned up and further improvements are planned.
8. Negotiations are in process to acquire a site for a sanitary land fill.
9. New fire equipment has been purchased and street improvements have been made.
10. One new industry was acquired for the area, and an existing industry retained.

What Is the Outlook for the Future?

Continued progressive City Government, under the leadership of Mayor Hawley, will insure the above programs will be carried to efficient completion. In addition, the following programs are under discussion by the present City Government:

1. Tax reduction for the people of Charlevoix.
2. Improved lighting for Bridge Street.
3. A sensible solution for the maintenance of the Charlevoix Public Library.

Comm. Church of God To Serve Annual Fish Dinner Feb. 21

The Community Church of God will hold its annual fish dinner at Fellowship hall beginning at 5 p.m. Wednesday, according to Miss Delora Richardson, general chairman of the event.

The fresh fish, donated by Capt. John Roen of Sturgeon Bay, Wis., will be the feature of the dinner which will also include potatoes, a vegetable, salad, rolls, beverage and a choice of lemon or cherry pie for dessert.

Mrs. Crayton Kerr will be in charge of the dining room and Mrs. Cass Russell the kitchen.

Baptists to Hear Rev. James Burgess

The Rev. James Burgess, director of Rural and Urban churches of the Michigan Baptist convention, will be the guest speaker at the First Baptist church here at 7:30 p.m. service Sunday, the Rev. L. L. Lewis, pastor of the church, has announced.

Members are urged to attend and hear Rev. Burgess.

Local Organ Club To Fete Joe Hanna

Joe Hanna of Petoskey, widely known organist, will be a guest at the regular meeting of the Charlevoix area chapter of the Hammond Organ Club to be held at the home of Mr. and Mrs. Walker Miles on Thursday, Feb. 22. The meeting is scheduled for 8 p.m.

I See By the Courier

C. M Bice, who had been a patient at the Charlevoix hospital since early December, left Friday for Detroit where he entered the Rehabiltiation Institute. He was accompanied by Mrs. Bice who will be with her son-in-law and daughter, Mr. and Mrs. James Capolongo.

Miss Katherine Fitch left Sunday on a shopping trip in New York for the Polly Kay shop. She plans to be gone about two weeks.

Mr. and Mrs. George Bergmann have accepted positions as caretakers at Price Brothers lodge of Pickerel Lake east of Petoskey and left Monday to assume their new positions.

Mr. and Mrs. Howard Stephens are making their home in Allegan.

Mr. and Mrs. Ray L. Kipkc spent the weekend in Lansing with his sister, Mrs. Lena Malony, and other relatives.

Justice Court News

Justice John J. Connolly reports the following cases which appeared in his court recently:

Thomas E. Gardner of Detroit, charged with issuing three insufficient funds checks, was ordered to make resitution in the amount of $30 and pay costs of $30. Summonses were issued on a citizen's complaint and by the State Police.

Peter Winnick Jr., 28, charged with reckless driving, was ordered to pay $10 fine and $4:30 costs. Summons was issued by the State Police.

Richard Levin, 35, of Great Lakes, Ill., charged with having no operator's license on his person and with speeding, forfeited bonds of $5.00 and $10, respectively, on the two charges. Summonses were issued by the State Police.

Charged with speeding, the amounts of the fines and costs and the arresting law enforcement agency follow: Lewis M. Flood, 63, of Duluth, Minn., $10 bond forfeited, State Police; Lawrence C. Wallace, 32 ,$15 fine and $4.30 costs, City Police; Marilyn R. MacKenzie, 22, of Bloomfield Hills, $5.00 fine and $4.30 costs, State Police; Lester Kaplan, 51, of Toledo, $10 bond forfeited, State Police.

Plan Real Estate Development on Beaver Island

Plans for a real estate development on Beaver Island to be known as the Island Club Woods were made known this week.

The project will be located on 800 acres of wooded property in the Donegal Bay area owned by Henry Allen of St James and Ann Arbor. The area will be plotted into half-acre lots which will be offered for sale to club members. Plans also call for the construction of a clubhouse, heated swimming pool, riding stables and trails and airstrips for use by club members.

KITCHEN TALK

Meringue: Use whites separated from yolks (3) beat to soft peak stage with ⅛ tsp. salt. Gradually beat in 8 tblsp. granulated sugar until stiff peaks. Fluff Meringue on pie, make sure meringue is brought up to crust, to prevent pulling away.

FRESH LEMON MERINGUE PIE

Make pastry for one-crust pie, per instructions on IGA Package. While crust cools, prepare following recipe:

Combine 1 cup sugar, ⅓ cup cornstarch, ⅛ tsp. salt and blend in ¼ cup cold water in saucepan. Gradually add 1¼ cup hot water, stirring constantly over low heat until thickened. Add ½ cup fresh lemon juice and 2 tblsp. grated rind, stir and cook 2 more minutes. Blend a little hot mixture into 3 slightly beaten egg yolks then gradually add yolks to hot mixture and cook 2 more minutes. Blend in 2 tbsp. TableRite Butter, cool, pour into baked pie shell. Top with Meringue, brown in 375° F. oven 12 to 15 min.

Con Con Report

Lansing—Slowly, through a forest of controversy, the Committee on Local Government was finding its way toward settlement of the complexities and interplay of counties, townships, villages and cities — in other words, local government.

Even the subsidiary issues were difficult and involved.

These included a reformation of annexation procedures and a Constitutional provision granting counties of more than a million population the right to set up their own merit employment systems.

Voted down by the committee was a proposal to allow counties, if they wished, to set up a post of county assessor, replacing the multiple township assessors.

The debate brought an angry charge from Martin W. Baginski assessor, that the state's "unhealthy business climate" was caused by greedy tax practices of small cities and townships with big industry in their area.

The Civil Service proposal, as passed, was presented at the request of Peter L. Buback, (D-Detroit) a chief Wayne County deputy clerk.

Wayne County now has Civil Service for its 7,000 employees, but Buback explained, "We want a firm foundation for it, the same as the state Civil Service. Our merit system exists at the will of the Legislature, and some peculiar things have happened."

Civil Service status was quietly lifted off the Wayne County Sheriff's office in June, 1961, Buback explained. "Nobody knew about it at the time," he said. "It was just slipped through as an amendment."

The first Civil Service proposal set no population limit, but its sponsors emphasized that it was "entirely permissive," and would go into effect only after the Board of Supervisors had ordered it on the ballot and a majority of voters had approved it. Either voters or supervisors could kill it.

However, some rural delegates objected, explaining that while Civil Service did not work well in small counties employees would insist anyway. William C. Gover (R-Sheridan) first proposed a 350,000 population limit, then dropped it to 250,000 to include counties like Kent and Genesee.

Neither figure was satisfactory to other delegates, and a compromise was set at one million, limiting Civil Service to Wayne County. Delegates, however, predicted that if other urban counties asked for it, the population limit later would be lowered. lowered.

Committee members said one of the most complex issues they have handled so far was that of annexation. Present procedures, which were set by the Legislature many years ago, they generally agreed, are inefficient and unwieldy.

No annexation petition can be checked to see if it is reasonalbe or proper; if it is legal it has to go on the ballot in the order in which it is presented. Many times multiple annexation propositions in a single election cancel each other out, delegates said.

The committee tentatively voted to give a special court power to review annexation petitions for reasonableness and to eliminate tax grabs before they can go on the ballot. The provision limits a confirming election to annexing the city and the area involved; the township losing an area can not vote.

Annexation is the focal point of a bitter conflict of interest between center, or core, cities and adjacent townships, delegates said. Core cities generally need more and more land as their tax bases grow smaller as real estate ages and land uses change. Annexation, especialy of undeveloped land, is generally cheaper than land clarence for new industry and housing developments.

But usually people in adjoining townships don't want to be annexed, the delegates were told. Generally, township taxes are lower, some times much lower. With modern technology, ranging from septic tanks to high pressure deep-well pumps, many township dwellers enjoy the best of country and city living. They are not eager for a change, nor for living on the paved, curbed city street that usually comes—often with an assessment—soon after annexation.

It isn't enough to learn the tricks of the trade. You must learn the trade.

Conservation Dep't. Pays County $8,009

Charlevoix county recently received $8,009.13 from the Conservation Department as its 1901 payment in lieu of taxes for 52,394 acres of state land in the county.

The money will be distributed by the county to its school districts and townships accordng to their acreage of state conservation lands.

For Charlevoix county, the Department's general fund monies contributed $3,023.82 while 4,985 31 was paid by hunting and fishing license fees.

Americans give to churches and charities at least 17 billion a year or roughly 4 to 6 per cent of their income, Michigan University research center reports.

Charlevoix Bows to Rams 59 to 50

Rayders Outscored In Final Quarter Of Game of the Week

A fourth quarter in which they were outscored 15 to 3 spelled the difference between victory and defeat for the Charlevoix Rayders in their meeting with a hard fighting Harbor Springs outfit Friday night. The Rayders lost to the Rams by a score of 59 to 50.

The Rayders had trailed the Rams 15 to 12 at the quarter but came back to take a 28 to 27 halftime advantage after outscoring their hosts 16 to 12 going into the second half.

The Charlevoixans continued to maintain the initiative in the game as they dumped in 19 points to 17 for Harbor Springs for a 47 to 44 lead going into the final period.

The Rayders lost George Majors via the foul route, early in the final period, thus losing a height advantage under the basket. About two minutes later guard Stan Martin went to the bench with five fouls midway in the period and the Rayders, who had an excellent third period cooled off as the Rams grabbed the offensive attack to dump in 15 points for the victory.

Harbor Springs scored 22 field goals and 15 of 24 free throws while drawing 17 personal fouls. The Rams lost Frank Lauer with five fouls late in the final period.

Charlevoix had 20 field goals, 10 of 19 free throws and 21 personal fouls.

Paul Ranney with 24 points was high point man for the Rams. He was followed by Gary Stutsman who had 13.

John Pearl had 12 points for Charlevoix, followed by Dan Pearl with 11; Martin with 9; Frank Curtis and Bruce Murray with six each; Majors with four and Tony Duerr with two. Henry Wagner, Dave Rader and Dwight Boss also saw action.

Last Week With Class C

An outbreak of flu in both the Boyne City and East Jordan schools late last week forced postponement of two of the four Northern Michigan Class C games scheduled to be played Friday night.

As a result only two scores are available, the Mancelona-Gaylord score with Mancelona on the winning end, 44 to 41 and the Harbor Springs-Charlevoix score which shows that the Rams were victors by a 59-50 margin.

Playing at Gaylord, the Gaylord Blue Devils jumped into a 122 to 8 first period lead only to be outscored 21 to 10 as Mancelona took the lead at halftime 20 to 22.

In the third period the Ironmen continued to control the game to hold a 41 to 27 advantage going into the final period.

Kenny Johnson with 13 points was top scorer for the victors. Gabby Nowak had 12 for Gaylord.

Little Rayders Edge Rams 59-57

Charlevoix's Little Rayders had to come from behind in their game with Harbor Springs Friday night to keep on the victory trail.

After trailing their hosts for three periods, they started to hit and outscored the young Rams 14 to 8 for a two point 59 to 57 victory.

Harbor Springs jumped into a 15 to 9 first period lead, remained ahead 32 to 28 at halftime and 49 to 45 going into the final period before the local quintet dumped in six field goals and three free throws for the winning margin.

Gary Stutzman with 20 points led the Rayders scoring attack followed by Jim Uhrick with 13; Pete Ance with 11; Rick Miller, 8; Jack Uhriek, 5; Brenden LaBlance, 2. Dave Smith and Bruce Kroken also played.

George Lauer had 22 points for the young Rams.

CHARLEVOIX PUBLIC SCHOOLS

SPECIAL MEETING OF SCHOOL BOARD

January 18, 1962

Present: Dinwiddie, Martinchek, Al Smith, C. Smith, Lieberman, Blanchard and Bennett, Supt. Absent: Martin.

The purpose of the meeting was for informal discussion of the Reports of Committees on the proposed Central Lake-Ellsworth-Charlevoix consolidation. Points in question were: Population figures—all three districts; method of equalizing — all three districts; data on cost of becoming a Registration District; and whether a merger proposal should contain a building proposal.

Also discussed was the possibility of levying millage for operation of the Public Library.

Mr. Bennett reported on a TV educational program for classes in early elementary art, elementary science, and later elementary art, as presented by C.M.U. Classes are scheduled for seventeen weeks, beginning January 29 and ending May 22, over WWTV Channel 13 Cadillac. The general feeling was that a trial should be made of the use of this program.

The meeting adjourned.

BURR BLANCHARD, SECRETARY

MINUTES OF SCHOOL BOARD MEETING

January 22, 1962

Present: Martin, Dinwiddie, C. Smith, Lieberman, Al Smith, Blanchard, Martinchek and Bennett, Supt. Absent: None.

The meeting was called to order at 8:18 p.m. Minutes of the meeting of January 8 were read and approved.

It was moved by Al Smith, supported by Martin, that bills in the amount of $1,374.15, payable from General Fund, be approved and ordered paid. Motion carried: 7-0.

The Superintendents and Boards of Education of Ellsworth and Central Lake met with the Charlevoix Board and the meeting was given over completely to a discussion of the consolidation study and procedures now to be followed. Among the serious questions that presented themselves were: Transportation, curriculum, taxing practices with particular emphasis on assessments, the proper election procedure, the place of a Board of Education when districts consolidate, and the method of electing a new Board of Education; building needs that would present themselves, further budget requirements, and tax requirements, for capital outlay.

Tentative agreement was made on the following: 1st. An attorney to be asked to plan the election. 2nd. A comparison of the assessments of the two counties, through spot check by capable persons. 3rd. That the proposal be presented in each of the three districts if further study confirms what has been discussed at this meeting. 4th. That the attorney decide if the dates of the elections in the three districts should be the same day and whether the proposed four propositions can be voted on at the same election as follows: a. consolidation. b. building additional rooms. c. operational millage. d. assumption of debts of all three districts by the entire district.

Much consideration was given to the need of properly publicizing the data so that everyone in all three districts would know the complete details of the program A further question was brought to the attention of the Boards, to be referred to the attorney, which was whether the election would be mandatory after the resolutions were presented to the State Department of Public Instruction.

At this time a recess was called for coffee, from which the Boards of Ellsworth and Central Lake took their departure.

On reconvening the first question was the presentation by a visiting delegation of the problem of closing school when buses cannot make their complete trips. Considerable discussion followed with the following conclusions: That radio broadcasts from Petoskey do not reach nearly all the people concerned and that consequently several hundred would arrive at school in spite of the announcement of closing. That when the majority precentage of students are present it is better to have school in session. That teachers make every possible effort to permit no students to be penalized because of forced absence.

The question of a check list of policies, from the professional problems committee, was postponed to a future meeting.

The meeting adjourned at 12 midnight.

BURR BLANCHARD, SECRETARY

SPECIAL MEETING OF SCHOOL BOARD

January 29, 1962

Present: Dinwiddie, Martin, Blanchard Martinchek and Bennett, Supt. Absent: Lieberman, C. Smith and Al Smith.

This special meeting was held with members of the Boards of Education of Ellsworth and Central Lake in attendance.

The problem discussed was presentation of the consolidation project that has been studied for the past year, and whether a resolution should be passed to present it for popular vote.

Among the problems discussed were: Qualifications for electors on both the proposition for consolidation and for assumption of debts. The possibility of voting a building fund for six rooms at the same time of the consolidation election.

On conference by telephone with Mr. and Mrs. Thrun, attorneys at Lansing, the decision was that tax paying electors only were qualified to vote on the assumption of the qualified bonds for the $995,000 Bond Issue of the Charlevoix Public Schools, and all electors were qualified to vote on the assumption of the unqualified Banks Township School District bond issue. Also, that all electors were qualified to vote on consolidation; that it would not be possible to vote on a bond issue or building and site sinking fund at the same election as that for consolidation, nor for operating millage.

A final decision by all three Boards was to make a final decision at their next regular Board meeting, as to the presentation of the consolidation to the electors of each district, same to be by Resolution to be presented to the County Superintendent of Schools.

The meeting adjourned at 10 p.m.

Girl Scout Council To Hear Regional V11 Chairman Monday

Mrs. James A. Kennedy, regional chairman for Girl Scout Region VII, Great Lakes Region, will be in Charlevoix Monday to speak to the Charlevoix Girl Scout Council and other adults interested in the scouting program on the organization of a Girl Scout Council.

Mrs. Kennedy will appear at the First Congregational church at 8 p.m. Monday to speak on the various aspects to be considered in the organization of an area council.

Her appearance here follows a year's study by a committee to determine how the Girl Scout program would benefit by the organization of a Girl Scout Council that might serve 11 northwestern Michigan counties including Emmet, Charlevoix, Antrim, Kalkaska, Grand Traverse, Benzie, Manistee, Wexford, Leelaneau, Missaukee and Mason counties.

A report made public reveals the following information and conclusions regarding the proposed council: that scouting would be made available to more girls in the 11 county area where 3,000 Girl Scouts are now registered. Within the first year the new council expects to serve up to 300 more girls, both in areas where Scouts are now organized and in new areas; camping for all girls who want it at 10 day camps, troop camps located at Traverse City, Charlevoix, Petoskey and Manistee and regular sessions at an established camp with a trained director and staff; a training program for all adults in the various phases of scouting; richer experience for girls through exchange of troop visits and competition on a larger scale; additional services for leaders including an office to handle registrations and other business; community backing with trained speakers to talk before groups and other assistance by trained personnel; professional guidance by an executive director, district advisers and a camp director; a chance to work with 11 area groups to discuss problems and to be a part of a council where more and better services could be made available.

Under the program all Girl Scouts workers could pool their information and resources and as a result have a strong Girl Scout program.

The council would be financed through the Community Chests in the communities belonging to it.

All interested adults in the community including organization representatives and council members are urged to attend this important meeting at which the future of the Girl Scout program in Charlevoix will be discussed.

Retired Civilian Keeper Issued Gallatin Award

Allen Cain, civilian keeper with the U.S. Coast Guard, retired recently after 33½ years in the service.

His last official duty assignment prior to his retirement was at the Alpena light station, a part of Coast Guard Group Charlevoix, a position he held for the past 10 years.

Upon his retirement, Mr. Cain was issued a letter of commendation from G. H. Miller, Rear Admiral, U.S. Coast Guard, commander of the Ninth Coast Guard District, Cleveland, Ohio, and was issued the Albert Gallatin award by the Secretary of the Treasury.

The Gallatin award was named for the famed Albert Gallatin, first secretary of the Treasury. It is one of the highest awards bestowed a civilian keeper upon retirement. A firm believer in the essential soundness of the government and its finances, Gallatin was also prominent in the business world and was the founder of New York University and the American Ethnological Society.

Mr. Cain will continue to make his home in Northport during the summer. This winter he and Mrs. Cain are in Florida.

An Editorial

Not For Sale!

Space for neither editorials nor news propaganda is for sale in the Charlevoix Courier. We do sell advertising space that conforms to acceptable advertising practices and the policy of the newspaper.

The Courier attempts to conform to the policy of a free press as provided in the Constitution of the United States.

Our interpretation of a free press means that we will not knowingly or intentionally slant our news coverage to benefit one group or individual at the expense of another group or individual. The Courier has always co-operated in publicizing and promoting all projects of benefit to the community. This, however, has always been independent of any advertising revenue that might be forthcoming. It's a Courier contribution at Courier expense.

Editorials are of a different nature. They are solely the views of the editor. To disagree with them is as logical as disagreeing with the persons who believe basketball is the only sport when you are convinced it is baseball. And again we repeat, editorial space is not for sale. Readers are not expected to accept an editor's views as gospel any more than they are to accept as gospel the thinking of those who submit letters for publication. Constructive letters are alway welcome.

Here again the Courier aims to be impartial in printing "Letters to the Editor". Publication of these letters can not be purchased. The Courier does, however, reserve the right to limit such letters to 200 words and to refuse any letters deemed slanderous or libelous. Accepted letters are published as written by the author, except to attempt to correct spelling, punctuation and grammatical construction that we believe will not change the views of the writer.

Feature columns, too, are often interpreted as being the policy of a newspaper. Let's make this point clear. Such columns that appear in the Courier are not necessarily representing the views of this newspaper. They are accepted or rejected on the same basis as letters to the editor. They are not, however, slanted to present the editor's views. They are run as is or rejected. Space for such columns cannot be purchased.

A final point should be made clear. Charlevoix Courier, Inc. is owned by 16 stockholders. Never once from the day the Courier was first published by this corporation has any stockholder ever questioned or suggested what should or should not appear in the Courier.

Dr. James R. Bushong to Speak At County Teachers Institute

Charlevoix will be host Friday to the annual Charlevoix County Teachers Institute.

The one-day conference will be held at the new Charlevoix high school beginning at 9:30 a.m. and continuing until 3 p.m. according to Charles A. Robinson, county superintendent of schools, who is general chairman of the annual event.

Dr. James R. Bushong, Superintendent of the Grosse Pointe schools and widely known educator, will be the guest speaker at the Institute. His address will be entitled "The Wall in the Russian Mind".

Dr Bushong's address will deal with his observation made during a recent tour of central and eastern Europe as a member of a party of school administrators on a field trip sponsored by the American Association of School Administrators, the National Education Association and other educational organizations.

During the month long tour the group visitel schools in Copenhagen, Denmark, Helsinki, Finland, Warsaw, Poland and Berlin, Germany and several Soviet cities includng Leningrad, Moscow, Tbilisi and Kiev. They also viewed boarding schools, 10-year schools, universities, the Palace of Young Pioneers and the Academy of Pedagogical Science.

Dr. Bushong, who has been Superintendent of the Grosse Pointe schools since 1951, will address the general session of the institute at 1:45 p. m. Friday.

Earlier in the day, John Hodge of Petoskey, District Extension Agent for Community Resource Development will speak on the subject "My Inheritance" beginning at 10:20 a.m. He will be followed by Richard Adams of Lansing, Legislative Consultant, Michigan Education Association, who will speak on the Constitutional Convention and Legislation.

Mr. Robinson will preside at the opening session.

The Rev. George L. Majors of the Charlevoix Community Church of God will give the invocation. Special music for the opening session will be by the Charlevoix high school band directed by C.A. Odmark.

The Charlevoix chapter of the M.E.A. will host the coffee hour and registration beginning at 9:30 a.m.

Mrs. Louis Courtade of the Charlevoix high school faculty and president of the Charlevoix county chapter of the M.E.A. will preside at the M.E.A. luncheon in the cafeteria at 12:10 p. m. following an informal tour of the new high school.

All schools in the county will be closed Friday so that faculty members may attend the one-day institute.

Rayders Bow to Petoskey 44-40; JV's Win 37-31

The Charlevoix Rayders dropped their second game of the season to Petoskey Tuesday by a score of 44 to 40 on the local floor.

The Rayders trailed the visitors 12 to 5 at the quarter and 16 to 13 at halftime before outscoring the visitors 16 to 14 as the second half got underway to knot the score 29-all at the three quarter mark.

The Northmen pulled away in the final period but the Rayders came back to within two points before the Northmen wrapped up the game from the free throw line.

Lee M. Hausler, (seated right), plant superintendent of the Big Rock Point Nuclear Power Plant, and Russell B. DeWitt, assistant plant superintendent, (standing left) are briefed on the progress of construction of the $27 million installation by Jerome D. Lescoe, (seated left), construction superintendent for Consumers' Power Co., and William C. McKinley, construction superintendent for Bechtel Corporaton of Sen Francisco, which is building the plant for the Michigan power company. The briefing was held in Mr. Hausler's office which is located on the second floor of the convential building that will house administration facilities as well as the turbine-generator unit and its auxiliaries, control room, shop, warehouse and laboratories.

Key Personnel Assume Duties At Big Rock Nuclear Power Plant

With the Big Rock Point Nuclear Power Plant scheduled to begin operation later this year, key personnel who will operate the generating plant for Consumers Power Co. are assuming their duties at the plant site.

Among the first to arrive in northern Michigan are Lee M. Hausler who will serve as plant superintendent of the $27 million installation and Russell B. DeWitt who has joined Mr. Hausler as assistant plant superintendent.

In their positions they will be responsible for the operation of the Big Rock Point whose uniqueness will come from its Research and Development program to be conducted over a 4½ year period in cooperation with the General Electric Co. and the Atomic Energy Commission. They will eventually head a staff of supervisory and technical personnel numbering more than 30, most of whom are expected to be on the plant site by September.

Supplementary schooling for both included postgraduate level courses at the University of Michigan covering salient points of the Postgraduate Nuclear Engineering course leading to MS degrees; the San Jose and Vallecitos, Calif., plants of the General Electric Co. and the Taft Engineering Center, Cincinnati, O., where they were schooled in such phases of Nuclear plant operation as mechanics and theory instrumentation, radiation protection, radiochemistry and plant chemistry, the basics of radiological health and Big Rock Point technology including a complete review of the Big Rock Point design conducted by both General Electric, supplier of the nuclear steam supply system, and the Bechtel Corporation, engineer, architect and constructor of the plant.

During the same period, Mr. Hausler acquired work experience at nuclear installations including the University of Michigan, Ford Reactor, Dresden Nuclear Power Station at Morris, Ill, the Vallecitos Boiling Water Reactor and the Yankee Atomic Electric Co. at Rowe, Mass. Following this specialized training, Mr. Hausler received his Atomic Energy Commission Operator's License.

Youth Given Jail Sentence

One youth was sentenced to Southern Michigan prison, two others were placed on probation and a fourth ordered to pay court costs by Judge Charles L. Brown during a special term of Circuit Court here Wednesday.

Floyd Harrington, 20, of Petoskey and Charlevoix, was sentenced to four to 14 years in Southern Michigan prison on a charge of forgery. A second charge against him was dismissed.

Isadore Herrera Jr., 21, arrested with Harrington and also charged with forgery, was placed on two years probation, ordered to pay $100 costs and $10 fine and make restitution in the amount of $80. A second charge against him was also dismissed.

Ronald Barkley, 20, of RR Boyne City, was placed on two years probation and ordered to pay $75.00 costs and $10.00 fine. He had pleaded guilty earlier to breaking and entering in the nighttime.

Clark Rouse, 22, of Boyne City who appeared in circuit court on appeal from justice court on a charge of furnishing alcoholic beverage to a minor, pleaded guilty to the charge and was ordered to pay $25.00 costs.

Soil Conservation District Elects

William Korthase Jr. of Boyne City was re-elected chairman of the Charlevoix Soil Conservation District at a recent meeting of directors. Other officers re-elected were Franklin Cellner of Charlevoix, vice chairman; Peter Winnick of Charlevoix, treasurer; and Ed Rebman, Charlevoix county extension director, secretary.

Plans formulated for the 1962 program will include youth projects in conservation with F.F.A. and 4-H groups, according to Mr. Rebman. Assistance in conservation projects will also be given to some grade schools in the county. John Wieland of Charlevoix is director representative for youth activities.

Funeral Services Held Monday for Mrs. Maude Medsker

Mrs. Maude Medsker, 76, resident of Hayes township for many years, died Friday at Munson Hospital in Traverse City following a three months' illness.

Funeral services were held at the Winchester Funeral Home Monday with the Rev. James Lugibihl officiating. Burial was in Brookside cemetery.

Born at Grand Chain, Ill., March 27, 1885, the former Maude Lipe came to Charlevoix in 1914 and returned to Mound City, Ill., where she was married to Charles Medsker later the same year. They returned here to make their home in Hayes township. He preceded her in death in 1923. She continued to live in Hayes township until her recent illness.

Surviving are two daughters, Miss Louise Medsker of Charlevoix and Gaylord and Mrs. Ernest (Violet) Scheffler of Traverse City; a son, Edwin Medsker of RR 3, Charlevoix and six grandchildren.

E. D. "Pat" Hawley Wins Nomination on Republican Ticket

In a primary election which brought out the largest number of voters in recent years, incumbent E. D. 'Pat' Hawley won the nomination for mayor over Richard Donaldson, second ward alderman who was seeking the nomination for the city's top post.

A total 1,017 votes were cast in the election which brought out 848 votes in 1961. Mr. Hawley polled 669 while Mr. Donaldson received 329. William Carey received one vote for the office.

In a write-in campaign for an unexpired term of Justice of the Peace which expires July 3, 1963, Arthur Osborn polled 202 votes. John J. Connolly, whose present term expires on the same date in 1965, received 118 votes. Charlevoix is permitted two Justices of the Peace. Boat Company Awards Contract for Larger Beaver Isle Ferry

Directors of the Beaver Island Boat Co., last Friday authorized the purchase and construction of a new 95 foot Steel hull motor ship to be operated between Charlevoix and Beaver Island.

Officials of the Beaver Island Boat Co. have announced plans to purchase a new 95 ft. steel hull motorship to be operated between Charlevoix and Beaver Island.

The bid for the construction of the new 95 gross ton vessel, which will cost approximately $200,000 has been awarded to the Sturgen Bay Shipbuilding and Drydock Co. Delivery date has been set for June 15.

The new boat will have twin screws powered by two 500 hp. diesel engines, making it possible to cut up to one-half hour from the present 32 mile run between here and St. James harbor on the northeast side of Beaver Island which now takes 2¾ hours.

The new craft, as yet un-named will carry 150 passengers and 12 cars. One of the features of the craft will be the fact that the forward and rear decks will be bridged to provide a larger space through which to load cars, trailers and trucks.

The new motorship will replace the 65 ft. Emerald Isle which was built by the Christy Corp. of Sturgeon Bay, Wis., at a cost of $80,000 in 1955. Disposition of the Emerald Isle has not been decided at this time but it is

A Prayer For The Discouraged

O God,
Let not my spirit,
In time of disappointment
  and defeat,
Turn sour,
Like milk in
  a thunderstorm.
Keep me ever mindful
That there is
Only one real failure
  possible in this life;
And that is
To be disloyal
To the best I know.

Charlevoix Twp. Proposes Amending Zoning Ordinance

Hearings on a proposed amendment to the Charlevoix township zoning ordinance will be held at 7:30 p.m., Mar. 14 at the Charlevoix township hall, according to Kathryn B. Smith, clerk.

Purpose of the amendments is to rezone certain areas which would permit expansion of the Charlevoix airport and permit construction of a spur railroad to the property of the Crescent Stone Company located west of Norwood rd. and north of U.S. 31.

The text of the proposed ordinance amendments and zoninz maps may be examined at the home of the clerk, Smith's Little Acres on U.S. 31, between 9 a.m. and 4 p.m. on any day prior to the hearing, Mrs. Smith said.

M.E.A. Council Holds Regional Meeting

The regional council of M.E.A. Region 14 comprised of 10 northern Michigan counties held a special meeting at Gaylord last Wednesday.

At the meeting the council adopted a motion commending the Boards of Education of the Central Lake, Ellsworth and Charlevoix school districts for their school study in connection with the proposed consolidation of the three schools and their subsequent adoption of a resolution to present the issue for a vote later this spring. The council stated that the move was another step toward better academic training for the youth of the area.

Attending from Charlevoix were Mrs. Robert G. Martin, Mrs. Louis Courtade, Mrs. Robert Richards, Mrs. Charles Coleman, Max Novak, C. A. Odmark and Terry Rice.

SOME QUESTIONS THIS SERMON AIMS TO ANSWER:
★ How can you tell how healthy-minded you are?
★ Why is it that some people emerge safe and sound from disappointment, failure and tragedy while others are spiritually destroyed by such experiences.
★ What services does Christian faith render to your mental health?
★ How can you "crash and walk away" from life's inevitable misfortunes?
If you now regularly attend another church in our town, this notice is but a neighborly greeting and wish that you and your church may prosper. If you do not already have a church home, it is an invitation to attend Charlevoix's Congregational Church next Sunday.

CHS Musicians to Participate In Annual Qualifying Festival

The Charlevoix high school Senior and Reserve bands, represented by 158 young musicians, will travel to Petoskey Saturday to participate in the annual District II qualifying festival, according to their director, C. A. Odmark.

First division winners in the district festival will qualify for participation in the state festival to be held in East Lansing April 28.

The Charlevoix Reserve band of 81 pieces is scheduled to open the festival at 8:55 a.m. while the Senior band of 77 pieces will play at 3:30 p.m. at the Petoskey high school auditorium.

Judges for the festival will be Clifford Lillya and Emil Holz of the University of Michigan School of Music, Clarence Roth of the Ann Arbor high school and the U. of M and Richard Snook of the Grosse Point high school, immediate past president of the Michigan School Band and Orchestra Association, sponsors of the festival.

The Charlevoix Reserve band will open the festival with the playing of its warm-up march, "The Storm King" by Findlayson followed by the required number, "An Occasional Suite" by Handel, actually the required number the Class B Junior high group, and the selected number, "Mountain Majesty" by Yoder.

The Charlevoix Senior band, scheduled to appear at 3:30 p.m., will open with its warm-up number, "Burst of Flame" by Bowles' to be followed by the Class C required number, Hanson's "Cathedral Canyon" and the selected number "Fantasy on American Sailing Songs" by Grundman.

Both bands will play the three concert numbers before three judges before proceeding to the sight-reading room where they will play two selections new to them before the sight-reading judge.

Mr. Odmark has asked that persons attending the festival not accompany the band to the sight-reading room. "The band is under a great deal of pressure during this phase of the festival and can remain more relaxed if no spectators are present", Mr. Odmark explained.

The schedule for the appearance of the participating bands follows 8:55 a.m., Charlevoix Reserve Band, Class C Junior high; 9:20 a.m. Ellsworth, Class D Senior high; 9:45 a.m., Inland Lakes, Class D Senior high; 10:10 a.m. Altanta, Class D Senior high; 10:45 a.m., Hillman, Class D Junior high; 11:10 a.m. Rogers City Class B Senior high; 11:35 a.m. Petoskey, Class B Senior high.

Following the noon recess at 1:30 p.m. Sault Ste. Marie, Class A Senior high band will open the afternoon schedule followed at 2 p.m. by Harbor Springs, Class C. Senior high; 2:25 p.m., East Jordan, Class C Senior high; 2:50 p.m., Onaway, Class C Senior high; 3:30 p.m., Charlevoix Class C Senior high and 3:55 p.m. Boyne City, Class C Senior high.

The southern section of District II will hold a similar qualifying festival at Traverse City Saturday with 13 bands scheduled to appear.

Interested persons are invited to attend the festival at no charge and hear the bands perform at the Petoskey high school auditorium.

Margaret Hastings To Wed Mr. Newhouse

Ellsworth—Mr. and Mrs. Grant Hastings of Ellsworth announce the engagement of their daughter, Margaret Jacqueline to Thomas Gene Newhouse son of Mr. and Mrs. Harold Newhouse of Kalamazoo.

Miss Hastings is a 1959 graduate of the Ellsworth Community School and is a senior at Bronson Methodist Hospital School of Nursing, Kalamazoo. Mr. Newhouse is a graduate of Portage High School and has been a student at Western Michigan University at Kalamazoo, the past two years.

A September wedding is being planned.

N C M C Library Designated U. S. Gov t. Depository

The library at the North Central Michigan College in Petoskey has been designated as a U.S. Government Depository for governmental publications, A. D. Shankland, dean of the college, has announced.

In making the announcement, Dean Shankland said there were only seven or eight depositories in the state. Since the one at the college is the only one in the area, it makes it possible for the college to provide additional services to the residents of north central Michigan. These documents will be for free uhe to the general public, one of the regulations necessary to become a depository. Since the college will receive only those documents requested by the general public, the librarian will be pleased to hear from persons who would like certain materials on hand for refrence purposes.

Among the types of information available to the college library through this plan are all of the many yearbooks published by the government, various kinds of annual reports and maps and charts prepared by different agencies of the U. S. Government.

The materials in the college library are for reference purposes only and the college will not distribute governmental documents.

Interested persons may visit the college library at any time.

Plans Completed For Mt. McSauba Ski Benefit Party Sat.

Plans are progressing for the Mt. McSauba Ski area benefit party to be held at the Argonne Saturday evening, according to Robert Goss, president of the Charlevoix-Mt. McSauba Recreation Corp. which operates the winter recreation area.

A twist contest will be a feature of the benefit dance and buffet supper to be presented at the popular night spot. Proceeds from the event will be used to enlarge existing facilities at Mt. McSauba including the construction of a new slope. The Argonne Trio will play for dancing.

Tickets for Saturday's event are still available at the ski lodge, the Weathervane Lodge, the Argonne and from members of the board of directors.

Because of the benefit party, facilities at Mt. McSauba will be closed Saturday evening.

However, the ski run will be open from 1 to 5 p.m. Friday, from 10 a.m. to 5 p.m. Saturday and the usual hours on Sunday.

District F.B. Women Review Projects; Plan 1962 Program

Rural area leaders, representing Farm Bureau women of five northern Michigan counties, met Friday at the home of Mrs. Thomas Wieland district chairman, for their district advisory meeting. The council is made up of the county Farm Bureau Women's Committee officers from Charlevoix, Antrim, Emmet, Cheboygan and Otsego counties, and meet twice yearly to conduct official business of District 10-West. Also present for the meeting were the district officers and Mrs. Marjorie Karker, State Coordinator of Michigan Farm Bureau Women's Activities of Lansing.

A review was made of the 1961 projects undertaken by Farm Bureau women in the state which included support of a citizenship fund, an international friendship fund and the Associated Country Women of the world through the collection of "Pennies for Friendship". It was announced from the State Women's Committee that Mrs. Karker had been selected to represent the Farm Bureau women of Michigan at the forth-coming meeting of the Associated Countries of the World to be held next October in Melbourne, Australia.

Mrs. Karker commended the women for their successful completion of their work on the Camp Kett project. This project which was state wide, was undertaken by the women of Farm Bureau to raise $25,000 for the building of a dormitory. The building, now completed, is one of several which make up the camp near Tustin, south of Cadillac. It will be the meeting place of the state, district, and county officers when they join together for a training session next July.

Other business of the day included discussion of possible projects and programs for 1962 on the county level. The meeting concluded after the planning of the spring district meeting to be held in Otsego County. Those who attended from Charlevoix County were Mrs. William Parsons, Mrs. Jasper Warner, Mrs. Dawson Way, Mrs. Godfrey McDonald and Mrs. Thomas Wieland.

William F. Ripley Former Resident Dies In Cheboygan

William F. Ripley, 07, a native of Charlevoix and former mayor of Cheboygan, died unexpectedly Thursday at his Cheboygan home as he and his wife were about to depart on a vacation trip to Florida.

Funeral services were held Saturday at the Christian Funeral Home in Cheboygan with the Rev. Edmund Mantel officiating. Burial was in Brookside cemetery here.

Born here Aug. 1, 1893, Mr. Ripley lived in Lansing where he was in business until 1932 when he moved to Cheboygan to make his home. He operated a furnace business there until his recent retirement.

He was active in civic, veteran and fraternal circles, having served as alderman and mayor of Cheboygan for many years. A veteran of World War 1, he was a member of American Legion, Veterans of Foreign Wars and Veterans of World War I and had served as commander of the American Legion and the Veterans of World War I. He also was a member of the Eagles lodge.

Surviving are his wife, the former Carrie Guetschow of Cheboygan whom he married in 1920.

In Cheboygan for the services were Mr. and Mrs. Harry Gebeau, Mrs. Ray Hamilton, Mr. and Mrs. King Saunders, Richard Meyer, Mr. and Mrs. Robert Hamilton and Mr. and Mrs. M. B. Miller, all of Charlevoix, and Mr. and Mrs. William Gebeau of Rogers City.

Ebenezer PTA Holds February Meeting

Ellsworth—Ebenezer Christian School PTA met recently in Ellsworth. Harold Jansen president of the organization presided at the meeting which was well attended.

A program arranged by Mr. and Mrs. Jake DeGroot included special music; a tape recorded message from the Rev. M. Dornbush of Hudsonville Christian Reformed church stressing the need of christian instruction in the home, school and church; color slides of Yosemite Valley in Calif. and a reading by Mrs. Versile Klooster.

The treasurer's report showed that a sizable check had been given to the board of education and that funds had been provided for Daniel VanDerArk that he may continue his studies at Calvin college.

Refreshments were served by Mrs. John Jake Drenth, Mrs. Harry DeGroot, John DeGroot and John Aardema.

Chamber Proposes Tourist Council Increase Budget

Following the adoption of a resolution by the Charlevoix Chamber of Commerce board of directors, letters have been mailed to State Sen. Thomas F. Schweigert and State Representative C. B. Meggison urging their support of proposal that the Michigan Tourist Council budget be increased to $770,513 for 1962. The Council formerly received $420,000.

The local chamber also urged such proposals as the construction of information stations along Michigan highways; urge greater development of Michigan park system and that the intent of liquor license regulations be redefined to allow the Liquor Control Commission and local governing bodies more flexibility in allocating liquor licenses as they apply to tourist-type facilities.

Paul Kohler, secretary-manager of the chamber was in Cadillac Friday to meet with Michigan State Highway Commission officials, representatives of the West Michigan Tourist Association and area chambers to discuss highway construction projects on US 31 between Eastport and Atwood.

The re-building and the possible re-routing of the highway is scheduled to begin Apr. 10, following the awarding of bids in the near future. Completion date has been set for Aug. 1.

A meeting of Chamber representatives and contractors will be held before the work is started to determine the most practical detour for use during the construction project.

Mr. Kohler reported that numerous requests for information concerning available summer cottages in the area are being received daily at the chamber office.

Anyone having property listed with the chamber may review these requests in the files at the chamber office in the Brown building and acknowledge them.

Anyone wishing to have their property listed in the 1962 brochure should contact the chamber at once in order to take advantage of the service.

The chamber mails out bundreds of brocures to people making inquiries through the Michigan Tourist Council and the West Michigan Tourist Council as well as through the local office, Mr. Kohler said.

Report on Curriculum Study Pertinent to Consolidation

Reported by Fran Martin

This is the second of a series of articles designed to acquaint the residents of the Central Lake, Ellsworth and Charlevoix school districts with information regarding the proposed consolidation of the three school districts. This issue will be brought to a vote in the three districts later this spring.

Curriculum, according to the dictionary, is a course of study.

The curriculum and the quality of instruction a school is prepared to offer determines the quality of education available at that school.

The importance of curriculum and its place in the proposed consolidation made it one of the major issues in the school study conducted by a citizens' group whose long exhaustive study brought out a number of definite conclusions including the fact that parents of all three districts want the best school program possible; that Central Lake and Ellsworth, with 28 classes each, have a less comprehensive program than Charlevoix because of their smaller enrollments and that Charlevoix, which now has 35 classes, would have efficiently a more practical program with a larger enrollment; that requires that quality teaching requires that teachers' teach in their field of training and that this is possible only when there are enough sections of one subject to fill a full day; and that equipment for special subjects such as shop, commerce homemaking and science require more equipment than is practical for part-time use.

Another important fact revealed in the study is that the needs of the students differ greatly. There are a large number of students who are less qualified or less interested in an academic program who need to be given practical courses. These courses would be such as to prepare them for the type of employment for which they can or wish to qualify. By opening up this field to students who qualify or desire it, there would be an opportunity for a real challenge to more academically qualified students.

At the conclusion of the study the committee proposed a plan by which the curriculum program could be broadened to meet the needs of more students. This plan called for the consolidation of the three school districts, Central Lake, Ellsworth and Charlevoix, with students on the high school level attending one high school, thus making it possible for teachers to confine their teaching to subjects in which they are trained, to include more subjects and to incorporate into the school system a training program for those students who do not plan to continue their education.

A proposed program for such a high school could include the following classes: English: English I through IV, Business English Literature II and IV, Composition, Speech I and II, Journalism and Dramatics; Social Studies: World Geography, World History, U.S. History, Michigan History and Government and U.S. Government; Languages: Latin I through II, Spanish and/or French and/or German and/or Russian, all I through II.

Also Mathematics: Algebra I and II, General Math I and II, Business Math, Plane Geometry, Solid Geometry, Trigonometry; Science: General Science, Chemistry, Physics, Biology I and II, Electronics; Commerical: Typing I through III, Shorthand I and II, Bookkeeping I and II, Business Machines, Business Law, Retailing and other phases of business.

Also Home making: Home and Family Living, Homemaking I through II; Industrial Arts: Woodworking I through II, Metal Work I and II, Automotive Mechanics, Drafting, Design and Architectural Drawing, Trades; Music and Arts: Inatrumental, Vocal, Painting Ceramics, and other phases of both subjects; miscellanous: Driver Education, Physical Education, Athletics, Clubs.

This proposed curriculum represents three courses of study: college prepartory for those students planning to go on to college; commercial for those students planning to enter the business world or to attend business schools and vocational for those students who would seek immediate employment upon graduation.

This program could be initiated with a high school teaching staff of 20 teachers exclusive of guidance personnel and principals and would afford a comprehensive high school for all youths, regardless of what their qualifications or inclinations might be. The program would also be flexible enough to permit dropping and/or adding as the needs change.

Again residents of the three districts are asked to address any questions regarding the proposed consolidation to their respective superintendents or this newspaper ao they may be answered. Also, to call their superintendents if they need or wish a program with resource personnel or speakers at a meeting of any kind.

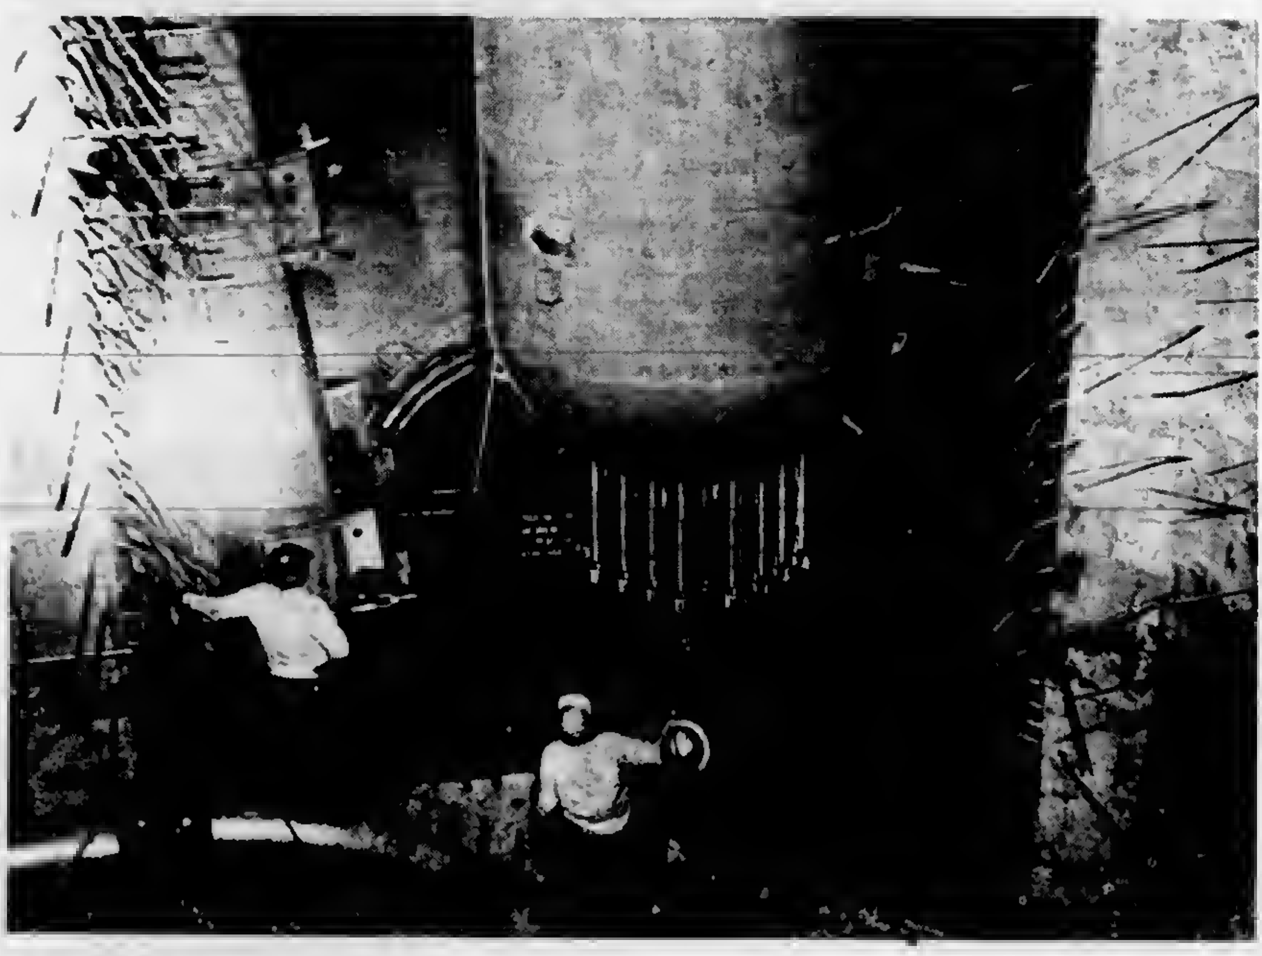
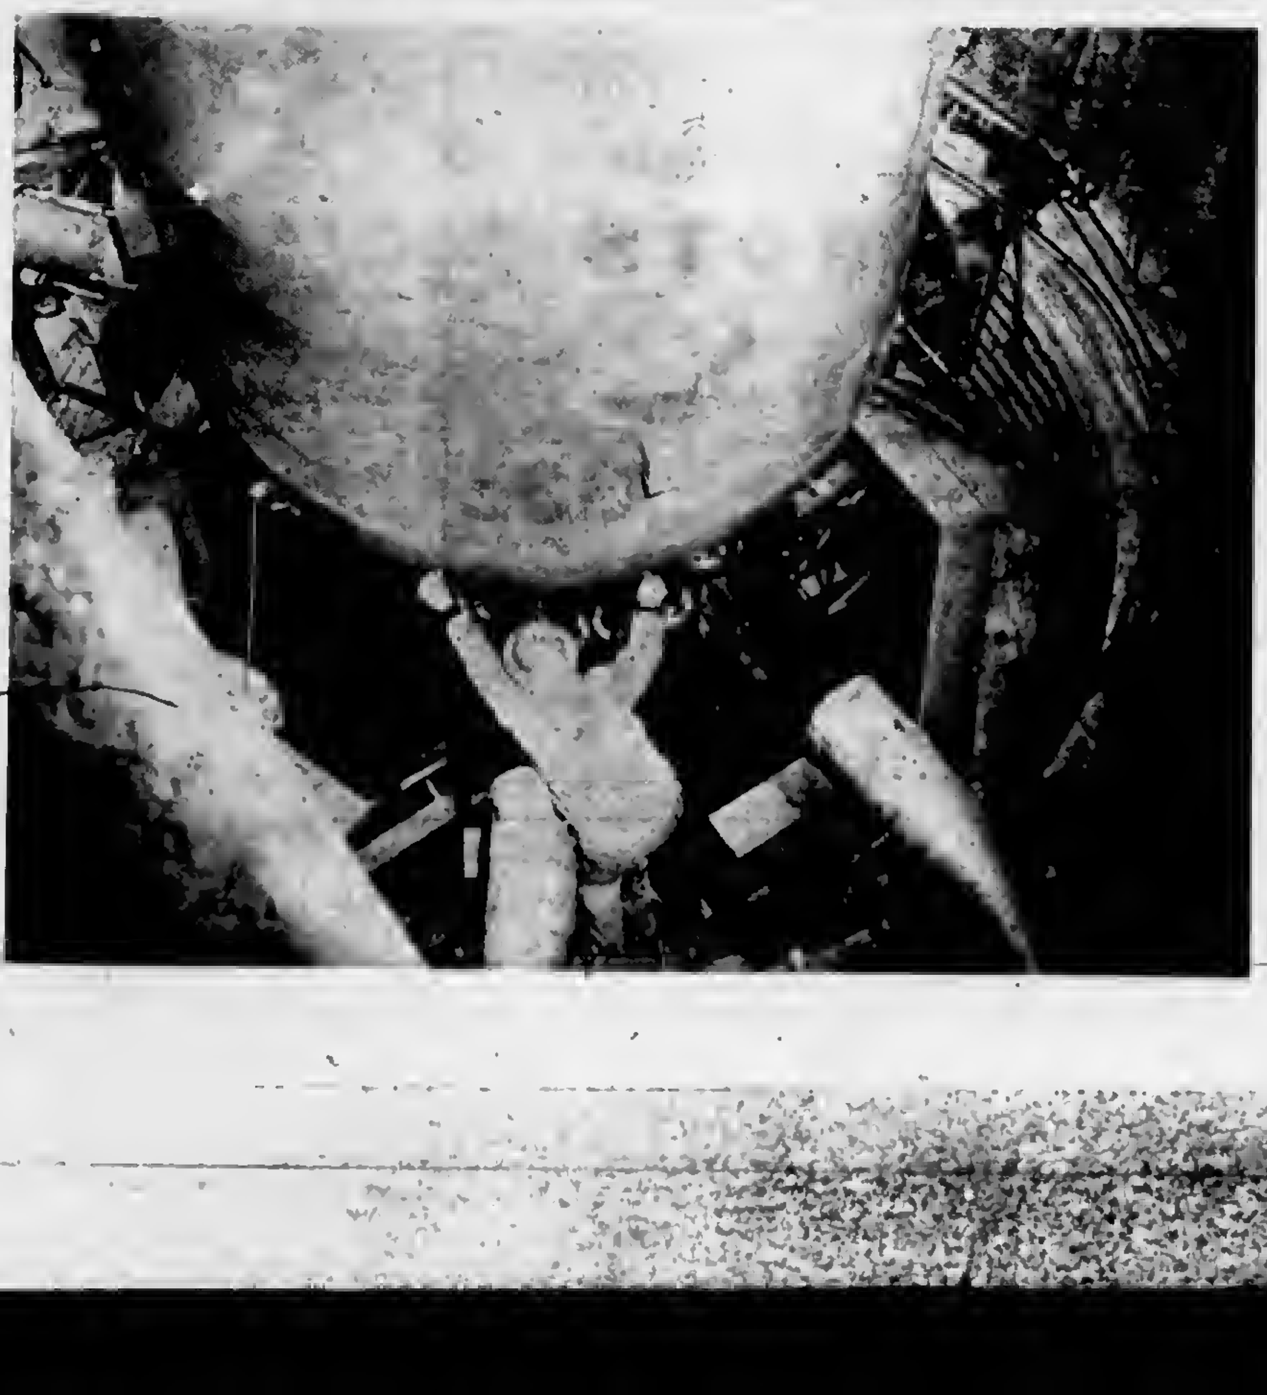
Installing Reactor Vessel at Big Rock Plant

Courier Photo





There were no second chances when the 92 ton reactor vessel was moved into the big sphere at Consumers Power Company Big Rock Nuclear plant. Pictured at top the vessel is being raised to a vertical position so that it can be detached from the skid. Next it is removed from the the skid and carried by the huge crane, located in the top of the sphere, through the opening in the side of the reactor chamber. Finally it is lowered into the chamber to rest on the brackets previously installed.

It was an exacting and slow operation from the time the crane cables were attached to the cap of the vessel until it was positioned on the brackets. Every move was at a snail's pace.

Agriculture ... *in Action*

One Farmer Feeds Forty

—One thing about American agriculture,—it's not a bit static. Hardly a week goes by without changes and no year passes without major changes.

For example, ecomists only a few months ago were saying that one American farmer produces food and fiber for 25 other persons. Turns out now that this is true only if you're concerned with Mr. Run-of-the-Mill farmer and not the truly commercial farmer doing about 90 per cent of the production work.

This super-producer feeds forty persons besides himself and, say those who study such things, he will become the group average sooner than we think

"Science hasn't begun to show what it can do in farming," says Walter Wightman, the fruit and livestock farmer who is president of the Michigan Farm Bureau. Wightman foresees the not-too-distant day when agriculture becomes "fully automated" compared to the partial mechanization to present farming.

Many farmers feel that frequently automation on the farm, as in industry, is being forced by labor demands. Ambiguos attempts by some labor leaders to play both sides of the farm checkerboard against the middle have speeded the trend.

In the same issue of one trade-union paper, farmers were simultaneously condemned for employing migrant workers in "back-breaking" jobs,--and for buying mechanical fruit pickers to eliminate the same jobs, there-by "thoughtlessly depriving workers of their only means to earn a living."

Mechanical fruit and vegetable pickers are becoming more practical every year. Tomatoes are aiming toward automation, and several cucumber pickers are on the drawing-boards. No longer is stoop-labor needed in many beet fields where machines uproot the sugary roots ad "top" their leafy crown. A new haying machine is producing "wafers" of bay that delight cattle and owners alike. Silos unload themselves on many farms and mechanical barn cleaners are common. Pipe-line milkers, bulk tanks, hybrid seeds and animals are all part of the fast moving production picture.

It's an exciting, productive challenging age in which to farm. It takes money, perception, training, management-ability, 20-20 foresight, insight and hindsight. It's hard on the pocketbook and the nerves, and no place for weaklings.

Courier advertisers are your community supporters. They are entitled to your support too.

Bring'em back alivo every time you drive.

Alfalfa seedlings get a good atart when they have plenty of phosphorus, say Ohio State University Extension agronomists.

One hour of farm labor produces four times as much food and other crops now as it did in 1919-21, according to the USDA.

Recent Bills Introduced Of Interest to Taxpayers

Few taxpayers or voters can keep pace with the bills introduced in the legislature and senate and the effects they may have. Following is a list of recent bills of interest to school and school administrators, according to News of the Week published by the Michigan Department of Public instruction. They should be of equal interest to every citizen.

House Bill No. 123 would permit counties to form districts to construct and operate a regional detention facility, when approved by the State Department of Social Welfare. The Board of Trustees would consist of the Judges of Probate for the participating counties. Ways and Means committee.

House Bill No. 125 would provide training in three camps for not to exceed 150 enlistees in each camp for a period of six months with an opportunity to reenlist for an additional six months. The program would be available to males 17 through 20 years of age who have been out of school for at least six months. Ways and Means committee.

House Bill No. 137 would require any private trade school, business school, correspondence school or institute organized within or outside the state to secure solicitor's permits before contacting prospective students. Committee on State Affairs.

House Bill No. 139 proposes to relieve the General Fund of the State of the responsibility for the employer's share of the retirement contribution for state employees working on programs financed by the federal government by passing this responsibility, for the employer's share, to grants from the federal government. Committee on Reitrement.

House Bill No. 140 would require all undergraduate students, or any graduate student, attending any college or university of this state, supported in whole or in part by state funds, to sign promissory notes in the amount of $1,200.00 or $1,500.00 respectively. These notes would be payable in twelve years and would bear interest at four percent. This fund would be used for capital outlay, and a university revolving construction fund would be established within the State Treasury. Committee on Education.

House Bill No. 148 would amend the School Code to enable the Department of Public Instruction to participate under Title X—The Improvement of Statistical Services of State Educational Agencies, of the National Defense Education Act of 1958. Committee on Education.

House Bill No. 149 would eliminate teacher certification requirements as adopted in the Teacher Certification Code by the State Board of Education for teachers in local districts if:.

1) the teacher has a baccalaureate or higher earned degree in the subjects he is hired to teach from a recognized or accredited college or university;
2) the superintendent of the school certifies the teacher's competency to the State Board of Education; and
3) the teacher is hired on a year-to-year basis and not under a continuing contract or tenure. Committee on Education.

House Bill No. 168 would amend the School Code by adding a new section to require a minimum teachers' salary schedule to start at $4,800.00 for all fully qualified teachers and to extend to at least $9,600.00 in not more than ten years of successful teaching experience. Committee on Education.

House Bill No. 169 proposes to amend Section 410 of the School Code to allow for more efficient and effective school elections in a newly-consolidated district without the necessity of "sticker" candidates for board offices. Committee on Education.

House Bill No. 188 would require the assessment roll of all assessing officers contain end list the latest state equalized valuation for each item of property. Committee on General Taxation.

Senate Bill No. 1056 would amend the Michigan Vehicle Code by requiring that chauffeur's licenses be issued every two years instead of annually. Committee on Highways.

Senate Bill No. 1073 would appropriate monies for operation of the Department of Public Instruction, community colleges, State Board of Education Vocational Education and publicly supported institutions of higher education. Committee on Appropriations.

Senate Bill No. 1091 would charge each school district with an exact percentage of pay roll as its share of the money to be paid out of the State School Aid account to the Michigan Public School Employees' Retirement fund. Committee on Retirement.

Senate Bill No. 1127 would appropriate $62,500.00 for the remainder of this fiscal year, and $250,000.00 for the next fiscal year, to the Michigan Employment Security commission to be used for the testing, counseling and selecting of unemployed workers for vocational training. Committee on Appropriations.

Senate Bil No. 1131 would appropriate $1.5 million from the Michigan Employment fund to establish and maintain a vocational training program for unemployed workers for the fiscal year ending June 30, 1963. The Michigan Employment Security commission may enter into agreements with the State Board of Control for Vocational Education for the payment of teachers, the purchase of materials to be used in the program, for the necessary cost of administration and the use of facilities. Committee on Appropriations.

Senate Bill No. 1135 would establish taxes on telephones, telegraphs and cigarettes which would be earmarked for capital construction projects at state-supported colleges and universities. Committee on Taxation.

The resolution would amend the Constitution by providing for assessment of property at not more than 50 percent of true cash value by the State Tax commission. Committee on Judiciary.

Michigan Farm Bureau

The Hidden Hook

The question is—how to treat the "farm vote" to produce the most political hay with the least amount of sand-burs? Unfortunately for farmers, that has been the attitude of some Congressmen who use farm problems as pawns in their Washington chess-games.

Some Congressmen play politics with farm problems because they are aware that today's farmer represents only 8.7 per cent of the total vote. Some do it because they are ignorant of the interplay of American economics. Others have deeper motives and work toward a regulated, licensed and "supply controlled" agriculture where Washington, not local farmers, are "boss."

A good example of the loose thinking tossed around by Washington "farm economists" has been the unfounded theory that when support prices are lowered, farmers grow more, to make up for the smaller per-unit price.

Expressed in another way,—these same economists say, (in effect) "if price supports are raised sufficiently, farmers will be so pleased with government largess that instead of adding more surplus to stocks on hand, they will accept the larger assured price per unit and grow only the same amount—or less of the commodities involved."

A good example of what really happens is illustrated in the case of dairy products. Since dairy support prices were pegged by the Secretary of Agriculture at $3.40—against the advice of farm leaders, production has been stimulated far beyond anything that can be explained away by favorable feed prices, good pastures and improved herds. Even the decrease in per capita consumption cannot account for the dairy surplus.

Before supports were raised, dairy production was moving along in line with consumption and government purchases were at the lowest point in the past four years. Now, because of the added surplus, Congress is asked to consider the same present level of high dairy price supports—meanwhile adding quotas, controls and penalties. In the proposed "Food and Agricultural tell farmers how much milk Act of 1962"—government would could be sold and at what prices.

Therin lies the hook,—and the reason why most dairy farmers have a skepticl attitude summed up best by "no thanks,—we've had some."

The farmer spends from 25 billion to 26 billion dollars a year for goods and services to produce crops and livestock.

A lot of fellows who say what they think don't do enough thinking.

Local Quintet Coasts to Victory in Second Half

The Charlevoix Rayders posted a 58 to 39 victory over the East Jordan Red Divls Friday for a six win-six loss record as they go into the home stretch of the current season.

The Rayders will host Grayling here this week and finish the

In Friday's game, the red hot Rayders rolled to a 19 to 12 lead over the invaders only to see their margin vanish later in the period as they were outscored 15 to nine by the hustling Red Devils who led 27 to 25 at the 1:40 mark. A free throw by Henry Wagner and a field goal by Jim Uhrick put the Rayders ahead 28 to 27 at halftime.

Charlevoix returned to the court an inspired team as the second half got underway. A field goal by Frank Curtis, four by Stan Martin and one by John Pearl put the local quintet back in the game. Before the period ended the Rayders had outscored the Jordanites 18 to 8 for a 45 to 35 third quarter lead.

The Rayders continued to roll as Coach Don Carey substituted freely in the final period to rack up to victory.

Martin paced the game with 18 points followed by John Pearl with 19; Wagner with nine George Majors, eight; Dan Pearl, seven; Curtis, Dave Rader and Uhrick with two each. Dwight Boss, Tony Duerr and Bruce Murray also played.

Don Roberts had 16 points for East Jordan.

The junp ball during the recent Charlavoix-East Jordan game here was the signal for the two teams to start play. The Rayders won the game 58 to 39 to give them a six win-six loss record to date.

"It's my ball' might have been the comment of Dan Pearl as he went after the basketball during the recent East Jordan-Charlevoix game. The hapless Jordanite was Bob Goebel (22). Watching the outcome of Dan's scramble are Bob Wilson (10) and Stan Martin.

Charlevoix JV's Dump E Jordan

The Charlevoix J-V's romped to a lopsided win over the East Jordan Reserves Friday night, by a score of 56 to 21.

The young Rayders forged into a 12 to three first period lead which they increased to 28 to 11 at half time and 45 to 15 going into the final period.

Rick Miller with 16 points set the pace for the game. He was followed by Gary Stutzman with 12, Jack Uhrick with eight, Pete Ance, five;Brenden LaBlance and Nick DeYoung, four each; Warren Belding, Jim Stewart and Tom Maxwell, two points each; Don Smith, one. Others who played were Dave Smith, Bruce Kroken, Steve Kroll, Dave Novotny, John Bleha, Dave Norton, Vance Wood, Jerry Uhrick, David Goikee and Mike Brinker.

Doug Malpass and Max Reed had seven points each for the visittors.

Pellston Hornets Top Class C League

The Pellston Hornets nailed down a share of the 1961-62 northern Michigan Class C title Friday night after dumping Gaylord 61 to 45 in a game which saw 49 personal fouls called.

In other games, Charlevoix won over East Jordan 59 to 38, Harbor Springs dampened Grayling's hopes of sharing in the title by tripping them 63 to 48 and Boyne City won over Mancelona 46 to 34.

Pellston 61, Gaylord 45

In a game which saw Gaylord lose five men, including four starters, via the foul route, the Pellston Hornets jumped into a 15 to 3 first period lead which Gaylord trimmed to seven points, 28 to 21, at halftime. However, in the third period the Hornets capitalized on trips to the free throw line to go ahead 45 to 33 as the game went into the final period.

Pellston had 15 field goals, 31 points from the free throw line on 45 tries and 17 personal fouls. Merle Cameron who paced the game with 23 points including 13 free throws, went to the bench with five personal fouls with two minutes remaining.

Gaylord was not as lucky. They had only 14 field goals and 17 free throws in 22 attempts but collected a total of 32 personal fouls. Jim Snell left the game with five fouls early in the second period while Art Tebo left the floor with seven minutes remaining, Larry Bottomly with five, Larry Simpson at the four minute mark and Gabby Nowak with 1½ minutes left on the clock. The latter four started for Gaylord. Tebo was top scorer for the Blue Devils with 10 points.

Harbor Springs 73 Grayling 48

At Grayling the Harbor Springs Rams edged into a 18 to 15 first period lead, increased lt to 32 to 27 at halftime and 48 to 32 going into the final period before dumping the Vikings by 15-point margin.Frank Laur paced the Rams with 17 points followed by Gary Stutzman with 14 points. Tim Neil had 16 and Tom Wright 15 points for Grayling.

Boyne City 46 Mancelona 34

The Boyne City Ramblers romped to a 14 to 4 first period lead over the visiting Mancelona Ironmen who outscored the Ramblers 13 to 8 in the second quarter to cut Boyne City's halftime lead to 22 to 17. In the third period, however, the visitors scored only a single point as the Ramblers went ahead 29 to 18 going into the final period. Doug Grubbe with 16 points paced the game followed by Larry Gunderson who posted 12 for the victorss. Kent Stradinger had 12 for the Ironmen.

Barring an upset, which hardly seems likely, Pellston should come up with the title, their first since the 1958-59 season.

Harbor Springs, a team definitely on their way up, will take on East Jordan on the latter's floor. A win by the Rams would assure them of second place in league standings as the schedule runs out.

Gaylord will be out to avenge a 48-40 loss to the Boyne City Ramblers when the latter plays on the Blue Devil floor this week.

With Dick Farrand back in the line-up after recovering from an ankle injury, the Blue Devils can be expected to give the invading Ramblers a good game. The latter, however, will be favored, mostly because of their record of seven wins and five losses compared with Gaylord's record of five wins and seven losses.

This Week With Class "C"

The Northern Michigan Class C court schedule will start into the home stretch this week with Charlevoix hosting Grayling, Pellston playing at Mancelona, Harbor Springs traveling to East Jordan and Gaylord hosting Boyne City.

The Charlevoix Rayders will be out to avenge their earlier loss to Grayling by a 53 to 62 score when the Vikings play here Friday. This was the game where the officials allowed two points for goal tending as the final whistle sounded.

The Rayders, with a six-six record could better their place in league standings with a win over the Vikings who are presently in third place with a game to be played at East Jordan before they come here Friday.

The Vikings will be favored because of their record but a home floor and a desire to avenge the earlier loss could give the Rayders a much-desired victory.

Pellston has assured themselves of a share of the title now held by Boyne City and could wrap up the trophy this week with a win over Mancelona, a team with a three-nine record.

Fifth Annual PTA School Fair Set For Saturday Night

Hi! Ho! Come to the Fair!

That is the invitation being issued this week to young and old alike by the Charlevoix P.T.A. which is sponsoring the biggest and best fair in its long history of good entertainment.

This year's fair, with Mrs. J. L. Feindt, PTA president, as general chairman, will open at 5 p.m. Saturday in the Elementary School gym and cafeteria and will run over into the Elementary school proper.

For those who want to eat out, there'll be a dinner in the cafeteria beginning at 5 p.m. prepared and served by the Seniors.

And for those who want a snack there'll be all sorts of booths in the gymnasium where you can buy anything from a bottle of coke or popcorn to pie and coffee or a hamburger . . . Name it and you'll find it at the Fair.

In addition there'll be all sorts of concessions and entertainment for everyone . . cake walks, dancing, coronation of the King and Queen of the Fair to be selected from among the top ticket sellers in the Sixth grade, and, to add to the carnival atmosphere, the Fearless Five Plus Two will contribute their own inimitable music.

If you need more convincing, turn to the PTA ad on Pg. 8 of this issue where you'll find a list of entertainment. In adition, the Varsity club will sponsor a basketball toss for aspiring athletes of all ages.

The PTA Fair is a community project with all grades, teachers and clubs joining with the PTA in presenting this one major fund-raising project. Proceeds will be used to purchase equipment for the schools.

Mrs. Oscar Smith Dies Following Long Illness

Mrs. Oscar Smith, 77, resident of this community for 35 years, died early Wednesday at the Charlevoix hospital where she had been a patient for 10 days. She had been in failing health for some time.

Funeral arrangements have not been completed at this time.

Born at Elk Rapids May 2, 1884, the former Emma Bequist was married to Mr. Smith at Suttons Bay in 1908. The family lived at several communities along Lake Michigan before coming to Charlevoix in 1924 when Mr. Smith was named commanding officer of the U.S. Coast Guard Lifeboat Station here, a position he held until his retirement in February 1941. He preceded her in death in May 1957.

Surviving are a daughter, Miss Nell Smith of Traverse City; two sons, Capt. Willard J. Smith, presently stationed at Seattle, Wash., with the U.S. Coast Guard and Joseph Smith of London, England; four grandchildren and three sisters, Mrs. John Basch of Muskegon, Mrs. Jack Gray of Lansing and Mrs. Frank Egbert of Grand Rapids.

The body is at the Winchester Funeral Home.

Report on Three Phases Pertaining to Consolidation

by Fran Martin

With the proposed consolidation of three school districts such as Central Lake, Ellsworth and Charlevoix there are many factors to be studied and presented for consideration before a decision regarding the advisibilty of such a merger can be reached.

In order to compile information on all subjects, a Citizens' Study Committee was formed more than a year ago from a cross-section of residents of the three districts. The information published in this and other weekly news stories is the result of this survey.

This week the findings regarding the school plants, teaching staff and plant sites will be presented.

At the present time, Central Lake has 424 students in the kindergarten through twelfth grade (known as a K-12 school) in a building with a capacity of 330 students and Ellsworth has 304 students in the K-12 grades in classrooms with a capacity of 350 students. The Charlevoix schools differ in that their kindergarten through sixth grades with an enrollment of 568 are housed in an elementary school which has a capacity of 650 students while the top seven grades (7-12) numbering 446 are housed in a high school building with a capacity of 550.

If the three districts were consolidated, all students in the top four grades, 9 through 12, would attend one high school located in Charlevoix.

The report revealed that both Central Lake and Ellsworth could easily accomodate grades k-8 in their respective communities. Minor remodeling of existing buildings in the two communities would convert them into good grade school structures.

It is proposed that the Charlevoix elementary school could accomodate grades K-7 and the Charlevoix eighth grade would remain at the high school.

This arrangement would immediately fill both schools in Charlevoix and would be possible for only one year. Plans then should be made to add six classrooms to the high school building to create ample space for the Charlevoix seventh and eighth grades and the upper four grades (9-12) from the entire newly-created district. These rooms would, of necessity, be classrooms since the vocational classrooms (i. e. shop and homemaking) and special purposes classrooms (i.e. science and language labs, commercial, music, and other special studies) are adequate for the increased number of students.

The study revealed, also, that the construction and operation of vocational departments and special purpose rooms are up to three times more costly than regular classrooms. These rooms must be well equipped if the subjects are to be well taught and must be occupied throughout the school day in order to operate them economically.

A consolidated school district of Central Lake, Ellsworth and Charlevoix would have, at present, a total of 1,742 students in the kindergarten through the twelfth grades and a combined building capacity of 1,880.

One of the major reasons for the proposed consolidation is an increased curriculum for all students. The study committee has suggested that the proposed new school program should contain increased science, physical education, music and art instruction in the elementary grades where little is taught at the present time and that the high school curriculum be increased to 60 subjects instead of the 28 now offered at Central Lake and Ellsworth and the 35 offered in Charlevoix.

This increased program should require only two more classroom teachers than the present total of teachers from all three districts.

As the result of more classes in given subjects, teachers would teach only classes in their major fields. This, it has been found, is important for two reasons, because it insures good classroom

Doug's Bottled Gas Agency Sold to James L. Elzinga

The sale of Doug's Bottled Gas agency to James L. Elzinga has been announced by Douglas W. Way who has operated the business for the past 4½ years.

Mr. Elzinga assumed operation of the business Monday. A diesel engine operator at the municipal light plant for the past six years Mr. Elzinga has resigned his position with the city to take over the business.

Mr. Way, who purchased the business in June 1957 from Pemberton Sales and Services, has taken over the Standard Oil Agency in the Ellsworth-Atwood area, delivering bulk oil products to retail outlets and to homes and farms in the area. He will continue to live here for the present.

The bottled gas business is said to be one of the fastest growing in the area. Mr. Way reports that his business increased from approximately 50 accounts to more than 350 bulk and cylinder accounts in less than five years.

The same telephone number, LI 7-9290, will be used for the present in the business.

To Hold Funeral Services Friday For Ernest G. Smith

Ernest G. Smith Sr., 57, a former local resident who has lived in the west for the past 11 years, died Sunday at the Hartland Hospital in SanDiego, Calif., where he had been a patient for two weeks. He had been in failing health for three years.

Funeral services will be held at the Winchester Funeral Home here at 2 p.m. Friday with the Rev. Harold E. Kohn officiating. Burial will be in Brookside cemetery. Friends may call at the funeral home after 7 p.m. Thursday.

Born in Charlevoix Mar. 10, 1904, Mr. Smith was educated in the Charlevoix schools and was a commerical fisherman. He left here in 1950 to live in the west and was employed by a ferry company in San Diego until he became ill. He made his home in LaMesa Calif.

Surviving are his wife, the former Mrs. Nellie Gorman, whom he married here; a son, Ernest G. Jr. of LaMesa, Calif.; two daughters, Mrs. Blake Kreple of Clawson and Mrs. LaVern Cole of Petoskey; a step-daughter, Mrs. Albert Clark Jr. of Colorado Springs, Colo.; eight grandchildren and two brothers, Joseph L. Smith and Dwight L. Smith, both of Charlevoix.

Council Adopts New Rental Rates In Yacht Basin

The Charlevoix city council, at its regular meeting Monday night, adopted new rates for rental of municipally-owned finger piers in the yacht basin to pleasure craft owners and also gave the green light to a proposal to replace piers between Mason and Clinton sts.

The new rates will become effective June 25 and remain in effect through Labor Day and will be as follows: 20 ft. or less: $2.00 per day, $13.00 per week or $50.00 per month; 21 through 30 ft.: $2.50 per day, $15.00 per week or $60.00 per month; 31 through 40 ft.: $3.00 per day, $19.00 per week or $72.50 per month; 41 ft. or more: $3.50 per day, $22.00 per week or $85.00 per month.

The rates include electric currant, running water and garbage pick-up along the city's waterfront. The new rates replace the straight $2.00 per day rate that has been in effect since the city started charging for the service.

The council OK'd Priority No. 3, the construction of five finger piers between Mason and Clinton sts. off East Park replacing seven existing docks on a matching funds basis with the Michigan Waterways Commission. The new project, as approved Monday, will include the replacing of existing piers with three 45 ft. and two 60 ft. finger piers.

The city now has 25 piers located on the waterfront from the foot of Antrim st. to the sewage treatment plant. Five including three of the six located between Antrim st. and the centerline of Mason st. and two at the foot of Clinton st. are new. there are 13 presently located between the centerline of Mason st. and the Model Home Laundry on Clinton st. Seven of these will be replaced with the five new piers.

After plans and specifications have been drawn up by an engineering firm, bids on the project will be accepted.

The J. & G. Daverman Co. engineering firm of Petoskey and Grand Rapids has been engaged at a fee of $2,800 to draw up plans for the inter-connection between the city of Charlevoix and the Consumers Power Co. sub-station.

The council authorized Mayor E. D. Hawley to take an option on the property located at 105 Mason st. owned by Arthur Ranger who is asking $8,250 for the property.

Approval was given bills totaling $12,460.42. The figure includes a payroll of $6,265.13; $1,138.50, diesel oil payment and $1,621.22, repairs on the Rathbun-Jones diesel engine.

Charlevoix High School Band Wins First Division Rating

The Charlevoix high school band, directed by C.A. Odmark, won a coveted First Division rating at the District II Band and Orchestra Qualifying Festival held at Petoskey Saturday.

This is the fifteenth time in 16 years that the local musical group has earned the right to participate in the Class C State Festival.

The Charlevoix band was among six area bands to qualify for state competition. Boyne City and East Jordan were the only other Class C bands to win top ratings. It marks the first time all three schools in the county will make the trip to Lansing for the State Festival at the same time. Other First Division winners were Sault Ste. Marie in Class A. Petoskey in Class B and Atlanta in class D.

The Charlevoix Reserve band composed entirely of eighth and ninth grade students received a Second Division rating despite the fact that they were entered in Class B Junior high competition. All four judges praised their performance but mentioned that the group needed a bit more finesse in phrasing. One judge commented "This young band has done a fine job working on interesting and challenging music and playing quite well most of the time. More work, however, is needed on intonation (playing together) and balance is needed as well as attention to dynamics and stylish accenting These items make music come alive." Another commented that it was a real pleasure to see such a large Junior High band

The judges were unanimous in their praise of the 76-piece Charlevoix Senior band which won I ratings in both concert and sight-reading divisions. Clifford Lillya of the University of Michigan commented: "An excellent overall sound. The band sustains tone and articulates well. Excellent horns and tubas". Emil Holz, also of the University, said "This was a fine musical performance . . . a pleasure to hear". Clarence Roth of the Ann Arbor high school said "A very find band . . a credit to you, your conductor, school and community. This was an excellent performance, a very musically playing band". Richard Snook of Grosse Point high school, the sight-reading judge, wrote: "This is a fine band, a band that is receiving excellent instruction. You have played well in sight-reading. You have a right to be proud of your group".

Other bands participating in the qualifying festival at Petoskey and the ratings each received follow: Ellsworth, Inland Lakes, Hillman, Rogers City and Harbor Springs, II Division ratings and Onaway, III Division rating.

In the Traverse City Division of the District festival Traverse City in Class AA, Benzonia in Class C and Suttons Bay and Northport in Class D won top rating.

Free Cancer Tests For Women Here Mar. 1 Thru Apr. 15

Pre-registrations for the Pap smear test being offered the women of Charlevoix county under the sponsorship of the Medical Society and the Cancer Society are falling short of the goal of 500, Mrs. Charles Bellinger, local registration chairman, has announced.

The Pap smear test will detect up to 90 per cent of cervical and 75 per cent of endometreal cancers. For this reason all women in the county, 25 years or older, are urged to have this test taken at their doctor's office between Mar. 1 and Apr. 15. The laboratory work will be furnished free; the only cost will be the office call to the doctor of your choice. The test is painless and takes about five minutes.

Further information may be obtained by calling Mrs. Bellinger who will also accept your registration.

Deer Easy Prey For Running Dogs; Report Large Kill

Dogs have been taking a heavy toll from the deer herds the past six weeks, reports Harley R. Burris. Because of deep snow and low temperatures the deer are in a weakened condition and are easy prey for dogs.

Mr. Burris has issued a plea for owners to control their dogs. He warns that any officer may shoot dogs running at large on deer tracks. A number of dogs already have been killed. He states also that owners may be taken into court for allowing their dogs to run at large.

Plan US-31 Work To Avoid Summer Tourist Traffic

The State Highway Department today said work on a half million dollar modernization job on US-31 in Antrim County will be planned to prevent interference with this summer's tourist travel in the area.

State Highway Commissioner John C. Mackie said bids will be opened March 14 on the project, which calls for grading, culverts and surfacing on a five-mile stretch of US-31 between Eastport and Atwood.

The contract stipulates work before Labor Day will be restricted to areas outside the roadway so traffic can be maintained.

"US-31 is one of the main arteries carrying tourist traffic to the Charlevoix-Petoskey and Mackinac Bridge area," Mackie said.

"By keeping the highway open during the peak tourist season this summer, we will eliminate a detour which may be confusing to a stranger to the area."

Grading and shaping of the highway will be done after Sept. 4 and paving will be completed next spring.

The project is scheduled to be open to traffic by June 30, 1963.

Elementary Students Participate In Educational Series Via TV

Charlevoix Elementary school students are receiving their first classes via the newest of teaching mediums, television, Principal Glenn B. Snider has announced.

Approximately 50 per cent of the elementary school students are participating in the educational series offered by Central Michigan University over Station WWTV Cadillac.

The series includes art and science at the present time with the first and second grade students attending art classes on Monday and the third and fourth grade on Tuesday. Fifth and sixth grade students attend science classes on Monday and Tuesday.

Under this type of teaching program, teachers receive lesson plans which they use in preparing the students for the lessons they will see on televison. The program also includes a follow-up when students discuss and try the lessons they have learned, Mr. Snider explained.

Mr. Snider went on to say that the Charlevoix school is experimenting with the program at the present time and that if it proves satisfactory, the entire elementary school will participate another year.

Lessons are prepared by instructors who are specialists in their respective fields and who

Charlevoix to Play Harbor Rams in First Tournament Game

The Charlevoix Rayders will meet the Harbor Springs Rams at 7:30 p.m. Tuesday in the opening game of the Class C district tournament at the Charlevoix High school gymnasium.

The Rayders and the Rams have split their games this season with the local quintet defeating the Rams 71 to 49 on the local hardwoods and the Rams trimming Charlevoix 59 to 50 in their second meeting. The Rayders, at the present time, have an over-all record of six wins and nine losses while the Rams have record of 11 wins and four losses.

The East Jordan Red Devils (1-11) drew a first round bye as did Pellston (14-2) and Boyne City (8-7). The latter, Pellston and Boyne City, will meet at 7:30 p.m. Wednesday and East Jordan will take on the winner of the Charlevoix-Harbor Springs game at the same time on Thursday.

The Class C finals will be staged at 7:30 p.m. Saturday.

At Gaylord, Cheboygan Catholic will clash with Onaway at 7:15 p.m. and Mancelona and Gaylord will play in the nightcap at 8:50 p.m. Wednesday. The Class C finals will be played at 7:45 p.m. Friday.

In the Class D tourney at Petoskey, the Ellsworth Lancers drew a first round bye and will not make an appearance until 7:15 p.m. Friday when they play the winner of the Petoskey St. Francis-Boyne Falls game.

The District Class D tournament at Petoskey will open Tuesday with Petoskey St. Francis and Boyne Falls playing at 7:30 p.m. Tuesday.

On Wednesday Alanson and Inland Lakes will play at 7:15 with Mackinaw City and Central Lake playing the nightcap at 8:50 p.m. Wednesday. The winners of these two games will meet at 8:50 Friday.

The Class D finals will be played at 7:15 p.m. Saturday.

Class B will also play at Petoskey.

Officials at the Class C district tourney will be Duane LaBar and Bob Johnston who will have the Tuesday and Thursday games and Bob Bacon and James Emms who will have the Wednesday and Saturday games. All are from Traverse City and are assigned by the Michigan High School Athletic Association.

Ellsworth Lions Sponsor Ice Rink

Ellsworth—The labors of the Ellsworth Lions club are paying off these days as countless children of this community enjoy the ice skating rink, a community project sponsored by the service club.

According to Walter Rood, acting president, the club has invested approximately $400 this season to help underwrite the cost of the rink which has brought so many happy hours of entertainment to the children and some grown-ups too.

Tentative plans call for making this a permanent project of the club and for black-topping the rink which is approximately 40x 40 ft. so that it can be used as a site for tennis courts. This, however, will be dependent on the cost, Jack VanLoo, who is in charge of club publicity, said.

Funeral Services Held Monday for Harry L. McRae

Harry L. McRae, 82, retired lighthouse keeper, died early Saturday at the U. S. Public Health Service Hospital in Detroit where he had been a patient since August.

Funeral services were held Monday at the Winchester Funeral Home here with the Rev. Harold E. Kohn officiating. Burial was in Brookside cemetery.

Born at Woodsley, Ont., Sept. 15, 1879, Mr. McRae came to Bois Blanc Island off Cheboygan as a child. Later he was associated with his father in a lumbering enterprise on the Island and also was in the lumbering business for himself before joining the U.S. Lighthouse Service in 1918. He lived in Cheboygan and served at Poe's Reef and Martin's Reef light stations in northern Lake Huron before coming to the bouy depot here in the early 1930's. He retired in 1943 after serving 25 years in the service that became a part of the U.S. Coast Guard in 1938. In recent years he had divided his time between Charlevoix and Detroit where he lived with members of his family. Mrs. McRae, the former Mary Josephine Metivier, whom he married at Cheboygan about 1900, preceded him in death in 1954. He was a member of the First Methodist church here.

Surviving are five daughters, Mrs. Charles Harris of Bainbridge, Md., Mrs. Jay Britton of Detroit, Mrs. William Ratieke of Kendallville, Ind., Mrs. James Delaney of Lasalle, Ont., and Mrs. Frederick Smith of Bay City; three sons, A.E. McRae of Lansing, Carl of Detroit and W.L. McRae of Pontiac; 15 grandchildren; 12 great grandchildren and a sister, Mrs. Mable Duman of Cheboygan.

March

Now comes March, the year's most strangely mixed-up month. March brings days of bluster and blizzards, days surging with sunshine, days of howling winds, and others lulled by soft songs of damp breezes. In March the gnarled old apple trees at the pasture's edge huddle in the snow of winter, but send forth buds prophetic of spring.

This is a month alternating with bleak despair that winter will never end and bright promise that faithful spring will yet return and keep her ancient promise. In the forests and swamps of the North March is a month of great leaness and gnawing hunger when stores of winter food are nearly depleted. Mother Nature's cupboard is now almost bear. Reserves of fat laid up in the tissues of deer, rabbit and fox are long since exhausted, and now animal bodies absorb their own muscle tissues to stay alive. But beneath the snow and ice lush new grasses and leaves swell against their bonds and will soon burst into succulence fit for feasting. If the wild creatures can only hold out until the repast is ready.

The ancient Jews, Egyptians and Greeks were more sensible than we when they began their calendar year with the month of March. Unlike the first of January, when nothing happens in nature to signify the beginning of a new year, our world gets a new start when March arrives. The hepatica pushes back its snowy coverlet and opens its pale, delicate blossoms to watch the approach of spring. Wood frogs, chipmunks, female black bears, water striders and whirligig beetles, pussy willows and violet-tipped butterflies all emerge from hiding. Owls mate now, as do meadow-mice and foxes. And if anyone wants to "turn over a new leaf" March is a far more appropriate time to do so than January 1st, for in March leaves are budded and about to break into April's fresh greeness, and man's new resolution can go into effect with Nature's new lease on life.

Now the earth, solemnly silent for so long, preaches a glad Gospel: "It's March! It's time for a change!"

Three Phase Report On Consolidation

Continued from Page 1

instruction and because such a school system could attract and retain well qualified teachers.

At the preaent time, the three school districts have the following number of teachers: Central Lake, a total of 16 including eight in the elementary and the same number in the high school; Ellsworth, 5½ in the elementary and 7½ in the high school for a total of 13 and Charlevoix 17 in the elementary and 19 in the high school for a total of 36. This adds up to 30 ½ teachers in the elementary schools of the three districts and 34½ in the three high schools for and overall total of 85 teachera.

A proposed faculty for a consolidation school district would add two teachers to the elementary faculty at Central Lake for a total of 10; 2½ to the elementary faculty at Ellsworth for a total of eight and two in the elementary school at Charlevoix for a total of 19.

On the junior-aenior high school level in the proposed new set-up, the number of teachers would be cut from 34½ at the present time to 30 with 10 of the total teaching in the seventh and eighth grades, leaving 20 teachers in the high school for classes in the nine through 12 grade levels. This figure does not include administrators, principals or guidance personnel.

It is felt that a comprehensive curriculum of 60 subjects could be taught effeciently by a faculty of this size, thus assuring both elementary and high school students alike a betted education. It was the consensua of the committee that, upon graduation from such an improved school system, graduatees of this area would be much better qualified to compete in both vocational or accademic fields with graduates of schools aynwhere.

In studying the physical plants of all three school districts, two major issues were considered regarding the condition and adequacy of existing school buildings. The first was: Could the present buildings, if duplicated today, pass the following codes: Fire marshall, Building, public Health and Sanitation and Civil Defense? The answer was "No" to all four codes at both Central Lake and Ellsworth while at Charlevoix the answer was "Yes" to all but the latter, Civil Defense.

The second issue was related to the structures and whether or not they have suffecient usable and properly equipped space for the following purposes: administration, guidance and counseling, cafeteria and school lunch, health, storage, teacher and faculty, library, homemaking, commercial, languages, shop, physical education and athletics, music, science and separation of age groups.

At Central Lake the answer was "No" to all but administration and teacher and faculty and at Ellsworth to all but physical education and athletics while at Charlevoix the answer was "Yes" to all sections.

As for sites, the Central Lake schools, K-12, are located on a 40 acre site; the Ellsworth schools, K-12, on an eight acre site and the Charlevoix schools on the two sites, the elemetary school on a four-acre site and the junior-senior high school on a 20 acre site with an additional three acres garage site and football practice field. In all three districts, the sites are adequate for present use. The survey revealed further that the Charlevoix elementary site would not permit further building expansion and that the high school could be expanded with the aqusition of adjoining land.

Again you are reminded that if you have any questions or comment regarding the proposed consolidation won't you please address them to this newspaper or to our superintendent so they may be answered. If you wish a speaker or resource persons for a panel discussion for a program regarding the proposed consolidation, you are also asked to contact your superintendent who will arrange such a program for your group.

Con Con Report

The finance and Taxation sections of the new Constitution have undergone preliminary debate and recived tentative approval.

After being edited by the Committee on Style and Drafting, the provisions will be brought back for second and third readings.

Whether they will survive unchanged is anybody's guess. Some members of the Committee on Education have indicated they are willing to do away with earmarking of school funds if earmarking for roads is also killed. The committee has postponed action pending developments.

This situation developed following the aurprise action of the Convention in killing the 15-mill tax limitation, giving control to the legislature to set the rate limitation.

The action brought conflicting responses from three ranking members of the Committee on Finance and Taxation, which had recommended keeping a limitation in the constitution. Its chairman, D. Hale Brake, former state treasurer and known as Mr. Rural Republican, vigorously defended the limit and said it should be reinstated. "The limitation gives people something to tie to, a starting place, an inherent right to vote when tax rates get higher than 15 mills," he explained.

But Richard H. Austin (D-Detroit), certified public accountant and 2nd vice-chairman of the committee, characterized the killing of the limitation as one of the best actions taken, "because it is the first rear break-through in getting rid of Constitutional taxing restrictions."

Agreeing with Austin was Richard C. VanDusen (R-Birmingham) an attorney, who said, "Giving the Legislature responsibility for tax rate limitations is a far sounder way to protect property owners from exececssive taxation. The Legislature can set a reasonable limit on tax rates. The 15-mill limit does not apply to cities, villages and school bond issues."

The remainder of the Committee program, however, has been generally approved. It includes limiting tax assessments to 50 per cent of cash value, uniformity and a prohibition of a graduated income tax, all of which were bitterly attacked. Earmarking of weight and gasoline taxes for roads was unopposed, but earmarking for schoola underwent attack. The issue is expected to be re-opened on second reading.

"The 50 per cent limitation will sharply damage the tax structures of most Michigan cities, Austin charged. "If not right away, then eventually. Detroit and Wayne County are the chief victims. In 1959, it would have cost the city and its schools, $30 million, the whole county, $45 million. Assessments have been reduced some since then."

VanDusen and Brake, however, declared the State Tax Commission has already ordered Detroit to reduce its assessments to 50 per cent within three years. "The Commission is trying to get the whole state to the 50 per cent figure,"Brake explained. "It is time Detroit got down there, too. The overly high assessments have been hurting the city by discouraging expansion of industry.

"While it will cost the city some tax revenue, it will bring a better business climate," he added. "And we expect to give power for other forms of taxation that will make up for the losses. Unless the Legislature preempts the field, they will be abie to adopt a flat rate income tax."

Van Dusen and Brake united to defend tax uniformity and the prohibition of a graduated income tax. "If we do away with uniformity we give a tremendous field for discrimination to the Legislature," Brake said. "It means that factories could be given one rate or assessment, machinery another, houses another. I would not want the Legislature subjected to the kind of pressures this could generste."

But Austin insisted giving the Legislature the right to classify is essential to keeping industry healthy. "If industry is getting hurt by high machinery assessments we can at least ask the Legislature to change it," he retorted. "As for the graduated income tax it does not belong in the constitution. And, I was not alone in saying so—there were Republicans who aaid so, too."

Brake said the graduated tax was bad because it narrowed the tax bases to just a few, while it was esential the base be broad.

The three tax experts agreed that among the Convention's better achievements was the nonpartisan approval of changes in the pension system. One was an order to make all pension plana for all public employees—whatever unita of government they work for—contracts enforceable in court. Another calls for—in the future—prompt payment of government pension liabilities, but nothing was done about the $600 million now owed to pension plans by various school districts.

MINUTES OF SCHOOL BOARD MEETING

February 5, 1962

Present: Dinwiddie, C. Smith, Martinchek, Martin, Blanchard, A. Smith and Bennett, Supt. Absent: Lieberman.

The meeting was called to order at 8:12 p.m.

Minutes of a special meeting held January 18, of a regular meeting held January 22, and of another special meeting held January 29, were read and approved with two corrections in the latter.

It was moved by C. Smith, supported by A. Smith, that bills in the amount of $3,735.71, payable from General Fund, be approved and ordered paid. Carried: 6-0.

Moved by C. Smith, supported by Martinchek, that a bill in the amount of $4,872.76, payable from Building & Site fund, be approved and ordered paid. Carried: 6-0.

Also in attendance were Norman Ance, attorney, Gordon Cornwell and Richard Greenless, architects. A complete tour of the new high school building within the interior was made with particular emphasis on the engineering, heating nnd plumbing, wiring and other construction finishing details. A list of corrections to be made was prepared and discussed at a reconvening in the Board room. After explanations and reports by Gordon Cornwell, the following resolution was presented by A. Smith, and supported by Martinchek:

WHEREAS, the Koenig Construction Co. has now completed the work under the General Contract for the construction of the new Charlevoix Junior-Senior High School and remodeling "Building C" and this, together with the work performed by the School District, completes the work under the General Contract, and the Architect has certified the same for final payment and has reported that the construction is satisfactorily completed, except for a few minor details which are being corrected and which are covered by the guarantees under the various contracts, and the Board having inspected the said buildings and having found them satisfactorily completed and the contracts therefore fully performed, except for the few minor details aforesaid covered by the guarantees under the contract;

THEREFORE BE IT RESOLVED, by the Board of Education of the Charlevoix Public Schools that it accept the said new Charlevoix Junior-Senior High School Building and grounds, and the remodeled "Building C" and acknowledge that the work under the contracts therefor is fully performed, subject to the correction of certain minor items referred to above covered by the guarantees under the several contracts, and reserving to the School District all of its rights under the various bonds and guarantees under the terms of the various contracts therefor.

Resolution adopted: Yeas 6 Nays 0. Absent 1.

Charlevoix Bows to Grayling 56-42

★ ★ ★

Rayders Hold Fourth Place in NMCC Loop

The Charlevoix Rayders dropped their second game to Grayling Friday night by a score of 56 to 42 for a six win-seven loss as the 1961-62 cage season goes into the home stretch.

Charlevoix will conclude its season at Boyne City Friday night before entering tourney plays here the following Tuesday.

The Rayders jumped into a 16 to 10 first period advantage after playing heads-up ball but at the beginning of the second period their offense went sour and from then on they never recovered their first quarter drive as they trailed 23 to 20 at the half and 34 to 29 going into the final period when they were outscored 22 to 13 by the visitors.

Stan Martin paced the Rayders with 13 points followed by John Pearl with nine; Dave Rader with eight; Frank Curtis and Henry Wagner with four each and Dan Pearl and George Majors with two each. Jim Uhrick joined the action late in the game.

Sherm Neal led the scoring for the game with 15 points followed by Tim Neal and Chris Kroll with 13 each.

The box score shows Grayling had 22 field goals, 12 of 17 free throw attempts and nine personal fouls. Charlevoix had 17 field goals, eight of 12 free throw attempts and 13 personal fouls.

Little Rayders Drop Game to Grayling 46-44

The Charlevoix Reserves dropped their third game of the season Friday night, losing to the Grayling Reserves 46 to 44 for a record of 10 wins and three losses in league play.

The young Rayders forged into a 16 to 12 first quarter lead which was trimmed to 29 to 27 at halftime before the visitors went ahead 39 to 34 as the local lads scored only five points to 12 for the Vikings.

The little Rayders tried to get back into the running in the final period but fell short by two points as time ran out after outscoring Grayling 10 to aeven.

Rick Miller with 12 points paced Charlevoix followed by Gary Stutzman with 11; Jack Uhrick with 7; Pete Ance and Bruce Kroken with 6 each and Brenden LaBlance with two points. Nick DeYoung and Dave Smith also played.

Ken Engels had 15 points for Grayling.

The Charlevoix Reserves, with a season record of 10 wins and three losses in league play, ara pictured on the local hardwoods when they lost to the invading Grayling Reserves 46 to 44 Friday night.

Here Peter Ance (30) is pictured jumping against a young Viking while Jeck Uhrick (42) and Bruce Kroken (far right) wait for the ection to begin.

Hornets Clinch League Title

The Pellston Hornets clipped the Mancelona Ironmen by a score of 44 to 31 Friday night to snag the 1961-62 Northern Michigan Class C Conference title Friday night.

In other games, Charlevoix bowed to Grayling 56 to 42; Boyne City won over Gaylord 61 to 58 and Harbor Springs romped over East Jordan 69 to 33.

Pellston 44 Mancelona 31

For a brief time Friday night the Mancelona Ironmen were hopeful that they might upset the visiting Pellston Hornets as they trimmed the Hornets lead to one point, 31 to 30 with three minutes remaining. Their hopes, went up in a blaze as the visitors dumped in 13 points in the remaining minutes for the decisive win that gave them the title.

Mancelona had gotten off to an eight to six quarter score before going behind 21 to 17 at halftime and 29 to 24 going into the final period.

Pellston outscored Mancerona only 15 to 14 in the field goal department but made up the margin from the free throw line where they hit on 14 of 19 attempts while collecting on 10 personal fouls. The Ironmen scored three of 11 attenpts and had 13 fouls.

Stan Bodzik had 15 and Merle Cameron 14 for the victors. Ken Johnson and Kent Stradinger shared scoring honors with 10 points for Mancelona who played all but four minutes of the game without Pat Dutcher who is recovering from an attack of the flu.

Boyne City 61 Gaylord 58

Gaylord lost a close one to the visiting Boyne City Ramblers Friday night after leading the visitors until the final minutes of play.

Paced by Art Tebo with 17 points, the Blue Devils jumped to a 22 to 6 quarter lead and remained ahead 39 to 27 at halftime and 45 to 39 going into the final period before being outscored 22 to 13 to give the Ramglers the three-point victory.

Larry Gunderson had 27 points for the victors.

Harbor Springs 69, East Jordan 33

All 10 members of the Harbor Springs Rams made their way into the scoring column Friday night as Coach Charlie Paige emptied his bench against the East Jordan Red Devils who trailed 23 to four; 42 to 18 and 62 to 22 by quarters. Don Van Avery paced the victors with 19 points. Bill Cox had 14 for East Jordan.

This Week With Class "C"

With the Pellston Hornets now in full possession of the 1961-62 Northern Michigan Class C Conference title, other teams have only to defend their present standings or hope for a victory to gain a better spot as the season draws to a close this week.

Harbor Springs will be defending its second place standing when the Rams invade Pellston territory this week while Grayling, tied for second place with the Rams, will be trying to hold its place against the invading Gaylord Blue Devils. In other games Charlevoix will travel to Boyne City and East Jordan will entertain Mancelona.

The Rams who were defeated by Pellston from the free throw line in their first meeting will be trying to avenge this loss and to rack up a win when they invade Hornet territory this week. Though they are the most improved team in the league, they won't have much of a chance against the Hornets who will be playing on their home floor.

Though Gaylord upset the Vikings in their first meeting, another team that has shaped up well, is expected to rack up a win when they entertain the Blue Devils.

In their first meeting Charlevoix lost to Boyne City by four points, 44-40 with the Ramblers winning the game from the free throw line. However, since then the local lads have failed to show the type of play that made them a dangerous rival earlier in the season. Unless they play better ball then they have displayed in their last two games they will end the season with a less than .500 record.
